SONG

The Most High reigneth
The Most High reigneth
The Most High reigneth in my Life Today
The Most High reigneth
The Most High reigneth
The Most High reigneth in my Life Today.

OPENING PRAYER

Our Father and our God, the Most High is Your Name.

You are Higher than anybody that is high on Earth and in Heaven.

You are Glorious in Holiness and You are Fearful in Praises.

You are the Lord of Host,

You are the King of Glory,

You are the Great I am that I am.

There is no comparison with You - You are just on Your Own. You are God by Yourself.

We salute Your Majesty!

We give You Praise - The Lord of each Year for us.

You have been so Good to us as Women in The Redeemed Christian Church of God (RCCG) and all over the world.

Last Year (2025), You gave us "Lively Hope" - The Hope that can never die, and the Hope that will sustain us even till we see You in Glory.

We are so Grateful.

This Year again (2026), we are before You - We are here to listen to You.

We want to hear Your Message, we want to hear You and we want to hear Your Word of Life even as You have decided to give us this Great Theme for this Year - "The Women of Higher Heights".

We want to say Thank You

We are asking Lord that:

You will manifest Your Power in our lives.

That all our lives will begin to experience Higher Heights in You.

And everything that we shall be doing after this Meeting Lord, it will lead us Higher in the Spirit Spiritually.

That all over where You have Planted all of us, we shall be High above every other thing.

And we shall be just Proclaiming Your Great Name higher than before.

Father we Thank You.

In Jesus Name we have Prayed - Amen.

Brethren, we want to give Glory to God for this Year's Women in Ministry Conference 2026 and over all the women all over in the Redeemed Christian Church of God (RCCG).

God has been so Great to us - He has always been since the Ages Past and He will still be there Faithful.

We want to Thank God for all that He did Last Year (2025) in our Last Year Meeting - It is obvious that many of us are living in "Lively Hope".

The kind of "Lively Hope" that has been sustaining us and will always sustain us till the end of

our days in the Mighty Name of Jesus - Amen!

I salute all of you - Most especially all our Leaders who has been Good Shepherds to all the women in the Redeemed Christian Church of God (RCCG).

We Thank God for your courage, we Thank God for your Commitment and we want to Thank You for being Good Examples to women in all the Parishes all over the world.

We are Grateful.

When I say that "We are Grateful"; the whole Redeemed Christian Church of God (RCCG) including the General Overseer are saying that we are Grateful for Playing your role.

And you are making it so Substantial that those whom you are leading, they are following Christ through you.

I Pray that all of us together including me, will not disappoint God - Amen.

God has given us this Theme this Year because in all my Life, I always love to move from one Stage to another - I don't want any form of Failure or something that will make me lower than I have been before.

And so, I wish you too the same.

God has given us this Theme: "Women of Higher Heights" - It simply means that we have a lot to do.

Our Father in Heaven is a God of Higher Heights - There is no Stagnancy with Him.

In Luke 2:52, the Bible tells us that Jesus Christ Himself is a Man of Higher Heights.

What happened? What did He do? Because He grew.

He was not retarded - He grew in Status and in the Wisdom of God.

So God Himself wants us to be at the Level.

And that is where we are going and the Place we are going to Place our Hearts to this Year.

My Bible Text is in Philippians 3: 12-16:

12. Not as though I had already attained, either were already Perfect: but I follow after, if that I may apprehend that for which also I am apprehended of Christ Jesus.

13. Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before,

14. I press toward the mark for the Prize of the High Calling of God in Christ Jesus.

15. Let us therefore, as many as be Perfect, be thus minded: and if in any thing ye be otherwise minded, God shall reveal even this unto you.

16. Nevertheless, whereto we have already attained, let us walk by the same rule, let us mind the same thing.

Brethren, this is Brother Paul admonishing the Philippians - He was telling them that he knew that God has taken him to some Heights but yet he is not yet Perfect,

And he said that he followed after.

And not only that, he now said that: "I count myself not to have apprehended".

I don't know how many of us are satisfied with where we are in the Lord right now?

If you are not satisfied, I Congratulate you.

The Bible even tells us in Matthew Chapter 5 that those who are thirsty and they are hungry after Righteousness; He will satisfy them.

And that is the Level where we are - We want to move Higher,

Any woman in The Redeemed Christian Church of God (RCCG) must not be lower - She must be Higher and Higher in everything.

PART 1: WHY SHOULD WE WOMEN ASPIRE FOR GREATER HEIGHTS?

1. Our Heavenly Father is Higher than the highest.

The Book of Ecclesiastes 5:8 says that our Father is Higher than the highest.

And so, we should be daughters of this "Higher Father" - Who is Higher than the highest.

What has been given to us in Luke 12:48 - Nobody is expecting less from us.

In the Redeemed Christian Church of God (RCCG); right from the Children Sunday School, to the Teenagers, to Youth Meetings and even the main Sunday School work, Digging Deep, Faith Clinic, every Teachings, every Assembly in the Redeemed Christian Church of God (RCCG), it is always taking us to Higher Heights.

So all these are Clouds of Witnesses around us that we cannot say that we are settling for anything lower than Higher Heights.

2. Jesus Christ said that we should do Greater Works.

For every Believers, when you read that John 14:12; you may be smiling that: Is it Possible to do Greater works?

He said so and once He said so, it is going to happen - And it has been happening.

About two (2) years ago, we learnt about a small girl who went to the Market in one of the States in Nigeria and she saw one Blind Man. And through her, that Blind Man was able to see and there was a lot of shouting in the Market there.

If I begin to give my own Testimonies, you will say: Ha, can it be true?

But the People that were there then knew it.

On a Saturday Night/Sunday Morning, God gave me a Revelation that I was Passing through the back of the Vrstry and they laid down some dead Pregnant women. And as I was Passing by, they were rising up.

It was so terrifying that I was shaking throughout.

By the time we now woke up to go to Church; all the way to Church, I was just frozen in the car and I couldn't move my mouth.

We got to the Church, as usual I normally sit on the Altar close to the door because anytime they can come and call me out.

And this Nurse from the Maternity Center came and beckoned on me and I said: Mama, what is the Problem? I have warned you People that I am not called into Midwifery works - I can't stand the Blood, and women groaning in Pain. As they are weeping, I will be weeping too.

That is why I didn't go to Study Nursing.

Then she said that there is Nobody that we can come and call at this crucial moment - And I have no other option than to follow them.

And I usually have one small wrapper in the Vestry - I wrapped it around my dress and followed them.

And I saw this woman - She has Laboured and given birth six times. And she has been there at the Maternity Center for the Past three (3) days. There was flow of blood and everybody was crying there.

I said okay, help us raise the feet of the bed - And it was raised so that the rest of the blood in her can at least serve the Medulla Oblongata (DMC NOTES: The Medulla Oblongata is the lowest part of the brainstem, located between the pons and spinal cord at the base of the skull. It acts as a critical conduit for nerve Signals between the brain and body and regulates essential, involuntary autonomic functions, including heartbeat, breathing, blood pressure, swallowing, and vomiting)

I now whispered to her ears: Can you hear me? Do you have Strength?

She was just shaking like this.

I just laid my hands on the Tommy (Stomach) - And behold, the baby came out.

There was Shouting!

The baby came out as "Still Birth" that was already Black - DMC NOTES: "Still Birth" is the death of a baby in the womb at or after 20 to 28 weeks of Pregnancy, depending on the definition, occurring before or during Labour. It is a traumatic, often unexpected loss, distinct from Miscarriage (before 20 weeks). Common causes include Placental Problems, infections, or birth defects, though many cases remain unexplained.

We put the baby on a Trolley.

We settled the mother with Glucose, water, milk - And she came alive.

Then we now turned to the baby that was in the Trolley - And we were oiling him with Olive Oil and just Praying in Tongues on him.

All of a sudden, the baby began to Shrink - What is happening?

And all of a sudden, the baby cried and everybody started shouting.

And I was saying: "He is alive".

After we finished all the scenarios, Prayed, Thank God and came out of the Maternity Center, I had to pass through the back of the Vestry again to come into the Church as the Service was almost ending.

Then the Lord reminded me that: This is where I took you to pass through during the Night when I was showing you the Vision.

So I was like: God!

So, what am I telling you women?

Our God said that we shall do "Greater Works".

There are lots of Greater Works that we still have to do in Life.

There are several Testimonies that I could have shared with you but let us just share the Word of God which is to you and I: Life and Spirit.

3. God wants us to move from one degree of Glory to another.

We are Women of Glory!

And in 1 Corinthians 13:18; the Bible says that after He has removed the veil from your eyes, then we move from one degree of Glory to another.

And that is what our Meeting for this Year is talking about - We have to start moving Brethren.

It is enough of being Stagnant as you just have to start moving.

And it must come from your Heart - You must be willing to do it.

You must know that this is not something that if it is Possible - It is Possible.

And in this Meeting:

☆ The Power of the Highest will come upon you.

☆ And the Spirit of the Highest will come upon us

☆ And the Grace to move Higher and Higher

God will give to us in Jesus Name - Amen!

PART 2: THE STEPS TO HIGHER HEIGHTS

There are various steps that we must take so that we can build on a Solid Ground:

1. You must understand the Need for Higher Heights.

I Thank God the day that I read the Book of Acts 2: 1 - 3 - That on the day of Pentecost, there were one hundred and twenty (120) People there including Mary the mother of Jesus.

There were women there too that received the Power.

So, we must understand the need for Higher Heights because Power can never be received without using it - You can't sit on the fence.

Daniel 11: 32(b), the Bible says that: Those who know their God will be Strong and they will do Exploits.

You are claiming that you know God? Glory be to God.

Have we done Exploits? That is one thing.

We must understand why we need Higher Heights and we must do Exploits for God.

2. The Faith that we have in Him must work.

The Bible tells us in James 2:20 - It says: You say that you have Faith, where is your work? Faith without work is useless.

Brethren, you need to go from one step to another, understand why and then begin to use that "Small Faith" like a Mustard Seed

And the Bible says that it will move Mountain.

Don't just say: What can I do I am just a woman? I don't have the Power and Strength.

Oh I am a Widow, I am like this or that - No excuse. God is no respecter of Person.

So, you need to aspire to reach Higher Heights.

Brother Paul has given us the Example in our Bible - He tells us that it is one thing he does: He forgets the Past Glory and just move Higher by Pressing.

He said: I Press towards the mark.

There is a mark before us.

I don't know what you score right now but until you lay your Crown at the feet of God at the end of the day; you have not scored any mark.

Those of us giving excuses - It is my husband, my children or I am a Nursing Mother. I have been a Nursing Mother too.

I was once in one Conference in a University and when I saw what was happening among the women there; I said: Ha, there are still People like Folu Adeboye.

The Engineer that was Setting Up the Place was a woman and she backed her baby - She is a Doctor in the University.

You are doing what you are doing because your Spirit is Low.

But I want to stir you up today - You have to aspire to reach Higher Heights in God.

When Brother Paul says: "He is Pressing". Do you know the meaning of Pressing?

When you are Pressing, you have to put all your Energy.

And this kind of Pressing is not a Physical one but a Spiritual one.

Pressing towards the mark - Making sure that you use your Energy: Body, Soul and Spirit.

If you are going to serve God, the Book of Deuteronomy says that that you should serve Him with all your Hearts and Minds whoever you are - You may be a Governor

I have been to the Feast of Esther Program in Malawi and I met with the President of that Nation before who was a woman.

So my Brethren, you are more than a President of a Nation because the President have their Term and by the time they finished the Term, they have to pack out.

But in the Kingdom of our God, it is forever and ever - Even after leaving this world, we will continue in Heaven.

Please Today, let us think deeply.

And with the way we have been Pressing before, we have to Press more.

Don't let anything withdraw your Energy - Don't allow any Sorrow, any form of Grumbling or Lack, draw you back.

If you don't have money, what of the other Gifts that God has given to you? Have you finished the Gifts?

What 1 Corinthians Chapter 12 says is that: How much of your Gifts has edified the Church?

Oh, you are Singing - Is that why you can't go on Missions?

If you are going on Missions - Oh, you can't Provide for the Needy?

If you are Providing for the Needy - So you can't Pray for those who needs Prayers?

Brethren, there are lots of works in the Vineyard that you can do.

And one thing about God is that He gives them the Gift Liberally according to their Ability.

That is one thing that I Thank God for - He has Proved that work in many of us and as we are doing one thing, He is giving us more according to the Ability.

It is until you work with the one that He has given to you that He will give more.

We all know the Story of Talent in the Book of Matthew - He give to one, one Talent, another two Talents and yet to another three Talents; according to their various Abilities.

They all worked with their Talents except the one with one Talent.

Brethren, you have to use everything to make sure that you are aspiring - Don't sit on the fence. If you don't do all these Pressings, I have told you that your Faith is useless.

You can't believe in Christ and you see all that Christ is doing and all that He Commanded us to do and then you are sitting on the fence and not doing anything.

This Year (2026) is a Year of Higher Heights for you and you will reach there in Jesus Name - Amen!

3. The Bible let us know when we look at Genesis 26: 12-16 - Just to talk about Aspiring

The Bible tells us that Isaac was in a Place called Gerar - As he was moving forward Planting; all the well that has been dug by his father the Philistines were filling them up and he was digging another one. He did not allow any form of discouragement

And the Bible says that He was moving forward and wax Greater to the extent that even the Philistines envied him.

And they said that he should leave their Country because he has become bigger and higher than them.

Brethren, in this Year of Higher Heights, you will be High so much that so many People will enjoy you in the Name of Jesus - Amen!

What about Esther? I always call her a "Small Queen".

Thank God for Good Mentors!

All of us have Good Mentors like Mordecai around us- He told Esther: Hey, you are now a Queen. You thought that you are excused from any form of Persecution? No way!

If you don't do this thing - You don't know whether you are in the Kingdom for a time like this.

Brethren wherever you are now, we are reminding you that you are there at a time like this.

Mordecai remembered Esther and Esther now decided that okay, I will Fast and Pray - She took the risk.

Now, for People to go Higher is a risk o!

To come to the Redemption Camp to come and live in a Place without Electricity for three (3) years after God had taken us Higher and we came back to Ground Zero? We don't know that we have become our Higher Heights indeed.

Part of the Higher Heights is when you are Tried and Tested in the Faith and you ask yourself if you are on the right track.

But God is trying to Panel beat you.

Like Abraham, He took him out of his father's house after 75 years of Age and made all the Promises to him in Genesis Chapter 12.

And for 25 years, Nothing happened.

Now look at Esther - She said that I am going to listen: If I Perish I Perish - This King that Nobody can go to without being invited; I will go to him. And she went, survived and achieved.

This Year is your Year of Higher Heights - You will survive and you will achieve in the Mighty Name of Jesus (Amen).

Talking about this Requirement - We need the Holy Spirit!

No car can function without oil in the engine - If not, the engine will cracked and the car will not be able to move again.

Many of us toil with the work of the Holy Spirit - We don't know that He is the brain behind everything that we can receive and do in the Lord.

You cannot go to Higher Heights in the Lord or in any Sphere of your Life without the Power of the Holy Spirit!

When God was creating the whole world in Genesis Chapter 1, the Bible tells us that the whole world was without form and the Spirit of the Lord moved over the whole Earth. And then God spoke.

There is Power that is above other Powers.

Acts 1:8 says: We shall receive Power after the Holy Spirit has come upon you.

And in Matthew 3: 16-17, even our Lord Jesus Christ after His Baptism by John the Baptist. As He was coming out of the waters the Biblle tells us that the Heavens opened unto Him and the Spirit of God descended upon Him and God spoke: "This is my Beloveth Son".

Jesus Christ received the Power of the Holy Ghost before He started the Ministry work.

The Apostles in Acts 2: 1-3; the Bible told us that they have been waiting for ten (10) days - But it was not until they were United in Spirit and in one Spirit that the Holy Spirit came and they were Baptised and they started doing Greater works.

That Greater works that Jesus Christ said that we will do, they started doing it to the extent that Brother Peter who was a very timid man before that he began to walk and his Shadow was healing and raising the dead.

Brethren, are you Baptised in the Power of the Holy Spirit? It is not a joke again and it is not something of fashion.

I think that I have shared it before: We were in the Choir at the time the Founder of RCCG was still alive - We were about thirty (30) of us.

One of the Sundays after the Service, the Founder said that all the Choir Members should come - And we all went to him.

And he said that: How many of you have received the Power of the Holy Spirit? And only about six (6) of us indicated.

Then he said that only those six (6) will be Singing in the Choir from that day onwards and that the rest of us will not sing until we were Baptised with the Power of the Holy Spirit.

... You can't come to the Altar to sing again.

In those days, when you are not found at your Stand where you are working either as an Usher or Choir Member or if you are Suspended, it is like the Heavens had closed on you.

So for me, I put myself into Fasting - Thank God for one of the books on our Book Shelf that was written by one Great Author titled: "Receive the Holy Ghost".

I picked it up and started reading it.

On the Night of the third Day, I started speaking in Tongues - God Baptised me with the Power.

And this Baptism did not stop there - I told you that there was one Conference that I attended in Harare Zimbabwe in 1985 that was organised by Reinhard Bonnke.

On the second day of the Conference, from the Camp Meeting to the Hotel and on till the next day in the Morning; I was speaking in Tongues.

I have never had such an experience again in my Life.

And all the People we went together - five (5) of us, God gave each of them Messages to be delivered to them.

As I was delivering the Message to them individually in the Secret, they were just weeping and weeping - It is only God that can reveal this one o.

Brethren, God can use you more than your thoughts - Only aspire and receive the Holy Spirit!

When you have the Holy Spirit as a Child of God, it is enough for you to Celebrate!

These Apostles after they have received the Power of the Holy Ghost - In the Hour of Prayer,

they used to go for Prayer before but this time around, it was a blessed Hour of Prayer.

In Acts 3: 1-19; the Lame Man walked. Peter and John just Prayed: We have nothing o but we have the Name of Jesus.

The Name of Jesus will now be a Power and an Instrument of Fire in your Hand.

I Pray today for those of us who has been Baptised in the Power of the Holy Spirit; God will refill us again - Amen!

And those of us who has not been Baptised, you shall be Baptised Today - Amen.

Because you need to get this Understanding for your Higher Heights.

The Apostles in Acts 2:41; God added to them three thousand (3,000) Souls in a day.

The kind of Crusade that any Man of God will hold and have three thousand (3,000) Souls saved is almost impossible unless the Holy Spirit is there.

The next one in Acts 4:4; five thousand (5,000) Souls were added.

The next one in Acts 5:14; Multitudes were added.

Brethren, what is Your Aspirations? Do you want to be Baptised if you have not been Baptised before?

It will be a Good Thing for you Today even in this Meeting that while others were yelling and doing Greetings and doing whatever they are doing; you better go to one corner and ask for that Power.

In Isaiah 60: 1-5; what the Bible tells us about this Holy Ghost is a very crucial thing.

Isaiah 60:1-5:

1. Arise, Shine; for thy Light is come, and the Glory of the LORD is risen upon thee.
2. For, behold, the Darkness shall cover the Earth, and Gross Darkness the People: but the LORD shall arise upon thee, and his Glory shall be seen upon thee.
3. And the Gentiles shall come to thy Light, and Kings to the Brightness of thy rising.
4. Lift up thine eyes round about, and see: all they gather themselves together, they come to thee: thy sons shall come from far, and thy daughters shall be nursed at thy side.

5. Then thou shalt see, and flow together, and thine heart shall fear, and be enlarged; because the abundance of the sea shall be converted unto thee, the forces of the Gentiles shall come unto thee.

Brethren, when you arise, you have to Shine because you have the Holy Ghost with you.

And when the Holy Ghost is with you, there is no limit to where you can go.

And in Isaiah 61: 1-3, it says that:

1. The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to Preach Good Tidings unto the Meek; he hath sent me to bind up the Brokenhearted, to Proclaim Liberty to the Captives, and the opening of the Prison to them that are bound;

2. To Proclaim the acceptable year of the LORD, and the day of Vengeance of our God; to comfort all that mourn;

3. To appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of Heaviness; that they might be called trees of Righteousness, the planting of the LORD, that he might be Glorified.

Brethren, there is a lot that the Holy Spirit can do through us.

I Pray in this Meeting that everything that require for us to be Baptised in the Holy Spirit; God will give it to you, and grant you the Willingness and the Soberness.

Because the reason why some People don't receive this Power is Pride - They will be speaking "Fake Tongues".

But you should learn from Mary the Mother of Jesus Christ in the Bible in Luke Chapter 1 - She had this Divine Visitation from an Angel in Verse 35 (Luke 1:35).

And the Angel told her that you are going to be Pregnant and you are going to have a child of.

Mary said that: I don't know a Man, how am I going to do this?

The Angel said: The Holy Spirit.

Brethren, some of us are too Proud - And because of our Pride, we don't lay ourselves down to ask Questions. So we die in Ignorance.

Mary was ignorant of this thing and she asked the Angel Question: I don't know about this this -

How will it happen?

You are no longer Ignorant today because we have told you - If you aspire for Higher Heights, most especially to receive the Power of the Holy Ghost; God will give it to you.

4. The next thing is "Fervent Prayer".

In Colossians 4:12; the Bible tells us that Prayers help us to Stand Perfectly and Complete in all the Will of God.

Because it is when you Stand Perfect in the Will of the Lord that God will begin to take you from one degree of Glory to another.

The veils will be removed and then you will say that with God, Nothing shall be Impossible.

All those things that has been weighing you down before, you will shake them off.

According to the Book of Hebrews, it says that we should shake off all the things that are Shakable and we should remove all those things that has been serving as roadblocks - All those loads that you are not supposed to be carrying and you are adding it up to yourself, it must be removed.

And you can only breakthrough through Prayers.

And this kind of a Prayer is not the Prayer that you will Pray Today and you will not Pray tomorrow.

1 Thessalonians 5:17 says: "Pray without ceasing".

Jesus Christ Himself Prayed until He got to the Cross.

Even while He was finding it impossible to bear the load again; He said: Let this cup pass over me.

And finally He said: Thy Will be done.

That is the Power of Prayer.

What about Daniel? We all knew what God did in the Life of Daniel.

Through Prayers, he attained the Greatest Heights in the time of Jairus, the King among the children of Israel.

What about Jabez? Jabez himself, he had a wrong name to start with - Child of Sorrow.

He Prayed in 1 Chronicles 4:10 and the Lord granted him his request because Prayer is essential.

Those of us giving one excuse or the other, even while cooking in the Kitchen you can be Tonguing.

We were in one Congress at a Town called Ile Ife in Nigeria - That Congress, only God allowed it to hold because Ile Ife People were warring against the Modakeke's People. And there were lots of killings.

And in the Place that we were holding the Congress in one of the Compound of the Great College there; we were hearing Gunshots all over.

And there was a Message going on in the Main Hall about receiving the Holy Ghost.

And those of us in the Kitchen, there was a Big Loudspeaker with us - We were working with our hands stick to the Steering Rod in the Pot when the Holy Ghost took over.

Brethren, you cannot give an excuse as a woman not to receive the Power of the Holy Ghost and not to Pray - Prayer is essential.

5. What about the Word of Life?

You have to be conversant with the Word of God.

If you don't have the Word, then you don't have Life.

The Bible says that the Word that I speak to you is Life and Spirit.

How many of us - It is the Word that has been keeping us. At the time that we should have fallen, the Word of God will come.

That is why God told Joshua in Joshua 1:8 - Meditate on the Word Day and Night for you to enjoy Good Success.

You want to reach Higher Heights in your Career? You need the Word of God.

You often heard the General Overseer when he will give you the Testimony of when he was writing his PhD Thesis.

That one of the days he was already tired - He has spent Months on the work and then he went to the Toilet.

As he was reading the Bible, he read Exodus Chapter 14 - The Story of how the children of Israel crossed the Red Sea.

And the Holy Spirit said: That is what you are going to do with what you are doing - Put one Equation in one side and another Equation on the other side

And that is the Solution to your PhD Thesis.

Imagine, how can you connect the Crossing of the Red Sea to Somebody who is writing a Thesis on Hydrodynamics?

That is what God can do - When God wants to take you to Higher Heights - And some of us don't have the time to read the Word of God again.

Who took us to that Level?

Brethren, we need to think again and Prioritise what we should do with our Life.

You don't put the Word of God that is Life for you aside, before your Daily works.

Who will show you the way? Who will tell you what to do?

Many of us get the Inspiration from the Word of God to solve many Problems as Leaders.

So you have to be Conversant with the Word - Meditate on it Day and Night.

Psalms 1: 1-3, it says that you must know the Word of God then you shall Flourish.

Flourishing is part of Higher Heights.

You and I will not die Poor in the Name of Jesus.

God did not create us to be Poor - infact He became Poor so that we can be rich.

Our Wealth is not in money alone - We have a lot of Wealth.

The Earth is the Lord's and the Fullness thereof.

And everything our God has is our own.

I Pray that your own Portion will not be for another Person in Jesus Name - Amen.

And the Bible even says that we should study to show ourselves approved - 2 Timothy 2:15.

Instead of you just reading Newspapers and Journals that are not connected with your Higher Heights, take your Bible and read it - There are Solutions and there are Encouragements there.

God Himself will take you to Higher Heights - You will listen and hearken diligently to the Voice of God.

Only those who listen to the Word of God and hearken to it diligently are the People that will be above only!

God will take us above in Jesus Name - Amen.

6. We should be Diligent

Brethren, diligence is not for lazy People - Do not be Slothful if you want to reach Higher Heights.

You cannot afford to be Slothful but to work hard.

Proverbs 22:29 says: The hand of the Diligent the Bible says they bear rule.

Brethren, there was this Story of two (2) friends who met with a Palm Reader and he said that one will be a King and that the other Fellow will beg for bread.

The one that the Palm Reader said will be King departed from there and was rejoicing while the other Fellow that was rejected went away but determined to be rich. He went to the bush, bought cutlasses and started cultivating - Planting cassava, corn etc.

Later on, there was Famine in the City where they were.

Then one day, an Elderly woman just located the farm accidentally and the man that the Palm Reader told will be Poor gave her food. The woman went back to the City - Come and see o, there is food somewhere and everybody ran to the Place.

Finally, the People brought the Man to the City to become their King.

I think that everybody should learn from that - The hand of the Diligent bear rule.

If you are not Diligent - Thinking that my husband is this and that, then you are limited in your eyes Spiritually and in your Greatness.

Thank God for where God has put me as your mother - By the Grace of God, God has given me

a Diligent Spirit.

I don't need to count what God has been doing for me but if you search the Internet, you will see little of it as it is not everything that is there. And I am still aspiring more to get to Higher Heights.

And I Pray that all of us, our hands shall bear rule and we shall be Diligent and we shall Flourish in the Name of Jesus - Amen

There is this Poem that they taught us while in the College and it says:

The Height that Great Men and Women reach and kept, they were not attained by Sudden Flight but while their other Companions slept, they were toiling up in the Night.

O ye Slumbers and Sleepers, I hope that you can hear that.

Brethren, Higher Heights should be Preferred to be rather than to be in the Low Valley.

You can be Higher than where you are now - There is no limit to what God can do but be ready to do all that has been mentioned.

You can be the next one and to be the highest among your Colleagues but be determined:

★ Understand where you should be.

★ Be Baptised with the Power of the Holy Ghost.

★ Be fervent in your Prayers.

★ Be conversant with the Word of God.

★ Hearken diligently to the Voice of the Lord your God and the Commandments of God.

Which means that you have to be Holy and be Righteous and be Hardworking.

While you should be Praying and working, don't go and be listening to the News on the Television and reading things that are not necessary.

While you should go to work and work, don't stay at home and be eating and sleeping.

May God give us the Grace to be on Top till the end of the day - Amen!

SPECIAL PRAYER POINTS

Brethren, I think that we should Pray now:

1. Why don't we just Thank God for giving us this Theme this Year - "Women of Higher Heights".

I think that we should Thank God for it because it is an Inspiration and something that God is opening our eyes to see - This is something that Probably we never thought of.

And when God says "Higher Heights"; it simply means: "Be Higher than your thoughts".

He did it for Esther, Deborah, Dorcas, Isaac and others that we have mentioned earlier.

2. Now ask the Lord that all that is necessary for you to reach Higher Heights, begin to ask God to help you not to settle down for anything less than Higher Heights again.

Help me to be a Woman of Prayer - Till I receive from you: Help me to continue to Pray, Baptised me with the Power of the Holy Ghost, fill me again and again, let me do Greater works than You have done, let Your Word be Part of my Life and let me live by Your Word.

As I Meditate on Your Word - Because I want to Flourish, let me obey Your Words and Your Commandments.

Help me Lord: Please make me a Woman of Diligence, don't let me be Slothful or Lazy. Every form of Laziness in me, remove it from my Life.

Today inspire me - Wake me from my Sleep as I don't want to be Sleeping or Slumbering again.

You have shone me the Light that I can be Higher - Higher than ever before. This is my desire today.

Father, I give You Praise and Honour for what You have done.

Begin to Thank Him and ask Him for Higher Heights.

Open your Heart to God and He will lift you up.

Let us begin to bring our Prayers to a Close.

In Jesus Mighty Name we have Prayed - Amen!

Father, no matter where they are - There is no limit to where we can reach You; Please hold all of us by Your Hand of Higher Heights and lift us up.

And let us begin to record Greater Testimonies more than ever before.

Let the Barren become Fruitful.

Those that are not married even at Age 50 years Old, let their Wedding Bell ring

All those begging for bread now, by this Time Next Year (2027) when we are having another Meeting, let there be Testimonies of Change in Loneliness of Expenses to Flourishing.

And those Widows, Father remove their Loneliness.

All those Problems in all the families and Divorce that is so rampant; keep all our Members together.

Any form of Divorce, Please eradicate it from our lives.

And we commit all our Children into Your Hands - Most especially the Youths; Jehovah Please let all these Youths be Yours and let them walk in Your Ways.

Put Your Lights in their Paths.

Don't let any evil Communication corrupt their manners.

We Pray Lord that the Church of God will continue to grow Higher and Higher.

Please keep all our Leaders Higher.

And help us Lord God Almighty to contribute to the Glory of God in all our Lands wherever we are so that Your Name alone can be Glorified

Father, we Bless You for this Wonderful opportunity - We are Grateful.

Be thou Exalted forever.

Thank You for everything.

And by the time it is time for us to reach the highest Heights - That is Heaven; where we are supposed to end everything in this world, Please count us Worthy by Your Mercy,
