Pastor E. A. Adeboye
General Overseer

THEME: THE OUTPOURING

MINISTERING: PASTOR E. A. ADEBOYE

OPENING PRAYER: Father, when you are pouring out your blessing today please don't leave me out.

Let somebody shout Halleluyah!

Daddy is really amazed with what he is seeing. Some other regions had organized programs here before but our mother Region is now showing us how to do it now.

Daddy will want to encourage those that came not to rush away as everywhere is already saturated with His anointing.

BIBLE TEXT: 1 Samuel 16:1, 11-13.

1. And the LORD said unto Samuel, How long will you mourn for Saul seeing I have rejected him from reigning over Israel? Fill your horn with oil and go. I will send you to Jesse the Bethlehemite: for I have provided me a King among his sons.

11. And Samuel said unto Jesse, Are here all your children? And he said, there remains yet the youngest and behold he keeps the sheep. And Samuel said unto Jesse, send and bring him for we will not sit down till he comes here.

12. And he sent and brought him in. Now he was ruddy and of a beautiful countenance and handsome. And the LORD said, Arise, anoint him: for this is he.

From this day forward, the spirit of the Lord will be on somebody here.

What do we mean by Outpouring?

Outpouring means to pour out from a full container. The Lord said to Samuel: Fill your horn with oil.

To outpour really means to pour until there is an Outflow.

In those days full horn of oil is poured to anoint.

Psalm 23:5 says: You prepare a table before me in the presence of my enemies: you anoint my head with oil; my cup runs over.

In the Name above all days, as from today there will be an overflow of joy, power, halleluyah, power, health, anointing, success.

Gen 17:1 says and when Abram was ninety years old and nine, the Lord appeared to Abram and said unto him. I am the Almighty God, walk before me and be you perfect.

God is more than full. He called Himself Jehovah Elshaddai. When someone is more than full he overflows from his fullness to his people.

The Following is what the Outpouring of God can do in a man:

1. When God pours His overflowing on you, He does so to position you to do God's Purpose.

In 1 Samuel 10:1; Samuel anointed and kissed Saul and said to him: Is it not because the LORD has anointed you to be ruler over His Inheritance? In 1 Samuel 16:1, the reason why I asked you to fill your horn with oil is to anoint a King.

2. When there is outpouring, it empowers you to lead.

In 1 Samuel 22: 1-2; when David was anointed and had to hide in cave Aduliam. Several people gathered there with him including his brothers, father's households and even every one that is distressed, in debt and discontented gathered themselves to him and he became their captain (in all about 400 men).

So anywhere you find such, he will rise to the top without effort.

Daddy decreed that whether the devil like it or not, you will reach the top.

3. When He has pour His anointing on you, you will begin to Overflow in words.

Your words has tremendous Power. So after today be careful of what you say as your words will now come with Power.

In 1 Samuel 10: 9-10, the son of a farmer become a Prophet after being anointed and he began to Prophesized. The three (3) most significant Prophecy about Jesus Christ came from the mouth of David:

A. Psalm 22:1; prophesized about his acts on His intended end (death). The verse quoted says: My God, my God; why have you forsaken me? Why are you so far from helping me and from the words of my groaning?

B. Psalm 23: 1-6 talked about the Ministry of Jesus Christ.

C. Psalm 24: 7-10; talked about the future return of Jesus Christ.

The moment the Outpour come on you, whatever you say becomes a decree.

Say: From now on it will be well with me.

4. When you have the outpouring it will be difficult not to witness - tell others about Jesus Christ - Acts 1:8.

5. Not only to witness you will also be healing. In Acts 9:33-34, Peter simply said to Aeneas that had been sick for eight (8) years and paralyzed that Jesus Christ makes you whole: arise and make your bed and it was so immediately.

Daddy is believing God for someone today that as from today when you say the sick should be healed, they will be healed.

6. The Outpouring is also for fighting Purpose. In Acts 5:1-11, when a certain man called Ananias and wife Sapphira want to corrupt the church, Peter just say die.

The outpouring from your mouth will fight the devil. Even anybody trying to destroy your marriage will be dealt with. Some misunderstand Jesus Christ as being a combination of being a Lamb and Lion at the same time.. Anyone that will not allow me to reach my goal shall die. Anyone disturbing the peace of my family shall die.

The issue with so many of us is that we don't fully understand the scriptures. Our God is love as quoted in 1 John 4:8: He that loves not knows not God: for God is Love. But God is also a Consuming Fire as in Hebrew 12: 29: For our God is a Consuming Fire. Both texts are found even in the New Testament.

Anyone from now who want to stop or disturb from your progress, joy, peace and killing innocent people; the Consuming Fire will consumed them by fire.

In Acts 13:6-12, when Paul was preaching to a Governor and trying to bring salvation to him. But there was a sorcerer disturbing him. Paul didn't say God bless you or God have mercy on him but he said be blind and he was blind.

Daddy is joining his faith with everyone here that anyone focusing on you, family and Church for evil intention shall go blind.

Anyone who has decided to slow you down by critising you when you have not offended him shall lose his life.

7. The outpouring is to empower you. To overflow through your strength through your sweat. When you lay hands on the person he will be healed. Healing is produced by killing the enemies causing sickness (germs and viruses). You need to kill all the enemies for the friend to live. Every spiritual germ and virus in your life, family, home, Church etc. shall be destroyed today in Jesus Name.

In Acts 19:11-12, God performed special miracles through Paul even through handkerchief. You are made to Overflow through your sweat.

Even to heal through your shadows as we have in Acts 5:14-16; the shadow of Peter healing the sick.

Let me tell you one thing, from now on when you shake hand with the sick they will be healed. When the demons see your handkerchief they will run. In the Name above all Names, when people stumbled on you in your office, market place, bus etc. they will received a Miracle.

8. Outpouring is to Empowered you to produce people like you; who will do exploits and win souls for Christ.

In 2 Samuel 23: 8-39; some people called vagabonds became mighty men because of the overflow from David turned them to mighty men.

Daddy decreed that very soon, some of you will become Evangelists and Prophets. The Anointing will allow you to turn vagabonds to mighty men of God.

9. In Isaiah 61:1-4.1; the purpose of God pouring out His Outpour on your life is for the anointing to help you produce disciples, strong people that will be mighty and take the whole world for Jesus Christ.

For you to get the anointing that you are requesting for then you must be willing to pay any price for the outpouring. Whatever it takes, make sure you

do this because immediately it comes, it takes you far. If it will requires prayer pray. If it requires fasting fast.

Before this time next month your testimony will shake the world - you will heal the sick, set the captives free and raised the dead. When the enemies sees you, they will run away. Your Promotions had started.

In Conclusion, the horn of God may be full of oil and ready to pour but if the head is not right the oil will not flow.

In 1 Samuel 16:1-10, God asked Samuel to anoint one of the son of Jesse as King. The first to seventh born was brought but the oil did not move until David was brought. But the oil must not go back empty. So Samuel asked Jesse, don't you have any other son. He mentioned David.

Daddy prayed that your head will be right in Jesus name. Your head will not refuse anointing.

That is why in Acts 2:37-39, when the people saw what the Outpouring of the Holy Spirit doing in the life of fishermen they desired it. Peter simply told them: Repent, surrender to Jesus Christ, get baptized and the Outpouring will be made available.

So if you here and you are just playing Church and you have not surrendered your life to Jesus Christ and you don't want to miss the Outpouring of the anointing, then i beg you to come and give your life to Christ now. It does not matter what you have done before. God can change your life completely over.

Because of the distance, I will count from 1 to 20 for you to come over. Talk to the Lord to save your soul, cleanse you with His blood and be your Lord.

Using your Overflowing Anointing pray thus: Father I decree now everything holding me down let your fire fall and consume them now in Jesus Name!

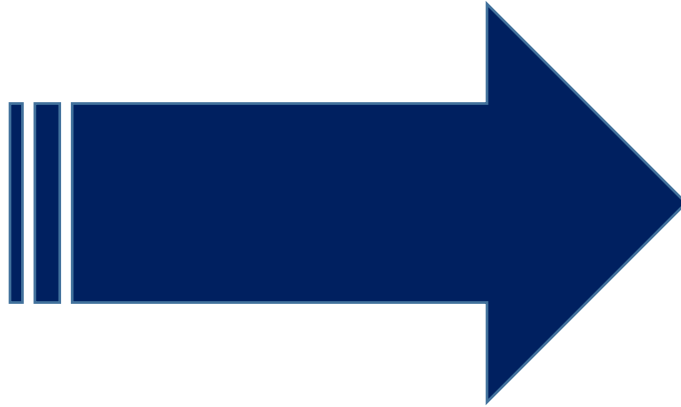

Thank you so much for reading!!!

MARCH THANKSGIVING SERVICE

MARCH SPECIAL HOLY GHOST SERVICE THANKSGIVING SERVICE

MINISTERING: PASTOR E.A ADEBOYE

TOPIC: THE SECRET OF PERMANENT VICTORY

DATE: 4TH MARCH, 2018

PRAYER: Lift up your hands to the Most High God and give Him all the Glory, Honour and Adoration. Praise Him because you slept and woke up well. Praise His Holy Name because of His Special Grace and that you are still in Him. He is worthy of our Praises.

Let somebody shout Halleluyah... Halleluyah!

BIBLE TEXT: PSALM 47: 1-3

1. O clap your hands all ye people; shout unto God with the voice of triumph.
2. For the LORD most high is terrible; He is a great King over all the earth.
3. He shall subdue the people under us and the nations under our feet.

When we asked you to clap your hands and shout with a voice of triumph, it is because God wants to subdue the people under you.

Daddy has been teaching us that nothing goes for nothing. Nothing in life is free. Your Salvation is free because someone paid for it - Jesus Christ.

If you are enjoying Divine Healing and Health, it is because someone took the stripes. If your freedom from Satan and all his forces is free, it is because

someone already died, went into the grave and paid all the sacrifice. If today you are rich, it is because someone was made poor so that you can be rich.

If there is anything free; please look closely as someone has already paid dearly for it.

Our bible text is the secret of Dominion and reigning supreme over your enemy as your enemies are put under your footstool.

... So clap your hands and shout Halleluyah!

It has always been said that your Attitude determines your Altitude in life. If you are grateful, you will go high but if however you are ungrateful, even though you are rising, you will soon crashed land.

Your gratitude determines your future.

African elders may not go to schools but their Philosophy is very solid. They normally said that when an hunter come home from a successful hunting and starts giving offerings; it is not because of the animal that he has killed but because of those animals yet in the bush. The hunter knows that a grateful person won't ever come back home empty handed.

They said that when a child is grateful for what he/she receives today; such child will receive more in future.

Our African Elders says that anyone who refused to be grateful for what is done for him/her, then such a person is a robber.

... All these are our African Proverbs.

But when you go through the Scriptures, you will discovered that Ungrateful People never last long.

For example SAMSON - Daddy has taken enough time to study about Samson.

Samson is highly anointed and God likes him so much. When a whole Nation gathered to kill him; God empowered him to kill them. The enemies surrounded round him and lock up the gate. He simply went to the gate and uprooted the gate.

There is however a "BUT" in him - his eyes are always looking at a strange woman.

Then what was the problem that he ended up to die before his days and ended up dancing for his enemies and grinding for the same set of people that feared him before?

Do you know what I noticed?

Samson never say: "Thank you" to the Lord. Not even for a single time.

In Judges 14: 5-6; when the lion attacked him and he killed the lion with his bare hands... he never say Thank you to God.

In Judges 15: 14-15; when the Philistines shouted on him and he killed a thousand (1,000) with a jawbone. What did he say: he just boasted that he killed a thousand with a jawbone.

... Not for once did the simple word "Thank you" come from him.

For so many of us, we traveled many times and got back home safely. Yet we will not say "Thank you Lord". On the way, we were on high speed but God help you to stop the car. But rather than saying "Thank you"; you are boasting that you are an International Driver.

We eat daily and forget that there were millions who have food but cannot eat them. Go to the hospitals and you will see so many wealthy people that cannot eat. But to you, God has given you appetite.

Many live in mansions, air conditioned rooms and have waterbeds to sleep on yet they cannot sleep. And for you that sleeps on the mat, even before you hit the ground... you are gone fast asleep. But you don't know how to say "Thank you"?

Some people have hands that are useless and mouths that cannot speak.

... Can I hear someone shout Halleluyah!

On the other hand, Grateful People keep on soaring high.

Someone said to daddy not long ago that if you see what God is doing in RCCG and how things are getting better year in year out. You have not seen anything yet. The reason is because our trademark is "Let somebody shout Halleluyah'.

Someone told daddy that RCCG has arrived but he told the fellow that we have not even started and the fellow has not seen anything yet. Someone see our Auditorium and said Oh God Almighty this Auditorium is full.

... Hmm...you have not seen anything yet. Daddy GO will tell us when we arrived because God has shown him before - daddy GO has seen an Auditorium the size of Ibadan. Where do we have that kind of land?

When God told us in 1981 that He would give us a city and He has done it.

... Let me tell you that your future will be alright.

Let's take some examples:

1. David in 2 Samuel 6; 15-23. This shepherd boy when he was a King was dancing like a small boy. He was dancing such that his belly was exposed out of his garment. His wife then said that don't he (David) knows that he is a King. Then David said to his wife who happened to be the daughter of an ex-king that I know who am dancing for. Your father never danced before God and so God took the throne from him to me.

David was recorded to have said: My heart is fixed within me and I will Praise the Lord because God knew that I have said it that I will bless God at all times and His Praises will continually be in my mouth - Psalm 34:1.

In Acts 13:22; God said that I have been searching, seeking and now found a man after my own heart (that's David). And that was why I brought him from the bush to be a King. So when you see me (David) dancing just know that I have made up my mind and I will Praise God at all times and His Praises will continually be in my mouth.

2. Solomon - You may want to say: Like father like son.

In 2 Chronicles 1: 6-15; Solomon looked at himself and recalled how his parents met to produce him and now he is King. He said that I don't understand you Lord but one thing that I will do is that I will show you how grateful I am. So he offered a thousand (1,000) offerings to God. Others looked at him as no one had ever done anything like this before. So he resolved that he will bless the LORD at all times.

Not only did God made him a king, he was blessed with silver and gold such that they were common place.

In 1 Kings 4: 21-24; even the enemies of Solomon brought gifts to him because God has subdued them and he has dominion. Do you know that Solomon never fought any war throughout his reign and he experienced peace on all sides round about him.

... Victory is Permanent for a Grateful Person.

There is one fellow here whose Victory will be Permanent. That person will be an incurable Praiser who is always Praising God.

In Conclusion, Gratitude is not by words of mouth alone. Your life must Praise Him.

In Genesis 39: 1-9; Joseph was taken to Egypt as a slave boy, the situation of things horrible. He arrived at the house of his master and not long afterwards, the God of Glory shone on the households and the master has no choice than to hand over the affairs of running the house to him and soon he become an Absolute Controller. Then his master's wife said to him - you are handsome and so let us have some nice time together. Then Joseph said that: How can I do this kind of thing and offend God.

Grateful People are Holy People that don't want to offend God.

So in case if there is anyone here that God has been good to but still not in Him yet? And you want to surrender to God now, please just come to the altar now.

Lift up your hands to the Almighty God and just Praise Him. It is by His Grace that you are around now and not in prison for offences that you did not commit. Praise Him as He is worthy of our Praises. Grateful People are always Praising God and Ungrateful People don't Praise God for the Victory He gave them.

Thank you so much for reading. The hearts of Thanksgiving will never depart from our mouth.

BIBLE TEXT: ROMANS 8: 28-32

28. And we know that all things work together for good to them that love God, to them who are called according to His Purpose.

29. For whom he did foreknow, he also did predestinate to be conformed to the image of His Son that he might be the firstborn among many brethren.

30. Moreover whom he did predestinate them he also called: and whom he called, them he also justified: and whom he justified them he also glorified.

31. What shall we then say to these things? If God be for us, who can be against us?

32. He that spared not His own Son but delivered Him up for us all, how shall He not with Him also freely give us all things?

The firstborn in any family is a "Special Person" because they are the "Turning Point" in every family. It is when you have the firstborn that you actually become a father and become a mother as the case may be.

So we thank God for the firstborns. They are the Turning Point and so such important that God claimed them that they belong to Him.

Unfortunately, because they are so important, the enemies is always dealing with them and so we need to pray for them.

From now onwards, our firstborns will keep excelling in Jesus Name.

By the Power of the resurrection of Jesus Christ, your problems are over.

Back to the topic of today; the Greatest Victory ever won for mankind was won on Easter Sunday.

Revelation 1:18 says: I am He that liveth and was dead and behold I am alive for evermore, Amen; and have the keys of hell and of death

There is no greater Victory ever won other than that which Jesus Christ won for us on Easter Sunday and resurrection morning because the greatest sacrifice anyone made was made on "Good Friday" when Jesus Christ was nailed to the cross. Several things happened in that process - He was swiped naked, beaten, His dress took off Him, crowned Him with thorns, darkness covered the whole earth. Then they buried Him and rolled a mighty stone over the tomb because they said to themselves, He told them that He will come back again. So they put soldiers there to guard the tomb so that His disciples will not steal His body away

... Oh! Glory be to God. That was on Friday. Then on Sunday, God sent His Angels; the guards saw the Angels and ran away. By the time they came back, the stone has been rolled away.

Every satanic power guiding you will wiped away today in Jesus Name.

Daddy prayed for you that: On this Easter Sunday morning that everything called shame will come to an end in your life this very moment in Jesus Name. Every stone blocking your way is rolled away this morning. Every garment of shame you had put on till Friday shall be torn away completely in Jesus Name.

... He made a Mighty Sacrifice according to John 15:13 - Greater love hath no man than this that a man lay down his life for his friends.

The bible says in 1 Corinthians 2:8 that: Which none of the Princes of this world knew: for had they known it, they would not have crucified the Lord of Glory.

If Jesus Christ has not risen from the dead, then our Christianity is in Vain. What made Christianity stands out is that our God is Alive.

There is only one grave that I know that is empty - It is the grave of my own God because He lives ... Let me hear you shout Halleluyah.

Because He arose from the dead therefore, several things happens:

In 1 Peter 2:24 says: Who His own self bare our sins in His own body on the tree, that we being dead to sins should live unto righteousness: by whose stripes ye were healed.

Daddy decreed that every sickness and diseases that you have lived with till today will not follow you back again. They shall come to an end today in Jesus Name.

2 Corinthians 8:9 says: For ye know the Grace of our Lord Jesus Christ, that though He was rich, yet for your sakes He became poor, that ye through His poverty might be rich.

Jesus Christ became poor so that through His poverty, you and I might become rich.

Daddy decreed that long before the next Easter celebrations, you would have say bye bye to poverty in Jesus Name.

Because Jesus Christ arose from the dead, He has the keys of hell and death. He told Satan you will bruise my heels but it is also written that I will bruise your head. Jesus Christ took the keys of hell and death and came out triumphantly.

In 1 Corinthians 15: 55-57; because of this great resurrection we can now say death where is your sting, oh grave where is your Victory? They have all lost them forever.

God has given us Victory through Jesus Christ. My Lord is surely Alive.

... Let me hear someone shout ... Yes, He is!

Death is a horse we ride to Glory because we have someone that has conquered death. He won the Victory for you and not for Himself. Therefore the onus now lies on you and I to Enforce our Victory.

How can we Enforce our Victory?

1. You can enforce your Victory through His Name.

In Acts 3: 1-16; when Peter said to the lame man: silver or gold I don't have but I will anoint you in the Name of Jesus Christ - arise. So he grabbed him and pull him up. He told the people that gathered that it was the same Jesus Christ that they crucified in whose Name he is using to performed this Miracle. Philippians 2: 5-11 told us that because He humbled Himself till He died on the cross; so God has highly exalted Him by giving Him a Name that is above all Names that at the mention of the Name of Jesus Christ, every knees must bow.

Anytime you are going through any difficulty, use that Name. Philippians 4:13 says: I can do all things through Christ which strengthened me.

Whenever you shout the Name of Jesus Christ; Heaven stands at attention and demon trembles.

Let me hear someone shout the Name - JESUS!

There is no other name like the Name of Jesus Christ ... some hate it but no one can ignore it because it is the Name that is above all Names.

2. You can enforce your Victory through the Blood of Jesus Christ.

Anytime the devil tries to remind you about who you used to be, remind him of 1 John 1:7 - But if we walk in the light, as He is in the light, we have fellowship one with another and the blood of Jesus Christ His Son cleanseth us from all sin.

In 2 Corinthians 7:2; Paul the Apostles opened his mouth and said thus: Receive us; we have wronged no man, we have corrupted no man, we have defrauded no man.

The Bible in Revelations 12: 10-11 says that we overcame them by the blood of the lamb.

Let me hear someone shout: Blood of Jesus.

3. You can enforce your Victory through the Word of God.

You can use His Promises as stated in Matthew 24:35 - Heaven and Earth shall pass away but my Words shall not pass away.

Jesus Christ said that: I am the bread of Life.

He said that: I am the Resurrection and Life.

When the daughter of Jairus was brought to Him and He restored back to life, the people said it was a fluke. He met the people that was on their way to bury the only son of the widow of Naim. He came into the scene and brought him back to life. But the people said that the boy had not died very well before. So when they sent for Him that His friend Lazarus was dead; He said I will wait for 4 days to truly show them.

Let me hear someone shout: JESUS!

Daddy has a Good News for someone here this morning: Every opportunity that you think you have lost forever shall come back to you. Because Jesus Christ lives, there shall be "Total Restoration" in the Name of Jesus Christ. This is one if the Greatest Promise apart from saying that He is going to prepare a place for you and I.

Let me assure you (Daddy GO); Focus on God. When He says that it is well with you then it will be well with you.

How then do I begin to enforce my Victory?

In Marks 16: 16-18; Jesus said: All Power in Heaven and Earth has been given to Him.

So all you need do is to just go out and preach the Gospel to all Nations. Then all these signs shall follow you.

As soon as you leave here, begin to go out there to win souls for God. Compel Signs and Wonders to follow you. You cannot sit down and expect Signs and Wonders to follow you. He said that you will lay hands on the sick and they will received their healings - you should just keep on laying hands on the sick. You have been given Power to raised the dead. So use them.

You don't need to expect to fail but expect to succeed. A child can stand and fall but he/she needs to keep on trying to perfect how to walk. And one day, he/she will be running in the Olympics.

Daddy is believing God for you that before the end of this Year 2018; you will be raising the dead.

God has made the Victory available for you but you need to enforce it.

How do I Access this Victory?

To have access to the wonderful Provisions and Privileges that you have in Jesus Christ our Lord; then you need to know Him and have relationship with Him.

Jesus Christ is the firstborn of the Father and you can join that family today by surrendering your life to Him. The devil too knows that this is correct.

In Acts 19: 11-17; Paul believed that if someone should touches the hems of the garment of Jesus Christ and be healed then his own handkerchiefs too should heal the sick. So some people saw this and tried it on a man possessed with demon ... commanding the demons to come out in the Name of Jesus Christ. The demon simply said: Jesus Christ I know, Paul the Apostles I know but who are you?

Beginning from today; demons will see you and shout for help. But this will be impossible if you don't know Jesus Christ and associate with Him.

So if you are here or listening to me from anywhere all over the world this morning and you are yet to give your life to God; come out quickly now to give your life to God. So I will count from 1 to 7... run to the altar.

PRAYERS: My Father and my Lord; we thank you for your Words and these people. Let your blood wash them clean, write their names in the Book of Life. Anytime they call on you, answer them by fire in Jesus Name.

1. Father, you have promised that if you be lifted up, you will draw all men to yourself. You have been lifted up, please lift me up too in every area of my life.

Thank you so much for reading.

FEATURING SPECIAL PRAYERS FOR PREGNANT WOMEN, MEDICS,
PARAMEDICS AND ALL SEEKING MEDICAL ATTENTION.**

THEME: HOPE FOR THE HOPELESS

MINISTERING: PASTOR E.A ADEBOYE

DATE: 6TH MAY, 2018

OPENING PRAYERS:

1. Give thanks and appreciate the Most High God.
2. Father every evil reports concerning me, my family, children, Nation, Church of God and Success in life change it right now - be it from the doctors, evil prophets, any means known and unknown and force of darkness. Any report that says that I will die, die barren, die poor, never succeed or reach my goals in life; please change it oh Lord.

SONG:

You are worthy to be Praised (2ce)

My Redeemer

You are worthy to be praised.

Daddy Prays: Excellent God, Marvelous God, Wonder Working God, the Unchangeable Changer; Glory be to your Name. We thank you for January, February, March, April and now thank you for May - Glory be to your Holy Name.

Father, we know that you are on your throne and when you are in control of anything that thing cannot get out of control. We therefore know that our tomorrow will be alright. Accept our worship in Jesus Name.

My Father and my God, every evil report against any of your children here and those that are watching online all over the world we cancel it right now. Any report that says your children will die; we tear it now in Jesus Name. Every report that says that your children will not be Fruitful, we destroy it in Jesus Name. Every report that says that your children will die poor, we destroy it now in Jesus Name.

Father, replace every evil reports with your own reports. Bless your children. Lay your Mighty Hands on them.

Father all your children that are faithful in the payment of their tithe and offerings; this Month embarrassed them with your blessings that the world will know that you are still on the throne. Let it be well with them. Answer all their prayers and let your Name alone be Glorified. In Jesus Mighty Name we have prayed....Amen!

Let somebody shout Halleluyah... Halleluyah!

Shake hands with 2 or 3 persons and tell them that your tomorrow will be alright.

BIBLE TEXT: COLOSSIANS 1:27

To whom God would make known what is the riches of the Glory of this mystery among the Gentiles; which is Christ in you, the Hope of Glory.

... Christ in you, the hope of Glory!

How will I know this: It does not matter what the enemies are saying; your tomorrow will be alright.

If you believed that, let me hear you shout Halleluyah... Halleluyah!

There are reasons why I am confident that there is hope for you:

1. You are still alive.

The bible in Ecclesiastes 9:4 says - For him that is joined to all the living there is hope: for a living dog is better than a dead lion.

A dead lion is a dead lion. If a dog is alive, it is far better than a dead lion.

2. God created you for a Purpose.

Do you know what?

The purpose God created you is to "Give God Pleasure".

Revelations 4:11 says: Thou art worthy O Lord, to receive Glory and Honour and Power: for thou hast created all things and for thy pleasure they are and were created.

God has not created you for sorrow, embarrassment or disappointment.

God has no pleasure in the death of a sinner; so how can He then has pleasure in the death of His own children.

3. His Purpose for your life will be fulfilled regardless of what the enemies may say or the circumstances.

In Psalm 33: 10-11; the bible talks about all the devices of human being that He brings it to nothing.

But His own counsel stands. So all those telling you that there is no hope for you, please ignore them because they are not your God.

If the doctor says there is no hope for you; he is only talking within his limited knowledge and not your Maker.

God has a Purpose for your life and that Purpose will be fulfilled (Amen)!

4. God has Power to do anything.

Jeremiah 32:27 says - Behold, I am the LORD, the God of all flesh: is there anything too hard for me?

He has the ability to reverse the irreversible. In Ezekiel 37: 1-20; He even raised the very dry bones.

So I want you with all confidence to tell your neighbour that: "My tomorrow will be alright". It does not matter what the enemies, your relatives, friends and doctors have concluded; they are not your God.

So for the barren trusting God for the fruit of the womb and it seems as if there is no hope for you; please consider Sarah in Genesis 18: 9-14. When God said Sarah will have a child at the age of 90 years, she laughed.

Listen to the question that God asked her: Is there anything too hard for me?

In other words, God said when I said you will have a child at age 90 years and you are laughing. Who do you think is talking? Is it your husband? Is anything too hard for God?

But oh you said; my womb has been shut more than 40 years ago. Is there anything too hard for God?

If you are trusting God for the "Fruit of the Womb". I want you to say it loud and clear: "My own will not be too hard for God".

Then to the one who is hopelessly sick. The doctors has told you: "No more Hope for you" as you are far gone. Please remember John 9: 1-7. It was the story that tells us about the man born without eyes - we are not talking of eyes problem but without eyes. He was born blind. When the Almighty God met him and when his day come; God said I brought this fellow into the world so that I can demonstrate my Glory in his life. And same day, the Glory of God was revealed. It wasn't a case that he was sick but a case of impossibility humanly speaking (not bad eyes but born without eyes). My Father

demonstrated that there is nothing too hard for Him. The man regained his sight.

Daddy decreed to someone that those who says that you will die; you will attend their funeral (Amen).

Don't listen to anybody that says "No Hope for you". Is the fellow God? Is the fellow your Creator? Does the fellow knows tomorrow?

For those who might be hopelessly bound - that your situation is as a result of demonic forces. Consider Marks 5: 1-15; it tells us about the story of a man with legion of demons. We are not talking of 1 or 100 demons here; according to bible scholars, a legion is about 6,000 demons - just in one man. If any man can carry such amount of demons then you can say his case is hopeless. Even himself, he has written off himself and never thought of becoming something useful again.

You see, when we are talking of a man its different from when we are talking of God. His Name is the "ALMIGHTY" This simply means someone whose Mighty is not limited. There are many Mighty men in the world but limited by age, sleep, death, resources but my God is "UNLIMITED". He does not sleep, slumber and never dies. Everything you ever needed in life, He can create it.

One Word from the Lord of Hosts and all the demons scattered. The fellow who everyone has written off ended up being an Evangelist.

... That is God for you.

So even if it looks as if mentally speaking there is no hope for you. Even if spiritually speaking, it seems no hope for you and you are already far gone? Remember that there is an "Unlimited God" still on the throne. He has never lost His Power and that Power still available for you till today.

If anybody says to you that you are already too far gone; tell him/her that you don't know my God.

Let me conclude by telling you that when the bible says: "Christ in you, the Hope of Glory"; that alone is enough to tell you that there is hope for you and the hope is Glory not shame, defeat, failure, premature death or barrenness - it is the "Hope of Glory"!

... Once again, tell your neighbour: "My future will be Glorious".

If you believed that: Shout Halleluyah ... Halleluyah!

The only person who is hopeless is the one who has not gotten Jesus Christ because if Jesus Christ is not in you, you then have no hope. The only hope you can have is "Hell". It is written that if you are not born again, your future will be terrible - say ye to the wicked, it shall be ill with you.

If you are not a child of God, your future cannot be bright because the bible says: "God is angry with the wicked everyday".

But if Jesus Christ is in you, the bible says - say ye to the righteous that it shall be well with you

So if you are here and you have not given your life to Jesus Christ, stop cheating yourself come now to surrender your life to Jesus Christ. Let Jesus Christ come into you. Let Him come and dwell in you and everything inside of you will change. He will tear the reports of the doctors and anybody saying anything contrary to your life. I will count 1 to 5, after which I will pray for you all.

Those in front now talk to God: Please save my soul, come and dwell in me and then I will know that my tomorrow is alright. Forgive all my sins and I will serve you for the rest of my life.

For the rest of us: Stretch your hands towards these people and intercede for them - that the one who saved your soul will also save their souls. Pray for them for 2 minutes.

Daddy Prays: Saviour I want to thank you for your Words. I want to give you Glory and Honour for these people who has come forward today. Please accept our thanks in Jesus Name.

Have Mercy on them. Save their souls, let your blood washes away their sin and write their names in the book of life. And from now, anytime they call you, answer them by fire. Let them serve you to the very end. In Jesus Mighty Name we prayed.

PRAYERS: Father, let my future be very Glorious in every area of my life.

Thank you so much for reading!!!

BIBLE TEXT: EPHESIANS 3: 20-21

20. Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the Power that worketh in us.

21. Unto Him be Glory in the Church by Christ Jesus throughout all ages, world without end. Amen

The human race is in categories. We have those people that are called below average. We have those considered as average. Then we have those considered as above average. Then we have those considered as Excellent. And then we have those considered as Exceedingly Above.

Which category do you want to belong to?

There are those below average and many people are in this category. However God does not want you to be in this category.

The book of James 1: 5-6 says: If any of you lack wisdom, let him ask of God that giveth to all men liberally and upbraideth not; and it shall be given him. But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed.

But you don't have to stay there (below average). All you need to do is to ask God for wisdom and He will give you.

There are those that are average including many Christians. There are those even in the Church known as brethren - nameless people. In the book of 2 Kings 3: 1-7; there are some people called the sons of Prophet.

God does not want you to be just average but move higher. According to Psalm 75: 6-7; Promotions only come from God. Just ask Him as He is more than willing to give it to you.

There are those above average. They are fewer in number. In the book of Acts 5: 12-13; the bible says by the hands of the Apostles were many signs and wonders done and many people magnified them as they belonged to a class of the elite.

If there is anyone here this morning who is just average; before the end of this Service today, you will be above average.

But there is something that is above average. That is Excellent. Among those that are above average, some will say that I want to be outstanding. In the book of Acts 5: 14-16; the bible singled out Peter that his shadow alone is enough to heal sick. In Acts 8: 5-8; the bible tells us about a young man called Philip who went to the city of Samaria and singlehandedly brought joy to the whole city.

Philip is among those the Church in Acts 6: 1-5 called the original deacons - they are all above average but Philip stood out among them.

Daddy prayed that in the Name that is above all Names; when people gather together (those that are above average) you will stand out.

Finally, there are those that are Exceedingly Above. There are very few people in this category. In Acts 19: 11-12; the bible says that God performed Special Miracles by the hands of Paul - not an ordinary Miracle.

A Miracle is the intervention of God in the affairs of men.

Among Miracles, there are Special Miracles.

Thank God you all know that I came from the academics world. In academics, there are various categories of Graduates. There are those we called General Degrees - those that study 3 subjects like History, Geography and Religious Studies.

Then we have those with Combined Honours - they study just two subjects either Physics and Mathematics or Chemistry and Biology. People in this category will go into deeper knowledge of the course than those with General Degrees.

Then there are those with Special Honours - they focus on only just one subject and so go deeper in knowledge than those doing Combined Honours.

So those doing Special Honours go about the campus with head high.

There are some of you who are already Excellent. Congratulations but that is not where God wants you to stay. You can go up Higher and get to a level that you can be Exceedingly Above and be a Class. You can be a Class by Yourself.

Daddy always prayed that every of his children will be greater than him.

In those days, we use to say that Mercedes Benz is the strongest, BMW is the fastest and Havana is the Most Comfortable. When comparing cars, we don't mention Roy's Royce because it is a class itself.

Daddy prayed that in the Name of the One that made him your father, you will be a Class of Yourself. They will say: when talking about students, teachers, lecturers, Professors, VC or Provost that you are simply a Class of Yourself.

You are all free to make enquiries about those that passed through daddy when he was a lecturer. He does not go to class with any note book. He will just look at the students note to see where they stopped and teach on from there for hours. After the lectures; information will be flowing round the campus.

You can be a Class of Yourself even as a Pastor. Daddy is repeating this again with all humility, whether you like it or not; you will be greater than him. God knows that is his earnest heart desires and request from God for you all the time.

Daddy decreed in the Name that is above all Names that you will be Exceedingly Above.

According to our text in Ephesians 3:20 - Now unto Him that is able to do exceeding abundantly above all that we ask or think.

This simply means that if you want to be Exceedingly Above; it depends on who is in you. Like what one of my children said during the June 2018 HGS: Victory is not determined by what you wear but by who you are. The Power to excel depends on the Power in you.

1 John 4:4 says: Ye are of God little children and have overcome them: because greater is He that is in you than he that is in the world.

It takes God for you to excel. They that know their God shall be strong and do exploits.

The elders has a saying: it is what is in a bird that determined how high it will fly. That is why Eagles are different from the other birds - they don't eat dead meal. Other animals can eat dead meals but Eagles will not because the Eagles knew that it is meant for the very top.

It is the Spirit of God in Daniel that causes him to excel - it gave him an Excellent Spirit.

The question really is: Who is in you?

Sooner this will show. If you pump a ball and dropped it on a field. 22 men will continue to knock the ball up and down. It is the men that will get tired and not the ball. As long as there is air in the ball, it will keep bouncing but remove the air, it will not bounce again. Remove God from a man he will be left empty

If you want to be Exceedingly Above, it depends on your commitment to the Holy One of Israel that will determine it.

Hebrew 1:9 says: Thou hast love righteousness and hated iniquity; therefore God even thy God hath anointed thee with the oil of gladness above thy fellows.

We are living in a world where cultism is the order of the day. Daddy even read that cultism is now even in the secondary schools.

No matter how rotten the world may be, you can still make up your mind to be different. You can see others going down and still say no am meant for the top.

Aside the above, it also depends on your Diligence. Lazy people don't make it to the top. Even if they manage to get there which they usually don't, they don't last there.

Hebrew 11:6 says: But without Faith it is impossible to please Him: for he that cometh to God must believe that he is and that he is a rewarder of them that diligently seek Him.

If you are not ready to work hard then you are not going anywhere. When some students asked daddy about why they are not doing well in their studies, he told them that it is what you read that the Holy Spirit will remind you. Seest thou a man diligent in his business, he will stand before kings and not mean men (Proverbs 22:29).

Here's a little poem to help you remember the value of hard work. Let this always inspire you always:

The height Great Men reached and attempted were not attained by sudden flight. But they, while their companions slept were toiling up in the night.

The Almighty God will help you to reach the top. But when you get to the top; hard work begins. It takes a greater efforts to stay at the top and be a Champion because everyone wants to take over your Championship.

Daddy thank God for what God has done in his life and His Covenant with RCCG as a Church but he is not sleeping now as he is still travelling all over the world to spread the gospel.

How many of you really want to reach the top?

More than anything else, you need to be sure that Christ is in you. Philippians 4:13 says: I can do ALL things through Christ which strengthened me.

... It is Christ in you, the Hope of Glory!

So if you are here this morning and you are yet to give your life to Jesus Christ, rush out quickly now. I will count from 1 to 7 now - so come quickly immediately to give your life to Jesus Christ so that you can begin to bounce like a ball.

As you are coming out, ask God to forgive you all your sins, washes you with His Blood, write your name(s) in the Book of life and accept you into the family of God.

Let the others stretch out their hands towards these ones and tell the One that saved us to also save them and be their Saviour.

... In Jesus Name we pray.

GO PRAYS: Saviour, I just want to say thank you for your Words. Thank you for the people who has come out to surrender their life. Please accept our Thanksgiving in Jesus Name.

Father, I am praying for these ones save their souls, wash them with your blood and write their names in the Book of Life. Anytime they call you, answer them by fire. Don't let them backslide again. In Jesus Name we pray.

If you are sure that this morning God has answered your prayers stand on your feet and let us pray this last prayer:

Preambles: The one that will excel will do everything excellently. So pray excellently today with the whole of your hearts.

Father, I don't want to be just above average but I want to be Exceedingly Above so help me oh Lord. I want to excel in all of my ways and far far above all my colleagues.

Thank you so much for reading!!!

BIBLE TEXT: GENESIS 12: 1-3

1. Now the LORD had said unto Abram, get thee out of thy country and from thy kindred and from thy father's house unto a land that I will shew thee.

2. And I will make of thee a great nation, and I will bless thee and make thy name great, and thou shalt be a blessing:

3. And I will bless them that bless thee and curse him that curseth thee: and in thee shall all families of the earth be blessed.

Tell your neighbour that God is talking about me.

It is a good thing to be blessed because when you are blessed everything begins to work for good for you.

In the book of Genesis 27: 22-23; Isaac blessed Jacob. If you study carefully the blessings there; he simply invited every force in Heaven, on Earth, even

underneath the Earth to serve that young man. As a result of this, by the time we get to Genesis 30: 37-43; the bible said that this young man has become exceedingly great because he was blessed.

May I (daddy) as a representative of the Most High pronounced on all of you here and on all my children all over the world that: May the Almighty God blessed you.

Proverbs 10:22 says: The blessing of the LORD, it maketh rich and He addeth no sorrow with it.

But there is something better than to be blessed and that is to be a blessing.

In Genesis 39: 1-5; the bible says that God blessed the households of Potiphar for Joseph's sake. It is a great thing that when you are in the house because of you the house is blessed. If you are in an office because of you the office is blessed. When you are in a Church because of you, the Church is blessed.

It is a wonderful thing to be a Blessing. There are some people if they travel from their congregation, office or compound, nobody will notice them. They can be gone for six (6) Months and nobody will know because of why? They are not a Blessing. However, there are some people if they travel for just two (2) weeks; everybody will be saying when will he be back.

Daddy prayed that beginning from today, you will become a blessing to others (Amen).

It is good to have Joy because Joy is the opposite of sorrow and sorrow is a terrible thing.

According to Job 17:7; sorrow can dim your vision. If someone is sad for too long, it can even affect his eyes.

The book of Proverbs 17:22 says: A merry heart works like medicine.

If you found someone who has Joy, it is always difficult for such person to be sick. But the broken spirit dries the bone.

Daddy prays for someone that for the rest of your life, you will never weep again (Amen).

Is it not written in the book of Nehemiah 8:10 that the Joy of the Lord is your strength?

Whatever is causing you sorrow, in the Name that is above all Names, I (daddy) rebukes it today in Jesus Name (Amen).

In Philippians 4:4; Paul wrote to the Philippians. He said: Rejoice in the Lord always and again I say rejoice.

It will amaze you to know that he wrote that letter from the prison. But he refused to allow the circumstances around him to put him down - he kept on rejoicing. Do you know that when you just allow the Joy of the Lord to fill you up, it becomes very difficult for the devil to overpower you. It is a disgrace to the devil when he has tried everything that he could and you just keep on shouting Hallelujah.

But He says rejoice in the Lord and not rejoice in a new car because a new car as soon as you drive it out of the workshop has become a second hand. Don't rejoice in a new house because it can burn down. Don't rejoice in position because you can never tell, the people who promoted you can still fold up ... So rejoice always in the Lord!

The Lord is always CONSTANT - He is the same yesterday, today and forever. So if your Joy is in the Lord, then your Joy is Permanent. That is why someone like me (daddy) everywhere he goes, he kept on shouting Hallelujah!

But there is something far far better than to have Joy and that is to be a Joy to others. That is for you to arrive and everybody will say Joy arrives.

Do you know that there is something about Joy: It wants to be shared. When you are reading a book and you find something funny, you will laugh and the next thing that you want to do was to share that same thing with somebody else.

Daddy is praying for someone here today that for the rest of your life, wherever you go; Joy will go. When you arrived, Joy will arrive (Amen).

May I ask you to just smile?

In Acts 8: 5-8; the bible said that Philips went down to Samaria and there was a great Joy in the City. He brought Joy to a whole City.

Galatians 6: 7-8 has a great meaning that many of us ignore. It says that whatever you sow is what you will reap. Sow Joy and you will reap Joy. If you sow sorrow, what will you reap - Sorrow!

Whatever you sow; plan to be a Joy, plan to smile, plan to bring smile to others. Life is too short to spend it in sorrow.

And when you say: What if I have nothing to smile about?

Are you sure? You woke up this morning and went to the toilet by yourself. You lifted your hands, the hands were moving. You opened your eyes, you can still see. You opened your mouth, you can still shout Hallelujah.

And do you know what? God is the Almighty. We all agree to that as there is nothing that He cannot do. In Jeremiah 32:27; He said: Behold I am the God of all flesh, is there anything too hard for me?

Now this same God who speaks and its done in Psalms 33: 8-9 says that let the whole earth fear before Him. He speaks and it is done.

He is the one that said to Abraham: I will bless you and I will make you a Blessing and through you, the whole earth shall be blessed.

But as Mighty as God is; He needed Sarah to bring that Prophecy to past. As long as Sarah remained barren; there is no way Abraham can be a blessing to the Nations. But then a day came, God visited Abraham as God is going to visit someone here today. In Genesis 18: 9-14; after God and Abraham had a wonderful time; God said alright I know I promised you certain things but where is Sarah thy wife? Oh, she is behind the tent. Alright, tell her that the Joy I promised, the blessings I promised will begin to come to pass through her. Nine (9) Months later, Sarah gave birth to Isaac. Not long after that Isaac gave birth to Esau and Jacob. Before you know it, by the time you get to Genesis 46:27; a crowd of seventy (70) souls had come from the line of Isaac. By the time the children of Israel were leaving Egypt, the crowd was six hundred thousand (600,000) men without the children.

One woman gave birth to one child; that child multiplied. The multiplication continue until we began to talk of 600,000.

The Almighty God is looking for just one fellow who will become the joy of many Nations.

Will He find somebody like that here today?

Oh, it is possible for the Almighty God to make sure that there will never be sorrow again in your Nation. But He is looking for just one fellow.

... And who will that fellow be?

It could be a mother in the Physical. It could be anyone in the Spiritual.

Let us just take one more example as daddy really wants us to cry up to God this morning. You are not listening (or reading) this by accident.

The Almighty God is trying to tell someone that I have a Purpose for your life and that Purpose is to be a Joy to Generations.

Let us take a look on Saul of Tarsus in Acts 9: 1-22. He was an Antichrist. He was worst than the leader of Boko Haram. He was killing men, women and children and throwing them to prison. And he even had government approval to do so. Then one day as he was journeying, God knocked him down and he asked who are you? And God answered him that I am the One you are persecuting. He then asked God what do you want me to do?

God has done His part of the job but then God still needed a man called Ananias. He told Ananias that there is someone called Saul of Tarsus that is somewhere and waiting for him. Then Ananias said: Oh Lord don't you know that man? He is a killer. And God told Ananias that he (Saul) is going to be a Joy to many Generations. But he needs him (Ananias) to come and lay hands on him (Saul).

You can never tell; the next person you bring to Jesus Christ can be a World Evangelist. It is one fellow that preached the Gospel to Billy Graham. And daddy is saying this with all humility that it is one fellow who brought him to Jesus Christ. So as he travels throughout the world; he thanks God for the salvation of his soul and also thank God for the countless number of souls coming to Jesus Christ through him.

.. In all of these: he still remembers to say thank God for the one that brought him to salvation.

The Almighty God is looking for someone - it might be a boy, girl, man or woman who wants to be a Joy to generations. Somebody who will say Father send me and I will go - as I leave the Church, I will witness; as I go to the office, I will witness; in fact everywhere I go, I will witness because I don't know maybe my next convert will be somebody who will take the Gospel to the whole world.

You are not in the world by accident. God created you for a Purpose and time is flying. You should not die without that Purpose being fulfilled.

Each time somebody marks birthday; there is a tendency for the older ones to say this fellow is getting old. The truth of the matter is that we are all getting old. Nobody asked a parent how young his child was but what question do they ask? - How old!

We are growing old everyday and time is flying. Very soon, the Lord will return. If He doesn't return on time, we will go. But don't go without fulfilling the Purpose of God for your life.

Daddy has a feeling that the Purpose of God in the life of somebody here today is to be a Joy to Generations.

Who is that fellow here?

Let me hear you shout Hallelujah!

In conclusion, someone said that it is what you have that you can give. If you don't have Joy then how can you give Joy? If you don't have Christ, how can you give salvation to others?

So if you are here this morning and you are yet to taste the Joy of Salvation; daddy is inviting you now to come and surrender your life to Jesus Christ. Let Him save your soul. As soon as He has saved your soul then you can turn round to be a witness and win the souls of others for Jesus Christ.

So if you are here this morning; I (daddy) will count from 1 to 7 and before I (daddy) will say 7, come and stand before the altar so that daddy can pray for your salvation. You can never be what God wants you to be for Him without first giving your life to Him.

For those people already in front; talk to the Almighty God and ask Him to have Mercy on you and save your soul.

For the rest of us, let us stretch our hands to these people. Let us intercede for them. Pray that the Almighty God that saved our soul will save theirs also.

DADDY GO PRAYS: My Father and my God. I want to thank you for your Words. I want to thank you for these people who has come to surrender their life to you, please on their behalf; accept my thanks in Jesus Name.

Father you promised that whosoever comes to you you will not cast away. They have come to you now, please receive them in Jesus Name. Forgive their sins, save their souls and let your blood wipe away all their sins. And as from today onwards, write their names in the Book of Life. Accept them into the family of God. And anytime they call on you, please answer them by fire.

Thank you my Father, in Jesus Mighty Name have prayed (Amen).

Preambles: If the plan of God for your life is to be a Joy to many Generations and that Purpose is not fulfilled then it will be a terrible thing.

... So stand up on your feet now and cry to the Almighty God saying: Father, if you are looking for one person to be a Joy to many Nations; I am here Lord let me be that person. I want to be Joy to many Generations even unborn ... please Lord, let that Purpose be fulfilled in my life!

Thank you so much for reading.

From now on like never before when they pray for the sick, let the sick recover; when they pray for the captives, let the captives be set free; when they pray for the barren, let the barren conceived; when they pray for the dead, let the dead rise; when they pray for the poor, let the poor begin to prosper; when they pray for the failures, let the failures begin to succeed.

And Lord in the life of all these your children - all those who are serving you in Spirit and in Truth; this Month let there be a New Beginning - a New Beginning of Joy, Success, Progress, Anointing and Closer works with you.

As for those who has been faithful in the giving of their offerings and payments of tithe; whether the devil likes it or not, embarrass these your children with your blessings. The kind of blessings that they will say God this is too much; release unto them in Jesus Name.

And Lord God Almighty am asking that during your Convention this Year, you will show up Mightily. By the time we are finished, my Father and my God, let everyone say that we have never seen it this Glorious before. Thank you my Father and my God.

Today am saying that everyone here and all those listening to us as well as reading all over the world, give each of us Testimonies.

In Jesus Mighty Name we have prayed.

Let somebody shout Hallelujah.

Shake hands with one (1) or two (2) persons(s) and tell him or her that God will empower you to dominate.

... And you may be seated.

ANNOUNCEMENT:

I want to remind you once again that our Month/Week of Convention is here. And during this Convention, we will be talking about Dominion.

There has never been a Convention like this before and if you miss it, I pity you because we will never discuss Dominion again. This is a serious Convention indeed. But if you are not coming for serious business please don't come as am not inviting you because of lack of crowd.

This morning (Sunday, 5th August) as am coming from the camp, daddy discovered that the camp is almost half full - and we are get to start yet. Am sure that by the time it is evening today, the camp will be almost 100% full. Fortunately for us, we have our New Auditorium to help us take care of the crowd.

BIBLE TEXT: MATTHEW 6: 9-13

9. After this manner therefore pray ye: Our Father which art in heaven, hallowed be thy Name.

10. Thy Kingdom come. Thy will be done on earth as it is in heaven.

11. Give us this day our daily bread.

12. And forgive us our debts, as we forgive our debtors.

13. And lead us not into temptation but deliver us from evil: for thine is the Kingdom, and the Power and the Glory, for ever Amen.

We want to talk very briefly this morning on the "Power to Dominate".

What is Power?

Power simply means the ability to do work. Ability to do what needs to be done.

For example in Acts 1:8; the bible says that you shall receive Power after the Holy Ghost is come upon you and then you will be able to be my witness.

In Luke 24:49; Jesus Christ told the disciples don't go out without Power: tarry in Jerusalem until you are endued with Power from on high.

What do we mean by Dominate?

To dominate is to be in Absolute Complete Control.

For example in 1 Kings 4: 21-24; Solomon had dominion in all the regions round about him and so he was able to live in peace throughout his reign.

To dominate means that even the enemies are subject to you. David said: Thou prepareth a table before me - where? In the presence of my enemies.

In other words he means that my enemies are dominated by me and they dare not breathe without my permission.

So daddy is saying to someone right away that the Ability/Power to dominate all those forces against you receive it today in Jesus Name.

So when we talk about the Power to dominate, we are talking of the ability to dominate every situations around you - Physically, Materially, Socially and Spiritually. In short it means to have effective dominion.

... And we are going to be discussing dominion throughout this week during our Convention.

When a man has dominion, we call him a King. The place he has dominion, we call him the King of that domain.

... In your Place of work, you will have dominion; in your home, you will have dominion; when you go out, you will have dominion; when you come in, you will have dominion.

Now, Power belongs to God. In Psalms 62:11 said: God has spoken once, twice have I heard that all Power belongs to God.

What kind of Power or how much of such Power?

In Matthew 28:18; Jesus Christ said all Power in Heaven and on earth has been given to him.

So when you heard someone saying that Satan has power only that he does not have salvation; tell him that you are a liar - All Power belongs to my God. And when the Bible says "ALL"; it means nothing is left for anybody (Satan is cunning but Jesus is Powerful).

It is written that at the mention of the Name of Jesus; how many knees shall bow? All knees; of things in heaven and on earth and even underneath the earth.

In the text we read, it says: For thou is thy Kingdom, the Power and the Glory. Daniel 4:25 says something. He said the Most High rule in the Kingdom of earth and He gives it to whosoever he wishes. He has the Power to dominate but He can share it to anyone that pleases Him.

So to dominate, you need to receive Power from God not from the devil because the devil has already lost his power at Calvary. So if you are trusting one

herbalist or one false prophet somewhere; he is just deceiving you as All Power is in only one hand now - that is in the hand of Jesus Christ and He gives it to whosoever He pleases. That is why He raises up Genuine Men of God to be extension of His Power.

For example, if you want to dominate in the Physical realm, Marks 16: 17-18 tells you how you can do it. He said in my Name (Jesus is the One speaking); you lay hands on the sick and they will recover.

Lift up your hands to the Almighty God and daddy decree that these hands from this moment on; when you lay hands on the sick they will recover.

If you want to dominate financially - this means you have enough to do whatever you want to do.

And the bible says in Deuteronomy 8:18; that it is God who gives you the Power to get wealth.

So daddy decree in the Name of the One who sent him, the Power to get wealth receive it in Jesus Name.

Daddy decree today in the Name that is above all names, the Power to get wealth so that you can build Churches for God receive it right now in Jesus Name.

If you want to dominate socially or politically - to be the one in charge in your place of influence; such Power only comes from God. Psalms 75: 6-7 says that Promotion comes from God.

1 Samuel 2: 7-8 says: It is God who raises up one and bring down another. And he said He can bring a beggar from the dunghill and just keep promoting him till he begin to reign with Kings. It is God that does this and not man.

Here I am; a son of a farmer who was so poor that poor people call me poor. However when God picked me up, Presidents say I don't want you to go in a hurry.

Daddy decree to you today in the Name that is above all Names, the height you think you can never reach, may God take you beyond it.

To dominate spiritually, you need to get the Power from God. The Bible says in Luke 9:1 that He gave Power to His disciples over devil. In Luke 10:19, the bible says He gave Power to them to tread on serpents, scorpions and over all the Power of the enemies. In Isaiah 54: 16-17; He said no weapon formed against you that will prosper. That's domination.

In other words, He said you can dominate all those witches, wizards or whatever they call themselves because He said I am the One who made all destroyers to be destroyed and when I said shut up, then shut up.

And this Power to dominate is in a Single Name.

Let me hear you shout that Name - JESUS!!!

Because the Bible said that at the mention of the Name Jesus, every knee must bow - anything that has a Name.

Oh, what is your problem: is it sickness, it has a name; is it poverty, it has a name; is it lack, it has a name. And it must bow to the Name of Jesus.

In Acts 19: 11-17; the bible says that God performed Special Miracles by the hands of Paul and from his body they take handkerchiefs and aprons which demon see and run.

Then there are sons of Sceva that says that we know the tricks now. All we have to do is to mention the Name of Jesus. So when they saw a mad man full of devil; they say in the Name of Jesus that Paul preaches, come out. Do you

know what the devil says: he said Jesus I know - what does that mean, it means if Jesus asked me to go out I will; Paul I know is connected to Jesus; so if he commands me I will leave. But he said who are you?

Daddy decree today in the Name of Jesus that all your problems are over.

Because I discovered that most of us who are even Ministers of God don't even use the Name enough.

There is Power and we have that Power.

Use the Name provided that you belong to Him because if you use the Name and you don't really have connection with Jesus the devil will deal with you like they come on those seven (7) boys - they come over them, tore their clothes and they ran through the window.

The devil knows those who are pretending and knows how to deal with them.

This morning therefore before you pray to Him like never before; are you sure you are one of His own? Because the bible says in James 4:7 that if you surrender to God and resist the devil, he will flee from you.

So if you have not yet really surrendered to Jesus and just pretending to be one; we are going to use the Name of Jesus violently this morning and demons will fly out. If they found anyone not belonging to Christ, they will just jump in.

So if you want to give your life to Jesus Christ come now as I will just count from 1 to 7.

The Name of Jesus means Saviour and if you will dominate you have to call on Him.

For those of you in front of the altar now; talk to the Almighty God: have mercy on me, save my soul and forgive all my sins. I surrender my life to you, take over completely. From now on, I will do your Will, be my Lord and Saviour.

And the rest of us please stretch your hands towards this people and intercede for them. Pray that the Lord Jesus Christ Himself will save their souls and give them a brand New Beginning. Pray that the Lord will forgive all their sins and things will change for better for them from now on. Ask Him to wash them clean with His Precious Blood, remove all their sins, receive them into the family of God and give them a brand New Beginning.

GO PRAYS: My Father and my God, I want to bless your Holy Name. I want to thank you for your Words; thank you for the Power that is in your Name. Please accept our thanks in Jesus Name.

These people has come to you Lord, please receive them in Jesus Name. Let your blood washes away their sins, save their souls, write their names in the Book of Life and receive them into the family of God. And Father am praying that from now on anytime they used the Name of Jesus to ask you for anything, answer them by fire. And let them serve you to the very end.

Father, in a moment I will ask your children to pray, for everything they asked you for today please release it to them. Thank you my Father, in Jesus Mighty Name we prayed.

PRAYERS: Preambles: How many of you believed that if you pray in the Name of Jesus, answer will come. Stand on your feet and shout Hallelujah.

To dominate means to overcome every obstacles.

So you will lift up your voice loud and clear and say: Father, in the Name of Jesus; every obstacles on my way must crumble today - Physical, Material, Social, Political, Spiritual, Marital, Emotional etc must crumble today in the Mighty Name of Jesus.

Thank you so much for reading.

4. Then lift up your voice to Him and say Father; we commit all fathers and head of families to your hands; help them to carry their burdens.

SONG:

You are the Mighty God, the Great I am. Hallelujah, Hallelujah (2ce).

OPENING PRAYERS:

Father Almighty we want to worship you. The Mighty God, the Great I am, the All Sufficient God, the Mighty Fruitful Vine. Blessed be to your Holy Name. Please accept our worship in Jesus Name.

Thank you for January, February, March, April, May, June, July and August. Thank you for what you did during the Convention and Lord thank you for September. Accept our Worship in Jesus Name.

Father, we commit all fathers to your hands, every head of families; please Lord help them to carry their burdens. Everything that they need to succeed as fathers; Father provide it for them.

Beginning from now, my Father and my God; everything they bind concerning their families, let it be bind in Heaven. Everything they loose concerning their families let it be loose in Heaven.

I pray Lord God Almighty that you grant everyone of us "Comprehensive Dominion" in Jesus Name.

Father, am committing all your children who has been faithful in the payment of tithes and giving of offerings to your Hands; like never before, embarrass them with your Blessings. The kind of blessings that they will say Lord this is too much, Father please release it to them.

And Lord God Almighty; in this Special Month for those trusting you for the fruit of the wombs; this Month my Father and my God, put an end to their sorrows. And everyone of us - young or old; all those who are mocking us,

Father this Month silent them in Jesus Name. Let this Month be a Glorious one.

Thank you my Father. Glory be to your Name. In Jesus Mighty Name we have prayed - AMEN!

... Now let somebody shout Hallelujah!

This is the beginning of a New Calendar in our Church; so shake hands with one (1) or two (2) people and say: Happy New Year, God bless you.

... And then you may be seated.

Like I have said in the Prayers and you should have known by now; September is a Special Month for those trusting God for the Fruit of the womb. So invite all your friends, relatives and coworkers to the next Holy Ghost Service because God will do a New Thing.

And the theme as you all know is: "SILENCING YOUR MOCKERS".

... All those who are saying where is your God; this Month, God will silent them. I think we have tolerated the mockers long enough. The Word of God says that whatever you bind on earth will be bound in Heaven and whatever you loose on earth will be loose in Heaven.

This is another way of saying that whatever you allow on earth will be allowed in Heaven and whatever things you forbid on earth will be forbidden in Heaven.

So, in any area of your life where there are mockers; we forbid them and we decree that they will be silent forever in Jesus Name.

BIBLE TEXT: PSALMS 91: 1-10

1. He that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty.

2. I will say of the LORD, He is my refuge and my fortress: my God in Him will I trust.

3. Surely, He shall deliver thee from the snare of the fowler, and from the noisome pestilence.

4. He shall cover thee with His feathers and under His wings shalt thou trust: his truth shall be thy shield and buckler.

5. Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day.

6. Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday.

7. A thousand shall fall at thy side and ten thousand at thy right hand; but it shall not come nigh thee.

8. Only with thine eyes shalt thou behold and see the reward of the wicked.

9. Because thou hast made the LORD, which is my refuge, even the Most High, thy habitation.

10. There shall no evil befall thee, neither shall any plague come nigh thy dwelling.

... If the text above is for you, say amen loud and clear.

We discussed Dominion during the last Convention. Unfortunately, we have limited time and so cannot cover everything.

And so the topic of this morning is just a continuation of the Convention.

No matter how Mighty the Mighty may be; he is limited.

The Only One that is not limited is the Almighty.

So there is a major difference from the Mighty - whether Financial Mighty, Political Mighty, Military Mighty etc. and the Almighty!

The Mighty is limited in strength. For example in 2 Samuel 21: 15-17; the bible says that David went to war and grew faint. This is another way of saying that they grew tired. David was a Mighty man of war - He was a giant killer but because he is just mighty and not Almighty; there was a time he grew tired and would have lost his life if someone has not come to his aid.

But in Isaiah 40:28; the bible talks about the Almighty that is never tired or weary.

The Mighty, no matter how mighty he is, is limited by sleep and so must sleep. In 1 Samuel 26: 7-16; the bible tells us that King Saul slept surrounded by his body guards and they are all sleeping. And while they were sleeping; David and his men came and they could have killed the King that day but for the fact that David said no don't let us touch the Anointed of God.

... So no matter how mighty you are, you still sleep and while sleeping you are helpless.

But the Almighty according to Psalms 121: 3-4; the bible says He neither sleep nor slumber. He does not even dose because He never gets tired.

For the Almighty to know what it is like to be tired at all, that's why God became man and came in the form of Jesus Christ. That was why during His tour, Jesus Christ was sleeping because before then God does not know what is it to be asleep.

The Mighty no matter how Mighty he is, is limited by sickness.

... Mighty men do fall sick.

In 2 Kings 5:1; the bible talks about Namaan. He was a Mighty man of Valour but had leprosy. You can be the Commander-In-Chief of all the armies in the world, if cancer attacks you, all your machine guns will be useless as you cannot bomb cancer. If you try to kill cancer; ask those who had it and survive; they will tell you that the medicines they used in killing cancers kills their cells.

That's why daddy will decree in the Name that is above all names, cancer will never come near you. And for those who are already suffering from cancer; in the Name of God that daddy serves, you will overcome it.

... So the Mighty can be limited by sickness but the Almighty is never sick. As a matter of fact, He is not just the Greatest Physician He says that He can prevent the sickness from coming near to you at all. In Exodus 15:26; God said I am the Lord that healeth thee and I won't allow sickness to come near you.

The Mighty can be limited by death and he can be limited by "Instant Death". The Mighty can be talking and then fall asleep - that is dies.

You will see this in Acts 12: 20-24. There was a day Herod who was a Mighty King was sitting on his throne making a speech. The people around says this is not the voice of man but the voice of God. And God looked at him and said you are comparing yourself with me. Don't let me fight you with something so big. Let me just asked the ants and worms to eat you up. He was sitting on his throne talking and the next moment by the time he hit the ground, only bones remains.

As for the Almighty, He lives forever. In Deuteronomy 32: 39-40; God said that there is no one else like me. I lift my hands to Heaven and say I live forever - that's the Almighty.

The Mighty can be limited by resources. No matter how rich a man is, he is still limited.

Why? In Proverbs 23:5; the bible says that riches can develop wings and fly away.

So the man that thinks he is Mighty financially, can be completely bankrupt by tomorrow.

But the Almighty according to Genesis 17:1; He is God who is more than sufficient. He does not have to worry about money disappearing. In His town in Heaven, the streets are paved with golds - the same golds some people wear for decorations.

... Daddy pray that you will get to Heaven because when we get to Heaven, we will be walking on gold.

If you know anyone who has seen his/her house in Heaven and by God's Grace, daddy has seen his own; you will see that the whole walls were made of solid golds and not ordinary golds as you have here on earth. The golds are such pure that you can see yourself through the wall.

And in John 14:14; the Almighty is the One who said that if you ask anything in my Name, I will do it. Any man who will said such to daddy - daddy what do you want? And he will ask him what he has to give - that fellow is in real trouble because the Church need a lot of money. By the time he will be through with him, he wonders what will be left in his account.

But the Almighty said in that John 14:14; that if you asked for something and He does not have it; He will create it. That is the meaning of asking for anything. If you are thinking of anything that He didn't think of when creating the world; just ask and He will give it to you.

There is this story I told those of you who are old that someone asked me if your God is that Mighty; ask Him to create a cow with four (4) heads.

What do I want to do with a cow with four (4) heads? Instead of asking for that, I will ask Him to give me four (4) cows - head and body.

... And am believing God today that God will answer all your prayers today.

So when we talk of Dominion over the Mighty; how can any man has dominion over the Mighty - it is very simple. All you need to do is to be Associated with the Almighty.

Daddy talked on Dominion by Association during the Convention. If you are associated to the Almighty; then just as the Almighty has Dominion over the Mighty then you too will have dominion over the Mighty.

For example, in Ephesians 1: 19-23; the bible says that God has highly lifted up the Lord Jesus Christ far above principalities and power. And has put all things under His feet. Now the body of Christ are far above principalities and power. He has put all things under His feet.

Like daddy has always told us; as a true child of God, then you are part of the body of Christ. The lowest you can be is His feet and if the lowest is still far above principalities and power, witches, wizards and demons are under your feet.

... Let me see you stamp your feet on the head of the devil and then let me hear you shout a big Hallelujah.

You see the bible says in Ephesians 2:6 that we are seated together with Christ in the Heavenly Places. We have dominion over all these evil forces. So when I hear a child of God saying witches and wizards are chasing them, I tell them to check their Salvation. You are not the one who should be running away

from witches and wizards but they are the one that should be running from you.

When light come, darkness must flee.

... Let me hear you say it loud and clear: let there be light! And there must be light.

Take for example in 1 Kings 17:1; Elijah said to King Ahab (he was a supreme King then); he said as the Lord God of Israel liveth before whom I stand; I hereby declare no rain, no dew until I ask for it.

... Am going to ask you to do something by faith today: that all those who are mocking me: no rain, no dew until you repent.

So when enemies no matter how Mighty try to come against the family of someone who is connected to the Almighty God; all the man needs to do is to say that I forbid that.

For example in 2 Kings 4: 18-37; the Shunamitte woman who got a baby by Miracle. Suddenly the baby died and the woman just laughed and said death you have come to the wrong house.

Daddy decree for everyone of you listening to me and reading this all over the world; death won't come near your house again.

This woman said to death, you think you can take my Child, you are joking. You don't know who you are dealing with - I am connected.

That's why the woman said when the husband said why do you want to go and see the Man of God - She said no problem, all is well. And by the time she got to the Man of God and the Man of God connected her to the Almighty; death was compelled to vomit the child that was swallowed.

Everything good in your life that the enemies have swallowed, they will vomit them this Month.

But the bible said that whatever you bind on earth will be bound in Heaven; whatever you loose on earth will be loose in Heaven. And like I said earlier, if you allow it, God will allow it and if you forbid it, God will forbid it; if you are connected to God.

So fathers, connect to Him. If there is anything going on in your family that you don't like; before you leave Church this morning, forbid it - if there is sickness in your family, forbid it; if there is sorrow in your family forbid it. And believe me honestly, if your child is misbehaving, tell that child that anything that is not Godly in your life, I forbid it.

... And once you forbid it on earth, it will be forbidden in Heaven.

And if there is anything you want in your home that is not there now; tell him that you allow it: I allow light to come into my home, I allow Joy, I allow Success, I allow Progress, I allow Promotion.

The moment that you are connected to the Almighty, you have DOMINION. And that Dominion goes all the way in every facets of your life.

Have told you before the story of one of my colleagues in Unilag. For one reason or the other, the HOD doesn't like him because he refused to join the particular secret society of that fellow. That man said that as long as I am the HOD, there won't be any promotion for you. If you like, you can write all the papers in the world. Then one day, we were discussing and he mentioned it to me. I told him that it is written: say to this Mountain be thou removed and cast to the sea and it will obey you. Mountains are anything blocking your way to success. With very little faith, I join my faith with his own (the Bible says if two (2) of you shall agree on anything you want and it will be done by your Father in Heaven).

... And am agreeing with everyone of you today that it shall be well with you.

And so we asked the Mountain to move in agreement. All of a sudden, there was a Military coup and the HOD was removed with a new HOD coming in. He requested to see all the files of those under him. They could not find my friend's file initially because the old HOD had hidden it but later found it and realised that he has not been recommended for promotion for 10 years. So the new HOD said "Double Promotion".

... Everyone of you, who has been stagnant; in the Name that is above every other names; I hereby decree "Double Promotions" for you.

When you are connected to the Almighty, you have Dominion over the Mighty. But if you are not connected that is a different matter because you know the story in Acts 19: 11-17. Demons will see the handkerchiefs of Paul coming and they will run. And some people say we see what he is doing - all he just say is that in the Name of Jesus demons get out, sickness I forbid you; so they say let us try it. They saw one mad man and say devil I command you: come out. The devil said I know the Almighty, I know Jesus, I know Paul, I know Adeboye because he is connected to God but who are you?

Because beginning from today, I want you to begin to exercise Dominion over the Mighty, those who say you won't make Progress, those mocking you, those who say that you will die barren, those who say you will die a tenant and over all the forces of darkness waging war over all your families.

I plead with you; if you are already connected to the Almighty, stay connected - don't listen to mockers but listen to the Words of God and do His Will.

If you are not yet to be connected to the Almighty, you can do so this morning: just come and surrender yourself to the Almighty God. He will take you under His wings and just as we read in the text; the moment you dwell under the Almighty, you abide under the shadow of the Almighty. His shadow will cover

you everywhere you go. So that by the time those who consider themselves as the Mighty see you coming they won't see you but see His shadow.

... The bible says that the Lord is your shadow on your right hand.

So if you have not given your life to Jesus Christ, I will count from 1 to 7 and before I say 7; come and stand before the altar. He will forgive you, accept you into the family of God and you will become connected to Him. If you are connected before and you have now disconnected yourself, come back to Him. He will restore you into Fellowship with Him. You cannot fight forces of darkness unless you are connected with Him. Mockers will keep on mocking you until they know that you are connected to the Almighty God and that is when they will leave you alone.

For those of you in front of the altar now; talk to the Almighty God and ask Him to have Mercy on you, save your soul and promised Him that from now on, you will serve Him.

And for the rest of us; please let us stretch our hands to these people and intercede for them and pray that the One who save our souls will save their own souls too. Let us pray for them that God will accept them into the family of God. Pray that they will have genuine Salvation so that they can exercise Dominion over any force no matter how Mighty they maybe. Pray that God will forgive all their sins and they will be connected to God for life.

GO PRAYS: Saviour, I just want to thank you for your Words. And I want to thank you for these people who has come forward to give their life to you. Please Father, receive them in Jesus Name. Save their souls, let your blood wash away their sins, receive them into the family of God and write their names in the Book of life. Please Lord, don't let them ever backslide again. And I pray that from now on, anytime they call on you, you will answer them by fire in Jesus Name.

Please Lord in a moment, I will ask your children to cry up to you today; everything they bind on earth, let it be bound in Heaven. Everything they lose on earth, let it be lose in Heaven.

Thank you my Father and my God. In Jesus Mighty Name we have prayed - Amen!

... Now those of you in front, let me hear you shout Hallelujah!

How many of you believed that God will answer you today? Stand up on your feet and shout a big hallelujah.

I want you all to pray with all boldness because you are a child of the Most High God now.

Father, in the Mighty Name of Jesus; I hereby command that Satan and all his hosts will loose their holds on my family in the Name of Jesus.

Thank you so much for reading.

Almighty God we are here this morning to say thank you. Thank you for all what you have done for us as individuals; thank you for all you have done for us as a Nation. Please accept our worship in Jesus Name.

Father. today we will be crying to you on behalf of our land: the Earth is yours and the Fullness thereof; and so therefore we know that our Nation belongs to you. We are crying to you today and we are asking that you should please Heal our land, heal our towns, heal our villages and heal our families.

And in the life of all those who has come here this morning; in a very special way, visit us all. And all your children who are listening to us or reading all over the world my Father and my God, in your own marvelous way visit every families. Heal the sick today and set the captives free.

And if there will be sorrow in the family of any man; Father turn the sorrow to Joy.

As for your children who has been Faithful in the payments of their tithe and giving of their offerings; this Month embarrass them with your blessings. Answer all our Prayers today and let your Name be Glorified.

In Jesus Mighty Name we have prayed - Amen!

... Let someone shout Hallelujah - Hallelujah!

Shake hands with one (1) or two (2) people and say good morning God bless you Mightily.

You are all welcome to the Presence of God this morning and we are particularly delighted to have our Royal fathers with us. God will bless your Kingdoms and it shall be well with you all.

BIBLE TEXT: 2 CHRONICLES 7:14

If my people, which are called by my Name, shall humble themselves and pray and seek my face and turn from their wicked ways; then will I hear from Heaven and will forgive their sins and will heal their land.

If you believed that Nigeria will be healed say Amen - Amen!

Today, we want to pray. So there won't be a long sermon because what we have discovered from experience is that if you talk about prayers: they will preach sermons about Prayers, they know that we should pray but they don't pray.

... So this morning, we are going to pray. I will just guide you for the next five (5) minutes or so on why we should pray and then we will pray.

Here in the text that we read; the Almighty God Himself said that: "If my people" not everybody but my people; who are called by my Name - Christians, those who are called after Christ and not everybody; will humble themselves and pray.

And that tells you something straightaway: if you don't pray, then you are "PROUD".

Proud people don't pray. They don't need help as they can handle their own situations. So why do you asked them to pray?

... They don't pray.

So when it is time to pray in some few minutes from now and you are not praying; then we know who you are.

... If they will do what? Humble themselves!

And it is essential that we humble ourselves before God because James 4:6 says that: God resist the proud.

... And am yet to meet a man or woman strong enough to fight God.

I don't want God to resist me. What about you?

If the whole world is behind you and God is against you then you are finished.

But if you humble yourselves; the Bible says that He gave Grace to the humble.

... He said my people who are called by my Name will humble themselves and pray. Now He didn't say they they should talk about the problems facing them. He didn't say that they should complain.

If I ask any of you to tell me now what are the things that are wrong with Nigeria. Oh God; everybody will write a book.

And there is no doubt about that we have problems, I know and I mean it.

The other day, they are telling me the story of what happened somewhere (I won't mention the name of the town). A woman was cooking in a kitchen. I think she went inside the house to bring salt and before she returned the food

had disappeared. So she got angry and bitter and began to curse. After she has done that for about 5 minutes; a woman came out (her neighbour) and said stop cursing; am the one who took the food because me and my children has not eaten for a week. So the one who was cursing went in and brought out a little more food from what she has inside for her.

When a neighbour begins to steal food that the other neighbour is cooking then you should know that we have a problem.

But He didn't say that my people will talk about their problems but if they could do what? PRAY!

I know the moment that I said pray; you said Oh God so we have come here to pray today.

... And then seek my face.

If we don't seek the face of God, whose face are we going to seek?

Psalms 121: 1-2; David said: "I will lift up my eyes unto the hills. From whence cometh my help? My help cometh from the Lord who made Heaven and Earth".

Oh, you think any human being can solve all our problems? Then you must be joking.

Problems are beyond any human being but there is a God who can solve every problems - Physical, Material or Spiritual. He said seek my face.

And then He also said that we must turn from our wicked ways.

Why? Because we are the manufacturer of our problems. Oh yes, we can go into details. If there is an armed robber out there; someone gave birth to that armed robber; someone didn't teach the child the way he should go.

Anyway, He didn't ask us to complain about our problems but to just turn away from our wicked ways. Why? Because Isaiah 59: 1-2 says that the Hands of the Lord is not shortened that He cannot save; neither is His ear heavy that He cannot hear us but our sins has separated between you and your God that He won't hear.

If He doesn't hear, how then will He answer?

John 9:31 says that we know that God does not hear sinners.

So if you are not ready to turn away from your wicked ways then you will be wasting your time praying.

So He expects you to draw near to Him; draw near Him and He will draw near us (James 4:8).

He said you draw near God and you cleanse your hands all you sinners then He said "I will forgive their sins".

Forgiveness comes before Healings. He has to forgive you first or else we will be wasting our time.

Ask Him for Healing. In Marks 2: 1-12; you know the story. They brought a man paralysed from neck downwards through the roof to Jesus Christ. He saw what He actually needed but the first thing that He said was that "son thy sins be forgiven".

Until there is forgiveness; asking Him for Healing is like asking for trouble.

Because in John 5: 2-14; He heal a man first who has been sick for 38 years and then He said to him: "go and sin no more or else something worst will happen to you".

Oh, we have problems in Nigeria but if you travel round the world as I do, you will know that this is still a Paradise compared to other places - we are still living in Paradise.

Years ago, I travel and had to visit two (2) different countries before I came back to Nigeria. When I got to one of the countries and saw the situation there on my journey back when I got to the second country, I said we are back to Paradise. By the time I returned to Nigeria, I said we are in Heaven.

I have told you about countries where people live in the graveyard.

Why? Because everybody that is buries there has a concrete on top of the grave. They just come, put cellophane paper and sleep on the concrete floor on the grave.

The government even recognized the place. They called it "The City of the Dead".

At least the worst you can see here in Nigeria is people sitting or sleeping under the bridge. We have not seen anybody sleeping in the graveyard here.

They are not crazy oh; they say I don't have to pay for rent unless the dead can collect rent.

So now we are going to pray now. But before we pray, if you are here and you want God to hear you. God doesn't here sinners ooo. Come and give your life to Jesus Christ if you want to do so.

We are not going to wait for you. The rest of us will pray. If you don't want Him to hear you; no problems, stay there in your sin. But if you want Him to hear your prayers then come and surrender to Him and His Blood will wash away your sins.

So if you want to give your life to Jesus Christ come now.

Now the rest of us we want to pray and you are free to take any posture: You want to sit down, no problems. There is no where that it is written that you have to stand up to pray before He can hear you. You want to stand, no problems. You want to knee down; you are welcome.

... But we want to begin to pray now:

For those that want to give their lives to God, keep coming. Just say Lord have Mercy on me. That is your own Prayers.

1. Father, please forgive us and Heal our Land - pray with humility and let Him hear your voice.

We are the guilty ones Lord, have Mercy on us, Heal our Land, Heal our Nation. If you are a Nigerian, say Lord Heal Nigeria. If you are not a Nigerian, ask Him to Heal your Nation (Mention the name of your Nation).

2. Father, every Trouble Maker in this Nation, neutralize them. Those who are kidnapping, people throwing bombs, those causing trouble in this Nation; whether they are in government or out of government.

3. Father, every siege on our towns, villages and states. Lift the siege today: the siege the enemies has brought against our towns, villages and states.

4. Preambles: In 1 Kings 17: 8-16; there was a severe famine in the land. But God singled out a family for Help. Every Nations is made up of families including yours.

Lift up your voice to God and say: Father, single out my family and send Help to us. I am part of Nigeria and my family is part of this Nation.

5. Preambles: Every family is made up of individuals. You are just one fellow in the family.

So you are going to cry to the Almighty God and say: Father, in my family; single me out for Help. Heal my body, soul spirit, heal me financially and heal me comprehensively.

6. Preambles: When there is Revival in a land, their sufferings comes to an end. When there was a Revival in Israel, Rain fell after years of scarcity.

Let us lift our voices to the Almighty God and say: Father, send Revival to us so that our sufferings may come to an end in Nigeria and also in all the Nations suffering.

7. Preambles: Then the closing Prayers which I want you to pray with all your heart. You will include what you want God to do for you this Month.

... And you lift up your voice to Him and say: Father, arise: arise for Nigeria, state, town, village, my family and me. Then you go ahead to tell Him what you want Him to do. Let this Month be a Month that I will never forget for Good. Let it be the Month the tides will turn completely for me, family, village, town, state, Nigeria and even your Church.

Thank you so much for reading.

Amen .. Let somebody shout Hallelujah!

Please shake hands with two (2) or three (3) people and tell them: Good morning, God will bless you Mightily this Month.

... And then you may be seated.

BIBLE TEXT: 2 SAMUEL 6: 11-12

11. And the Ark of the LORD remained in the house of Obbedom the Hittite three months and the LORD blessed Obbedom and all his households.

... Maybe I should stop there first, and decree into the life of everyone of you that the Almighty will bless your households and the Blessings will never end.

12. And it was told King David, "The LORD has blessed the household of Obbedom and all that belongs to him because of the Ark of God." So David went and brought up the Ark of God from the house of Obbedom to the City of David with rejoicing.

I am sure that you know this story. David was trying to bring the Ark of the Covenant into the City. On the way, the cattle stumbled and a young man

stretched out his hands to steady the Ark of Covenant. And in the process, God killed him. So David said: "I don't know that the Ark of Covenant could be a dangerous thing. So he looked for a young man called Obededom who happened to be a stranger - let us take the Ark to his house, if he can die, let him die.

But the moment the Ark of Covenant gets into the house of Obededom, God opened the Heavens and began to bless him. I mean God blessed him so Mightily that the whole Nation heard about it.

I feel led by the Spirit of the Almighty God to say to somebody here today, very soon this Nation will heard about you - Amen!

So they told the King that the man you thought will die has become a Celebrity because the Ark of Covenant is living in his house.

So David said is that so? They said Yes. Well, I am the King, I took the Ark of Covenant to his house, I will go now and get it. So he went, collected the Ark of Covenant and brought it back to the City with Gladness.

Today, I have been asked to speak to you about "Divine Visitation" but what maybe we should talk about is "Divine Habitation".

... I want God to dwell in your house: whether you are a Landlord or Tenant; may the Presence of God never depart from your house.

You see there is a difference between a "House" and a "Home".

When we talk about a "House", we are talking about a building that some people are living in.

When we talk about a "Home", we also talk about a building that some people are living in.

But there is a difference between the two (2): one is called the "House" - this is my house. And another is called a "Home" - this is my home.

What are the basic difference between a House and a Home? What turned a House to a Home?

It is determined by what goes on inside.

For some people, a house is just a place you come, you sleep, wake up and go

For others, a home is where you go and you relax, enjoy and have a wonderful time.

That is why many, many people who came from the Village like myself; when we come to big towns, we rent a house but we never forget our hometown.

Why do we call it the hometown? It is because of the memories of Joy and Blessings that we had. As we are growing up, certain things happened that if you travel to America or Japan; you still want to come back home.

Now what are those things that can transformed a house to a home?

1. CONTENTMENT - In home, there is contentment.

If you get to the hometown of some people, you will look at the buildings; they are nothing compared to the big Mansions you see in the city. I mean that you can come to Ifewara (a town in Osun State, Nigeria) and the tallest building there may be a 2-storey building. The first time people like me came to Lagos, and you have to look up to see the end of a house; you open your mouth and you cannot close it.

But it is a home because in there we don't have much but we are contended. We sleep on bare floor, spread mats there but we are contended.

... There is something called CONTENTMENT that you can find it only in homes.

1 Timothy 6:6 says: Godliness with Contentment is great gain.

Hebrew 13:5 says be contented with whatever you have.

Ecclesiastes 5:10 says money doesn't satisfy.

... It does not matter how much you have, you will still want more.

As a matter of fact, Ecclesiastes 5:12 (this is coming from the man who is considered to be the richest man who ever lived); it says: at times wealth of the rich will not even allow them to sleep. He said the sleep of the labourer is sweet.

A man who has been carrying bags of cement at Wharf from early morning till late in the night. By the time he gets home, maybe all what he could get to eat is one big loaf of eba (powdered cassava) and then washes it down with ordinary water and he hits his bed. While someone is still talking to him, he will be fast asleep. And yet there are some people: their bed is air conditioned; everything is cool but he still need some tablets before he could sleep for just two (2) hours.

Those of you who can sleep anytime you want to; let me hear you shout Hallelujah - Hallelujah!

Now, what has this gotten to do with God dwelling in your house?

Philippians 4:9 says: My God shall supply ALL your needs (not all your wants) - the basic things are supplied by God.

... Contentment comes with that and your sleep will be sweet.

2. Another thing that makes home different from house is PEACE.

Proverbs 17:1 says: Dry morsel with quietness within is better than an house full of sacrifices with strive.

In our home in the Villages, the food you can call dry morsel. In those days, you cannot believe that we eat bread without butter. We didn't know that there is anything called butter.

How many of you know what am talking about because you are all looking at me as if am the only bush boy here.

We ate our yams with palm oil with a little bit of salt put into it.

And we enjoyed it. Why?

Peace, Quietness, No fight, we are not afraid of the fellow in the next room. Now you know in the house of face- me, I face-you; you are not even sure of the person in the other room. Is he your friend or enemy?

But in the home, there is Peace. And that is important because if God is in your house, there will be Peace.

Why? Because, Isaiah 9:6 calls Him the "Prince of Peace". And if the Prince of Peace is in your households then if storms come; as storms do come as in Marks 4: 35-41. If God is dwelling in your house and all of a sudden there is a storm; there is somebody you can call and He will speak a Word - PLEASE BE STILL and immediately there will be Peace.

Storms come suddenly, storms don't give notice but if God is in your home; you don't have to worry; If storm comes, you call on Him.

Some of you remembered the story of one of our Pastors. He went to Church with his pregnant wife, they had a wonderful Service, the wife was almost due for delivery. They returned home and while they were eating, suddenly the wife gave a shout, fell down and died - no sickness, no problem.

And of course the Pastor began to shout: Jesus help me and have Mercy. The neighbour heard the noise, they came and saw the pregnant woman on the floor dead. But the woman died so suddenly that they can still see the baby in her breathing. So they rushed the woman to the hospital and they were hoping and praying: Lord let the doctor reach the baby before it is too late. The doctors didn't have to apply anaesthetics because the woman had died so they just quickly went through and reach the baby. It was only the husband saying help me, help my wife too. And the doctors says let us stitch her back so that we can bury her neatly. But just as they finished the stitches, the woman came back to life.

When God is dwelling in your house and storms come; you can cry to the Prince of Peace and Peace will come.

May I decree in the Name that is above every other names that in anyway possible, the Prince of Peace will guarantee Peace in your home.

3. What makes a home a home is SECURITY.

We felt secured at home. When you are very tiny and you caused trouble outside and some people trying to beat you up; you run home - if I can just get home I know that I am secured.

Psalms 91:1 says: He that dwelleth in the Secret Place of the Most High shall abide under the shadow of the Almighty.

... Let the Almighty comes in.

Psalms 24: 7-10 asked you to open the door and let the King of Glory come and the King of Glory is also the Lord of Hosts.

If God is dwelling in your home, there is Security.

Why? Philippians 2: 9-11 tells us that at the mention of the Name of Jesus, all knees must bow.

If God is dwelling in your house and danger comes knocking; He will go and attend to the danger at the door. The day the devil comes to your home, knocks at the door and you tell the owner of the house that someone is knocking and Jesus will go there, open the door and said sorry i don't know you - leave here!

In the Name of the Almighty God, no more danger in your home.

In the home where God is dwelling; we sleep in Peace. Why? Because we know that while we are sleeping, there is somebody looking after us who will never sleep nor slumber.

In Psalms 121: 1-8; David said I will lift up my eyes to the Hill, from whence cometh my help? My help cometh from the Lord who has made Heaven and Earth.

And then he went on to say that the One who is keeping me will neither sleep nor slumber. And He will be the Shadow on my right hand.

No matter how powerful a man is, when he is asleep as a human being, he is helpless. But if there is someone watching over you who doesn't sleep, who doesn't slumber then you can sleep in Peace.

Some people will say that is why we employed a Night Guard - laughs.

A Night Guard? I remembered so many occasions when I will be going round the camp at night and there are guards at various places and I will see the guards fast asleep. On one occasion, there is one watching a bank and there were two (2) chairs. He say on one fast asleep and since I have been walking for a while and a bit tired, sat on the other chair. I think it was some mosquitoes that troubled him and he nearly slapped me.

... Guards! Lord have mercy!

There is only one guard who does not sleep, who does not slumber. Do you know His Name - JESUS!

Have told you the story of three (3) fishes before who are swimming in an ocean where there was a mother Shark and a baby Shark. And these Sharks are troubling all the fishes in the ocean. So these three (3) fishes call a Prayer Meeting: Lord come we want to talk to you and the Lord came down - Yes, what can I do for you! The first fish said that there are some Sharks here troubling us. I want you to help me so that every part of my body would be full of eyes - turn every skin to eyes so that if these Sharks are coming from behind or beside I will see them. Lord says are you sure that is what you want? The Lord said ok. The second fish said I don't want too many eyes; I just want a pair of wings. If these Sharks are coming, I will just fly out of the ocean. The Lord said ok and turned to the third fish, what do you want? The third fish said: everywhere I go, I want you to go with me. So the Lord said fine and left. As soon as He left, the first fish suddenly discovered that every parts of his body has become eyes, the second one too saw two (2) wings and the third one remained as before.

And very soon, the Sharks began to hunt. They saw the fish with many eyes - oh what a beautiful fish you are. So they swam towards the fish, he saw them and jumped to a little pool of water by the beach and began to laugh - come and get me if you can! But soon, the sun arose, the little pool of water dried up and the fish with many eyes died. And when the Sharks saw that first fish had escaped, they turned to the other fish and that one said am better now and flew out of the ocean - began to laugh in the air and said come and catch me if you can! But around that same time, an Eagle was flying overhead and looked down - God, what am I seeing? I didn't know that you are this good. I have wanted to eat fish and its only that I cannot swim but now you brought one to my territory. So the second fish become a meal for the Eagle.

The third fish was just enjoying himself swimming about and a baby Shark said to the mother Shark: look at this one, not afraid of us and the mother Shark said are you blind? Can't you see that wherever this fish goes there is a Shadow of a man following him? You go near that fish that man will kill you.

I pray for someone here today that the Lord will never leave you alone.

4. Another thing that made a home is JOY.

We have Joy when young and that is why we never forget home. And when God is in your home, there will always be Joy.

Psalms 16:11 says that in the Presence of God, there is fullness of Joy.

When you asked people in the home why are you so full of Joy; many times they cannot even tell. They just have a Joy. Just as Philippians 4:4 says: Rejoice in the Lord always and again I say rejoice.

We didn't have much but we have Joy - You know how you feel when one of you who had traveled for some time and then he/she returns; you see the Joy with which you received the fellow.

What is making you so Joyful, you cannot even say.

When God is living in your home, you have JOY!

You remembered the story of the Professor at the University of Ibadan who gave his life to Jesus Christ. I used to go there every Month then. The following Month when I went back to University of Ibadan, he said sir I have a question for you. And when a Professor says he has a question, you better tie your belt. So I was getting ready for one serious Theological Question. He said: sir, I hope it is not dangerous to be happy all the time. I said why? He said since I gave

my life to Jesus Christ, I have just been having this Joy - I wake up in the morning, Joy; in the afternoon, Joy and I want to go to bed, Joy.

I said that is the Plan of God for your life as it is sin that spoilt everything.

Am praying for someone here today, you will never know sorrow again.

So if you want to turn your house to a home, what must you do?

"PREPARE AN ALTAR FOR GOD." Turn your house to the "Home of God".

In Isaiah 56: 6-7; God said that His House shall be called "House of Prayer".

Oh, so you have to turn your home to be a "House of Prayer". Your house can be a Church. 1 Corinthians 16: 19; Paul was writing and was talking about the Church in the house of Aquila and Priscilla - two (2) members of the Church turned their home into Church.

In Colossians 4:15; he was talking of a man called Nymphas and He said greetings to the Church in your house.

In Philippians 1: 1-2; he was talking of the Church in the house of Philemon.

Turn your house to a "House of God". Let God dwell where you live so that morning, afternoon and evening; you are constantly Praising God and Singing Praises to Him. When you are cooking, you are singing His Praises; when you are sweeping the ground, you are singing His Praises; you are washing clothes, you are singing His Praises.

You know what? Psalms 67: 5-7 makes it clear that: When Praises goes up, Blessings come down - You Praise God constantly, He will bless you constantly. Your life can just be one continuous life of Praise.

You practice this thing, you will soon become addicted to it. You practice Praising God all the time, particularly in your home; you will be amazed that

you won't even know what is called "High Blood Pressure" again as it will disappear. And lots of sicknesses and diseases will not be able to click on you again because you are Praising God always.

... So turn your house into an "ALTAR FOR GOD".

The Ark of Covenant stayed in the house of Obededom for just three (3) Months only and the whole Nation discovered that Blessings are coming down to Obededom's house.

I traveled to a Country sometimes ago and went on a "Morning Walk". As I was returning, I saw a shop where they are doing Sales - selling 60% to 70% off the normal price. Then I said maybe a Pastor can get something there. So I branched there and was checking. And all of a sudden, the owner of the Shop said: "Life must be Good". I said what do you mean? He said that you are singing. I didn't even know that I was singing as I was checking the prices.

I pray that the Testimonies that will be coming from your home from now on will be "LIFE IS GOOD!"

In closing, if you want God to stay in your home, then you must make him welcome. Amos 3:3 says two cannot walk together unless they agree.

In 1 Peter 1: 15-16; it says: Be ye Holy as I am Holy.

You want God to dwell in your house: bringing Peace, Security, Joy. You want your home to be a home where the Presence of God will be all the time? Then get rid of sin - Be Holy for I am Holy!

So if you are here and you have not given your life to Jesus Christ; how can you even invite Him to your home when you are still living in sin? But if you come to Him this morning, there is Power Mighty in His Blood to wash away your sin and you will know when you go home today, Jesus will go with you.

So if you want to give your life to Jesus, please come quickly as I count from 1 to 5 so that I can pray for your Salvation. The Almighty God will visit your home. He will come and never depart.

Those of you in front, lift up your voices to God: ask Him to save your soul, ask Him to forgive your sins, ask Him to come and not just take over your life but your home, marriage and everything that has to do with you. Call on Him and He will save your soul.

And the rest of us, let us stretch our hands towards these our new brothers and sisters and intercede for them that the Almighty God who saved our own soul will save their own souls also. And they too will be welcome to the family of the Most High God.

... Thank you Father, Glory be to God. In Jesus Mighty Name we have prayed.

GO PRAYS: So Father, we just want to say thank you very much for your Words. Thank you for these people who has come to surrender their life to you. Please accept our thanks in Jesus Name.

They have come to you now; please save their souls, forgive their sins, let your blood wash them clean, write their names in the Book of Life and receive them into the family of God.

Please from now on; make their homes your home. In Jesus Mighty Name we prayed - Amen.

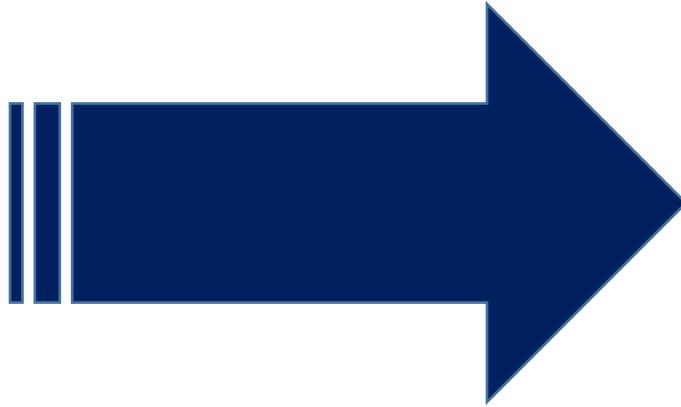

... Let somebody shout Hallelujah - Hallelujah!

The rest of us let us pray. So stand on your feet and shout a big Hallelujah.

I want you to lift up your voices to the Almighty God and say loud and clear that: Father, the All Sufficient God; Come and dwell in my home from now on and forever.

THEME: THE GLORY OF THIS LATTER HOUSE

DATE: 2ND DECEMBER, 2018

OPENING PRAYER:

Father, thank you that we are not in the Cemetery. Thank you for bringing us to your Sanctuary this day.

By your Grace we overcame January, we conquered February, we defeated March, we conquered April and up till November. By your Grace, we shall see the end of the Year 2018 in the Name of Jesus Christ.

Father, I want to register my weakness as usual that there is nothing a Man of God can do without the God of Man. You are the God of Man Lord; use me this morning and bless your people in the Name of the Lord Jesus Christ.

Father we thank you Sir. In Jesus Name we have prayed - Amen!

God bless you. Please be seated.

Glory be to God Almighty - Hallelujah!

I thank the Almighty God and my father in the Lord, the General Overseer of the Redeemed Christian Church of God; who has given me the opportunity to preach this morning.

Daddy is somewhere doing something that will profit you and I by the Special Grace of God and he asked me to stand in the gap for him.

And I also want to greet all my fathers and mothers who are here and all those who are watching or reading all over the world: You will live long and well in the Name of Jesus. The Glory of God will manifest in every area of your life in the Name of Jesus.

With Joy in my hearts, I like to present to you some Christmas and New Year Gifts. So let us start with the distribution of the Gifts before I proceed further.

How many of us wants the Gifts this morning. It doesn't matter where you are all over the world, you will receive your own - Amen.

I brought seven (7) Gifts for you all as your Christmas and New Year Gift.

1. Gift No 1: As your New Year 2018 is about to expire, you and your family will not expire with it in Jesus Name - Amen!

2. Gift No 2: You will never be hungry in the Kitchen in the Name of Jesus - Amen!

3. Gift No 3: You will never have a better yesterday in the Name of Jesus - Amen!

4. Gift No 4: All your Secret Prayers will soon become Public Testimonies in the Name of Jesus - Amen!

5. Gift No 5: All your pains will soon end in Praise in the Name of Jesus - Amen!

6. Gift No 6: From this day; your little efforts will provoke great results in the Name of Jesus - Amen!

7. Gift No 7: God will command your Helpers to locate you before the end of this Year in the Name of Jesus - Amen!

... So shall it be in the Name of Jesus Christ - Amen!

GLORY as we all know is the opposite of Shame. Proverbs 3:35 is my witness.

I pray for you this morning that you will never encounter shame in the Name of Jesus Christ.

There is the former Glory and there is the latter Glory.

The Good News is that the Glory of the latter shall be greater than the former - I say amen to that one.

This is a Divine Message according to Haggai 2:9 - The Glory of this latter house shall be greater than of the former; saith the LORD of Hosts: and in this place will I give peace, saith the LORD of Hosts.

So my fathers and my mothers; God has spoken - there is a Greater Glory ahead.

Therefore, there is Hope for the Church - irrespective of the wind that is blowing now; there is Hope for the Church because God has spoken.

Jesus Christ said in Matthew 16: 18(b) - He said that I will build my Church and the gates of hell shall not prevail against it.

There is Hope for the Church and there is Hope for you and I. Just rest in the Lord and He will take care of the rest.

This Divine Message of the former and the latter Glory means that your tomorrow will be better and not bitter - Amen.

It also means that you will never have a better yesterday.

1 Corinthians 3:16 tells me that we are the Temple of God and because we are God's Temple; we must not be discouraged, we must not be afraid and we must not quit irrespective of what we are passing through because there is a Greater Glory Ahead!

You are not defeated when you lose but you are defeated when you quit.

Are you passing through any Storms? Please don't give up. Don't give up because your breakthrough is on the way in the Name of Jesus Christ.

Remember that difficult roads often lead to beautiful destinations.

Are you carrying any Cross? Relax, you will soon wear your Crown in the Name of Jesus Christ.

Your present situations is not your destination. Everything you go through grows you.

Do you have a terrible past and you are discouraged? Please relax. If you are a child of God and a Temple of God; He will not allow your background to put you on the ground.

So brethren, if you are not patient, you will soon become a Patient - God forbid, you will not break in Jesus Name - Amen.

God has spoken and it is a message of a better tomorrow. Therefore, what God has finished can no longer finish us.

So this morning by the Grace of God; I will like to focus on "Human Temple" instead of the "Physical Temple".

And the Personality under considerations this morning is "JOB".

Job experienced both former and latter Glory. At the beginning; Job's life reveal God's Glory. He experienced Sunshine. At a point, Satan paid him a visit (Unpleasant Visitation) and he deflated Job. At the Appointed Time however, the Almighty God intervened and Job experienced Greater Glory.

Get ready for a "Divine Intervention" this morning - Amen!

Job had a "Pleasant Beginning". The Glory of God manifested in his life. My Bible tells me that God blessed him Spiritually that he was Perfect, Upright, Feared God and eschewed evil - Job 1:1 is my witness.

Apart from the Spiritual Blessings; God blessed Job materially. He has seven thousand (7,000) sheep, he had three thousand (3,000) camels, five hundred (500) yoke of oxen and five hundred (500) she asses - Job 1:3 is my witness.

Apart from Spiritual and Material Blessings; God blessed him Maritally. He had seven (7) sons and three (3) beautiful daughters - Job 1:2 tells me so.

The Bible tells me that Job and his entire house were "Divinely Laminated" - Job 1:19 tells me that God made an "Hedge" round him and about his households and about all that he had on every side. And of all the men in the East, Job was the greatest.

So Job experienced God's Glory until Satan paid him a visit.

Brethren, whenever Satan paid anyone a visit; his missions are clearly stated in John 10:10 - his missions are to steal, to kill and to destroy.

... He will fail over you in Jesus Name - Amen.

After Satan paid Job Unpleasant Visitations, Job lost his seven thousand (7,000) sheep - they were all roasted by fire. Job lost his three thousand (3,000) camels to a group of people called the Chaldeans. Job lost five hundred (500) yoke of oxen and five hundred (500) she asses to a group of people called the Sabeans (Read Job 1: 14-17).

In Job 1: 18-19; the Bible tells us that Job lost his seven (7) sons and three (3) beautiful daughters one day when a great wind from the wilderness smote the four (4) corners of the house of their eldest brother where they were eating and drinking. All his children died!

Brethren, do me a favour. I want you to pay a price on behalf of your children. Wherever you are now or reading from; please rise to your feet now. This prayer is not the kind of Prayers you render while you are seated.

Am going to be the one to pray for you this morning: That wherever you are all over the world or reading from; you will NEVER BURY YOUR CHILDREN.

In the Mighty Name of Jesus, you will never weep over any of your children.

In the Mighty Name of Jesus, any arrow shot at your children will go back to the sender.

... In the Name of our Lord; please be seated.

Job lost all his children in just one day.

Finally, Job's health was attacked. Satan smote him with snowballs from his feet to his head.

My father and my mother, Job suffered loses, Job experienced pains and agony; people paid him a condolence visit.

When a man loses his parents, he lost his Past. When he losses his spouse, he has lost the Present. But when he losses his children, he has lost his Tomorrow.

In the Name of Jesus, you will not lose your Present. In the Name of Jesus, you will not lose your Tomorrow.

Job was lonely but not alone. People thought that it was over for him. People thought that his Glory has expired - the former Glory. People thought his sun will never rise again.

But God says that your ways are not His ways and your thoughts. At the Set Time and the Appointed Time; God intervened and He opened a New Chapter for Job - I call this Chapter: Chapter 42.

Before you leave this Place today, the Almighty God will open a New Chapter for you - Amen!

The Bible said that God blessed the latter end of Job more than his beginning - Job experienced Greater Glory. God gave him double portions - Fourteen thousand (14,000) sheep, six thousand (6,000) camels, a thousand (1,000) yoke of oxen and a thousand (1,000) of she asses. God gave him seven (7) sons and three (3) daughters to replace those ones that died. Job health was restored.

Job recovered all that the enemies took from him. God gave him a Good Health and long life. Job experienced Peace.

... For Job, the Glory of his latter end was greater than the former.

I have Good News for our brethren: Your tomorrow will be better in the Name of the Lord Jesus Christ.

I know one thing and I want to share with you: That anyone you come across in life is either a Blessing or a Lesson to you.

Job was a Lesson to us. So there are some Lessons we want to take home from the Story of Job:

1. Lesson No 1: The downfall of a man who is in Christ can never be the end of his life.

Job started very well - we saw his former Glory. The devil intervened and deflated it. He took him down to the lowest ebb. But being a child of the Almighty God, the Lord intervened and there was restoration.

... A man that carries God's Grace can never suffer disgrace.

2. Lesson No 2: The time of waiting on the Lord is not a waste.

Job waited patiently on the Lord. Job 14:14 is my witness - If a man die, shall he live again? All the days of my appointed time will I wait till my change come.

It is better to be on the "Waiting List" of God than to be on the "Wasting List" of the devil.

3. Lesson No 3: Weeping may endure for the night but Joy cometh in the morning - Psalms 30:5 tells me so.

If you are a child of God and Temple of God; that weeping will not be permanent.

So I don't know what you are passing through in your home. I don't know what you are experiencing in your offices. I don't know what is happening in your business(es). I don't know what you are going through in your families - I want to beg you in Jesus Name: Don't give up because the Glory of the latter end shall be greater than the former.

God has said it and it is irreversible. God said, the Glory of the latter end shall be greater than the former. That means that you and I will have a better tomorrow.

So you don't need to go to Germany before you jam your Blessings. You don't need to go to UK before you can be ok - you will agree with me that not everybody in UK is ok. My prayers is that our people in UK God will make them to be ok in Jesus Name.

You don't need to go to France to get your fiancée and you don't need to go to China before you can eat Chinese Food.

Where you are; if you are in the Lord; the Lord can command and He will command your Blessings to locate you.

Whether you believe it or not Church of God; tomorrow go better - Iyanu (Wonder) will still sele (happen). Dry bones will still live again; water will still flow to your desert.

... Do I have a witness in the House?

Shall we please rise up on our feet for Prayers:

GENERAL PRAYERS

Father, we say thank you for answered prayers. To you alone be all the Glory forever and ever. In Jesus Mighty Name have we prayed - Amen.

God bless you, please be seated.

Jesus loves you and I - Amen!

A man saw a snake and that snake needed help. So he went down to the ditch. In an attempt to help the snake, the snake bite him and he threw the snake back. Knowing that there was danger there, the man went to the ditch the second time and helped the snake.

Somebody was watching him and went to him and say sir, what is the reason for your action? You wanted to help the snake, it bit you and you did it again. He said there is no problem as it is the nature of snakes to bite but it is my nature as a child of God to help.

Irrespective of your background brethren, it is the nature of Jesus to Help.

How many of you needs Help? He is willing to Help but there is a condition - He said come to me all ye that labour and are heavy laden. He says I will give you rest.

He said it. There is a Greater Glory Ahead and He said in this Place, I will give you rest provided that you come to Him.

How many of us wants rest? You will receive rest in Jesus Name.

He said Come. I will give you rest. He is the Giver, not the Man of God but the God of man.

So if you want God to Help you, Come and Surrender to Him. And if you feel like rededicating your life, you are welcome. So wherever you are, just wave your hands. God bless you. Please rise to your feet.

I will like to celebrate our Royal fathers; am your son and your friend and I know that you will end well. It does not matter what anyone is saying about you; you have come at the right time and you are at the right place and God will help you. Can we carry our bags and Bible and come to the front now.

They say two (2) good heads are better than one (1). I won't be the only one to pray for you as I have superior people in the house to pray for you with me. Just come; you have not come to meet with Pastor Kalejaiye but the God of Pastor Kalejaiye. God bless you.

Let us stretch forth our hands to these people; including all those watching us all over the world (or reading) that wants to surrender their lives to God. This is your Time, please stand on your feet wherever you are.

Please I Prophecy that because these people are here to surrender or rededicate their life to God; it shall be well with them. That the Lord will have Mercy on them.

Remember also that there is no Medicated soap that can wash away sins as it is only the Blood of Jesus. Let us ask that the Blood of Jesus will wash away their sins.

And those of you that has come to surrender, say Father, have Mercy on me.

The Lord will go to the Foundations of your families and alter records. If there is any embargo there, the Lord will lift it in the Name of Jesus. The Lord will give you a New Beginning. He will support you and you will make it to the end in Jesus Name.

Thank you Father Lord. In Jesus Name we have prayed - Amen.

Father, we just want to say thank you for Salvation. In Jesus Name we have prayed - Amen.

... Once again, I want to thank our father in the Lord, the General Overseer of the Redeemed Christian Church of God for the opportunity given to me this morning to serve. I pray that God will give daddy Excellent Health and Long Life in the Name of Jesus Christ.
