SONG

What a Mighty God we Serve

What a Mighty God we Serve.

OPENING PRAYER

Thank You for what You did Last Year (2023), Thank You for what You have done between Last Year (2023) and now (2024).

Thank You for what You are going to do Tonight and Thank You for Journey Mercies for these Your Children.

Father, accept our Thanks in Jesus Name.

Father this Weekend, in the lives of all Your Children that are here Today or those reading now on the Label of DMC; do something Mighty.

If any of them has any kind of Problem(s); before tomorrow Morning, solve the Problem(s)

What no Human Being can do, Please do for them Tonight.

By this Time Tomorrow, even as they are arriving back home; let their Joy be Overflowing.

In Jesus Mighty Name we have Prayed - Amen!

Let Someone shout Hallelujah - Hallelujah!!!

Shake hands with one (1) or two (2) People and Prophecy to them - Tell them: God will Surprise you this Weekend.

And so shall it be in Jesus Name - Amen.

And then you may Please be seated.

You are all Welcome and it is a Great Joy to see you all once again.

I'm Praying for you that the Almighty God that you have come to meet with will not disappoint you - Amen!

And it shall be well with you in Jesus Name - Amen!

Because we have Limited Time and there is a lot that we would have loved to share; we will go straight into the Word of God.

If I were to begin to greet you one by one and follow Protocols, we will waste Precious Time.

Because by the Grace of God, God has made each and everyone of you High and Mighty.

And I want you to know that whatever Protocol that I could not observe here; the Angels in Heaven will observe them.

Philippians 2: 5-11:

5. Let this Mind be in you, which was also in Christ Jesus:

6. Who, being in the form of God, thought it not robbery to be equal with God:
7. But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men:
8. And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross.
9. Wherefore God also hath highly exalted him, and given him a name which is above every name:
10. That at the name of Jesus every knee should bow, of things in Heaven, and things in Earth, and things under the Earth;
11. And that every tongue should confess that Jesus Christ is Lord, to the Glory of God the Father.

We are to talk on: "THE NAME ABOVE ALL NAMES".

One Great Poet in the Past asked the Question - He said that: What is in a name?

He said that a rose called by any other name will still smell as sweet.

DMC NOTES: A rose by any other name would smell as sweet' – is a Quotation from William Shakespeare's Play Romeo and Juliet, spoken by Juliet Capulet (Act 2, Scene 2) to herself whilst on her Balcony, but overheard by Romeo Montague.

A name is very important because if you meet Somebody that you have not met before and you want to Introduce yourself; the first thing that you mentioned is your name.

If you are meeting Somebody for the first time, you don't start by telling him/her your Address? You don't even tell him/her what you do? You don't tell him/her how you are? The first thing you want to tell that Fellow is your name?

Because your name is a Summary of all you are - Your Address may Change but your name is your Personality rolled together.

For Example, in Genesis 17:1; God introduced Himself to Abraham - He said that: "I am Jehovah El-Shaddai; I am the God who is More Than Enough".

And He was talking to:

☆ Somebody who was barren.

☆ Someone who has been Promised that he is going to the father of Nations.

☆ Someone who has been told that his children will be like the Stars in Heaven.

And this Man said that you said that I am going to be the father of Nations and now I am about to die and I don't even have a Single child.

God said to him - I am the God that is More Than Enough. Whatever I have said, I can do it and I can do much more.

So, I have Good News for all of us who are here today and reading now on the Label of DMC; much more than you can ever believe; my God will do it for you - Amen.

When more than 40 years ago; I was crying to Him for a house - I was living in one-room in Mushin (A City in Lagos State Nigeria) and so I asked Him: Please, build me a Boys Quarter.

He said: Son, don't ask me for a house because I have decided to give you a City.

And when He noticed that as a Human Being I thought that was impossible; He reminded me that I am Jehovah El-Shaddai.

I want to decree to all of you who are here today or reading now on the Label of DMC: The Glory that you can never believed Possible, God will give to your Kingdom - Amen!

Now, your name is so important because that name follows you throughout Life.

Whatever name you are called is actually spelling in Advance for you for what your Life can be.

Let's take the Example of Moses - His name was called Moses because he was drawn out of the water.

And if you follow the Story of Moses, every time in his Life, water Played a Major role:

☆ When he wanted to cross the Red Sea, the name Moses was involved in Parting the Red Sea.

☆ As the children of Israel were continuing their Journey, they got to a Place where they had water that was bitter; Moses was there to Change Bitter water to Sweet water.

☆ When the People were Thirsty, the Man who was drawn out of the water was used by God to bring out water out of the Rock.

... Throughout his Life; water water water.

Your name is important as you can't run away from your name - It follows you wherever you go.

Many of us might not know what happened in 1 Kings 18: 30-39 - When Elijah called down fire from Heaven and the People fell down and began to say: Jehovah is Lord.

That's the meaning of Elijah - Elijah means "Jehovah is God".

So, if you are there that day, what the People were saying is - They were just calling the name: Elijah, Elijah, Elijah.

So, your name is so important that occasionally when your name is creating a Problem for your Progress, you might need to go to God and ask Him to Change your name.

Because many atimes, what is inside your name, can be the "Real Problem" that you are having.

If Someone is called in my native Language (Yoruba): "ESUGBAYI" - Which means Satan has accepted this one; it will be difficult for that Fellow to escape from Satanic Attacks.

So, from time to time in the Bible, God Himself had to Change the name of some People before their Miracles can begin:

I. The Original name of Abraham was Abram.

God said alright, I will Change your name to Abraham.

You will just think that He is just making the name longer but He was enlarging his Coast.

II. He Changed the name of the wife from Sarai to Sarah.

Ili. He Changed the name of Someone called Simon to Peter.

And if you Study Peter very closely, at a time when Simon was going to Perish, Peter came in to help.

IV. He Changed the name of one Young Man from Saul to Paul.

From Someone who was going to Hell to Someone who will be a Leader going to Heaven.

I have done all these so that you can know that when we are talking about a Name above all names, your name is important.

And one of the Prayers that you must Pray today is that: God, if my name is causing me Problems, Please Change the name!

If there is anyone here who is not where God wants him/her to be and the reason was because of the name he/she was giving at birth - In the Name that is above every other names, God will Change that name tonight (Amen).

... There is tremendous Power in a name!

There are many things that I could talk about the Power in your name.

If I am very, very busy and then Somebody comes and says: I have been sent to you. The question that I will ask is: Who sent you?

When I hear the name, it will determine whether I will add that business to my business.

There are names that opens door.

And in the Name that is above every other names; from today onwards anywhere in the world, your names will be opening doors - Amen!

For Example, several years ago; I was in Kenya and one of my sons was working for United Nations - They have a very big Camp in Nairobi (DMC NOTES: Nairobi is the Capital City of Kenya).

And I said that I will love to see their Camp so that I can learn some things that maybe I can do same in my Camp.

My son drove to the front of the Camp and went out of the car to get Permission for me to come in.

They told him - You work here and you know that Strangers are not allowed here. This is a Top Security Place.

Oh he Pleaded with them - The one coming is my father, and I can't say No to him.

They told him: Don't waste our time.

They called the Top Man - The Man said, tell him as he knows the rules.

But suddenly one of them said: Who is this your father? And he said that he is Pastor E.A Adeboye.

The Man said: Why didn't you tell us that? He came to the car himself, apologised and say that I will take you round the whole Place.

In the Name of the God that I served: Every doors that has been closed against you will open to you from now on - Amen.

The Name that is above every other names is the Name of Jesus - And it opens Mighty Doors!

For Example: It opens the Door of Prayers.

John 14:14 says: if you ask anything in my Name, I will do it.

So, if there is anybody here today or reading now on the Label of DMC; and there is a Prayer that you have been Praying for some time which has not yet been answered.

I am going to join my Faith with yours - We will cry to God in the Name of Jesus and before tomorrow Morning, the answer will come - Amen!

Tonight, I want you to focus on one Particular Name of this Man called Jesus!

Before He was called Jesus, what was the first name that He was called the very first time that God gave Him a Name?

You will find it in Isaiah 7:14 - It said: A Virgin is going to conceive and give birth to a son and his name shall be called Emmanuel.

That was before he was born - Hundreds of years before He came.

And the meaning of Emmanuel is: "God With Us".

And I want you to do something with all boldness - Turn to your Neighbour to your Left and Right and say: Beginning from now on, God will be with me!

Why is this Name so important?

Those of you who are Traditional Rulers, when we are talking of a name; you hear: The Majesty in Charge of Such and Such a Town. And then they traced him to the fellow in the Family Line who became a King.

Then we say that there are so many Ruling Houses - This is Somebody from the Ruling House of Somebody et cetera et cetera.

... They go back to the Origin.

The Origin of Jesus is Emmanuel.

And there are some very serious Implications of that Name:

1. It means that when He is seated, He is in Absolute Control.

It doesn't matter what is happening in a Town, if they run to the Palace and they bring their Reports; the Kabyesi (Meaning King) will be sitting on his Throne, taking Decisions.

Because while He is seated, he is in Control.

Now, Jesus Christ is also called "The Most High".

And in Isaiah 66:1, He said: Heaven is my Throne and the Earth is my Footstool.

It means that when He is sitting there in Heaven, whatever may be here on Earth is under His Feet - He is Completely in Control.

For Example, in Numbers 16: 1-33 - When some People decided to gang up against Moses who was the Anointed of God.

God told Moses: Leave them to me and let me handle the case.

I don't have to get up from my Throne - The Ground they are walking upon is under my Feet. I will speak to the Ground and say: Open your mouth, swallow these Enemies and then close again.

You know that I have a Good News for you - As long as Emmanuel is behind you; whatever Problems might be in your Kingdom right now, the Ground will swallow them before you (Amen).

Years ago, I went to my Native Town to conduct a Wedding. And when I got there, I saw some People who came to attend the Wedding and I remembered what happened way back in 1960.

That same People who were there had a quarrel with my father and they told him Point blank that they will not allow me to see the following Morning.

My father came home, told my mother and that night, my mother took me and ran away - And so, I saw the following Morning.

So, I was at the Wedding - And as a Young Preacher, I had zeal but I don't have the kind of

Wisdom I have now.

Oh because I know that I have Jesus Christ and they can't kill me anymore; so I began to attack them in my Sermon.

After the Program I left.

These same People went and meet the mother of the Bride and told her - It is because your daughter is Wedding that this "Foolish Boy" had the opportunity to come and insult us.

They told her that we know that your daughter will soon be Pregnant and we will see where she will deliver.

So the mother ran to me - Look at the trouble that you have caused o?

I laughed - I said that my father is seated in Heaven and His Feet is on the Earth. If these People said that it is not on this Earth your daughter will deliver; then they will not be awake when your daughter delivers.

And when the daughter was going to deliver, she just came to do something in the Camp here and the baby was born.

Today, the baby that they said will never be born is a Medical Doctor.

I want to decree to you - Any Plot of the Enemies concerning you, concerning your family and concerning your Kingdom shall fail - Amen

2. What happens if He should now Stand Up?

The Bible says that when He Stands Up from His Throne, His Enemies scatter.

Psalms 68: 1-3 says: Let God arise and His Enemies will scatter.

Because you came, God will arise for you - Amen!

When you read Judges 15: 9-16; it told us about how three thousand Men went to bind Samson. And just when the Enemies were happy that they have brought their Enemy bound to them, God arose.

In the Name that is above any other name; God will arise for you - Amen!

The Bible tells us that Samson killed one thousand of the Enemies.

And the Question is: Why only one thousand?

It is because the others fled!

By the time you arrive back home after this RCCG Royal Fathers' Convention 2024; you will just heard that some People has left Town!

Why? Because God will arise for you,

Some years ago, one of my sons has a Testimony he couldn't share Publicly because he was a Top Man in the Military.

He was Promoted to a Position and the People there said that you are here now; this is how we do things from this Level. And he said that I can't do that as I am a Child of God.

Is that so? They said that we will know what we will do. And they made arrangements to see to it that he will be Prematurely Retired.

And then, he came to the Holy Ghost Service - He didn't know what happened. But before the following Monday, there was a Coup and all those who met to see to it that he would be Summarily Retired were swept away by the Coup.

The only one who told him that they invited me to the Meeting but I couldn't go was the only one spared.

The one that they said was going to be Retired was Promoted even higher still.

Every Obstructions in the way of your Kingdom; the Almighty God will sweep them away - Amen!

3. What happened when He begins to move?

The Bible says in Judges 5:4 - It says that when God begins to move, the Earth trembles because of His Legs.

How long are the Legs?

He is sitting in Heaven and His Legs touches the Ground.

So, when He takes one step, the Earth will move one way and when He takes the second step, it will move in the other side.

When God begins to move, everybody will know that God is on the move.

When you come Next Year (2025) - Whether the devil likes it or not; you won't die but you will give Testimonies (Amen).

4. Then when He is Passing by, everybody around can collect a Miracle.

When you go through the Scriptures, you will find out that many of the Miracles that Jesus Christ Performed were Performed when He was just Passing by.

I. In Mark 5: 25-34 - There was a woman who has been sick for years.

As she saw that Jesus Christ was Passing by, she went from behind and got her Healings.

II. In Luke 7: 11-15 - Even a woman was going to bury her only son and Jesus Christ was Passing by.

He stopped the Procession and put an end to the Sorrow of the woman.

God is going to Pass by this Particular Weekend and whatever Miracles you need, you will get your own in Jesus Name - Amen!

I was travelling to Ilesha (A Town in Osun State Nigeria); and I got to Ile Ife (Another Town in Osun State Nigeria) - And I saw one of my daughters. She was standing by her car and if you look at her face, you will know that she was in serious trouble.

And so I thought maybe the car had a Problem and so I told my Driver to reverse. And I got out of the car towards her.

She said: Daddy, I have been trusting God for a baby boy and at long last, I became Pregnant with a baby boy. And now the Doctors had just told me that the baby is dead and they want to remove the baby.

Oh I said maybe this is why Jesus Christ said that I should Pass by here today.

And I laid my hands on her and I Prayed that the baby will come back to Life.

Today, that baby is a Medical Doctor Abroad.

Jesus Christ is Passing by this Weekend - Whatever is Good in your Life that has been dead, will come back to Life (Amen).

5. When He arrives - Because as He is moving, the Earth has been bending this way and that way; there will be what we called Earthquakes.

In Acts 16: 25-34; the Bible says that Paul and Silas were in Prison and the Enemies thought that by the following day they are going to kill them. Then they began to Praise God like you Traditional Rulers had learnt to Praise God.

Suddenly, God arrived and there was an Earthquake.

You are going to Praise God, there is going to be an Earthquake and every Prison doors in your Kingdom will be forced open!

Oh, some People said that it is only in the Bible - That kind of thing doesn't happen anymore.

1979 in a Town called Tulsa in America - Myself, my father-in-the-Lord of Blessed Memory and four (4) others went to Tulsa for a Program and we stayed in an Hotel.

Early one Morning, while we were there, my father-in-the-Lord called all of us to his room and gave us a Bombshell - He said that he will soon go and that I will be Succeeding him.

We were all surprised of course - I was so shock that I just fell on the floor and everybody began to Pray seriously.

And suddenly, we heard a knock on the door and I was by the door. So I got up and open the door - Yes, can we help you?

He said: What kind of Instrument are you Playing? I said that we are not Playing any Instrument.

He said, no you are Playing an Instrument - I said that we are just Praying.

He came inside, looked around and there was no Instrument anywhere.

When he was going, he stopped by the door and said: What do you say that you are doing? I said that we are Praying.

I said why? He said because the Hotel is shaking and we have traced the source of the shaking to this room.

After we left, they closed down the Hotel - They dug round the Foundation to see if there is something wrong and they shut down the Hotel.

After 30 years, I was in Tulsa again with my children and I said let me show you the Hotel that shook when I was told that I will be the General Overseer - And I found out that it was still locked up.

And I was moved with Compassion - I went near and I laid my hands on the wall and ask God to Please help this People.

Six Months later, the Hotel was re-opened.

But the Point is - When we Pray the way you should Pray; God can Pay you a visit and shake the Ground!

Everything that must be shaken in your Kingdom will be shaken this Weekend - Amen!

DMC NOTES: Tulsa is the Second-Most-Populous City in the State of Oklahoma USA, after Oklahoma City, and the 48th Most-Populous City in the United States.

6. Then what happens if He should come in?

Whenever God arrives and He enters in into Somebody house; from that moment onwards, Failure will get out.

In Luke 5: 1-7; when He entered into the boat of Peter, the one who had toiled All-Night and caught not a Single fish, suddenly discovered that in the same River, he caught enough fishes to fill two (2) boats.

Don't let anybody tell you that there is no Wealth in your Kingdom.

All that God is waiting for is that He will be allowed to come in.

Once He comes in and He is given the right Position, Poverty will come to an end and Failure will become unknown.

You can ask yourself the Question - All the People who are Succeeding, are they born by Angels?

There are some of your children who are Abroad and they are doing very well there; but many of them are afraid to come home.

They could come in and Change your Kingdom but they are afraid of some Evil Forces.

But the moment that they know that the Light of God has come, that Jesus Christ is in and that they don't have to be afraid of anybody anymore; all of a sudden your Kingdom will begin to Prosper and they will begin to bring in their Wealth.

I'm Praying for Somebody here today or reading now on the Label of DMC - Those of your children that God can use to transform your Kingdom; in the Mighty Name of Jesus Christ, they

will become hungry for home - Amen!

7. And then, what happens when He comes in to stay and He begins to bear His Name Emmanuel

When God is abiding anywhere, Tragedy will come to an end.

In 1 Kings 17: 17-24; Elijah was staying with the Widow of Zarephath and death came calling to steal the son of the Widow.

But death was chased out and the baby came back to Life.

I want to assure you that if you let Jesus Christ abide in your Kingdom, Tragedy will become a Stranger.

About 3 years Plus ago, one of my children among the Men of God came to me and said: Sir, Please come to my Village because he said almost every 2 weeks, Somebody important in the Town must die. And so, anybody who is beginning to rise, they run far away from home.

I will be Passing by, and so I will come!

We went, we Prayed and decreed that whatever is causing death in that Town will be moved out of the way.

More than 3 years had Passed, not a Single Young Fellow had died.

Now it is not me but my God.

As you go from here; you will go with His Presence - Amen!

As you open the door for Him to come in and to stay in your Kingdom; Premature Death will become a Stranger to your Kingdom - Amen!

Allow Emmanuel not just to visit your Town but to stay.

Give Him Preference and allow Him to be in Charge.

As your son and your friend; I have a duty to tell you the Truth, the whole Truth and Nothing but the Truth.

TRUTH NO 1: That God loves you.

I. That He even brought the idea of a Special Convention for Traditional Rulers or Royal Fathers

shows that God loves you.

II. That you heard and you decided that I will go; it shows that God loves you.

Because you have enough excuse not to come.

But now, I heard that People are not here from Nigeria alone; People are here from other African Countries like Togo and Cameron.

And other Countries are already hearing about you and they are coming.

Remember that Jesus Christ said something - He said that Nobody can come to me except my Father draws him.

That God drew you and you did not refuse the drawing; it shows that God loves you!

TRUTH NO 2: When you invite Jesus Christ in, you need to understand that if He comes in; He takes over because His Name is above other names.

I. He will not share His Position with that of any idol.

II. If He wants to start to Perform Miracles, He wants you to know that it is He and not any idol.

Many atimes, when God Performs a Miracle; you will hear that other Sources has been Closed.

The woman with the Issue of Blood had tried every other means and failed before she then went to Jesus.

He does this so that He alone can have all the Glory.

So that when He has Performed His Own Miracle, Nobody will be able to share the Glory with Him.

When we came to this Land (Referring to Redemption City of God); he gave us 4½ Acres of Land to start with. And that 4½ Acres has become this City and we have never borrowed a kobo from anybody so that the Glory will be His Own alone.

There are many of my children working in Banks - Daddy, any amount you want, we will loan it to you.

I told them - The One who is in Charge here is the Jehovah El-Shaddai; the God who is More Than Enough.

Allow Him to be the All in All and He will be more than Sufficient for you - Amen!

8. Finally tonight, what happens when He decides to leave?

Because if you call Him in and He comes in and then you begin to show Him that you can't obey Him; He will leave.

He says in Revelation 3:20 - He said that: Behold I stand by the door and I knock; if any Man hears my Voice and opens the door to me, I will come in, I will dine with him and he will dine with me.

But if He keeps knocking and you don't open to Him, He will not stay there forever.

God is here with us tonight and He is knocking at the doors of our Hearts.

ALTAR CALL

If you have not Surrender your Life to Him, Please do so tonight because if He knocks and knocks and you don't open, He may decide to leave.

So, I'm going to give you 2 Minutes: Let all of us now our heads.

If you have not yet Surrender your Life to Him Completely and you want to do so; all I want you to do is to raise your hands where you are seated.

And ask Jesus Christ to come and take over your Life.

Tell Him to come into your own Life, let Him become your Lord and Saviour.

And He will answer your Prayers and He will come in and your Life will be different.

Go ahead and talk to Him!

And the rest of us, let us cry to Him that He will save our New Brothers and Sisters who has raised up their hands.

Ask Him to Please save their Souls today.

And then, I will Pray for your Salvation.

PRAYER FOR SALVATION

My Father and my God, I want to Thank You for Your Words and I Thank You for Your Wonderful Children that You have brought together today.

Please Lord, accept our Thanks in Jesus Name.

As for those of them who has lifted up their hands as a Sign of Surrender to You:

Please receive them, save their Souls, write their names in the Book of Life, let them become True Children of the Living God and for the rest of their lives, whenever they call on the Name of Jesus Christ, answer them by Fire.

Thank You Almighty God.

In Jesus Mighty Name we have Prayed - Amen!

I said earlier that the Name of Jesus Christ can open the door to Answered Prayers.

I don't know what are your Major Requests from God; you will go before God after I have Prayed for you and ask Him!

Shall we Please Stand!

FINAL CLOSING PRAYER

My Father and my God, I want to Thank You.

I want to Thank You once again for bringing this Your Wonderful Children together and Thank You for Loving them.

Please accept our Thanks in Jesus Mighty Name.

I commit all of them into Your Hands:

I have assured them that whatever we ask of You today, You are going to do it for us - Father, so let it be in Jesus Name.

They will be asking You for Big Things; but then You are the All Sufficient God, whatever they want Please do it for them in Jesus Name.

Whatever may be their Problems, this very Night solve the Problem in Jesus Name.

Some of them may not even know what to ask for now; but by the time they open their mouths,

fill their mouths in Jesus Name.

Even on their beds tonight, Please visit them.

By the time we meet on Saturday (Day 2); let them have a New Song to sing.

And if You return before tomorrow, don't leave any of us behind.

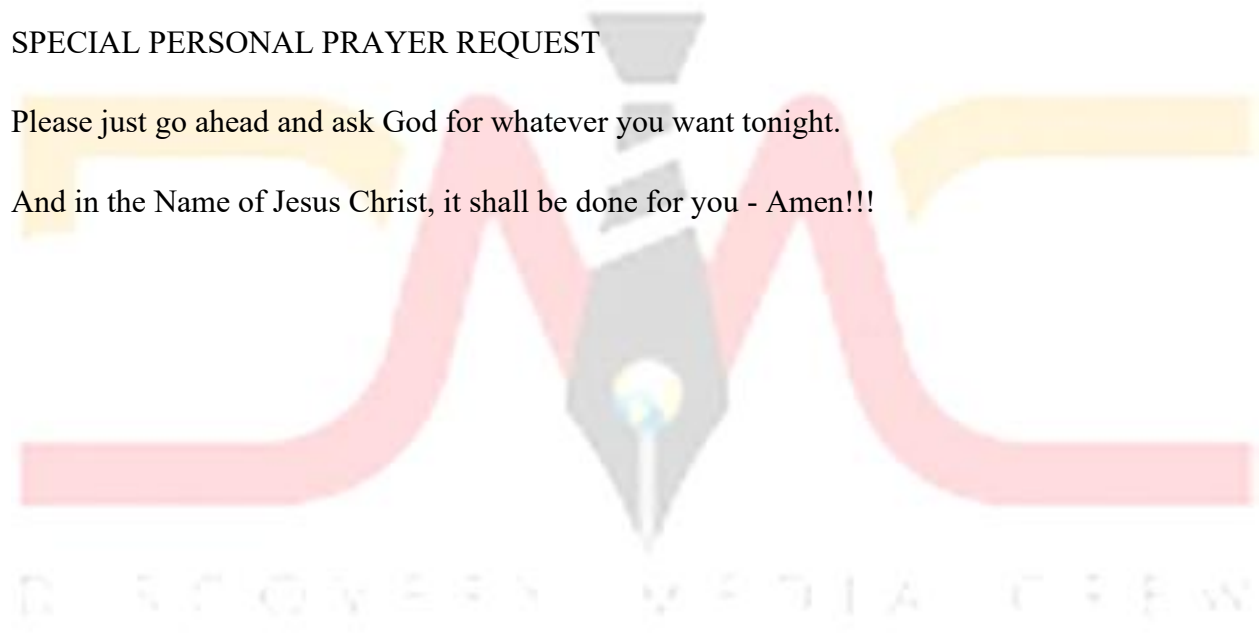

Thank You Almighty God.

In Jesus Mighty Name we have Prayed - Amen!

SPECIAL PERSONAL PRAYER REQUEST

Please just go ahead and ask God for whatever you want tonight.

And in the Name of Jesus Christ, it shall be done for you - Amen!!!

THE RCCG ROYAL FATHERS' CONVENTION 2024

THEME: THE NAME ABOVE OTHER NAMES

MINISTERING (DAY 2): PASTOR E.A ADEBOYE

DATE: 23RD NOVEMBER 2024

BIBLE TEXT: PHILIPPIANS 2: 9-11

SONG

I have a Father
Almighty Father
He is King of kings and Lord of lords
I have a Father.

OPENING PRAYER

King of kings and Lord of lords, the All Sufficient God, the One who lives Forever - We Your Children are saying: Good Morning to You today!

Thank You for Your Goodness, Thank You for Your Mercy, Thank You for all the Blessings that we have received and Thank You for what You will yet do before we leave - Please, accept our Thanks in Jesus Name.

This Morning Lord, we Pray that You will send Your Words to us and Your Words will bring Healings to us and bring us Deliverance.

And at the end of everything Lord, let Your Name be Glorified.

In Jesus Mighty Name we have Prayed - Amen!

Well, let Someone shout Hallelujah - Hallelujah!

I want you to shake hands with your Neighbours right and left and Prophecy to them: I will see you here Next Year (2025).

Then you may Please be seated.

I want to Thank the Almighty God for bringing us together again this Year (2024) - Like I said on Friday Day 1, it is a Sure Sign that God loves us.

The Meetijg for this Year (2024) would not have hold but for the Love of God for us because there were Developments far away from home that could have led to the cancellation of this Meeting. But the Lord said that rather than cancelling the Event, Postpone it.

That is why you have a Change in the date because God loves you and He wants you to be Blessed.

I want to use this opportunity to say Thank You to those of you who had Voluntarily Contributed towards this Convention - Those who sent bags of rice, those who sent cows without anybody asking you.

Thank You very much!

I can assure you that God will Reward you a Hundredfold - Amen!

Philippians 2: 9-11:

9. Wherefore God also hath highly exalted him, and given him a name which is above every name:

10. That at the name of Jesus every knee should bow, of things in Heaven, and things in Earth, and things under the Earth;

11. And that every tongue should confess that Jesus Christ is Lord, to the Glory of God the Father.

Everything that has a name must bow to the Name of Jesus and every knees must bow to the Name of Jesus!

1. Sickness must bow to the Name of Jesus.

Sickness is a name - The worst one Probably is what they call Cancer.

But Cancer is a name and there is Someone who has a Name above all names - And His Name is Jesus!

And He is the One who is a Great Physician.

In Exodus 15:26; He says that I am the Lord that healeth thee.

And He made a Promise that if you will just obey me, I can see to it that you never falls sick again.

There are Rulers among us here that I thought that they will seize the opportunity to Testify that: Humanly Speaking should not be alive today. But we cried to Jesus and He swallowed their Sickness and they are here today rejoicing.

And I want to decree in the Name of the One who called me - If you came here with any form of Sickness; you won't go back with it - Amen!

I want to even go further and say: Because you came, for the rest of your Life you will know no Sickness - Amen!

Somebody says that if you don't fall sick, how are you going to die?

After you have lived your Life according to how God desired - Because we know that it is Appointed unto Man to once die (DMC NOTES: Hebrews 9:27). When it is time for you to go, you will not go through Sickness.

You will be Healthy, and you will be Strong.

You will wake up in the Morning, bless your children, eat your favourite food and then go.

None of you will suffer before you die - Amen.

Why? Because the name of any Sickness must bow to the Name of Jesus.

Please I want you to believe God with me that Sickness will become a Stranger to your Palace - Amen!

2. Demons must bow to the Name of Jesus.

Because according to Psalms 24: 7-10; the One who is called Jesus is also called the Lord of Hosts - He is the Lord of all Hosts.

☆ There are Hosts in Heaven - We call them Angels.

☆ There are Hosts on Earth

We have the People that we call the Military.

The Redeemed Christian Church of God (RCCG) by the Grace of God is Practically in every Nations of the world.

And I have visited a Nation - A very small Island, Probably the only you can say has no Army.

They have what they call the Police - Twenty five (25) Big Policemen and they have the Inspector General of Police (IGP) among the twenty five (25).

Their Prisoners goes home every Weekend and come back on Mondays.

But they have their own Host - They call them Police.

☆ And then of course we have Hosts underneath the Earth - Demons, Marine Spirits, Witches and Wizards. Their own Captain is the Devil.

But even Demons they are called by a name and so they must bow to the Name of Jesus.

When you read the Book of Job Chapters 1 and 2; you will discovered that before Satan could touch Job, he asked for Permission from God.

And when God gave him Permission, He told him that thus far you can go as you can't go beyond this Limit.

And so, some People think that God can give Evil Forces Permission to attack a Christian but that is not true - Job was a Servant but we are Children. You don't Perform Experiments with your children.

When I was living in Mushin (A City in Lagos State Nigeria) several years ago and several Hoodlums were living around at that time and Police were not coming to anybody rescue; those of us in the Compound decided to have what we called Vigilante.

And so, we asked every family to nominate Somebody so that they will be going around at Night to Protect everybody.

I noticed one thing - People nominated are Servants. Some are Drivers, Messengers etc; nobody nominated his child.

DMC NOTES: Vigilante is a Member of a Self-Appointed Group of Citizens who undertake Law Enforcement in their Community without Legal Authority, typically because the Legal Agencies are thought to be inadequate. The word comes in the mid 19th Century from Spanish, and means literally 'Vigilant'.

The Almighty God is not going to nominate you for Satan to deal with.

All demons no matter how many they are, they must bow to the Name of Jesus!

There was a Man in Mark 5: 2-20 - He had what the Bible called a Legion of demons.

But when that Man saw Jesus Christ coming; with all the demons in him, he fell at His feet and Worshipped Jesus Christ.

Why? Because even the demons recognise that the One coming is the Lord of Hosts.

I decree today that by the time you get home; all the demons tormenting your Kingdom they will bow to Jesus Christ - Amen!

There was a Town - It is the Capital City of a State in Nigeria and in this Capital City, there was no Pipe Borne water.

When I went there, they housed me in Government House Quarters and they had to bring out water from a Well for me to bath.

How can this be?

But as I was driving to the Crusade Ground, I saw a huge tree in the center of the Town and they had to bend the road round the tree by both right and left.

I said what is happening? Why is a tree allowed to stay here and divert the road?

Ha, that is the Representative of the idols in the Town and I said: Oh, I can now understand why things are so bad.

And I told them - If my God is still on the Throne, that tree will not be there by tomorrow.

You know the kind of Statement that you will make and your children will say "Amen" - They say Amen as if to say: Daddy, you must be joking.

We finished the Crusade, we got back home and then a Storm began. By the following Morning, that tree was lying flat on the Ground.

I decree to you today - Because you have come to honour God; any Evil Tree in your Kingdom will not be Standing by tomorrow - Amen!

3. Every Storm must bow to the Name of Jesus!

Because the One who is called Jesus is also the One called the Prince of Peace.

Isaiah 9:6 tells us that His Name shall be called the Prince of Peace.

And He said in John 14:27 - He said: My Peace I give unto you, not as the one that the world will give. But I am giving you my Peace.

Anything called Storm, Trouble, Crises of any type - Whether it is of Human Nature; because I understand that in some Kingdoms now your People are afraid to farm because if they Plant, some People will wait till it is Harvest Time and then bring their animals to come and eat up the Harvest.

As God lives - Mark my words; in your Kingdom, that is over now (Amen).

When you Plant, you will Harvest and you will enjoy your Harvest - Amen.

In Mark 4: 35-41; the Bible tells us that when Jesus Christ was Sleeping in a boat, there was a Storm and it looks as if the boat is going to sink.

And they woke up Jesus Christ and He spoke a Word: "Peace be Still" and there was Peace immediately.

There is one thing about the Word of God - If it is God who spoke it; it is Settled.

When a Child of God speaks it according to the Word of God, it will have the same effect.

Like I taught my Senior Pastors years ago - If a goat wants to eat your food and the Elder Man there says: "Kai", the goat will run.

Even if a Young Fellow in the house says: "Kai", the goat must move.

I am a Representative of the Most High God and today I decree that in all your Kingdoms, there will be Peace - Because at the Name of Jesus, every knees must bow.

... He has a Name that is above every other names.

Psalms 91:1 says that: He that dwells in the Secret Place of the Most High, shall abide under the Shadow of the Almighty.

1. That tells you that there is Somebody called "The Most High".

You can't be higher than the One who says that Heaven is my Throne.

We are all Great Traditional Rulers - We have High Thrones; but there is no Throne that is higher than the Heaven.

The Bible tells us in Ecclesiastes 5:8 that there is Someone Higher than the highest.

And when we talk about how high your Throne is, then we are talking about the area of your

Influence.

It is how big your Kingdom is that determines how high you are rated!

The One that we are talking about - The Most High, His Influence is over the Heavens, over the Earth and even Underneath the Earth.

As Powerful as the President of America is, he cannot decree a Curfew for Nigeria - If he says that Nobody should get out of their homes in Nigeria after 7pm; we will just laugh at him because his Kingdom is America.

But there is this King - Who told me and I told my children in a Particular Year (DMC NOTES: Year 2020); that the whole world will be on Compulsory Holiday.

I told those of you who are close to me because it is a dangerous thing to announce such Publicly.

And Nobody knew how it will happen until Coronavirus came and then we found out that all over the world, everybody has to stay at home.

The beauty of it is that if you allow Him to take over your Life, this King that is so High that He is above every other Kings will be your Father and you can boast based on the fact that He is your Father.

I'm sure that you know that no matter how small a Child of a President can be; if they are taking him to School, they can clear the road for him - He is not the one that they are respecting but his father.

The Most High is your Father and so when you are going anywhere, the Special Patrol of the Almighty God will be clearing the way for you.

So, it doesn't matter how much evil might be in the Nation, none shall come near you in Jesus Name - Amen!

You Probably heard the Story of the four (4) boys in Aso Rock - And they were Playing and they began to talk about their fathers.

One said that my father is Greater than all your fathers. And they said why? And he said that my father is the President.

The second one said that my father is Greater than your father. And the first one said how come? He said that my father is your father's Physician; if he ask your father to stay in bed for one week, your father must obey. And the one who Commands the Commander-In-Chief actually is

the Cimmander-In-Chief.

The third one says that my father is Greater than your fathers. And they said how come? He said because my father is the Herbalist here and he can kill your fathers without firing a gun.

The fourth one said that my father is the Greatest of all - And he was the son of the Messenger in the Place.

So they all looked at him and said: You! Everybody is talking of their father being Great and you are talking.

He said that you don't understand - He said that my Father cannot only kill but He can also make alive.

And they said: Who is your father then?

He said that my father is Jesus - He can kill and He can make alive.

Once Jesus Christ becomes your father, you begin to enjoy the benefits of the Name that is above every other names!

Now he that dwelleth in the Secret Place of the Most High

2. This One called "The Most High", whose Name is Jesus has a Secret Place.

In Psalm 27:5; the Bible says that in the Day of Trouble, He will hide me in His Secret Pavilion.

If the Almighty God - The Most High notices that there is trouble coming your way; He has a Place where He hides His Own.

The Bible says in Proverbs 18:10 - He said that the Name of the Lord is a Strong Tower, the Righteous runs into it and he is safe.

Whenever you find yourself facing danger, remember to call the Name of Jesus.

Occasionally you find yourself face to face with a Problem that may come suddenly and unexpectedly; all you need to do is to shout the Name of Jesus.

You have heard me share this before:

I was travelling from Lagos to Ilorin (Capital City of Kwara State Nigeria) several years ago.

Between Ogbomosho (A Town in Oyo State Nigeria) and Ilorin in those days, there was a

Narrow Bridge that they will give you Notice ahead - Narrow Bridge Ahead, Slow down.

So, if you get there and there is another Vehicle coming from the other side, you Park because two Vehicles cannot pass that together.

And we are driving - My Driver and I, going to Ilorin.

We are already on the Bridge and then a Trailer was coming from the North - Whether he didn't see us or his brake failed, we never found out but he was coming straight and we are going to meet at the Middle of the Bridge.

And we had to choose - Do we want to die by Head-On Collision or swap into the River? And the River is very deep.

There was no time to Pray but there was enough time to shout one name - I shouted and my Driver shouted.

We met the Trailer at the Middle of the Bridge and one way or the other, we Passed.

When we got to the other side of the Bridge, my Driver Parked because he was shaking like Banana Leaf - Fortunately, he didn't look back because I was shaking more than himself.

Finally, by the time he was Composed enough to ask me a Question, he said: Daddy what happened?

I said that God enlarged the Bridge and the boy kept on saying Wonderful until we get to Ilorin - And I kept on telling him that is one of His Names.

Is any of us expecting a Wonder - At least before the New Year, let me hear you shout Jesus - Jesus!

So he that dwelleth in the Secret Place of the Most High, shall abide under the Shadow of the Almighty.

3. It tells us that there is Someone called "The Almighty".

In Psalms 62:11; it is written: God has Spoken once, twice have I heard this, that Power belongs to God.

The Powers that calls themselves Powers on Earth, they don't really know the meaning of Power - The "Real Power" belongs to God.

I. That is why if any Group of People gathered themselves together and they try to tell you that

they are the Powers in your Kingdom; just laugh at them - Power belongs to God!

II. If anyone says that unless you Submit to us that is when you can continue to reign; let them know that - Power belongs to God!

III. Anyone who is threatening you Particularly because you choose to serve Jesus and Jesus alone; tell them that - Power belongs to God.

Don't let anybody harass you - Get committed to Jesus Christ and He will Protect you from any other Person Pretending to be Powerful.

In a Town not too far from here, one of the Kabiyesi (Referring to King) became Born Again and he said that from now on, in my Kingdom; as long as I am King, no more Idol Worshipping.

And the People there laughed - We have been Worshipping these Idols even before your father was born.

Then they held a Meeting - Oh, he is going to a "Little Church" called The Redeemed Christian Church of God (RCCG); let's go and deal with that Church.

So they harmed one of their Representatives - And he came to the Church on Sunday and he entered the Church.

As he entered the Church, he fell down - He got up; what nonsense is this? And he began to chant his Incantations.

He took another step towards the Altar and he also fell.

He stood up, take another step for the third time and fell down again

When he got up this time around, he ran out of the Church.

Any Evil Force that may say that they want to come and attack you because you have Surrendered one hundred Percent to Jesus. Because Jesus has a Name that is above every other names; such Evil Forces will bow - Amen!

It might interest you to know that the Pastor of that Church that they said will die within seven (7) days is still alive after 40 years because Power belongs to God!

And then they said that: He that dwelleth in the Secret Place of the Most High, shall abide under the Shadow of the Almighty.

4. The One who is called the Almighty has a Shadow.

In Psalms 17: 8-9; when David was Praying, he said to God: I want You to keep me like the Apple of Your Eyes, hide me under the Shadow of Your Wings.

... He has a Shadow that He can hide you under.

Some of you Probably heard the Story of three (3) fishes - They were living in an Ocean and there was a Shark there and a Baby Shark. And they (Shark) love to eat fishes and they were terrorising the surroundings.

And then, the three (3) fishes held a Prayer Meeting and they invited the Lord to come and visit them.

And when the Lord came, He said: Yes, what do you want?

The first one says that we have these Sharks troubling us; I want You to turn all my scales to eyes so that I can see all around me and that when the Sharks coming, I can see them before they get to me and so I will be able to escape. And the Lord said okay.

The next one: What do you want? It said that I want a Pair of Wings so that when the Shark is troubling everybody, I want to fly out of the Ocean.

The third one says: Lord, all I want is that wherever I go, You will go with me.

So the Lord left and told them that all your Requests are granted.

Immediately, the fish that wanted eyes all over his body suddenly discovered eyes all over.

And very soon, the Shark said that this fish is beautiful - Eyes everywhere and so they began to Pursue it.

And the fish said: I have seen you and swam towards the Beach. And because it has many eyes, he saw a little Pool of water on the sand away from the sea, make one big jump and landed in that Pool of water.

And began to laugh at the Shark - Come and get me here if you can.

But then the Sun rose and little by little, the Pool of water dried up and the fish with many eyes died.

When the Shark found out that they have lost the fish with many eyes, they began to look for others and then they saw one with Wings.

And that one says: I have a way of escape and he flew out of the Ocean and began to laugh.

But soon, an Eagle was flying Pass and saw a fish flying - And said: Oh God, You know that I like to eat fish only that I can't swim. And now You have brought one to me in the Sky.

And the Eagle ate the fish with Wings.

And then the baby Shark said to the mother Shark - Ha, there is a third fish here; it is not even afraid of us. Let us go and eat this one.

And the mother Shark said to the baby Shark: Are you blind? Can't you see that wherever that fish is going; there is a Shadow of a Man following it - You try to touch that fish, the owner of that Shadow will kill you.

The Bible says that the Lord is your Shade on your Right Hand.

I am decreeing today that as you go from here; for the rest of your Life, the One with the Name above all names will go with you - Amen

David said: Yea though I walk through the Valley of the Shadow of Death, I will fear no evil for thou art with me.

As long as the Lord Jesus Christ is with you, wherever you go, and whatever you do throughout your Kingdom; you don't need to fear anymore because the Lord is with you - Amen!

My God will take care of you and I will only hear Good News concerning you - Amen.

Now, I want to Close:

He says that He that dwells in the Secret Place of the Most High is the One who will abide under the Shadow of the Almighty.

I. He that dwells and not the one that comes in and out.

II. He that stays Personally in the Secret Place of the Most High and not Someone who Worships only on Sundays

III. Someone who is so Close to Jesus Christ and who is so Full of Jesus Christ that if anything comes near at all, what will come out of his mouth is Jesus.

You all know very well that if you are carrying a cup, you know that if Somebody should bump into you accidentally; what will come out of the cup is what is inside the cup.

What is in you is what will come out of your mouth if there is any sudden appearance of the Enemies.

Anybody can Pretend - It is in the time of Trial that we will know what is inside of us.

Some People had an Accident on the Expressway - One of them is Someone who dresses like an Apostle.

They took all of them to the Hospital and they had to give them Injections because they had been bleeding.

When the Needle entered into the Man who was looking like an Apostle, he shouted.

And what he shouted was "Shopona" - Meaning the Idol of Small Pox.

On the outside he looks like a Child of God; but a Needle entered into him and what was inside came out.

When we met that Trailer on the Narrow Bridge, what was in me was what I shouted out and what was in my Driver was what he shouted out.

Today take Note - We might be able to Pretend to Men but we can't Pretend to God!

David said one thing in Psalm 23:6 - He said: Surely, Goodness and Mercy shall follow me.

For how long? All the days of my Life

But he also made a Promise - And I will dwell in the House of the Lord Forever

DADDY GO DECREES

I commit you into the Hands of the Almighty God, wherever you go; His Presence will go with you.

Whenever the Enemies try anything; as you shout Jesus, all knees will bow.

As the Lord lives, before whom I Stand; I will see you Next Year (2025).

You will be Healthy, you will be Richer and you will be Closer to God.

And anytime I hear concerning any of you; it will be Good News.

And you too shall dwell in the House of the Lord.

Amen!

Now, I'm about to do what the Holy Spirit advised me to do:

He asked us to form "One Continuous Cycle":

And all what I want you to do is to begin to Praise God in your own Mother Tongue Language.

I am also coming down to join the Cycle and then the Power of God is going to flow across this Place!

Thank You Father. In Jesus Mighty Name we have Prayed - Amen.

The Most High will Promote you.

The Almighty will defend you.
