BIBLE TEXT: ISAIAH 42:9

Thank You Lord. Halleluyah!

SONG:

We give You all the Glory
We give You Honour;
We give You all the Glory
We give You Honour (Jesus)

OPENING PRAYER

King of kings and Lord of lords; the I Am that I Am, the Ancient of Days, the Unchangeable
Changer, the One who never grows old - We Worship You.

We Thank You for all You have done for us since Year 1982.

We Thank You for what You would yet do.

Thank You for remembering us.

Please, accept our Thanks, in Jesus' Name.

Father, today like never before, Bless this University (DMC NOTES: University of Ibadan)

Bless our Vice Chancellor, in Jesus' Name (DMC NOTES: The Current Vice Chancellor of UI
is: Professor Kayode Adwbowale - A Professor of Chemistry who assumed Office late 2021 as
the 13th Vice Chancellor of the University of Ibadan).

Bless the Academic Staffs, bless the Non-Academic Staffs, bless the Students and every Workers
here.

And Lord God Almighty, in a way we cannot explain, let there be Peace in the University of Ibadan again.

In Jesus' Mighty Name we have Prayed - Amen.

Well, let Somebody shout hallelujah Hallelujah!

Shake hand with one (1) or two (2) People you have not seen this Year, say: Happy New Year.

I am extremely happy when God told me that the Topic for this Programme is: "A New Beginning".

Because that reminds me of all the things He has done in the Past - Miracles, Signs and Wonders that cannot be easily numbered.

We started the Journey on this Campus in 1982 - And it started because the wife of one Professor gave her Life to Jesus Christ. And then through her husband who also gave his Life to Jesus Christ.

Then the husband said, who would be coming around to teach us many of these things that we thought we knew, that we never really knew? You must Pray about it.

I said I okay Slsir, I will Pray about it.

And so for the first time, in the Professor's sitting room, five (5) of us gathered for a Bible Study - We were five (5).

And then the number started to increase - We got to a stage where we could no longer be contained in his Living Room, so we moved to the backyard.

And very soon, the backyard could no longer contain us; so we moved to one Lecture Theatre. And then we moved on to the Chapel. And when the Chapel could no longer contain us, we moved outside.

When I look around today and I see the number of People here and I compare it to the five (5) of us who started forty four (44) years ago, I say Glory be to God!

I will read Isaiah 42:9 - The Bible says:

Behold, the former things are come to pass, and New things do I declare: before they spring forth I tell you of them.

Tonight's Message is just a little of Prophetic Declarations - The Almighty God is saying you are a Witness to some of the things that happened in the Past;

He says, I want to do something as Great and even Greater that has happened in the Past - Amen.

I would have loved to spend a long time recalling all the things that have happened; but just a few would do.

So that you will know that your Life is about to have a dramatic Change for the better - Amen.

You see, in Malachi 3:6 the Lord says, For I am the LORD, I change not; therefore ye sons of Jacob are not consumed.

In Hebrews 13:8, the Bible says, Jesus Christ the same Yesterday, and to day, and for ever.

I am going to share with you maybe about five (5) Major Testimonies that happened in the Past on this Campus:

How things began to happen here and it wasn't long Obafemi Awolowo University (OAU) heard it, they came to me and said Sir, you Graduated from us. Whatever you are doing at the University of Ibadan, you must do in Ife. And then we moved on.

We would come here on Tuesday, and on Wednesday I would go and do that of OAU.

Other Universities heard about what we are doing and the thing began to spread.

Now God is asking us to go back to the beginning - Because He says He wants to do some New Things.

When we started the Bible Study here in UI - As you know, we are dealing with Academic Community; you have to go gently with them, because they have Theories for everything.

1. CREATION

I remembered very well, we started with the issue of Creation. And after the Teaching we received all manners of Theories;

- That bomb exploded and the world came.

- No, not like that; It was one that came out of the ocean and became a Tadpole.

- After some time the Tadpole became a Monkey.

- And after some time the Monkey began to walk.

They say, that's how Man was created (laughs)!

I used to tell them, I don't know about what you think, but my Father is not a Monkey.

So we began to talk about Creation - Genesis 1:1, In the beginning God created the Heaven and the Earth.

And we heard all manners of Questions:

- Who is God?

- Where was God before He created Heaven and Earth?

And then we moved on to John 1:1-3 - In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made.

Oh God! I mean, you would think that, that should not be something to argue about - It means you didn't know the Academic Community we started with.

I remembered one day that we looked at John 9:1-7 - The Story of a Man who was born blind; and Jesus spat on the Ground, made some mud, anointed his eyes and said, "Go and wash." The man went and washed, and he came seeing.

I tried to tell them that the God we are talking about is the Creator.

That if there is something wrong with you, He can recreate.

And the Almighty God moved like never before.

There were two (2) Professors - Husband and wife, and they had a son whose brain could not understand anything. They got him Private Teachers, etc. But if you move him from a class of thirty (30) Students to a class of thirty five (35), at the end of the day his Position would change after the Examination - from 30th to 35th.

I think, somehow they just felt, there is nothing to do, let's take this boy to this Pastor who says God can create to do something.

And so they brought him - We Prayed a Simple Prayer.

The next Examination the boy did came first (1st) - He did so well the Teachers said no, there

must be something wrong. Because they said even if you give him the answer to copy, he will copy it wrong. So they gave him another Test, and he scored higher.

Now, that is the kind of Miracle that God says He is about to start on this Campus and in the lives of all those reading now on the Label of DMC - Amen.

Which is why I believe that if your brain is just about Average, before the end of this Session they'll begin to look at you and say, "We have a Genius here" - Amen.

2. GOD CONTROLS TIMES AND SEASONS

Then we moved on to discuss the issues of Times and Seasons - You know, we were discussing Big Topics.

And we said that God is the Controller of Time - Oh, that led to some interesting argument.

In Revelation 1:8, He says, I am Alpha and Omega, the Beginning and the Ending, saith the Lord, which is, and which was, and which is to come, the Almighty.

We said that He is in Charge. And we showed them in Daniel 1:20-22; And he changeth the Times and the Seasons: he removeth Kings, and setteth up Kings: he giveth Wisdom unto the Wise, and Knowledge to them that know Understanding.

We moved on to John 2:1-10 and we discussed the Miracle of Water becoming Wine.

All that Jesus did was that He accelerated the Process of turning water to wine. The grape on the tree, after some time, gives fruit juice that the grape can Produce.

We told them how God caused the Sun to stand still.

We talked about Joshua 10:12-14; how Joshua told the Sun to stand still and the Moon not to move.

Then we moved on to Isaiah 38:1-8; a situation where a King was sick and God told him he was going to die. But he said, God I don't want to die. And God said alright, I heal you. I would give you fifteen (15) years extra.

And suddenly God spoke and said that there was a woman in our midst; God said He had Subtracted ten (10) years from her age.

... I don't know if she is still around this University.

By the time I visited the the following Month because then I used to come every Month - Those

days are gone for ever gone (laughter).

When I returned the next Month, People were beginning to ask her, "Why are you looking so Young?"

Which is why I'm saying to Someone here Tonight or reading now on the Label of DMC: Whatever it is going to take God to accelerate your Promotion, it would be done Tonight - Amen.

... Because He controls Times and Seasons.

3. FAITH

Then we moved, we began to talk Faith.

- From No Faith to Little Faith:

Matthew 16:8, Which when Jesus Perceived, he said unto them, O ye of little Faith, why reason ye among yourselves, because ye have brought no bread?

- We moved to Great Faith - Matthew 15:21-28.

- To Exceedingly Great Faith - Matthew 8:5-19

... And somebody just grabbed that one.

By now of course, we were already growing in the Lord. Because in the Passage (Matthew 8:5-10) a Man came to Jesus for help. When Jesus wanted to go to his house he said, "Just Speak the Word."

And there was a woman in that Meeting who could hardly walk well, because that was how far our eyes could go. She said, if God can do these activities, why am I wearing glasses? I mean, her Faith grew rapidly, she took off her pair of glasses and left it at the Chapel.

Which is why I am saying that Today, whatever it is that you could call a hindering force to your Life; you will leave it here Tonight - Amen.

4. ANSWERED PRAYERS

We began to talk about Answered Prayers.

That God is not a Man that He should lie; that once He has spoken it is done (DMC NOTES: Numbers 23:19)

That the Bible says in John 14:6, Jesus saith unto him, I am the way, the Truth, and the Life: no Man cometh unto the Father, but by me.

And I explained to us then that if Somebody is the Truth; not just the One who tells the Truth, but He is the Truth; there is no Problem of one of His Promises failing.

And there is nothing that will be too hard for Him to do. Because John 14:14 says, If ye shall ask any thing in my Name, I will do it.

And we began to look forward to doing incredible things.

One day He showed us that He can do absolutely anything - We were at the backyard of Professor Fola Abaoba. As we were about to begin our Bible Study. (DMC NOTES: Professor Fola Adeola, of Blessed Memory, is the Pioneer Dean of the Faculty of Technology in University of Ibadan).

That day there was a huge cloud and it looked as if it's going to rain - If it rains, we have no where to take the crowd to and the Bible Study would be cancelled.

So I Prayed a Simple Prayer - If Joshua Prayed and You stopped the Sun, I am Praying that You would stop the rain.

We had the Bible Study - Some People came late and we asked why they came late. They said, "Didn't you see the rain?"

It rained everywhere in UI, except the backyard of Professor Fola Adeola.

I am just sharing these Testimonies Tonight so that you can know how to Pray.

- If He is the God of all flesh;

- If there is Nothing too hard for Him to do;

Why won't I Pray Tonight and get Solutions to all my Problems?

Because He says, "I have done some things in the Past, I want to do something New; and I am just telling you before it begins.

I have Good News for Somebody here Tonight or reading now on the Label of DMC: Your Prayer Life will Change - Amen.

Because from now on you will be Praying with the conviction that if He has done it before, He will do it again.

All the Prayers I have Prayed and have not received answers, I am going to Pray them again Tonight, and He is going to answer.

I remembered very well, the Night I taught them about Baptism in the Holy Spirit at the backyard of the Professor.

After the Teaching, I said to them, "All you have to do now is ask God and He will baptize you with the Holy Spirit. And you can begin to Speak in Tongues Tonight.

Fortunately, they all believed me, and so they began to Pray.

Very soon the Holy Spirit came down, and almost everybody got baptized in the Holy Spirit except two (2) People - A couple, the wife got baptized, the husband did not.

You know Professors - The man turned to the wife and said, "What are you saying?" The wife said, something Strange is coming out of my mouth, so you have to Pray more. He Prayed more and he too began to Speak in Tongues.

And then there remained only one woman - A very, very, important woman in this area of the Country. We said, "as soon as you get baptized in the Holy Spirit you can go home."

When this very, very important woman found out that she was the only one left, she lifted up her voice and said, "Oh God, it is me "Anike" your daughter; You have answered everybody, you have not answered me."

And the Holy Spirit fell on her.

Whatever you ask Tonight, in the Name that's above every other name, before you leave here or Complete reading this Message now on the Label of DMC, the answer will come - Amen.

5. MIRACLES, SIGNS AND WONDERS

And so we began to delve into Miracles.

I remembered teaching the People on Isaiah 9:6 - For unto us a Child is born, unto us a son is given: and the Government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The Mighty God, The Everlasting Father, The Prince of Peace.

"... His Name shall be called Wonderful."

And I told them Wonderful means, full of wonders.

I went through the Scriptures showing them about God being a Wonder.

I. I convinced them that He was conceived in a Wondrous way:

A way that we Scientists, find it even difficult to believe.

II. That He does Wonders:

- He brought somebody who's been dead for four (4) days back to Life (DMC NOTES: John Chapter 11).

And there was a woman in the crowd who had Cancer at an Advanced Stage.

When she heard the Teaching she cried to God: "You even raised somebody who has been dead for four (4) days, I am not dead yet. The Doctors have written me off but You are far, far Superior to doctors; do something."

And God healed her instantly.

I am talking about somebody who asked God for an Extension of time back then, and died only about a year or so ago.

Which is why I believe Tonight, you are going to cry to God and say Lord, even if I have an Appointment with Death, Change the Appointment - And He will do it.

I can go on and on and on and on!

And tell you Miracles upon Miracles, Testimonies upon Testimonies - Some of the Testimonies, People even found difficult to share in the Meetings.

After that, I began to teach them about being Shining Light - That you are not to be a Christian in words alone, but by your Actions.

And there was this Testimony of a female Professor - I mean, the older ones here would remember. Her husband is also a Professor and they were always having arguments.

Whenever the husband said something, the wife would say, "You are a Professor, I am a Professor - You know your rights, I know my rights."

She gave her Life to Jesus Christ and she kept coming to me, "Pray that my husband would become Born Again, Pray that he will become a Christian."

One day God told me to ask her a Question - So I said, "Ma, do you want your husband to be Born Again?" She said, yes.

I said, I want you to do something - When you finished cooking, go to your husband and say, "My Darling husband, the table is set."

Because she had not been doing that - she always left the food on the table - "If you like go and eat. If you don't like, it's up to you."

I said, when he comes to eat, take a bowl of water, kneel down and say, "Wash your hands Sir."

She said, me? (Laughter) No way!

I said, don't you want your husband to be saved? Grudgingly, she went home, did what I said.

You know, when she knelt down and Presented the water to the husband to wash his hand, the husband said, "Eni to se ogun yi fun o ti se asedanu." (DMC NOTES: Meaning, the fellow who made this charm for you has lost the battle).

She said, no my Darling husband, it's not charm; I just want you to know: This is one of the things they taught us in the Fellowship that I attended.

"Is that so?" She said, yes. "Okay, next time that Man of God comes, I will fellow you."

He came, heard the Word of God and became Born Again.

When she was sharing the Testimony, it was fun!

Do you know that there is Someone here Tonight, or reading now on the Label of DMC; Because of what God says He wants to start doing again in your Life; when you share your Testimony, everybody will jump and shout for Joy - Amen.

I am going to allow you to Pray.

But there was something that happened too, which we cannot forget completely.

After some time, we had grown in number and the Brethren just decided, "Let's have an Outreach - Let's meet at Trenchard Hall; let's invite all Lecturers to that Hall. We will share Jesus to them."

And I shared as God laid it in my heart - I went about it Scientifically.

When I gave the Altar Call, forty (40) Professors gave their lives to Jesus Christ in one day - All drunk with Joy.

And that was the beginning - That's when the Lecturers, the Professors, began to attend the Campus Bible Study.

I am believing God that He is about do Greater Things than He did; that more People in this Academic Community or reading this Message now on the Label of DMC, would come to Jesus Christ - Amen.

Do you know that after the Outreach some People got angry and set the Chapel on fire?

There was a Statute in front of the Chapel back then; I think it was the Statute of one deity.

They poured petrol on the Statute; poured petrol on the Chapel itself, set it on fire.

The Statute burnt; but the Chapel did not burn.

... These are things that have happened on this Campus.

I mean, there was a time, when they saw the way we were going, there was a little bit of misunderstanding, and they wanted to pull down the Cross.

What did we do? We Prayed! And every effort to pull down the Cross failed.

I have Good News for you my Brothers and Sisters, this is not an Ordinary Night: God is about to begin something New in your Life - Amen.

Oh! Before I release you to Pray; if you are here or reading now on the Label of DMC and you do not have this intimate Relationship we had with Jesus; that caused us to do all manners of Miracles, Signs and Wonders in His Name.

And you want Tonight to be your own Real New Beginning, you have to come to Jesus.

What He did when He was saving Souls and turning them to Himself, He is ready to do for you.

We taught the People about Praying for Help - That when we find ourselves in a tight corner we should Pray.

And the Vice Chancellor at that time shared a Testimony - In the middle of the Night a crowd of Students left their Hostels; they were determined to cause havoc.

So he said, Pastor Adeboye taught us that God is a Very Present Help in trouble (DMC

NOTES: Psalm 46:1). God Please, do something!

All of a sudden, just around the Vice Chancellor's Lodge, there was a Mighty Thunder-fall that scattered all those who were Planning trouble.

I don't know who God is talking to Tonight?

I think God is looking for someone who would like to be a part of that family that can cry to God anytime there is trouble and get "Instant Answers".

ALTAR CALL

So if you want to give your Life to Jesus Christ, I am going to count from one (1) to ten (10).

Before I say ten (10), Please come, let's Pray for your Salvation and God will begin to do Something New in your Life.

If you want to come, do so now. You might be the only one; but God is going to give you a New Beginning.

Thank you for those of you who are Clapping - God will begin to do New Things through your hands - Amen.

Go ahead and cry to God now. Ask Him to have Mercy on you and save your Soul.

That He would wash away your sins with His Blood.

That He would write your name in the Book of Life.

That you too would begin to serve Him; and begin to do Miracles, Signs and Wonders for Him.

Go ahead, Pray unto Him.

And the rest of us, Please let's Stretch our hands towards these People and intercede for them;

That God who saved our Souls, and kept us Healthy and Strong, would give them Genuine Salvation.

That they would become True Children of the Living God.

Please Pray for them.

Thank You Father.

In Jesus' Mighty Name we have Prayed - Amen.

PRAYER FOR SALVATION

Ancient of Days, I want to say Thank You.

Glory be to Your Holy Name, Lord.

Thank You for these People who have decided to come forward to Surrender to Jesus Genuinely.

As You have always done, Please save their Souls today, forgive all their sins, let Your Blood wash them clean.

Write their names in the Book of Life and Lord God Almighty, whenever they call on You, answer them by Fire.

Let them serve You till the End.

In Jesus' Mighty Name we have Prayed - Amen.

Praise the Lord - Hallelujah!

I rejoice with those of you who have just Surrendered your Life Genuinely to Jesus Christ.

I want to Promise you that by the Grace of God I'll be Praying for you.

So I am going to need your names, your Address and your Prayer Requests.

God Bless You!

I am going to Pray for you now, then you will Pray for yourself.

My Father and God, who of all the Topics that He could have chosen; remembered University of Ibadan and what He used to do, and said, "Let me begin a Brand New thing among them".

I am going to ask Him Tonight, that this Night will become a Night you will never forget - Amen.

After that, you will be Praying for yourself.

I want you to stand if you believe that you are the one God is interested in Tonight;

That it is in your Life that He is about to begin Something New!

CLOSING PRAYER

Ancient of Days, I want to Thank You.

I want to Bless Your Name for all that You've done in the Past.

I want to Thank You for what You are about to begin to do.

Father, Please in the Life of every one of Your Children here Tonight or reading now on the Label of DMC:

Please, do Something New!

Do Something Great.

Change every Death Appointment.

When they cry to You for Help, You the Ever Present Help in trouble will send help to them.

Just as some People had Testimonies in those days, that they were afraid to share in Public;

Testimonies so Great that these Your People would be wondering, "Can I share this?" Give to them, in Jesus' Name.

They're going to be crying unto You Lord;

As they cry unto You Father, this very Night answer them.

And for ever Oh Lord, let Your Name be Glorified.

Thank You Father.

In Jesus' Mighty Name we have Prayed - Amen.

PERSONAL PRAYER REQUEST

Now I am going to ask the Organizers of this Programme to give you at least five (5) Minutes to cry unto God.

Say: Father, in the Mighty Name of Jesus, send help to me.

Send help to me Lord - I have heard Testimonies of what You used to do;

You say You are about to begin a New thing. Send help to me!

Go ahead, talk to the Almighty God:

THEME: A NEW BEGINNING

MINISTERING (DAY 2 MORNING - BIBLE STUDY): PASTOR E.A ADEBOYE
(GENERAL OVERSEER, RCCG)

TOPIC: THINGS TO KNOW ABOUT GOD

DATE: 14TH JANUARY 2026

BIBLE TEXT: ISAIAH 7:14

SONG

Thank You, Thank You Lord
Thank You Lord
Thank You Lord for everything You have done.

OPENING PRAYER

Our Father and our God, we Bless Your Holy Name for waking us up this Morning.

We Your Children here are crying and saying to You: Good Morning Daddy.

Thank You for Your Mercy, Thank You Your Faithfulness and Thank You for Answered Prayers.

It is not everybody who slept yesterday who woke up this Morning.

But by Your Mercy that is renewed every Morning, we are here again.

Father, accept our Thanks in Jesus Name.

Father, in the next few Minutes, like You have never done before; transform our lives and visit us in a very Special way.

These Your Children has come very early this Morning to seek You; Please let them find You.

In Jesus Mighty Name we have Prayed - Amen.

Well, let Someone shout Hallelujah - Hallelujah!

Shake hands with one (1) or two (2) People and say: Good Morning, God bless you,

And then you may Please be seated.

It is wonderful to see so many of you this Morning.

The Almighty God that you have come to seek will reveal Himself to You in Jesus Name - Amen!

We will have just a very brief discussion on: Isaiah 7:14.

Isaiah 7:14 says:

Therefore the Lord himself shall give you a Sign (A Sign that you are having a New Beginning in University of Ibadan); Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel.

My Prayer for each and everyone of you is that God will always be with you - Amen.

Not only for as long as you are in the University of Ibadan but wherever you may go for the rest of your Life - Amen!

Emmanuel (Immanuel) - Meaning " God with us".

There are some things that we should know about our God:

1. When He is seated, He is in Control.

Isaiah 66:1 says: Heaven is my Throne, the Earth is my Footstool.

So when He is seated, He is in Control.

If He has to deal with your enemies, He doesn't have to Stand Up unless that enemy is not living here on Earth.

Because all He has to do is just to move His leg apart and the Ground will open and swallow the enemy,

Numbers 16: 1-34 - Some People ganged up against Moses and God says, alright let me deal with them.

Don't let me bother myself Standing Up - Since the Earth is under my feet, I will just move apart my legs a little; the Ground will open its mouth and the enemies will be swallowed alive.

May I decree that if there are enemies that has been Pursuing you all these days, saying that you are not going to make it; in the Name that is above every other name, you won't see them again - Amen.

Several years ago, I went to Preach at a Wedding Ceremony in my Town.

And before I was Born Again, there has been an incident involving my immediate family and the Extended family that cause the Elders of the family to tell my dad that since he refused to join their Political Party because of me, they will see how old I will be before I die.

So my father came home, told us what happened at the Meeting; that very Night, my mother took me in the Night and we fled.

We fled - That was early in the 1960's and I kept fleeing until 1973.

In 1973 I got Born Again and I realised that Nobody can use me for Breakfast anymore.

So I now went sometime in 1980-something to go and Preach at a Wedding in my Village.

And I stood on the Altar - I saw all those People who Promised that they will use me for Breakfast.

And I was still a bit Younger and Rascally; so when I saw them, I said that you are here and I am here - I dealt with them.

You know that the One holding the Microphone is the one In-Charge - I mean that I dealt with them.

It was so bad that after I left, the same People went to the mother of the Bride and said: It is because your daughter was getting married, that is why that boy has the audacity to deal with us the way he did.

And they told the woman - Your daughter will be getting Pregnant soon, and then we will see where she will deliver.

And the mother was frightened because she knew who are the People talking to her.

So, she came to me and say: See now, you have gotten me to trouble. What am I going to do now?

I Laughed - I said: Mama, don't worry yourself.

Are those People on Earth here? She said Yes.

They will be fast asleep the day your daughter will deliver.

The girl that they said that will never be born is now a Medical Doctor.

When God is seated, He is in Control - So put your Mind at rest, He is in Control of your Life.

And He will remain in Control in Jesus Name - Amen.

2. Now, if He is that Powerful when He is seated; what now happens when He Stands?

Psalm 68: 1-3 says: "Let God arise and His enemies will be scattered".

If He gets up (just getting up); all enemies that may remain and has not been swallowed by the Ground will be scattered.

In Judges 14: 5-6, the Bible says that Samson was on his way to Timnath and a Lion roared at him.

And the roaring of the Lion means that he wanted to attack.

And God rose up for Samson - He grabbed the Lion and tore it to two as if it was a small kid.

I have Good News for Someone: God is going to Stand Up for you - Amen.

A son of mine couldn't share his Testimony in Public because he was in the Military then but retired now,

Some of his Colleagues were manipulating the Accounts and he refused to cooperate with some of the Military Officers who were manipulating the Accounts. And so they decided that they will eliminate him.

And so they retired him early - And it happened to be the Friday of the Holy Ghost Service; so he brought it to the Program.

And God spoke and said that there is Someone here, they have given you a Letter of Compulsory Retirement. And God said: Don't worry I will arise for you.

To cut the long Story Short - There was a Military Coup and all those who met when they retired him were sacked and he was Promoted above them all.

As the Lord lives, the One who made Heaven and Earth and the One who said: Go back to the University of Ibadan and tell them that I am about to start a New Thing - That same God will arise for you (Amen).

3. Then what happens when He now begins to move?

When He begins to move, the Ground begins to shake.

Judges 5:4 tells us that when God begins to move, the Ground trembles.

That is easy to understand - If you will consider Someone who is so Mighty that when He is sitting in Heaven, His legs reach the Earth; then those legs cannot be an ordinary legs.

And then, when He takes one step; the Earth moves to the right and He takes another step, the Earth moves a little bit to the left.

... So the Earth trembles when He is moving.

I was travelling to Ilesha (DMC NOTES: A Town in Osun State Nigeria) and I got to Ile Ife (Another Town in Osun State Nigeria) and I saw one of my daughters standing by her car - And she was so gone in sorrow that she doesn't even realised what was going on around her.

I saw her on the road - I saw her face and I told my Driver to stop as there is something wrong with my daughter. Maybe the car has a Problem.

So we "Back Up" or using the Nigeria Language, we reverse (DMC NOTES: In American English, "Back Up" is the Standard and most common term for reversing a car. While "reverse" is the formal term and also widely understood, "Back Up" is the typical Phrasal verb used in everyday speech and commands).

And I got out of the car and went to her - She didn't even notice me.

Ha, my dear daughter - She jerked; what is it that is causing you so much sorrow?

She said: Well, I have been having children but all of them girls. I Prayed for a boy - I got conceived and they told me that it is a boy.

Now, I came here for Antenatal and they told me that the boy is dead and they want to evacuate him.

Oh, that is why? She said yes.

I said maybe that is why God asked me to pass by this way because He made me a Promise when coming into Full Time Ministry that wherever I go, He will go with me.

I said: That is enough.

I laid my hand on the stomach and the boy jumped back to Life.

With all Humility: I am not here alone, He sent me here this time - And I am saying to all of you that anything Good in your Life that the devil has killed, will come back to Life (Amen).

4. And what happens when He arrives?

Definitely after all the Shakings right and left, by the time He arrives where He is going; there will be an Earthquake.

In Acts 16: 24-end, when they put Paul and Silas in Prison for doing the works of God. And instead of grumbling at Night saying: Look at us Oh Lord doing Your works and you can't even take care of us?

They began to Praise Him - Father, we would have come to Church Tonight o but we are in Prison. So we will turn the Prison to a Church.

He (God) said: Okay, I dwell in the Praises of my People; let me come and pay a visit to those who are Praising me.

Because all over the world, everybody is saying: God do this for me, do that for me but here I found two (2) People who says, God we are not asking for anything o; we just want to Praise You.

He said: That is refreshing!

By the time He arrived, there was an Earthquake - Prison doors were flung open, Yokes were destroyed, the Jailers became the Students et cetera et cetera.

You know that I have Good News for the University of Ibadan - It is an amazing thing to me that God still loves you this much!

Because most of the things He does, He does it simply out of Grace and not that you deserved it.

Bur He said that I will be Merciful to those that I will be Merciful (DMC NOTES: Romans 9: 15-16).

Thank God for being Merciful to the University of Ibadan!

1979 my father-in-the-Lord, myself and four (4) others went to a Kenneth Hagin Camp Meeting in Tulsa USA for the first time.

Then one day, very early in the Morning in the Hotel we were staying, my father-in-the-Lord sent for all of us to come to his room.

We gathered in his room and he made an Announcement - The Announcement was that he was going home soon.

Thar is enough to shake everyone of us.

And then the Bombshell that I will be Succeeding him - Hey, what are you saying?

I was near to the door and I just fell on the floor and everybody began to Pray violently in the Spirit.

And then suddenly there was a knock at the door and since I was the one by the door; I got up to opened the door because we were not expecting Visitors and we looked and it was the Engineer of the Hotel.

And he said that what kind of Instrument are you Playing?

Instrument? Kuro ni ona jo (Meaning: Leave the road joor) - We are going through a Destiny-Changing moment and you are saying that we are Playing Instrument.

I said that we are not Playing any Instrument but we are Praying.

He said No, you are Playing a heavy kind of Instrument

Okay, he came in; search the whole room and saw nothing.

When he was going out, he was Puzzled and when he got to the door; I said by the way: Why did you say that we are Playing an Instrument?

He said that the Hotel is shaking and we have traded the source of the vibration to this room.

The Hotel was shaking - It shook so Mightily that as soon as the Guests who were already in left, they shut down the Hotel.

They dug round the Foundation of the Hotel to see what caused the shaking.

More than thirty (30) years later, I went back to Tulsa USA with my children and the Hotel was

still shut because they are still trying to find out what caused the Hotel to shake.

And the Hotel was boarded off.

And I just felt a Compassion for the owner of the Hotel because they couldn't believe that six (6) People from Africa Prayed and shook the Ground.

And so, I lift my hand on the wall and say: Father, let the Hotel re-open.

Thank God that six (6) Months later, they re-opened.

What I am trying to tell you is that: Somebody is going to Pray a Prayer Today or as you are reading now on the Label of DMC that will shake the Ground because God is going to pay you a Personal visit - Amen!

5. What happens if He now comes in?

If He steps in, everything will Change for the better.

In Luke 5: 1-7; Peter had fished All-Night and caught Nothing.

But the moment Jesus Christ borrowed his boat and stepped into it to Preach; the next thing that we see is that he caught so much fish that he needed help to carry the fish to the Sea Shore.

If you allow God to step into the boat of your Life - And I mean really, really step into the boat of your Life Today; you won't know Failure anymore!

When He steps in, Failure must step out.

There are many of us here or reading this Message now on the Label of DMC who has Struggled and Struggled before we can pass.

Of course you have to read, and you have to Studied but we all know that it is Possible to Study very hard get into the Examination Hall and just blank out.

It has happened to me before - But that is not the Story Today.

I was already doing my Post Graduate Study before I became Born Again. But from the moment that I became Born Again, things Changed.

I remembered like Yesterday, my Professor (The one Supervising me) was travelling and he gave me an Assignment - You do this before I return and I said Yes sir.

When he came back and I showed him what I have already done within the short time he was away and he said that this is not your work; Somebody helped you.

I said Yes sir - He said I know because you are now a Christian and you will tell me the truth.

He said: Who helped you?

Now, He happened to be an Indian and so didn't believe in Jesus at all.

So I knew that if I said Jesus, he will get pissed off.

So I said Professor Emmanuel.

And then I got into trouble when he said of which Department?

I decree in the Name that is above every other name: From this moment onwards, you won't know Failure again - Amen!

6. What happens when He abides?

Because that is where we are now - That is the meaning of Emmanuel (Immanuel): "God with us".

What happens if wherever you go, He goes with you? If He abides with you in the Morning, Afternoon, Evening and everywhere; then you can say bye bye to Death.

Because when you read 1 Kings 17: 8-end; you will see that the devil came to the house of the Widow of Zarephath waiting to take the boy and the mother.

Because when the mother said: I have only one Meal left - We just want to Prepare it so that my son and I can eat and die.

She was not saying that we will just eat and starve to death - What she was saying was that we will eat the Meal and commit suicide.

But then, Elijah came in - The Representative of the Most High God, and he stayed in the house.

When later on the devil came the second time and this time the boy died; because God was dwelling in that house, death was chased out.

I am saying one more time: In the Name that is above every other name, you will never weep again - Amen!

I was going to visit Port Harcourt for a Program and God spoke to me that I should go and stay in the house of a Particular Man - I met him only once during the Full Gospel Business Men's Fellowship (FGBMF) International Convention.

Ha, I have many children in Port Harcourt and they will be very glad if I say I want to stay with them.

In any case they always prepare an Hotel that I can stay.

Why Lord? But of course, I couldn't dare ask God Questions.

So I Phoned the Man and said: God says that I should come and stay in your house! He screamed for joy.

I got to the Place and he Prepared for me a nice Place.

I saw the children and I loved them and so I started Playing with them.

And of course, the first born is a very handsome boy and I Practically fell in love with him.

And one day as I going to the Crusade Ground, the children were returning from School and so I went to greet them.

Then I looked around and said: Where is my friend? And the father said that sorry o Pastor, your friend is in the Hospital dying.

And I said, can you take me there on my way to the Crusade Ground? He took me to the Hospital.

They kept the boy stark naked in an Air-conditioned room - The Air-condition was working full time and yet the boy was sweating Profusely.

Ha, what is this?

And God spoke to me - That is why I asked you to go and stay in his house.

Thank God!

I stood by the head of the bed and the father was by the foot of the bed while the Doctor was behind the father.

I looked up - The Doctor signalled to me: "No Hope".

But I have heard from God and so I Prayed.

Like I am Praying for Somebody here Today and those reading now on the Label of DMC:
"Death will be chased out of your Life" - Amen.

I went to the Crusade Ground, finished my Program and came back home.

As I was arriving home, another car was also Parking and my friend has been Discharged.

When He abides with you - Death will not be able to stay!

7. But I will be failing in my duty if I don't tell you what happens if He leaves?

Because you see: If you don't keep Him comfortable, He will leave.

It doesn't matter what some Preachers may say - He is a Holy God.

You cannot continue in sin and expect Grace to abound (DMC NOTES: Romans 6:1).

If you continue to live like a Child of devil when you are Pretending to be a Child of God; after some time, He will leave.

You know what He said in Revelation 3:20 - He said: Behold I Stand by the door and I knock, if any Man will hear my voice and open the door to me I will come in.

The implication of this that:

☆ If I knock and you hear my voice and you don't open the door; I won't force the door open.

☆ If I want to come in and you say: "No Room for You here, go away" - I will go.

The Almighty God in His Infinite Mercies and Wisdom that Nobody can fathom, has decided to come to the University of Ibadan for a Brand New Beginning!

If He is knocking at the door of your Heart and you refused to open to Him; He won't force Himself on you - He will simply go away.

You know that we just finished The RCCG Holy Ghost Congress 2025 last Month of December.

And if you asked an Average Member of The Redeemed Christian Church of God (RCCG):
What is the most important thing that you learnt?

They will tell you: "Jonah must go" - That anything that is not of God in any form and whatever

has to leave my Life must go!

☆ Relationship that is not drawing me Closer to God must go.

☆ Anything that I think is contrary to the Will of God must go.

☆ Anything that I do that is saying to God: "I know You are Holy but I am only Human Beings"; such things must go.

If He is starting a New Beginning in your Life, don't drive Him away.

Because if He leaves; the way Nature is, there is no room for vacuum in Nature.

If Light goes out, Darkness comes in - You don't believe me, ask King Saul.

In 1 Samuel 16: 11-14; the moment the Spirit of God departed from King Saul, the Bible says that an Evil Spirit from the Lord took over.

It is better that God has never entered your Life than that He will come in and abiding with you already and all of a sudden He leaves.

If He leaves, ask Samson - The Man who can tear a Lion into two with his bare hands and the Man who could use the Jawbone of an Ass to kill a thousand Men; when God left him, the enemy took over and they Plucked out his eyes.

I don't know if I have told you this Story before:

There is a Young Man called Brother Sam - He was almost an illiterate as he can only read Yoruba. He didn't understand a word of English.

But he was heavily Anointed.

There were at least three (3) cases that everybody knows about that Bro Sam raised People from the dead.

And then, it got to a Stage when we say: Bro Sam, let us go for Bible Study?

He will say: Who is going to teach? Oh, Bro So and So. How many People has he raised from the dead?

Do you know that Bro Sam ended up in an Asylum because God left him and the devil took over.

I want you to think very deeply as you love God enough to come this early Morning for a Bible

Study and I don't want to fail in my duty by not telling you the Truth, the whole Truth and nothing but the Truth.

Some People say: What is wrong with you? Can't you Preach a Sermon without talking about being Holy?

Holiness is a Master Key.

You are Holy - Your Problem is solved because God said: "Be ye Holy for I am Holy" (DMC NOTES: 1 Peter 1:16).

ALTAR CALL

So, I am going to give you 2 or 3 Minutes in case there is anyone of us who are still living with some sins and you want to ask God to help you - Purify me, Sanctify me, make me Pure and make me Holy.

Will you Please come forward very quickly so that I can join you in Prayer before we depart.

I will count from one (1) to seven (7) - So, if you want to come, you better run.

Those of us on the way and those in front now, our cry to God is simple: Lord, I am asking You to step into my boat now and abide with me.

Just stay with me one hundred Percent (100%) from now on till I see You in Glory.

And if there is anything this moment in my Life that is not of God; Pluck it out - I give You one hundred Percent (100%) Permission to take over my Life and dwell with me.

Go ahead and talk to God!

And the rest of us, you can Stretch your hands towards these People and Pray for them that the Almighty God will look down from Heaven and honour the fact that they have come forward this Morning in the Presence of the whole crowd and saying: Take over my whole Life.

Please Lord, step into their lives fully and never, never leave them alone.

Thank You Father!

In Jesus Mighty Name we have Prayed - Amen!

PRAYER FOR SALVATION AND CLOSING PRAYER

My Father and my God, I want to say Thank You.

Thank You for Your Word this Morning and Thank You for the way You have brought the Truth out for us.

We appreciate You because You are our Father and if only You can be with us, we know that all will be well.

First of all, I am committing these Your People who has come forward into Your Hands:

If any of them is coming out for Salvation, Please save his/her Soul.

If any of them is coming back to You as a re-dedication; Please receive the Fellow.

I Pray Lord God Almighty that these Your Children will now become one hundred Percent (100%) committed to You in Jesus Name.

As for the rest of us who are here Today or reading this Message now on the Label of DMC - My Father and my God, my Prayer is:

That You will never leave us alone.

That You will abide with us Forever

Thank You Almighty God.

For in Jesus Mighty Name we have Prayed - Amen!

Praise the Lord - Hallelujah!

PERSONAL PRAYER REQUEST

Now the rest of us, I have already Prayed for you and it is now your turn to Pray to God.

Here Today, you can Pray for 5 Minutes before you go because I know that Classes will soon be starting.

But later on Today, make sure that you really, really Pray alone in one corner of the School until the Ground shakes.

Cry to God and say: Abide with me Oh Lord, stay put in my Life and don't ever leave me alone!

If I am going to do something that will cause you to depart from me, let me die the day before.

Go ahead and talk to the Almighty God.

And the Almighty God will grant your Requests in Jesus Mighty Name - Amen!!!

Today, we are here for a very serious business because of the Topic that has been chosen for our gathering tonight;

Which is, "Be Reconciled to God".

... Now, that's a very serious Topic.

When the Organizers of this Programme sent me that Topic I said, "Oh God, Please have Mercy on all of us."

Our Bible Text is 2 Corinthians 5:20;

Now then we are Ambassadors for Christ, as though God did beseech you by us: we Pray you in Christ's stead, be ye reconciled to God.

LIFE IS WAR!

I. From the moment we are conceived in the womb war began.

II. As we grow up in the darkness of our mother's womb, we are fighting a war.

It takes the Grace of God for us to survive in the womb.

III. And when it is time to be born, oh! Serious warfare.

We'll be fighting because we want to get out and our mother will be fighting to survive the ordeal.

That's why when a woman gives birth to a child, the Yoruba greeting is, "Eku ewu" - That means you survived this danger, Congratulations!

IV. And then from the moment you got born, the war continues.

Before you know it, it's time for circumcision - You have done nothing wrong, and all of a sudden, you feel a sharp knife cutting into your body.

If you have ever been present where there is circumcision, you will know it's a tough time for the child.

I was trying to explain something to some Great Men of God when they were trying to say that when Hannah Prayed; only her lips moved, the voice wasn't heard.

I gave them an illustration to show that when pain gets to the peak, you might be Praying and nobody would hear your voice.

So I gave them the illustration of one time I was visiting a couple in the Morning they were going to circumcise their son, and I was invited to Please come and be there.

- When they pulled the foreskin of that baby he began to cry, wondering, "what's going on?"

- When they clipped the thing, he cried louder. And the mother was trying to stop the cry with breast milk.

- When they used blade, the child threw away the breast; "This is not the time to suck milk."

- When they finished the cutting and they applied Iodine; the boy had been crying before and suddenly all you could see was the lips moving; no sound was coming out.

The pain had reached such a Level - War!

You survived all that, you have to be grateful to God that germs didn't kill you at that stage - Because after they have circumcised you, you have to Thank God that germs didn't come in, etc.

Life is warfare.

The Bible makes it clear in Ephesians 6:13-18 - It says, For we wrestle not against flesh and blood, but against Principalities, against Powers, against the Rulers of the Darkness of this world, against Spiritual Wickedness in High Places.

We are wrestling!

And if you have been a follower of the Wrestlers and you see what goes on in the Ring when they are wrestling, you'll know what the Bible is comparing Life to.

I mean, if you read that Passage completely, it asked us to put on "Armour" - Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

You don't put on armour when you are going to Sunday School - You put on armour when you are going to war.

And the Bible makes it clear that this warfare is on a daily basis.

1 Peter 5:8 says, Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

Thank God, up to this moment, he hasn't found you.

And you know what? The Bible says that even the Soldiers of the enemy that is determined that you won't survive is not really a Stranger to you - They might be living in the same house as yourself.

I am not the one who said so. It is Jesus who said so in Matthew 10:36 - And a man's foes shall be they of his own household.

Brothers and Sisters, that you are still alive today, I think you should shout hallelujah - Hallelujah!

Apostle Paul said to Timothy in 1 Timothy 6:12: Fight the good fight of Faith, lay hold on Eternal Life, whereunto thou art also called, and hast professed a good profession before many Witnesses.

And at the end of his own journey on Earth, the same Paul said to Timothy in 2 Timothy 4:7 - I have fought a good fight, I have finished my course, I have kept the Faith:

We are at war - Don't let anybody deceive you to the contrary.

I mean, there was a case of two (2) brothers; the older one colluded with enemies to kill the younger brother. Somehow the younger brother escaped death.

It was finally discovered that the elder brother was the one behind the scene.

When the younger brother asked him, "How come? You of all People: I feed you, I meet all your Needs." He said, that's the Problem.

"Problem" that I am taking care of you? He said, Yes. I am your elder brother, I'm the one who is supposed to be taking care of you.

The younger brother asked, "Is it my fault that God has made me more successful than you? That I am taking care of you, yet you want to kill me?"

I am here Tonight to tell you in the Name of the Almighty God that you will end up Victorious - Amen.

POSSIBILITIES

Now, in the battle of Life, there are various Possibilities:

1. POSSIBILITY NO. 1: "If God is Against you."

If God is against you, you're going to end up a loser

Because if God is against you, you will lose.

In Exodus 14:21-28, when the children of Israel got to the Red Sea and the Red Sea opened, they walked on dry land.

The Egyptians followed!

By the time they got to the middle of the sea, God turned against them and began to pull off the wheels of their chariots. And then some of them said, "Ha, we better turn back because it looks as if God is fighting against us."

By the time they decided to turn back, it was already too late because every one of them drowned.

May I decree that every enemy that followed you to this Ground Tonight or as you are reading now on the Label of DMC, will drown - Amen.

If God is against you, you are going to lose.

Because the Bible makes it clear that God resists the Proud - He fights against the proud (DMC NOTES: James 4:6).

And Proverbs 16:18 says:Pride goeth before destruction, and an haughty Spirit before a fall.

So those of us who might have an element of Pride in us, that may cause a situation where we end up with God being against us; I hope you will change your Mind Tonight and humble yourself.

Because it doesn't matter how clever you are, if God is against you; if the One who can turn a King to an animal is against you, He can deal with those People who think they are highly Educated.

Those of you who say, "You don't need to talk to me about God." You know I have been one of your, so I know what we used to say in those days:

We said it's not God who created the world.

We talked about the Theory of Evolution; how the world came about from a Big Being and so on and so forth.

Some of us said well, maybe He created the 'Big Man' Upstairs (as we called God) or maybe He created the world, but the world became so big, that He lost Control.

And those of us who wanted to show that we are a bit more Civilized, we will say, well, let us assume that He created the world because we are not really sure how the world came to be; we said, "He is in Heaven minding His business and I am here on Earth minding my own business."

Pride goes before a fall.

I Pray that my God will speak to those of us who are arrogant; because God resists the Proud - Amen.

... If God is against you, you'll lose.

And He begins by showing you that if He loves you, He will want you to be reconciled to Him:

- He will begin to show you, by you not noticing that things will begin to go wrong.

- Things will begin to happen that you cannot explain.

I'll give you an illustration:

There was once a man in our Church - He's gone to be with the Lord now. A very wealthy Man.

He just got up one day and said, "What is it that a Pastor is Preaching that I can't Preach? I have money; I can build a Church of my own and then I will also become General Overseer."

He started building the Church quite alright and then things began to happen:

Suddenly, he discovered that he would mold blocks and People would steal the blocks.

When finally he came to his senses, he discovered that somebody borrowed money from him but by the time the man was supposed to pay, he disappeared.

And the Police came to arrest him for kidnapping.

And he said, "Ha! Kidnapping? He is the one owing me."

They said, we have been told by his wife that you are the only enemy he has.

He got the best Lawyer his money could get - That one got to the Court and forgot everything, every Law that he learned. He didn't know what to say when he was to reply in Court.

And something told this rich man, it is God that is fighting you now, not man.

Very early one day he came to me and said, "Sorry Sir, I have been Planning to do this; but this and this are what have been happening - I've come to surrender to God."

That day, before he got home the man who had gone into hiding, claiming to have been kidnapped came to his house to beg him.

Everything turned round, and he began to Prosper again.

If something is going on in your Life that you cannot explain, Be Reconciled to God!

2. POSSIBILITY NO. 2: "If God is Neutral."

If God is not against you, He is neutral - He is not fighting you; He is just leaving you alone to do things yourself, you will fail.

Because my dad used to tell me when he was alive, that when the lion wakes up in the Morning, it Prays only one Prayer, "God, show me the animal I will eat today and leave the two (2) of us alone - Don't help me, and don't help the animal. Just leave both of us alone."

Because the lion knows that if God does not help that animal, it is dead!

If He just leaves you alone to the enemy, you are likely to end up a loser.

When you read Hosea 4:17 the Bible says, "Ephraim is joined to idols: let him alone."

It wasn't long after that, in Hosea 5:9 God said, Ephraim shall be desolate in the day of rebuke: among the tribes of Israel have I made known that which shall surely be.

To be desolate means to be so down, that there is nothing to show that you are even around.

My Prayer for every one of you who think you can handle your Life on your own without the assistance of God is that you will wake up this evening or as you are reading now on the Label of DMC and realize, "Without God there is nothing you can do".

You can't even breathe without His assistance.

That is why the Bible says, "Let every thing that hath breath Praise the LORD. Praise ye the LORD." (DMC NOTES: Psalm 150:6).

I remembered in 1954 when I was in Primary School over there in Ifewara OSUN State Nigeria - There were about five (5) Rich People in the whole Village.

'Rich' back then means you have a Storey building covered with corrugated iron and the floor is of course, made of wood - That if you wake up in the Morning upstairs, you'll wake up everybody downstairs.

We had a Teacher - And he was a very good Teacher now when I look back.

But he was fond of the cane - Every mistake we made, he brought out the cane.

So one day, he beat a girl and the girl reported to her father who was one of the Rich-Five.

The father came and beat up our Teacher.

Before the Teacher could get to the Local Government Police in those days to report the

situation, the Rich man had settled the Police.

So the Teacher came back ashamed.

And then he did something interesting - He divided our class into two (2);

- All those that their Parents could be called Rich, by that Local Standard: he put them on one side.

- Those of us whose Parents were poor (no doubt about it), he put us on another side.

And he said to those whose Parents were rich, "I will never touch you again."

And we were very envious of them - He never beat them one more time.

When I grew up and I looked back, not a single one of those People he put on one side and said, "I won't touch you again"; not one of them made it beyond Primary School.

Not a single one!

... We were not too many in the Class, so it's easy to know everybody.

But those of us that he kept caning - Because the caning that he couldn't distribute all over the Class, he piled up for us.

Every one of us in that Group either became the Principal of a School, a Lawyer, etc.

May I ask you to lift your hand to God and say, "Lord, don't leave me alone because if He leaves you alone, you will lose.

3. POSSIBILITY NO. 3: "If God is With you."

If God is with you, you will Win.

It doesn't matter how tough the battle may be like, if God is with you, you'll win!

Because in Exodus 3:1-12, when God told Moses, I want you to go and bring the Children of Israel out of Egypt; And Moses said, Lord, how am I going to do it? I am a fugitive, while Pharaoh is the King of the world.

God told him, "I will be with you."

In Joshua 1:1-9, when Moses died and God asked Joshua, the Servant of Moses, the Minister of

Moses to take over, Joshua said, my Master Moses, who Practically saw You face to face, failed in this Assignment: How am I going to be able to do it?

God said, "As I was with Moses, so I will be with you."

In 1 Samuel 17:34-51, when everybody was quaking before that great Terrorist called Goliath, David said, I will deal with him:

- I have fought a lion, I won.

- I fought a bear, I won.

The God who gave me Victory over those two (2) animals will deal with this fellow too.

King Saul said something, "Go, and the Lord be with you."

If God is with you, no matter how big the Challenge, you will win - Amen.

I remember one funny Story during the World Cup.

Nigeria was playing against Russia.

Before they started the Match, the Nigerian Team Prayed Publicly on the football field.

By Half Time, Russia was leading us 4 - 0.

So one of the Russians who spoke a little bit of English moved close to our People and said, "Where is your God? You've Prayed, but we are leading 4 - 0."

I remember clearly as yesterday; one of my son's said, Daddy, what's going on? We Prayed here too.

I got out of the house, because I couldn't bear the agony of the children and I started crying to God: If only for the sake of these children, help us.

Suddenly, I heard, "Goal!!!!" I said, that must us scoring.

Not long after that, another Goal!!! And the Third (3rd) Goal. The fourth (4th) Goal; and then the Fifth (5th) Goal!!!

We Won. Why? Because God was with us!

Will you raise your hand to God and say, "Almighty God, Please be with me.

4. POSSIBILITY NO. 4: "If God be For you."

If God is 'For' you, you won't just Win; you'll Win Without a Fight.

- If He is with you, you'll fight and Win.

- If He is 'For' you, you'll Win Without a Fight.

Why? Because He will do the fighting for you; while you will just be watching as the enemy will become defeated before you.

The Bible says in Romans 8:37 that we are More Than Conquerors through Him that loved us.

If God loves you; If God is truly for you, you won't need to fight - He will fight for you.

And when God fights, you'll Win without lifting a finger.

I've shared this Testimony before:

We built a Church in a certain Nation - I won't mention the name because this thing is going round the world now.

One Powerful Senator heard that we Planned to Dedicate the Church; the one built not too far from his house and he openly declared, "Over my dead body will that Church be opened."

My children there called me. "Daddy, we've fixed a date for the Dedication, but there's a Problem.

What should we do?" I said, Nothing!

They suggested Court Action. I told them, "You are dealing with a Senator: who told you he can't influence the Judge?"

We won't do anything, because God is for us."

A week before the Dedication, a Public Meeting was called to decide that the Church must not open - The Senator was set to lead the opposition.

As he was dressing to attend the Meeting, he mistakenly put both legs into one side of his trousers and his leg got stuck! While struggling to pull it out, he fell, hit his head and was rushed to the Hospital. He was Pronounced dead!

He wasn't there to oppose us - And we Dedicated the Church on the Scheduled day.

Some People later asked me, "Daddy, you mean you kill him?" Me? I am far away from that Country; and we have to travel to that Country several hours by Air. How did I kill him? I didn't even Pray.

If God is for you, you will be More than a Conqueror".

Is there anyone here Today or reading on the Label of DMC who wants to Win without a fight?
The Yes, DMC family Members.

Let me hear you say to God: "Lord, fight for me."

This is why you must be Reconciled to God - Life is war; whether you win or lose is going to be determined by your Relationship with God.

- If God is Against you, you will Lose.
- If He is Neutral, you will Lose.
- If He is with you, you will Win.
- If He is for you, you will Win without even a Fight.

POSSIBILITIES OF RECONCILING TO GOD.

Now, when we are talking about being reconciled there are two (2) Possibilities;

1. POSSIBILITY NO 1: "God used to be for you, or at least with you."

But then you created a situation that caused Him to withdraw.

In other words, there are some of us here, or reading now on the label of DMC:

- We used to be very Close to God.
- We can trace some Miracles in our lives to His Assistance.

But then, we decided to become arrogant; and so we decided to be distant from Him.

- We don't Pray the way we used to pray anymore.
- We already believe we know what to do; and that we know how to do it.

In Judges 15:14-19, you read the Story of Samson - How he defeated a thousand Soldiers with the jawbone of an ass, because God was with him.

He even finished fighting and became thirsty - The same jawbone that he used to kill a thousand Soldiers, brought water for him to drink.

That's how close God was to him.

But Samson never said a word of Thanks - He never attributed any of the Victories to God just like some of us.

Just like some Students here, or reading now on the Label of DMC: Because you are doing well in Class, you never even think of God being in any way responsible for your Academic Success.

Somehow you have forgotten that it is Possible to be very good in your Subject and get into the Examination Hall and blank out.

You have forgotten that Possibility!

Some of us have forgotten the Possibility that one could become a Professor one day and become a Madman the next.

Just forgetting that we have enemies within the family.

And then Samson kept on sinning.

After that Victory, he went to the house of a harlot - A man that was loved by God; he went to spend a night in the house of a harlot.

Yet the Power was still there - He was still able to uproot the City Gate.

But it got to a stage when God said, "Alright, let's leave this boy alone."

If you read the Story in Judges 16:1-22, one day he woke up and discovered that God has departed from him.

You know the rest of the Story.

There was a brother - some of you have heard me talking about him again and again as I refer to him - His name was Brother Sam. He wasn't Educated, he could only read Yoruba Bible but he was highly Anointed of God.

Brother Sam Prayed for at least three (3) known dead People and they were brought back to Life.

But then Pride came - "Brother Sam, let's go for Bible Study?" He would say, who is going to Teach "Brother so and so?" "How many People has he raised from the dead?"

Brother Sam ended up in an Asylum.

God used to be with him. - I believe God just left him alone.

Because if God leaves you alone, the enemy will finish his job.

2. POSSIBILITY NO. 2: "You do not have any Intimate Relationship with God."

And then there is the Possibility that you really haven't had any intimate Relationship with God.

It's not a question of "I used to be with Him, but I am no longer with Him."

It might be, "I've never really been with Him."

If you are willing to relate with Him; to become close to Him Tonight, or as you are reading now on the Label of DMC; He's more than willing, not just to be with you, but to be for you.

The Bible makes it clear: If you are willing to open the door of your heart to Him, He's even willing to come and dwell in you. (DMC NOTES: Revelation 3:20)

And the Bible says, Ye are of God, little children, and have overcome them: because Greater is he that is in you, than he that is in the world. (DMC NOTES: 1 John 4:4)

One of the ways of making sure that for the rest of your Life, all the enemies within, enemies without, enemies in the classroom, enemies in the University, enemies in your Place of work will not be able to handle your situation is, "because Greater is he that is in you, than he that is in the world".

So God says, if only you are willing to open the door of your heart so that He can come in; for the rest of your Life you will know Victory.

The important thing is that it is never too late.

He says in Matthew 11:28-30, Come unto me, all ye that Labour and are heavy laden, and I will give you rest.

God is appealing to you (through us): "Be Reconciled to God!"

I will close with one little Story you Probably have heard before.

Because the Bible says today is the Acceptable Time; this is the Day of Salvation (DMC NOTES: 2 Corinthians 6:2).

One High Chief in Yorubaland, who happened to be one of my children in the Lord was celebrating quite a few things in the family and he asked me to come and Preach.

When I got there, as we were about to begin the Service, his Chiefs that came to celebrate with him were filing in - And they belonged to all manners of Secret Societies.

The Ushers saw them coming, they ran to me, "Sir, are we going to allow these People to come inside?" I said, of course! Put them on the Front Seats where it would be easier for Jesus to reach them.

They came in. I was a younger Pastor then; I had a lot of Zeal, not much Wisdom.

I changed the Topic of my Sermon - I was going to talk on "Oh, that men would Praise the Lord"; I changed it to "The Battle on Mount Camel."

And I am telling you, I hit hard on the devil.

And then I challenged those Chiefs - I said, I came here with my wife and son in car Number so and so. I want you to speak to your own gods, that one of the tyres of my car would go flat: "If all your gods can do that, I will surrender to them but if they can't do that, you must surrender to my God."

And then I gave the Altar Call - The Second-In-Command to the Kabiyesi (Meaning King) was the first one to come forward to give his Life to Jesus Christ.

While he was coming forward, all the Younger Chiefs - I mean, when they saw their Leader coming out, they followed.

When we finished the Service, the Kabiyesi (King) said, "Maybe this man didn't understand what you said." Because he's the High Priest of the devil. Maybe he was thinking you were asking People to come out for Healing Prayers. "Let's follow him up."

We went to his house, Kabiyesi (King) said, "Do you really know what you did?"

He said, you see a "Small Boy" like this challenging all of us; who does not know that there must be Somebody behind him?

He said, "It is the One behind him that I surrendered to."

He was a very old man - Do you know a Month later, he died? All these years he had served the devil but one day like this, he changed his Mind and today he is in Heaven. He could have been in Hell.

God brought you here Tonight; we don't know how many of us will still be alive by this time tomorrow - This is an opportunity for you to surrender to God.

Be Reconciled to God and you can become a Winner all the days of your Life - Amen.

ALTAR CALL

So if you want to surrender your Life for the first (1st) time to Jesus Christ come quickly.

I am going to count from one (1) to ten (10) - Before I say ten (10) come and stand before the Altar, and we will Pray for your Salvation.

If you used to be a True Child of God before and you backslide; now you want to be Reconciled to God come, we will Pray for Reconciliation for you.

I am counting from one (1) to ten (10) now...

Okay! Let's cry to God and say Father, I've come to surrender my Life to You. I can't fight the Battles of my Life alone;

Help me, save my Soul, forgive all my sins and from now on I will have nothing to do with the devil anymore.

Go ahead, Pray unto Him.

And the rest of us, Please let's Stretch our hands towards these People and Pray for them:

That the Almighty God who saved our Souls, would save their own Souls also.

All the backsliders who are coming back to God, Pray that the Almighty God will receive them back into Fellowship with Him.

Please Pray for them for another one minute.

Thank You Father.

In Jesus' Mighty Name we have Prayed - Amen.

PRAYER FOR SALVATION AND CLOSING PRAYER

My Father and my God, I want to say Thank You.

Thank You for Your Word and Thank You for these People who have Genuinely responded to the Altar Call today.

Please Lord, receive them in Jesus' Name.

Have Mercy on them, save their souls, let Your Blood wash away their sins.

Father, write their names in the Book of Life.

Receive them into the Family of God.

And from this moment onward, whenever they call on You, answer them by Fire.

And give them Total Victory for the rest of their lives.

Those of them who have come to Rededicate their lives to You, Please receive them.

Please Lord, restore them into Fellowship with You and don't let them ever backslide again.

My Father and my God, I am Praying for everybody here Tonight, and those reading now on the Label of DMC:

I Pray that in the Battles of Life, You will give us Victory.

If there is anything we are doing that can cause You to be against us; from Tonight onward, give us the Grace never to do it again.

If there is anything in our lives that has caused You to leave us alone; O LORD God Almighty, I Pray that because of our decision to be Reconciled to You; my Lord and my Saviour, bring us back into Fellowship with You.

Fight our Battles for us;

Make us More than Conquerors.

For the rest of our lives, let us live in Victory.

In Jesus' Mighty Name we have Prayed - Amen.

Praise the Lord - Hallelujah!

I rejoice with those of you have just surrendered your Life Genuinely to Jesus Christ.

I want to Promise you that by the Grace of God that I'll be Praying for you.

So I am going to need your names, your Address and your Prayer Requests.

Congratulations!

Those of you who are really ready to be Reconciled to God, shall we Please stand?

First of all, shout a Big Hallelujah for tonight - Hallelujah!

PERSONAL PRAYER REQUEST

I want you to cry to the Almighty God and say:

Father, I can't fight the Battles of my Life alone; Please fight for me.

Open your mouth and cry to God: Almighty God, Please Fight for me!

THEME: BE RECONCILED TO GOD

MINISTERING (DAY 2 MORNING SESSION - SPECIAL BIBLE STUDY): PASTOR E.A ADEBOYE (GENERAL OVERSEER RCCG)

TOPIC: THE WAY

DATE: 15TH JANUARY 2026

BIBLE TEXT: JOHN 14:6

SONG

We give You all the Glory
We give You Honour
We give You all the Glory
We give You Honour.

OPENING PRAYER

Our Father and our God, we Your Children are gathered here this Morning and we are all saying to You: Good Morning Father.

Thank You for watching over us while we slept,

Thank You for what You did Yesterday (Day 1) and Thank You for Greater Things that You are about to do now.

Please accept our Thanks in Jesus Name.

Father, we are Praying that this Morning that, that kind of Fresh Miracles that will last us for the rest of our lives; Please release them to us.

At the end of it all, let Your Name be Glorified.

In Jesus Mighty Name we have Prayed - Amen.

Well, let Someone shout Hallelujah - Hallelujah.

Please shake hands with one (1) or two (2) People and say: Good Morning, God bless you Mightily.

And then you may Please be seated.

God Morning to everyone of you.

I am delighted that we could see so many of you coming this early.

The Word of God says: They that seek me early shall find me (DMC NOTES: Proverbs 8:17).

Because you have come early to seek the Lord, you will find Him - Amen.

And it shall be well with you - Amen.

We will be looking at John 14:6:

Jesus saith unto him, I am the Way, the Truth, and the Life: no man cometh unto the Father, but by me.

When I was Younger - I don't know of nowadays; we enjoyed calling ourselves nicknames.

I mean: Your father may call you "Ade" but you will Prefer to call yourself "Adesco".

Particularly when we were in the Secondary School, we almost had a competition to see who can manufacture the best nickname.

I remember all manners of names.

But the one who won the competition at my time was a Man whose name was "Solomon Bamgbose" - That is not exactly the name because he might still be alive and he might be listening.

And he changed his name when we read in the book about Somebody - And suddenly he said that from now on, he wanted to be known as "Sokoloko Bamgbose".

... All manners of nicknames.

And anytime you want to get something important from Somebody, you call him by his nickname.

So one day, the Disciples came to Jesus Christ and said, we know that Your Father calls You Emmanuel and He calls You Jesus Christ but what exactly will you like to be called?

In other words, what is Your nickname?

And the answer He gave is what we just read - "I am the Way, the Truth and the Life".

... You want my nickname - The name that you can use to get anything done; call me "The Way, the Truth and the Life".

You want to reach my Father, just call me "The Way, the Truth and the Life".

Three (3) mighty names - But we don't have time to look at all the names.

Today, we will just take one of the names: "The Way".

What are the implications of saying "I am the Way"?

1. It means "I am the Way Into".

You can't come into the Town unless you know "The Way Into" the Town.

I am the Way to Health and Healing.

I. 1 Peter 2:24 says that it is by His Stripes that you are healed.

II. Exodus 15:26 says: I am the Lord that healeth thee.

III. In Mark 5: 25-34; when a woman had been transferred from one Doctor to the other and rather than getting better, she grew worst.

She came to "The Way" - And as soon as she touched the hem of His Garment, she was healed.

IV. In Mark 2: 1-12; when they brought a Man who was Paralysed from neck downwards to Jesus Christ

The moment they lowered him into the room and he came into the Presence of "The Way"; he was healed.

They carried him in but he walked away completely whole.

So, I am congratulating all of you who came here this Morning or reading this Message now on the Label of DMC: If there is any disease in your body (Known or Unknown); and since you have come to "The Way", you will go back home Completely whole - Amen!

There was this case of a Wealthy woman who had this Problem that whatever she eats she must vomit.

They took all manners of x-ray and MRI Scans and they found nothing.

On the surface, she was okay but whenever she eats anything, she will vomit it.

When there was nothing else anybody could do, she came to Church.

And as usual, before we Preach we said: Let Somebody shout Hallelujah - Hallelujah.

As she opened her mouth to shout Hallelujah, a worm came out of her mouth and that was the end of the Problem.

Now, the worm did not show on the x-ray or the MRI scan but when it came to the Presence of "The Way"; it jumped out and the lady became well.

Maybe I should ask Somebody to shout Hallelujah - Hallelujah!

2. And when you come into a Town and then you want to know "The Way Out" of the Town:

He is the Way out of Bondage.

I. John 8:32, the Bible says: You shall know the Truth and the Truth shall make you free.

That is why He said: I am the Way, the Truth and the Life.

If you know "The Way", You will know the Truth.

In Mark 5: 2-20, the Bible informed us about a Man who was Incurably Mad.

But the moment he saw Jesus Christ coming, he recognised Him even in his Madness - At long last "The Way Out" of my Bondage has come.

That is why as Mad as he was, he fell down at the feet of Jesus Christ and Worshipped Him.

And you know the rest of the Story - Jesus Christ spoke one word to the demon: "Go" and they fled.

So, if you are looking for a "Way Out of Bondage" - You have a Problem that no Science can explain or a Problem that no Science can solve; then you come to Jesus Christ - He is the Way Out to Freedom and Deliverance.

When I was a Lecturer at the University of Lagos, one Student got into the Examination Hall and suddenly began to urinate in the Examination Hall.

And the Examiners came to him and said, what kind of Problem is this? Some People say Examination Fever while some say Examination Nervousness - This boy just kept on urinating.

And they were about to take him to the Meducal Centre and the boy said that this is not for Medicine; Please take me to my Pastor.

And they brought him and we call on Him who is "The Way Out" of any form of Problem and the urinating stopped.

And he was able to get back into the Examination Hall and by the Grace of God he Passed.

If you are in any form of Bondage at all - Whether you realised it or not; because you have come to "The Way" this Morning, you shall be free Today - Amen.

3. He is not just "The Way Into" or "The Way Out"; He is "The Way Forward".

If you find out that you have been going round and round in cycles and you come to "The Way"; He will accelerate your Promotion.

In Acts 3: 1-8; there was a Man who was born Lame, who was born handicapped - All the days of his Life he has been Stagnant.

They carried him every day to the Gate of the Temple which is called Beautiful just to beg for money.

He had never been able to move on his own until some People came and they said to him: In the Name of Jesus Christ and in the Name of the One which is called "The Way" Stand Up and walk.

And that day, not only was he walking; the Bible says that He was leaping and he was Praising God.

I have Good News for Someone who has been having Carry Over after the other and instead of moving forward and jumping; you have been going round, round in cycles: From this Morning onwards, your Progress will be rapid - Amen.

I have always shared the Testimony of how while I was in the Academic Sector; I have two (2) Promotions in one year in the University.

How can that be?

Well, I began the Year as a Lecturer Grade II, then I got a Promotion to Lecturer Grade I at the University of Lagos.

Then there was an Advertisement for a Vacancy for Senior Lecturer at the University of Ilorin and I applied.

And I got there - Sitting at the Head of the Interview Panel was my former Dean at the University of Lagos.

Ha Adeboye it is you? I said Yes sir. He said I know you.

To cut the long Story short, I Passed the Interview.

So I began the Year as Lecturer Grade II and ended the Year as Senior Lecturer.

And you will say that can only happen because you know the one in Charge of the Second interview - That is true; it is a matter of who you know.

You know the One who is called "The Promoter" and you know the One who is called "The Way"; things will happen that will never happen to other People.

I am sure that there is at least one of you here or reading now on the Label of DMC who will share a Testimony Next Year (2027) because you now know "The Way Forward".

4. But He is not only "The Way Forward"; He is also "The Way Upwards".

In the Story of the Man we mentioned in Acts 3: 1-8; he wasn't just walking, he was also leaping. ... He wasn't just going forward, he was also going Upward.

In John 5: 2-14, the Bible tells us about what happened at the Pool called Bethesda.

And it tells us that there were many People - Impotent, Lame, Withered and with all manners of Sickness.

They gathered at the Pool because once a Year (Just like Today), an Angel will come and stir the Pool and the first Person to jump in will be made whole of whatever Sickness he may had.

And Jesus Christ "The Way" visited that Place one day and saw a Man who had been Stagnant for 38 years.

That day, that Man got up and became whole.

You heard Jesus Christ saying: "Do you want to be made whole?" The Man said that I have Nobody to help me.

Jesus Christ said: Well, I am here - I am the Helper of the Helpless.

I Pray in the Name that is above every other name, today God will send Help to you - Amen!

When that Man got up on that day, he got up out of the Cloud of the Sick that he was.

Do you know that he never returned to that Place - Once he got up, he remained up.

The Bible had a Blessing for those who will do the Will of God:

☆ It says that you shall be Head and not be the Tail.

☆ It says that you will be Above Only.

You know that I have Good News for Someone: After Today, you will just keep on going Higher and Higher - Amen!

Several years, I went to a certain Africa Country and I said that I will love to see the Head of State - I believe that God was sending me to go and tell him something.

They said that is not likely to happen as he is a busy Man.

If anybody knows him, let the Fellow go and tell him that I came all the way from Nigeria and I have a Message for the Head of State.

Anyway to cut a long Story short, they got an Appointment for me. But they told me that he will be seeing me Monday Morning - And that was the day that he has reserved for Cabinet Meeting and so can only see me for 15 Minutes.

I said that is more than enough.

Well I got him - 15 Minutes became 1 hour.

After 1 hour, one Man came to kind of inform him that the Cabinet is waiting.

As soon as the Fellow came in, he said you are welcome; can we have another pot of tea because we are drinking tea.

To cut a long Story short, he didn't let me go until after 2 hours.

And when I got out, one of the Cabinet Officials said who is this Man that has kept the President for 2 hours on Monday Morning?

Someone said that I think that they say he is a Pastor from Nigeria.

That one say, he is not even a Bishop? An Ordinary Pastor?

I have Good News for Somebody here Today or reading now on the Label of DMC: Very soon, you will be seeing Presidents - Amen.

And when you get to their Presence, they won't let you go because you have known "The Way Upwards" - Amen.

Because when I left that Place and I was on my way to the car; I said: What am I? The son of a Man from a Village that is not on the Map; my father was so Poor that the Poor call him Poor. Now, Head of State is saying that you can't go because I don't know when next I will see you.

I Pray for Somebody here Today or reading now on the Label of DMC: That Place that you thought that you can never reach, my God will take you beyond - Amen!

5. Now, He is also "The Way to Heaven".

Not only "The Way to Heaven" but He is "The Only Way to Heaven".

In the Bible Text that we read this Morning; He said that "I am the Way, the Truth and the Life, no Man can come to the father except by me".

There is no other way by which you can make it to Heaven unless you Pass through the Lord Jesus Christ.

I know that there are some People who will say: What kind of nonsense is that? There must be several ways to Heaven.

The owner of the house says that there is only one door that leads to my house and you say that you want to argue with that?

And you know what?

He said in John 14: 1-3 - He said that in my Father's House (Not your own house); there are many Mansions. He said that if it were not so, I would have told you.

He said that I am going to Prepare a Place for you and after I have Prepared a Place for you, I will come back and take you to myself.

Do you know what are the implications of all these things?

If you die without you seeing Jesus Christ; first of all you can be sure that you are going to Hell.

Why? In Hell the door is wide open and anybody can come in.

But when you are talking of Heaven; it is only one way.

When you get to the door and you knock at the door and they say who is that?

And you say that you are Professor So, So,So; they will say, sorry we don't open to Professor.

Ha, I am Dr So, So,So; sorry we don't open to Dr.

Who do you open to?

The Bible says that when you get to the door and you knock at the door and you say: Lift up your head o ye gates and be ye lifted up ye Everlasting door that the King of Glory may come in.

The Man at the door is still going to query even that Fellow and say: And who is the King of Glory?

Definitely, that is not your name and that is not your nickname - That name belongs to Jesus Christ and Jesus Christ alone.

Even when He answered and said: I am the King of Glory, I am the Lord Strong and Mighty, the Lord Mighty in Battle.

They will still say we hear that but we are still saying: Who are you?

It is only if Jesus Christ is holding you by the hand that as the door opens to Him, you can go in with Him.

He is "The Way" to Heaven - He is "The only Way" to Heaven.

So when Yesterday (Day 1) we were talking about being "Reconciled to God"; the matter is more than just being Victorious here on Earth - The matter goes as far as you ever making it to Heaven.

My father-in-the-Lord told me when he was alive - He said that if God were to send an Angel to bring you to Heaven when you want to die; the Angel will take you as far as a certain level and tell you that we cannot go further than this because of the Brightness of the Glory of God.

If they go beyond that level, the Intensity of the Glory will destroy them.

That is why even the Angels that were Permitted to enter into certain level of Closeness to the Temple of God; they covered their faces with wings, they covered their feet with wings and then fly with two (2) wings.

They have to Protect themselves from the Intensity of the Glory.

The Only One who can pass through that level of Glory to take you to where God is; is the One who Himself is God!

Remember that it is written: In the beginning was the Word, the Word was with God and the Word was God - That is John 1:1.

And you can read it all the way to Verse 14 - It tells us that the Word was made flesh and dwelleth among us and we beheld the Glory as the Glory of the Only Begotten of the Father full of Grace and Truth.

It is the Word who was God, who has been with God from the beginning, who became flesh and we call His Name Jesus; He is the Only One who can lead you all the way to the Presence of His Father.

Today, I have just come to add a little bit to what we heard Yesterday (Day 1) - That it will be in your best Interest for your Final Journey to Heaven to be Reconciled to "The Way": The One who is:

- ☆ The Way Into.
- ☆ The Way Out of
- ☆ The Way Forward
- ☆ The Way Upwards
- ☆ And the Only Way to Heaven.

When we talk about making it to Heaven, I will give you this last little bit of illustrations:

Do you know that if the President of Nigeria says that "I want you to come and see me" - He is the One who sent the Invitation.

Do you know that you still have to pass through seven (7) Gates to be able to see him?

So, when we talk about going to Aso Rock, we are not talking of going to the backyard of your father's house (DMC NOTES: Aso Rock is the State House and Official Office and Residence of

the Nigerian Presidency).

You will pass through Gate 1 - They will ask you: Where are you going? And you will say I am going to see the President.

Do you have Evidence? You say Yes and then they will allow you to pass Gate 1,

Then you come to Gates 2, 3 and 4 - The People in Gate 4 will be watching you at Gate 3 but they will still do their own duty.

Then you get to Gate 5 and then Gate 6.

Do you know that it is easier to see Jesus Christ than to see come of these Africa Presidents?

If I want to see God now, all I have to do is to say: "In the Name of Jesus" and "The Way" opens and I can begin to talk to God.

You want to talk to the President? He asked you to come? - Laughing, get ready for Gates!

Now, to go to the Throne Room of God; there is only one Gate - That Gate's Name is Jesus Christ, the One who is called "The Way".

So this Morning, I am going to Pray for you now and then you will talk to God.

You call on Him: Oh Lord Jesus Christ, You "The Way"; from now on, be open unto me.

When I turn to the Right, let there be a way.

When I turn to the Left, let there be a way.

When I knock on one door, Please open at least three (3) doors to me.

From Today onwards, let me enter into Joy, enter into Victory; move me out of Sickness, out of Sorrow, out of Failure and out of Stagnation.

Let me begin to move Forward, Upwards and let me remain forever going Upwards.

And finally, when the time comes for me to leave this world, Please be by my side before I Close my eyes in Death.

That is the Prayer you are going to Pray Today,

And by the way, all the Prayer Requests that has been dropped, I have called on my Father in

Heaven that He will grant all those Requests and the Answers will come - Amen.

Let Us Pray!

THEME: ARISE AND SHINE

MINISTERING: PASTOR E.A ADEBOYE

DATE: 15TH JANUARY 2026

BIBLE TEXT: ISAIAH 60:1-3

SONG:

We give you all the Glory
We give You Honour:
We give You all the Glory
We give You Honour (Jesus).

OPENING PRAYER

Almighty God, the Great Redeemer Himself - The Owner of Redeemer's University, we worship You.

We give You all Glory and we give You all Honour for all You've done for us since the last time we met here.

We Thank You in advance for what You are about to do today.

Please accept our worship in Jesus' Name.

We Pray that in the Life of every one of us here today, or those reading now on the Label of DMC: You would do something New. You would do something Great and You would do something Miraculous.

Father, this is Your University and You are the Resurrection and the Life - In this University:

Let there be no more deaths, no more sorrows and no more tragedies.

Let there be only Miracles, Signs and Wonders.

Bless our Vice Chancellor (DMC NOTES: The Vice Chancellor of Redeemer University (RUN) is Professor Shadrach Olufemi Akindele; a renowned Professor of Forestry and the 4th Substantive VC of RUN).

Bless all the Staffs.

And Bless all the Students.

By the end of today my Father and my God, we will all be singing a New Song.

In Jesus' Mighty Name we have Prayed - Amen.

Well, let Somebody shout hallelujah- Hallelujah.

I want you to look for at least two (2) to three (3) people you have not seen this Year and say, Happy New Year, God Bless You!

And then I say Happy New Year to you all.

God Bless You!

And then you may Please be seated.

Glory be to God!

Today, the Almighty God in His Infinite Wisdom and Mercy has sent a Message to Somebody in Particular.

I don't know who that fellow is, but the fellow will know himself or herself before we finish.

And if you would just have the Faith to believe that definitely, "It can only be me" let me hear you shout hallelujah - Hallelujah!

And the Message is in Isaiah 60:1-3, it says:

1 Arise, Shine; for thy Light is come, and the Glory of the LORD is risen upon thee.

2 For, behold, the Darkness shall cover the Earth, and gross Darkness the People: but the LORD shall arise upon thee, and His Glory shall be seen upon thee.

3 And the Gentiles shall come to thy Light, and kings to the Brightness of thy rising.

ARISE!

"Arise" is a word that means different things to different People:

1. COME BACK TO LIFE:

Arise to somebody who is Dead can mean, "Come back to Life".

In Mark 5:35-43, Jesus got to Jairus' house, whose daughter had died. He said, young girl Arise!

So I have Good News for Somebody here tonight or reading now on the Label of DMC:
Whatever it is that is good in your Life that the devil has killed; it shall come back to Life today -
Amen.

2. WAKE UP:

Arise could mean to somebody who is sleeping, "Wake up".

In Matthew 26:37-46, Jesus Christ went to Pray in the Garden of Gethsemane and He took His "Trusted Disciples" along with Him - "Hey, come and join me in Prayer because I need Prayer Support."

And as He was Praying in great agony, the People began to sleep.

He came a second time they were still sleeping.

By the time He came the third time He said, "Okay, Arise let us go."

So, Arise to the one who is sleeping can mean, "Wake up!"

You see, the Problem with the fellow who is sleeping is that he doesn't know he is sleeping until somebody wakes him up.

Whatever is good in your Life that is asleep, this Evening, it will wake up - Amen.

3. GET UP/STAND UP:

Arise can mean to somebody who is seated, "Get up! Or Stand up".

In Acts 3:1-8, you remember the Story of the man who was born Lame. And he had always been sitting - Wherever they put him, that's where he stayed:

Rain or Sun, he couldn't move from one spot.

And one day just like today, Peter went to him and said, in the Name of Jesus, Arise! " - Silver and Gold have I none; but such as I have give I thee: In the Name of Jesus Christ of Nazareth rise up and walk." And he arose and began to walk, began to jump, began to Praise God.

You see, because God has brought a Message to you today, saying: Arise; Whatever is it that has been tying you down is going to be destroyed - Amen.

It means whatever is in you that is your Potential, but has been stagnant, not showing its Ability - What it can do, but just sitting down there; the Almighty God who is saying "Arise" is going to handle the situation - Amen.

You know, many People have great Potentials but they die without become anything in Life.

When I was younger; I am only eighty three (83) years old - 'Young.'

In my little Village in Ifewara there was this girl in my Primary School with Angelic voice.

Back then in the Primary School, we had what they call Entertainment - We were having little Playlet, acting David versus Goliath, etc.

And this Particular girl would just be singing Songs.

Do you know the Villagers go to the School Entertainments because of her singing? - She was that good.

But she died being a "Good Singer" in the Village.

If it were now, Probably she would have been known throughout the world.

Whatever is your Potential; whatever Special Gift that God has given you that is stagnant, not showing up; It would Arise today - Amen.

4. JUMP TO ACTION:

Arise can mean to someone who is already standing, "Jump to Action".

In 1 Samuel 16:11-13, when God sent Samuel to go and anoint a King in the house of Jesse.

The Prophet came to Jesse, the later brought forth his seven (7) boys and they were all rejected by God.

Samuel said, I know who sent me, I heard His Voice; He asked me to come to your house - He said that the New King is here. "Are these all your children?"

Well, reluctantly, the father said, "there remains one, but he is not a Candidate of Kingship." He is in the bush taking care of my sheep and goats - That's all he can do.

And Samuel said, "We are not going to sit down until you bring that boy" - We will stand until you bring him.

So they went, and they brought in David.

They were already standing when God spoke to Samuel and said, this is the one we are waiting for, "Arise, Anoint him!"

Like I said earlier, I don't know the fellow that God really is talking to today:

- But all the forces that can make you King. I mean, take you to the top;

- All those forces of great ideas looking at you, and are not doing anything;

From this moment onward, they won't be able to sit down anymore - Amen!

5. BEGIN TO RUN:

Arise can mean to somebody who is already in action, "Begin to Run".

In 1 Samuel 17:48-51, David and Goliath were already talking; each one boasting about his own God. And they were walking one towards the other.

But the Bible says, Goliath began to move, and David ran to battle - You know the rest of the Story.

If you are already walking and God says Arise! It means, begin to Run.

I decree to Someone here or reading now on the Label of DMC: Beginning from tonight, your Progress will be Accelerated - Amen.

So the first word in our Bible Text (Isaiah 60:1-30) is "Arise!"

And if that is all that God is saying to us tonight, it's enough to go home.

Because if the Lord is saying "Arise" it means things will never be the same again - Amen.

"Arise" implies that things will get far better than it used to be - Amen.

SHINE

The next word in the Message to whoever that fellow is, is "Shine."

I am sure you know what Shine means - Afterall this is an Academic Community.

"Shine" without any doubt means, your Brightness; Excel.

Prove that you are Brilliant. Shine!

In Judges 15:14-16, when they brought Samson bound to the Camp of the enemy, he shone - Because with the jawbone of an ass he killed a thousand People.

He proved beyond all doubts, "This fellow is not ordinary" - He shone among them.

What Light does is that it drives away Darkness.

One beautiful thing about Light is that if a room is full of darkness and you switch on the Light; without you saying a word, all the darkness in the room will disappear.

I have Good News you for Someone inclusive those reading now on the Label of DMC: From tonight onward you will Shine - Amen.

When forces of darkness see you coming they would run - Amen.

Several years ago in my little Village - Thank God things have changed know; so don't look at my Village with the same eyes as before.

My father attended a family Meeting and he quarreled with other Members of our family - Join our Party, no I can't, my son is in Secondary School, and the Principal of the School belongs to the other Party. I can't join you, otherwise he will victimize my son.

Oh, so it's because of your son that you are not going to join our Party?

Oh yes - As soon as he finishes from Secondary School, we can talk again.

And they said, "I see!" - Then we will see how long that your son will live.

And in those days, not now, when they say, "We will see how long you will live"; the meaning is that you are not likely to see the following Morning.

That Night my father came home, told us what happened in the family Meeting.

My mother grabbed me, and that Night we fled - And I was running for the next thirteen (13) years.

Then I met the Lord Jesus Christ, and it became clear to me that it is darkness that runs from Light and not the other way round.

I don't want to boast now, but I am quite sure witches and wizards that may remain in Ifewara are not many now. When they hear that I am coming home they run!

May I decree to Someone here or reading now on the Label of DMC that because from now on you are going to be Shining; When forces of darkness see you coming they will run - Amen.

Excel, show your Brilliance - Show the stuff you are made of.

And you will find another example in 1 Kings 3:4-28 - Solomon loved God and he decided to offer a thousand burnt offering to Him.

That Night, God paid him a visit and asked him, "What do you want?"

Solomon said, all I want is Wisdom - The Ability to Understand.

Which would be a very good Prayer Point for somebody in the University to Pray.

God said alright; I will give you Wisdom, I will give you Understanding and even the things you didn't ask for, I will add.

Solomon woke up and he said, "Ha, it was a Dream."

But then it wasn't long after that, two (2) women came to him - Two (2) harlots who lived together in the same room. Each one had given birth to a child, and the children looked alike.

One Night, one of the women carelessly slept on her own child and the child died.

When she found out that her child was dead she said, no Problem! So quickly, she switched the children.

There were only two of them in the same room.

When the other woman woke up she said, "What! A dead child?"

But then she looked closely, "This is not my child." She looked at the baby on the other side, Ha, that is my child over there.

So they took the case to Solomon.

God wanted to give an opportunity to the People to know that Solomon is no longer the fellow

they used to know.

I have Good News for you; you will soon begin to surprise your Lecturers - Amen.

- How do you know who the mother of the living child is?

- How do know who the mother of the dead child is?

The thing that is called Potential rose up!

Solomon said, get me a sword let's divide the living child into two (2) - Give one half to each woman.

And the mother of the living child said, my child is alive. I don't want you to kill him. Let's hand over the living child to the other woman. After all when my child grows up he would know who his real mother is.

And Solomon said, "Give the living child to that woman, definitely that's the mother of the living child."

Every one who heard the Judgement said, "there's something in this man that is of God."

I Pray in the Name that's above every other name, beginning from tonight, you will Arise; You will begin to Shine - Amen.

FOR THY LIGHT IS COME.

And then He went further to say, "For thy Light is come."

... That is how far I will be able to go tonight - We will leave the rest to the Holy Spirit to explain.

You see, there is something called Destiny - Something about you that God decided.

There is something about this University that God decided before it was founded - There's something they call Destiny.

I had quite a bit of a struggle with the National University Commission - We were going to call this University, "Jesus' University"; they said no, you can't use a name like that to register a University.

Okay, what about "Christ University?" They said that one is too Religious.

I said God, what do You want me to call Your University? I mean a name that those People cannot reject?

He said, Redeemer.

So I said to them, what about "Redeemer's University?" They said well, Redeemer can be anybody;

- If you sell something and you want to get it back, you can be called a Redeemer.

- If somebody is in trouble and you are to bail him or her, to that fellow you are a Redeemer.

That's why this Institution is called Redeemer's University because you may not know this.

There is something about you that is not common to any other University - Something Unique.

And that Person who made you "Unique" made the door open to take in Students - He is the One who is speaking to you today saying, "Arise, Shine, for thy Light is come".

So if you know that at long last your Light has come, let me hear you shout hallelujah - Hallelujah.

In Jeremiah 1:4, the Bible says, Then the Word of the LORD came unto me, saying, Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a Prophet unto the Nations.

Before your father met your mother, God already had a Plan for your Life.

I have some friends in America in Particular, and their complaint is that they don't even know their father - "Mama slept with someone, got Pregnant, and the man disappeared.

When they complain to me I say, "Hey, don't worry, God knew what He was doing - He wanted to Produce you and He chose a Particular man to meet a Particular woman. The man has done his job - He Produced you.

Don't worry, the "Original Father" is God.

Before He formed you, He already knew you.

And in Jeremiah 29:11 He says, I have a Good Purpose for your Life; I want you to have an Expected End.

The Original Plan of God for you is Good.

And do you know what? There is very little you can do about it.

When you read Romans 9:10-18, the Bible tells you that even when two boys were in the womb, before they were born God had already spoken and said, the elder will serve the younger.

They were not yet born and they have not done good or bad but God had already said, this is my Plan - The elder will serve the younger.

I smile because I remembered the Story of a set of twins - One was the Chief Executive Officer (CEO) of a very Powerful Company - I won't mention the name of the Company. And his twin brother was his driver.

When People asked him, "why are you using your twin brother as your driver?" He said, who else can I trust? After all we came from the same womb.

They asked the twin, "why are you driving your twin brother?" And he gave this answer, "That's the Will of God for my Life" - Destiny!

In Romans 9:10-18, God said concerning Pharaoh: The reason I made you great is so that when I drown you the whole world will know there is a King above all kings.

If you read the Book of Exodus very well, God told Moses, go and tell Pharaoh to let my People go. But don't think it will be easy because I will harden his heart. Before you arrive I will make sure of that; so that I can demonstrate to him my Supremacy:

Now he thinks he is 'big.' When I drown him, he will know that I am the One who is called the King of kings.

There is something called Timing. I don't want to take too much of your time.

Since we are in an Academic Community, one of the things that is very difficult to define is that word called Time.

If I ask you now, what is Time? The normal answer will be: Time is that which is measured in hour, minutes, seconds.

I didn't say, "How do you measure Time?" What is Time?

And if you want to show me that you are a great Philosopher, you will tell me, Time is a fraction of Eternity.

And what is Eternity? Eternity is time without end.

So what is Time?

Time is a fraction of Eternity without end.

Time is a Peculiar thing.

Forgive me, we are in an Academic Community, that's why occasionally I tend to get a bit Mathematical.

In Ecclesiastes 3:1-8, the Bible says God has Time for everything -;He had a Timetable for everything.

Whether you believe it or not, before you were born, He knew when you will come to Redeemer's University (RUN).

And believe me honestly, He's fully aware of when you will Graduate.

That some People are your Classmates now, He knows all those things in details.

He has a Timetable for everything.

But He is now saying in Psalms 102:13, Thou shalt arise, and have Mercy upon Zion: for the Time to favour her, yea, the Set Time, is come.

So God is saying to you, your Time to Arise; and your Time to Shine has come - Amen.

Maybe you don't believe me; in years to come, those of you who are here, or reading now on the Label of DMC will look back and remember tonight as the moment Destiny Paid you a visit - Amen.

EXAMPLES

I will give you a few examples so that you will be able to remember the entire Sermon - I don't want to make it long. It's an incredible Topic.

1. SAMUEL:

Take for example one boy called Samuel.

In 1 Samuel 1:19-20, the mother (Hannah) who had been barren for a long time, had been going to Shiloh, Praying and asking God for help.

One day, in great agony she cried unto God with so much Pain that only her lips were seen moving - They couldn't hear her voice.

Hannah made a Covenant with God, "Give me a Male child."

She didn't say give me a child - "Give me a son and I will hand him over to you."

With Destiny marked out for Samuel, he was born to be a Prophet of God - That was the beginning.

After sometime the boy was living with the High Priest (Eli).

One day as he was sleeping, a voice spoke, "Samuel! Samuel!!!". He thought it was the Oga who was calling him, so he ran to Eli "Yes, Sir, what do you want me to do?" Eli said, "I didn't call you, go and lie down."

You know, somebody is likely to hear the voice of God today - Amen.

By the third time when he now came, Eli knew, "This boy is hearing from God."

That was when the Time of Samuel came:

- He woke up that Morning an Ordinary Messenger to the Man of God.
- By the time he went to bed finally, he was a Prophet.

He was hearing from God, because his Boss (Eli) was no longer hearing from God.

- It wasn't long after that, according to the Bible; the whole Nation knew, a New Prophet has come.

- It wasn't long after that, Samuel became the first King Maker in Israel (DMC NOTES: 1 Samuel 10:1-25).

- It wasn't long after that he became the first King Remover

Samuel was the first Prophet to make a King; the first Prophet to remove a King (1 Samuel 16:1-40).

Samuel is an example of the one whose Destiny had a Timetable - When his day came he fulfilled Destiny.

2. DAVID

I have already mentioned David before.

But do you know that long before Samuel went to Jesse's house to anoint a boy, it had already been written in Acts 13:21-23 where God said; I have found David the son of Jesse, a man after mine own heart, which shall fulfil all my will.

So what was happening in 1 Samuel 16:1-11 was a manifestation of what God has already settled.

3. ELISHA:

Let me go to Elisha.

In 1 Kings 19:19-21, Elisha was a very hardworking son of a Wealthy Farmer. He thought that he was going to spend his Life as a Wealthy Farmer: "Whenever Daddy dies I will take over from him."

But God had a different Plan.

And all of a sudden, a Prophet was passing by and threw his Mantle upon Elisha.

As soon as the Mantle was thrown upon him, he knew immediately, what God is saying is that you are not going to be a Wealthy Farmer, "You are going to be a Prophet."

Everything happened within a day.

But his Time didn't come in a couple of years, until finally God decided to take Elijah (DMC NOTES: 2 Kings 2:9-15).

When Elijah went by a Whirlwind to Heaven and the Mantle that was thrown upon the shoulder of Elisha before, was now dropped from Heaven as his Master (Elijah) was going.

And then he knew, the Set Time has come!

4. Let me go to the New Testament and give just one more example.

In Mark 3:3-16, the Bible tells us that Jesus went up to a Hill, called some People to Himself and appointed some of them. He said okay, I give you Power.

PETER:

The Bible mentioned the name of one fellow called Peter.

The day God called those to be Apostles, Peter was one.

But the Time of Peter didn't really come until in Acts Chapter 2, when the Holy Spirit fell.

- He Preached just one Sermon and three thousand (3,000) souls were won (DMC NOTES: Acts 2:41).

- It wasn't long after that, his shadow began to heal the sick (DMC NOTES: Acts 5:15).

I want to beg you tonight; don't destroy your Destiny, because there is something about God versus Destiny.

In 1 Samuel 2:30 God said to Eli:

Wherefore the LORD God of Israel saith, I said indeed that thy house, and the house of thy father, should walk before me for ever: but now the LORD saith, Be it far from me; for them that honour me I will honour, and they that despise me shall be lightly esteemed.

Each time I read that Passage, I will remember that: "The White Man who made the Pencil also made Eraser." God has sent me to tell you tonight:

You can Arise. You can begin to Shine because your time has come - Amen.

But remember, when Elijah was leaving, Elisha got a Double Portion of his Spirit.

5. GEHAZI:

By the time you get to 2 Kings 5:1-end, you will see the Story of another Servant of the Man of God called Gehazi.

His own Time would have come to ask Elisha for a Double Portion of his Spirit and he could have received it.

He could have become the most Powerful Prophet of All-Time but he couldn't wait. He preferred the wealth of a Leper and he ended up a Leper.

Because Elisha could not find somebody to handover the tremendous Power of God to, he died with it.

The Power went with him to the grave - It was so much that a dead man touched his bones and jumped back to Life.

Your decision tonight will determine how Great your future will be - Don't destroy your Destiny.

I think they gave me one big Title here tonight. They called me 'Visitor' - I think a Visitor should be somebody who is visiting regularly.

But I am talking to you as your father;

In the Name that's above every other name, do not destroy your Destiny - Amen.

You didn't come to Redeemer's University (RUN) by accident - "Known unto God are all his works from the beginning of the world." (DMC NOTES: Acts 15:18)

... I am talking Particularly to those of you who are here tonight.

Even as I was entering this place tonight, I saw quite a few Students strolling away in the other direction - They heard the singing, they knew there was going to be a Meeting here but it means nothing to them; because they are not included in what God is doing.

I am fully aware that even though this is a University Community, He is still God here.

I am fully aware there might be a few of you already into something questionable - Do not destroy your Destiny!

When He says, "Arise, Shine, for your Light is come"; He is saying, "I am beginning something New in your Life." How far it will go is up to you.

I believe I have done my duty tonight. I will only add Altar Call now.

ALTAR CALL

- If you know that when we are talking about Light, there is nothing at all similar to Light in your Life.

- You know you are still living in sin.

- You know you are still showing People that you belong to God; and you still shout hallelujah with us but you know that you are not anywhere near being a Christian.

Tonight you have made up your Mind, "If he says surrender your Life to Jesus Christ" I will go and surrender to the One who says, "I Am."

You are here tonight or reading now on the Label of DMC and you want to say bye bye to everything that has to do with the devil;

"Anything at all that I am doing that the School Authority should not know about"; I am ready to say bye bye to them. I want to be a Child of the Almighty God Himself.

If you are one of those People, I will count from one (1) to ten (10) - Before I say ten (10) come forward for Genuine Salvation. And I will Pray for God to save your Soul.

If you were a Christian before, a "True Child" of God before and you backslide; now you want to reconnect with Jesus Christ; come also.

This is a Special Night that you are going to remember for the rest of your Life.

So I am counting now...

Cry to God and say: Lord; Thank You for today. I've come to surrender my Life Genuinely to You.

Save my Soul, have Mercy on me as I want to be Yours for ever.

Be my Lord, be my Saviour and I will obey You for the rest of my Life.

Go ahead, begin to talk to God!

And the rest of us, let's Stretch our hands towards these People and intercede for them:

Pray that the One who saved our Souls would save their own Souls also.

Cry to God to be Merciful to them.

Ha! Thank You Father. Thank You Jesus.

In Jesus' Mighty Name we have Prayed - Amen.

PRAYER FOR SALVATION

My Father and my God, I say Thank You very, very much for this Evening.

Thank You for the Message You have sent to us.

Thank You for the People who have Genuinely surrendered their lives to You today.

Please have Mercy on them, forgive all their sins, let Your Blood wash them Clean.

Please save their Souls Oh LORD, write their names in the Book of Life and let them become Members of the Family of God.

And the Grace to serve You all the days for their lives Father, give unto them, in Jesus' Name.

I Pray that from now on, anytime they call on You You will answer them by Fire.

Don't let them ever backslide and any Backslider returning to You today, Please Lord, take him or her back.

And don't let them ever backslide again.

In Jesus' Mighty Name we have Prayed - Amen.

Now, those or you have just given your Life Genuinely to Jesus Christ, let me hear you shout hallelujah - Hallelujah.

I want to assure that from now on, by the Grace of God, I'll be Praying for you.

So I am going to need your name, your Address and your Prayer Requests.

God Bless You!

Those of you who believe, "I think I am the one God has been talking to"; I think that you better stand on your feet and shout hallelujah - Hallelujah.

CLOSING PRAYER

My Father and my God, I want to Thank You very, very much for Your Children who are gathered here today, or reading the Message now on the Label of DMC.

Thank You because their day has come.

Please on their behalf; let today be their Night, in Jesus' Name.

In Your Name Lord I decree into the Life of every one here or reading now on the Label of DMC:

Arise, Shine!

Your Time has come.

Your Miracles begin.

Your Promotions begin.

Begin to Excel.

Begin to do the Will of God.

Begin to fulfil your Purpose.

From now on, anytime I hear concerning you it shall be Good News.

And you will Shine forever.

So shall it be!

In Jesus' Mighty Name we have Prayed - Amen.

Now you are going to cry to the Almighty God and say: Father, Thank You that I am here Tonight;

From now on let me begin to Shine for You.

Go ahead, talk to them Almighty God.
