BIBLE TEXT: MARK 10: 46-52

Well, let Somebody shout Hallelujah - Hallelujah!

Now the English has a word for something that is small and beautiful - They call it cute.

This is Cute!

You can Please be seated.

I told those People that we have visited earlier that Majority of the Miracles that God Performed; He Performed them when He was Passing by.

We are Passing by Today and the Almighty God said that we should visit you here.

You know that Jesus Christ was Passing by when Bartimeaus heard (DMC NOTES: Mark 10: 46-52).

And he had an idea that on this Day that Jesus Christ was Passing by, my Darkness will be over.

And on that Day as the Lord Jesus Christ was Passing by:

1. All the Sorrows that Bartimeaus had ever known came to an end.
2. His Poverty came to an end - You know that he never begged again.
3. And for the rest of his Life, there was no Record of any other form(s) of Sickness.
4. Even his Enemies became his Servants.

I have a feeling that God is Passing by and He is visiting Somebody here Today - Amen!

And I believed that Darkness will leave you alone - Amen!

I believed that you will never Lack again - Amen!

I believed that your Enemies will become your Servants - Amen!

And for the rest of your Life, you will not know Sorrow again - Amen!

And so, I am going to give you two (2) Minutes to cry unto God.

TOPIC: SPECIAL GREETINGS

DATE: 14TH SEPTEMBER 2025

Hallelujah - Amen!

Help me tell your Neighbor to your Right and to your Left in case he/she doesn't understand:  
"Today is a Good Day for me!"

Kindly be seated.

We are so happy to be with you this Morning and I'm sure that you are happy to see us.

It is a Good Day indeed and it shall continue to be Good for us till the end of our days - Amen!

We Thank God for the Choir - One of my Favorite Song is what they have sang this Morning.  
And that is what I want to tell you.

The wording of the Song is as below:

IT PAYS TO SERVE JESUS

1 It pays to serve Jesus, I speak from my Heart;  
He'll always be with us, if we do our part;  
There's naught in this wide world can Pleasure afford,  
There's Peace and contentment in serving the Lord.

Refrain:

I love Him far better than in days of yore,  
I'll serve Him more truly than ever before;  
I'll do as He bids me, whatever the cost,  
I'll be a true soldier — I'll die at my post.

2 And oft when I'm tempted to turn from the track,  
I think of my Savior — my mind wanders back  
To the place where they nailed Him on Calvary's tree—  
I hear a voice saying, I suffered for thee.

[Refrain]

3 There's a place that remembrance still brings back to me,  
'Twas there I found pardon — 'twas Heaven to me;  
There Jesus spoke sweetly to my weary soul,  
My sins were forgiven, He made my heart whole.

[Refrain]

4 How rich is the blessing the world cannot give,  
I'm satisfied fully for Jesus to live;  
Tho' friends may forsake me, and trials arise,  
I'm trusting in Jesus, His love never dies.

[Refrain]

I am sure that you got the Message - It pays to serve the Lord. Anything outside God is Satan.

You will never serve the Devil - Amen!

The Devil has Nothing to offer you than Sorrow, Disappointment and all kinds of Evil.

But when you serve God, you are on the Top!

So this Morning, I believed that our father-in-the-Lord is in the House to let you know how Good, how Pleasant, how Favorable, how Successful and how Progressive is it to serve God.

My Prayer is that God will give you the Grace to serve Him - Amen!

Not Temporarily but till the very End in Jesus Mighty Name - Amen!

God Bless You all!!!

Let Somebody shout Hallelujah - Hallelujah!

If you believe that the Almighty God sent His Servant all the way from Africa because of you, then let me hear you shout Hallelujah - Hallelujah!

SONG

We give You all the Glory  
We give You Honour  
We give You all the Glory  
We give You Honour.

OPENING PRAYER

The Almighty God, the Ancient of Days, the Owner of Heaven, the Owner of the Earth and the Owner of Newcastle - We Worship You.

Please accept our Thanks in Jesus Name.

Thank You for visiting us Today.

And Father Please, everything that You can do to make sure that the Joy of Your Children will be Full; do it Today.

Father, we don't know when I will be here again - The Last Time that I was here was ten (10) Years ago.

So this Time around Father, every Problems in the lives of these Your Children, Solve it Today.

In such a manner that they will never know Sorrow again - Solve their Problems Today.

Do something for them that will Last forever.

Glorify Your Name Lord!

In Jesus Mighty Name we have Prayed - Amen!

Shake Hands with one (1) or two (2) People and say: "Good Day, God bless you".

And then, you may Please be seated.

Exodus 3:7-8:

7. And the LORD said, I have surely seen the affliction of my People which are in Egypt, and have heard their cry by reason of their Taskmasters; for I know their sorrows;

8. And I am come down to deliver them out of the hand of the Egyptians, and to bring them up out of that Land unto a Good Land and a large, unto a Land flowing with Milk and Honey; unto the Place of the Canaanites, and the Hittites, and the Amorites, and the Perizzites, and the Hivites, and the Jebusites.

So in the lives of everyone of you here Today Inclusive those reading now on the Label of DMC: There will be Light - Amen!

And when God Pays you a visit like He is doing right now; it is because:

1. As He said to Moses: "He has SEEN".

Seen what?

☆ He has seen your Problems.

☆ He has seen your Struggles.

☆ He has seen the areas in which you need Help.

And whenever God sees a Man or Woman or Child; that Fellow will not remain the same again!

So, God has come to Town because He has seen Somebody!

There are several Places that I could be this Morning and I will be doing the works of God.

But God has seen Someone in this Particular area:

☆ Someone whose Problems can no longer continue.

☆ Someone whose Miracles can no longer wait.

In John 5: 2-9; the Bible spoke of a Man among the Multitude of People who has been sick for thirty eight (38) years.

The Bible says that when Jesus Christ visited the Place, He saw.

To see means that He is not just looking at the People with Ordinary Eyes; He has seen this Fellow Specifically.

You know - When you come to me and say: "Daddy, I want to see you?"

Anybody can say: But he is the One that you are looking at.

But I want to see you means that "I need Special Attention".

In the Name that is above every other name: God will see Somebody here Today or among those reading now on the Label of DMC - Amen!

Because He saw that Man:

☆ That Man was never sick again.

☆ The Problem that Man has been carrying for thirty eight (38) Years ended the same Day.

I'm rejoicing with Someone - You won't forget Today (Amen).

... So when God comes to visit, it is because He has seen.

2. He said to Moses: I have SEEN and I have also HEARD.

You know that it is one thing to Pray, it is another thing for God to hear.

The day God hears your Prayers, that is the day you will know truly that God is alive!

Because like I tell People again and again - If He doesn't hear you, how can He answer?

Oh, we know that God is still alive and He hears Prayers - That is true.

But do you know how many People are Praying right now?

But He can Single Somebody out and say: Now, I want to hear this one.

You know very well in Mark 10: 46-52 - There was a Multitude following Jesus Christ and then there was one Man called Bartimeaus who was crying to Him saying: Have Mercy on me.

And when there is a crowd, there is bound to be Noise.

Not only was this Man a Lonely Fellow, the People around him did not even want Jesus Christ to hear him - They told him to shut up and that why are you disturbing a Great Prophet of God?

But do you know that God still heard him - One voice among the crowd?

Particularly one voice that the crowd wanted to Silence.

I rejoice with you because God will hear you Today - Amen!

Oh, when it is time for you to Pray and you begin to roar - Today, you are going to Pray like Bartimeaus Prayed and as you have never Prayed before.

There will be People around you that will say: Take it easy now.

You will tell them: You take it easy but leave me alone - I want to get my Miracles.

I have always said that God is not deaf but occasionally, you have to Pray not like a Lady or Gentleman.

Well, I know that you are in the United. But we that are in Africa, when it is time to Pray then we Pray seriously - You don't like it, then you relocate.

I have said it before that suppose there are three (3) very important People involved in a Motor Accident and then they took them to a Hospital and in that occasion, there is only one Doctor on Duty.

And the first one says: I am a Chief, when he (Doctor) sees me; he will know that I require attention. And so, there is no need to say anything - Just murmur that Doctor, I need Help.

And the Second is a Professor - He speaks Phonetically that I need Help.

And the Third fellow says that Today is not the day to joke - I am in trouble and I need Help.

He raised his voice and said: "I need Help".

Who is going to get the first attention?

Do I hear Somebody shout: " God Help me!"

He will hear you Today - Amen!

3. The Third thing that God said is: 'I REMEMBERED".

May God remember you - Amen!

Many of us have been Praying and doing His Will for Years - Like I said that I was here ten (10) Years ago.

But all of a sudden God just say that it is time to visit these People again.

Suddenly, He remembered that I have some Children in a Particular Part of this Country - Let's go there.

When God remembers, everything you have been asking Him for, He does it in one day.

And you know the Story very well - Genesis 30: 22-23: The Bible says that God remembered Rachel and opened her Womb.

All what needs to be done is to remember.

If you read Genesis 18: 1-14; the Almighty God has been Promising Abraham that I will bless you and you are going to be the father of Nations.

And the Man kept on getting Older.

At the beginning of every Year when they are saying Happy New Year, he will think maybe this is the Year, until he becomes one hundred (100) Years Old.

But suddenly, God remembered that I Promised Abraham something - Let me go and do it for him.

There are many of us here:

☆ We have received Words of Knowledge and Words of Prophesies; that we knew that without any doubt, this is for me and yet Nothing had happened.

☆ Many of us jump for Joy at the beginning of this Year when God said that this is going to be a

Remarkable Year.

How many of you remembered that there are things that He said that had come to Pass so that the Man of God who spoke wasn't lying?

God spoke at the beginning of this Year (2025) that:

- ☆ There will be flood like we have never seen before.
- ☆ He said that there will be Fire like we have never seen it burning before.
- ☆ It is the same God who said that this Year (2025) will be Remarkable.

But this is September and there are some of us who hasn't seen anything Remarkable yet?

But your Day has come - Amen.

Because God is going to remember Someone and remember His Promises and Prophesies!

DMC NOTES: CONSOLIDATED PROPHECIES FOR YEAR 2025 BY PASTOR E.A ADEBOYE

... As Transcribed by Discovery Media Crew (DMC).

You may want to write down some of these words from the Lord as touching Year 2025:

#### GENERAL

1. Daddy says that the Year 2025 will be a "LANDMARK YEAR" - A Year Nobody will ever forget.
2. Daddy says that the Day that Someone has been Waiting for will arrive this Year (2025).
3. Daddy says that the Wind that Started Blowing Last Year (2024) will continue to blow this Year (2025) Stronger.

The Implications of this are many and they are as follows:

- I. Greater Secrets will be Exposed.
- II. It also means that Things will begin to Cool down Particularly after the 100-Days Fasting that we (RCCG Members) will be doing this Year (2025).

It will cool down because the first 30-Days is going to be Prayer for our Nation.

Some of the Prayers will have some Elements of Violence - Those who are determined to ruin this Nation will be rooted out.

III. There will be some Liftings.

When an Aeroplane wants to take Off, it waits till the wind reaches a certain Level before going up.

IV. It also means that some Remarkable Promotions will take Place.

4. Daddy says that some Earthly Helpers will be replaced by some Heavenly ones this Year (2025).

5. Daddy says that Mockers will be Louder and more Aggressive but unfortunately many of them will not survive the Year (2025).

The word "Unfortunately" means that God doesn't want the Death of Sinners but He wants them to repeat.

6. Daddy says that some Towns and Villages will Shout: "Victory At Last".

## INTERNATIONAL SCENES

NOTE: Whatever is true for the International Scenes, Nigeria will pick their own from it.

1. The Lord asked us to Pray against Increase in Violent Storms, Floods and Fire Outbreaks that will make Previous ones looks like a Child's Play.

2. We are to Pray against New Wars - That New Wars will not Start.

And that the Old Wars will not get out of Control.

So that we don't have another World War.

This is a Serious Prayer because if there is World War, it will affect you.

## THE REDEEMED CHRISTIAN CHURCH OF GOD (RCCG)

1. God has assured me that: Very, very difficult Prayer Requests will be Answered by Fire.

2. God said that this Year (2025): Total Loyalty will be Rewarded by Landmark Miracles.
3. God said that this Year (2025) there will be Landmark Promotions - Both Physical and Spiritual.
4. God says that as you take your eyes off Material Things and you begin to Pursue Spiritual Gifts; He said that He will erode you with Power.
5. God said that Conspiracy against you will be exposed before they can be Executed.
6. He said in His Church, anything called Family Curses will never be heard of again.

There might be one (1) or two (2) things that I can't tell you now. But as we go along the course of the Year (2025); when the Fulfilment is near, He will release me to tell you.

Please don't forget that in your Prayers, you should put the three (3) Sections that I told you into consideration:

- I. Praise God.
- II. Ask God to give you what you need to Serve Him.
- III. Before you now add your Personal Prayer Points.

4. And God said to Moses: "It is Time for me to Act".

Oh, I like that - I have seen you, I have seen all your Problems and I have seen those who are Tormenting you.

And many of us are not where we ought to be because there are Enemies:

- ☆ Some from the father's side.
- ☆ Some from the mother's side.
- ☆ Some from the husband's side.
- ☆ Some from the wife's side.
- ☆ And some from the Place of work.

Then He said that: I have seen, I have heard, I have remembered and now, I have come to set them free.

In the Name of the One who sent me: The Day for God to act on your behalf has come at Last - Amen!

The Bible says in Psalm 68: 1-3 - It says: Let God arise and His Enemies will be Scattered.

As God lives, beginning from now, all the Enemies that has been disturbing you will be Scattered - Amen!

When the Time to act comes; all of a sudden, you will discovered that you will look for the Enemies and you can't see them anymore!

Everything that you have found so difficult, suddenly will become easy.

5. Many atimes, when God wants to show that He is around - Because He is Invisible; He sends Someone that you can see.

Because after He spoke to Moses - I have seen, I have heard, I remembered and I am about to act now, then He turned to Moses and said: Alright Moses, you are the one that I am going to send.

Moses must have said to God - You are the Only One who can do this thing and who am I?

And He (God) said: Whether you believed it or not; you are the one who will do this job for me.

The Young Man who Introduced me (DMC NOTES: Pastor Sola Oludoyi - PIC RCCG Living Seed Church Camp David Newcastle UK).

When God called me into Full Time Ministry; it wasn't an easy Choice and Decision.

Because I started Life very, very rough - You have heard me tell you the Story before.

For the first eighteen (18) Years of my Life, I had no Pair Shoes - I grew from the family that is Poverty Magnified.

Then I Struggled and in one way or the other; I ended up becoming the Head of Department (HOD) of Mathematics in a University.

This should tell you that this boy has come a long way.

Because as a Lecturer, no matter how Poorly Paid you think that they are:

☆ They have food to eat.

☆ They have house Provided for them by the University.

☆ They have car - They may get it on Loan but at least they have a car.

Then all of a sudden, God now said: Leave all that and come and become the General Overseer of a Church that:

☆ At that time, the whole Church put together is less than your Church Congregation.

☆ The Church that her entire Income in one Month is less than my Salary as a Lecturer.

Which means that you that said bye bye to Poverty; you are now going round in circles.

So you can't blame me when I asked God - Okay, where do we go from here? You have to Promise me something now!

And He said: Son, all that I can Promise you is this: Wherever you go, I will go with you.

That wasn't a Big Promise to Somebody who is not sure of where the next Meal will come from.

But by His Grace; I am here Today and He is here with me.

When God wants to solve all your Problems - When He wants to show you that He has seen you and all your Problems; He has heard your Prayers, He has Remembered you and He is about to act; then He will send His Prophet.

He will send Somebody who is going to announce it to you.

That is why when your Oga here said: Daddy, if we can find Grace with God, can we go to Newcastle when you come next?

I said Yes before I thought about it.

I said Yes before I remembered that I have told your Oga - When I come and you want to know where I will go and Worship on Sunday; look for a Place that is not more than one (1) Hour Drive.

But I have already said: Yes sir before I said how far?

Because God is determined to Solve the Problem of Someone Today; He didn't give me room to think - Four (4) Hours at least by road?

Even though the road is not exactly like that of Nigeria, but four (4) Hours at my Age?

But I have already said Yes before I ask: How Long?

That should give you Assurance beyond all doubts that this is a very Special Day for you.

It is now up to you now to believe Him.

If you think that Daddy is just sweet-talking us; no Problem.

But if you believe - You mean God remembers me?

I will tell you a Story:

I was visiting one of our small, small Churches and I got to one.

As I was leaving, I looked at the crowd and there was this small girl weeping.

Ha, why is this small girl weeping? So I said that they should go and bring her.

She came to me and I said: Why are you weeping?

She said that I am so glad - I never thought that you could visit us.

So I gave her a hug and Prayed for her.

Do you know that there is Somebody here Today: After the Service, the kind of Joy that will make you cry; is going to happen to you - Amen!

On my way here; we branched at one Town Yesterday.

When they say that the Pastor there should come up and Introduce me - He got there and the only thing that he could say was: Amen, Amen, Amen.

He was happy that he couldn't say anything - He just key on saying Amen because he knew that his Day has come.

By the time we finished the Program, he was weeping.

There is a Joy that only God can give - A Joy that is beyond Laughter and a Joy that comes from

the fact that you know that your Day has come at Last!

Before I Pray for you - You know that God can come to your door and knock and say: I have come o; I want to Spend some time with you.

And you can tell Him to go away.

He said in Revelation 3:20 - He said: Behold I Stand by the door and I knock; if any Man will hear my Voice and open the door; then I will come in.

Do you know what He is saying?

I can come to your very door - If you say that I don't want You to come in; He said that I will go away. No quarrel.

The Almighty God has come here Today - Are you going to say: Come in and just take over my Life?

Because the moment He comes in; that is what He does - He takes over!

And when Light takes over, Darkness can't come in again!

### ALTAR CALL

So, if you are not sure of your Salvation or you claimed to be saved but you are still living contrary to the Will of God.

I beg you - It will take an Extraordinary Miracle to bring me back here because there are several other Places that we will visit when we come.

God has given you your own time before I Pray for the rest of you.

If you want to give your Life to Jesus Christ Genuinely; I am going to count from one (1) to seven (7) - If by the time that I say seven (7), you are not already Standing before me here for the Prayer of Salvation, we will round up the Service and I will be on my way.

But if you want to give your Life to Jesus Christ, come now as I am counting.

Those of you on the way and those of you in front now, cry to God and say:

God save my Soul I Surrender to You.

I know that it is because of me that you have come - Have Mercy on me, forgive me all my sins and I will serve You from now on.

Go ahead and cry to the Lord!

And the rest of us, Stretch your hands to these People and intercede for them:

Pray that God will save their Souls, forgive their sins, take over their lives Completely and that from now on, they will become True Children of the Living God.

Thank You Father.

In Jesus Mighty Name we have Prayed - Amen.

#### PRAYER FOR SALVATION

My Father and my God, I want to Thank You very much for Your Words and I want to Thank You so much for these People who has come forward to Surrender their lives to You.

Father, Please receive them, have Mercy on them, forgive all their sins and let Your Blood wash them Clean.

Father, Please save their Souls, receive them into the Family of God, let them begin to serve You and Please don't let them Backslide.

From now on, whenever they call on You, Please answer them by Fire.

And Lord, I Pray that from Today onwards, everything will Change for them for the better.

Uphold them till the very End and let them serve You Forever.

In Jesus Mighty Name we have Prayed - Amen!

Praise the Lord - Hallelujah!

The rest of us, if you really, really believed that God has sent me to you because: He has seen you, He has heard you, He has remembered you and He is now ready to act on your behalf - As you Stand, shout a Big Hallelujah (Hallelujah).

#### CLOSING PRAYER

My Father and my God, I want to Thank You for Your Words and I want to Thank You for sending me here.

I want to Thank You because it is Your Decision Lord and not mine.

Because You made it Possible for me to come and deliver Your Message to these Your People - Please Lord accept our Thanks in Jesus Name.

Oh Lord, in the lives of all these Your Children Today, let there be Light.

Please Lord God Almighty:

You have seen them, don't let their lives remain the same.

You have heard them, answer them Today.

You have remembered them, make this Day a Day that they will Forever remember.

You have decided to act on their behalf:

On behalf of each and everyone of us here Today and those reading now on the Label of DMC:

Arise Oh Lord:

Scatter all our Enemies.

Put an end to all our Problems.

Give us a Brand New Beginning.

My Father and my God, the kind of Joy that will be so Full that will cause us to weep - That kind of Joy send to us.

Stand by Your Children, Support them, Defend them, fight their Battles for them, Promote them, Anoint them and let them do Your Will for the rest of their lives.

Very soon, they will be crying to You on their own; whatever they ask for my Father and my God, give it to them.

I know that whenever You visit Somebody; You always tell them: Go and sin no more.

The Grace for these Your Children never to sin again, give it to them.

Anytime I hear concerning these Your Children from now on, let it be Good News.

And let the Good News begin now.

I Pray that in Your Kingdom, we will all be there together.

Thank You Almighty God!

In Jesus Mighty Name we have Prayed - Amen!

#### SPECIAL PRAYER REQUEST

OPENING PRAYER

Ancient of Days, we Love You.

King of Kings and Lord of Lords - We Worship You.

There is no One like You Lord.

Oh, may Your Name forever be Glorified.

Accept our Worship in Jesus Name.

Tonight in Your Own Special Way, visit Your Children, Glorify Your Name and meet all our Needs.

And all those who has been Struggling to book an Appointment with You, Father meet them Today.

And if they are asking for one (1) Miracle, Please give them three (3) Miracles.

In Jesus Mighty Name we have Prayed - Amen.

Let Someone shout Hallelujah - Hallelujah!

Shake hands with one (1) or two (2) People and say: "Good Evening, God Bless You".

From the bottom of my Heart, I want to say Thank You all.

I was going through the Reports of your Activities here in the United Kingdom - Considering your Contributions towards the Assignment that God has given me. And I can only say: Thank You.

The African Elders has a saying - They say that: "It is in the time of Need that you know who is your friend".

DMC NOTES: Igba iponju la n mo ore, igba isoro la n mo eni ti n fe eni (During your trying times is when you know your true friends, during difficult times is when you know who truly loves you).

You have been friends in my times of Need!

I am extremely Grateful to you - You are doing what very few People had done or are willing to do.

So, if I don't say anything other than to say: Thank You Today; that should be enough.

One thing that I know though is that: "My God has a way of saying Thank You on my behalf".

And that God will say Thank You for all of you!

I remembered the very first time that we met - And I explained to you that I have some friends - Three (3) families Specifically.

And whenever I went on Leave in those days before you stole my Leave - Because the Month of September is usually when I go on Leave.

But somehow, somehow; you have stolen that.

Whenever I go on Leave with these my three (3) families friends; they took care of me - They Practically spoilt me because when I go on Leave is when I go on Leave.

If you know what that means:

☆ Normally I don't usually have time for Breakfast.

But when I am on Leave, I eat Breakfast.

☆ Normally when I am not on Leave, I go from one Fasting to another and from one vigil to another.

Going on vigil became more or less Part and Parcel of me that when I travelled to a Nation that I have never been to before; the first Question that I ask them is: What is the Crime Rate? Can Somebody walk about this Town at Night?

But when I am on Leave, no Night vigil.

And then, I have these three (3) People - They would Pay for my Transportation, Pay for the Hotel. They will Pay for everything.

And if they take me to a Shop - If I look at something twice, they buy it for me.

So I decided long ago that there is nothing that I can do to compensate these People - I mean that if I am for Sale, they could have bought me.

And so, I have no Gift to give them that could mean anything to them.

That is when I said that what I will be doing every Morning was to take them deep into the Word of God - Give them something that they too will say "Thank You".

That is the Secret of our Gathering together like this - I don't have anything to give.

That is why when we come together to share the Word of God, we don't stay on the Surface - We want to go a little bit deep.

Thank God that He Himself in His Infinite Mercies had decided that during this Meetings; He will Perform Miracles!

He has been doing it and He will continue to do it - Amen.

Almost all the Testimonies that we heard here Tonight are the kind of Testimonies that should be repeated on Friday (DMC NOTES: During the RCCG UK London Festival of Life 2025 on Friday, 19th September 2025); so that People will know that our God is still Performing Miracles!

Our Bible Text Today will be: Exodus 17: 8-13 - It is a Story that we know very well. And it is a Story that we must have used again and again.

Exodus 17:8-13:

8. Then came Amalek, and fought with Israel in Rephidim.

9. And Moses said unto Joshua, Choose us out men, and go out, fight with Amalek: to morrow I will stand on the top of the hill with the rod of God in mine hand.

10. So Joshua did as Moses had said to him, and fought with Amalek: and Moses, Aaron, and Hur went up to the top of the Hill.

11. And it came to pass, when Moses held up his hand, that Israel Prevailed: and when he let down his hand, Amalek Prevailed.

12. But Moses' hands were heavy; and they took a stone, and put it under him, and he sat thereon; and Aaron and Hur stayed up his hands, the one on the one side, and the other on the other side; and his hands were steady until the going down of the sun.

13. And Joshua discomfited Amalek and his People with the edge of the sword.

It is a Story we know very well.

It is a Story that we have always loved to talk about and to usually asked the Question: Who won the battle of the Amalekites?

1. Some People will say of course that it is written in that Bible that it was Joshua who discomfited the Amalekites with the edge of a sword.

... They are absolutely correct.

2. However, there was Somebody on the Mountain Top who was actually directing the affairs downstairs.

Because when Moses hands were up, Joshua was winning but when his hands were down, Joshua began to lose.

3. But then, we can't say that it is Moses who won the battle because after some time, his hands grew heavy.

Because no matter the Anointing, sooner or later, the flesh will tell you that you are still living in the flesh.

And so, there were two (2) People who helped Moses - Who lifted up his hands.

Aaron and Hur are "Real Partners".

And they did two (2) Things:

1. They made Moses Comfortable.

That aspect of the Story, I won't dwell much on it because if I go deep into that; as my People back home (DMC NOTES: Yoruba People in Nigeria) will say: "You are doing f "Fine Baara" (DMC NOTES: "Fine Baara" as Yoruba People in Nigeria says means "Professional Beggars that ceases opportunity to Exploit People").

They will say that I am trying to say: You People, take more care of me and make sure that I am seated while you are Standing et cetera et cetera.

But there is no doubt there about it - If they don't get Moses seated, they would have lost the battle you know!

2. And then, they didn't say: But you have two (2) hands; we too have two, two hands each - Sit down and rest and let us raise our four (4) hands.

They knew that if they do that, they would have lost the battle,

So who won the battle?

Of course we know that it is God but we are talking about the Human Level.

The fact remains that it was a Joint Effort!

Moses has Special Hands because his hands had touched the Ground:

When in Exodus Chapters 3 and 4, he saw the fire burning the bush and the bush was not Consumed.

The Almighty God told him that this is Holy Ground now.

And when God told him to throw down his rod and he threw down the rod and it became serpent.

And God said: Pick it up again.

In an attempt to Pick Up the serpent by the tail, his hand touched the Holy Ground.

And the amazing thing is that Children seems to realised that.

In one of our Schools at the Redemption City of God, we had a Program - I think they were Graduating and I went there.

And then one Child ran at me and wanted me to shake hands - And so, I shook his hands.

And he ran to the Chairman of the School Board and said: I have shaken Daddy GO's hands; you better shake my hands.

All hands are not just the same - That's the Truth!

It took a Combined Efforts of:

I. Moses - The Man with Special Hands;

II. Aaron and Hur - The Hand's Lifters.

III. And Joshua - The Man who actually did the Execution of the Enemies.

To win the battle!

You have heard this illustration again and again.

But Today, I want us to look at the same Story from an Extremely Deep Level - If God wants us to look at it again Next Year (2026); He will bring out something New.

☆ We know that God is Sovereign - He does as He Pleases (Psalm 115:3).

☆ We know that God is the Almighty.

☆ We know that it is what He wants to do that will be done.

... We know so many things about God.

But we also discovered in Daniel 11:32 that those who know their God shall be Strong and do Exploits.

I have discovered that if you know what to do; you can get God to Intervene in your affairs.

I will want to use a Language - I Prayed that the Holy Spirit will explain it to you:

You can Provoke God to do certain things for you.

The word that I intend using before that I felt might be misunderstood is the word "Manipulate" - But I think that is too big for Partners.

But you can Provoke God and get Him to do certain things.

He is the Almighty and you are just Ordinary flesh.

But if you know what to do, you can get Him to do certain things.

For Example: If you want God to say a Word of Prophecy - And you know that He doesn't have to talk and so you can't force Him to do anything.

But if you begin to Worship Him; it won't be long before you hear: "Thus saith the Lord".

In 2 Kings 3: 11-15; some Kings came to Elisha - They needed Help as they didn't know how they will deal with the Problems they were facing.

And Elisha was even angry with one of the Kings - You came to me to find out what God is going to do? You that is an Idol Worshipper?

But he said that because of King "So, So, So"; I will see what I can do.

He said: Bring me a Minstrel - Just get Somebody who can Worship God. I know that if we Worship Him correctly, He will speak.

So, if you have not been hearing: "Thus saith the Lord" in your Congregation; check your Choir!

To you, the Choir is Somebody who entertains you and they are the one who occupies the Place till it is the time for you to Preach.

You know that in the Olden Days, the Service wasn't called Service - It is called Worship.

You gathered to Worship God.

It is when you Worship Him correctly that the Preacher will have something to say.

If the Worship is intense - And it is how it ought to be; the Pastor will forget what he wrote down and he will now say what God now wants him to say.

So if you have been wondering why I travelled round the world with one "Small Boy" called Kunle Ajai; it is because somehow he knows how to bring the Glory down.

The Bible Scholars will tell you that for hundreds of Years between the Old Testament and the New Testament; God didn't say a word - He just kept quiet for hundreds of Years.

But the day a Fraction of the Mass Choir from Heaven came down on the Day Jesus Christ was born and they sang a bit of the Song that they used to sing in Heaven; God began to speak again.

I believed that God will speak to Somebody Tonight - Amen!

Which is why you might not have what they called the "Beautiful Voice" but there is an Organ in Heaven that will go in accordance with your Voice.

As far as God is concerned - Even though you can't sing but at least you can shout Hallelujah!

Those of you who listened to the last Holy Ghost Service - DMC NOTES: RCCG September 2025 Holy Ghost Service; Themed: Destiny for Greatness - Part 4, Children of Destiny); I told you that one of the reasons God loves Children is not only that they know how to Praise Him, but they know how to make a Noise.

And Heaven is a Noisy Place!

Let Somebody shout Hallelujah - Hallelujah!

One of my daughters gave a Testimony - She said that I am one of your daughters and I need Anointing et cetera, et cetera.

And some of you may have been looking at her that so this Lady got the Anointing?

You too can get it if you know how to Provoke God.

Because the Bible says in Hebrews 1:9 - He said that because thou has loved Righteousness and hated Iniquities, therefore God even your God had Anointed you with the Oil of Gladness above thy Fellows.

So, you want Special Anointing - Be Holy!

And that is very crucial - Particularly at a time when some People ate talking about Grace and they are going deeper and drawing People more and more into Careless Living.

Quoting from the Bible that it is okay to drink - I don't argue with them o.

They quote the Bible that: It is not what goes in that defiles the Body but it is what comes out (DMC NOTES: Matthew 15:11 and Mark 7:15).

And so they said that there is nothing wrong with a bottle or two of beer or a little bit of Champagne.

But one thing that I know - God is Holy.

I remembered very well one of those three (3) friends of mine that I mentioned earlier on.

When he got Born Again, he was a Chain Smoker - The first thing that he does in the Morning even before saying Good Morning to the wife is to smoke. And the last thing he does at Night was Smoking.

Many atimes, he will fall asleep with cigarette still in his mouth and will only wake up when the Pillow is burning.

Then he became Born Again and he kept on Smoking.

And when I said to him - Now that we are friends, this thing that you are doing is wrong.

He said that I will do whatever the Bible says - But you must show me in the Bible where it is written: "Thou shall not smoke".

I said that it is not in the Bible.

So, I had to Pray: God, how do I handle this?

And I said: God is in you - Isn't it? He said no doubt about that.

I said that I remembered in those days when I was small and I want to catch Rodents in the farm.

As soon as we discovered the hole; we smoke them out.

We get some dry leaves around the hole, put some fire and then begin to blow it.

And the smoke will go in and then the animal there will begin to Choke.

It will then run out and then we will kill it.

I said that we used to smoke out the animals that we want to kill.

Will you like to smoke out Jesus Christ?

Ha! That was the last time that he smoked.

God is Holy - No Spot, and no Blemish.

If you want His Special Anointing, then you will say that: Others can do it, but I can't!

There are several things that are not sinful but you as a Partner of the Most High that is interested in Special Anointing will make up your Mind - It may be okay for others but I just choose its not okay by me.

For Example: There is Nothing wrong in taking Soft Drinks (Coca Cola, Fanta).

But on one occasion, I was visiting one of our Churches and I heard my Children debating what kind of drink they should buy for me.

And one of them said that: I know what he Drinks- His drink is Coke.

That day was the last day that I drank Coke.

Because if the devil knows that Coke is what you drink, that is what He will bring in your Dream!

It is not a sin to drink coke, I just decided that I am not drinking it.

Not only must you Love Righteousness, you must hate Iniquities.

There are certain things that you tolerate in your Suffocation.

I will keep Praying for you because if I mention some of them, some of you will say that I am being Legalistic.

But not only must you love Holiness and hate Iniquities; if you are willing to give All to God, He will respond with Special Anointing.

1 Kings 19: 19-21, the very Day that God called Elisha, he Surrendered all.

And you know that before he died, he was the one referred to as "Chariot of Israel and the Horsemen thereof".

In other words, the King was saying that: You are the one defending our Nation. You want to die? What am I going to do?

... That is Special Anointing - Not just Healing Headaches.

And I want everyone of my Partners to be able to raise the Dead - And God will give you that Anointing (Amen).

And when you read Philippians 3: 7-11; where Paul said that: Everything that was Gain to me, I let go for the sake of Christ. I want to know Him.

When God wanted to react in Acts 19: 11-12; the Bible says that God Performed Special Miracles by the Hand of Paul.

Paul did Special Sacrificial Giving and God responded with Special Miracles!

A Miracle is already Special.

So when God says "Special Miracle"; it means " Special, Special Divine Intervention".

This Weekend by the Grace of God, you will know a little more about Divine Intervention.

But you are Partners - Before Friday, your own Special Intervention should come (Amen).

I told you of a time when my father-in-the-Lord called all Workers together and said that we have a very Special Need in the Church and it is urgent - Everyone of you, go and close your Saving Accounts and bring the Money to Church.

To get this Story in Full, go and watch the Film called: "ENOCH" - You will find it there!

Because when we gathered together the Next Sunday and he said that the Need has been met.

And he said that those of you who Closed your Accounts like I said should raise their hands - It is only me and my wife who raised our hands.

What we have wasn't much o but we just obeyed.

And when I began to say: Ha, are you sure that I'm not taking this too far?

God spoke to me and said: No, it is just a Test so that when I take you to where I am taking you, we have no Excuse.

When you want a Blessing - A Father's Blessing that is beyond your Expectation of course; God can bless you to such extend that you yourself will say that: God, this is too much!

Then give Him a Gift that you don't even have - I'm sure that sounds a little bit ridiculous!

How can I give Him a Gift that I don't have?

You know that most of the times when we make a Pledge; if God does not Provide, we won't be able to fulfil it.

Many atimes we make Pledges that we can easily meet.

It takes Special Faith to make a Pledge that you yourself know: What are you saying?

Because when you make that kind of a Pledge, you are actually binding the Hands of God - I want to give you this o, even though I don't have it.

Maybe I should give you an illustration:

1 Samuel 1: 9-20, Hannah said: God, give me a boy and I will give him to You.

She hasn't gotten a boy o and she is already giving the boy to God.

And God said I see:

I. I will give you a boy.

II. That boy will be a Prophet.

III. That boy will be a King Maker.

IV. That boy will be a King Remover

V. And then in addition, I will give you additional five (5) Children.

When you Promise Him what you don't have, He gives you a Blessing beyond what you can expect.

I will give you a Practical Example:

Several Years ago, when almost all my Children were small - And Pastor Leke was shorter than this Table. Himself and the other Children gathered together in the room of their eldest brother.

They held a Meeting there and sent Leke to go and ask Daddy what he wants for Christmas?

So he came: Daddy, what do you want for Christmas? I said anything that you can afford.

So he ran back to the room and then came back and I said: How about a Jet?

So he ran back and then came out and said not that kind of anything.

So after a lot of going in and coming out, I said alright, buy me a biro - I was thinking that at least they will be able to afford a biro.

He went in, told them and came back and said: I want you to borrow me ten naira (#10.00).

I didn't ask: What do you want it for? I already know and so I gave the ten naira (#10.00).

And when Christmas came and there was this beautifully wrapped Present, before opening it I knew what was inside.

I know whose Money was used but I still hugged them.

And when I thought that they even thought of giving me something what I wanted to give them before Changed.

... I think I have made my Point!

You see because when you say that you want to give God something; whatever you have, where do you get it from?

When you want to Change Prophesies to a Decree; offer Him food.

Genesis 18: 1-14, you know the Story - God was Passing by and then he branched at Abraham's Tent and Abraham offered Him food.

And you know that the Bible says: God doesn't eat Man's food.

He said: How am I going to eat your Lamb or Goat? He said that if I am hungry, all the thousand animals upon the Hills are mine (Psalm 50:10-13).

But when you want to Provoke Him to Change all the Prophesies of the Previous Years to a Decree; offer Him food.

I am sure that you will say: Daddy, how can we offer God food?

I was visiting a Church - Not one of our Parishes.

The Church wasn't sealed yet (No roof) and the windows were not yet fixed. And I was thinking that how do I help these People?

So when I got the Microphone, I said: How many of you will like me to come and eat dinner in your Place? They all raised their hands.

Okay why don't we do it this way - That amount that you will used to entertain me, give me cash now.

So I asked the Pastor to bring forward a basket - And they were all coming to drop something in.

And what they were dropping was beyond their Normal Offerings - They are feeding Daddy GO!

At the end of the day, I said count it - It was counted and it was a lot of Money.

I said Thank You very much - I will enjoy myself so much.

I said that this is mine now and they said Yes; and I can do whatever I like with it and they said Yes of course.

I blessed them and then I called the Pastor and handed over the Money to him - I told him that it is for the roof and to fix the Windows.

He was crying - Daddy, this Money is for you?

I said that it is mine and I can do whatever I like with what is mine.

How many of you will love to give God food before Friday?

God will accept your Offering - Amen!

There is a way that God can give you a Miracle that the devil cannot Steal.

How do we Provoke Him to give us a Miracle that we know that it is going to be Permanent?

It is simply by serving Him Progressively.

If what you give Him this Year (2025) is not more than what you gave Last Year (2024); then you have not reached the Level where you Provoke Him to make your Miracle the one that Satan cannot Steal.

In 2 Kings 4: 8-37; you know the Story of the Great Shunemite Woman.

She just decided to be a Partner of God Voluntarily - Nobody even ask her for Volunteer.

She just saw Elisha Passing by and she said: This is a Man of God, this Man must come and eat in my house.

When she told Elisha to come and eat in my house; Elisha told her that who told you that I am hungry? The Lord is my Shepherd and I shall not want (DMC NOTES: Psalm 23:1).

And I like her kind of Stubbornness - She said that you are not going anywhere until you come to my house to eat.

Okay, Elisha went in tasted the food and he said that this is what I nearly missed.

And from that onwards, he kept on coming back for more.

And the woman moved on Progressively and said instead of you eating once in a while, we will build an Apartment so that you can come and eat and rest and sleep - Eat as often as you want.

And then, God responded and gave her a son - Gave her something that Money cannot buy.

But you know the Story - The devil came and try to kill that boy but the devil was compelled to vomit it because this Woman kept on Progressively Giving unto God.

I have told those of you who are very close to me - I never give the kind of Offering I was Giving Last Year (2024) this Year (2025).

... That is to keep on Progressing - It has to be more every Year.

Because you are my Special Children - My Offering increases at least three (3) times a Year:

☆ On my Birthday things must Change.

☆ Annual Convention, things must Change.

☆ Holy Ghost Congress, things must Change.

And as I increase my Offerings, God increases His Blessings.

And it doesn't matter what the devil may try - If you know how much some People hate us in Nigeria: Few but Influencier People; they can never see anything Good about us.

I mean if you have been on the Internet, you would have seen some of it happening.

Can you imagine what happened on the Holy Ghost Night of the Convention (DMC NOTES: Friday, Day 5):

☆ They didn't see all the thousands of Women who were barren before who came forward with their Children.

☆ They didn't see all the Miracles and Testimonies.

The moment I said that I needed Money, hell was let loose.

Because over the Years, they have tried everything - They have criticised right, left and center - Thank God I have no Skeleton in my Cupboard.

That is why you must love Righteousness because sooner or later, when they see the way you are going; they will look for ways to bring you down.

But when they search you up and down and they themselves can say: Well, we don't know how he is doing it.

Because now that you are not well known, if you mess around; at a time when you become known, the wind will blow and show those things that you think are hidden.

Unless the Bible is not true - The Bible said that there is Nothing done in Secret that won't come to the open (DMC NOTES: Luke 8:17).

It will come and it will come at a time when it is really embarrassing.

When Nobody knows you, the devil won't bother.

But the moment you became Known, he will say now the damage will be Great.

That is why I said that if you see Somebody trying to lure you into sin, run o.

Don't say that you want to resist - That is not what the Bible says. You are to flee (DMC NOTES: 1 Thessalonians 5:22).

To flee means to run as if you are in Terror.

The devil came back to try to steal the son of this Shunemite Woman but the Almighty God said: Don't worry yourself, keep on serving me. We will slap the devil.

May I decree to those of you who are my Children and Partners: Every Miracle that God has given you will be Permanent - Amen!

I know a woman who has gone to be with the Lord now at a ripe Old Age - Who was told by the Doctors that you must not eat this or that.

So, even though she has Money, she couldn't enjoy it.

You know - God have Mercy on Doctors! If you listen to them, you won't eat at all.

☆ Today, they will say an egg a Day is Good.

☆ Tomorrow, they will tell you that it is only the White Part you should eat.

How can I eat only the White Part of an egg? When it is written in the Bible that: There is Nothing sweet in the white of an egg (DMC NOTES: Job 6:6).

☆ For one reason or the other, the Doctors have concluded that you eat the Yoke of an egg then you get something they called Cholesterol.

DMC NOTES: Cholesterol is a waxy, fat-like Substance essential for your body to build Healthy Cells, make hormones, and Produce Vitamin D. While your body makes all the Cholesterol it needs, it's also found in animal Products, and too much in your Blood can form Plaque, leading to Atherosclerosis and increasing the risk of Heart Disease and Stroke.

Forgive me o Doctors!

My Advice to all my Partners is: Obey them o until you reach the Age of 70 Years Old. As soon as you are 70 Years, enjoy yourself!

Are you going to live here forever?

Don't worry you won't go until God is ready.

There is this very important Point about this Story: It is that you can't be lifting up the hand of Someone and your own hand will be down - Keep that in Mind!

Because to lift up Somebody's hand, your own hand must be up too - That's it.

The day that you say that I am not lifting up your hands, your own hand comes down.

And in the Name that is above every other names; your own hands will never come down - Amen!

And the interesting thing is that Man whose hands you are lifting up - The Higher he goes, the Higher will be your own hands.

Years ago, there was a Church in Nigeria that is doing very well - I mean they used to call it "The Church of the Millionaires".

And the Leader of the Church was a very Wealthy Man.

The Church was doing very well and making lots of Money.

And then they discovered that Kunle Ajayi was very Good with the Saxophone - He was still a very small boy then.

So he invited him and said: I want you to come and be Playing Saxophone in my Church and I will be Paying you ten thousand dollars (\$10,000) a Month.

Ten thousand dollars (\$10,000) a Month to a small boy at anytime - Whether then or now is not a small Money.

But then Kunle Ajayi told him - Thank You very much sir, but I can't leave my father and mother.

Today in any Embassy in Nigeria - Embassy that I can't even enter to; Kunle Ajayi is recognised there.

So if I need to travel anywhere and I need a visa, I just call Kunle and say that I am going to Afghanistan and I am leaving in three (3) weeks time - Yes sir.

The next thing that I will have is my Passport with the visa already inside.

Because as I go round the world, he goes with me.

Because if he is lifting up my hand, then his own hands also must be lifted.

There is another time in Nigeria when they have the Finance Houses - And they were offering ridiculous Salaries.

And so my Driver got an Offer from one of the Finance Houses - He couldn't come to me to say that I want to resign.

But he says that I want to go for further Studies - Knowing fully well that I love People to Progress.

So I gave him Permission and so he became a Driver with one of the Finance Houses.

When the Finance House closed down, he came back o - And as a father, we were willing to take back the Prodigal Son.

And so, the Driver of Mummy who didn't get that kind of Offer; Mummy said that you travel more than me, take my Driver.

And so, I called him and said: Sir do you want to be my Driver or my son?

I said because when I get a New Driver, I had to retrain the Driver.

When I am going in the car and I fell asleep; when the Speed exceed a certain limit, something will wake me up - It will affect the Spirit.

So Oga, will you be my son or Driver?

He said what is the difference?

The difference is much o - If you are my son, it doesn't matter your fault, I can't sack you.

Father can't sack his son.

And if you are my son, you can't resign.

So we have to understand!

He said that I will be your son.

I told him that in the Place that you never thought you can reach; you will reach it.

Today in the Redeemed Christian Church of God (RCCG); the number one of all the Official Drivers that are in hundreds is my Driver - They all call him Oga. He is a Big Man there.

Do you know that he is the first Fellow in the Redemption City of God to build a 3-Storey Building House - His House is taller than mine.

He is a Driver but now he has more Influence than some very Senior Pastors!

When you are lifting up the hands of Somebody and you are committed - It is not a Question of I am doing it for some time; it is something I want to do all the days of my Life and Progressively!

You cannot lift up another Man's hands and have your hands down.

I want to Decree: Anyone of you my Partners determined to be my Partners for Life:

You will never become Less - Amen.

On a Steady basis, as I grow you will grow - Amen.

There is one Prayer that Somebody Prayed Years ago - It took me a while to swallow the Prayer.

He said: You will never know a Better Yesterday!

You will never at anytime in your Life look back and say things were better Yesterday - You will never know a Better Yesterday!

My God will Help you and He will Support you - As He is lifting me Higher, He will lift you Higher - Amen!

So shall it be!

Now before I ask you to Pray, I want you to know that: "No matter how Great you are, you can be Greater still".

★ Nobody could believe that Redemption City of God can become too small.

★ Nobody could believe that I can cry out for Help.

Because by the Thursday of the Last Convention (DMC NOTES: RCCG 73rd Annual Convention 2025); those of you there know - I was tempted to say: Those of you who has not yet left home; Watch the Convention at home Tomorrow because we were already Overflowing.

And then Friday came, I just decided in the Prayer Room: Daddy, it is over to You because I don't know how You are going to handle this crowd.

I know that as long as He helps me to hate Iniquities, love Righteousness and serving Him Progressively; then I haven't seen anything yet.

And if I have not seen anything yet, it means that you haven't seen anything yet.

So, I am going to give you 5 Minutes to talk to God.

### SPECIAL PRAYERS

1. First of all, Thank Him for bringing us in Contact - You see, Destiny can affect Destiny.

God in His Infinite Mercies has Chosen me and gave me this Great Assignment and then one way or the other; He brought you across my Path.

Thank Him for that.

2. And then cry unto Him: As this Your Son grows, let me grow. As I lift up his Hands, lift up my Hands.

3. And then ask Him for something Special - Something you want that only God can give.

Thank You Jesus!

In Jesus Mighty Name we have Prayed - Amen.

I will ask that you kindly Stand Up and you Stretch your Hands in my Direction.

I am going to Pray for you.

I am going to wave my Hands across and by Faith and by the Testimonies you heard this Evening; receive the answers to your Prayers - Amen!

I want you to just keep on saying Amen because I am going to Pray in the Spirit for a while.

THEME: DIVINE INTERVENTION

MINISTERING: PASTOR E.A ADEBOYE

DATE: 16TH SEPTEMBER 2025

BIBLE TEXT: MARK 3:13-15

SONG

I have a Father  
Almighty Father  
He is King of kings;  
And Lord of lords  
I have a Father (Hallelujah).

OPENING PRAYER

Ancient of Days, how Wonderful it is to be called Your Children.

Thank You, Thank, Thank You for the Salvation of our Souls.

Once upon a time many of us were walking in Darkness - We thought that we were having fun, while we were marching steadily to Hell.

But out of Your tender Mercy You waylaid us; You intervened, and You sent Your Light.

Today, we are not just Your Children, we are Workers in Your Vineyard.

We are very Grateful Lord!

Please, accept our Worship in Jesus' Name.

Tonight, all over where Your Children are Watching or reading this Message now on the Label of DMC: I Pray that You would visit us, You would Shine Your Light upon us and You would open our eyes.

You would help us to begin to see the Invisible, and to see the Glory of Heaven.

I Pray Lord God Almighty that today, in all our lives, there would be a New Beginning.

So that at the end of the day, Your Name and Your Name alone would be Glorified.

Thank You Almighty God.

In Jesus' Mighty Name we have Prayed - Amen.

Well, let Someone shout hallelujah - Hallelujah.

How many of you believe God will do something Special in your Life today? The DMC Family Members.

If you believe that, your Hallelujah would be louder - Hallelujah.

Shake hands with one (1) or two (2) People, say: Welcome to Workers' Meeting 2025.

When having Morning Devotion with my children (in my family); we go through what is written in the Open Heavens every Morning; and then I share with them things that are not written in the one you are reading.

Someone among the children asked a Question: "How come the Birds (ravens) that took bread to Elijah didn't eat the portion that was meant for Elijah? Considering the fact that ravens are known for eating bread?

That's a very reasonable Question. I added one thing to let them understand.

When God ask you to go somewhere, He will continue to send your Miracles to that Place.

So if He asks you to go somewhere and you refuse to go; when you don't see your Miracles coming it is not that God didn't send it. He sent it to that Place where He asked you to go.

You may say, "but God is everywhere." I know!

It reminds me of the Testimony of a woman who went to visit her children in America and had a stroke there. Then she said to them, take me to Redemption Camp back home in Nigeria.

The children said Mama, if somebody has a stroke in Nigeria, the fellow would want to be taken to America for treatment.

She said, I know there are Great Doctors in America but the Great Physician is waiting for me at the Redemption Camp.

Mama, you don't understand: God is everywhere.

She said, I know but I know His Headquarters.

They thought she was Stupid.

The Plane landed in Ikeja Lagos Nigeria (DMC NOTES: Murtala Mohammed International Airport) - She said, just take me to Redemption Camp. I know if I can just get to that Place I'll walk again.

"Be it unto you according to your Faith - Amen."

They took her to Redemption Camp; brought her out of the car, put her feet on the Ground. And suddenly they discovered that she would never need a Wheelchair.

Now, I think I have said the little I want to say before I answer some Questions from the Youth and Young Adults (YAYA).

#### QUESTIONS TIME FROM THE YOUTH ADULTS AND YOUTHS (YAYA) AS COORDINATED BY PASTOR LEKE ADEBOYE

We thank Daddy G.O for the opportunity to ask these Questions.

We have here some Questions that have been put together by the Youth and Young Adults in RCCG Continent 9.

Daddy, Congratulations on your 50th Years in Ministry, and 58th Wedding Anniversary!

QUESTION 1: What are the Secrets of your Success in Ministry and Marriage?

RESPONSE:

Thank you for Congratulating me.

Secrets in Marriage:

The Secrets in Marriage that I can say to those of you who are children of God normally is that:

- The Boy should know he is married to a daughter of God.
- And the Girl should know she is married to a son of God.

So, when your wife misbehaves, you report her to God.

And you know what? God would tell you: You are supposed to forgive seventy (70) times seven (7) times in a Day.

The same thing when the husband misbehaves; the wife reports him to God.

Why? Because there will be Misunderstandings.

However, "What did you do before you became Born Again?" - If you ask me.

Well, my wife and I got married when we were very Young - That should be obvious to you. I mean, we've been married for fifty eight (58) years.

You can imagine how young we were back then - 58 years ago.

When our Relatives come to visit us, they would look at us and say: Young husband, young wife, we hope you won't quarrel?

It's as if they were waiting for us to quarrel.

So I told my wife, let us disappoint them - Under no circumstance will the two of us be angry at the same time.

When I am angry, you keep quiet and when you are angry, I'll keep quiet.

And it's easy for her to keep quiet when I am angry. It is not easy for me to keep quiet when she is angry.

So, anytime she is angry, I get out of the house - Because if I don't hear angry words, I won't be able to respond.

For 58 years, Nobody has settled a quarrel between us - Hallelujah!

Secrets in Ministry:

One of the Secrets of my Success in Ministry is in 1 Kings 17:1, which says:

And Elijah the Tishbite, who was of the inhabitants of Gilead, said unto Ahab, As the LORD God of Israel liveth, before whom I stand, there shall not be dew nor rain these years, but according to my word.

Elijah the regular guy; he was so regular his father's name was never mentioned.

One of the Greatest Secrets in Ministry is the ability to say: "As the LORD God of Israel liveth, before whom I Stand.

If you don't learn to Stand alone before God, you are not going to go far in the Ministry.

Whenever we talk about standing before God, we are talking about you being alone with God - Completely alone!

I'll give you an illustration: The week of our Monthly Holy Ghost Service, from Tuesday, I go into what they call incommunicado - Nobody can come and talk to me, not even my wife.

If I go like that, at Night before I sleep, I'll call my wife: Hello Darling, I hope everything is okay? She says, all is well. Goodnight!

No discussion, no talking; just you and God.

Because you can't come before the crowd, just go up there, your Stomach is loaded with jollof rice.

And you say, Thus saith the Lord. God will ask you, when did I say that?

You have to spend time with Him; only then can He tell you what and what to say.

You are a Pastor, your Church has a Particular Problem known to God alone. The only way you can know the Problem - and the Solution is when you Stand before the One who knows the Problem.

And you must be alone with God - One on One with God, to be able to Stand before Him.

QUESTION 2: Daddy, you have seen what is going on with the Youth of different Generations - Millennium, Gen Z, Alpha X and all kinds of Generations.

- What advice do you have for us?
- What mistakes have you seen us making; and how do we correct them?

RESPONSE:

Your Generation thinks that you can have things easier.

Your Generation is the Microwave Oven Generation - You just plug it, Press a button, at times you even slap the oven to hurry up.

Let me assure you; nothing goes for nothing - Nobody can ever make it great, who has not spent Quality Time diligently to know the way out.

Let me tell you the Truth - All the so called Successful People you see, the major Problems they all have is that, by the time they succeed, they have lost the Health that would have allowed them to enjoy the results.

... That's the Truth.

That is why you find a lot of rich People, when they come to Church, ten Minutes into the Sermon they are already asleep. Because they didn't sleep at Night.

They have become so used to working so hard at Night, that at the time they should be sleeping at Night, they cannot sleep anymore.

In your own Generation things can be very easy for you if you put Jesus in the bargain.

"I can do all things through Christ who strengthens me" - Philippians 4:13.

The Lord can help you achieve much, much more than we your Parents did.

You now have Mighty Technologies - Some things we got as a result of trekking, you get by sitting down and Pressing some numbers on your Smartphone.

The Problem with your Generation is that you don't want to work hard anymore - "Life is not a bed of roses." That's the Truth of the matter.

You have to work hard - You want things too easy; it doesn't work like that.

And I don't blame you.

It is not that I don't like the Microwave - I do.

But ask the Elders, they would tell you that the stew prepared with firewood has better tastes

Since of course you didn't taste the firewood stew, you may not know the difference.

The mistake I have seen you making in your Generation is that you want things fast.

But you have to understand that it is not the way God works - God, as Mighty as He is, could have dropped Jesus Christ on the Stage of Life as a full grown man.

No! He had to go through the womb; he had to learn how to crawl, learn how to walk.

Even when He thought that at twelve years of age He had arrived; as many of you think you have now; God said He still had some time before He would be ready for Action.

I hope you understand!

QUESTION 3: Daddy, we have this fear about what would happen in the Redeemed Christian Church of God (RCCG) - When Daddy G.O, Mummy G.O, Members of the Board of Trustees and all our Big Daddies are no longer there.

- How do we start receiving the Mantle?

- And how can you ensure a Smooth Transfer?

RESPONSE:

(Laughing) Beautiful Question.

When the General Overseer is no longer here, God will be here.

As far as The Redeemed Christian Church of God (RCCG) is concerned, the very name tells you that the Church is "The Redeemed Christian Church of God."

As long as God is on His Throne, things can only get better.

If it is the Redeemed Christian Church of Adeboye, then you need to begin to wonder:

- What will happen next?

- How many more years has this Man to spend with us?

I am not going yet, and you can be rest assured on that, because if I am going He will tell me - He hasn't told me yet.

When Elijah left, Elisha didn't call on Elijah, he called on his God.

Adeboye will go - And I will be deceiving myself if I say I am not going. It's a Question of 'we don't know when.'

Members of the Board of Trustees will all go.

But as one Member of the Board is going, another will be taking his Place.

Before Adeboye goes I am sure God will show me the fellow who is going to Succeed me - And God will begin to take care.

For a Smooth Generational Transfer - We are already transferring as the Youths are already coming onboard.

Don't worry, God will make the Generational Transfer Smooth.

It is not likely that He will choose someone who does not appear like the older one.

One way or the other; it is not Pastor Adeboye who would say, "This is the fellow I want." It is God.

And it came to pass, when they were gone over, that Elijah said unto Elisha, Ask what I shall do for thee, before I be taken away from thee. And Elisha said, I Pray thee, let a Double Portion of thy Spirit be upon me. And he said, Thou hast asked a hard thing: nevertheless, if thou see me when I am taken from thee, it shall be so unto thee; but if not, it shall not be so. (DMC NOTES: 2 Kings 2:9-10).

"... Nevertheless, if thou see me when I am taken from thee, it shall be so unto thee.

He meant that in everything, we must be focusing on the same thing.

You want to carry the Double Portion of my Spirit? In everything we must see eye to eye; Not to be blown away with the Generational trends.

I met one Young Man a couple of years ago - He's the son of one of the Pastors, and I have loved him since when he was very small.

I saw the way he dressed, different from how he used to dress before he traveled Abroad.

When he traveled to America everything Changed - The hairstyle, his way of dressing, etc.

I looked at him, "my friend, you were not exactly like this when you were Younger."

He said to me, Daddy, this is the way we can bring in all those People.

I said, I see!

So I said, there was a time, when wearing the face cap, the sharp end would be pointing forward - we met it so.

A time came, they said it should be turned to the right. Okay!

After sometime they said it should be turned to the left.

And after sometime they said it should be turned backward.

I told the Young Man: When all of these were happening some of us still kept wearing the face cap with the sharp end pointing forward.

I also said: in the olden days when Sailors go to sea at Night - When they want to know the direction to go, there is a Set of Stars in the Sky called the Northern Stars.

From them you can take direction.

So I said, some of us you think are Old-Fashioned, we are the Northern Stars - After you've gone right, gone left, turned back and you don't know where else to go again, you come back to the Northern Stars.

That Young Man Changed completely from that day onward - That very day he visited the Barber's Shop.

If you use trends to bring them in, you will lose them.

If they come as they are - Which is absolutely what it should be, they must be conformed to Christ. We are not to be conformed to the image of the world.

Now the world cannot even see the difference anymore because you are like one of them.

What you don't know is that the People you think are looking down on you because you are strict, are actually looking up to you.

I mean, I can give you one illustration;

There was a case in Ibadan Oyo State Nigeria:

Some enthusiastic Ladies joined the Church and they were always looking at this very wealthy sister who was modestly dressed. Silently they've been Praying that God would help them become as committed as that sister.

Unfortunately the Sister was also looking at them: "But these Ladies are serving the Lord, why all these draconian rules?" She said, God is answering their Prayers, so He can answer my own. The next time she came to Church decked gold, attractive attire.

After the Service, they went to her, "Excuse Ma, what happened? We were Praying to become like you, suddenly you have become like us."

... I think they say, "Half a word is enough for the wise."

QUESTION 4: Daddy, how did you overcome Temptations - Compromise Money in the Ministry, not going to Preach somewhere because of the Honorarium?

Also, temptation with the opposite sex; Preaching Holiness Messages.

#### RESPONSE

I overcame Temptations the day I learnt that "Holiness is the Master Key."

From that day onward everything that can Compromise Holiness in my Life died.

And I think we held a whole Congress on the Theme: THE MASTER KEY.

I know that Faith is very important. "But without Faith it is impossible to Please him: for he that cometh to God must believe that he is, and that he is a Rewarder of them that diligently seek him." (DMC NOTES: Hebrews 11:6)

But I also know that Faith is checkmated by Love.

Faith that walketh by Love.

So Faith is a Master Key, but it is not 'The' Master Key because it is limited by Love.

I understand that Love is a Stronger Key than Faith.

But then I also discovered along the way that God is Love. But when the Angels are crying they don't say, "Loving, loving, loving God."

What do they say? Holy, Holy, Holy! (DMC NOTES: Revelation 4:8)

I have discovered that Holiness simply means Total Obedience to God.

So the moment I discovered that if I can just be Holy I've got it made.

That if I am Holy, blessing will Pursue me.

I can't be Holy if I steal Church Money - If I Compromise with money God will stay away from me.

And I have discovered that when you don't make Money in the right way, you'll just make it and not spend it.

Oh, you may say you spend it! But if you buy a car with the Money that you stole, you are driving a Living Coffin.

I have discovered from the Word of God that there is nothing hidden that will not come to the open; unless you don't believe the Believe (DMC NOTES: Luke 8:17).

You may say, "Nobody sees me, Nobody knows what is going on, so I can do this, I can do that."

One Fellow sees you - Sooner or later, the wind would blow.

And when the wind blows, it would be at a time there would be the most damaging.

That is why I run because that's what the Bible says we should do - "Flee all youthful lust" (DMC NOTES: 2 Timothy 2:22).

If you don't stop, sooner or later the Secret will be out.

When you are Compromising with the opposite sex, at a stage your Greatest Companion today can become your Greatest Enemy tomorrow.

When you add all these together, there's only one thing to say, and that is: I have discovered that if God be for me, Nobody can be against me (DMC NOTES: Romans 8:31).

But if God is against me, I am finished. And I don't want to be finished.

QUESTION 5: Finally, Please Daddy, what mistakes have you made in your 83 years in Life?

Maybe you can share one (1) or two (2) of them with us.

RESPONSE

It is difficult to answer that Question, because I made quite a lot of mistakes before I was Born Again - Let us forget those ones, they happened before Salvation. And the Blood of Jesus has already Cleansed me of them.

"So what mistakes have I made after I became Born Again?"

The number one mistake was that I tried to limit the Almighty God.

How? He is the One who told me, "I am going to build you a City." And I believed Him.

Then He showed me a Piece of Land at that time - Two (2) Hectares, and I believed Him.

Then the Place began to grow.

And if you are coming from two (2) Hectares and suddenly you find yourself having a thousand Hectares, automatically you will think God has done enough.

And at that stage I stopped buying Land.

When we started buying Land, it was roughly thousands of Naira Per Hectare.

After we got to a thousand Hectares, I stopped; thinking that we have arrived.

Until God woke me up and said, didn't I tell you the size?

At that time I felt I had arrived but God told me, you have not yet started.

So my Advice to you:

- Look at us, Workers of the Redeemed Christian Church of God (RCCG) in the United Kingdom (UK).

- Look at all the Viewing Centers all over.

There would be a Temptation to think we have arrived but we haven't started.

Don't ever limit the Holy One of Israel - He has no limit.

Glory be to God for all He is doing already.

Look at The Redeemed Christian Church of God (RCCG) Campground here in the United Kingdom (UK)?

The Campground here is also going to become a City - Amen!

My Greatest mistake since I became a Christian was that I tried to limit God.

Today we are buying more Lands back home in Nigeria - Unfortunately what used to cost

thousands of Naira now costs Millions of Naira.

Because at the time when it was cheap; when I should have bought as much Land as Possible, I was relaxing.

So my Beloved Children, Congratulations on where you are now.

If God were to give us a Testimonial, He would say: Why are you so slow when the wind is blowing in your favour?

God wants me to talk to you about His Divine Intervention because all of a sudden the Gen-Z are all coming back to God.

And this is your opportunity.

Old Churches that have been closed down are waiting for you - Because it is for a time as this that God brought you here.

This is Revival Time!

God Bless all the Youth and Young Adults (YAYA).

Mark 3:13-15;

13 And he goeth up into a Mountain, and calleth unto him whom he would: and they came unto him.

14 And he ordained twelve, that they should be with him, and that he might send them forth to Preach,

15 And to have Power to heal Sickness, and to cast out devils:

### THREE (3) MAJOR SECRETS OF DIVINE INTERVENTION

I'll just share with you briefly three (3) Major Secrets of Divine Intervention:

1. Exodus 14:1-end: the Crossing of the Red Sea.

I am sure you agree with me that the crossing of the Red Sea was a Major Divine Intervention.

I mean, God made a way where there was no way.

And you'll agree with me that it was a Major Divine Intervention.

I Pray for you that during this week God will make a way for you - Amen.

2. Joshua 10:12-14: God stopped the Sun and the Moon.

When we want to talk of a Major Divine Intervention that everybody will know, that is when in Support of one man (Joshua); God stopped the Sun from setting and the Moon from rising.

Here, God stopped the Universe from moving - Just to give someone Victory.

In the Name that's above every other name, all your battles would be over - Amen.

3. 1 Samuel 17:26-58: Where a small Boy killed a Giant.

Another Major Divine Intervention is where a Small Boy killed a Giant with a catapult.

When you consider the fact that the one that the boy killed was after someone's Kingdom;

Because what Goliath said is, "If he be able to fight with me, and to kill me, then will we be your Servants: but if I Prevail against him, and kill him, then shall ye be our Servants, and serve us" (DMC NOTES: 1 Samuel 17:9)

"If I defeat the man you send against me, we will take over your Nation."

And David had just been Anointed King - So Goliath wanted to take over the Kingdom before David can become King.

So in the Name that's above every other name, I Pray that whatever it is that wants to take the Kingdom of God from you, the Almighty God would deal with it - Amen.

ONE THING THAT IS COMMON AMONG THE THREE (3) PEOPLE INVOLVED

When you look closely at the three (3) People involved in the Major Divine Intervention already mentioned, you would find out that they all have something in Common:

1. MOSES:

In Exodus 3:1-12, God made a Promise to him:

And he said, Certainly I will be with thee; and this shall be a token unto thee, that I have sent thee: When thou hast brought forth the People out of Egypt, ye shall serve God upon this

Mountain.

"... I will be with thee."

**2. JOSHUA:**

When you read Joshua 2:1-9, God said to Joshua: There shall not any man be able to stand before thee all the days of thy Life: as I was with Moses, so I will be with thee: I will not fail thee, nor forsake thee.

"... As I was with Moses, so I will be with thee."

**3. DAVID:**

When you read 1 Samuel 17:34-37, the Bible says: And David said unto Saul, Thy servant kept his father's sheep, and there came a Lion, and a Bear, and took a Lamb out of the flock: David said moreover, The LORD that delivered me out of the paw of the Lion, and out of the paw of the Bear, he will deliver me out of the hand of this Philistine. And Saul said unto David, Go, and the LORD be with thee.

"... And Saul said unto David, Go, and the LORD be with thee."

Just looking at these Three (3) People involved; the Secret of Mighty Divine Intervention is Divine Presence.

If God is with you, you are sure of a Divine Intervention.

When you read our Bible Text (Mark 3:13-15), it says: And he Ordained twelve, that they should be with him, and that he might send them forth to Preach, And to have Power to heal Sickesses, and to cast out devils:

He called some People to be with Him; and that He might send them out.

The first reason why He called them is so that they might be with Him.

Workers, you want to be assured of Divine Intervention anywhere you go all the days of your Life? Just make sure that God is with you.

When He calls you in His Vineyard, the first thing is that He wants to Fellowship with you.

When you learn to spend Time with Him, the next thing will be easy - When you Witness, Souls would be saved.

He wants you to be with Him - You can't win a Single Soul unless God decides that the fellow be saved.

You know one thing, if you are really in Fellowship with God, People will be asking you, "How can I be saved?"

And if somebody comes to you and says, "How can I be saved?" The work would be easier.

He went on to say, "And to have Power to heal Sickesses, and to cast out devils."

- Be with Him He will send you forth to Preach.

- And He will give you Power over Sickesses;

- Give you Power over Diseases and all forces of Darkness.

I have said this before, Oratory is not going to win Europe for Christ and Theology is not going to win Europe either - Because they are not looking for somebody who can sweet talk.

They are looking for Somebody who can solve their Problems in Europe.

Have you noticed of recent that Sickesses and Diseases that they don't know the cure are beginning to come to the surface?

Have you noticed that there is something called "After Effect"?

It's an after effect of Coronavirus.

That's why we have to keep Praying for Europe and the rest of the world.

People are looking for:

Somebody who can lay hands - No matter how Young, and the Sick would be healed.

Somebody who can cast out demons - They are looking for you.

But if you are going to have Fellowship with Him - Which will guarantee the Miracles; because He can't be with you and then you'll have a Problem.

God cannot be living in your house and death will stay - He will tell death, "what's wrong with you? Don't you know that the Resurrection and Life lives in this house?"

God cannot live in you and demons will see you and say they want to play with you.

But if you are going to maintain Fellowship with Him, you need to obey Him Completely.

Obey Him how? Completely!

If you won't obey Him Completely, He will depart.

Yes, it is true that the Gifts and Calling of God are without Repentance.

That's True - You shave the hairs of Samson, the hairs will grow again.

The Gifts may abide, but the Giver may depart.

So I am appealing to you my Beloved Children:

- Stay with Him.
- Obey Him Completely.
- Let Him Abide with you.

Then it doesn't matter wherever you go; whenever there is anything that wants to stand in your way, He will intervene.

There is no way He would be in a boat and the boat would sink - It's not Possible.

#### SPECIAL PRAYER FOR DIVINE INTERVENTION

Go ahead and cry to the Almighty God now:

Say Oh LORD, Empower me afresh. I am not just asking You Lord to intervene in every facet of my Life; I want to be an Agent of Divine Intervention:

I want to be able to heal the Sick more easily.

I want to be able to cast out demons and also raise the dead.

I want to be an Agent of Divine Intervention in this Land - Help me Oh LORD and Empower me.

Thank You Father.

In Jesus' Mighty Name we have Prayed - Amen.

So shall it be, in Jesus' Name - Amen!

Thank you!

Proverbs 22:29; Seest thou a man diligent in his business? he shall stand before Kings; he shall not stand before mean men.

Someone in Particular among us, God is Probably trying to tell you one of the Major Secrets of Divine Intervention.

There is what the Bible calls a Set of Kings.

In Mathematics, when certain Numbers have the same Laws, you put them together as a Set.

For Example:

- Any Number that can be divisible by two is called the Set of Even Numbers.
- Any number, no matter how large; if it cannot be divisible by two, it belongs to the Set of Odd Numbers.

God says there is a Set of Kings - There are Kings of Industry, there are Political Kings, etc.

I remember the first time in my Life in 1975 - Quite a lot happened in my Life in 1975:

- It is interesting that I was Ordained a Pastor on the 14th of September 1975.
- And on the 14th of September (a couple of days ago) was our 58th Wedding Anniversary down to the date.

In September 1975, I attended a World Conference of Applied Mathematicians - Mathematicians came from all over the world. There were two (2) of us sent to represent Nigeria and this small boy was there.

My head was in the Clouds.

And at that time, I have written about twelve (12) Articles in the World Journal.

On the Opening Day, the man who was to give the Opening Address; when they introduced him, he had Published a hundred and fifty (150) Papers.

When he started talking I said to myself, "What am I doing here?" And he was talking about the Mathematics of the Rain.

He was a King - He was an Academic King.

... And I hope you get the Point I am making?

There is a Set of Kings.

Ecclesiastes 8:4 says, Where the word of a King is, there is Power: and who may say unto him, What doest thou?

You can join the Set of Kings.

But you also need to know that there's is a Set of Ordinary men - The Bible calls them "Mean Men." It calls them Multitude.

Life is like a Pyramid - Big at the bottom, very narrow at the top.

When you read the entire Story of the Ministry of the Lord Jesus Christ, you would discovered that most of the time when He Performed a Major Miracle, one fellow out of the Multitude, gets a Miracle.

In Matthew 8:1-3, He was coming down from a Mountain, a Multitude followed Him. But only a Leper got a Miracle.

You know we are talking about Divine Intervention.

In Mark 10:46-52, when He was passing by Jericho, Multitudes followed Him. It was one fellow (Blind Bartimeaus) who got a Miracle.

In Specific cases where Jesus Performed Miracles, Multitudes were there - Only one fellow got a Miracle.

In the Story of the Man that they broke the roof to bring him to the Presence of the Lord Jesus Christ (DMC NOTES Mark 2:1-12); the reason they couldn't get in through the door was because of the Multitudes.

At the Pool of Bethesda, when one fellow who had been there for thirty eight (38) years got his Healing, Multitudes were there.

So, we Ministers of God have gathered today, who is the one to get a Miracle? The DMC Family Members.

Life is like a Pyramid.

When you Study 2 Kings 2:1-15, you would notice that when Elijah was to be taken away from the Earth, everywhere he went there were Sons of the Prophet.

Elijah said to Elisha: Hey, my son wait here God has sent me from Gilga to Bethel; you will find Sons of the Prophet - Which would be an adequate name to describe Ministers.

But when they were crossing River Jordan to the Point of Final Departure, there is a Multitude in Jericho - There are Sons of the Prophet, there is the Prophet, and there is someone who was going to get a Double Portion of what the Prophet was carrying.

Everything is like a Pyramid.

We are not talking of Titles now. Because it is possible to be a Deacon, and be far, far higher than a Pastor.

Let's take this illustration: On one occasion one of the Nigerian's Presidents was to be Sworn-In. And of course I was in Abuja (DMC NOTES: The Federal Capital Territory of Nigeria).

Suddenly one Man of God came to me, he was excited: Daddy, I got an Invitation to attend the Inauguration. He said, see my Card.

And on the Card was written Letter 'A.'

Because there were Cards with Letters B, C, etc.

Letter 'A?' I said, congratulations! He was happy.

It wasn't long after that, another Man of God came in: Daddy, I got an Invitation, look at my Card.

On the Card was written Letter 'AA' - And of course that means you'll get closer access to the President.

So the Man who got the Card with Letter 'A' cool down very fast.

While we were still celebrating with the man with Letter 'AA' a third fellow came in: Daddy, I got an Invitation, look at my Card, Letter 'AAA'.

After a while one of them said, by the way Daddy, where is your Card? What is written on your own Card?

And I told them, I don't need a Card. They will be happy if I show up.

How high do you want to climb?

One English Poet wrote a Poem (if you can call it a Poem), it says: "The Height by which Great Men reach are kept; But they, while their Companions slept were toiling upward in the Night."

He memorized that in 1957.

How would you guarantee that God will keep on intervening in your Life? Until you stand before Kings.

One word - Diligence - "Seesth thou a man diligent..."

Some of us in our little corners, we think that we are working for God. The truth of the matter is, you are working for yourself.

So, if you are working hard, it's for your own Promotion.

If you are toying with Assignment, don't blame God if you end up among Mean Men.

That is why I was surprised when somebody said to me some years ago: "I can't serve the father and serve the son. I have been serving you for so long."

I said, you mean it's me you've been serving all these years? Oh God, what a Loser! I thought we are all serving God on the same Platform.

What can I give you?

The Ordination time comes, we pour Oil on your head, lay hands on you - That's the Maximum we can do for you.

If God does not Ordain you, you are not Ordained.

If God has no hand in your Ordination, you have just poured some Oil on your head, and that's where it ends.

If the right head is not there to receive the Oil, you've just wasted Good Oil.

If we are doing this work as if we are working for the General Overseer; or we are working for the Redeemed Christian Church of God (RCCG), we are wasting our time.

You can't afford to waste your Life - We are serving God.

He is a Rewarder of them that diligently seek Him (DMC NOTES: Hebrews 11:6).

Why do you think I am still running up and down all over the world at the age of 83?

Don't let anybody deceive you. If you think I don't want to Retire, there must be something wrong with you.

I have Planned for my Retirement from the moment I turned 60 - That is when I began my Plan for Retirement.

Because in the Redeemed Christian Church of God (RCCG), Retirement Age is 70 years - Which is Good enough.

I had my Plans: the moment I became 70 - Glory be to God!

I will have all the time in the world to serve God at my own pace - Because when you are retired you can never be late to a Meeting.

Is that not correct?

You don't need Permission to travel - You are a free man (woman).

You can now Plan your own time without the interference of any Senior Pastor.

I thought that when I retire, the first one hundred (100) Days, I will go round the world on a

Cruise - Because if you are looking for a Place of enjoyment, go on a Cruise.

In one of the Ships that I have been, they had twenty eight (28) Restaurants. And each of the Restaurant is begging you to come and eat.

I mean, you don't have to show your Ticket, because you can't be on a boat unless you have Paid - You can't come in by Accident.

I thought that for the first one hundred (100) Days: I would wake up, eat breakfast, eat lunch, and eat whatever you call the ones that are in between.

And after resting for a hundred Days, I will now take the Bible from Genesis 1:1 and begin to use the little ability God has given me; to dig out the Hidden Truths in these Passages.

So that wherever I reach - When Death comes, you would complete it, make it into a kind of Encyclopedia.

And when I am gone, those reading it will remember: Ha, this Man was here.

That was my Plan.

But when the time was drawing near, God said: "You are not going anywhere yet. I have other Assignments for you - And it has to do with feeding these People to a Level; because where you stop, that is where they will start."

So that is why I am still here.

If you serve God diligently you will join in the Set of Kings.

You may never go beyond the Level of Parish Pastor; they may never make you an Area Pastor; but does it matter?

God knows where you are on the Pyramid - He knows those who can Pray a Simple Prayer and things will happen.

In the Open Heavens Daily Devotional of this Morning (DMC NOTES: Tuesday 16th September 2025), we were reading about Elijah in 1 Kings 17:1 - And Elijah the Tishbite, who was of the inhabitants of Gilead, said unto Ahab, As the LORD God of Israel liveth, before whom I stand, there shall not be dew nor rain these years, but according to my word.

And I said to my children, if there is anything I didn't tell you about Elijah that is very important, it is that Elijah was a "Regular Guy" - His family didn't matter.

They never told us the name of his father.

Whereas Blind Bartimeaus, the beggar, they told us the father's name (Timeaus).

He was a Biig Man even though he was blind.

Elijah was a Nobody - They never mentioned his father's name.

But that man said, "As the LORD God of Israel liveth, before whom I stand, there shall not be dew nor rain these years, but according to my word" - I shut the Heavens, and it will not be open until I say so.

That is Power!

It is not the Title; but it is the Connection with the Most High God.

How High do you want to go?

DILIGENT IN WHAT?

1. IN HEARING GOD:

You must be diligent in hearing God.

When you read Deuteronomy 28:1-14, the Bible says "If you hearken (how?) Diligently!

You don't just attend Meetings like this one to hear; you come to hearken.

The difference between hearing and hearkening can be illustrated by what happened when I was in Ilesha Grammar School in the 1950s - Before many of you were born.

We had a Geography Teacher, very nice man.

He would come to Class, teach us, we would take down notes.

Then, the day before Examination, he would call us together for what he calls Revision. And he would tell us to ask him Questions and we would begin to ask him:

- Sir, what is the difference between Sahara Desert and the Kalahari Desert?

In details, he will tell us.

And on the Examination Paper, Question No. 1 is going to be, "What is the difference between

Sahara Desert and the Kalahari Desert?"

- Then we would go on: Sir, what is the difference between Indian Ocean and the Pacific Ocean?

He would tell us in details. And on the Examination Paper, Question No. 2 would be: "What is the difference between Indian Ocean and the Pacific Ocean?"

You would really be a Stupid fellow to fail his Examination.

When he is Teaching in the Class, we listen but when he is doing that Revision with us, we hearken - That is the difference!

You can't come to this kind of Meeting, that comes once in a year, to listen.

If you come to a Meeting like this, you should hearken.

And the Bible says, not only are you to hearken; how are you to do it? Diligently.

The reason why many of us are sick is because we have not been hearkening.

Exodus 15:26 says: And said, If thou wilt diligently hearken to the voice of the LORD thy God, and wilt do that which is right in his sight, and wilt give ear to his Commandments, and keep all his Statutes, I will put none of these Diseases upon thee, which I have brought upon the Egyptians: for I am the LORD that healeth thee.

... You must be diligent in hearkening.

## 2. IN SERVICE:

You must be diligent in Service to God.

In 2 Kings 3:11-12, the Bible says, "Here is Elisha the son of Shaphat, which poured water on the hands of Elijah."

Elisha took Service to a higher Level - He doesn't just Prepare the food; he doesn't just set the table: he would tell his Master, "The Table is ready Sir, Please it is time for you to wash your hands."

And it's not that he would hold the basin and say, wash while I am holding it; he would say Master, as you are washing your hands, Please grant me the Privilege of pouring water.

Let me tell you just one Story!

It was in 1975 also. I attended the World Conference of Pentecostals in Nairobi, Kenya - And all the Big Boys in Pentecostal gathered there to Minister to us the Young People.

At the end of the day, when we were about to round up, the Number One Organizer said: Brothers and Sisters, I want to show you the fellow who has Ministered the most during this Conference.

And we were all trying to find out who the fellow is. Then he brought forward a small girl.

How? He said, this girl came to me when we were getting ready for the Programme, "How can I serve Sir?"

I said, sorry, every Assignment has been distributed.

"Can I at least take the Letters to the Post Office?" That has been done a long time ago.

And finally the girl said, I know something you have not assigned. And the man said, what is that?

"I want you to give me Permission that everyday I will clean the shoes of all the Guest Speakers - I know you haven't assigned that one."

The man said, I was shocked!

So he said, if you look at the feet of the Guest Speakers and you see their shoes shining, this is the fellow in charge.

We all stood up, we all clapped - Not for the Guest Speakers, not for those who did Theology, but for a small girl who served.

There is Somebody, when Nobody is Watching; she is cleaning shoes of Guest Speakers. And everytime a Speaker got on Stage, the handwriting of that girl stepped on the Stage.

- How diligent are you in Service?

- How far have you taken the Ministry?

### 3. IN PRAYER:

Of course, do I need to tell you that you have to be Diligent in Prayer?

After all, the Bible says "Pray without Ceasing." (DMC NOTES: 1 Thessalonians 5:17)

When we are talking about real Diligent Prayer, we are not talking about Combined Prayer like this when we are all together.

That is important - We can Pray diligent Prayer and shake the house.

Way back in 1979 in a Town called Tulsa USA, in an hotel called Mayo Hotel.

I am giving you details so that you can ask AI (Artificial intelligence) to search it out for you (laughter).

There is this hotel that was shutdown there about Thirty (30) years.

Why? Because six (6) of us from Nigeria stayed in that Hotel.

One morning my father-in-the-Lord called the five of us together to be with him. And he announced there that he would soon be going Home; and I would be Succeeding him.

That was a serious Revelation.

And when you hear that type of bombshell, you have to Pray.

As soon as we began to Pray, it wasn't long before somebody knocked on the door.

Since I was the one nearest to the door, I got up and opened the door.

The Engineer said, what kind of Instrument are you Playing?

"We are not Playing any Instrument; we are Praying" I said.

He Practically pushed me out of the way, came into the room, searched everywhere, looking for any heavy-duty Instrument but he saw nothing.

When He was leaving the room (at the door) he turned and said, "what did you People say you were doing?" I said, we were Praying.

I asked him why? He said, "It's because the Hotel is shaking, and we have traced the source of the vibration to this room."

So, as soon as all the Guests were gone, they shut down the Hotel - They wanted to find out what is responsible for the shaking.

So they dug round the Hotel, checked the Foundation; nothing was wrong.

They couldn't believe of course - How the Prayers of six (6) People could shake the Hotel.

"How can you Pray and shake an Hotel?

But thirty (30) years later, I went back to Tulsa with my children who were not born by then. I said, let me show you the Hotel where we Prayed and the Foundation shook.

We got there and the Place was still closed.

I was moved with compassion: I laid my hands on the wall and said, God Please let them reopen this Place.

Six (6) Months later, it was reopened.

... I gave you all the details so you can find out if I am lying.

You can Pray alone and shake the Ground.

You can Pray alone and there would be Earthquake.

You've heard the Story too;

I was at the Redemption City in Nigeria. It was Redemption Camp back then.

I was Praying in the Night, Praying in desperation - Almighty God, when You called me to be Your Child, from day number one I told You I don't want to be an Ordinary Christian.

When You said whether I like it or not, I must become a Pastor, I told you I don't want to be an Ordinary Pastor.

It is either You give me Power to do this work, or You take me Home.

Do something out of the two Lord.

And the Ground shook!

Then I knew He has heard.

How do I know the Ground shook? It is the only Earthquake that has ever happened in Nigeria - As far away as Ijebu Ode (DMC NOTES: Several Kilometers away), Pictures on the wall were dropping.

Of course if you tell them that it was a man who Prayed somewhere that caused the Pictures on

the wall to begin to fall, they would laugh at you and say, Stupid Man, he has come again.

You want to be among Kings? Then you must Pray Diligently.

#### 4. IN WORSHIP:

You must be diligent in Worship.

David said in Psalm 34:1, I will bless the LORD at all times: his Praise shall continually be in my mouth.

If His Praise is continually in your mouth; If His Praise is diligently in your mouth, you would have no room for Grumbling and Murmuring.

You are supposed to be Praising God all the times - Whether things are going fine or they are not going as fine as you think.

Whether you feel abused, cheated, misused; you are to Praise God at all times.

- Who are you to be Complaining?
- Who are you to think that you are being misused?
- Who are you to query God?

If you are diligent in Praise, diligent in Worship, you will know that Romans 8:28 says: And we know that all things work together for Good to them that love God, to them who are the called according to his purpose.

#### 5. IN HOLINESS:

You are to be Diligent in Holiness.

Not just Holy, diligently Holy.

God is not coming back for an Ordinary Church; He is coming back for a Church without spot, without wrinkle - Without any form of blemish.

Don't let anybody deceive you - We hear so many Grace Preachers tell us, "Once you are saved, you are saved."

At least God will be a Witness that as far as you (my children) are concerned; I've told you the truth, the whole truth, and nothing but the truth.

You don't have to receive it; you can Prove to me that you are much Wiser than I am - That's fine.

You can't be wrong if you say that. It's up to you.

But my God is Holy, absolutely Holy. He has no room for rubbish.

You can twist the Bible the way you like, no Problem. He is waiting for you.

When He says: Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me (DMC NOTES: Revelation 3:20).

"Why don't You force the door open and come in?"

He would not force you because He is a Holy God.

- I beg you, don't toy with, be diligently Holy.

- Don't write false Reports.

Every Report you sign, you will be held Accountable on the Last Day.

"Seest thou a man diligent in his business? he shall stand before kings; he shall not stand before mean men. (DMC NOTES: Proverbs 22:29).

## PRAYER

Shall we bow our heads and say Father; help me to be diligent in everything Lord, Particularly in Your Work.

Let me be diligent as I walk with You.

Help me to be diligent in Worship, diligent in Prayer;

Let me hearken to You diligently.

Thank You for Your Grace Lord; and Thank You for the finished work of Christ on Calvary.

Thank You for the man (Paul) who said I should Pray without ceasing.

He was Born Again too.

Thank You for the man who said, in all things I should give Thanks.

He was the Apostle of Grace.

Help me to be diligent in my Service to You Lord.

Thank You Father.

In Jesus' Mighty Name we have Prayed - Amen.

#### CLOSING PRAYER

Father, Thank You for Your Word.

Thank You for the Grace to diligently open Your Word to Your Children.

Thank You that they have listened diligently.

Thank You because when You send Your Word, You would not only heal, but deliver.

Thank You for Your Word. Accept our Thanks in Jesus' Name.

From this moment onward, my Father and my God, let us take Your Assignment seriously.

Within a year, my Father and my God: Let us Double.

Help us to Double!

And let Your Blessing on us Double.

In Jesus' Mighty Name we have Prayed - Amen.

### OPENING PRAYER

King of kings and Lord of lords. The Ancient of Days, the Unchangeable Changer, the I AM THAT I AM, the Lord of Hosts.

The King of Glory, the Lion of the Tribe of Judah, the One who Reigns Supreme.

The King of kings, the Lord of lords - We Bless Your Holy Name.

We Thank You for twenty-nine (29) years of Festival of Life, London.

Thank You for all the Miracles You have Performed, Particularly in this Venue.

We Thank You for what You've done in the Past.

We Thank You, because what You have done before, You can do it again.

Please, accept our Thanks in Jesus' Name.

Tonight, in thei lives of everyone of us, let there be a Divine Intervention.

Even as You have Promised Lord; Surprise everyone of us.

In Jesus' Mighty Name we have Prayed - Amen.

Well, let Someone shout hallelujah- Hallelujah.

I want you to turn to one (1) or two (2) People and tell him or her: God will surprise me before He surprises you.

And in case the fellow is looking a little bit uncomfortable, go ahead and tell him or her: He will surprise me and then surprise you.

Well, I am glad you came Tonight.

As for the Covenant Partners, I want to assure you in the Name that's above every other name; as you lift up my hands, God will lift up your hands - Amen!

Both the Old and New Partners, God will lift up your hands - Amen.

As you are keeping the Vision alive, God will chase Death away from your Home - Amen.

Thank you very much!

Thank God for the Choir here Tonight - They have been wonderful.

I know they are Probably the best in United Kingdom (UK) because the Best Choir in the World is in Nigeria.

God has helped me to Prepare Tonight - The Question now is: When do you want your own Miracle? Now!

Thank You Father.

Psalm 46:1-3

1 God is our refuge and strength, a very present help in trouble.

2 Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea;

3 Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof. Selah.

Problems are in Degrees:

1. There are Problems you can solve by yourself.

For example, if you run into Credit Card Problem, you can bail yourself out.

- By making up your Mind that you will buy nothing with that Credit Card until you have paid off what you owe.

- By beginning to cut your coat according to your size.

These are Problems you can solve on your own.

2. Occasionally there are Problems that you'll need somebody to help you.

For example, if you 'Japa' because somebody Promised you a Good job; and then you got here and there is no job. You would find somebody who can come in and help.

DMC NOTES: Jappa," originating from the Yoruba Language of Nigeria, means "To run, flee,

or escape" and has become a Popular Slang term for the Emigration of Nigerians seeking better opportunities Abroad, known as the "Japa Syndrome".

3. Occasionally you may have Problems in a very massive scale.

You are broke, jobless, homeless, your ticket that brought you here has already expired - In that kind of situation you need God.

1. When the Doctors say "there is nothing more we can do for you" - You need Divine Help.

2. When you discover, according to Psalm 69:11, that vain is the help of Man - Then you know you need help.

3. When we find ourselves in situations where no one can help us - Then we need what we call Divine Intervention.

Is there anyone here Tonight, including those reading now on the Label of DMC with any Problem or the other, that Only God can solve?

Daddy asked me to tell you that He will Surprise You - Amen.

In Mark 5:25-34; when the woman with the Issue of Blood had tried all Doctors, and instead of getting better even grew worse - She had spent all her money.

It took a Divine Intervention to bail her out.

Because when no Doctor can help, there is Someone called the God of all flesh.

Jeremiah 32:27 says, Behold, I am the LORD, the God of all flesh: is there any thing too hard for me?

Thank You Daddy.

You see, this God of all flesh is the One who asked me to tell you that He will Surprise You Tonight - Amen.

He is so Powerful, that according to Ezekiel 37:1-10, He can even make dry bones to live again.

So no matter your situation, you are not a dry bone yet.

If He can make dry bones live, then He can still solve your Problems.

And I know He will, in Jesus' Name - Amen.

## MATERIALLY

I. When you look at 1 Kings 17:8-16 - When a Widow had only one little Meal left for herself and her son to eat and then die.

At a time like that there is the need for a Divine Intervention.

II. In 2 Kings 4:1-7 - When the Widow of one of the Sons of the Prophet found out that Creditors were coming, not just to foreclose on her, but to sell her two (2) sons; she knew she needed Divine Intervention.

DMC NOTES: To foreclose means a Lender Legally seizes and sells a Property to recover a debt when a Borrower fails to make Payments, typically on a Mortgage. The Lender takes Possession of the Property because the Borrower has defaulted on their Loan repayment Schedule as Planned.

You see, if you find yourself in a Financial situation that you don't just know how you can come out of it; I have Good News for you, that there is Someone who said, "sivilver is Mine, Gold is Mine." I don't know how He is going to do it.

... Now this is my decree; I am not saying "God said" but I decree:

There is Someone here Tonight or reading this Message now on the Label of DMC: You will be debt free before the end of this Year (2025) - Amen.

I've told you the Story of one of my sons who came to visit me in Ilorin Kwara State Nigeria years ago - He happened to be an Electrician.

He came to help me fix Electrical faults in our Apartment.

When he was about to leave I said, how much am I to pay you? He said, how can I charge you? Just help me with money for Transportation back, because I do not have anything at all called money.

So I said, I will give you money to transport yourself back, and then I'll Pronounce a Blessing on you.

You know when I say, "God Bless You" - That is asking God to intervene.

And when God wants to intervene, He can move the Heaven and the Earth.

Anyway, I Prayed for him - You have heard the Story before.

He traveled back to Lagos. As he was coming down in Lagos he saw an Old Classmate, and they greeted.

He asked the Old Classmate, "what are you doing now?" That one said, I am working at the State House, what about you? He replied, well nothing for now.

And the Classmate said, why don't you see me in the Office.

He had no money to travel from Ilorin back to Lagos; two (2) weeks later, he bought his own car.

I don't know how God will do your own; but I decree that before the end of this Year (2025), you'll be totally debt free - Amen.

#### IN YOUR CAREER

There is the Possibility that no matter how hard you try, there may be no Promotion.

You may find yourself in a situation where the very People who are supposed to Promote you are the ones who would want to see to it that you don't rise.

When you have a situation like that, then you know you need Divine Intervention.

Thank You Daddy.

The Lord asked me to Someone here, including those reading on the Label of DMC:

He said, Relax! That Child will yet give you Joy - Amen.

When God sent Samuel to go and Anoint a King in the house of Jesse, you'd notice very well that: Even the father did not Present David for consideration.

The brothers had all been rejected; the one that God wants is forgotten in the farm.

And this is a boy who was ready to give his Life when a Lion came for one of his Sheep.

This is a boy who came face to face with a Bear and said, you can't have one of my Sheep.

He was diligent and loyal, but when the time came for him to be Promoted, he was forgotten. But God intervened.

I have Good News for Someone here Tonight, including those reading now on the Label of DMC: If they have forgotten you, God will remember you - Amen.

I knew a Brother when I was working in the University who had not been Promoted for several years - The reason was that the Boss just hated him.

It took a Coup - A Change of Government, that led to the removal of the Boss.

A new Man came, and was checking the Files of every fellow in the Office but the couldn't find the file of this man, because the former Boss had hidden the File. Due to that, anytime they were considering People for Promotion, his file was nowhere to be found.

Every Mountain blocking your way of Promotion shall be moved Tonight - Amen.

It takes only one Divine Intervention to solve all the Problems in your Life. How many? Just one!

Thank You Father.

The Lord says there's Someone here Tonight, including those reading now on the Label of DMC:

He said, you know I have helped you when things seemed Hopeless before.

He asked me to tell you, "I will help you again" - Amen.

#### CASE STUDY: 2 KINGS 2:19-21

Here you would read the Story of the Men of Jericho - They came to Elisha and said, our Town is looking very beautiful, but we have Problems;

- Our water is Bitter.
- There is Barrenness and Death in the Land.

Elisha said, Bring me a new cruse, and put salt therein - And they brought it to him.

And he went forth unto the Spring of the waters, and cast the salt in there, and said, Thus saith the LORD, I have healed these waters; there shall not be from thence any more Death or Barren Land. So the waters were healed unto this day, according to the saying of Elisha which he spake.

When the People say, "Our Town looks beautiful but we have Problems" - We learn from that one straightaway:

1. A Single Divine Intervention can take care of those Private Battles that you are fighting.

We are all here looking nice and well dressed but there are some of us who are fighting battles.

We have Problems we can't even tell the Pastor.

But there is Someone who knows better than the Pastor - Somebody who can solve Problems that no Pastor can solve.

That Fellow will surprise you today - Amen.

When you read 2 Kings 4:8-14, the Bible tells us of the Great Woman of Shunem - Even the Bible calls her 'Great'.

She was wealthy, well known to the King, well known to the Commander-In-Chief of the Armed Forces.

On the surface everything was fine.

But do you know she cried every Month, because she had no Child?

As a matter of fact, she had reached a Stage where she had lost Hope; until God intervened.

With all her money, all her influence; and with everything that seem to be going on fine! there was a Problem that money could not solve.

And God intervened.

I don't know what Private battles you are fighting; today, God will Intervene - Amen.

You would remember the Story of one Lady who came to us and said: Please, Pray for me.

I said okay, I will Pray: But what exactly do you want me to Pray about?

She said, Pray first, when I come to Testify, then you will know what the Problem was.

How can I Pray when I don't know the Problem?

She said, "Can you solve the Problem?" I said, No ma. She said, just Pray, "God, settle this Lady."

My Prayer then was centered around the Theme of today: "Almighty God - Whatever may be her Problem, Please Intervene.

When she came to Testify, it was then I knew that she was close to thirty (30) years, and she was still bed-wetting.

And she said, supposed I told you - You prayed and nothing happened, next Sunday when you see me coming, "here comes that girl who is bed-wetting."

I decree in the Name that's above every other name: That Problem that you can't share even with the Pastor; Almighty God would solve Tonight - Amen.

2. You may be under a Curse like these People in Jericho.

The reason they had Problem was because Joshua had Pronounced a Curse on that City - DMC  
NOTES: Joshua 6:26.

Thank You Father.

The Lord asked me to tell Someone here, or reading now on the Label of DMC:

He said, I brought you to this Land, I will Bless you here - Amen.

Joshua Placed a Curse on the City of Jericho - And if you know anything about a Curse, it is that it flows downward.

Just like Blessing can flow from a father to his son/daughter; a Curse can also flow from a father to his son/daughter.

There is what they call Generational Curse.

Some of us may never understand why we Struggle so hard and there is nothing to show for it - It might be what somebody did in your Generation a long time ago that brought a Curse on the family.

But Thank God, in Galatians 3:13-14, the Bible made it clear: Christ hath redeemed us from the Curse of the Law, being made a Curse for us: for it is written, Cursed is every one that hangeth on a tree: That the blessing of Abraham might come on the Gentiles through Jesus Christ; that we might receive the Promise of the Spirit through Faith.

Based on the Word of God I decree Today: Any curse that is running in your family would be destroyed Today - Amen.

Because the Almighty God has the "Absolute Ability" to Change a Curse to a Blessing.

And I have said it before:

I. If your father Places a Curse on you Particularly when he is about to die - You are in trouble, because just as your father can say, "I have Blessed him, and he shall be Blessed." It can also be said, "I have cursed him, and he shall be cursed."

But the Good News is: If your father curses you, and your Spiritual father cancels the Curse, it will be cancelled.

II. If your Pastor curses you, and you run to the Man of God who Ordained him, and he says, don't worry, Anointing Passes Anointing; I cancel the Curse.

The curse would be cancelled.

III. If the General Overseer curses you - That is not likely to happen.

And you Fast and Pray. And when you are almost dying from hunger, you run to God and say, God Please talk to Your son - Help me appeal to him to cancel the Curse.

And God says, don't worry I would settle the matter with him and I will remove the Curse.

The Curse would be gone.

I Pray that God will never Curse you; because that one has no way out.

You see, when you look at Genesis 49:1-7, the father of Levi (Jacob) who was already on his Death bed Pronounced a Curse on him - That Levi will be scattered.

Which means the fellow will never become anybody.

By the time you get to Numbers 3:5-12, the Almighty God intervened - The one they said would be scattered, God said, bring him near.

In the Name that's above every other name: Every Curse on you that has not allowed you to assemble anything; and that has not allowed you to achieve anything in spite of every effort. Whatever that Curse may be, in the Name of the Almighty Jesus, it is Cancelled Today - Amen!

3. A Single Divine Intervention in your Life can put an end to Barrenness.

Barrenness of the womb or Barrenness in terms of Fruitless Efforts.

In Luke 5:1-7, the Bible tells us that Peter fished all Night and caught nothing.

Now, that is a very Classical example of Fruitless Efforts.

He fished all Night - He was a hardworking man as Lazy People don't fish all Night.

But somehow, everytime he threw the net, not a single fish got inside it.

I've told you before; by the following day, he couldn't go home - That is why Jesus met him by the Seaside.

And the reason he couldn't go home was because the Mother In-Law was at home.

But after a single Divine Intervention, he caught so much fish - He needed help.

I am Praying for Someone here Tonight, and all those reading now the Message on the Label of DMC: Because of the Divine Intervention that is coming into your Life Today; very soon you will need someone to help you take care of your Money - Amen.

In 1 Samuel 1:1-20, it tells us the Story of Hannah - One Single Divine Intervention, and the Mocker was Silenced.

The one that they said can never have a Child, became not just a mother of a son, but the mother of a Prophet.

And once the womb was opened, the Almighty God brought additional five (5) Children.

I have a Good News for Somebody here Tonight, or reading now on the Label of DMC: Just like my son who Testified said, "Daddy Prayed and said, within a year you will bring your Child." And he got home and told the wife. The wife said, "after waiting for twenty-five (25) years, how can it be just one Child?"

... By the way, how many of you would be able to handle Twins? The DMC Family Members!

Okay. By this time Next Year (2026) you will come with your Twins - Amen.

Thank You my Father.

Daddy says I should tell Somebody here Tonight, and those of you who are reading now this Message on the label of DMC:

He says He would Prove the Doctors wrong again - Amen!

He even said Somebody got a Doctor's Report this Week.

He asked me to tell you: "I will turn it to Fake News" - Amen.

Please when you are Testifying, remember to say it exactly like that: "This is what the the Doctors said. Then the Word of God came; and now, this is the Result."

It is very important.

Thank You Father.

The Lord asked me to tell Someone here Tonight, including those reading now on the Label of DMC:

He says your House will be full of Laughter again - Amen.

And He says: "This time around, the Laughter will Last" - Amen!

#### 4. A single Divine Intervention can make God to Remember you.

Now, whenever God decides to intervene, Particularly when dealing with the issues of Barrenness, the Bible says in Genesis 30:22-24, "God remembered Racheal."

In the Name that's above every other name, God will remember Somebody here Tonight, and those reading now on the Label of DMC - Amen.

When you have tried everything like that my son who came with Triplets, who has been married for twenty-five (25) years.

Do you know he himself is a Medical Doctor? And that they had tried IVF, and all other things.

In the Name that's above every other name, you will get your Breakthrough today - Amen.

Once God Remembers you, the rest is easy.

And the One who arranged for this Meeting has already remembered you - Amen.

#### 5. A single Divine Intervention can put an end to Untimely Death.

But the People of Jericho said the Ground was Barren, and there was Death.

I am happy somebody gave a Testimony here Tonight of how God put an end of Untimely Death in her family.

When you begin to hear things like;

- Uncle died August 19th last year.
- The following year, Aunty died August 18th.

If God does not Intervene - Because it means there is a Curse flowing downwards; the next fellow in that family would be the next one to go.

But there is a God who can intervene.

And if there is any family here Tonight, including those reading now on the Label of DMC, who have been Struggling under this Problem called Untimely Death; in the Name that's above every other name, Nobody will die Young in your family again - Amen.

In Luke 7:11-15, when you see the Widow of Nain going to bury her only son, then you know something is wrong here.

Her husband died, and left her with only one son.

She was managing with only that son and then Death went to that boy.

But fortunately for her, as she was going to the Burial Ground, deep in sorrow and the people following her. You can be sure that they were shedding crocodile tears.

There were People in in crowd following her, saying, "Are you the only one in town? How come it is in your house that there is Death all the time?"

She had a Divine Intervention, and the Journey to the Graveyard became a Journey of Rejoicing - Going back home.

6. A Single Divine Intervention can put an end to Sorrow.

And those of you who have never known Sorrow, I Pray for you: You would never know Sorrow - Amen.

And those of you who have known Sorrow before, you will never know Sorrow again - Amen.

Sorrow can kill.

If you have really had an encounter with Sorrow, it can kill you if God does not Intervene.

You know I've said it before:

When somebody in the Congregation loses someone; we Pastors know what to say: "Don't worry, God will Comfort you. Thank God the fellow is a Child of God, you will soon meet again on the Day of Resurrection."

Pastors, we know what to say - May God have mercy on us.

But wait; and it will not happen to you, in Jesus' Name.

But if it ever happens to the Pastor, it takes God; and it takes Divine Intervention to see you through - I've been through it, so I know what I am talking about.

When I lost my son, there were so many Questions on my Mind:

- God why take this Boy?
- God why did You not take me instead?
- I have done my own bit, this fellow is just about to begin.
- You didn't even tell me. At least give me a hint, I'm Your son.

Daddy, You talk to me - I am not a Prophet but you talk to me once in a while. How come this one?

So many Questions!

Oh, there were People who said, "Daddy, Please take Heart, we are sorry this happened."

How much of it do they know? It is the one who is burnt by fire that knows how Painful.

I decree in the Name that's above every other name, you will never know Sorrow - Amen.

It took Divine Intervention - A Note from one Young girl, "Daddy, let God carry you."

That's what solved the Problem.

In the Name of the One who Controls Heaven and Earth; In the Name of the One in whose Presence there is Fullness of Joy; you will never weep again - Amen!

There is a Town somewhere in Nigeria - The Traditional Ruler sent one of my Children to me; Daddy, we need help. He said, almost every two weeks somebody Prominent in the Town died. He said, we don't know what to do again, Please Come.

And I went in the Name of the LORD - I read this same Passages we are discussing Tonight (2 Kings 2:19-21) and I decreed that there would be no more Death in that Town.

It's being over three (3) years now, and they have not buried anyone yet.

In your family there shall be no more Premature Death, in the Mighty Name of Jesus - Amen.

Just one Divine Intervention and your Physical Problems can be over.

Just one Divine Intervention and your Material Problems can be over.

Just one Divine Intervention and your Spiritual Problems can be over.

Just one Divine Intervention and your Marital Problems can be over.

However, you must Play your own Part.

#### WHAT THE PEOPLE OF JERICHO DID

1. They cried out for Help.

When it is time to Pray Tonight, do yourself a favour; don't Pray as if you are in London - Pray as if you are in Ifewara (DMC NOTES: A Village in Osun State Nigeria).

Do you know where Ifewara is? That's where I come from.

When my People want to Pray, the roof would know that People are Praying.

Because if you keep quiet, Particularly your Private Battles will stay longer.

The Elders in Africa have a saying, "If you keep quiet, your Problem would keep quiet with you." (DMC NOTES: "Ti o ba da ke, ti arare a be da ke").

There are occasions when you don't Pray like a Lady or a Gentleman.

When God said, "Call upon me in the day of trouble..." (DMC NOTES: Jeremiah 33:3) - He didn't say murmur.

How do you know I am calling you, if I don't open my mouth?

When Peter was sinking, he didn't speak Phonetics (laughter).

What did he do? Just one word, Help!

Do I hear somebody shout Help?

Thank You Father.

I Pray that this one is for me. So let me say Amen first.

The Lord says there is Someone here Tonight, inclusive all those reading now on the Label of DMC:

He said, "I will appear to you from a Direction you cannot expect" - Amen!

... I told you He will Speak.

Daddy said I should tell Someone here Tonight, and all those reading now on the Label of DMC:

And I say Amen to that also.

He says, "By the time I finish with you, your Success will dazzle even your friends" - Amen.

Daddy asked me to tell you a Story - Some of you have Probably heard it before. It's a Parable.

There was this bird that was flying high, and a Hunter shot at it. The bullet hit the bird in one wing, and the bird fell to the Ground.

It didn't die, but it couldn't fly anymore - It couldn't move backwards, couldn't move forward, it was Stagnant.

But one day, the bird cried to God. It said, Nobody can help me, it's only You Lord..

And the Lord touched the wing; and it was healed.

The bird soared in the air once again, singing, "The bird with one wing is flying again."

The Lord asked me to tell Someone here Tonight, and all those reading now on the Label of DMC:

It's difficult to move forward, it's difficult to move backwards; and you are not sure where Help would come from - Either from the Right nor from the Left. And you were once flying before.

The Lord asked me to tell you: "The bird with one wing shall fly again" - Amen.

If you have Private Battles you are fighting, Please tell God Tonight - Don't hide it from Him.

I didn't say, tell the Pastor. I am not even saying, tell the General Overseer - Tell that Problem to the One who can solve it.

I will tell you a funny Story that will illustrate this Point.

I went to visit one of my Uncles during one long Vacation, when I was still a Student at the University - He was married to one Sophisticated Woman.

When it was time to eat, she gave me one little Pounded yam - I looked at the food, "this thing is not going to fill me."

So I called my Uncle's wife, Sister! She said, Yes. "Are you happy that am here?"

Because if she is not happy I may quickly pack my load and go.

She said, you are most Welcome.

I said, if that is the case, go and bring me more food.

She went to the bedroom to talk to her husband and I heard them laughing - I don't know what they were discussing; but all I know is that Sister came out and brought me four times the original Pounded yam (laughter).

You see, it is because, if I am going to leave the following day, I would Pretend that all is well - I can always buy bread at the Motor Park.

But I was going to stay there for a week, and I didn't want to starve.

Do I hear you lift your voice to the Almighty God and say God help me Tonight?

The Widow of the Son of the Prophet in 2 Kings 4:1-7; for a long time she knew she was in debt and she knew that one day the creditors would come but she kept on Pretending.

When People ask, "Sister how are you?" - The Lord is my Shepherd and I shall not want. Oh, Glory be to God!

But when she heard that the Creditors would come within twenty four (24) hours, "Sister how are you?" She said, all is not well. And she ran to the Man of God for help.

Please, when it is time to Pray Tonight, Pray!

2. You must from now on, begin to Obey God

Because there in Jericho, when the Man of God said to them, "Bring me a new cruse, and put salt therein. And they brought it to him."

They didn't query him - They didn't say, what for?

We are talking about Problem in the City and you are asking us to go and bring salt.

I've told some People who believe that they know Theology - After you have known all there is to know, that is when you begin to know God.

You may have PhD in Theology but there is something called, "The Ministry of the Prophet."

When Elisha said, "Go and bring me salt" it's not written in the Bible that if a town is under a Curse, then you must take salt and go down to the River and pour it.

It is not written anywhere; and he didn't learn it from Elijah either.

But he heard the inaudible - He heard the voice of God.

And I think it was when I was turning Eighty (80) and some of the Pastors and Bishops decided, whether I like it or not, they wanted to Celebrate me.

One of them was giving a Testimony and he said - He is a Medical Doctor, and has his own Hospital. All of a sudden the daughter was dying, and there was nothing else he could do. He knew as a Doctor, the way this thing is going, this girl would be dead soon.

He picked his Phone and called me in the Middle of the Night. I said okay, I will Pray.

And as I began to Pray, God spoke to me: Son, call him.back, tell him to do this and that. Yes Sir!

I called Him back and I told him what God said he should do.

And as he began to do it, the other Doctors there with him were saying, what are you doing?

He said, I know this is not Medicine. I am only obeying the Word of God through my Pastor - He said, after all, Medicine has failed me.

When he was giving the Testimony he said, "that my daughter is now a Medical Doctor."

If the only Obedience you agree to show Tonight is to Pray, and to Pray fervently; Please obey because this is a Night you are not going to forget.

I thought you would say Amen - Amen!

Because when you obey the One who is the Most High God; the One who has the Ability to do and undo; He knows what to do to solve your Problems.

There is this true Story:

When we were building Redemption City in Nigeria, and I gave all Area Pastors Assignment, "Build a Dormitory for your Area; and I would build Auditorium for everybody."

We all ran into Financial Problem - I needed seventeen thousand Naira (#17,000) to roof my own Assignment (The Auditorium).

... That's is more than seventeen Million (#17,000,000) now.

And out of the seventeen thousand Naira (#17,000); I had only one thousand Naira (#1,000).

And then one Area Pastor - Who is now on the Altar (laughter) needed one thousand Naira (#1,000) to roof his own Dormitory. He came to me and said, Daddy Please help me, I need one thousand Naira (#1,000).

I said, if you don't get out of my Presence now...

I am looking for seventeen thousand Naira (#17,000), you are looking for one thousand Naira (#1,000).

And I was wondering how he knew I even had one thousand Naira (#1,000) - Should I give him the one thousand Naira (#1,000) and go back to zero?

So when he saw the way I behaved, he ran away.

But as he was running away God spoke to me and said: Give him the one thousand Naira (#1,000).

Ha! I almost said, "get thee behind me Satan." But I know His voice.

So I called him and gave him the one thousand Naira (#1,000) - And he was galloping away with Joy.

I said, it's not your fault - Your Problem is solved.

And God spoke to me and said, why are you grumbling? There were two (2) Problems, I used

you to solve one (1) Problem - Only one (1) Problem remains.

And before that day was out, my own Problem was solved too.

I decree Tonight, before the sun rises tomorrow, your Problems would be over - Amen.

You must learn to Obey!

3. If you ask God to Intervene in your Affairs, you need to know you are asking for Something Big.

Because the moment He steps into your Life, He will take over - So you must be ready to be under a New Management.

Up till Tonight, you have been Struggling with your Private Battles - Struggling with some Sickness that either Doctors say, we can only manage it, we can't cure or they've told you there is nothing they can even do about it, etc.

If God intervenes, it means, from now on He will be your New Manager - That's very important.

You see, it is a very dangerous thing to ask God to step into your Life because once He comes in, you can't be controlling Him anymore - He will be your Controller.

If you ask Him to come into your home, He will not be a tenant - The moment He comes in He will be your Landlord.

The moment He stepped into the boat of Peter and said, I want you to cast your nets into this side of the sea, Peter was saying, Lord I have fished all Night; You are a Carpenter, I am Fisherman.

Quickly, something Prompted Peter to say, "Nevertheless, at Thy Word."

"From today onward, it is going to be "At Thy Word, LORD."

Because He says in Matthew 21:28-31, Come unto me, all ye that Labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in Heart: and ye shall find rest unto your Souls. For my yoke is easy, and my burden is light.

He says, from now on I will be the Controller.

Let me Conclude:

There is something written in that Passage - So the waters were healed unto this day, "according to the saying of Elisha which he spake" - 2 Kings 2:22.

It didn't say, by the word that Elisha said - God asked him to say.

When God wants to Intervene in the Life of Someone, almost invariably he sends His Prophet to go and issue the decree.

God brought me here Tonight to come and decree into your Life - I will do so with all Joy; after you have satisfied the Conditions.

I. After you have made up your Mind that you want to be in Christ.

II. That you want to be a Brand New creature - You want to live a Brand New Life.

III. You want to Obey Him all the days of your life from now on.

I've told you Stories before, and I keep saying it again and again - I am not a Prophet. I only hear from God once in a while.

The God that I serve is the One who has asked me to come and talk to you Tonight:

I. He is the One who told me at the Beginning of the year that there would be flood in an unprecedented manner.

II. He is the One who told me there'll be massive Outbreak of fire.

III. And this same God also said at the beginning of the year that this Year is going to be a Landmark Year.

Maybe this is your own Remarkable moment.

I will decree like He asked me to, and every word that has gone forth Tonight:

- When He says there is Someone here I am going to Surprise you. That is a decree.

- When He says He would show up from an Angle you are not expecting. That is a decree.

- When He says by the time He finishes with you, your Success will dazzle even your friends. That's is a decree.

I will tell you just one more Story, and those of you who are yet to Surrender your Life to Jesus, you will have to come forward.

And then we will Pray,

I will make some decrees.

The Pastors in accordance with the Word of God will lay hands on those of you who want hands to be laid on you.

And then we would round up.

I have told you the Story before; but it is very relevant:

One of my daughters came to me and said, Daddy I want to go to the American Embassy for Visa, Please Pray for me. So I Prayed.

And then she came back and said, they didn't give me the Visa. I said, but we Prayed.

She said, I know they won't give me. What do you mean? She said, you Prayed, but you didn't say, "It is done!"

I said okay, but they gave you Permission to Appeal? She said, Yes.

That's ok, Appeal. And this time, It is Done!

After she lodged the Appeal, she was sent to the very first fellow who attended to her.

So she went to the same woman, Presented the same Set of Documents.

And the woman said, you mean we refused you? She said, Yes you did.

The fellow said, we are sorry. For that, you have two (2) years Multiple Visa.

Because by the Grace of God, somebody said, "It is Done!"

But that is for only those who Genuinely belong to Jesus.

And the rest of us, Please let's Stretch our hands towards these People and intercede for them.

Pray that their sins would be washed by the Blood of the Lamb.

DECREES

Father, on behalf of all of us I say Thank You.

Thank You because at long Last, our Day has come.

Please accept our Thanks in Jesus' Name.

In Your Name Oh LORD, I decree concerning everyone here today, including those reading now on the Label of DMC:

We shall be Remembered!

In every facets of your Life, God will Intervene.

In every facets of the affairs of your Family, God will Intervene.

Mentally, God will Intervene.

Emotionally, God will Intervene.

Spiritually, God will Intervene.

So shall it be!

In Jesus' Mighty Name we have Decreed - Amen.

If you have received your own, let me hear you shout Hallelujah - Hallelujah.

God Bless You!

You may go back to your seats now.

Thank You Lord.

Praise the Lord!

## LAYING OF HAND

The Bible says if one of you chase a thousand, two of you will chase ten thousand (DMC NOTES: Deuteronomy 32:30).

The Bible says, Again I say unto you, That if two of you shall agree on Earth as touching any thing that they shall ask, it shall be done for them of my Father which is in Heaven (DMC NOTES: Matthew 18:19).

So if you are here Tonight and you think that maybe your Faith alone might not be enough; the Pastors would be willing to lay hands.

They've Prayed with me, and they are ready.

They would be laying hands on you, just in Agreement - And then you can be double sure sure.

As the wonderful Choir would continue to Minister.

The Pastors would just touch you and say, In Jesus' Name - It simply means, "we agree with you."

And then you can go back to your seats rejoicing.

Pastors, God Bless You.

And then the Musicians, God Bless You too.

We want to do two (2) things together:

1. I want to give you an opportunity to ask God for your Christmas Gift.
2. Before we do that, has anybody been blessed at all? Yes, for the DMC Family Members.

So it is proper for us to say Thank You to God.

## THANKSGIVING

Take your Offering, lift it up to the Almighty God, and ask Him for Three (3) Special Things.

Three (3) Mighty Things - and tell the Almighty God: Please, before Christmas Day, let me have Three (3) Miracles.

Take your Offering, lift it up to the Almighty God and tell Him the three (3) Major things you want Him to do for you before Christmas Day.

Just go ahead and tell Him!

In Jesus' Mighty Name we have Prayed - Amen.

#### CLOSING PRAYER

My Father and my God, I commit the Offerings of Your Children into Your Hands:

Please, receive these Offerings - Bless them. Sanctify them and Use them for Your Glory.

Father, one of my own Requests is that everyone giving now or Online will at least receive a hundred fold Returns Lord, this very day.

I Pray for all those who are giving now or Online, that they will never Lack again.

And very soon, what they are giving now will become very little compared to what they will be giving.

And Father, the Three (3) Miracles that Your Children have asked from You:

I decree, it is done!

Father, it is done!!

Almighty God, it is done!!!

The next time I hear concerning any of these Your Children, let them have Mighty Testimonies, to the Glory of Your Holy Name.

I Pray for every one of you: Every danger left in this old year (2025) will stay away from you.

Every Blessing that God can give in the remaining Part of this Year (2025) would come to your Home.

It shall be well with you!

I say it shall be well with you!!

It is done!

In Jesus' Mighty Name we have decreed - Amen.

Now, with great Joy, Dancing, Rejoicing, Praising God; drop your Offering.

And I'll be hearing Good News from you - Amen.

Okay, over to you Band.

BIBLE TEXT: 2 KINGS 6: 8-17

OPENING PRAYER

Almighty God, King of Kings and Lord of Lords, the God of The Redeemed Christian Church of God (RCCG) - We Worship You.

We Thank You for the Great Things that You are doing in Europe and we Thank You for Greater Things that You will yet do.

Please accept our Worship in Jesus Name.

My Father and my God, I commit all Your Children who Graduated from the Bible College to Your Hands; Please don't let them leave here with Ordinary Certificates, let Your Presence go with them and use them Mightily for Your Glory.

As for all those People that You have Ordained; every Proclamation that has been made concerning them, Father establish them.

Let it be well with them.

And those who are looking forward to a Day when their own Ordination will come; Father hasten the Day.

Those who has been Ordained long ago that You have kept till now; Father Please keep them till the very End.

And even before we leave here my Father and my God; the very Best that You can give to any Man give to all of us.

In Jesus Mighty Name we have Prayed - Amen.

Well, let Someone shout Hallelujah - Hallelujah!

You may Please be seated!

I know that many of us will want to say: Thank You to God for what He has done - And we will do that at the end of the Service.

I want to rejoice especially for all those who Graduated Today from the Bible College because it is one thing to start but it is another thing to finish.

Thank God that the Almighty God has helped you to finish.

And you will continue to finish well - Amen.

I rejoice with those who has been Ordained Today - I'm sure that you have heard me say that when I was Ordained fifty (50) Years ago, for a long time; I didn't take my bath.

I was so jealous of that Oil on my Head that I didn't want to wash it off.

It took me a while before I realised that Ordinary soap and water cannot wash it away.

The only thing that I know can wash away that Anointing is sin.

And so, I rejoice with those of you who has been Ordained Today - Don't follow my Example and say that you are not going to take your bath.

I rejoice with you - Congratulations!

You know, I am not just your dad; I am also your Coach and so I need to say one thing - I think it is long that I say it last and so I want to say it again.

There is no where in the Bible where it says: "Thou shall not wear a wigs".

That's why I have stopped talking about wigs.

But then, you come for Ordination with "Heavy Wigs" and they pour the Oil - And the wigs get Anointed and your Head remains dry?

You know the implications - I have seen all manners of wigs since I came in.

And some of us seems to have forgotten that the Bible says: "Let your Moderation be known unto all Men" (DMC NOTES: Philippians 4:5).

You must Stand Out in Moderation - All Men must say that your own is too much!

That's what they said about me.

You know several years ago in Nigeria, it became Fashionable if you are a Man of God to wear a "Flowing Agbada".

Some of the Old People here will remember.

It became Fashionable to try to Outshine the Politicians in the way you dress.

But then I used to dress and I still dress like that; as simply as I can.

If you see me with a long Sleeves Jacket here, it is because of your cold.

And one of the big Man of God then said: I like everything about you except the way you dress like an Hunter.

And I told him Politely - I said: I am not an Hunter but a Soldier. I dress like a Soldier.

Today by the Grace of God, People are dressing more a little like me.

Like I told the Young Ones a couple of days ago (DMC NOTES: During the RCCG Continental 9 Workers' Rally 2025 on Tuesday 16th September 2025 - You can get to read the Full details on the Label of DMC); there is something that is called "Northern Stars".

That when you go into the Ocean in the Olden Days and you cannot locate the Direction you came from anymore - You look at the North at Night and there you will see the Northern Stars. Wherever they are Pointing, that is the North.

One thing that I didn't tell them is that there is something Peculiar about the North.

You read your Bible and it will tell you that Promotion does not come from the East, it doesn't come from the West, it doesn't come from the South - And it keeps quiet and didn't say anything about the North.

It only went on to say that: But God is the Promoter!

DMC NOTES: Psalms 75: 6-7

So where is it that it doesn't talk anything about? The North!

When you see People like me and you think that we are ancient; we are trying to be like the "Ancient of Days".

Let your Moderation be Known - Be Outstanding in Moderation!

Let People look at you - They may say that you are Legalistic!

DMC NOTES: To be Legalistic means: Strict, Literal or Excessive Conformity to the Law or to a Religious or Moral Code.

I am not making Rules and I am not saying that Particularly this is how you should dress - I have stopped saying that long ago.

I know sooner or later - When you turn right, you turn Left and you turn backwards as we used to do with Facecaps. And it gets to a Stage when you don't know where to turn anymore.

Then you will come to those of us you called "The Ancient" and you will find Direction.

Thank Gid for the Young Ones who got Ordained before they were forty (40) Years ago - Congratulations!

I was less than forty (40) Years Old when I got Ordained.

And Today by the Grace of God, I am still Marching on!

Our Bible Text Today is from 2 Kings, reading from Verse 6 to Verse 17 - if you want to get the Full Story. But I will read just from Verse 15 to 17:

2 Kings 6:15-17:

15. And when the Servant of the Man of God was risen early, and gone forth, behold, an host compassed the city both with Horses and Chariots. And his Servant said unto him, Alas, my Master! how shall we do?

16. And he answered, Fear not: for they that be with us are more than they that be with them.

17. And Elisha Prayed, and said, LORD, I Pray thee, open his eyes, that he may see. And the LORD opened the eyes of the Young Man; and he saw: and, behold, the Mountain was full of Horses and Chariots of fire round about Elisha.

My sons said something just before I came up: That those of you who are Ordained Today, you are really having an Experience that could be called "Divine Intervention".

One of the Greatest Intervention that you can have from God is to be Anointed - Because:

## 1. The Anointed is Promoted.

The more the Anointing, the more the Promotion!

I. So you have Deacon/Deaconess Anointed by the Laying On of Hands.

II. Assistant Pastors Anointed with Oil and the Laying On of Hands.

III. And then the Full Pastor Anointed with a different kind of Oil from that of the Assistant Pastors.

Because I know that some of you may think that Oil is Oil.

One of these days, we will have the opportunity to discuss this and then you will know that there is a difference between Anointing for Deacon/Deaconess, Anointing for Assistant Pastor and the Anointing for the Full Pastor.

Promotion is in degrees and it comes with Anointing!

I. In 1 Samuel 16: 11-13; when David was Anointed, he was Anointed King among his Brethren.

The only People who knew that: Here is a King are his Relatives.

II. By the time we get to 2 Samuel 2:4; he was Anointed a Second Time - And this Time, as King of Judah.

He is no longer King among the Brethren, but King over a Tribe.

III. By the time you get to 2 Samuel 5: 1-3; he was Anointed again - This time, King over Israel.

So from being Anointed as King among his Brethren, to King over Judah and then to King over Israel.

... The Anointed is Promoted!

So, all of you who has been Anointed before Inclusive those who are Anointed Today - Congratulations on your Promotion!

## 2. The Anointed is Protected.

In Psalm 105: 14-15, the Almighty God said: Hey, touch not my Anointed, do my Prophets no harm.

Those of you who are friends of the People who has been Ordained Today; be careful how you handle them from now on - It is not the same Person who came in that is going out.

... The Anointed is Divinely Protected!

Even if the Anointed offends you, be careful how you handle him/her.

You remembered the time that King Saul was chasing David about and wanting to kill him.

And then, he went into one little cave to ease himself and the Colleagues of David said: Ha, the Day has come to kill him because David was inside the same cave.

David said: No, I can't kill the Anointed. But to let him know that I have been here, I will cut a little bit of his dress.

The Bible says that David has an Heart Attack for just cutting off the Cloth of the Anointed.

... The Bible said that his Heart smote him.

DMC NOTES: 1 Samuel 24: 1-7

Do you know what smote is? To give you a really nasty blow.

He had a Heart Attack - Thank God that he didn't die.

... The Anointed is Protected - You might not see it, but the Protection is there.

3. The Anointed is Defended.

From the Bible Text (2 Kings 6: 8-17) - The King got annoyed when he understood that every Secrets in his Palace is being revealed to Elisha.

Where is he? And they said that he is somewhere here. He said let us go and get him.

But do you know what is interesting here?

He sent an Army - Horses and Chariots to arrest one Man.

What does that tells you? Even the devil knows that the Anointed is under heavy Guard.

Some Years before then, I think one King got angry with Elijah and he wanted to arrest him - He sent fifty (50) Soldiers and a Captain to arrest one Man who has no sword.

And when those People didn't return - And whether you liked it or not, I like Elijah as that boy can be tough.

The Captain came and said: Man of God, come down as you are under arrest?

He (Elijah) said: Roast! - I like him.

Immediately, the Captain and his fifty (50) Soldiers became ashes - That's Power Men!

DMC NOTES: 2 Kings 1: 1-10

People like you don't know the Value of that kind of Power.

People like me who had to go about all Night in my Blessed Nation with Boko Haram and whatever - People wondered: How can you be travelling everywhere even at Night whenever you wanted to.

Ha, let them come - There is a Power that can roast.

But in the case of Elisha, the King says that boy has the Double Portion of the Anointing of his Oga (Elijah) - Fifty (50) Soldiers won't do and so he sent a whole Army.

And then, what did he discovered?

There was another Army - This time a tougher one that is surrounding Elisha.

I mean the Army was sent at Night.

That is why those of you who sleep throughout the Night, you need to learn how to Pray once a while at Night because your Guards are more attentive at Night than during the Day.

When the Young Man came out and looked around in the Morning - Hey, w whole Host of Army has surrounded him and his Master. He ran in and said: Master, what shall we do?

Oga says relax Men - Those who are with us are more than who has been with them.

The boy said that you are sitting inside the Tent - You don't what is happening outside of.

Elisha says alright, Please Daddy open his eyes.

And the boy eyes were opened and he saw Horses and Chariots of Fire surrounding them.

I Pray Today that God will open your eyes - Amen!

I think that the boy went out now and said: You want to fight? Come on, we are waiting for you.

... The Anointed is Heavily Defended - Not a joking matter o.

The boy looked at the crowd outside and inside and say: Alright, let us fight.

#### 4. The Anointed is Heavily Equipped.

Those of you who has been Anointed Today, you may not know it but you are no longer what you used to be.

You see because the Bible says in Acts 10:38 - It says: How God Anointed Jesus Christ of Nazareth with the Holy Ghost and with Power who went about doing Good and Healing all that were Oppressed of the devil for God was with Him.

Those of you who has just been Anointed, I want you to Challenge the devil - And tell him to send as many Sick People as much as Possible to you. Tell him that you will deal with the situation.

I think that Somebody was making an Announcement and said: There is an Ambulance outside.

You won't be in the Ambulance except you want to go to the Hospital to go and free everybody there.

That will come to Past - Amen!

You see because in Acts 1:8; the Bible says that you will receive Power when the Holy Ghost is come upon you.

That is what God said - God will never lie. You may not feel it.

The Bible did not say that: "The Just shall live by Faith" (DMC NOTES: Habakkuk 2:4; Romans 1:17; Galatians 3:11 and Hebrews 10:38).

All you need to do is to believe the Word of God - The Just shall live by Faith

I remembered several years ago - More than forty (40) Years now; when I was in Ilorin (DMC NOTES: Capital City of Kwara State Nigeria) Lecturing at the University of Ilorin and Pastoring our Little Church there.

And I was Praying one Night there - God gave me Power as I need Power to do this work.

And that Night, God spoke to me - Have you been Baptised in the Holy Spirit? I said Yes.

Is it not written that you shall receive Power - But I can't feel it?

God said that: But my Word is Settled - I said I know.

Use the Power that you already got!

Okay sir! Next time that I see Somebody who is Sick, I am going to lay hands on the Fellow and show them that I have Power.

The following day, a woman came to me - Somebody sent a woman with a baby that has been rejected from the Hospital because the Child has not slept for quite a while.

So the Doctors said that there is no need waiting in the Hospital - Just go home as we have done our Best.

And then Someone said: My Pastor is there - Take the Child to the Pastor, he will Pray for the Child and all will be well.

I didn't know why the Fellow did not Pray but want to get me into trouble.

And so, they brought the Child and I said: Oh God, what am I going to do now?

God spoke to me and said: Last Night you said that any Sick Fellow, you will Pray.

I am not talking about the one rejected by the Hospital - I'm thinking of Someone with a little Headache.

But there was no where to run as the mother had already pushed the baby into my hands.

And as I began to Pray - Almost as I say: "In the Name of Jesus Christ"; the Child went limp.

I didn't know that the Child fell asleep - I said that I am in trouble.

You know Gid will meet you at your Level of Faith - He didn't wait for me to Pray a long Prayer.

That will be your Testimony too - Amen.

5. The Anointed will be held Accountable for the Anointing.

Why? The Bible said so now.

Luke 12:48 - To whom much is given, much will be required.

Do you know that there are things that you can do that you can get away with that if I try it as the General Overseer, God will deal with me.

How many of you will love to be Special in the Hand of God?

How many of you will like to be a Favourite of the Most High God?

How many of you will want His Anointing upon your Life to Overflow?

You really want that? Congratulations as you will get it - Amen!

And then, you will get the Responsibilities that goes along with it.

I have heard some of you telling what is called "White Lies"; or "Business Lies".

You will get that Anointing and then try a "White Lie" or "Business Lie" then you will know that you are serving a God who is one hundred Percent (100%) Holy.

Let me just give you one illustration because of time:

I travelled to Ilesha in the Western Part of Nigeria and I came back and then decided to go and pay my father-in-the-Lord a visit.

And I was living in Surulere Lagos State and he was living in another Part of Lagos.

As I was going, I remembered that he has taught us that you don't go to the Man of God empty handed and I had Nothing to give him.

As soon as I gave him the oranges, he asked Somebody to come and begin to Peel.

They peeled the first one and as he began to suck.

He said that this is very delicious; you bought it on the way?

Now the Question he was asking was: You bought it on the way coming from Ilesha? I said Yes sir.

And immediately God grabbed me and said that you have lied because you bought the orange from the Roadside in Surulere and not Ilesha.

So I said to God - What is the difference? Roadside is Roadside, whether Roadside from Ilesha

or Roadside from Surulere.

And I said: In any case, how does it affect the Sweetneas of the orange?

God said: Son, you have lied. You understand the Question and you gave a wrong answer.

When the Holy Spirit won't let me rest, I said: Papa, you asked a Question just now about where I bought the orange from? He said Yes.

And I said that I lied - I bought it from the Roadside in Surulere.

Papa laughed - Looked at me and said: Hmm, Holy Spirit!

You want God to deal with you like that? So that when you speak, we know that you are speaking the Truth, the whole Truth and Nothing but the Truth.

So that even your Colleagues will say that your own is too much?

Then I Pray for you: That Level of Anointing where even before you Pray He will answer; receive it in Jesus Name - Amen!

Let me consider Moses - God loved Moses!

The Bible says: He spoke to Moses mouth to mouth (DMC NOTES: Numbers 12:8).

God said that if I want to talk to any Prophet among you, I either talk to him in Dreams or Visions.

But for Moses, no Parables - I say it as clear as it is.

But Moses made just one Mistake and God dealt with him.

The Anointed - Congratulations:

- ☆ Congratulations that you are Promoted.
- ☆ Congratulations that you are Protected.
- ☆ Congratulations that you are Defended.
- ☆ Congratulations that you are Equipped.

But to whom much is given, much will be required!

## ALTAR CALL

I don't expect anybody to be here who is not already Born Again.

But you never can tell - Somebody might have come to rejoice with us that is yet to be Born Again.

If you know that God will be so Strict in dealing with those who are His own, how much more will He deal with those who are not His Own?

So, if you are not God's Own - You are not thoroughly Born Again or you are Pretending to be Born Again but you are just living the Life of Someone that is far from being a Child of God.

Maybe you can come forward so that we can settle the issue of your Salvation.

I will count from one (1) to four (4) - If you are not absolutely sure that your own Salvation is the kind that will not tolerate sin; come and let's Pray together.

Let me ask God to give you the kind of Salvation that He gave me.

He us Calling you and the Choice is yours!

I am counting now:

Those if you infront, Please go ahead and ask Him for that kind of Salvation:

That will not tolerate any form of sin.

That wants to be a Child of God in every areas of Life - Free of every form of sins and living a Life of Absolute Holiness.

That God should help you to have that kind of Salvation.

Thank You Father!

In Jesus Mighty Name we have Prayed - Amen!

## PRAYER FOR SALVATION

My Father and my God, I Thank You for Your Words and I Thank You for the Message of Today.

Thank You for this Very Special People that has decided that they don't care what anybody may say but they want Genuine Salvation.

Father, Please receive them, and save their Souls.

Oh Father, the kind of Salvation that You gave me, give to them.

From Today onwards, let them hate sin with a Passion.

You Promised Lord that if we Love Righteousness and we hate Iniquities, You will anoint us with the Oil of Gladness above all our Fellows.

Father, fulfill that for them.

And I Pray that in Your Kingdom, I will see them there.

In Jesus Mighty Name we have Prayed - Amen.

Praise the Lord - Hallelujah!

God Bless You!

Well, you want to Pray one more Prayer.

I told some People I spoke to before coming here that the first time God introduced Himself to Man, he calls Himself "Jehovah El-Shaddai" - The God who is More Than Enough (DMC NOTES: Genesis 17:1).

And I said that Bible Scholars said "Jehovah El-Shaddai" means "Jehovah, your Mother's Breast".

In other words, when you are sucking Milk from your Mother's Breast, you are the one who will say Enough.

And Mama will say: No Problem, anytime you want, I am here.

So I told them that inspite of the Miraculous Things God did during The RCCG UK Festival of Life 2025 on Friday, 19th September 2025 - He is still ready to give you more.

So there might be some things you forgot to ask on Friday - Things that you suppose to ask for

but you didn't ask for.

God is willing to give you - He is always Standing by.

And then I told them that what happened at the Wedding at Cana of Galilee shows you that God reserves the Best till the Last (DMC NOTES: John 2: 1-11).

So no matter how Good what you have already received, He can give you something better.

So you will be Praying these Prayers in a moment.

But I want us tied that to our Thanksgiving.

If you want to say Thank You to Jesus Christ for what He has done in your Life Particularly Today.

You can ask for an Envelope - Put your Thanksgiving Offerings there and then we will lift it up to God as we Pray that Special Prayer!!!
