SONG

We give You all the Glory
We give You Honour
We give You all the Glory
We give You Honour

OPENING PRAYER

Almighty God, Maker of Heaven and the Earth, the Owner of Port Harcourt, the Owner of Rivers State - Glory be to Your Holy Name.

Tonight, my Father and my God, we Your Children are in one accord and we say:

In Rivers State, let there be Light.

In Port Harcourt, let there be Light.

In the Homes of all these Your Children, let there be Light.

In the lives of everyone of us, let there be Light.

In Nigeria, let there be Light.

And let everyone here Today or reading this Message now on the Label of DMC; go home with a Testimonies.

In Jesus Mighty Name we have Prayed - Amen.

Well, let Somebody shout Hallelujah - Hallelujah.

Look for one (1) or two (2) People that you have not seen this Year, shake hands with them and say: "Happy New Year".

And you may Please be seated - God bless you!

What a wonderful Message we have just received!

Let's give the Lord a round of applause.

DMC NOTES: The first Talk was given by Reverend Ntia I. Ntia, who is the Senior Pastor of Full Life Christian Centre, Uyo, Akwa Ibom State, Nigeria

And I want you to tell the Fellow next to you - Whether the devil likes or not, he cannot have me.

I want to give Glory to God and Thank God for all the Great Men and Women that the Almighty God had brought here Tonight.

I want to Thank God for all those that had Ministered.

My own Assignment is just to give you a Father's Blessing - And I will do that in the next few Minutes.

But I just want to tell you why it is Compulsory that you must have Light Tonight.

Genesis 1: 1-4 - I will, not treat the whole Section. I will just treat a little bit of it and that will do for Tonight.

Port Harcourt is my second home - So I know that I will come again and again by the Grace of God.

And then, we will be able to discuss the others.

Genesis 1:1-4:

1. In the beginning God created the Heaven and the Earth.
2. And the Earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.
3. And God said, Let there be Light: and there was Light.

4. And God saw the Light, that it was good: and God divided the Light from the Darkness.

Well, everything that is bad in your Life will be taken away from you Tonight - Amen!

By the time you leave this Place: When God look down from Heaven upon each and everyone of you; He Himself will say: "This is Good".

That is going to be the Testimony of God concerning you - Amen.

The Section I want to look at is a little bit of Verse 2 - And the Earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

When God created the Heaven and the Earth, the Bible says that the Earth was without form - That is where we are going to look at for the next few Minutes.

"Without Form" means that everything was out of order - There was Confusion!

And in the Name that is above every other name, whatever may be causing Confusion in your Life, will go Tonight - Amen!

1. PHYSICALLY

When Someone is sick and the Doctors say that we don't know the cause.

When they don't know the cause, how can they make the correct Prescriptions?

When you look at Mark 5: 25-34; you find a woman there that we always refer to as the woman with the Issue of Blood.

When a woman gets to the age that she should menstruate and she begins to menstruate - That is Good News because it means that she has a Potential of becoming a mother.

But when what is supposed to last for three (3) or four (4) days begin to last for twelve (12) years; then what is supposed to be a Blessing has become a Curse.

And this woman has gone to the Hospital and has been transferred from one Specialist Doctor to another for twelve (12) years.

And instead of getting better, the Bible says that she grew worst and she spent all that she had.

That is what is called Confusion.

If there is any form of Sickness or Disease in your Life; in the Name that is above every other name, that Sickness will not go back home with you - Amen!

Because she was in that condition until Light came.

When Jesus Christ was Passing by; the Light of the world came into her Life and the Problem of twelve (12) years ended immediately.

I want to decree one more time: Every Sickness and Disease in your Life and family; because you came here Tonight or reading now on the Label of DMC, the Light of God will Shine and the Problem will be over - Amen.

2. MATERIALLY

When you find like the case in 2 Kings 4: 1-7.

Where the widow of one of the Sons of the Prophet came to Elisha and she said: My husband served the Lord and yet he died so Poor that those we borrowed money from has come now to say that we have looked at your entire family, there is nothing worthy of sales except your two (2) sons.

And they have given me 24 Hours to pay up or my two (2) sons will be gone.

Then you can understand a Statement of Confusion.

The woman said: My husband served God.

And the Bible says that they that seek the Lord, shall not lack any Good Thing.

And yet, Poverty is destroying us.

But then, she brought the case to the Representative of the One who is the Light.

And on that very day, not only was her debt Paid, she had enough money to live on for the rest of her Life.

I know that there is at least Somebody here Today or reading now on the Label of DMC: You are beginning to wonder, "I am a Christian and I served the Lord but yet instead of things getting better Financially, things are getting worst".

I have Good News for you: In the Name that is above every other name, it doesn't matter how much you owe; in a way that you cannot explain, God will pay them off - Amen.

And I want to give you one Assurance: In the Name of the One who sent me, as soon as these your debts are cleared, you will never borrow again - Amen.

I know the case of a woman here in Port Harcourt.

She was a widow whose husband was a very, very good Man of God and yet when he died, he left behind a widow with a very huge amount of debt and with fourteen (14) mouths to feed.

Humanly speaking, there is no way that she could get out of the debt.

But the Word of God came like Tonight that said: In a way that you can't explain, God is going to wipe away your debts.

It wasn't a long time to that day, that the biggest Credit of all - A Bank in London that the husband owed thousands of Pounds wrote to her to say that we have checked our records and we have discovered that we made a mistake. We are the ones owing your husband and it is not your husband owing us.

I have Good News for you - Because I know that they don't make that kind of mistake. But there is a God who has the Power to amend things.

In the Life of Someone here Today or reading this Message now on the Label of DMC: There will be a Divine Intervention - Amen.

The next time that I will see you, I will be hearing your Testimonies - Amen.

3. MARITALLY

One could find himself or herself in Confusion Maritally.

If you just read Genesis 29: 15-31 - And you read the Story of a girl called Rachel

Rachel was beautiful and she was to be married at a Particular date - The date was fixed for seven (7) years.

The Courtship was supposed to last for seven (7) years - That was long enough.

And then the day came for her to be married and Somebody was Substituted for her. And then, they now extended her Courtship for another seven (7) years.

I think that could be a bit confusing.

There might be some of you Young ones here Today or reading now on the Label of DMC: You

have not done anything wrong and you have not offended God in any way whatsoever. By now, you should be happily married and settled in your own homes but it looks as if your Wedding date has been Postponed Year-In and Year-Out.

I have Good News for you: In the Name of the One whose Name is the God of All flesh, no more Postponement - Amen.

And not only that, this beautiful lady finally got married after fourteen (14) years of Courtship.

And what do we discovered? She was barren.

She waited for fourteen (14) years to be married and then after she got married; she was barren.

When you read the Bible Passage that I gave you for this instance (Genesis 29: 15-31); the only Problem she had was that she was beautiful.

That is what you call Confusion.

But then one day, the Light of the world remembered her.

In the Name of the One who made Heaven and Earth - The One who made the Sun to Shine by the Day and the Moon to Shine by the Night; I hereby decree: God will remember Someone Tonight - Amen.

4. EMOTIONALLY

There could be Confusion Emotionally.

There could be Confusion when you have done nothing wrong and yet Sorrow seems to be Pursuing you.

I mean the Story in Luke 7: 11-16.

It tells us the Story of a widow who had an only son and the son died and she was going to bury that boy.

There were several People in the Town and the devil choose the house of a widow to go and kill the only son there.

And I'm sure that all the People who are weeping following her were not weeping "Sincere Tears" because they must have been asking Questions: The husband died and then the only son died also.

I mean that there are some things in your Life causing you Sorrow - Certain things that are causing People to say: Where is your God?

That they will say: That we heard that you serve God.

And at times they even call you by the Name of Jesus - "Mama Jesus" or "Baba Jesus" and you carry Bible everyday.

They say: Where is the God that he/she is serving?

But I believe that God sent me to Port Harcourt to go and tell Somebody: All those things that are in your Life that could cause People to say where is your God; it will end Tonight - Amen.

5. MENTALLY

And then, since we are on the Campus - And by the way:

★ This Campus is blessed - Amen (DMC NOTES: Referring to University of Port Harcourt, Uniport).

★ The Vice Chancellor is blessed - Amen.

DMC NOTES: The Current Vice Chancellor (VC) of the University of Port Harcourt (Uniport) is Professor Owunari Abraham Georgewill. He is a Nigerian Professor of Pharmacology and the 9th VC of Uniport - Also known as "The Golden Jubilee VC" as his tenure coincides with Uniport 50th Anniversary.

★ The Academic Staff Members are blessed - Amen.

★ And all the Students are blessed - Amen.

And I decree on this Campus (Uniport) that from today onwards, there will be no more Death and Tragedy but only Good News galore - Amen.

Unless you have the Light of God, there is the Possibility of Mental Confusion.

Occasionally a Student can be very brilliant but then get to the Examination Hall and blank out.

I know what I am talking about - I have been in the Academic Community for years.

And I have seen highly Intelligent Students and Hardworking Students failing Examinations - Not because they didn't work hard but because the Enemies intervened.

May I therefore decree to all Students in Particular: You will never fail again - Amen.

If you are not one of the Students, you might be their Relatives; so say amen for them - Amen.

And then at times you have Problems that only God can help you solve - I mean talking to even the Staffs now.

Anybody who has done any Research before most especially in Mathematics - If you are Studying for a Post Graduate degree, you are to solve a Problem that Nobody has solved before.

And because the Problem has not been solved before, we are not even sure that it has a Solution.

And unless you solve it, you don't get the degree - It doesn't matter how long it takes.

But if you have the Light of God Shinning upon you - The God who knows all Problems even before it is formulated; He can show you the answer.

In 1 Kings 3: 3-28; Solomon asked God for Wisdom.

Because one day he was sleeping and God, the Light of the world; came into his room and he had a Dream.

And in the Dream, God asked him to ask for anything that he wants - And he asked for Wisdom and God gave him.

And how did he discovered that God gave him that Wisdom?

Shortly after he had the Dream, two (2) women (Harlots) living together in the same room came to him.

Both had children within three (3) days from each other.

Nobody in the house except those two (2).

One slept on her own child and the child died.

Before the second woman woke up, she had already exchanged the dead child with the Living child.

And they brought the case to Solomon - No Witness.

This one said that the Living child is mine, the other one said the same thing.

But God gave Solomon Extraordinary Wisdom.

He said give me a sword - Let us divide the Living child to two - And half of the Living to one woman and one half to the other; then half of the dead to one and the other half to the other.

You know the Story.

The woman whose child was alive said no, give it to her; when my child grows old he will know who is the mother.

The other one whose child was dead said: Cut them into two because she has already lost her own anyway.

You know that it takes Divine Intervention for you to make a New Discovery.

And I am decreing Tonight that from this University (Uniport), New Discoveries that will shake the world shall begin to come forth from Tonight - Amen.

I have told the Story before:

When I was doing my PhD in Mathematics and I ended up with one hundred and eighty six (186) Simultaneous Equations.

And those of you who knows anything about Mathematics; you know that by the time Simultaneous Equations are getting to three (3) or four (4) Equations; you have some Problems.

Now, when you have more than a hundred Equations, then you have a "Real Problem".

And I have been working on this thing for eighteen (18) Months and I got to a Stage that I don't even know what to do anymore.

And so I put the Equations aside and I Prayed as I want to sleep. And then I wanted to study the Bible before I go to bed - And I Studied the Crossing of the Red Sea (Exodus Chapter 14).

And suddenly, the Light of God shone on me and God said: Bring your Equations.

I Pray for all of you in Academics: Tonight, the Light of God will Shine on you - Amen.

And I brought my Equations to God and God said: Put this one on the right and put this one on the left.

And by the time I finished doing that, I suddenly discovered that it is because I put all the

Equations together that I didn't see it before.

Now that God has separated it for me, I could see that those Equations on the right side has something in common and the Equations on the left side has something in common.

And God said: Solve the Equations on the right together and the ones on the left together and then put everything together.

Five (5) Hours later, the Labour of eighteen (18) Months was settled.

It is on record and you can find out that in the Great University of Lagos (Unilag); I am the only one who got a PhD without doing an Oral Examination.

Because by the time they took my Thesis to the External Examiner, he read it and told the People: Go and give him the PhD.

And they say: Sir, you know that it is not done; there must be an Oral Examination - You must ask him some Questions.

And he said to them: Who is the Specialist in this field in the whole of the Country? They said you are the one.

He said that I have no Question for this boy - Go and give him his PhD.

I have Good News for Somebody here Tonight and those reading now on the Label of DMC: You will become a Surprise to your Colleagues - Amen!

6. SPIRITUALLY

When the Light of God Shines on you Spiritually, all your Confusion will be over.

Whether occasionally you have been having some Problems because some Students hear voices.

There are some People who think that they are faking it - I have been in the Academics System long enough to know that there are some Students who do hear voices.

And not Students alone, including even Lecturers.

In the Academics world, it is not uncommon for People who are highly Intelligent to also be a little bit weird.

As a matter of fact, there is a saying that the line between a Genius and a Madman is a very thin line.

But if the Light of God Shines on you, any interference from any evil force will not be able to operate.

Why? Because when there is Light, Darkness must stay away.

And so allow me one more time to decree Particularly for those of us who need the Help: Any form of Spiritual Confusion in your Life will end Tonight - Amen.

Let me close with this because like I said, a wonderful Sermon has been Preached and I can't even copy what the Great Man of God has said - The Man must have been Specially selected for Tonight.

But one thing that I know for sure: If the Light of God Shine upon you Tonight, in every areas of your Life you will keep on Succeeding.

Because Philippians 4:13 says: I can do ALL things through Christ who Strengthens me.

And Christ says that I am the Light of the world.

If that Light of Heaven is Shinning on you:

I. Whether you are a Student, you will succeed.

II. Whether you are a Lecturer, you will succeed.

III. Whether you are a Trader, you will succeed.

Why? Because I cam do All things through Him that Strengthens me.

But not only that, if the Light of God shines on you, then according to Philippians 4:19, my God shall Supply how many of your Needs? All your Needs.

You know that one means that:

I. If you need Promotion, you will get it.

II, if you need a job, you will get it.

III. If you are a Trader - You know ten (10) People could be in the same Market and there could be Somebody that until he finishes selling, others will not sell.

I am sure that you know that is why some Traders go to Prayer Houses and some Witch Doctors

make some business.

But from Tonight onwards,, you won't need a Witch Doctor and a Fake Prophet.

But because the Light of God is going to shine into your Life; if you are a Trader you will succeed - Amen!

And so the only Prayer that you are going to Pray Tonight is: Lord, in my Life let there be Light.

Shall we Stand on our feet?

And then lift up our voices to the Almighty God and say - Like Bartimeaus said when Jesus Christ called for him (The man who had been blind from birth and who has been a Beggar from birth); what do you want?

He said: Lord, just give me Light.

Lift your Voice to the Almighty God and say: Father, in the Mighty Name of Jesus, in my Life let there be Light.

You are Praying that Prayer too gently - The Great Man of God who spoke before me told you that when you are dealing with Satan or Darkness; you don't do it gently.

Go ahead and lift your Voice to the Almighty God.

In Jesus Mighty Name we have Prayed - Amen.

SPECIAL LIGHT UP PRAYER

I am sure that you have your Mobile Phones here - Please put the Torch Light Section on.

We will do this one as an act of Faith and we are going to do so with force because the Kingdom of God suffereth Violence and the Violent has taken it by force (DMC NOTES: Matthew 11:12).

1. You will lift that Light up to God and you will Pray violently.

And you will say: Father, in the Mighty Name of Jesus, in my Life, in my home, in my family and in my Place of work; let there be Light.

Everywhere that I go, let there be Light.

Open your mouth and Pray!

In Jesus Mighty Name we have Prayed - Amen.

2. Now, unless we want to deceive ourselves because there is a lot of Confusions in our State here.

A lot of Good things that could have been done, have been left undone.

So with Violence, you are going to cry to the Almighty God and say:

In Rivers State, let there be Light - No more confusion in the Mighty Name of Jesus Christ.

In Jesus Mighty Name we have Prayed - Amen.

3. Now, you are going to Pray another Prayer which is 100% in Agreement with what the Preacher who Preached before me said - Only that this time around, you are going to Pray violently and you are going to Pray it with every anger that you can muster.

You are going to say: In the Mighty Name of Jesus Christ, Satan I Command you; take your dirty hands off me, off my family and off everything Pertaining to me.

My God say that I should resist the devil and he will flee from me - Take your dirty hands off me right now.

Open your mouth and talk to God.

In Jesus Mighty Name we have Prayed - Amen.

I will Pray for you now and then you have one more Prayer to Pray for yourself.

PERSONAL PRAYER REQUEST

But before I Pray that Prayer, I will give you 2 Minutes - If there is anything Special that you want God to do for you; talk to Him now.

Something Specific - A Particular Section of your Life that you want the Light of God to Shine on.

Because until Light began to Shine, you can't have much Progress - People don't make Progress in Darkness.

I. Many atimes, Barrenness is as a result of the work of Darkness; so you need Light.

II. Maybe you find yourself facing Problems that you don't know how to solve; you need Light.

III. Maybe you have been working like an Elephant and you have been eating as an Ant; you need Light in that area.

IV. Maybe your Colleagues has left you far behind; maybe you need Light for Accelerated Promotion so that you can catch up quickly.

V. Maybe things are not just working because there is no Light; Maybe that is the area that you need Help.

VI. Maybe there are some cockroaches in your family.

When you switch on Light in the Kitchen sometimes at Night, all the cockroaches will scatter.

Maybe that is where you need Light - That God should expose those things that should not be in your homes that you there.

Whatever areas you need Light; call on God!

Thank You Father.

In Jesus Mighty Name we have Prayed - Amen.

SPECIAL FATHER'S BLESSING

My Father and my God, I have come Today as your Representative to these Your Children.

I have come to them as a father, sent by You to these Wonderful Children of Yours.

And I know that when the father blesses, the Blessing will Stick.

So Father, in the Mighty Name of Jesus Christ, let Your Children be blessed.

In the Morning, your Light will Shine.

In the Afternoon, your Light will Shine.

In the Evening, your Light will Shine.

In the Night-Time, your Light will Shine.

In your Home, there will be Light.

In your Bodies, there will be Light.

In your Mind, there will be Light.

In your Spirit, there will be Light.

In your Villages, there will be Light.

In your Towns, there will be Light.

In Rivers State, there will be Light.

And from these moment onwards, everything that you want that will make your Joy to be full; God will give it to you.

Everything that will happen, that People will look at you and say: Ha, things are New now, God will do it for you.

And from now on, you will Shine for God.

Wherever you go, your Light will Shine and you will keep on Succeeding.

So shall it be!

And you will serve God forever.

In Jesus Mighty Name I have decreed - Amen.

First of all, wave your Light and make the devil mad.

Now your Last Prayer is a cry to God - And you will Pray it with all your Heart.

And you will say: Father, don't let my Light go out and don't let my Sun set in the Afternoon.

Go ahead and cry to the Almighty God!!!

RCCG SOUTH-EAST AND SOUTH-SOUTH MINISTERS' AND WORKERS' CONFERENCE 2026 @ RCCG RIVERS FAMILY REGIONAL CAMP AND GARDENS ALUU RIVERS STATE

THEME: THE ALL-SUFFICIENT GOD

MINISTERING (DAY 1 EVENING, TALK 1): PASTOR KALU NDUKWE (CONTINENTAL OVERSEER, CONTINENT 1)

DATE: 23RD JANUARY 2026

BIBLE TEXT: PSALM 145:16 AND PHILIPPIANS 4:19

SONG

Oh be lifted
Above all other gods
We lay our crowns
And worship You.

All Gorious God
We Praise Your Name
We lay our crowns
And worship You.

OPENING PRAYER

All Glorious God, Ever Living Father; the Unchangeable Changer, the Immortal, Invincible, Ever Present God; the God of all flesh, the All Sufficient God.

We bow before You to lay our crowns before Your feet.

We lay our crowns of Achievements;

We lay our crowns of Education;

We lay our crowns of Riches;

We lay our crowns of whatever we believe we are before You.

We ask Oh Lord God Almighty, Please accept us in Your Presence, in Jesus' Name.

Thank You for the Gift of Life.

Thank You for Preserving us to see another Ministers (and Workers) Conference of Southeast and South-South.

We are grateful to You!

We ask even for this moment Oh Lord God Almighty that You'll speak to us and bless us through Your Word.

And by the end of this Conference, let our Testimony be, "The All Sufficient God has visited us!"

In Jesus' Name we Pray - Amen.

Praise the Lord - Hallelujah.

You are welcome in the Mighty Name of Jesus Christ!

Once again, on behalf of our Beloved father-in-the-Lord, Pastor E.A Adeboye and our Mother-In-Israel, Pastor (Mrs) Folu Adeboye;

On behalf of the entire Continent, and the Rivers Family that is anchoring this Conference;

I want to heartily welcome every one of us to this Year's Conference, with the Theme: "The All Sufficient God."

I want to Thank the Almighty God who has Preserved us right from the time we met last (2025) to convene again this Year (2026).

This is a great Testimony that God has not finished with us as Ministers and Workers of this Church, and in the Kingdom Assignment in the world.

... I thought Somebody would be happy that the Almighty God has not finished with you!

By our Theme, "The All Sufficient God" you would agree that the Almighty God has really been Sufficient to us.

If we take a deep reflection of this Theme, "The All Sufficient God" one thing would be clear: Our Gathering should be more of giving Thanks.

- Because He has been very Sufficient to us as a Mission.

- He has been Sufficient to us as Individuals.

Do I have a Witness? Yes, for the DMC family Members!

Can somebody say: Thank You Jesus?

However, to introduce this Particular Theme, before our esteemed father-in-the-Lord comes up to share with us the blessing of this Conference; I would like us to look at two (2) Scriptures, Psalm 146:16 and Philippians 4:19.

These two (2) Scriptures confirm that God is indeed is the All Sufficient God.

In Psalm 145:16 the Bible says, Thou openest thine hand, and satisfiest the desire of every living thing.

Philippians 4:19 says, But my God shall Supply all your Need according to his riches in Glory by Christ Jesus.

THE ALL SUFFICIENT GOD

There is this folk story we heard when we were young - Permit me to share with you. The folk Story is about the Animal Kingdom.

One day the animals gathered together to go and visit their King.

On that day, they agreed that every animal should take a name they'll tell the King of who and what each animal is.

All the animals started taking names - Lion, goat, etc.

The tortoise also took a name - When they asked him the name it chooses, the tortoise said, my name is "All of you."

They all agree and went to visit the King.

By the time they got to the King's Palace, he received them very well and entertained them lavishly.

At the end of their visit, the King Packaged wonderful Souvenir for them to take home - He gave it to his Messenger to pass on to the animals.

As the Messenger got to the animals, he Presented the Souvenir and said, these Gifts are for "All

of you."

And all the animals looked at one another, "All of you?" - Which means all these things belong to Tortoise.

Brethren, our God is the only All Sufficient One - There is no other sufficient god anywhere.

Only the Almighty God is All Sufficient. (Hallelujah!)

As a matter of fact, no one can give what he does not have - You can only give what you have.

Our God can meet all our Needs!

From our Bible Texts (Psalm 146:16) the Bible says, Thou openest thine hand, and satisfiest the desire of every Living thing.

I don't know how many "Living Things" you know on Earth; God satisfies them all: including you and I.

And Philippians 4:19 says, God will supply "All your Needs" according to His riches in Glory by Christ Jesus.

These two (2) Scriptures certainly speak of the Possibilities which only come from the All Sufficient God.

It is not a Prophecy, it is a Reality.

Do you know the number of Living things on Earth and their desires?

God knows all of them; and He satisfies all of them.

Brethren, if we can take time to think, we'll appreciate this God ceaselessly and seamlessly: because of the way He is taking care of us.

There is this Song which I know most of us also know - So I want you to sing along with me.

The Song goes like this:

You are more than enough
You are more than enough:
You are El-Shaddai - The God of Plenty.
The All Sufficient God - God Almighty
Jesus, You are more than enough.

WHAT IS "ALL SUFFICIENT?"

The word "All Sufficient" is a combination of two (2) words (we all know this)- "All" and "Sufficient".

"All" means no exception - Everything inclusive - All.

"Sufficient" means:

- Enough.
- Adequate to meet a Need.
- Adequate to meet a condition.
- Adequate to satisfy a requirement.

That is Sufficient!

So when we talk about the All Sufficient God we mean:

- The God who is More Than Enough.
- The God who is adequate to meet all Needs.

However, His kind of being; enough or adequate is always more than the enough you know.

His own enough is more than the ordinary enough which you know.

And David illustrated that in Psalm 23:5 when he said: "thou anointest my head with oil; my cup runneth over."

So God's enough is always more than the enough you know!

And it is my Prayer that beyond what you desire and Pray for, you'll have more than enough, in Jesus' Name - Amen.

Daddy G.O once told us that he asked the Lord why He kept pouring when the cup was full.

And of course the answer was, "It is to show you that I have More Than Enough!"

Tell your Neighbour: "God has More Than Enough for you!"

In Ephesians 3:20, Apostle Paul confirmed that God has More Than Enough by saying: Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us.

"... God is able to do exceeding abundantly above all that we ask or think."

This means our Capacity to even ask is still very small, compared to what God can do.

In this Conference, you will confirm by evidence as our father-in-the-Lord would come to bless us; that God has done for you much more than you ever expected, in the Mighty Name of Jesus - Amen.

Brethren, anything that has no evidence can be argued about but no one can argue about the All Sufficient God - No one!

FOR EXAMPLE:

1. God exists by Himself.

God does not depend on anyone but Himself for His existence.

That is why another Song says:

You are God from beginning to the end
There's no Place for argument
You are God all by Yourself.

He exists all by Himself - He depends on nothing to exist; but all things depend upon Him.

Everything He needs to exist is in Him.

John 1:4 says, In him was Life; and the Life was the Light of men.

And in Genesis 2:7 He imparted Life to man: "And the LORD God formed man of the dust of the Ground, and breathed into his nostrils the breath of Life; and man became a Living Soul."

In Him was Life!

You cannot give what you don't have.

He imparts Life to man - So He does not need anything and anyone else to exist.

2. Everything depend upon God.

Secondly, Everything Living and even Non Living Things depend upon God.

That is why our Bible Text (Psalm 145:16) says, Thou openest thine hand, and satisfiest the desire of every living thing.

"Thou openest thine hand."

That is to say: He is Liberal.

A man that opens his hand is Liberal.

God is very Liberal - That is why in James 1:5, the Bible says, If any of you lack Wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him.

"And upbraideth not."

What do we mean by that? He does not reproach anybody.

It's only a man that can look at someone's face and say, "You are not qualified for anything" - That is not the nature of God!

God does not upbraid - Our God is Liberal.

And in this Conference, as our father-in-the-Lord would come to bless us; someone here, or reading now on the Label of DMC will share Testimony of God's Liberality in his or her Life - Amen.

So shall it be in the Mighty Name of Jesus - Amen!

"Thou openest thine hand, and satisfiest the desire of every living thing."

Satisfaction is a Product of Provision - Take Note of that!

- There is no Satisfaction in Lack;

- There is no Satisfaction in Hunger;

- There is no Satisfaction in Poverty.

But when there is Provision, you will be satisfied.

May the Lord satisfy you in this Conference in the Mighty Name of Jesus - Amen.

LESSONS FROM OUR FATHER IN THE LORD.

As we begin to draw to a close in this First Charge, let's take some Lessons from our Dear Daddy in the Lord:

1. Our Dear Daddy G.O told us years ago that God is like an Ocean - You can go with any amount of vessel and fetch from the ocean, yet it will not dry up. That is God!

2. Secondly, our father-in-the-Lord told us that you can go to the ocean and decide not to fetch water; but that you want fish.

He said, you'll take as much fish as you can, yet there will still be fish in the ocean.

3. Thirdly, He told us that you can decide you don't want water, and you don't want fish; all that you want is sand from the sea. Yet sand will never finish.

That is the God we are talking about - The All Sufficient God.

Can Somebody shout, "All Sufficient God?"

If we like, we can be Millions of People gathered together, but we can never exhaust the air we breathe.

And the Bible says that He bringeth forth the wind from His Storehouse (DMC NOTES: Jeremiah 10:13; Jeremiah 51:16; Psalm 135:7)>

Job 41:11 says, "... Whatsoever is under the whole Heaven is mine."

Brother, what are you looking for? Sister, what are you looking for?

Everything under the whole Heaven, God says they are His Own!

May I let us know Brethren, that God cannot be All Sufficient and we His children will be deficient.

Tell your neighbour: "You can never be deficient."

... Let me round up!

WHAT ARE THE IMPLICATIONS?

- What are the Implications of the All Sufficient God to us?
- Why did God give our father-in-the-Lord this Theme at a time like this?

As Workers and Ministers of the Redeemed Christian Church of God (RCCG) and Non-Members of the Redeemed Christian Church of God (RCCG) or you that are reading now on the Label of DMC; what are the Implications of the All Sufficient God to us?

1. Depend on God for everything.

The implication is for us to depend upon Him for everything.

We have no option, because God didn't create us to be independent.

- Fish depends on water to survive.

All that the fish needs is in the water

- Trees depend on the Ground to survive.

All that the tree wants is in the Ground.

- Man depends on God to survive.

All that man needs is in God.

- It will amaze you that even the minutest things of concern to you, God is interested in them.

And that is why the very hair of your head are numbered - No strand of it can fall to the Ground without taking Permission from God (DMC NOTES: Matthew 10:30)

2. It is so that we will not be Deficient.

The Implications to why God is All Sufficient is so that we ourselves will not be deficient.

Have this Mindset: "You can't have water and be thirsty."

God cannot be All Sufficient and we would be deficient - No way!

He satisfies all our desires.

3. So that we won't have any Excuse

The Implication of the All Sufficient God is so that we would not give any excuse in the end - that God did not have what we wanted. And so we started looking for other gods to help us.

The All Sufficient God has everything, so that we will not have excuse.

- You don't have excuse to go to Babalawo (Meaning: Herbalist).
- You don't have excuse to go to Palm Readers.
- You don't have excuse to go to any Prophet as it were.

Because, "There is nothing you are looking for in Sokoto (DMC NOTES: A State in Northern Nigeria) that you cannot find in your Sokoto (DMC NOTES: Yoruba word for trousers)."

There was a King that made a mistake in the Bible - His name was King Ahaziah of Israel (2 Kings 1:14):

And Ahaziah fell down through a lattice in his Upper Chamber that was in Samaria, and was sick: and he sent Messengers, and said unto them, Go, enquire of Baalzebub the god of Ekron whether I shall recover of this disease. But the Angel of the LORD said to Elijah the Tishbite, Arise, go up to meet the Messengers of the king of Samaria, and say unto them, Is it not because there is not a God in Israel, that ye go to enquire of Baalzebub the god of Ekron?

He left the God of Israel to go and inquire of Baalzebub. And God said: "Is it not because there is not a God in Israel, that ye go to enquire of Baalzebub the god of Ekron?"

... What is the Implication of the All Sufficient God to us?

Anyone looking for anything outside of God is inviting death.

Shall we Pray!

Let's rise up as we pray.

I want you to Pray and say: Father, the Grace for me to always be Sufficient in every aspect of Life; that Grace Lord, pour it upon me.

Pray!

So shall it be!

In Jesus' Mighty Name we Pray - Amen.

CLOSING PRAYER

THEME: THE ALL-SUFFICIENT GOD

MINISTERING (DAY 1 EVENING, TALK 2 - WELCOME/HOLY COMMUNION SERVICE): PASTOR E.A ADEBOYE

DATE: 23RD JANUARY 2026

BIBLE TEXT: GENESIS 17:1

SONG

We give You all the Glory
We give You Honour
We give You all the Glory
We give You Honour.

OPENING PRAYER

Ancient of Days; the God of 2025, who is also the God of 2026 - We Worship You.

We bless You for all You have done in our lives since the last time that we were here.

We Thank You in Advance for what You will yet do Father.

Please accept our Thanks in Jesus Name.

We Thank You for Journey Mercies for those who has come and we Thank You for Journey Mercies for those who are still on the way.

Father, accept our Thanks in Jesus Name.

On this Particular Trip and in this Particular Weekend; in the lives of all Your Children:

Do something Mighty.

Do something that they can never forget.

Let this Weekend mark a New Beginning.

In all our lives, let something Miraculous happen.

And let the Miracles begin right now.

In Jesus Mighty Name we have Prayed - Amen.

Well, let Somebody shout Hallelujah - Hallelujah!

Look around for two (2) or three (3) People that you have not seen yet this Year and say: "Happy New Year"; God blsss you.

Tell one (1) or two (2) other People and say: " God will surprise you this Weekend".

And I want to say "Happy New Year" to all of you - And God will surprise you this Weekend - Amen!

Genesis 17:1:

And when Abram was ninety years old and nine, the LORD appeared to Abram, and said unto him, I am the Almighty God; walk before me, and be thou Perfect.

There is something that they called "The Law of Priority" or it is also called "The Law of First Mention".

And it is based on the Statement that: "Out of the abundance of the Heart, the mouth speaks".

What is uppermost in your Heart is what you speak first.

The first time that God ever introduced Himself to Man, is what we find in Genesis 17:1 - And He said to Abram: "I am the Almighty God".

Which according to Bible Scholars actually means: "I am the All-Sufficient God" - I am God your mother's breast.

Your mother had enough Milk in her breast that it doesn't matter how much you suck; you are the one who will say: "Enough for now".

The breast that can feed one (1) and at the same time feed three (3) or four (4) and the Milk will keep on running.

That is the God that we called "The All-Sufficient God".

And He is the One who we want to talk about briefly this Weekend.

And our Pastor who spoke first, did an Excellent job - I think that we should give the Lord a wrong of applause for him (DMC NOTES: The Day 1 Evening Talk 1 was Preached by Pastor Kalu Ndukwe - The Continental Overseer of Continent 1).

Now, God has other names - And almost all of them tells us that He us "More Than Enough".

For Example, in 1 John 4:8; the Bible says that "God is Love".

How big is His Love?

John 3:16 says: For God so loved the world that He gave His Only Begotten Son that whosoever believes in Him should not Perish but have Everlasting Life.

In other words, His Love is so big that it can accommodate the whole world.

His Love is All-Sufficient Love.

The little bit among all His Names that we want to discuss for few Minutes is found in Hebrews 12:29 - "Our God is a Consuming Fire".

There is one thing that you need to know about fire - It burns irreparably.

When fire burns, it burns and it consumes.

Science has not found any way of turning ashes back to its original form.

So, if fire burns a wood and turns it to ashes; we don't know yet any Method that can be used to turn the ashes back to wood.

In 1 Kings 18: 30-39; when the fire of God fell on Mount Carmel, it burns wood, it burns Offerings, it burns stones, it burns water - It burns everything.

When it does not consume anything, it is because it has turned that thing to fire.

In Malachi 3: 2-3; it tells us how God deals with the Sons of Levites - Those who are His Ministers and those who serve Him.

He brings them into contact with fire so that by the time the fire finishes according to Hebrews 1:7; they themselves will become flames of fire.

So if you find a piece of firewood, put it into fire and at the end you find some ashes; the ashes

are the Part of the wood that refuse to become fire.

It is that Part of the wood that the fire rejected - That this is not good enough to become fire.

Today, our Principal Prayer for all of you is that you will become fire after the fire of God would have touched you - Amen.

If you look at Moses from Exodus Chapter 3 from Verse 1 to when you are satisfied; Moses had one contact with the fire and his Life was never the same again.

In 1 Kings 17:1; Elijah said: As the Lord, God of Israel liveth, before whom I Stand.

That Young Man that Nobody knows his fathers name said one thing - I have had contact with the Consuming Fire.

When in 2 Kings 2: 1-end - But in Verse 9 when Elijah said to Elisha: What do you want me to give you before I go?

And the Man, Elisha said: I want Double Portion of your Spirit.

The answer of Elijah was: You have asked for a Hard Thing, but if you see me when I am being taken away from you, then you will get what you want.

We all know the rest of the Story.

And we have always concluded that Elisha got what he wanted when he picked up the Mantle of Elijah that fell from him.

But that is not the truth.

The truth of the matter is that when God came to take off Elijah; Elisha saw fire.

What was it that he cried?

My father, my father; the Chariots of Israel and the Horses thereof.

It was those Chariots of fire and the Horses of fire that separated between Elijah and Elisha that he saw.

It was a whirlwind that took Elijah to Heaven but Elisha saw fire.

So, what Elijah was telling Elisha was: If you can have contact with the fire that I have had contact with; then you will get what you say that you want.

My Prayer for all of you who are here Tonight and those reading now on the Label of DMC is that the fire that I have had contact with, you will have contact with it also - Amen!

Oh People say that it was the Mantle - Mantle fell and Thank God for the Mantle.

But you know the Story very well in 2 Kings 4:18-end,

When the son of the Shunnamite woman died and she came to call Elisha and Elisha sent Gehazi to go ahead.

You know that with all the Mantle and with all the rod Gehazi went with, because Gehazi has never seen the fire he was Powerless to raise the dead.

He came back to Elisha to say: Hmm, the boy didn't rise ooo.

Many atimes, we have always wondered how come that Gehazi who has seen so many Miracles Performed by Elisha just ended up becoming a Leper? And Preferring Money to Spiritual Power?

The "Poor Boy" had never had contact with fire.

Why is it that there might be among us here Today Ministers of God and Ministers of The Redeemed Christian Church of God (RCCG) - And we have heard so many Testimonies that many atimes now when Somebody is talking about how God had used them to heal the Sick, we ask them to sit down and let us hear something big?

And none of these Testimonies had come through you?

Why? It must be because you have never really had contact with fire.

But in the Name that is above every other name, that will Change Tonight - Amen!

You see, many of us has been Ministering without the fire.

And the Lord told the Disciples in Luke 24:49 - He said that don't hurry to go and be Ministering; wait till you are endued with Power from on High.

He told them that: You will receive Power when the Holy Spirit is come upon you, then you can be Witnesses unto me.

And then the Day came in Acts 2: 1-4 - That the fire came down.

And Thank God that it was enough fire for everybody.

He broke Himself into Pieces and alighted on the Head of everyone - He was All-Sufficient.

So when the fire falls Tonight, there is no reason for you to be left out unless of course you are not really one of us.

Because you can't have this kind of crowd without Somebody belonging to the other Party.

And when I mean the other Party, you know what I mean.

We are Children of Light and wherever the Children of God gather, there must always be Somebody from the other side.

So when the fire falls Tonight, it is available for everyone of us who are God's Children.

It is not available for those who are not of the Family of God.

If Someone who is not of the family of God says: How are they going to know? They can't find me out of the crowd and so I can Participate in whatever they do.

Yes they can!

You see, at the Last Supper, when the Lord Jesus Christ had Communion with all His People; all the twelve (12) Disciples Partook - As in all of them.

But there was Someone who has been moving with the People for quite a while but the separation came.

You see, each time that we come to the Table of the Lord; we are Gathering for a New Beginning!

I. A New Beginning for those who will move on and continue to do the work of God with Power and Glory.

II. And a New Beginning for those who like Judas Iscariot will leave the Place for Material Gains and then before long will go Permanently to the residence of their Master - The Devil.

You see, Tonight as we come to the Table of the Lord:

I. We will Partake of the Bread - Representing His Body that was broken.

And you know that the Broken Bread has enough Power for all Healings - Including Incurable

ones.

II. And then, there is the Wine - That represents the Holy Spirit.

And the Holy Spirit is the Consuming Fire - And it can do Miraculous Things.

So, before we come to the Table of the Lord Tonight - Because this is a New Beginning and this is a Year of New Beginnings; this is not going to be like any other Ministers' Conference. It is going to be a Conference of Fire.

ALTAR CALL

I will, want to make an Appeal.

I know that you are already a Minister of God but as you will Probably hear in future Sermons - Occasionally, God can save the Pastor.

What are you saying?

There are People who could become Pastors by Human Wisdom or by Human Manipulations.

You know that there are very Clever People that knows our Language.

They know that when we say let Somebody Praise the Lord, the answer is Hallelujah.

They learn our Language.

And some of them are so Good that they can even Preach better Sermons than the General Overseer.

Some People could maneuver their ways to the Top but you can't deceive God.

You can even become as close to Power as Gehazi was.

But one day will be one day.

So Today, if you are not 100% sure that you are 100% a Child of God; forget about the Title.

Because of your Eternity - Forget Shame and forget what anybody may say; come now and let us call on Jesus Christ for you.

Just for one (1) to five (5) Minutes; if you want to come; come now.

Okay, go ahead now and talk to the Almighty God:

Tell Him that I am 100% serious now.

Tell Him to forgive all my Pretency of the Past, save my Soul and make me "True Child" of yours.

Oh, I was once Your Child but I backslided; Please now restore me fully.

Go ahead and talk to the Almighty God.

The rest of us, let us Stretch our hands towards these People and Pray for them.

Intercede for them that the Almighty God will do a complete job of Salvation and Restoration in their lives Today.

Thank You Father!

In Jesus Mighty Name we have Prayed - Amen.

PRAYER FOR SALVATION

Ancient of Days, I want to say Thank You very much for Your Word.

I Thank You for those People Standing before You now.

Have Mercy on them and forgive their sins.

Use that Your Blood that is All-Sufficient to wipe away all their sins.

My Father, save their Souls, let them become Children of the Living God and don't let them ever backslide again.

In Jesus Mighty Name we have Prayed - Amen!!!

RCCG SOUTH-EAST AND SOUTH-SOUTH MINISTERS AND WORKERS' CONFERENCE 2026 @ RCCG RIVERS FAMILY REGIONAL CAMP AND GARDENS ALUU RIVERS STATE

THEME: THE ALL-SUFFICIENT GOD

MINISTERING (DAY 2 MORNING): PASTOR E.A ADEBOYE

TOPIC: THE FIRE MUST NEVER GO OUT

DATE: 24TH JANUARY 2026

BIBLE TEXT: LEVITICUS 6: 8-13

Leviticus 6:8-13:

8. And the LORD spake unto Moses, saying,

9. Command Aaron and his sons, saying, This is the Law of the Burnt Offering: It is the Burnt Offering, because of the burning upon the Altar all night unto the morning, and the fire of the Altar shall be burning in it.

10. And the Priest shall put on his linen Garment, and his linen breeches shall he put upon his flesh, and take up the ashes which the fire hath consumed with the Burnt Offering on the Altar, and he shall put them beside the Altar.

11. And he shall put off his Garments, and put on other Garments, and carry forth the ashes without the camp unto a clean place.

12. And the fire upon the Altar shall be burning in it; it shall not be put out: and the Priest shall burn wood on it every morning, and lay the Burnt Offering in order upon it; and he shall burn thereon the fat of the Peace Offerings.

13. The fire shall ever be burning upon the Altar; it shall never go out.

I want to share with you for few Minutes this Morning on the Topic: "THE FIRE MUST NEVER GO OUT".

I Congratulate you that the Fire fell Yesterday - DMC NOTES: During Day 1, Talk 2 Sermon by Pastor E.A Adeboye of the Workers and Ministers' Conference 2026.

But now, the Lord is telling you specifically that the Fire must never go out.

The Fire of God that was released upon your Life on Day 1 of this Workers and Ministers' Conference 2026; if the Fire ever goes out, several Problems will follow.

It is better never to have received it than to loose it.

It is better never to have been able to see than to be Someone who used to see.

1. When Fire goes out - Which is the same as what happens when Light goes out; Vision is lost.

In Judges 16: 18-21; when the Fire of Samson went out, the first thing that the Enemies did when they caught him was to Pluck out his eyes.

I Pray for everyone of you here Today or reading now on the Label of DMC: The Fire of God in your Life will never go out - Amen

Because the Bible says that where there is no Vision, the People Perished - Proverbs 29:18.

The moment Vision is lost, Progress is hampered.

If Light was to go out in this building last Night (DAY 1), getting out of here would have become a Problem.

Because when the Light is on, you can see the ashes, you can see other People and you can see the exit.

If everything suddenly became dark, you will be amazed that movement becomes very difficult.

I Pray for you one more time: The Fire of God on your Life will never go out - Amen.

I don't know the exact Vision of the Brethren who bought this Land because when you look around now, you will find us already surrounded by houses - And we are already full.

The Question is: Where is the room for Expansion?

And you won't be the first to fall into the same trap - I nearly did.

When we got to the Redemption Camp but now Redemption City of God; we had only 2.2 Acres of Land. But then God expanded us rapidly.

And in those days, we used to talk of acres.

Before we knew it, we Increased to almost 30 acres - Hey, we have arrived.

We built the first Auditorium - 100m by 50m and my People said that this is the biggest thing in Africa; let us walled it round.

I said that we haven't even started and you are already saying "Stop".

And then, we kept on buying and buying and buying until we reached a thousand acres - And even myself felt that we have tried.

I Pray for you: That everything that is limiting the Holy One of Israel in your Life shall be burnt by Fire - Amen.

Now, the 3km by 3km Auditorium alone is more than a thousand acres.

Because God woke me up one day and said: What is wrong with you boy? Who told you to stop? I Promise you a City and not a Camp.

Listen to me very well my children - Wherever you are now, and no matter how Great you think that you have become, you haven't started - Amen.

2. Wake Up! Please wake up.because when the Fire goes out, Destiny can be truncated!

God can said: Well, if that is all you want, then that is all that you will have.

A Single one of you can decide to hold a Meeting in his Town and have a crowd more than this.

Just one of my children in the United Kingdom held a Program early this Year and I watched the thing on YouTube.

The crowd they gathered in the United Kingdom alone singlehandedly was much more than this.

And I was telling my son - He said that did you watch it? I said I do

See what one Man can do!

When we started having Worker's Meeting, we are less than 10% of those of us who are here.

Look at where we are Today?

Look at where we can be by this Time Next Year (2027)?

But as for many of us now; everything that is squeezing your Destiny shall be consumed by Fire - Amen.

3. Why should any Minister in The Redeemed Christian Church of God (RCCG) be satisfied with little? I can't understand.

Afterall they said: Like father like son.

When you see your father always asking for more and always complaining that you are not doing enough, then how can you settle down for little?

I have told you the Story before of four (4) of us at Ilesha Grammar School way back in the 1950's - We are good in Mathematics and so the Teacher loved us.

I mean that we will get 70%, 80% and after the Teacher will look at us and say: What is wrong with you when we are rejoicing? And he will say that you have not done well enough.

Ha, look at People who are getting 30% or 40%; we are 80% and above?

Then one day as if by accident, all the four (4) of us get 100% and we said that we will see what he will say today.

As soon as we came into the Class, we swaggered forward, then he looked at us and said: You have not done well enough.

Ha, ha; what else can we do?

He said that you are scoring 100% in Elementary Mathematics while your Age mate are already in the University Abroad.

Of the four (4) of us, the only Person who did not end up being a Professor of Mathematics is me because God put me aside to go and Profess something else.

Because we discovered that what that man was telling us is: There is a better room ahead.

How many of you will reach the Top? The DMC Family Members!

May I hear your Amen - Amen!

4. When you read the Story of the Mad Man of Gadara - People say that I always refer to him. It is because there is a lot of Lesson to learn from him.

The Mad Man of Gadara wasn't born Mad - It was Darkness that grabbed him.

And when the Light shone on him and the demons were casted out; the Man who was a Mad

Man became an Evangelist so Mighty that when Jesus Christ returned back to that Place, because of the activity of one Man who used to be Mad there was no room for Jesus Christ.

The People who drove Him (Jesus Christ) away; many of them came now that Jesus Christ had to say: Hey, we have to look for somewhere to rest.

He was Destined to be an Evangelist but Darkness was squeezing his Destiny and truncating it.

5. Whenever Fire goes out, God is Ridiculed.

And you can see how terrible that can be when they captured Samson in Judges 16: 28-30.

The idol worshippers were rejoicing - They said that our gods had delivered to us our enemy.

They took Samson to the Prison to be grinding corn - A Mighty Champion has now become Ex-Champion.

And at a Stage they say: Let us have some fun and let us Celebrate.

I Pray in the Name that is above every other name, the devil will never rejoice over you - Amen.

... The Enemies called a Party to rejoice over a fallen Champion of God.

At a Stage they say: Go and bring him forth and let him come and dance.

The one who used to dance for God now to come and dance for the devil?

6. When Fire goes out, cockroaches and flies can now come and play on the Electric oven.

When the oven was hot, if they come near it, they die.

If your Fire remains burning and you remain hot; who is called the Witch or Wizard? They know themselves!

Nobody tells a cockroach when the cooker is hot - You get close, you will fry.

The Enemies knows themselves that flies never come near a burning stove - Nobody tells the flies not to go there.

But they also know that they can now Play on the oven if it is cold.

When the Fire is gone, the enemy can do whatever they like.

I Pray for you from the bottom of my Heart: Your Fire will never go out - Amen.

I have told you before the Story of Brother Sam - I keep telling you the Story.

He was a Young Man - Half Educated as he can only speak and read Yoruba.

But when they invited him to come and Preach in a College, he said that I will go and I will tell them to get me an Interpreter because I can't speak English.

But as opened his mouth to say I can't speak English; beautiful English began to flow - You have heard the Story before.

He Preached for one hour - He didn't know what he was saying but after one hour; he saw People running forward to Surrender their lives to Jesus Christ.

There were at least three (3) cases well known that he raised the dead.

Then Pride came and the fire went out and he ended up in Lunatic Asylum.

If I were you, I think that when I hear that your Fire will not go out, my Amen will be loud - Amen.

But Thank God for Restoration.

Because there are some of us who used to be on Fire but by now we know what God did Yesterday and so some of us had decided to be on Fire.

There are some of us who had Vision - Send me anywhere in the world, I will capture the Place for Jesus Christ.

I still remembered very well my first visit to Papua New Guinea - They told me that we have a Vibrant Church there and the Place is far.

You want to know how far? When you are Australia, you still have to travel by Air for 6½ Hours.

When the Brother who was sent there to start the work got to Australia and they told him 6½ Hours more to go there; he said: Ha, ha; this Place is far o.

There was a time many of us are ready to go anywhere.

There was a time in one Particular Parish of The Redeemed Christian Church of God (RCCG); when you go to Church in the Morning, you cannot tell where you will be by Next Sunday.

You go to Church and they say:

Brethren, there is an opening in Germany and we need Somebody to go.

Brethren, there is an opening in Libya.

Brethren there is a new opening in Bangladesh.

That Fire used to be in some People; where is it now?

Thank God for Restoration.

Because after Samson lost his sight, the Bible says in Judges 16:22; the hair on the head of Samson began to grow again.

I believed that the Almighty God brought us together this Weekend not for Ordinary Conference - I told you Yesterday that he brought us together for Restoration!

And many of us had gone cold - The Fire had gone out but God is saying that this is a Year of New Beginnings.

And He says that I will set you on Fire again - Amen.

But don't let the Fire goes out.

When God woke me up that Night and said: Son, you have bought a thousand acres and you are rejoicing..

Ha, sorry Lord! And I began to buy more Land - Now it has become far, far more expensive than at the beginning.

The other day, I still held a Meeting with my children - What are we going to do now because we have more than 30,000 acres now?

But my children are increasing in number and there are some of you sitting down here who are yet to build your own house at the Redemption City of God and we have almost occupied all our Lands.

We need to buy an acre for #1,000 then - #1,000 then was a lot of Money then.

But now we are Struggling to Persuade them to take #2,000,000 for a Plot because they have now discovered oh this is what is coming and there is a Special City being built there:

☆ A City where water never runs out.

☆ A City when very, very soon; 24/7 there will be Electricity and not relying on Government.

And now, everybody wants to have a house at the Redemption City of God.

I woke up and God spoke to me to move - And I am still moving.

And some of us here are counting the days when we will retire so that we can rest.

I wanted to retire from the age of 60 years - I have been Preparing for Retirement since then.

I have evident all over the world - I was asking my children in America which is the best Place to live, Houston, Dallas or Atlanta?

Where can I get a Land in a Village that is not more than 1 hour outside Town where Land will be cheap and a Place I can settle down for my Retirement.

I have People alive that I asked then but God didn't allow me.

But then, He allowed some People.

But there are some People who are retired but are not tired.

I know at least one Person who said that I am retired now Praise God and I don't have to run up and down like I used to do but from where I am, I will shake State.

That Man in Retirement has built singlehandedly more than twenty five (25) Churches.

From the little he gets from his Retirement benefits, he said that I am not going anywhere now, so what am I going to do with the money?

And he just kept on building for God.

So it all depends on you - Do you want to keep moving or do you want to come to a Standstill?

Have you been waiting so that you can sit down and eat three (3) times a day and enjoy yourself?

Or you seize the opportunity to keep on moving.

WHAT DO YOU TO KEEP THE FIRE BURNING?

Take David for instance:

I. David once said in Psalm 55:17 - He said that Morning, Noon and Evening will I call on the Lord.

That is, three (3) times a Day, I will make contact with the Lord (Morning, Afternoon and Evening).

II. As he grew older, he wrote another Psalm in Psalm 119: 164 - He said that seven times a day, I will Praise the Lord.

... He started with three (3) times but as he grew older, he said three (3) times is not enough - He said seven (7) times.

III. As he grew older, he wrote another Psalm in Psalm 34: 1-3 - He said that I will bless the Lord at all times.

And He went on to say that: His Praise shall continually be in my mouth.

From three (3) times to seven (7) times and then to all the time.

You know when the Bible says in 1 Thessalonians 5: 1-19 - Pray without ceasing.

You know that when you are Praying in Tongues, you are Stirring up the Fire because the Bible says: Stir up the Gift of God that is in you (DMC NOTES: 2 Timothy 1:6).

When I became Born Again in The Redeemed Christian Church of God (RCCG); when they say: "Go ahead and Pray"; everybody will be Praying so loudly that they have to ring a bell for us to stop. And at times, they kept ringing the bell and we will hear it but we will not want to stop.

Nowadays, if we ask you to Pray; after 5 Minutes you will be wondering what is wrong with the Pastor? Is he not going to round up? Are we going to Pray here all Night?

Yet you heard me say this before - When I heard that there was a Man in a Place where his Church was so big - It is the biggest Church in the world then.

I said: God help me, I want to go and see this Man.

Finally, one way or the other, God Provided me Somebody who bought the Ticket and I went to South Korea into Yongi Cho's Church - It was the biggest Church in the world then.

I mean that he has an Auditorium that can take five thousand (5,000) People at a time when the whole of The Redeemed Christian Church of God (RCCG) was not up to three thousand (3,000).

And he hold seven (7) Services on Sunday and the Place was not enough.

He was the first one I heard saying to People: Those of you who has come to Church this Sunday, don't come Next Sunday so that those who could not come in this Sunday could come in Next Sunday.

Pastor begging Congregation not to come to Church Next Sunday?

I went there as I want to know all his Secrets and they told us that he has a Prayer Mountain and they took all of us who came all over the world to that Mountain.

On that Mountain, they dug a hole into the Mountain so that you can crawl in on your stomach and go there and Pray - Several holes round the Mountain.

So when People are Praying, the Mountain will be vibrating because of voices all over the Mountain.

So they took us there.

When I got there, I say: Hey God, Thank You as I have an opportunity to Pray - I crawled in there and began to Pray.

And I came out of the Place after 2 hours reluctantly and all the other buses were gone with only one remaining.

And the reason that they haven't gone was that I was the only Black Man in the bus and so they knew Somebody was still missing.

When I arrived, they were very angry - Why have you delayed us so much?

I said that I am sorry - I thought that we came here to Pray.

And so? Are we going to Pray everything in one day? Ha sorry!

They were all very angry with me that Nobody was talking to me all the way back and I was glad because my Spirit was still roaring inside me.

Not long ago, I was back in South Korea to go and visit our Churches there.

And I said maybe I can see that Man - In those days, you can't see such a Big Man.

But then, I went in to see him - I said, sir I was here at such and such time; now I am here again.

He said that I have heard of you and he said: Will you Please Pray for me?

I caught the fire on his Mountain; I didn't let the Fire die as I kept fanning the Fire.

The Fire that started in Seoul, expanded when it got to Nigeria so that a Nigeria can now go back and the Man said: Will you Please Pray for me?

Before you return Next Year (2027); let your Fire keep burning.

Let me round up because it is easy to talk but it is the Action Part that you found difficult.

You may think that you are already Great - Oh, everywhere I go now all over the world, they will say that you are the General Overseer of The Redeemed Christian Church of God (RCCG).

Oh Glory be to God - We have heard about you. How do you do it?

And I look at these People - What is wrong with them? They think that we are something.

I mean Last Year (2025); there was a Group called The World Apostolic Coalition - The Big ones all over the world.

One Fellow from Indian, one from America, one or two from Europe and so on - They were holding a Convention and they invited me to come and Preach.

The Convention was for three (3) days and I thought that I am going to be one of the Preachers and will just share my Testimonies.

I got there and they told me that you are the only Preacher for the three (3) days.

They all thought that here comes a Big Man of God.

And while I was crying; knowing that I am not where I should be.

I was telling Someone the other day - I said that if I were Churches in America and if they were supposed to be where they ought to be; Donald Trump (DMC NOTES: The American President) won't come to Nigeria without consulting me because over there, Politicians rely on the crowd.

If by now during their Campaign, they heard that The Redeemed Christian Church of God (RCCG) is holding their Convention in America and that there will be at least two Million People there; every Contestants will come.

And when they come, they will come and meet me in the Office and I will greet them before they go to the Stage.

And if he know that if I say: okay, my crowd will vote for you and they voted for him and he becomes the President.

And he wants to deal with my Country? You think that he won't consult me?

Oh we are doing Great - We have about a thousand Branches in America.

That is good but what is one thousand when we could have at least one hundred thousand?

How many of you when we ask you that how many branches we have now - And we are going to be asking you soon.

You will give us names of Parishes and we are coming to check because we know that some of the names you will write they are existing only on Paper?

There will be names that you wrote because you wanted to become a Province.

And you don't know that the wind is blowing - It is indeed!

Paul said in Philippians 3: 13-15 - He said that I have not arrived as I am Pressing on.

Everybody is saying: Daddy you must rest.

I know but maybe they didn't read 1 Kings 13: 1-end - That Prophet who decided to rest before he got home was killed by a Lion.

Someone asked me sometimes ago: Daddy, do you mean that at your age you are still running?

i said that the closer you get to your Goal, the faster that you must run and the more careful you must be.

I am sure that many of you think that when I ask you to Fast, I throw you to it while I am resting.

I remembered when I said that when you are over 70 years, you don't have to Fast. They said that he has taken care of himself.

Nobody among you can Fast more than - It is not going to happen.

Why? Because when I ask you to Fast say for 100 Days but if you want to bring everything

together, you can Fast continuously everyday for 30 Days and that will take care of everything.

What do I do?

I Fast the Single Days and when I get to the middle, I jumped to the 30 Days.

So I will Fast both the Single Days and the Combined Days - So there is no way that you can beat me.

Why? Because the Fire must get hotter and not cooler.

Remember 2 Corinthians 12:15, Paul said: I will gladly spend and be spent

Why? Because I am Pressing on and I have not arrived yet.

You will only arrive when God said: Well done boy; come Home now!

Are you getting to go Home now? No, who told you that I am?

You must rest Daddy - Yes, I will rest. Who told you that I won't rest?

But does that rest means that do Nothing? - You must be kidding me.

I will keep moving because my Fire must get hotter.

I will keep going until finally we arrive in Glory.

When you get to Heaven - You know over there, we don't sleep because the Joy there is so much that you won't have time to sleep over there.

So, I am going to ask you to Pray - I will give you few Minutes to Pray here.

You will Pray that Prayer, I will Pray for you, and we will do our Thanksgiving so that you can be on your way home.

But you know that there could be a difference between People going home and growing Old?

In 1977, we went to hold a Congress in Ilorin (Capital City of Kwara State Nigeria) and God moved Mightily - Oh, we were full of Joy.

So myself, my wife and our little children we were all travelling from Ilorin to Lagos in my car. And on the way, foodstuffs far far cheaper in Ilorin than in Lagos.

By the time you get to somewhere, the Toll Gate used to be at Ibadan and they sell Bushmeat and so on.

So we decided that we will buy yam on the way and bushmeat.

We were rejoicing and we just started off to sing and to Pray.

Do you know that we didn't know when we arrived in Lagos?

And we said: Wait a Minute o, we were supposed to buy yams and bushmeat? Well, let us Thank God a little more.

We had Prayed all the way from Ilorin to Lagos; let's Thank God a little more and another one hour went.

Once the Fire is burning and if you allow it; it will keep on burning and expanding.

Are you ready to ask God to help you so that your Fire will keep on burning?

When the Fire is burning, it makes a Noise.

If the bush is on fire, long before you get there; you will be hearing crackling noises and you will know that something is happening.

On the Day of Pentecost, the Fire fell; only one hundred and twenty (120) People Prayed and the whole City heard them.

You know that I used to wonder: Are we really a Pentecostal Church?

Some of us have become so Sophisticated that when we Pray, People next door don't even hear us.

But we are right now in the Camp and we are not disturbing anybody.

I am going to give you 15 Minutes only to go to the Lord and cry unto Him:

I don't know of others o, but Please don't let my Fire go out!

Shall we Stand and begin to Pray and cry unto Him for Help!!!

RCCG SOUTH-SOUTH YOUTH HANGOUT WITH DADDY G.O @ RCCG REGIONAL CAMP AND GARDENS ALUU, RIVERS STATE.

THEME: THE ALL SUFFICIENT GOD

MINISTERING: PASTOR E.A ADEBOYE

DATE: 24TH JANUARY 2026

Question and Answer Session Coordinated by Pastor Sola Olukoya (SATGO, YOUTH AFFAIRS RCCG AND PICR, YOUTH REGION 65)

QUESTION: Daddy, is there any Mystery to the Kingdom of God?

RESPONSE FROM DADDY GO

I can't see the Mystery there. We know what the Kingdom of God is;

- We know the Kingdom of God is that Kingdom where God is King;
- And the Members of that Kingdom are those who are truly Born Again.
- And the Kingdom of God belongs to His Children.

So for you to enter into that Kingdom you must become like New Born Babies.

And if you want to be a part of the Kingdom of God, you must be ready for violence.

Because the Bible says, And from the days of John the Baptist until now the Kingdom of Heaven suffereth violence, and the violent take it by force. (DMC NOTES: Matthew 11:12)

QUESTION: Daddy's, this Question is from your children in Continent 1 - They are asking, "What are the Signs that a Young Person is truly walking in God's Will?"

RESPONSE FROM DADDY GO

What are the Signs?

Occasionally, when you want to answer some deep Philosophical Questions, the best way is to go the opposite direction.

I mean, for example, if I ask you to tell me, "What is Life?" You would discover you don't even know how to define Life.

- Because when I say, "What is Life?" You will say, Life is living.

- What is Living? You'll say, "Living is to have Life" (laughter).

But if I ask you, "What is Death?" Ha! You know what death is. It is the Permanent separation from People, Places and things. That is death!

What do you mean by "Permanent separation?" There are separations that are not Permanent. If you travel you are separated from your house, your bed, your neighbours - That would be Temporary separation; because you would be back. But when you are dead the separation is Permanent.

So if I say, "What is Life?" You would say, Life is the opposite of Death.

When you say, "How do we know when a child of God is really working for God?" The Question is, "How do we know that Somebody is working for the devil?" That is the opposite.

"How do we know someone is full of the Holy Spirit?" The answer to the Question is, "How do we know someone is truly Demon Possessed?"

When someone is truly Demon Possessed, just take the Madman of Gadara, and you'll get an example:

I. When someone is truly Possessed of the devil he becomes Extra Strong.

So when someone is truly working for God, they don't get tired easily.

....When someone is working for the devil, how do we know?

II. Most invariably he or she would love to be Naked.

How do we know some Sisters who are still working for the devil? Look at their dress!

Celebrate Daddy!

Daddy, You will walk in His Way; and you will walk in His Will all the days of your Life life in the Name of Jesus!

QUESTION: Daddy, how can Youth and Young Adults hear from God clearly, and distinguish between His Voice and Emotions or Peer Pressure and not listen to the voice of the devil?

RESPONSE FROM DADDY GO

Jesus Christ said, My Sheep hear my Voice, and I know them, and they follow me: (DMC NOTES: John 10:27)

Even before you are Born Again you hear voices - You might not realize it, but there is something called Conscience; Something that tells you, "what you are doing is wrong."

You want to steal an extra meat from Mama's pot when Mama is not looking; there's something that tells you, "what you are doing is wrong." That is why you look right and left to be sure Nobody is watching.

The Bible makes it clear that the Spirit of Man is the Lamp of God, searching the innermost part of the Earth.

When they said, "Oh, we have Meeting with the General Overseer: Where we can ask Questions and he would answer."

There is something inside of you that says, Glory be to God! You heard it, you rejoiced.

But there is something also deep within some of you that would say, God have Mercy! I hope while he is speaking to us he would not discover my secret.

Oh, it has happened before - One of my daughters in America said to the children, "Daddy GO has agreed to come to our house." The eldest boy said, Oh God, I am in trouble! The mother asked, why? "That Man, as soon as he comes, he would know all I've done wrong.

There's something in that boy that told him, "Light is coming, Darkness will be exposed."

Hearing from God is as easy as ABC. It's a matter of, "which noise are you going to pay attention to?"

Where we are now is full of noises, all manners. If you don't believe me bring a radio, turn it on. You tune it to one frequency, you'll be hearing Radio Nigeria. The noise had been here all along, just waiting for the current Receiver. Tune it to another frequency, you can be hearing Radio Ghana.

The issue is, "What frequency are you tuning on to?" And God knows His own; He knows those who want to hear from Him.

Oh, you say, "That's not what we are saying Daddy; We are talking about hearing Specifically, like we guess you do once in a while." Ha! I get the Point.

Several years ago - And I am sure I have told you before; When I just got Born Again at the University of Lagos, somebody took me to a Christian Fellowship Gathering.

I was Young in the Lord - I got there, they were singing Choruses. I loved the Choruses even though I didn't know the Lyrics, I was enjoying everything.

Then all of a sudden, as if by Signal from somewhere, everybody just became quiet. And I was wondering why.

And then one brother began to Prophesy, "Thus saith the LORD..."

And he began to talk. I nodded the fellow who took me there, I said, "when did the Lord say that?"

He said, be quiet, God is speaking. I said, "I am not hearing anything (Laughter).

I was innocent; and I was speaking the truth.

God was speaking, and only one fellow was hearing Him. "Why am I not hearing?"

That day I Prayed! And I am sure that some of you have heard my Testimony - "God, I too want to be hearing from You, so that next time somebody says, "Thus saith the LORD..." I would know if he is telling the truth or he is lying.

If you ask God to speak to you directly He will.

Because it wasn't long after that, that I began to hear from God - And I'm still hearing from Him till now.

There's a little bit of warning to add to that because I'm your Dad: "If you say, Oh God I want You to begin to talk to me." Some of the things you would hear may not be Pleasant.

If you want God to be speaking to you, you must get ready for a Life of Holiness - Amen.

He will not allow anything wrong done by you to go uncorrected - Amen.

I'll give you an example, because I know all of us here, including those reading now on the Label of DMC, would want to be hearing from God.

And I decree in the Name that's above every other name, God will open your ears - Amen.

Some of you have heard the Story before - I traveled to Ilesha and returned to Lagos. After sometime I decided to go and visit my father-in-the-Lord. And as I was going I remembered that he has taught us that we must not visit a Man of God empty-handed.

So I saw some oranges by the roadside in Surulere, and I bought some. When I got there, I presented them to him.

Oh, welcome! Are you back from Ilesha? I said Yes. And quickly he asked that they peel some of the oranges for him.

As he was sucking the oranges he said, this orange is sweet: did you buy it on the roadside?

The Question came so quickly. The answer I gave was, Yes Sir.

Immediately, the Holy Spirit said, you lied!

What's the lie? "You bought it on the roadside?" And I said yes.

But God said, you know the 'roadside' he is referring to: "Did you buy it by the roadside returning from Ilesha?"

I said Lord (and this time I am not talking loud); it's between me and Him. When He is talking to you like you want, many a times it's between you and Him.

I said, roadside is roadside; Surulere roadside, Ilesha roadside.

The Holy Spirit said, you know the Question he asked; the answer you gave is wrong.

So I said Lord, what difference does it make to the sweetness of the orange? The Holy Spirit didn't let me rest.

You want to hear from Him and you think you can still do anything you like? He won't allow you.

I hope you've heard me!

Finally, I had to say: Papa, he said, yes my son. "You asked whether I bought the orange by the roadside coming from Ilesha." He said, yes my son. I said No, I bought it on the roadside in Surulere.

Do you know what he said? He said hmm! Holy Spirit.

That's all he said because he knew Who was dealing with me.

You want to be hearing from God?

- You won't be able to lie anymore.

- You won't be able to exaggerate.

- You won't be able to call four (4), ten (10).

If He's the one talking, His talk would be in accordance with the Word of God.

Remember, He is a Holy God.

But I still decree in the Name that's above every other name; May your ears be open - Amen.

QUESTION: What Spiritual Disciplines or Activities should Youth engage or Prioritize in today's world?

RESPONSE FROM DADDY GO:

... I will answer, and I will take two (2) more Questions - if you want to.

I will tell you a Story that would answer the Question as to the Discipline that will help you focus.

I know your own world is a bit different from the one we grew up in - Now you have YouTube and all kinds of 'Tubes.' In our own time there wasn't anything like that.

But you see, when we were in the University - And I am talking of the 1960s; most of the troubles we had in the University is that we rioted. And it's always around January/February.

Why? We have just returned from Holidays, and we felt they should have allowed us to enjoy a little more. We rioted so they can close down the University.

But it wasn't long before the School Authority discovered the secret - As soon as we resumed from the Christmas holiday they will put a Notice, "Proposed Examination Timetable." The Examination will not take place until May/June, yet they put up a Proposed Examination Timetable in January/February.

And as soon as we hear, "Proposed Examination Timetable" everybody focused on their Studies, "I don't want to riot, the Examination Timetable is already out; I want to focus on my studies."

It is what is Uppermost in your Heart that will occupy your attention.

During our own time growing up, there were also diversions - Diversions like Cult.

And our Cults in those days were not terrible things like we have today - We had 'Kegites' (Palm wine Drinkers).

Those who just call themselves Cult because they drink Palm Wine - Harmless, except for those who got drunk.

But there are those of us who wanted to Study.

I started my Studies at the University of Nigeria, Nsukka. Almost within the week of my arrival, I met someone who is a Relation of mine that I had never met, who is older than I - He saw me moving around with 'Freshers' and we were shouting, making a noise.

He called me aside and said: "Nsukka is far from home! You came here to Study. Don't worry about these People, they are near their own homes.

You came from far; you are here to Study" - And that Changed everything!

Heaven is far from Port Harcourt - You have a long way to go. You better focus on where you are going.

As soon as I became Born Again (like I just told you), and I heard somebody Prophesying; I said God, I want to hear Your Voice.

It wasn't long after I became Born Again that I said, "Lord, I don't want to be an Ordinary Christian to start with."

I just don't want to be Ordinary - And if you don't want to be Ordinary;

- You have to Study the Bible.

- You have to Pray; not like Ordinary Christians do. It has to be like someone who wants to be Extraordinarily.

In those days we had what they called Pocket Bibles - It's about the size of your Mobile Phones. Wherever I go, I had one in my Pocket. When I am on the toilet, it's there.

I remembered one occasion we went for a Conference in Kenya, and I went to the toilet.

As I was coming out of the toilet, Bro Kumuyi was coming out of another toilet.

And do you know what? I had my own Pocket Bible with me, he had his own Pocket Bible with him. We looked at each other and began to laugh: That even in the toilet we are focusing on God.

By the Grace of God today with all humility, Nobody can call me an Ordinary Pastor (Hallelujah), because I refused to be one!

Do you know, when I joined the Redeemed Christian Church of God (RCCG), I can't remember anytime when they asked us to Fast more than one (1) day. We Fasted just one day, that's about all.

When we asked, "Why don't we Fast more than a day? They'll say, are you "Aladura?" Yet they said we should follow the Bible.

And I saw in the Bible where Paul said, I Fasted often.

They said, "Everybody is not Paul." I said, I agree - Maybe that's the reason the Bible says, "God Performed Special Miracles by the hand of Paul."

So I told them, "I will be like Paul; I will Fast whether others Fast or not."

I have been Fasting since then; and God had been working since then.

I got Born Again in the University of Lagos, many a times my friends would call me: Oh, Brother join us we are going out.

When I ask, "What's going on?" They'll say, something like this and that is going on. It's organized by one of the 'Big Shots.'

I would simply say, thank You very much, I'm not going.

"Why are you not going?"

I would say, "The one that People would gather to watch, does not watch People."

... Do you hear what I said?

You have to choose if you want to be a Spectator; or you want to be the one that Spectators will gather to watch (some day).

I told you early this Morning during the Day 2 Morning Session of The RCCG South South and South East Worker's Meeting 2026 that we haven't even started - That we are far, far behind

Schedule.

If we are far, far behind Schedule, to catch up, we have to not just walk; not just run but to fly!

So, if you say something is distracting your attention, it's because you are not focused yourself. You don't even know where you are going. I know where I am going!

And whether you believe it or not; there are some of you here, or reading now on the Label of DMC, who are going to be Greater than I - Amen.

QUESTION:

Sir, this fellow is asking: Do you have any Advice for Someone who has lost his or her Faith in God?

RESPONSE FROM DADDY GO:

Thank you! Yes, I do.

You have just lost Faith in God, sorry! Because it means you have lost Faith in your Future:

- The only One who controls your Future;
- The only One who controls your Destiny;
- The only One who can make sure you reach your Goal.
- The only One who can make sure you become anything at all in Life;

He is the One you say you have lost Faith in? You are finished!

There is no need begging anybody who says he has lost Faith in God to come back to have Faith in Him. No, stay away!

He's our Beginning, He's our Ending.

He says, Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I Sanctified thee, and I Ordained thee a Prophet unto the Nations.(DMC NOTES: Jeremiah 1:5)

He says, For I know the thoughts that I think toward you, saith the LORD, thoughts of Peace, and not of evil, to give you an Expected End. (DMC NOTES: Jeremiah 29:11)

And then you say, "Because things are not working the way I want, God take care of yourself."
Good!

Why don't you Study the Life of Joseph:

God showed him Dreams, and he was glad.

Instead of the Dreams being fulfilled:

I. He found himself in a well - dry Pit.

- Oh God, I thought I am supposed to be a Ruler? Now I am in a Pit. Well, at least they didn't kill me.

II. He became a Slave.

- Thank You that even in Slavery, I became a Leader, leading Slaves. I may be a Slave, but a good one.

III. And when I tried to do Your Will Oh God; I ran away from sin, and I ended up in Prison. Well, in Prison I am still in Charge.

IV. Then one day he became a Prime Minister.

If he had lost Faith in God, he would have either died as a Slave; or died as a Prisoner.

You are still breathing, there is Hope - Tomorrow is going to be alright - Amen.

There is Someone who is not only the Alpha, but He is the Omega.

In any case, where will you go? To whom will you go, but unto God.

But if you say you have lost Faith in God, you are being stupid (forgive me) - I am just telling you the Plain Truth.

But in case there's anyone here or reading now on the Label of DMC, who thinks he or she has lost Faith in God; The Almighty God will Restore you - Amen.

... Thank You Daddy (GO).

Three (3) days ago, Daddy Celebrated his forty fifth (45th) Anniversary as our General Overseer.

Can we say, Congratulations to Daddy? Congratulations Sir!

- For the Past forty five (45) years Daddy has been consistent.
- He has been focused.
- He has been leading and encouraging us.
- He has been a father to us all.

Come on, Celebrate God in his Life!

QUESTION: Daddy, what are your Secrets these Past forty five (45) years that the Glory and Glamour of being a General Overseer has not overwhelmed you, Sir?

You have been consistent and deeper still all these years - What are your Secrets Sir?

RESPONSE FROM DADDY GO:

Thank you for Celebrating me!

One Young fellow in Abuja (when we had a Meeting like this) asked a fairly similar Question:

"How have you been able to remain focus all these years? And you have not Changed like some General Overseers have Changed from time to time."

I think I would give you the same answer I gave that Young man.

But we've seen quite a lot of Changes in the Past forty five (45) years.

I have been a General Overseer even before some of you were born; and things have been rough
- Don't let anybody deceive you.

I had been a General Overseer for five (5) years, and I would be in the Redemption Camp; I couldn't go to Lagos because I didn't have Two Naira for Toll Gate Tickets.

In those days, there was a Toll Gate in Lagos - You need one Naira to go, and one Naira to come back.

In my first five (5) years as a General Overseer, I still had Problems as little as two Naira. Bbut we were happy, we were excited, because we knew our future would be alright.

How many of you know that your future will be alright? The DMC family Members!

I mean, I used to be an Acting Head of Department both at the University of Lagos (Lagos State) and then at the University of Ilorin (Kwara State) - My car then was Toyota Crown. And way back in 1975, Toyota Crown was the "Real Car" - I mean tall, elegant.

But I had to sell the car when I came into Full Time Ministry and for quite a while, I traveled by buses in Lagos.

And I was as glad as anybody can be and we were able to be focus because somehow, we had a glimpse of the future.

One of my son's still met me today and said Daddy, I am Praying to God that one day I would come to you and say, "What kind of Jet do you want so that I can buy it for you?"

I smiled! So if you see me riding one Jet today, and another one tomorrow, it will be because God has Provided many children and then they will be struggling amongst themselves: "Which Jet is he flying in today? Is it the one I bought?"

Am I talking to Somebody here? Yes, Sir - The DMC family Members!

You would discover that you would be subject to Variations if you are really not well Grounded.

I told that Young man who asked that Question in Abuja that there was a time when you want to wear a face cap, the sharp end would face forward.

Then after sometime they said No, it should be facing the right side - That's when you are Fashionable.

Then they said No, it should be to the left.

Finally, they said it should be to the back.

And you see some People Changing with it.

But then they found out that some of us, we remained as we were - Just face forward.

Why? Because after you go round and round, you would be Grateful that there are some People who are still Pointing in the right way.

So, I gave the example of what happened in the olden days when People go on Voyage, and they go far into the Ocean.

When you go far into the Ocean, you get to a Place where the only thing you can see anywhere you turn is water.

And so the wind will blow the boat here and there; and the Question now comes, "How do I find my way back home?"

And I said, in the Sky at Night, there is a set of Stars called, "The Northern Stars" - They have a Particular Shape, and they are always in the North.

So at Night when you have been in the Ocean for days and you want to begin to find your way back home; you would look at the Northern Stars and you will know, "that is the North."

And you want to go to South-South; from the North, you can turn (how many degrees?) to begin to go to South-South.

My Northern Stars is the Lord Jesus Christ.

- He doesn't Change with Fashion.
- He doesn't Change with all manners of Preaching.
- He doesn't Change when there is somebody who says, "Once you are Born Again you are free to do whatever you like."

He knows that sooner or later, the fellow is going to say;

- Jesus was not born by Mary.
- Jesus didn't even die for your sins.

Since Jesus Himself said, whatever you take in does not defile you; then you can drink beer.

Knowing fully well that if you begin to drink beer, very soon you will begin to drink gin and very soon you will be taking cocaine.

God doesn't Change!

He says, "I am Holy."

He said that a long time ago and He is still saying the same thing now.

Call me Stupid - I am just following my "Northern Star" (The Lord Jesus Christ).

He says, Because it is written, Be ye Holy; for I am Holy. (DMC NOTES: 1 Peter 1:16)

He also says, Follow Peace with all Men, and Holiness, without which no Man shall see the Lord: (DMC NOTES: Hebrews 12:14)

That's enough for me. I don't know Greek, I don't know Hebrew.

Fortunately, I didn't attend Bible College but I know, if I keep going the way I am going, I will make it to Heaven.

And I know I will see some of you there - Amen!

MINISTERING: PASTOR E.A ADEBOYE

DATE: 25TH JANUARY 2026

BIBLE TEXT: GENESIS 17:1

SONG

We give You all the Glory
We give You Honour;
We give You all the Glory
We give You Honour (Jesus)

OPENING PRAYER

Ancient of Days, the Alpha, the Omega, the Beginning and the Ending, the Unchangeable Changer.

The God of Last Year (2025); the God of This Year (2026).

The One who has done Mighty Things in the Past.

The One who is going to do Mighty Things now.

Glory be to Your Holy Name!

Accept our worship, in Jesus' Name.

We have only one (1) request today.

You are the All Sufficient God;; in the lives of everybody here Present, and those reading now on the Label of DMC, Prove Yourself.

Show every one here today that You are the All Sufficient God.

Let it be well with all of us.

Let it be well with our families.

Let it be well with our Towns.

Let it be well with Rivers State.

And Please Lord, let it be well with Nigeria.

In Jesus' Mighty Name we have Prayed - Amen.

Now let Someone shout Hallelujah - Hallelujah!

That's Port Harcourt Hallelujah.

Let Someone shout a Heavenly Hallelujah - Hallelujah!!!

Okay! Now I want you to look for one (1) or two (2) People that you have not seen this Year and say: "Happy New Year - God Bless You!"

And then I want you to Prophesy to two (2) or three (3) People and say: "God is going to Surprise me today!"

And then you may Please be seated.

Genesis 17:1:

And when Abram was ninety years old and nine, the LORD appeared to Abram, and said unto him, I am the Almighty God; walk before me, and be thou Perfect.

The first time He introduced Himself to man He said, "I am the Almighty God" - I am the All Sufficient God; I am the God who is More Than Enough.

- He was talking to a man who was getting old (99 years old).

- A man that God Promised will be the father of many Nations; and yet he was about to die childless.

And God said unto him, "I am the All Sufficient God."

I want to start this morning by saying, in the Name that's above every other name, God will be Sufficient for you today - Amen.

1. HE CAN MEET ALL NEEDS

He has the Power to do so - He created all things, and so He can repair all things.

No matter how good a Doctor can be - And there are some very good Doctors all over the world; occasionally they come across a situation that they say, "There is nothing more we can do."

No matter how good a Mechanic can be, occasionally they get to a situation where they tell the car owner, "Sorry Sir, go and buy a new one, because there is nothing more we can do."

But when Doctors have reached their limits, there is Someone who is the God of all flesh - Who would then say to the Doctor, "Thank you for your efforts; now you've tried your best, let the Manufacturer step in."

Today, whatever the situation; no matter how terribly sick you are; the All Sufficient God will pay you a visit - Amen!

2. HE CAN HEAL

He can Heal one, and He can Heal all.

In John 5:2-14, at the Pool of Bethesda, there were a Multitude of sick folks there. But He healed only one fellow and went away.

Whereas in Matthew 8:14-17 He healed all that were brought to Him - Every one!

So may I say that if God is going to heal only one fellow here today, you will be the one? - Amen.

Several years ago, I went to visit a Nation outside of Nigeria - Some of you have heard the Testimony before.

When I got to the Airport, there was one of my sons that I knew would normally be there to receive me and I couldn't see him. So I asked after him and they told me, "Sorry Sir, he is desperately sick and in the Hospital."

When I got to the Hospital they told me, you can go in and Pray for him if you want. "There is nothing anybody can do for him."

Because in that Hospital they have a Ward, a Special Room they send you when they know that you can't survive.

So when they refer you to that 'Special Room', you know they are likely to carry you out of that

room dead.

There is something in the body of a man, I think they call it PSA (DMC NOTES: PSA means Prostate-Specific Antigen - It is a Protein Produced by the Prostate Gland and its Level monitored to monitor Prostate Cancer).

Doctors say the normal PSA should not be above four.

By the time my son got to that Hospital, his PSA was reading four thousand - They couldn't even believe he was the one who walked in by himself.

I went into the Special Room and I called on the God of all flesh;

... Just as I am calling on Him today.

I Prayed for my son and I left.

I couldn't Pray for the rest because in some Nations of the world, if you Pray for People without them asking you to Pray for them, they could arrest you.

It was a Saturday; by the following Wednesday they discharged my son, completely whole - That's more than twenty (20) years ago.

But the beauty of the Story is that on the day they were discharging my son, all those who were in the Special Room when I Prayed for him, they were also discharged -;Hallelujah!

The God that followed me to that room that day has followed me to this Stadium today - Amen.

And I am saying, in the Name of the One who is called More Than Enough, every one of you would receive your Healing today - Amen.

3. HE PROVIDES

He can Provide for one; but He can also Provide for all.

In 1 Kings 17:8-16, He Provided for a Widow - The Widow of Zarephath.

Later on the Bible tells us that there were many Widows in the land, but God single out one for a Miraculous Supply.

But the same God can supply the Needs of a whole City.

In 2 Kings 7:1-end, a whole City was besieged. They came to such a terrible point that women

were begining to eat their children.

And then God sent a Prophet - And the Prophet made a declaration.

He said, in less than twenty four (24) hours, there will be more than Sufficient Provisions; and it happened exactly as the Man of God said.

I have come this morning in the Name of the One who made Heaven and Earth, to say to Someone who is having a Financial Difficulty; in the Name of the One who sent me, you will have a Breakthrough today - Amen!

How is it going to Happen? I don't know!

But He has done it before; He has done it for one before and He has done it for all before.

I can at least give the illustration of our first Convention at Redemption Camp in Lagos.

We had invited the People to come for Convention.

The Camp was in the jungle at that time and we had one major Problem - As we were digging wells to get water, the wells were collapsing because the whole place was clay.

It was just a week to the Convention and you can't have a Convention without water.

All of a sudden a man drove in; when he saw what was going on as we are struggling to build huts and so on. He said, what are you People doing here? We told him.

He said, what's your need? And we told home, water.

He said, that's not a Problem, all you need is a Borehole.

I said you think I don't know that? But where is the money to dig a Borehole?

... We were very, very 'Rich' in those days.

He said, that's no Problem! We said, we've heard you.

To cut a long Story short; within one week water was flowing freely.

I have come to decree that the Almighty God who sent help to me back then, so that all my People had enough water; the same God will send help to you today - Amen.

Thank You Father!

The Lord asked me to tell Someone here Today or reading now on the Label of DMC:

He said: "You will be the Center of Celebration soon" - Amen.

4. HE DELIVERS

The All Sufficient God can Deliver - He can deliver one and He can deliver all.

In Mark 5:2-20, God delivered one man who was terribly in bondage to forces of darkness.

But in Exodus 14:1-28, He delivered a whole Nation who were about to be swallowed up by enemies who have been enemies for Generations.

There are many of us - Whether we know it or not, who have been struggling;

- Not because we are not hardworking.
- Not because we don't know what to do.
- Not because we are not Educated.

But the Breakthrough just refused to come.

... Well, "one day would be one day" as they use to say.

For Someone here today or those reading now on the Label of DMC, Today is your Day - Amen.

One of my sons from another Ministry (he is the General Overseer of his Ministry) came to see us going to four (4) years now. He said Sir, I need a Higher Anointing to help me."

I said, what's the Problem? He said in his Hometown, every two (2) weeks Somebody important must die. He said he had Prayed, he had Fasted, yet nothing happened. "Please Sir, you must come."

Because he is close to me, I followed him to his Hometown - The Traditional Ruler gathered the entire town together and we Prayed!

We called on the Almighty God; the God of Elisha - The God who put an end to the Problems in Jericho and we left.

It's almost four (4) years now; since then till now, Nobody has died.

May I decree today to those of you who would receive it: From now one, there'll be no more death in your Towns - Amen.

Only those who are very old will go - Amen!

Because there is Someone who is called the Lord of Hosts - He can deliver one, He can deliver all.

Thank You Father.

I want to say Amen to this one first before I tell you.

Because the Lord says there's Someone here Today or reading now on the Label of DMC:

He says, "All my Promises to you in the Past shall be fulfilled this Year (2026) - Amen.

5. GOD GIVES JOY

He can bring Joy to one, and He can bring Joy to all.

When you read Genesis 21:1-7, God brought Joy to Sarah - She said, God hath made me to laugh, so that all that hear will laugh with me.

But then He can bring Joy to all.

In Acts 8:5-8, the Bible tells us that because a certain man went to a City to Preach the Gospel, there was great Joy in that City.

I am standing on the Word of God; I am relying on the One who sent me to you, to say to Someone here today or reading now on the Label of DMC: You shall weep no more - Amen.

He can bring Joy to one, He can bring Joy to all.

Several years ago one of my children in the United States of America invited me to come and eat in his house. I was very reluctant because I know several People would want the same opportunity given to them.

So we reached an Agreement and he said, Daddy, it would be Private - I won't make it a Public dinner. I said okay!

When I arrived, I found four (4) women in addition to his wife - "I thought this dinner was going to be Private?"

He said, "the other four (4) women came to help my wife cook" - What kind of food am I going to eat that will need four (4) extra women to cook.

But then I ate and we left.

But when I left, the four (4) women one by one sat on the chair where I sat during the dinner.

When they were sharing their Testimony the following year, that's when I knew what happened - The four (4) women have been barren a long time. By the time they were sharing their Testimonies, three (3) of them were already carrying their children and the fourth (4th) woman was six (6) Months Pregnant.

He can give Joy to one, He can give Joy to all.

... Maybe this one should be a Question;

How many of you really believe that beginning from today you will only know Joy? The DMC family Members!

If you are the one let me hear you say Amen - Amen!

6. THE ALL SUFFICIENT GOD ANOINTS

Now let's go a little deeper and say He can Anoint one fellow, and He can Anoint all.

You say, "Sir, this Anointing business, is that not for Pastors and so on?" Oh, may be.

But according to Isaiah 10:27 the Bible says: And it shall come to pass in that day, that his burden shall be taken away from off thy shoulder, and his yoke from off thy neck, and the yoke shall be destroyed because of the Anointing.

Anointing destroys yokes!

So if the Almighty God can just anoint you today - Anointing is something you can't see with your physical eyes; then all yokes in your Life would be gone!

He anointed Moses - And an ordinary Shepherd became a terror even to a whole King.

Then at a stage, when the work became big, Moses complained to God. "Ha! This job is too heavy, I can't bear this burden alone: Am I the father of all these People?"

God said, alright! Don't let us quarrel. Go and get seventy (70) Elders and I will come; out of the Anointing on you I would take and put on the Seventy (70) Elders.

The One that you have has been doing the work thus far, but since you say the burden is a bit heavy, let's anoint another Seventy (70).

You know some of us come to Meetings like this, believing God for Miracles for our body, Miracles for families, business and Ministry;

But I believe that this year in Particular, God wants to do something beyond that.

How many of you believe that it will be beautiful when you leave here today:

- You have the Power to Heal?

- You have the Power to set Captives free?

- You have the Power to go to your Village (Town) and say, "No more Barrenness?"

Would that be good? Yes Sir!

If you think that would be good, say Amen - Amen!

When we began the Holy Ghost Service - And by the way, in March 2026 the Holy Ghost Service would be Forty (40) years old.

When we were very few; when we started the Holy Ghost Service; I mean, we were a few hundreds of People. And so anybody who came to the Holy Ghost Service I laid hands on all of them.

But then because of the Miracles and Mighty Testimonies happening;

... And by the way, I Thank God for all the Testimonies of today. I give Him all the Glory.

The crowd began to increase.

By the time we were reaching about eight thousand (8,000) People; by the time I finished laying hands on everybody I got very tired. And I Prayed to God, "What do I do now?"

Because the People kept coming, God told me to take seven (7) of the Pastors and give each one of them one of my Ties that I have wore when Ministering - They would wear them and be Ministering along with me.

And it was amazing!

But initially, the People didn't want them to lay hands on them - They were waiting for me.

But when they saw that the Miracles were happening through them, they didn't care whether it's me or they.

And of course the crowd kept on increasing.

You know I have Good News for Rivers State - And I am saying this with every sense of responsibility. You know I've always said Port Harcourt is my second home. I have never said the same thing concerning any other town in Nigeria - Never!

So whatever I am saying about Port Harcourt; about Rivers State, I am saying so about myself.

"The major Problem we have here is that there are too many demons." Am I right for wrong?

I am not saying it to abuse you. Afterall I am part of you.

And we have tolerated these demons long enough; so we are going to leave here this Morning as Armies of the Lord, and we are going to chase all these demons back into the Ocean.

... He can Anoint one, He can Anoint all.

And as many of us as would say Amen, may God Anoint you today - Amen!

Let me begin to round up, because I still have another Assignment today. And the people in Lagos are already wondering why I am staying here so long - They don't know this is my second home.

Ha! Thank You Father.

I want to say Amen to this one also.

Because the Lord says I should tell Someone here Today in Particular or those reading now on the Label of DMC:

He says, "The Storm will soon be Over" - Amen.

7. THE ALL SUFFICIENT GOD SAVES SOULS

God can save the Soul of one fellow! But He can also save Souls of all. He can!

In Revelation 3:20, the Bible says, Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.

But then the Bible says: And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his People from their sins. (DMC NOTES Matthew 1:21)

So He can save just one fellow, and He can save all.

I am believing God that He would save all those who are yet to be saved this Morning.

And I have seen Him Perform unbelievably things.

I was in a Nation (I won't mention the Nation because the People are listening) and the President of the Nation worships in a Particular Church. And I was invited to Preach in that same Church.

I Preached as God led me, and I made an Altar Call for Salvation. The first fellow to come forward for Salvation was the Pastor of the whole Church. And of course when the Church saw their Pastor going forward they all followed.

So God can save one; He can save all.

I am believing God for Somebody here today, or those reading now on the Label of DMC:

You know up till now you are not saved. But you want the All Sufficient God to meet all your Needs.

Why don't you come forward and Surrender to Him.

- He would save you and everything would become New for you.
- After He has saved you He would Heal you.
- He would Deliver you.
- He would Provide for you.
- And He would even Anoint you.

ALTAR CALL

So if you want to Genuinely give your Life to Jesus Christ today, I am going to count from one (1) to fifteen (15) - Before I say fifteen (15) come forward and Surrender your Life to Jesus Christ.

This is your Day of Salvation - I am counting now...

Yes, let's clap for Jesus as they come.

Amen!

I am going to Pray for your Salvation and after I have done that, I am going to do something for all of us before we go.

And so it will be in the interest of all of us to wait until I tell you, "You are free to go."

Alright! Those of you who are really sure you want to give your Life to Jesus Christ, cry to Him today and say:

Almighty God, I know You are able to save one and that You are able to save all.

Please give me Genuine Salvation, so that from now on I will serve You and serve You alone.

Let's go ahead and talk to the Almighty God.

And the rest of us, let's Stretch our hands to these People and intercede for them.

Pray that the God who saved our own Souls, would save their own Souls also.

Pray that God who is More than Sufficient will save the Souls of every one of them.

Intercede for them!

Thank You Father.

In Jesus' Mighty Name we have Prayed - Amen.

PRAYER FOR SALVATION

Almighty God I want to Thank You for Your Word.

I want to give You all Glory, I want to give You all Honour for all these People who have come forward to Surrender their lives to You Completely.

Father, Please receive them in Jesus' Name.

Let Your Blood wash away their sins in Jesus' Name.

Save their Souls and write their names in the Book of Life in Jesus' Name.

From now on, anytime they call on You, answer them by Fire.

And when You begin to anoint People here today; anoint them also in Jesus' Name.

Let them serve You till the End.

In Jesus' Mighty Name we have Prayed - Amen.

Congratulations to those of you who have just surrendered your Life to Jesus Christ Genuinely today.

I need your names, your Address and your Prayer Requests. I Promise you that by the Grace of God I'll be Praying for you.

Very soon you would be receiving Miracles you have not asked for; then you will know somebody is Praying for you.

Congratulations!

Now those of you who are here today or reading now on the Label of DMC, and you believe that God brought you here for a Special Divine Encounter; Stand on your feet and should Hallelujah - Hallelujah!

You heard the Testimony of Someone who said she took the Handkerchief we Prayed on and touch her daughter, and passed it onto somebody who was going to have a Kidney Transplant and God Performed Miracles.

I am going to ask God to Anoint every form of thing you lift up to Him today: Handkerchief, dress, etc.

I am going to ask that God - The God who can Anoint all, to Anoint everything you are lifting up now.

And when I Pray, just make sure your Amen is loud and clear:

ANOINTING OF HANDKERCHIEFS AND CLOSING PRAYER

In the Mighty Name of Jesus!

You are the Source of Power - My Father, You are the Source of Anointing.

You can Anoint one, You can Anoint all.

These People, my Father and my God, they are my family Members - We are all from this State (Rivers State).

And so I am saying my Father and my God; even as You have anointed me, Anoint one, Anoint them all.

Everything they are lifting up right now, Anoint them all.

Wherever these things may be used, let Miracles happen.

Let there be Mighty Testimonies.

Let the Joy of Your People be full.

In their Homes, let there be no more sorrows.

Let the Storms be Over!

Heal all of us; Set all of us Free; Provide for all of us.

Let our Tomorrow be alright and let all of us serve You till the End.

Once again, in Your Name I decree: The Storm is Over!

So shall it be!

In Jesus' Mighty Name we have Prayed - Amen.

PERSONAL PRAYER REQUEST

Lay your hand on your own head and say to the Almighty God:

My Father, You are the All Sufficient God, let all my Needs be met today.

... Go ahead, talk to the Almighty God!

SOUTH SOUTH AND SOUTH EAST CONGRESS PARTNERS' LUNCHEON (DAY OUT WITH THE GOD OF DADDY GO) PORT HARCOURT 2026 @ RCCG RIVERS' FAMILY CAMP AND GARDEN OMUCHI IGWURUTA PORT HARCOURT RIVERS STATE NIGERIA

THEME: THE ALL SUFFICIENT GOD

MINISTERING: PASTOR E.A ADEBOYE

DATE: 25TH JANUARY 2026

BIBLE TEXT: GENESIS 17:1

OPENING PRAYER

Our father and our God, we want to Thank You for the Grace You have given to us to see this Day.

Thank You for the Wonderful Testimonies that we have heard Today.

Thank You because You can give Testimony to one and you can give Testimonies to all.

Please accept our Thanks in Jesus Name.

All Your Children who are here Today inclusive those reading now on the Label of DMC; before the end of this Month (February 2026), give them Wonderful Testimonies.

In Jesus Mighty Name we have Prayed - Amen!

Well, let Somebody shout Hallelujah - Hallelujah!

Shake hands with one (1) or two (2) People and tell them: You will hear my Testimonies soon!

And then you may Please be seated.

I am delighted to be back with you again - I always rejoice to be back home.

I want to Thank God for all of you who had remained Faithful to my God.

I can assure you that He will remain Faithful unto you - Amen.

I am not going to Preach a long Sermon.

The Outline for the Bible Study is already in the Leaflet that they have given to you - I will just go over it very briefly.

I can assure you of one thing - As long as my God lives, every delay in your Life will lead to a Greater Glory - Amen!

I am excited to see the Traditional Rulers sing.

And I want them to know that I really enjoyed their Singing.

God will take care of all your Kingdoms and Bandits won't come near there at all in Jesus Name - Amen.

And of course, you know that when we talk of Good Choir in The Redeemed Christian Church of God (RCCG); we cannot but mention Rivers State Choir - They are always very Good.

We have been asked to speak on: "THE ALL SUFFICIENT GOD" as you have in the Pamphlet in your hands.

We wrote there that God has many names.

And one of the Name He called Himself - The very first name that He used to describe Himself was "Jehovah El-Shaddai".

This one means: "The God who is More Than Enough".

But then in Section 1, we said that He is More Than Sufficient - He can supply more than you can ever Need.

And that is true - Whether it is in food or drink or clothes or money or Health.

And if you just take the Testimonies that we have heard today, we know that, that is true o.

I mean that I was almost dancing when that Young Man was Testifying that the wife was helping him to walk when he came.

He discharged himself from the Hospital and said that I must be at this Meeting.

And now, he is jumping.

Surely, my God is More Than Sufficient!

And I am going to join my Faith to yours and say that: From now on, we won't spend for Doctors

again - Amen!

We will be able to tell the Almighty God: Ha, I am Your Partner - I mean instead of giving Money to the Hospital, let me give it to You.

And you know as I have always said: Doctors are Wonderful People but they can't come near God when it comes to Healing.

Because when He healed Naaman, there was Nothing left over to show that he had ever been sick.

And I am believing God for all of you who are Partners - Partnering with my God: The kind of Health that will baffle Science shall be your Portion - Amen.

☆ He can Supply food as we see in 1 Kings 17: 8-16.

☆ He can Supply Water as we see in Numbers 20: 1-12.

☆ He can Supply Money to Pay off debt and then have more than enough to last for the rest of your Life as we see in 2 Kings 4: 1-7.

☆ And He can Supply Health like in the case of Naaman that I have already mentioned earlier (DMC NOTES: 2 Kings 5: 1-27).

The One that is More Than Enough - For Him to ask you to be His Partner is a Great Honour because He can Supply His Own Needs.

If He ask you for something, He just want to Honour you - That is all.

You have heard me tell the Story of our first Year in the Redemption Camp - We were in Need of something urgently and it was Saturday Afternoon and I had nothing.

I Surrendered all.

When I heard People saying that some People are in the Ministry for the Money; I am sure that they are not referring to me.

Because when I gave my all to God; it is all - And I mean all.

To the extent that there will be occasions when I couldn't even get two Naira (#2.00).

I wasn't saying that I am a rich Man but if you are Acting Head of Department (Ag. HOD); in the

University, then you are not a Poor Man - Not by Nigeria's Standard.

And then one Fellow drove in: Hello Daddy, I was just driving Past and I thought that I should say hello to you.

I said that you are Welcome son - God has sent you because we need so, so much now.

And I know that was nothing to him.

He said: Let me Pray about it. I said Yes sir and he drove away.

About an hour after he drove away, Somebody else drove in.

I Pray for you my Brothers and Sisters: God will not replace you with Someone else - Amen!

Hello my son, you are Welcome. God must have sent you because we need so, so much.

He said Ha! Glory be to God - He ran back to his car and brought the Money.

On Monday, the first Fellow who went to Pray about it came back - Ha Daddy, I have Prayed about what you said. Here is the Money.

I said: Ha sorry sir, the Need has been met.

He said: What do you mean?

I said Somebody came after you left and met the Need.

He said: Take the Money and use it for something else?

I said: No sir, the Need has been met.

He begged and did everything - I said: Sorry, the Need has been met.

That is when he said: Okay, if that is the case, the Next Need that will come will meet me here - This is True Life Story o.

He went back home - Told his wife: From now on, you look after our Business because from Today, I am going to be living in the Camp.

Some of you know him - We used to call him "Pastor Mate". God used that Man Practically to oversee the building of more than 70% of the Redemption Camp.

DMC NOTES: In the Redeemed Christian Church of God (RCCG), Pastor Peter Adeyemi, often affectionately referred to as "Daddy Mate" or "Pastor Mate," is a respected Senior Pastor. In March 2023, a Special "Evening of Tributes, Hymns And Praise" was held in his Honour, celebrating his 80th Birthday, and he's was referred to as "Daddy Mate at 80".

He refused to go back home - Ha, God gave me an opportunity but I missed it. Alright God, it is You and I from now on.

When God gives you an opportunity to do something for Him - For the One who is More Than Sufficient; look at yourself:

☆ Who am I that God is asking me to be His Partner?

☆ What do I have that I didn't get from Him?

He rejoices when we say: Oh Lord, I will serve You - It gives Him Joy!

Because He doesn't Need anything - Let's face facts.

I am sure I have told you this Story before:

Several years ago when all my children were very, very little ones and Christmas was approaching. And I saw my children holding Meeting in their Elder's brother room.

And Leke - The One that is bigger than me now was a "Little Puppy" Fellow then and so they sent him.

He came out of the room and came to me and say: Daddy, what will you want for Christmas?

I said whatever you can give.

So he ran back to the room - He told those People that sent him: Daddy said whatever.

Whatever they discussed, he came back to me and said: Daddy, anything that you want.

Oh anything? He said Yes - Okay, what about a Jet?

... Or is that not anything?

So he ran back to the room and came back - Not that kind of anything.

So I saw that we are Playing a Game and I said: What about a Pen?

So he went back and came out and said: Daddy, borrow me ten Naira (#10.00).

I didn't ask what for? I gave him the Money.

Christmas Day came and they all gathered together and Presented me with a Gift wrapped beautifully.

Before opening it, I knew what was in it and I knew who bought it but I still hugged them and rejoiced with them because they even thought of doing something for me.

David said that: What is it that I have that I didn't get from You? (DMC NOTES: Psalm 27:10)

To ask me to do something for you? What a Honour!

And like I said in the Conclusion there:

The Partner of God - Those who choose to Partner with Him always go home with more than they bargained for.

One of my Pastors just gave a Testimony:

He dropped the keys of his car years ago, now he said that he has received car gifts more than ten (10).

No matter how Good you are as a Preacher, if God does not touch the Heart of Someone, they won't give you anything - That is the truth of the matter.

If I were to say my own, they will say that maybe I am bragging.

Years ago when we wanted to start what we now called Holy Ghost Congress - We used to call it Christ the Redeemer's Congress in those days.

I wanted when I heard that Nigeria was going to close down for FESTAC (DMC NOTES: FESTAC stands for the Second World Black and African Festival of Arts and Culture - It took Place in Lagos Nigeria from 15th January to 12th February 1977) - All Secondary Schools and Teacher's Training Colleges will close down.

And I felt as a very Young Christian that if Nigeria is singing and dancing in Praises of idols from all over Africa; why can't I gather all Students together and begin to sing and Praise the Lord Jesus Christ.

That is how it started.

It was long after I have sent out Invitation Cards to all Secondary Schools and Teacher's Training Colleges that I realised: Wait a Minute o - Because I told all of them to come and God will feed them.

Then I realised: What have I done? Where am I going to get the Money?

Because when it is time to send out the Invitation Cards, I suddenly discovered that I didn't have enough Money to buy the Stamps that will be needed.

And what did I do? I sold my car.

These are Stories that you have never heard before.

I was a Lecturer Grade II - Inviting the whole Country to come and eat and drink for three (3) days? How much was I earning? So, I sold my car.

Years later, when Congress was to become what it is now and I was Praying somewhere on a Beach in Lagos - By then I had two (2) cars: Lincoln Town Car (DMC NOTES: This is a Luxury Brand of Ford Motor Company, Produced from 1981 to 2011 and often described as one of the last "True" American Luxury Sedans) and a Lexus Jeep.

And suddenly, God spoke and said: Give me your two (2) cars - I am sure that you have heard the Story before.

I Pretended that I didn't hear and so I said: Lord, which one?

Which of the two (2) cars because the two (2) of them were very Precious to me.

Please don't misunderstand me o - I am not asking you to give your cars o. That is not the ideal.

But I yielded - I gave the two (2) cars.

There was a time I had to give out twelve (12) cars in one day so that there will be room for cars in my Backyard.

Because we are serving a Faithful God - That whatever you sow, you will reap!

So, if some People now see God rewarding what some People had done in the Past and they begin to speak rubbish; you will understand why my cry to God for such People is: "God, have Mercy on them".

Because if God is to react with a little Slap - And say: What are you talking against my Child and Partner?

A little Slap and the mouth will be turned to the side Permanently.

Whenevwr God inspires you to join Him to win Souls, it is because He wants to Surprise you - That's all.

In those days when V-Boot was the real thing in Nigeria, a Man came to me and said that God asked him to give me a V-Boot - I said me?

DMC NOTES: A "Vboot" (or V-Boot) is a popular nickname in Nigeria for specific vintage Mercedes-Benz Models, Primarily the W124 Series (Produced from roughly 1984–1995) and sometimes the earlier W123 Series).

And I was talking of those days.

Many of you don't believed that after I became General Overseer, for years I travelled in a bus in Lagos - That is the former Head of Department (HOD) in the University.

And so, when Somebody suddenly said that God said that I should give you a V-Boot, that was a Big Promotion.

I Prayed for him and he left.

And then God woke me up in the Night and said: I want you to go to the house of that boy and bless him - Yes Lord!

I went to his house some few days later - I told him that God says that I should come and bless you.

He said Thank You - And I was glad.

Few days after I blessed him, they sacked him in his Place of work.

So he came to me and said: I thought that you said your Father said...

And I laughed - I said: Yes, my Father asked me to go and bless you.

Okay o, we shall see.

Then it wasn't long after that, I told him that what is coming is big o - If you want to rest, you better go on Holidays now.

Then he went on Holidays - He is a Great Believer.

By the time he came back - In those days, there was no Mobile Phones; he got a call: Where have you been? We have been looking for you.

He didn't apply for any job - He got to the Place and they said: We learnt that they sacked you in such and such a Place. And so we have a Placement for you now. And we will be Paying you double what those People were Paying you.

He was glad - He ran to me and said: Your Father is already on the work o.

I said what do they Promised you? He said Double of my Salary.

I said: No, that is not the one.

He said: What do you mean? I asked him to tell them that I will Pray about it.

So he went and told them.

It wasn't long after that, he got another Offer and this People are offering him three (3) times what he was getting before.

So he ran to me and said: I hope this is the one?

I smiled and said: This is not the one.

What do I tell them? Just tell them that I will Pray about it.

Then he got the Offer that Promised to Pay him five (5) times what he was earning before.

In addition they Promised him that:

☆ They will give him and his family Holidays twice a Year.

☆ They will give him Accommodation in United Kingdom (UK), United States of America (USA) and some other Places.

He came back to me and said: I hope that this is the one? And I said Yes.

I have Good News for Somebody: The day that you will share your Testimony here; it will be difficult to stop the People from shouting - Amen!

He is the All Sufficient God - He doesn't lack anything.

When He says that He wants to do something, then He will do it.

No matter how Great the crowd at the Congress is; God will take care of them all - He will, He has been doing it and He will continue to do it.

It is only that after He has done it, certain People get the Blessings.

Some People will just come - Get blessed and go. They don't know about People like you but God knows and He is no Respecter of Persons.

And this Year in Particular, He is about to surprise Somebody "BIG" - Amen!

So, I want you to bow your head and think of what you want to do this Year.

Something that you will do that the Almighty God will add to your Credit in Heaven.

And as the Bible says: When the Cloud is full of Rain, it will pour down upon the Earth (DMC NOTES: Ecclesiastes 11:3).

So think deeply what you want to do for God to Support the work for the Congress for the Year 2026.

As for all our Viewers in Yenogoa, Warri, Benin and Asaba; Inclusive all those reading now on the Label of DMC: All the Prayers that I have Prayed here Today is for you too as well - Amen.
