You are Worthy Oh Lord

You are Worthy

You are Worthy to be Glorified

You are Worthy Oh Lord

You are Worthy

You are Worthy to be Glorified

OPENING PRAYER

Almighty God, King of Kings and Lord of Lords; the Ancient of Days, the One who has no Beginning and no Ending; we Worship You.

Thank You for a New Thing that You are beginning here today, Thank You for all these Wonderful Children of yours that have decided to honour You by coming together like this.

Lord, Thank You for Journey Mercies for those who has already come, Thank You for Journey Mercies for those who are on the way because we know that they will all arrive safely. Father, accept our Thanks in Jesus Name.

My Lord and my Saviour, I'm committing our fathers and mothers here into Your Hands; it is You that they have come to meet, Please Lord don't let them come in vain.

Because they have come to honour You, Father honour them with Good Health. Whatever may be their Individual Problems, Father solve today and let them return home rejoicing. Don't let a Single one of them go back without a Testimony.

Thank You Almighty God. In Jesus Mighty Name we have Prayed - Amen!

Praise the Lord - Hallelujah!

Please, let us have a Royal Hallelujah - Hallelujah!

God bless you - Please be seated. You are most Welcome!

I want to Salute all of you - My fathers and my mothers. You are Most Welcome!

I want to apologise for any minor inconveniences that you might have on this Particular visit because you know that we are doing this "Royal Convention" for the first time.

And whenever you are doing something for the first time, there will be things you don't Plan for, that may surface.

This is what we call "The Joy of being Pioneers" - You are starting something New, something that has never been done before anywhere in the world. It is starting today and you are Part of it.

I am sure that by the time we meet again, things will be smoother, you will Probably before we depart, give us a rough idea when you want us to start the Program Next Year (2023), a little bit of how you want us to run it so that we will do everything according to your wish!

Thank You very much for coming in early.

Now, you Probably will wonder - Why this Royal Convention?

I am not the one Preaching tonight (On Day 1) but I just feel that I need to give you a hint of why you are here.

The Bible says something in Proverbs 29:2 - When the Righteous are in Authority, the People rejoice: but when the Wicked beareth rule, the People mourn.

... That is a Weighty Statement!

It is as if God is saying: If there is rejoicing in your Land, it is because of the Rulers!

In other words, if there is a Problem, the Problem lies with the Ruler.

But then as I Study the Bible, I discovered that God said in His Words again that:

I. He rules in the affairs of Men - (DMC NOTES: Daniel 4:17)

II. He is the One saying that whatever is happening in the Domain of a King is the fault of a King (Proverbs 29:2)

How then can we combine the two (2)?

Tomorrow (Saturday, 29th October 2022) by the Special Grace of God, when it is my turn to talk to you; I will try to explain.

But certain things has happened in the Past that made me to say: I think that I better called together my fathers and discuss with them.

Let us give the Examples:

1. When we came here (The Redemption City of God) to live in 1985; when my family moved in; this Place was a Jungle. When I go about walking in the Night, my colleagues are Antelopes, Typhoons and all manners of animals. And this Place was the Headquarters of Highway Robbers - I'm sure that many of us will remember.

DISCOVERY MEDIA CREW
In those days, you travel along the Expressway at Night, you do it at your own risk because there were Highway Robbers throwing blocks and tyres wheels at Vehicles that were coming.

Almost every Night, People who has been waylaid by these Robbers, they run into the Redemption Camp here to get a Shelter. The Police tried everything, but they couldn't catch these People.

But then a Soldier became the Governor of Ogun State and he came to me and said: Daddy, what do you think we can do about this incessant Robberies?

I said: Well, since you have asked me because I'm a Pastor, I don't get involved in Rulership.

But since you have asked me, I will tell you what to do - Let us involve the Traditional Rulers.

He said how could that be of Help?

I said that they know the People living in their Domains and they know Strangers. I said that I can tell you with confidence that Ogun State People are "Peace-Loving People" - They are not Highway Robbers. I said that I know them.

Involve the Traditional Rulers and this Problem will be over.

So, he (Governor) summoned a Meeting of all the Traditional Rulers along the Expressway and it stopped. In less than three (3) Months, Highway Robbery vanished.

And I have told those who will listen among the "Big Ones" - The People in Power. We have Problems in Nigeria, but involve the Traditional Rulers and these Problems will vanish!

All we can do is to Advice them because People said that we know that you have access to the High and Mighty; what are you doing?

All we can do is to Advice - You can only Advice the Commander-In-Chief for example. You can't command him. If you command the Commander-In-Chief, then you now become the Commander-In-Chief.

I. But I have a feeling that if my fathers can join hands together and say to these Big, Big ones that we want "The House of Chiefs"; we want back a Place where we can have a say in the affairs of our People.

DMC NOTES: A House of Chiefs (or House of Traditional Leaders) is a Post-Colonial Assembly, either Legislative or Advisory, that is recognised by either a National or Regional Government as consisting of and Providing a Collective, Public voice for an Ethnic Group's Pre-Colonial Authorities.

II. When they call us Traditional Rulers, it means that we have been Ruling our People before the "White Man" came. They called us Traditional because they have realised that we are the Rulers from the beginning!

III. Maybe if our Royal Fathers can join hands and say to all those People irrespective of the Party - You want my People to vote for you? We are ready but can you give us an Assurance that when you get to Power, you will restore us to our Dignity?

Because this is the high moment when all these People will be coming around to us. They will be Prostrating because they know who we are - Asking us to let them serve us - When they get there, we know who is serving who.

I think that if you should all say the same thing - West, East, South and North, if we are all speaking with "One Voice"; they will Probably say: Alright, if that is what you want, that is what you will get!

You should be able to remind them later on - That you Promised us o!

DMC NOTES: You can get to read more on this from the Interview Channels Television granted to Pastor E.A Adeboye on the 24th of September, 2021 on the Topic: "FOR A NEW NIGERIA TO EMERGE" - Only Transcribed on the Label of DMC on this Link or listen to the Voice Note:

2. Then the Second Thing is that - Before Coronavirus came, God told me: Son, the whole world is going to be on "Compulsory Holiday". I couldn't understand that - How could the whole world be on "Compulsory Holiday"? And I told my People.

It was later on that we began to understand - Until all of a sudden, we began to see the Streets of London, New York empty.

I mean we are talking of Streets where they never Sleep - Nobody is outside and everybody inside just because the Almighty God said that we are going to be on "Compulsory Holiday".

You know that when the Almighty God is involved in doing something; even the High and Mighty will have to stay Indoors!

Then when it became clear that this is what He (God) was talking about; I cried to Him - Please, have Mercy on my People. We have no Doctors - The Good ones have gone Abroad looking for "Better Pay".

Those Doctors who stayed behind - May the Almighty God bless them all (Amen).

They (The Remaining Doctors in Nigeria) don't even have the Medicines to administer. And in any case, the enemies that we are talking about and fighting, Nobody knew how to deal with it at the beginning.

The Hospital that long ago used to be called "Infectious Hospital" (DMC NOTES: This is otherwise called "Isolation Unit") have been closed down for years. It was after the Problem came that we begin to Struggle to re-open them.

DMC NOTES: Pandemics like the Coronavirus disease (COVID)-19 can cause a significant strain on the Healthcare System. Healthcare Organizations must be ready with their "Contingency Plans" for managing many Patients with "Contagious Infectious Disease". Ideally, every large Hospital should have a facility that can function as a high-level "Isolation Unit". An "Isolation Unit" ensures that the Healthcare Staff and the Hospital are equipped to deal with Infectious Disease Outbreaks. Unfortunately, such facilities do not exist in several hospitals, especially in Resource-Limited settings like Nigeria. In such a scenario, Healthcare setups need to convert their existing General Structure into an Infectious Disease Facility. Herein, we describe our experience in transforming a General Hospital into a functional Infectious Disease Isolation Unit.

But I cried to God. The People Abroad, those who has money and their Doctors were mocking us that those of us in Africa will be dying like flies.

Daddy (God), You made me a Nigerian and it must be for a Purpose. Please, have Mercy on my People!

And He Promised me that I have heard your cry and I will show these People that I'm still in Control.

Up till the end - And I believed that Coronavirus has ended for us here (Nigeria) - Amen.

In two (2) years, the number of People who died in Nigeria of Coronavirus is less than four thousand (4,000). Whereas in New York alone, more than four thousand (4,000) was dying everyday.

But then I noticed something - When you analysed the number of People who died in Nigeria and you can go back and check the Records State by State:

I. The least number of People that died are in Osun State - That is my State of Origin and where I was born.

II. The Second State among the least is Ogun State - Where I lived.

III. The Third State from the lowest is from Ondo State - Where my Grandfather came from.

IV. The Fourth State among the lowest is Ekiti State - Where my Grandmother came from.

V. And when I got to my Native Town in Ifewara (Osun State Nigeria); I was going through the Town, and not a Single Fellow was wearing Nose Mask and not a Single one died.

So, I felt that if somehow God in His Infinite Mercies can Help me to extend my Influence to other Domains. If in the Future, there is any danger, I might be able to say to Him: Almighty God, the Kabiyesi

(DMC NOTES: This is the "Title Name" given to a King in Yorubaland in the Western Part of Nigeria) here is my friend, the one in that Place is my friend, the Traditional Ruler over there is my friend.

... This is one of the reasons why I said that you should come!

Maybe I should say this with all Humility - I think that God has a "Special Love" for me and He has Proved it again and again!

I will tell you just one Story and I will get out of the way for the one who is going to be Preaching tonight - Pastor J.T Kalejaiye. (Watch Out for the Full Text of this Message "ONLY" on the Label of DMC).

Tomorrow Morning (Saturday 29th October 2022) by God's Grace, you will sit down, I will talk to you a bit more and we will see what God will do after that. (Watch Out for the Full Text of this Message "ONLY" on the Label of DMC).

I travelled to a Country called Zambia - A Man of God invited me to come and help him Dedicate his Church.

I was going and they also have Traffic Problems like we have here in Nigeria. And so they got an Escort to lead and clear the road for me so that I can arrive on time - There was this Policeman (A Despatch Rider) who was leading us.

We are about to get to a Junction and so he zoomed ahead, get to the Junction of the road to stop the Traffic.

Some of the cars stopped but there was a Man who was coming in a car - Whether he didn't see the Policeman or I don't know what; but he just crashed into the Policeman, flung him across the road.

The Motorcycle was crushed beyond repairs and we could see the "Lifeless Body" of the Policeman on the other side of the road.

I said: Oh God, but he is with me! He is leading me to where I'm going.

If it were my Program, I would have gone back home. But I was invited all the way from Nigeria, to come and do this Dedication.

And so as they were carrying his "Lifeless Body" to the Hospital, I went to do the job they called me to come and do.

When we finished, and we are coming back; I said to them: Could you Please take me to the Hospital or the House of the Policeman who died so that I can at least sympathise with him and the family.

And they said: Which Policeman? - The one that the car crushed.

They said: Oh, by the time we got to the Hospital, he has come back to Life - No bones broken.

And I said: God what have You done? And He said: You told me that he is with you?

I want you to be able to say after this Meeting (The Inaugural RCCG Royal Father's Convention 2022) that: If anything is about to happen in your Domain, I want to be able to say to my God - God, this Traditional Ruler is with me!

So that any Danger that might be coming; my God will divert it - Amen!

YOU ARE WELCOME - GOD BLESS YOU ALL!

Thank you so much for staying all through to read.

OPENING PRAYER

The Ancient of Days, we Thank You sir. By Your Grace we are not in the Mortuary this Day but by Your Grace we are in the Sanctuary.

My Lord we say Thank You sir - Thank You for Life, Thank You for Provision, Thank You for Protection over us. Father, accept our Thanks in Jesus Name.

Father, I want to register my Weakness before You - That there is Nothing any Man of God can do without the God of Man. You are the God of Man.

Tonight my Father, use me and bless Your Children.

I Pray that the Peace of God will reign in your lives and in your Domains in the Name of Jesus.

DISCOVERY MEDIA CREW
You have seen the end of many Months this Year (2022); by the Special Grace of God, you will see the end of Year 2022 and beyond in the Name of Jesus.

Father, we Thank You.

For in Jesus Name we have Prayed - Amen!

Glory be to God Almighty - Hallelujah!

I want to Thank the Almighty God and our esteemed father-in-the-Lord - The General Overseer of The Redeemed Christian Church of God (RCCG), our own Daddy: Pastor E.A Adeboye and our Mummy - Pastor (Mrs) Folu Adeboye for giving me the opportunity to serve.

I will like to greet all our Royal Fathers and our Mummies - The Olori's (Meaning Queens). We greet all of you who came from the North, from the South, from the East and from the West.

I will like to Salute all the Great Men and Women of God Present in this Sanctuary tonight.

Now, I appreciate all the Distinguished and the Distinctive Guests.

I Personally recognise, appreciate and celebrate our own Royal Father's Coordinator - Pastor Adeyeye.

And I'm Proud to be Part of this Unique and Memorable occasion where we have the High and Mighty.

Glory be to the Lord Almighty - Hallelujah!

The Ever-Reigning King is:

I. The One who was, the One who is and the One who is to come.

II. His Love is Unquestionable.

III. His Power is Unconquerable.

IV. His Impact is Unmistakable.

V. His Majesty is Unexplainable.

VI. His Sacrifice is Incomparable.

VII. His Promises are Indisputable.

VIII. His Gifts are Indescribable.

I am here tonight as a Forerunner - Our father-in-the-Lord (Daddy GO) will be coming by Day 2 Morning by the Special Grace of God to bless us, our families and our Domains.

DMC NOTES: You can get to read the Full Text of the Main Address by Pastor E.A Adeboye on Day 2 during the Inaugural RCCG Royal Fathers Convention 2022 on this Link:

<https://discoverymediacrew.com/The-Ever-Reigning-King-Pastor-E-A-Adeboye-Day-2>

And I tell you - No Medicated Soap will be able to remove any of the Blessings in the Name of Jesus Christ - Amen!

So, I'm going to leave the whole thing for daddy to do tomorrow.

DISCOVERY MEDIA CREW
But Permit me to tell you certain things about our Identities - What God has done for you and what He expects from you!

My Special and Wonderful daddies - In case you don't know, you are not just Special to God; you are "Specially Special".

I. Jesus Christ loves you and He has made you a King - Not by your Might, not by your Power. You know that.

II. Not only are you Kings, He has made to you "Available Provisions" - What I called "Benefits in being a King available for all of you because you are Special to Him.

Maybe I need to mention some of these benefits - And I know them. Not only because I read about them, but because I'm also from a Royal Family - From the father's side, mother's side, Grandfather's side, Grandmother's side) and even Divinely, I am Royalty.

BENEFITS NO 1: Kings command Respect.

Irrespective of their Educational background or Age; everybody bows to them.

And with the Vision our Daddy GO now has concerning our Royal Fathers and their Domains, a time cometh in the Name of Jesus Christ that things will Change - Governors will bow, Presidents will bow, Nations will come and bow to you - Amen!

Kings normally command Respect - Even if they have an Unpleasant background; God will not allow their background to put them at the Ground.

Think about King Saul? - He has no background but out of many, he was Chosen and recommended. And he was anointed and became a King.

BENEFITS NO 2: Kings has many People serving them.

This includes Domestic Staffs - You have Cooks, Drivers, Palace Guards, Palace Messengers. God made all these People for you.

BENEFITS NO 3: King lives in Palaces.

They don't manage, they are not Tenants as God has enlarged their coast.

My Prayer for you is that even if your Palace is not big enough now; I beg you: Don't write your conclusion yet because your Present Location is not going to be your Final Destination.

BENEFITS NO 4: Kings has Power and Authority.

So as a King, God has made you a Voice and not an Echo.

Ecclesiastes 8:4 says: Where the word of a King is, there is Power and who may say unto him, what doeth thou.

I think we should now start appreciating this "Ever-Reigning" King for what He has done for us!

BENEFITS NO 5: The King's Palaces are always Secured.

In other words, you will enjoy Divine Protection!

BENEFITS NO 6: Kings usually live long.

I did my Research on this and found out that Kings usually live long.

DISCOVERY MEDIA CREW

Psalms 61:6 is my Witness - Thou will Prolong the King's Life and his years as many Generations.

In Jesus Name - You will live long and well (Amen),

BENEFITS NO 7: Kings are easily Identified and Recognised.

This is so because they carry Honour and they carry that Special Grace.

God has beautified their lives that they don't wear rags - God forbid!

Even without introducing yourself, everybody knows that you are a King because you are Special to God and God loves you!

And that is the reason why He has made all these Provisions available for all of us.

BENEFITS NO 8: Kings are Powerful and Untouchable.

What we can do to an "Ordinary Citizen"; we cannot do it to you because you are "Not an Ordinary Person" but Powerful and Untouchable. You have Influence and you are well connected!

BENEFITS NO 9: Kings are very, very Wealthy.

And I'm sure that many of you will disagree with me on this Statement.

BENEFITS NO 10: Kings have Dominion over their various Domains.

The Lord made all these benefits available to you because you are Special to Him!

DISCOVERY MEDIA CREW
THE QUESTION IS - WHAT DOES HE (GOD) EXPECTS FROM YOU?

Let me tell you some of His Expectations from you:

1. He expects you to open your door to Him in order to reign in your lives.

Revelations 3:20 says: Behold, I Stand by the door and I knock. If any Man hears my Voice and Opens his door, He says that I will come in.

Let me ask you my fathers - Will you open your doors for the King of kings to reign in your lives, families and Domains? - Yes, for The DMC Family Members.

That is endorsed by God and I say: Congratulations!

He expects you and I to open doors of our lives and when He comes in; you will know that He is the Prince of Peace.

If you don't know the God of Peace, then you cannot have Peace of Mind!

You know that He is the Light - When you open your door to Him, darkness will vanish because Light and Darkness are not Permitted to dwell together.

2. He expects you - Having made Provisions for you with all those benefits; to follow Him.

Daddies and Mummies; who you follow determines what follows you!

We can no longer do things the way our forefathers used to do them.

DISCOVERY MEDIA CREW
If you are "Not Current" then you cannot be Correct!

Few years ago, I went back to School to do my PhD and I discovered that even in the Academics, things has Changed.

Nobody is talking about 4-Figure Table again, we are not talking about Calculator again.

Now, we are talking about Twitter, Instagram, Facebook, Zoom. I had to engaged a "Small Boy" to teach me all these things because Level has Changed.

In the same vein, our forefathers did so many things that we can't continue doing - Things has Changed!
We have to follow Jesus Christ and do what Jesus Christ asked us to do.

There are so many things that we need to Jettison because they are no longer relevant in the Present Age!

Today on this Singular Mobile Phone, I have many things there - Diary, Calculator, Bible, Dictionary and everything. Unlike before that you have them in "Paper Form" separately.

... Things are Changing and so we have to Change.

Follow Jesus Christ and Success, Joy, Peace etc will follow you at the end of the day.

It is better to be at the back of a Lion than to be in front of a cow!

And that is the reason why I remained in The Redeemed Christian Church of God (RCCG) despite all the offers for the Past years.

I told them that any Machine that functions Properly you don't need to repair it. I have been in a Place where every Machines function and this is where I will remain under Authority till Jesus Christ comes!

3. He expects you to Fear Him.

Psalms 94:4 says: He is to be feared among gods.

Matthew 10:28 says: And fear not them which kill the body, but are not able to kill the Soul: but rather fear him which is able to destroy both soul and body in hell.

Proverbs 8:13(a) says: The Fear of the Lord is to hate evil, Pride, Arrogancy.

Psalms 147:11(a); the Bible says: The Lord taketh Pleasure in them that feared Him.

My daddies, you are Special to God and He wants you to Fear Him!

If you Fear the Lord, you will enjoy certain benefits:

I took my time to do Research and I discovered that if you Fear God:

I. You will enjoy Divine Protection.

How do I know? - Psalms 33:18(a) is my Witness. It says: Behold the eyes of the Lord is upon them that feared Him.

May God Protect you in Jesus Name - Amen. Whatever the enemies are Planning against your Domains, God will cancel them in Jesus Name - Amen!

II. If you Fear God, you will enjoy Divine Lamination.

Psalms 34:7 tells us that: The Angel of the LORD encampeth round about them that fear him, and delivereth them.

III. If you Fear God, you will enjoy Divine Provisions.

Psalms 34:9 says: O fear the LORD, ye His Saints: for there is no want to them that fear him.

IV. If you Fear God, you will enjoy Long Life.

Proverbs 10:27 says: The fear of the LORD Prolongeth days: but the years of the Wicked shall be Shortened.

I don't know what the enemies are Planning against you my fathers; they will fail over you as you will see their end - Amen!

In case they have shot arrow(s) at you; it will go back to Sender in the Name of Jesus Christ - Amen!

V. If you Fear the Lord, you will enjoy Divine Blessings.

Psalms 115:13, the Bible says: He will bless them that Fear the Lord; both Small and Great.

VI. If you Fear God, you will enjoy Divine Revelations.

Psalms 25:14 says: The Secret of the Lord is with them that feared Him and He will show them His Covenants.

God loves you Specially - You are not just one of them; you are Specially Special to God!

If you know the Number of People that aspired to be in this Position of yours but they never got there.

By Divine Design, the Lord choose you - You are not the Oldest, you are not the Richest, you are not the Most Educated but because He loves you and so recommended you for that Post!

That is what He did to Saul and David.

Samuel could have made a wrong Choice if God has not recommended David for him - And that is exactly what you are enjoying today!

With all that God has done for us Brethren, it cannot be too much for us to do what He expects from us - Open the door of our Heart and then open the door of our Kingdom!

I want to appreciate the Almighty God for all our Royal Fathers from all over Nigeria. The Gentleman who introduced some of our Royal Fathers cannot introduced everybody because of time.

So, you are all Welcome, you are all Celebrated, you are all Appreciated, you are all Important.

And I know and I trust God that our coming together in these two (2) days will yield Positive Results in Jesus Name - Amen!

And those who has gathered in our Domains, they will fall for your sake in the Name of the Lord Jesus Christ - Amen!

The Lord will withdraw His Peace from them in the Mighty Name of Jesus Christ - Amen!

So shall it be in Jesus Name - Amen!

GENERAL PRAYERS

Shall we Pls bow our heads:

1. Let's appreciate the Almighty God for loving us.

He says that: You can give without Loving but you cannot Love without Giving.

In Jesus Name we have given Thanks - Amen!

SONG

I have a Father

Almighty Father

He is King of Kings and Lord of Lords

I have a Father

Hallelujah!

OPENING PRAYER

Ancient of Days, the One who has no beginning and no ending; the One who is called I am that I am; the Alpha, the Omega, the Beginning, the Ending; the One who is to come; the Almighty. We bless Your Holy Name.

We Thank You for waking us up this Morning and all of us are saying: God Morning to You Lord.

Thank You for Your Mercy because it is because of Your Mercy that we are not consumed. Thank You that this Mercy is renewed everyday.

Thank You because it is not everyone who slept yesterday who is alive today - Thank You Lord. Please accept our Worship in Jesus Name.

Thank You for the Journey Mercies that You granted to our Royal Fathers and Royal Mothers yesterday (Day 1 on Friday, 28th October 2022); Thank You because we are sure that You will grant them Journey Mercies when they are going back home.

Father, accept our Thanks in Jesus Name.

Almighty God, we are Praying that this Morning, You will Please speak to us. And as You are sending Your Words, let the Power in Your Words bring Healings to all of us.

At the end of everything Lord, let Your Name be Glorified again.

In Jesus Mighty Name we have Prayed - Amen!

Praise the Lord - Hallelujah!

Will You Please shake hands with one (1) or two (2) People and say: Good Morning Kabiyesi (King). God Bless You today!

I want to say: God Morning to all my fathers and mothers. And I hope that you slept well? I hope that the Accomodation is not too bad? I know that it may not be exactly Palace-Like, but we are trusting God that the Future will be more Glorious than this in Jesus Name - Amen!

I understand that some of our fathers have an important Engagement in Abeokuta (Capital City of Ogun State, Nigeria) around 10.00am. So, I will hurry as much as Possible because I know that from here (Redemption City of God) to Abeokuta (Capital City of Ogun State, Nigeria) will take some thirty (30) Minutes. So, I won't be as long as I would be.

I wasn't Planning to sit down, but my children since I turned eighty (80) years old has been treating me as if I'm an egg. And if they give me a Chair, I think that I won't waste their efforts - With your Permission o!

Let's open our Bibles to Daniel 4:17 - This matter is by the decree of the watchers, and the demand by the Word of the Holy ones: to the intent that the Living may know that the Most High ruleth in the Kingdom of men, and giveth it to whomsoever he will, and setteth up over it the basest of men.

... The Most High rules in the affairs of Men!

Who is The Most High? - God!

I. He is Higher than the highest.

II. His Throne is in the Heavens - All the other Thrones are here on Earth. And the Earth He uses as His Footstool.

... That tells us how High He is. And He says that He rules - He is the One in Control.

How does He rules?

I. Psalms 115:3 says: Our God is in the Heavens, He does as He Pleases.

He is the Original Majesty!

II. Daniel 4:35 says: Nobody can even ask Him what are You doing?

That tells us that He is "The Original Majesty" - He does something and He says that if you don't like what I have done, sue me. Tell me the Judge before whom I will appear.

III. He rules by Decrees - Which is why He is called the King of Kings. Because all Kings are expected to rule by decrees in their Domains.

... That is the way it works.

And left with me as an Individual, if I have the Power; that is the way it should return to be!

Oh, we thank God for our Presidents and Governors et cetera et cetera. But if you searched the Scriptures very well; it is the King that appoints Presidents in those days.

It is the King who will say: Alright, I have these Domains and I want People who will be helping me to manage it. And then he will appoint Presidents - Presidents are Nothing but High Chiefs.

I Pray that the Almighty God will restore the Glory of the Kings - Amen!

Now, He (The Almighty God) is so Powerful that He says in Amos 4:7 that when I like, I will rain on one City and leave the other City dry. So that the City where I refused to rain can come to the City where I have rained to beg for food.

And when you Study Him, you will know that He is Someone to be feared.

The Bible says in Proverbs 21:1 that the Heart of Kings are in the Hand of the Lord and He can turn it like Rivers.

If He wants the River to bend this way, He will bend it this way; if He wants it to go Straight, it will go Straight because He is in Charge.

And there are several reasons why He has the Right to say that I am in Charge because He created All things.

Now, what you will find very interesting about Him (God) is if He wants to destroy People - He goes Straight to the King and Hardened his Heart. He will cause the King to do things you will think that he shouldn't do!

For Example:

1. In Exodus 7: 1-5 - He told Moses that I am going to hardened the Heart of Pharaoh so that he won't let my People go. And so that I can show him Signs and Wonders.

Poor Pharaoh, he has no Choice until he was drowned with his whole Army. God says that I will hardened his Heart.

You remembered that I said yesterday (During Day 1 of the Convention - And you can get to read the Full Text as Transcribed Only by Discovery Media Crew on the DMC Website and all Social Media Handles of Discovery Media Crew, DMC).

The Bible tells us that when the Righteous are in Authority, the People rejoice. When the Wicked are reigning, the People mourn.

This will give you the impression that whatever is happening in a Domain is the fault of the King!

But the One who is called "The Most High"; is the One controlling his Heart!

2. In 2 Chronicles 1: 6-15; the Bible tells us about a Young King called Solomon. He was what you called "A Dull King" - Not having much sense and then he was a "Spoilt Child". Then he became a King.

And he just woke up one day and said that: I am going to say Thank You to God. I am going to offer Him a thousand burnt Sacrifice - Nobody had done that before!

When he finished and all the Priest were amazed - By the time they slaughtered the first, second and got to the seventh cow; they were looking at Kabiyesi (King): What is going on? Nobody has offered more than seven (7) Sacrifices at a time.

He said that he hasn't started - Just keep on bringing the cow until he sacrificed a thousand cow.

I'm sure that the Priest must have been looking at themselves and say: Okay, we know that he was a "Dull King" but now we think that he has gone completely Mad.

That Night, God visited him and said: Ask what you want as I give you a "Blank Cheque".

And then he says that I can't reign over these People but You put me here. If I will ask for anything at all; I will ask for Wisdom and Understanding to do Your work, to rule over Your People correctly.

God said something when he said that all I want is Wisdom and Understanding - God said that because this is in your Heart, because that is what your Heart asked you to do; I will do what you asked for and then all the things that you didn't ask for, I will give it to you.

The Question is: Who put this thing in his Heart? Because God is the Controller of the Heart of Kings.

The first time that I read that Place - That was the Question that came to my Mind:

I. How can Somebody who is "Dull-Witted" suddenly decided that he was going to offer a thousand burnt Offerings to God?

II. How come the boy who was so Dull that he himself knew that he was Dull.

Because when one is really thirsty and you ask him - What do you want? He will ask for water.

This boy knew that he lacked Wisdom - And so, that is what he asked for.

If he wasn't Dull, how did he know that he should Worship God in an Extraordinary Way?

And I Prayed and God showed me that it was a Set Up!

Because the Bible says in 2 Samuel 12:24 - That God loved Solomon!

God love Solomon that He wanted to do something for Solomon that He had never done for Somebody before!

So, He put in Solomon's Heart to do what Nobody else has done before - That is what an English Man will call "A Set Up".

When God wants to bless His People, He will put in the Heart of the King (The Ruler of the People) - Do this, so that I can do for you what I'm not doing for others!

I Pray for all my Royal Fathers - That which will bring tremendous Blessings to your People, may God put it in your Heart today (Amen)!

I have told you a Story before that when God wants to bless you, He will set you up - Put something in your Heart to do that Nobody else has done so that He can do for you, what He is not doing for others.

Years ago when the Church was much more smaller than this - We are still small and we are growing by the Grace of God.

My father-in-the-Lord called a Meeting of the Workers - My children, the Church has a Very Special Need and that Special Need must be met immediately. And so he said all of us should go and Close our Accounts and bring the money to Church. We all said: Yes sir!

But how can we go and Close our Accounts? If the Pastor knows that we need money, all he needs do is all of you go and bring a stated amount - We can still think about that. But he said everything that we have in Savings we should go and bring to the Church.

We left, we got home - My wife closed her Account, I closed mine also and we brought the money to the Church.

The following Sunday, Papa called the Meeting of all the Workers again and said: Well, Thank God the Need has been met - We got enough money. But how many of you Closed your Account as I said?

I raised my hand, my wife raised her hand and I looked around - Nobody else is raising his/her hand.

Ha, so I looked at my wife and she looked at me. And immediately, I began to think - Are you sure that you are not receiving this thing with Madness? Because Nobody else is doing what you have done.

And I heard God saying clearly - My son, you are not Mad. It is a Set Up. I want you to do something Nobody else has done so that I can do for you what I have not done for anybody.

Today, People only see what God has done for me.

When we got to the Redemption, we have 4¹/₂ Hectares of Land but today, you can see a City (Redemption City of God). He hasn't done it for any Pastor like that before. He is doing something for me as a result of the Set Up.

My Beloveth fathers and mothers; may the Almighty God set you up for Good - Amen!

Now, when you read 1 Kings 4: 24-25; the Bible said that all the days of Solomon, there was Peace in Israel.

Solomon is the only King you can read about in the Bible who never fought a war.

As a matter of fact, the History of every Kings had always been - This year they fought this Fellow, they were defeated; Next year they fought the other one and they were defeated.

That's the Hostory - You can read it in the Bible. Read the Kings, the Chronicles; it is always war after war.

But Solomon throughout his reign, not a Single war - Nobody ever thought of fighting with him.

I. I want Peace to reign in all of your Domains - Amen.

II. I don't want the issue of Kidnaping near your Domains - Amen.

III. I don't want to hear of any Evil Report in your Domains - Amen.

Because God can do it:

I. He says that: I can rain on one City and keep the other City dry. He is the Almighty!

II. He can Prosper your Domain so Mightily that People will ask - How is this happening?

When you now put all these things together:

1. That if He wants to trouble a Particular Nation/Domain; He will cause the King to offend Him and He will hardened his Heart.

2. When He wants to bless His People, He will Soften the Heart of the King - Cause the King to begin to do things that will Plesse Him so that He could Reward them.

So that if there is anybody who wants to raise a Query, then He will say: What is the Problem? - This is what that King did and that is why his People got into trouble; this is what the other King did, that is why his People got the Blessings.

He made a Statement in Romans 9: 15-18 - He said to Moses: I will have Mercy on whom I will have Mercy; I will have Compassion on whom I will have Compassion. He says that it is my Choice.

And like I said earlier on - If you don't like what I do; sue me.

I mean that we are talking of a God so Powerful that He can just tell anybody to stop breathing because He is the Controller of the Air.

The most important Element in the world is the Air that you breathe - Thank God, that is why He made it free. Because if Air was for sale, many Poor People would have died.

And all He has to do is to say to a King - Come over and see me and that is the end of the Show.

I remembered years ago when one Governor said that he was going to revoke our Certificate of Occupancy (C of O) for the Land here (Redemption City of God).

And I said to him: Your Excellency, I am from Osun State. If I say that I need Land in Osun State, my People will give me Land. But it is God who said that I want you here and He is the Owner of the Earth.

And His Excellency was not listening.

So, I had to humbly suggest to him - If you say that you want to revoke the Certificate of Occupancy (C of O) of the One who asked me to come and stay here. What if He revokes the Certificate of Occupancy (C of O) of you on Earth? Because the Earth where you are living belongs to God. You are here because He grants you Certificate of Occupancy (C of O) to be on Earth. If He revokes your Certificate of Occupancy (C of O), you won't be around to revoke my Certificate of Occupancy (C of O).

That is what settled the quarrel.

The Almighty God will tell the devil to leave your Domain alone - Amen

Now, He says that I will show Mercy to whom I will show Mercy; I will show Compassion to whom I will show Compassion.

And He was talking at that time even to two (2) children (Twins) who are in the same Womb. Before they were born, He said that I Love Jacob but I hate Esau.

But You are the one that created the two (2) - The two (2) hasn't done Good or Evil.

He said that I just want everybody to know that I am the Most High and I do as I like.

He said for Example - That is why I created Pharaoh. I kept on lifting him up so that when he crashes; everybody will know. I just want to show the whole world who is the King of Kings.

I mean you Elders has a Saying - You said that: If I an Ant falls, Nobody Pays attention; if a Cockroach falls, the Earth doesn't tremble but when an Elephant falls, now they feel the tremor not only in the bush but in the Hut.

My Beloveth fathers - The Lord will show you Mercy (Amen).

He showed me Mercy - That is why I am where I am today! I am not in any way better than any other Pastor (Not at all). Many, many Pastors are Superior to me in Bible Knowledge and in everything.

I never went to a Bible College - I am a Mathematician. Mathematicians don't want to hear about Religion. We always say that Christianity and Mathematics are Parallel lines.

Why?

I. The Mathematicians will say: If you Prove it, I will believe it.

II. Christianity say: If you believed it, I will Prove it.

And I am a very rough boy among my Colleagues in the University - When we meet in the Club; after taking a bottle or two (2) of beer, when we have nothing else to say; we begin to make Mockery of Jesus Christ - Thinking that we are Brilliant because we are Lecturers.

And then He (God) went in the midst of these Blasphemers and grabbed me and brought me out. And say: Okay you have Blasphemed me enough; now come and Preach me.

May the Almighty God show everyone of us Mercy - Amen!

But I discovered one thing - When God says this is what I want you to do. He will leave a Gap for you to maneuver and get Him to do for you what you want from Him.

He is just like a River - The River is flowing downhill. And you want to get to a Particular spot; if you are Wise, you will just jump into the River and flow in the Direction of the River. It is when you begin to roll against the River that's when you get in trouble.

When you flow with the River - You know that the English Man has a Proverb: If you can't beat them, you join them.

You can't beat God, you are not Wise enough to fight Him! You are not Strong enough to fight Him!

All you know is today - Nobody knows tomorrow. Only God can tell who among all of us will still be alive by this time tomorrow!

There is no Prophet who can tell you - Don't mind anybody; you will be here for another ten (10) years.

Even the Prophet of God does not know if he will be alive tomorrow!

But He says in Proverbs 28:13 - He said: Anybody who conceals his sin will not Prosper. But He said that anyone who will confess and forsake his sin will obtain Mercy.

He said that is the Formular - You want Mercy, forsake your evil ways, confess your sins and say to God that I surrender.

Forgive me for using myself as an Example:

I thought that I was Clever because my Ambition was that I wanted to become the Youngest Vice Chancellor (VC) in the world.

I thought that I was Clever - I mean before I was thirty (30) years Old, I was already Acting Head of Department (HOD) in a very Big University. I have built a house, I have bought a car and everything was working well until one day when Somebody took me to The Redeemed Christian Church of God (RCCG). And they were Preaching and they were saying: Give your Life to Jesus Christ; surrender your Life to Jesus Christ.

In those days, majority of the Pastors just managed to have Standard 6 as they called it in those days. And here was a Lecturer at the University.

I looked at them - What are they talking about? What do they know about Philosophy? What do they know about Psychology? Telling me to surrender my Life. What do they know about sin?

But one day, God Penetrated through to me because He just wanted to be Merciful - Surrender your Life to Jesus Christ, confess your sin, forsake them.

That day for the first time since I started going to Church; the Word Penetrated. And I said: Wait a minute - They are not asking me to surrender to a Man; they are asking me to surrender to my Maker. And since I have been sinning, what did I gain anyway?

When they made the Altar Call, I went forward. I knelt before The Most High God and I told Him that from now on, take over my Life. Whatever you say, I will do it.

And He took over my Life and things began to Change.

If I seems to be boasting; I'm only boasting about the Power of God and not of myself.

Anybody that knows anything about the University will tell you - If a Lecturer gets Promoted once in three (3) years, then he is doing well.

After I gave my Life to Jesus Christ; I was Promored three (3) times in two (2) years - It has never happened before and it's not likely to happen ever again.

DISCOVERY MEDIA CREW
Why? - Mercy!

I told a Story - When I was Graduating at the Obafemi Awolowo University (OAU); in those days they called it University of Ife.

The day I was Graduating, the Kabiyesi (King) - That is Baba Aderemi in 1967 was given an Honourable Doctorate Degree. The Kabiyesi (King) came - Drums, everything and it was so beautiful.

DMC NOTES: Oba Sir Titus Martins Adesoji Tadeniawo Aderemi (Atobatele I), alias Adesoji Aderemi, KCMG (15 November 1889 – 3 July 1980), was a Nigerian Political Figure and Yoruba Traditional Ruler as

the Ooni (King) of Ife (or Ilé-Ifè, as it is Property known) from 1930 until 1980 (Reigned for 50 years). He also served as the Governor of Western Region, Nigeria between 1960 and 1962.

So, my best friend and I were talking about the beautiful thing that happened and I said that one day, I am also going to get an Honourary Doctorate Degree.

My friend looked at me and said: You! He said that they don't give Honourary Doctorate Degree to every Dick and Harry. He said that if it is something you Studied for, we can understand. But this one, they only give to the "Very Specia People" - People who don't need any other thing.

And I looked at him and he was speaking the Truth - I was a Dick and Harry.

But today, by the Grace of God; I have eight (8) Honourary Doctorate Degrees - In Nigeria, Canada, America.

They even offered me one in the First Christian University in America - They just said that we want to give you an Honourary Doctorate Degree.

And I said that I'm sorry, I'm busy - They said that we will come to Nigeria to give it to you Please.

The Point I'm making is this - No matter how Great we think we are; we don't know Greatness until we surrendered to the One who can Promote.

The moment you surrendered to Him, we will begin to enjoy His Mercy.

And when God begins to lift you up, the Bible says that His Hands were Everlasting Hands - He will just keep lifting you up forever.

If Human Being lift you up, they will soon get tired of lifting you up. The very People who are lifting you up, are the People who will turn against you.

So, I'm begging my fathers in the Lord and my Traditional Fathers - If only we can make up our Mind to surrender completely to God; everything that we have lost; we will get back (Amen).

ALTAR CALL

So, may I ask that you Please bow your head in Prayers.

And since you are among your Peers, if there is any of us who will want to say: Please Pray for me, I will surrender my Life to Jesus Christ today.

All I will ask you to do is to Please Stand Up where you are. And then I will Pray that God will receive you, save your Souls and things will begin to Change for the better even from now on.

Well, just talk to God for two (2) minutes and say: God, I'm surrendering my Life to You, Please save my Soul and I will serve You for the rest of my Life. Talk to Him now!

Thank You Father. Glory be to God. In Jesus Mighty Name we have Prayed - Amen!
