SONG

We give You all the Glory
We give You Honour
We give You all the Glory
We give You Honour

OPENING PRAYER

Our Father and our God, Ancient of Days, the Unchangeable Changer - We Worship You.

The One who was, the One who is, the One who is to come;

The One who had been, the One who will always be, the Almighty God.

The One who has never lost a war, the Lord of Host Himself - Glory be to Your Holy Name.

Thank You for Your Church in Canada,

Thank You for those who Graduated,

Thank You for those You have Ordained,

Thank You for those who are rejoicing with them

Please accept our Thanks in Jesus Name.

Father, we are waiting on You today: We are expecting something Miraculous, and something only You can do.

And touch each and everyone of us.

We have been hearing of Miracles that You have Performed in the Past; do something New today.

Give everyone of us a New Beginning.

And even before tomorrow, let everyone of us already have Testimonies.

In Jesus Mighty Name we have Prayed - Amen.

Once again shout Hallelujah - Hallelujah!

Shake hands with one (1) or two (2) People and tell him or her that God will surprise you today.

You may Please be seated.

We want to Thank the Almighty God for making it Possible for my wife and I to be in your midst during this Year's Convention.

I Pray that this will be one Convention that you will never forget - Amen

And I am decreeing that even before this Night is out, you will feel a Touch of God - Amen

I want to rejoice with those of us who have either Graduated from the School of Disciples (SOD) or Bible College - Congratulations.

And even more than that, I want to rejoice with those who has been Ordained.

You know that in all these cases, there had been a First Touch and then a Second Touch.

Whether you are Graduating from the School of Disciples (SOD) or the Bible College or even at the Level of Ordination; you might not realised it but you have just received a Second Touch.

You see in Mark 3: 13-15, when Jesus Christ called some People to Himself and then selected certain among them to become His Disciples; they were all receiving a First Touch.

A First Touch of several things but Particularly a First Touch of Power.

Because He said: You, you and you; I want you to come and have Fellowship with me and go with me wherever I go - And then, He gave them Power.

And then years Passed - Going with him everywhere, learning as they were going; just as you have been doing in the Schools of Disciple (SOD) , Bible College and Ministry.

And then a day came when He looked at them and felt: Alright these People are ready for Graduation.

And then He gave them a Second Touch in John 20: 21-23.

The Bible says that He breathed on them.

He is saying: Alright now, you have done your Training now; let us give you a Second Touch.

So, I just rejoice with those who have Graduated and those of you who has been Ordained; you may not know it but you have received a Second Touch.

I can give you several Examples but since they want us to talk on Second Touch - Part 1; maybe the others will come in along the way:

Like when the Mantle fell on Elisha in 1 Kings 19: 19-21.

.., That was the First Touvh of the Mantle.

And then after years of going around with Elijah, the time came for him to receive a Second Touch.

In the meantime, that he has been going around with this Great Man of God, the Bible tells us that he was Pouring water on his hands - He learnt a lot of things.

If for example you read 2 Kings Chapter 13 alone, you will see that this Man learnt a lot:

☆ He saw the Master brought Fire down on those who said that they came to arrest him.

☆ He saw naked demonstration of the Power of God.

But then when the day came for him to Graduate, he did a little bit of Examination because the Master gave him a few important Questions:

Son, you have tried enough; you can go your way now

He said that I can't go without a Certificate, I am going to follow you.

Till finally Oga said to him that I am about to cross the River o and I know you can't swim. You cross this River with me, you know that there is no turning back.

He said let us go.

He Passed the Exam of Loyalty and he Passed the Exam of Consecration.

That was why I rejoice with those two (2) ladies who got Special Awards even though I am a bit curious - There are two (2) Prizes and the two (2) of them went to the girls. I was wondering what happened to the boys?

When he Passed that final Examination, the Anointed Mantle that touched him when he entered either the School of Disciple (SOD) or Bible College; the Mantle now became his own Certificate.

Because from that day onwards, Nobody took the Mantle from him.

I Pray for those of you who has Graduated or have been Ordained; that the Certificate they will give you will not be Ordinary Paper - Amen.

It will be your own Special Second Touch - Amen.

But then, I am not asked to really speak only to those of you who Graduated or are Ordained; I am to talk to everybody - All of us want something from God that we will remember!

My Bible Text will therefore be Matthew 8: 1-3.

Matthew 8:1-3:

1. When he was come down from the Mountain, great Multitudes followed him.
2. And, behold, there came a Leper and worshipped him, saying, Lord, if thou wilt, thou canst make me clean.
3. And Jesus put forth his hand, and touched him, saying, I will; be thou clean. And immediately his Leprosy was cleansed.

I want to talk to you briefly tonight on: "The Power of the First Touch".

Because some of us in our eagerness for the Second Touch, forget the Significance of the First Touch.

When I was Younger - I am still Young whether you believe it or not.

If you are still Young, why are you still sitting down to Preach? Wisdom is better than Strength.

And if there is anything Old Age teaches you, it is Wisdom.

When I was Younger, in our Village we have these People who sell Medicines - We call them Medicine Man.

And they come and sell every kind of Tablets to us - They themselves don't know anything about what they are selling.

Only God knows how many People died - Killed by Medicine Man.

Then all of a sudden, this long Tablets called Capsules came and the Medicine Man came to my Village and said that I have found one Tablet that can cure all diseases.

And so, when you have Stomach ache, one Capsule; when you have Fever, the same Capsule - We didn't know the difference. Even the one selling it doesn't know the difference.

There is a Tablet, a Capsule that can cure every Problem - That is a Single Touch from the Lord Jesus Christ.

And that Touch, you will get Tonight - Amen.

So, there was this Leper - I am sure that you know that Leper is an Incurable fellow in those days.

He came to Jesus Christ, knelt down before Him and say: Somehow, I know sir that if you are willing; you can make me Clean.

And Jesus Christ said: Well since you know it and if the only doubt you have is whether I will be willing or not; He said that I am willing.

And then He touched him and instantly all the Problems of the Leper came to an end.

What are the Problems that are in your Life that will disappear tonight?

Whatever that Problem may be, only one Touch from the Almighty God will wipe all of them out and it will be done Tonight

What kind of Problems are we talking about?

1. The Leper without any doubt was sick - Sick Incurably.

I don't know what the Doctors may have said concerning your situation; as the God that I serve lives, the God who is the same Yesterday, Today and Forever, the God who has never failed before; it doesn't matter what they may say.

Because God is going to Touch you tonight, by tomorrow morning, you will have a Testimony - Amen.

Why? Because the One who gave him one Touch is the One who is called "The Great Physician" (Exodus 15:26).

Just one Touch from Jesus Christ is a Touch from the Great Physician.

The moment He touched the Leper, he got a little bit of what made Jesus, Jesus - That thing that

made Him "The Original Physician".

And that same Jesus is here Tonight.

2. He wasn't just sick but Poor.

He has no job - Nobody will give a job to a Leper because you don't want to touch what he has touched.

But the One who touched him, is the One who said: Silver is mine, Gold is mine; He is the One who said that the Earth is mine and the fullness thereof.

You know that when you talk of Poverty, what they should be talking about is "Unequal distribution of Wealth" because there is enough money in any Nation to make everybody rich.

Occasionally, when you read about certain People and they say that this fellow has so many billions of Dollars.

You should ask yourself the Question: If this money were to be distributed equally, none of us will lack one way or the other.

The money is in the hands of People who didn't even know what to do with it.

And the One who touched that Leper is the One who has the Ability to cause Wealth to Change hands.

When I say that a Touch from Him is going to wipe away your Poverty, kindly don't ask me how?

Because one thing that I have always told those of you who are my children is that your brain is too small to understand how God will do what He says that He will do.

So, I have Good News for you - Because I was telling those who came for Morning Devotion this morning that the only thing that can bring me back to Canada no matter how much you can Pray is if you tell me that Daddy, our Campground is ready.

But your Leaders has told me that to even get the thing going at all, they need so much Millions of Dollars.

But I know without any doubt that Somebody is here who can believe - He will call the Pastor and say: Sir, how much do you say that you need?

I have seen Him in Action before and so I know what I am talking about.

I have seen Him Provide in a way only He can do it.

I have seen Him meet my Needs in a way that you can only call Miraculous.

You know that when we talk about Poverty, Poverty is in degrees - I know what it is to be Poor.

I can remember very clearly one day at the Redemption Camp when there was no money at all to buy meat for the children.

As far as my wife and I are concerned, whether there is meat or not, that we can find food to get, Glory be to God.

But here are these children - At least before we came to Full Time Ministry, they have never known a day where there is no meat.

But on that Particular occasion, there was no money to buy meat.

So to Prepare their Mind for dinner without meat, I took them on a Stroll - The Camp was bush then and so we could stroll in the bush.

And I spoke to them - Telling them that when we were Young, our Parents used to cook okra meat.

Some of you don't know what is called okra meat - You take a whole okra, you cut off the top and the bottom and then throw it to the real okra soup.

I told my children - Okra meat, very delicious.

As we were going in the bush, I was Preparing their Mind for okra meat.

Then we have one little dog then - Very tough little dog that was going with us on the stroll.

All of a sudden, the dog branched into the bush and the next thing we heard was the cry of a

small animal. By the time we looked, he has brought out a Squirrel.

I saw on Television - They said that Squirrels are taking over a Particular City. I said Oh God, if only they will let loose some of us, we will help them deal with the Squirrel.

DMC NOTES: The News reported that Ground Squirrels took over Minot, North Dakota in the United States causing widespread issues for City Officials).

We has to struggle to take the Squirrel from the dog.

And so that Night, meat was there - Squirrel.

And when we are eating - The whole family sharing a Squirrel, the children asked me: Where is the okra meat? I said next time.

That is more than thirty (30) years ago, next time has never come.

I don't know who I am talking to? But because you are going to get a Touch Tonight, you will never lack again - Amen.

3. Another Problem that the Leper has was that he was lonely.

Nobody keeps a Leper company.

You can't talk about a Leper wanting to marry.

He was of Marriageable Age but who is going to marry him?

But because he was touched by the One who said that I will never leave you and I will never forsake you; it wasn't long after that touch that he got married.

Because all those who has been moving away from him, when they suddenly saw him made completely whole; he became the talk of the Town.

And it wasn't long after that, that he got married.

Do you know who I am talking to?

There is Somebody here Tonight or reading this Message now on the Label of DMC who is going to have a Touch and all those People who are meant for you from Heaven - Is it a wife, is it a husband will locate you. Before this Year runs out, Wedding Bell is going to ring - Amen.

Your loneliness is going to end!

4. The next Problem that follows comes immediately after Loneliness was that he was barren.

Why was he barren? Because he has no Partner.

But after God touched him, after he got married, then automatically, Fruitfulness came to an end.

... Just one Touch and Barrenness will vanish.

One Touch can put an end to all your Fruitless Efforts!

Because like I have always told you - Barrenness does not mean lack of children alone.

A Barren couple, they tried very hard and made the necessary efforts without results.

Just one Touch from the Almighty God because there are quite a few of us who has been away from home and things are not quite rosy as we thought it will be here.

And we couldn't go back home because we are afraid of what People will say - You have gone all these years, where is the results?

There are some of us working two (2) or three (3) jobs, that People will ask: Sir/Ma, where is the result? Where is the Fruit?

But I am decreeing to Someone today or those reading this Message now on the Label of DMC: In the Name that is above every other name, your Fruitless Efforts end Tonight - Amen.

Because the One who touched him was the One who said that I am the Vine and you are the Branches.

Just a Touch from Him then the Fruitful Vine will become really Fruitful.

5. Another Problem was Stagnation.

He has never been Promoted since he became a Leper.

Promoted to become what?

Senior Leper? Or the Director of the Leper Colony?

But the One who touched him is the One called "The Great Promoter".

The One who according to 1 Samuel 2: 7-9 - The One the Bible said can even pick up a Beggar from the dunghill and continue to lift him up until he begins to dine with Kings.

Many of us has been working hard. Even in our places of work, at the end of the Year, when they want to write Recommendation about you; they say: Very Diligent, very Honest et cetera et cetera.

But when it comes to Promotion, they forget you.

In the Name that is above every other name, after this Convention, your Promotion will be Accelerated - Amen.

Because just one little Touch from the Great Promoter and they will remember you - Amen.

And they will, begin to say: This fellow has been here this long with not a Single Query and never late to work; how come is he still on one spot?

It takes God to do that.

You know that when God wants to Promote you, He could cause Somebody to have a Dream or two (2) Dreams in one Night - You know the Story of Joseph.

And I am decreeing that the One who should help you, tonight will have a Dream about you - Amen.

6. Another Problem that the Leper had is that in those days, Leprosy was considered Probably one of the biggest Curses that can come upon Somebody.

But because the One who delivers from the Curses touched him and the curse on his Life came to an end.

You know that Galatians 3:13 talks about the One who has delivered us from the Curse of the Law.

Many of us are where we are now because of a Curse.

☆ A Curse is a summon on all Forces in Heaven, all Forces on Earth and all Forces underneath the Earth, to work against Somebody and to make sure that the fellow will not move forward.

And there are some of us who has done things that has caused our Parents or Someone with Authority to place a Curse on us.

☆ A Curse is like an Invincible Chain binding your hands so that what you touch won't Prosper.

I mean you see Somebody doing a business and they are doing very well. And then you say that you will do the same thing.

But the moment you start your own business, even when you borrow money to start a business; the business will fail and the money will frizzle out.

There are lots of People who are Debtors today not because they don't know what to do - They are doing what others are doing and they are Succeeding but there is an 'Unseen Chain" binding their hands

☆ A Curse is an unseen Chain binding a man's feet so that when thry move forward, that force will pull them back.

Some of you know what I am talking about - Don't do as if it only happens in Africa.

I have told that some People say that demons are only in Africa - And I laugh.

And I have told them that the difference between the demons in Africa and the demons in Canada or any other Sophisticated Countries:

It is simply that the demons in Africa didn't go to School - That's the difference.

And you know what? The demons in Africa are easy to recognise and sp easy to deal with.

I mean that you see a Mad Man walking on the Street totally naked; it is easy for you to know what to do - You see him coming on one side of the road, you cross to the other side.

But among the People here, some of the demons are wearing 3-Pieces suit, riding Royce Rolls and some of them have three (3) PhD's.

And so very difficult to recognise.

So until they are close enough to do you harm, you won't even know.

☆ A Curse is telling Demon to Pursue Someone until they reduced him/her to Nothing.

Whether the Curse is from your father's house or mother's house or from your In-law house; I lift up my hand to the Most High God and I decree that the Curse is destroyed - Amen.

7. Another Problem of the Leper is that he was Poor.

You can't have all these Problems that I have mentioned and be happy.

That's why I don't blame many of you People in these Advanced Nations of the world - You know that they can't even laugh.

On one occasion, I went to one shop in London, they called it Harrods - That is the biggest shop in the whole world and the most expensive. And so "Ordinary People" like me don't go there.

DMC NOTES: London's biggest and most famously expensive Store is Harrods. Located in the affluent district of Knightsbridge, this luxury department Store covers 5 acres of land, spans 8 floors, and houses over 330 Departments.

But I have heard so much about the Place - I mean that day for example; I saw a pen that cost using your Currency about \$200,000.

That was the kind of shop that we are talking about.

And so you will understand why People like me don't want to go there.

But then, I heard that you can go there and have a cup of tea just for about \$25 or \$30 - And so I say that at least I can afford that. I am going in there to see what is it that is so Special there.

So when we have gone round and saw all the things that we can never dream of buying - I mean for example that Pen that I mentioned they made, only seven (7) of them.

And Bill Gates got one, Prince Charles (Now King Charles) got one.

About two (2) of them is left and I looked at the two (2) Pen very well and say thank you very much.

So finally I told my children that we should go and drink tea now - At least we could afford that.

So we sat down and we began to drink tea.

And without looking back, I told my children that the People behind me are the Aristocracy - I mean Big People.

My children looked back and they saw them too.

They say: Daddy, how do you know? And I said that from their Laughter.

I am not that rich but I can laugh because I know Joy!

And in the Name that is above every other name; by the end of this Convention you won't know Sorrow again - Amen.

8. Without any doubt, that Leper has a very big Problem - And that is Hopelessness.

All the others he could manage but his biggest Problem was that there was no hope for him.

He knew that he was like a Walking Corpse - People run from him.

There was no drug that could cure him and:

☆ He knew that for the rest of his Life, he was going to be lonely.

☆ He knew that for the rest of his Life, no Joy, no Children, no Promotion.

He was Hopeless until Somebody touched him - The One called "The Hope of Glory".

And all of a sudden, the one who was completely Hopeless one moment suddenly saw that my tomorrow is still going to be alright.

He knew that from the look of things, I can still be Promoted.

... All of a sudden, He has Hope!

But for Jesus Christ, Somebody like me shouldn't have Hope in Life:

☆ When you talk of Poverty, I am Poor.

☆ When you talk about Sorrow, I have my own to share.

☆ When you talk of any Problem anybody could have, I had my Share.

Until one day that the Hope of the Hopeless touched me.

And you know what?

It was because my situation was Hopeless that brought me to The Redeemed Christian Church of God (RCCG).

Because before I got Born Again, I had a Problem that all my Mathematics couldn't solve.

At that time, I was in the University as a Professor and I have a friend (Even though we have not seen for some 30 years) who was doing PhD in Geography and he was doing his Thesis on the Shoreline of Lagos Lagoon

So he was going round collecting sand along the edges of the Lagoon and he asked me to follow him

And because we are friends, I followed him in order to encourage him.

As we got near the Lagoon, I saw a Signboard of this Church - Big wooden Signboard with a big name: "The Redeemed Christian Church of God"

I said oh God and then say a word in my native Language (Yoruba).

I said: "Big name that kills small dog" (DMC NOTES: Oruko nla to pa omo aja)

Because when you look at the Church, it was made of sawdust - Discarded Wood

That is what they put together and called a Church with that Big Title.

When my Problem came and Somebody recommended the Church - He sld that there is a Church when they Pray, God answers.

I said where is the Church and what is the name.

And they gave me the name and I say: Ha, I know that Church - "The little dog with a big name".

... That's what brought me there.

And when I get there and the Helper of the Helpless touched me, everything Changed - And I mean that everything Changed.

I have gone Practically round the whole world now and by the Grace of God, I have dined with Kings (Here you call it Prime Minister).

... Just one Touch!

I am going to beg you tonight - Let Him Touch you.

Get one Touch tonight and when the time comes, we will talk about the Second Touch".

Now that you know what you can get from the First Touch, that should Prepare your Mind about what He will do if He touches you a Second Time.

But you have to come to Him for the First Touch.

He is willing to solve all your Problems.

He did it in the Life of the Leper but you have to come to Him first.

ALTAR CALL

So, if you are here Tonight - You may be the only fellow.

You might have come tonight to Celebrate with your friend who is Graduating or who is being Ordained.

But God brought you here so that you can hear this "Little Message".

And you know what?

Before tomorrow morning, all your Problems might be gone.

Because the Bible says that: "If any man be in Christ, he is a New Creature; Old Things have Passed away, all Things have become New" (DMC NOTES: 2 Corinthians 5: 17).

So, I am going to count from one (1) to seven (7).

If you want to Surrender your Life to Jesus and you want that First Touch because your Problem is among those ones that I have already mentioned and you want the Problems gone.

Before I count up to seven (7), come and Stand before the Altar here and we will Pray together.

He will save your Soul and give you a Touch and you will never forget Tonight,

So if you want to come, I am counting now!

Now, those of you who are already in front, you can go ahead and talk to Jesus Christ:

Ask Him to Please have Mercy on you,

Ask Him to save your Soul,

Tell Him that you want to serve Him from now on.

And He will Touch you tonight.

Go ahead and talk to Him.

The rest of us, Please Stretch your hand towards these People and Intercede for them.

That the One who saved your Soul will save their own Souls also.

Go ahead and Pray for them for 2 Minutes.

Thank You Father!

In Jesus Mighty Name we have Prayed - Amen,

PRAYER FOR SALVATION

My Father and my God, I want to Thank You for Your Words tonight and Thank You especially for these People who has come forward to have an Encounter with You.

Please receive them, have Mercy on them, save their Souls, wrote their names in the Book of Life.

And from now Oh Lord, let them serve You.

From this moment onwards, anytime they cry to You for anything; Please answer them by Fire.

And let them serve You forever.

In Jesus Mighty Name we have Prayed - Amen.

Praise the Lord - Hallelujah.

How many of you believed that just one Touch from God will clear all your Problems?

Then Stand on your feet and shout Hallelujah - Hallelujah!

CLOSING PRAYER

My Father and my God, I want to Thank You - Thank You for Your Children that are Gathered here Tonight.

I know that Your Name is Wonderful:

Tonight, in the lives of everyone of us Father, Perform Wonders.

That Touch that can clear all our Problems, release unto us.

Physically, Touch us today

Materially, Touch us today.

Emotionally, Touch us today

Maritally, Touch us today

Even in our various Ministries, Touch us today

That Touch that will put an end Permanently to the Sorrows in our Life, Touch us today.

And then the Grace Lord to cling unto You forever; give it to us in Jesus Name

From now on, don't let us ever know Sorrow.

Don't let us know Failure,

Don't let us know Stagnation

Keep on helping us

And help us till the very End.

In Jesus Mighty Name we have Prayed - Amen,

PERSONAL PRAYER REQUEST

Now, even if it is only for 5 Minutes - It is up to you.

But if I were you, I will really cry to God tonight.

You will lift up your voice to Him and say: Father, You are the Solution to all my Problems; Please Touch me tonight.

Father, just one Touch from You that will solve all my Problems; Almighty God Touch me Tonight!

Go ahead and cry to Him now!!!

THEME: A SECOND TOUCH

MINISTERING (DAY 2 AFTERNOON SESSION - MINISTERS' CONFERENCE): PASTOR E.A ADEBOYE

DATE: 11TH JUNE 2026

BIBLE TEXT: ACTS 5: 14-16

SONG

The God of Abraham, Isaac and Jacob
Jehovah the Man War
Your Mercy endureth forever and ever
Oh Praise His Holy Name.

OPENING PRAYER

The God of Abraham, Isaac and Jacob; the Lord God Almighty Himself, the Owner of The
Redeemed Christian Church of God (RCCG) - We Worship You.

Thank You for the Salvation of our Soul, Thank You for Calling us into the Ministry.

Thank You for this "Miracle Church" - It started so small and waxing so Big.

Father, accept our Thanks in Jesus Name.

Today my Father and my God, as Your Ministers are gathered together; Please Lord be with us,
Support us, Speak to us and just give everyone of us another Touch.

In Jesus Mighty Name we have Prayed - Amen!

Well, let Someone shout Hallelujah - Hallelujah!

Shake hands with one (1) or two (2) People and say: "God will surprise you today".

Let's be seated.

Acts 5:14-16:

14. And Believers were the more added to the Lord, multitudes both of men and women.

15. Insomuch that they brought forth the sick into the streets, and laid them on beds and couches, that at the least the shadow of Peter passing by might overshadow some of them.

16. There came also a multitude out of the Cities round about unto Jerusalem, bringing sick folks, and them which were vexed with unclean spirits: and they were healed every one.

In your own Ministries from now on, incredible Miracles will be happening - Amen!

I will be very brief today and so be attentive because my children have a way of saying to me: Daddy, you must rest and then they will put real Programs one after another and then said rest now.

Thank God for Wisdom!

That's why when I was turning 80 years Old, I decided that I will be sitting down because if you faint, the same children will be saying that we warned him to rest but he won't listen.

We are going to talk briefly on the Anointing.

But let me just remind you - I am not just your father, I am your Coach.

I have told you before, your father by nature should be your friend but your Coach is not necessarily your friend.

Why? Because your friend is satisfied with you the way you are - That's why you are friends: "Birds of the same feather, flocks together).

But your Coach is never satisfied with you because he knows that you can be better.

Thank you for the Good works you are doing in Canada.

And may I tell you the truth as your Coach; you are not anywhere near where you should be - I am telling you Point blank.

At the Ordination Service on Day 1, I was shocked because it is only then that I realised that wait a Minute o, the last time that I was here for Ordination, we could say well done.

But when I looked at the number of People to be Ordained as Deacons or Deaconesses - Ha, for a whole Nation? A Nation and not a Region.

So few Deacon/Deaconess, so few Assistant Pastors and so few Pastors - What is going on here?

I mean, there was a time that I was saying that the North Americas 1 (USA) has been holding you down. Then you became a Continent of your own and the secret came out.

The Bible Passage that I read to you says that: And Believers were the more added to the Lord, Multitudes both men and women (DMC NOTES: Acts 5:14).

Where are the Multitudes?

I want you to Promise me that you will wake up because I have very Great hopes concerning Canada.

I am always remembering that the first place that I ever left Europe for anywhere else in the world; I came to Canada first in 1975 - I didn't come to Plant a Church but to attend World Conference of Applied Mathematicians. And you will hear quite a bit that Testimony on Day 3 - That has to do with Canada.

So I beg you like a father and I Command you as a Coach: You said that you want a Second Touch, show God that you mean business.

1. When you read 1 Kings 19: 19-21, you read about how Elisha got the First Touch.

You know the Story - He was busy Ploughing and all of a sudden, the Mantle from Elijah fell on him.

During that First Touch, several things happened:

I. His Destiny in Life - Why God made him, was announced.

He discovered: I am not here to be a farmer, I wasn't born to be a farmer

If you read the Story very well, Elijah didn't said a word, he just threw his Mantle upon him and began to go.

And Elisha knew - Oh I see and he ran after Elijah: okay sir, Thanks for the Announcement but there is something I must do before I follow you as I must go and say bye bye to my Parents.

And Elijah said to him: That's not a Problem, did I say anything to you?

He said that you didn't say anything but you said a lot - You just informed me what is the Purpose of my Life.

The day that you are Ordained, an Announcement was made:

☆ Made to the Angels in Heaven.

☆ Made to all Human Beings on Earth who were Present at the occasion.

☆ Made even to the devil.

Because the day that you are Anointed, an Announcement went out - "Touch not my Anointed" because you are no longer the sane Person but different.

So, the day that you were Ordained, Announcement was made concerning your Destiny.

When I was in the University and they talked about the Budget of a Department, we always have a saying: They have highmarked so much for our usage.

The day that you get the First Touch, your Destiny has been announced.

II. And when that happens, whether you believed it or not; you immediately have a Change of Accommodation.

You may not know it but it automatically happened.

In 1 Samuel 16: 11-13, when David was Anointed to become a King, there was still a King on the

Throne but an Announcement was made.

This boy was up till now a Shepherd Boy, he is going to be a King - His Destiny was announced.

But do you know that by the time you read the rest of 1 Samuel Chapter 16, he soon find himself living in the Palace because of the Madness that came to trouble the King.

You have to understand that God already said before David was Anointed that I have found a man after my own Heart.

There is something God has seen in him before He maneuvered everything and made him King.

David was then moved to the Palace because if you are going to be King, you have to learn a little bit of Royal Protocol.

Some of us has relocated to Canada because God needs Somebody like you for a time like this and therefore you are not here by Accident.

Some of you came here looking for Greener Pastures but before you are born, God has been waiting for you in Canada.

Nothing happens by Accident - The Bible made it clear: He knows the end from the beginning (DMC NOTES: Isaiah 46:10).

So some of you need to readjust your Mind - You are here to stay for the first Phase of your Life.

Because I don't know your Plans as an Individual - You might be in Canada today and you might be in Iran tomorrow.

III. After that First Touch, there is something in you that will begin to manifest - It is the Leadership Potentials that God has Planted in you.

You suddenly begin to find it easy to mentor People and to guide them.

You will suddenly discovered that you have the Ability to speak and People pay attention.

You have God investing in you the Ability to turn even Vagabonds to Vessels unto Honour.

For Example, in 1 Samuel 22: 1-2; the Bible said that David went to the Cave of Adullam.

And look at the People that gathered around him:

☆ Those who are Distressed.

☆ Those who are in Debt.

☆ Those who are having Problems.

They all gathered together around David.

People who say that they want to come and collect the money you owe me?

Then go and deal with David first! And they know that David was the one who killed Goliath.

But do you know what he did? He turned all those People to Mighty Men.

In 2 Samuel 23: 8-39, the Bible called them "Mighty Men of David".

They were those People - The Vagabonds that David turned to Mighty Men.

Among them was a Warrior who is going to Prevent a Giant that wanted to kill David (DMC NOTES: The Mighty Warrior who saved David from a giant is Abishai. During a battle against the Philistines, an exhausted David was cornered by a giant named Ishbi-benob, who almost killed the king. Abishai rushed to his aid and killed the giant. This heroic rescue is recorded in the Bible in 2 Samuel 21:16-17).

It is my Prayer that among your children, the Almighty God will Provide you some who will help you achieve your Purpose - Amen).

In Summary, the First Touch:

☆ Announces your Destiny.

☆ Gives you a Change of Position.

☆ And then begin to use you to turn Ordinary mud to Vessels unto Honour.

2. And then the Second Touch.

In the case of Elisha, when you read 2 Kings 2: 9-15, you will see several things

This is where Elijah said: Alright, I am going now and it is your turn. So what do you want?

Several things happened to Elisha:

I. His eyes were opened to see the Invincible.

And I am Praying that the Almighty God will open your eyes today or as you are reading now on the Label of DMC - Amen

And you will begin to see the Invincible - Amen

You will begin to see the Plan of God for Canada in the overall Plan of God for The Redeemed Christian Church of God (RCCG) - Amen!

I have just finished a little more than an hour with the Teenagers and Young Adults and Youths (YAYA) - Watch Out for this Comprehensive Coverage of the Full Text of the Questions and Answers Session ONLY on the Label of DMC.

And there, I made it clear to them that among them are some People who will become Governors and one who will even become the Prime Minister.

And you must take my word for it because I am not the one saying it,

The Ability to see the Invincible: To see the Past, to see the Present and more importantly to see the Future!

II. Because if God can just show you what is coming, you will no longer Slow down.

When we talk about seeing the Invincible, the Bible says in Proverbs 20:22 - It says that the seeing eyes and the hearing ears, God made them.

When God opens your eyes as He did for Elisha that he was able to see the Forces of Fire and

Chariots of Fire.

Some People wondered: Sir, why don't you rest?

I have found those who don't say that for the fun of saying so - I mean those who are genuinely concerned.

The truth of the matter is that you can see what you can see.

When we were growing, I know that I have an Assignment so big that I can't afford to slow down.

You see, it is where I stopped, that is where you will begin!

And I have a duty to make sure that I take you far before you take over.

You see, the moment that I hand over; it will be your duty to run with the Vision.

And I have been able to say to God - You know that I am supposed to retire fourteen (14) years ago. The Retirement Age in the Redeemed Christian Church of God (RCCG) is seventy (70) years old - If you turn seventy (70) years old, you have tried.

And whether you believe it or not, from the Age of sixty (60) years old, I have started Preparing for my Retirement. There are Signs all over the world that I have started Planning for Retirement from the Age of sixty (60).

Few Months to seventy (70), God sent a Message - And when God knows that there are some Messages that won't be Pleasant to my ears, He will send Somebody else.

And the fellow He sent was so Young - A girl that I know that this fellow can't cook up what she was saying.

Tell him that if he will not listen to me that he can't retire yet, I will blind him.

I am telling you: I don't want to be blind.

God will open your eyes - Amen.

But several years before that, long before I became General Overseer, God opened my eyes:

We are going for Workers' Meeting at Ebute Metta; at that time I was living at Adelabu Street in Surulere Lagos State Nigeria. And we dare not come late to Workers' Meeting.

So, we are getting ready to go to Workers' Meeting; I checked my time and realised that I have enough time to ease myself.

So, I went to the Toilet, shut the door and sat on the seat.

As I lifted up my eyes, behind the door was a big screen and it was a Church Service that was going on.

And I looked closely - This is the Church at Ebute Metta.

And as I looked, the Service was on and I looked at the Vestry, there are two (2) People there - The Preacher and the Interpreter and they were Praying Profuriously.

And then it got to a Stage and they announced the Song that will lead to the Preaching.

Then I saw the People in the Vestry closing Prayer and just as they were singing the last Verse of the Song, the two (2) of them came to the Altar and they took over the Service and Fire fell.

And then suddenly, the Screen was rolled away.

Then I realised that I was suppose to come here to ease myself.

I couldn't keep it to myself; as soon as I came to Church, after the Service I went to Baba Akindayomi and told him what I saw.

Papa put his two (2) hands on his heads and said, Oh God.

Then he called two (2) or three (3) Pastors that we had then to come and he asked me to repeat what I just said and they all did the same thing: Oh, God!

I asked Baba Akindayomi what was the Problem? And he said that is how we used to do it when the Church started - Whenever Service is going on, the Preacher and Interpreter will be in the Vestry Praying and they will only come in when it is time to Preach.

How can you see what we are doing even before you became Member of the Church?

The Almighty God can open your eyes so that you can see the Past and of course so that you can see the Future.

So, I am Praying that during this Convention, you will have a Second Touch that will lead to your eyes being opened - Amen.

II. And then when God opened the eyes of Elisha and he saw Chariots of Israel and Forces of Fire and so on, and then the Mantle fell, he picked up the Mantle.

He suddenly realised that now, I have gotten what I wanted.

But I can't swim and I am by the other side of Jordan. And where I am supposed to use the Power is on the other side of Jordan.

You know the Story - So he used the Mantle to smote River Jordan to clear out of his way because he needs to go back to where my Ministry is and start to fulfill my Destiny.

And when he called on the God of Elijah and he smote River Jordan the way his father did - Take Note of that.

He followed the example of his father to details - He rolled the Mantle before he smote River Jordan.

There are many of us who has been doing Ministry our own way!

We need to follow the examples of our fathers

Those children that I have just spoken to, one of their Question is: What is the Source of your Power?

I told them that if you want to have Power, just follow my example:

☆ Pray without ceasing.

☆ Fast - I know that there is Plenty of food here but you have to learn to tell your Stomach that

you are not the Boss.

Somebody asked me: Are you still Fasting?

Ha, the closer you get to the Finishing Line, the more careful you must be.

But you told us that once you are over seventy (70) years old, you don't need to bother anymore because after all your Prayers after seventy (70) years old is a Local Call

Many of us who are over seventy (70) years old, you already have the Bording Pass and that you are just waiting for the Final Call.

And the Purpose of the Fasting is to quicken the flesh.

So, if the flesh is already weak, then you have killed yourself now.

When I ask you to Fast say for forty (40) days or something; and I say you can break daily or do it continuously.

How do I do my own? I may start the first week breaking daily just to readjust from the feeding of the New Year and then moved on to the Continuous Fasting.

Who told you that Fasting kills? It doesn't.

This Young Man followed the Pattern of his father - Where is the Lord God of my father?

And that God answered - And so Jordan had to give way.

I Pray for everyone of you: Every Jordan blocking your way shall move out of the way today - Amen.

III. And then all of a sudden, Elisha who was one of the Sons of the Prophet became the father of the Sons of the Prophet.

I am Praying for you that from now on, you will not wear Title for Nothing - Amen.

The more you are Promoted, the more you will take care of those under you.

In 2 Kings 6: 1-7, it wasn't long before the Son of Prophet went to Elisha and say: Sir, where we are is too small for us.

There are many of us Pastor In Charge of Areas, Pastor in Charge of Zones, Pastor in Charge of Provinces et cetera et cetera but we don't even realised that is an Assignment that says look at the People under you.

If you ask some of the Younger Officers under you, it is because Jesus Christ said that you must love your Neighbours as yourself that is why they are Praying for you.

Why? Because they look at you, you aren't caring.

☆ It is when you are able to take care and oversee an Area that you are made an Area Pastor.

☆ It is after you have Proved that you can handle a Zone that they will Promote you,

You are Promoted for a Purpose and not for Title sake

The Grace to take care of those People under you so that they can Pray for you from the bottom of their Heart, may God give it to you - Amen.

Let us quickly go to Peter:

1. Peter got the First Touch of Anointing in Acts 2: 1-end.

I. On the Day of Pentecost, he Stood Out - He was the only one that Preached.

First Touch and then Peter began to Preach!

II. After Preaching and Peter getting a lot People saved, about a couple of days later, he healed the Lame Man at the Beautiful Gate.

He started by laying on hands.

It was still the First Touch doing this.

I know that Somebody will tell you: You don't need to know how to Perform Miracles and know

how to heal People; to be a true Minister of God - And they will give you a very good Bible Quotation to make an excuse.

I have told you before and I am saying it again: "Only Failures make excuses.

Why have you not been Performing Miracles?

Ha, is it not written that John The Baptist Performed no Miracle?

Good Excuse!

And yet, he was called the Greatest of Men born of a woman.

No, I don't have to Perform a Miracle to be regarded as Great - Very good excuse.

Excellent, but the Bible added that those of you who are the least in the Kingdom of Heaven and who got Born Again are Greater than John The Baptist - That is what the Bible says (DMC NOTES: Matthew 11:11).

To say oh no that is reason why I have not been able to Perform Miracles is because John the Baptist didn't do any; it is a good Sign that you are a Failure.

You must cry to God before this Convention is over: The Grace to be able to Perform Miracles, Father give it to me.

One of those Young Adults that I have just finished with say: Some People will Pray for hours and nothing will happen; then the General Overseer will Pray for 2 Minutes and something will happen, why?

Are they willing to Pay the Price?

Many of you think that you can get things done without the Holy Spirit and Praying - It doesn't work that way.

I told them that every week of the Monthly Holy Ghost Service, by the Tuesday of the week, I go into my Prayer Closets.

And you know what? During that Period, even my wife can't come there to see me.

We will greet ourselves in the Night - Hello my dear, how has the day been? God bless you.

That's on Tuesday's Night and Wednesday's Night and then on Thursday, we will meet at the Holy Communion Service.

And when the Holy Communion is over, I go back to my office - I attend to some big People that wants to see me and as soon as they go, I go back to Prayers.

Even though there are People who are going to Pray All-Night but for them to know that if I asked them to go and Pray, I don't go to Sleep; when they are rounding up at 3am, I go there to round up for them.

So they will say: "That's him"; we are not alone in the Prayers.

That's why those boys and girls who has been Volunteering, has been doing that now more than thirty (30) years now.

Because they know that the one that says "Go and Pray" is also Praying.

If there is any reason whatsoever that I won't be there because of one thing or the other, then I tell their boss in Advance - If you don't see me by 5 Minutes after 3am (3,05am), you know that I am not coming.

That happens maximum two (2) times in a Year.

So in the Presence of the Almighty God, waiting for Friday, He will Prepare the way so that when I stand by the Altar and I say: "Oh thus said the Lord"; its because the Battery has been Charged,

Many of you go to Preach without Prayers.

Many of you don't Fast for the Sunday Service.

You need to know who you are working for - He says if you draw near me, I will draw near you (DMC NOTES: James 4:8).

You are a Special People, Chosen by God and you are not suppose to be Ordinary.

Anyway: First Touch, Peter began to Preach - One Sermon brought in thousands into the Church.

2. And then they arrested him for healing the Lame Man and they called him out and charged them - By whose Authority are you doing this? Whose name are you using?

Finally, they released him.

As soon as they released him according to Acts 4: 23-31, they went to the other Brethrens where they were - They reported what happened, they Prayed together and then the Fire fell the Second Time.

The first time that I read that Passage, I said what is going on? I thought you said that they were all filled with the Holy Spirit in Acts Chapter 2?

And here again (Acts 4: 23-31), you said that they were filled with the Holy Spirit.

What is the difference between filled of of the first time in Acts Chapter 2 and filled the second time in Acts Chapter 4?

That is when the Lord explained to me that the Holy Spirit is just like an Air.

... And we are now talking about tyres:

When you are Pumping a tyre, it gets to a Stage where they say that it is enough.

So the amount of Air that gets to a car's tyre is not the same amount of Air that goes to a truck's tyre because the load that they are going to carry is different.

And then when you want to inflate the tyre of an Aeroplane, because I am sure that you have a rough idea of the load that an Aeroplane can carry - The weight of the Aeroplane multiplied by the Square of the Speed.

DMC NOTES: The above formula is related to Aerodynamic Lift and Dynamic Pressure.

So when you have an Aeroplane, say A320 (DMC NOTES: The Airbus A320 is the world's most successful and popular single-aisle commercial jet family, renowned for revolutionizing modern aviation. Introduced in the late 1980s by Airbus, it was the first commercial aircraft to pioneer digital fly-by-wire technology, replacing traditional mechanical flight controls with electronic

systems to improve safety and fuel efficiency), that without any oil in the tank, it weighs something enormous. And then you load it and then it becomes heavier).

And when it is about to land, it comes to the Terminal between 400 to 500 Km/Hr - And I am telling you, that is tremendous speed.

By the time the Plane touches the Terminal, the impact is horrible.

That is why when they are making the Tarmac, they make sure that the ground is several metres deep; otherwise one landing will cracked it.

The Plane comes down heavily and then began to go at horrible speed and the Pilot will apply full brakes and put the engine in reverse to help the brakes to stop this giant.

And you know what? The tyre will say "Is that all you can do"?

Why? Because of the Air.

If you will prepare yourself so that it will come to us as it is written: Greater is He that is in me than he that is in the world (DMC NOTES: 1 John 4:4); then you wil, have the Ability to handle heavier Assignments.

I. When Peter got the second dose of Fullness - the Fullness in Acts Chapter 2 different from the Fullness of Acts Chapter 4; he moved to a New Level of Ministry.

The next time he demonstrated Power, he killed two (2) People in one day (Husband and wife) for lying (DMC NOTES: The Story of Ananias and Sapphira is found in Acts Chapter 5).

The first time he healed, after the Second Touch, he killed).

Your Churches will not be full if rubbish is allowed into it after you get the Second Touch.

Sir, have you killed before? Me! No o.

But you have heard the Testimony of one Senator somewhere near here who said he hated me and the Redeemed Christian Church of God (RCCG) because we are just building Churches all over America. And said that there is Church built near his house and said that the Church will never be opened - He said over my dead body.

And we have already picked the date of Dedication.

And so my children Phoned me and say: Daddy, one big Man says that we will never open the Church. He said that the Church will never be opened, over his dead body.

What are we going to do now? Shall we go to Court because here they respected the Court?

I said that there is no need as he has already Pronounced his own Death Sentence

What are we going to do?

I said don't worry yourself, the date we have fixed is already fixed and by the Grace of God, we are dedicating the Church.

And then they are going to meet to get Permissions to get to block us. And he was going to the Meeting of the Neighbours that we must not allow this thing to happen.

He was about to dress - He put one leg in one of the trousers leg and then somehow the second leg he put it where the first leg is and the leg got stucked.

And he was trying to pull out the second leg and he fell and knock his head against something.

By the time he got to the Hospital, he was Pronounced dead,

I didn't kill him ooo!

And then, you now see what finally happened - He got to a Stage where his Shadows began to heal.

I am Praying for you that after this Convention, your Shadow will heal because you will get a Second Touch.

Let me close by referring you to 1 Corinthians 2:5.

I think that you should help me thank God that I obeyed Him - That is why at 84 years, I can still read without Glasses.

And I am Praying for all of you with any eye Problem, as you get the Second Touch, every Problem(s) with your eyes will vanish - Amen.

I have told you the Story:

Several years ago at the Holy Ghost Service, God said that there are some People in the crowd who has not been able to touch their toes for years - call them out as I want to heal them.

Oh Thank You Lord - And I called them out.

I thought that He was going to say: Lay hands on them or slap their back but He said "Dance round them".

Dance? What will I say that I am dancing about?

Am I rejoicing that their back is aching?

But I know who is speaking.

The Ability to hear God clearly, may the Almighty God give you - Amen.

So I told the Drummers to begin to beat the drum and I danced round them for 2 minutes.

Then I told them: Bend, touch your toes and they were all healed.

I am not saying that my Shadow can heal the Sick but I believed that your Shadow can do the same.

The Passage that I am to read to you says: Covet earnestly the best Gifts (1 Corinthians 2:5)..

The only Place in the Bible where God approved covetousness is when you are asking for Gifts of the Holy Spirit.

PERSONAL PRAYER REQUEST

So, if you will cry to Him and say: I want a Second Touch in my Ministry and by Your Grace, I will pay Price.

He will answer you.

I am believing God for at least for Canada - That from now on, before you Call, God will answer you.

So, I want you to Pray to God even if it is for 2 Minutes.

And say: God, I am your Servant - Son or Daughter, Please give me a Second Touch as I want to do wonders for you.

The Bible says that God Performed Special Miracles by the hands of Paul - Please help me Oh Lord and give me a Second Touch.

Please help me a Second Touch.

Thank You Father!

In Jesus Mighty Name we have Prayed - Amen.

CLOSING PRAYER

My Father and my God, I can't Thank You enough for giving this wonderful People - People that you have raised to lift up my hands.

Father, I cry to You today; give them a Second Touch.

All the Manifestations that must come in the Ministry of Someone who has received a Second Touch, give unto them.

In Jesus Mighty Name we have Prayed - Amen!

Praise the Lord - Hallelujah!!!

DATE: 11TH JUNE 2026

BIBLE TEXT: 1 KINGS 19: 4-8

SONG

We give You all the Glory
We give You Honour
We give You all the Glory
We give You Honour

OPENING PRAYER

Ancient of Days, the Almighty God, the One to whom belong all Powers - We Worship You.

We adore You, we lift You High - Please accept our Worship in Jesus Name.

Tonight, we want to Thank You for the Exceptional Privilege of dining with You.

Father, accept our Thanks in Jesus Name.

As we dine with You tonight, Father give us a Second Touch.

At the end of everything, let Your Name be Glorified

In Jesus Mighty Name we have Prayed - Amen.

Well, let Someone shout Hallelujah - Hallelujah!

Shake hands with one (1) or two (2) People and tell him/her: God will bless you Tonight.

And then you may Please be seated.

We give God the Glory for those of you who are here Tonight because by the Grace of God; by this Time of tomorrow; you will be able to dance more - Amen.

We will look at 1 Kings 19: 4-8:

4. But he himself went a day's journey into the wilderness, and came and sat down under a juniper tree: and he requested for himself that he might die; and said, It is enough; now, O LORD, take away my Life; for I am not better than my fathers.

5. And as he lay and slept under a juniper tree, behold, then an Angel touched him, and said unto him, Arise and eat.

6. And he looked, and, behold, there was a cake baken on the coals, and a cruse of water at his head. And he did eat and drink, and laid him down again.

7. And the Angel of the LORD came again the second time, and touched him, and said, Arise and eat; because the journey is too great for thee.

8. And he arose, and did eat and drink, and went in the strength of that meat forty days and forty nights unto Horeb the mount of God.

It is a Story here that I am sure that you know about this Great Man of God called Elijah - Extremely Powerful Man of God.

I. He called down Fire from Heaven after just 2 Minutes of Prayer.

II. Then he climbed the Mountain, went higher than before because he was already on a Mountain and then Prayed seven (7) times and Rain fell down after more than three (3) years.

III. Then he dealt with the Prophet of Baal.

III. After finishing with the Prophet of Baal, that was when he climbed the Mountain and Prayed Rain down.

IV. And then he outran the Chariot of the King.

According to some Bible Scholars, that was quite a Marathon Race.

V. Now when he got down to Jezreel, he was tired after all the Praying, the running et cetera et cetera; but then instead of an opportunity to rest, he got a Text Message from his No 1 Enemy who said to him that by this time of tomorrow, your head would have been separated from your neck.

So he discovered that his days of running seems to have just started - He ran for three (3) days and three (3) Nights.

VI. And then at a Stage, he was fed up and sat down under a tree and Prayed a very Strange Prayer.

He said to God: Enough is enough, kill me Yourself; don't let my CV (DMC NOTES: CV meaning Curriculum Vitae) be soiled by saying that it was a witch that killed him.

And then he slept.

VII. And then suddenly, an Angel touched him - Woke him up and told him to eat.

The Bread was very fresh - It was baked right there.

VIII. He ate the Bread and drank the water.

And because he was so tired, he fell asleep again.

IX. And then the Angel came a Second Time and touched him a Second Time and told him: Rise, eat again because there is still a long Journey for you.

Let me start this Evening by telling Someone here Tonight inclusive those reading now on the Label of DMC: All those who are expecting you to die, they shall be disappointed - Anen!

Why? Because God Himself is about to feed you.

He ate twice, and he was touched twice.

You are going to eat Tonight a Meal not Produced by an Angel but a Meal Produced by the One who said: "I am the Bread of Life".

You are going to drink tonight the wine Produced by the one who says that He is the Living Water.

And by the time this Night is over, all you need to reach your Mountain Top would have been Supplied to you - Amen.

1. Now, I don't have the time to go into all the details but it will be easy for us to understand that: The First Meal that he ate was for Restoration - He was tired.

But the One who is called "The Restorer" decided that He will restore certain things to him.

And I am believing God for myself as well as for you that by the time we eat the Bread tonight, our Restoration will come rapidly - Amen!

I. He got Restoration of Strength because he was tired.

And if you read Acts 9:19; you will notice that when God wants to renew your Strength, He will usually feed you.

But it wasn't just Restoration of Strength - Even though God will do that for you tonight. It was Restoration of several other things:

II. Restoration of Strength automatically leads to Restoration of Health.

After all Jesus Christ said that when you eat my Body, you will get Strength.

III. But he needed more than Restoration of Health and Strength - For a Great Man of God to say: Please kill me and for him to be fed instead of being killed.

He needed a Restoration of the Assurance from God that he has not laboured in vain.

IV. He needed Restoration of Peace.

By the time that we will leave here Tonight, in the Name that is above every other name; whatever is bothering your Mind, God would have taken care - Amen.

V. He needed a Restoration of Hope.

Because at that moment in his Life, he was Hopeless.

It is when you look at your right and left and you can't see Hope at all that you will begin to consider suicide.

And I don't know who I am talking to Tonight or among those reading this Message now on the Label of DMC: But if there is anyone of us who find himself/herself in a Hopeless situation; your Hope will be restored - Amen.

Afterall, Colossians 1:27 says: "Christ in you, the Hope of Glory".

VI. And he needed another kind of Restoration - A Restoration of "Absolute Faith" in God.

Because this Man has been fed before Supernaturally.

You know 1 Kings 17: 2-6, he has been fed by Ravens - They brought him food twice a day.

He believed in God and that is why when God told him to go and stay at Cherith and that birds will bring him food - He went and God fulfilled His Promises.

But I believe that God arranged this Particular Convention for Somebody:

- ☆ Somebody who has seen God at work.
- ☆ Someone who has seen God Promise and fulfilled the Promises.
- ☆ Someone who has Great Faith in God.

But certain things seems to have happened that is causing even you to say:

- ☆ Is God still there?
- ☆ Where is my God now?
- ☆ Am I already forsaken?
- ☆ Have I done something that I shouldn't have done?
- ☆ Where is God now!

So he needed that Meal to know that God may not be coming through birds all the time, He can come through Angels too.

There might be Somebody who is no longer too sure - All these Prophecies that I have received

from God all these years; all the Fasting; all the Praying and all the Statements from People I know to be true Men of God; where is the results?

I have Good News for you - God will answer you (Amen).

2. But then Probably the most important thing is the Second Meal

That Second Meal, which followed the Second Touch by the Angel is to show to the Man of God or Woman of God that your tomorrow will still be alright.

Because Elijah felt that if God can bring me not just one (1) Meal but two (2) Meals and if He can send an Angel, definitely this God has not forsaken me.

And if according to what this Angel said that I still have a Journey ahead, it means that there is a tomorrow for me.

After all the Bible says in Isaiah 3:10 - Say ye to the Righteous, it shall be well with him.

If you are the one that God is talking to, let me hear you shout Hallelujah - Hallelujah.

I. The Second Meal following the Second Touch is saying clearly to Elijah: "There is the opportunity for a New Beginning for me".

I don't know from what height you fall and I don't know how long you have waited for an answer and Heaven has been quiet. But as God lives, irrespective of what had happened to you in the Past; after this Convention, there will be a New Beginning - Amen!

Because in Judges 16: 18-22, when the Bible tells us that Samson made a very terrible mistake - He opened his Secret to his Greatest Enemy.

And the Enemy cut off his hair and "The Once Mighty Man" suddenly become a toy in the Hand of the Enemy.

The Bible put one Verse there - It says that the hair on the head of Samson began to grow again.

Do you know one thing about hair is that the moment it is cut, it began to grow again.

I believed that God has Somebody in Mind and God will want me to tell you that after this Convention, your hair will begin to grow again - Amen.

Elijah must have suddenly remembered Deuteronomy 33:27 - It says clearly that you cannot go lower, that you can't go so low that God can't pick you up from there.

It says: Underneath are the Everlasting Arms.

Somebody is going to Testify - Amen.

Somebody is going to say that I thought I have fallen too far, my case is so bad and I was even asking God to do the killing.

But I suddenly discovered that underneath are the Everlasting Arms.

Someone is going to leave this Convention remembering that even dry bones shall live again - Amen.

Someone is going to leave this Convention that no matter how low he/she may be; he/she can still climb Mountains again.

Because the Angel told him - Eat again, God has not finished with you yet.

Sometimes ago, I overstretched myself so badly that some Medical Specialist looked at me and said: Sir, you are not travelling anywhere for a long time to come.

And when I told them that I am sorry that I had to travel that I have Appointments not one, not two, not three, not four; they said that the only condition that we will allow you to go anywhere at all is that if you will agree that wherever you go, we will go with you so that if you should collapse at the Altar, we would be at least at hand to do whatever is necessary.

And I knew that they were correct.

But there is a God in Heaven that can pick you up no matter how low you may be and get you moving again.

As that God and my God lives, beginning from tonight; you will be climbing again - Amen!

And then he was told: Sir, eat again, the Journey is far.

And then he left (began to go) - The man who was tired some moments ago, was still able to Fast for forty (40) days and forty (40) nights; sustained by that Meal that he ate.

Now, when he now got to the Mountain Top - Horeb, the Mountain of God; he began to hear God again even though it was in Small Still Voice.

As you eat tonight, even if you have never heard from God before, you will begin to hear now - Amen!

And what was it that he heard when he got to the Mountain Top in that Small Still Voice?

God gave him a Clear Picture of what he must do to finish well.

You are going to eat with God tonight, as a result He will restore you and then from now on He will guide you as to what to do so that you will finish well.

I will tell you a small Story - I know that you want to hear more but the Sermon that will influence your Life cannot be long. It has to be a Sermon you can repeat without checking your Note.

When I became Born Again, I was a Lecturer at the University of Lagos and there is a Campus Fellowship run by the Students.

But then Somebody invited me as a New Convert and say: Sir, you will benefit by attending Fellowship so that you can grow.

I agreed and I went.

I liked the Songs they were Singing even though I didn't know the wordings and so I was making a Joyful Noise with them.

Then all of a sudden, everybody became quiet as if Somebody gave a Signal.

And then one Brother began to Prophesy - "Thus saith the Lord".

And I touched the man who took me there - Ha, when did God say that? And he said keep quiet, God is talking.

I said that I can't hear anything.

He said God wants you to hear through that Fellow,

How do you know that he is repeating what God is saying?

Anyway that Day, I Prayed: God, if you are the One talking through that fellow, I want you to talk to me too. I want to be hearing You.

And God knows that I was a Baby Christian and the Prayer was from the bottom of my Heart.

Within days, I began to hear from God.

But hearing from God became so intense in my Life that when I am going to Church on Sunday, as I will be driving towards Church; God will be telling me who is going to Preach, what Passages will he be quoting et cetera et cetera.

So before I got to Church, I already knew what will happen in Church.

Then something happened - Because I was the most Educated Person in the Church, I had risen very quickly to the level of the Interpreter or Translator of the General Superintendent.

And as soon as other Pastors knew that I was Interpreting for the Old Man, they left me alone - I became Special for Interpreting for the Old Man. All the other Pastors, they took other Interpreters.

Then one day, one of the Pastors came to me and say: Sir, you will be Interpreting for me today.

I didn't say anything to him but said it within myself: Who does he think he is? Asking me the Special Interpreter to the "Oga Patapata" (DMC NOTES: Meaning "The Topmost Head") to interpret for him?

I Interpreted for him because I had no Choice. But if he knew what was going on in my Mind, he would have asked me to go and sit down and get another Interpreter.

After the Service was over and I was going back to my car; God spoke to me - He said: Oh, so now you are "Too Big" to interpret for my Pastor?

I was just a Worker then.

And that was the last thing that I heard from God - He wasn't speaking anymore.

And Satan took great advantage.

Because when I was still hearing from God, I didn't fall into any traffic because God will tell

me: Hey, don't turn right there, turn left; go this way, go that way.

So, I was having a nice time.

But from that moment that God stopped speaking to me, I ran into every Go-Slow because somehow, Satan must have discovered that God is not speaking to him anymore.

Things got so bad that I Prayed a Prayer - Please God, forgive me this once. If I am going to offend you again tomorrow, kill me today.

Ha, once God heard that one, He started talking to me again. And He is still talking to me even now.

If there is anything Good that God has given you that you have lost; in the Name that is above every other name; before you wake up tomorrow He would have restored - Amen.

There was a time that I started Preparing for my Retirement and I had a great Plan for my Retirement.

I was Planning that I will travel throughout the world and the Gift that God has given me to take a Passage in the Bible and expand.

I thought that I will just sit down and begin from Genesis Chapter 1 and keep on enlarging it and writing it down.

So that by the time I die, wherever I have reached in the Bible will become a Legacy - Something that Preachers can consult when they wanted to Preach.

But then God said, you are not retiring yet.

Well, I was wise enough to know that if I disobeyed; He has stopped talking to me before, I don't want Him to stop talking to me again.

The Almighty God brought you here Tonight - This is not going to be an Ordinary Holy Communion Service:

☆ It is a Service of Restoration.

☆ It is a Service of New Climbing.

☆ It is a Service you are not going to forget.

So, if you are there and you want to be Part of the Partakers of the Meal of tonight; you have to come to Jesus Christ and come very quickly.

And I am counting now!

The Lord says that there are at least seven (7) of you still sitting down there saying what will my friend say?

He wants me to tell you that when the Time of your crisis come; your friends will not be able to help you.

So, I will, backtrack a little to give those of you that God is talking about to come now - So, I will go back to five (5).

Daddy says that there is still one more fellow still there - Come, as tonight is your Day.

I don't know why God is so Gracious - If you are the fellow, don't delay us and you have to run now,

Thank You Father. Glory be to Your Holy Name.

Now, those of you who are in front, go to God now in Prayer:

Ask Him to be Merciful unto You, ask Him to Please save your Souls and Promise Him that you will serve Him for the rest of your Life.

And ask Him to be not just your Saviour, but your Lord.

Go ahead and talk to God!

And the rest of us, let us Stretch our hands towards these People and intercede for them:

That God will save their Souls and He will include them in the Meal of Tonight - This Meal that will bring about a Dramatic Change in their lives.

OPENING PRAYER

Almighty God, the Ancient of Days, the Unchangeable Changer, the One who was, the One who

is and the One who is to come; the Lion of the Tribe of Judah; the Holy One of Israel - We Worship You.

We give You all Glory, we give You all Honour and we give You all Adoration.

We Thank You for the Mighty Things that You have done in our lives.

We Thank You for the Mighty Things that You are doing in Your Church.

We Thank You for Your Faithfulness, we Thank You for Your Mercy and we Thank You for Your Support.

Thank You because whatever You have done before, You can do it again

And we know that You are going to do even Greater Things.

Please accept our Thanks in Jesus Name.

Daddy Tonight:

Prove to these Your Children that You are a Faithful God.

Prove to them that You are a Generous God.

Prove to them that You can answer Prayers.

At the end of Tonight, let Your Name be Glorified again.

In Jesus Mighty Name we have Prayed - Amen.

Now, I want you to shake hands with one (1) or two (2) People and tell him/her and say: Neighbour, I love you but my Miracle(s) will come before yours.

Glory be to God - You can Please be seated.

If I am invited in other Ministry, because there is a difference between Guest Minister and Daddy.

And since I am very, very Particular about Excellence, until I see Excellence I can't keep quiet when talking about my children.

The first Night (Day 1), when I heard our Choir sing, hey I couldn't keep it to myself.

When I got home, I complained to those with me - I asked my Continental Music Director, Pastor Kunle Ajayi and I said: Sir, how do you see that Choir?

But then, look at them Tonight - They are better than before.

However as good as they have been Tonight, there is still something to say:

Their Refrain (Sing and Repeat) - I know that you will tell me that is the way it is originally sang and the way that they do it in America and so on.

But take Note:

☆ When you sing a Refrain for the first time, it is Good.

☆ When you sing the Refrain the Second time, it is better because some of us may not get it the first time.

☆ When you sing it the Third time, very Good!

☆ When you sing it the Fourth time, we are really, really happy because you have informed us of what you are saying.

☆ When you sing it for the Fifth time, we take it by Grace.

☆ From the moment you repeat the Refrain the sixth time and onwards; you are singing to Man.

And God is a Spirit - They that Worship Him must worship Him in Spirit and in Truth.

I hope that my "Beautiful Choir" heard me.

People must be able to say that these are the Children of Pastor Adeboye because like father

like Children.

But the Refrain that you sang Tonight in your second Song is like up to fourteen (14) times - You think that I wasn't counting? I am a Mathematician and whether you believe it or not, I compose Songs once a while.

So if the original Song has fourteen (14) Refrains, for you sing it for five (5) times and you stop.

Your friend is not your Coach.

Your friend is your friend because he likes you as you are.

Your Coach is never your friend - If he is a Good Coach, because the desire of the Coach is that you get better by the way.

And I am your Coach!

One of the Miracles of me staying in the Prayer Room when the Program is already on; one of the things that God wants me to tell Somebody is that your days of Pains are over.

And you hear a lot of the Testimonies Tonight - Pains disappearing.

May I repeat that: There is Someone here Tonight or among those People reading this Message now on the Label of DMC, the days of your Pains are over (Amen).

The Main Bible Text for this Convention is Mark 8: 22-25.

Mark 8:22-25:

22. And he cometh to Bethsaida; and they bring a blind man unto him, and besought him to touch him.

23. And he took the blind man by the hand, and led him out of the town; and when he had spit on his eyes, and put his hands upon him, he asked him if he saw ought.

24. And he looked up, and said, I see men as trees, walking.

25. After that he put his hands again upon his eyes, and made him look up: and he was restored,

and saw every man clearly.

My son that spoke before me added some beautiful things - Talking about the genes of Jesus Christ et cetera et cetera.

I didn't see that before - That is addition to my knowledge.

They brought the man to Jesus Christ!

People who brought you to Jesus Christ, have brought you to the Last Bus Stop - They have done their bits.

They brought you to Someone who cannot fail.

Once they have done that, the rest is up to Jesus Christ and to you.

Some People brought you here - It is now left to Jesus Christ and you, whether you are going home with a Second Touch or you are just going back home like you came.

There was a man who was completely Paralysed and it took his friends to carry him to the Redemption Camp in Nigeria.

By the time they arrived, of course the Place was jammed and Miracles were already happening. So his friends dropped him - They said that you are already here and so here you are. When we finished, we will come and pick you up here - And so they left him.

And he cried to God and say: Oh God, they have left me here o, but I know that you can see me.

As soon as he has said that, the Holy Spirit picked up what he said and passed it on to me.

And I heard God saying: There is Someone here saying, God you see me here o.

God says tell that fellow: Yes, I have seen you.

When he heard, he knew that he was the one God was talking to. And all of a sudden as soon as he heard it, Power began to flow.

To cut a long Story short, he got up for the first time in his Life.

When the Program was over, his friends went to where they left him - They were looking at the Ground.

So he came from behind and tap them on their Shoulder and said: Are you looking for me?

May I decree to Somebody inclusive those reading now on the Label of DMC: By the time you are leaving here Tonight; you won't even believe yourself - Amen!

In Mark 2: 1-12, there was another man like that in the Bible - It took four (4) of his friends to take him to where Jesus was.

But when they couldn't get in because of the crowd, they carried him to the roof, broke the roof (The Bible didn't tell us who repaired the roof) and they dropped the man at the feet of Jesus.

As soon as they have done that, they moved back and Jesus took over from there

... They carried him in but he walked out.

May I decree that whatever Problem followed you here Tonight, will not go back home with you - Amen!

And then Jesus did something very interesting - He grabbed the man by the hand because the man was blind and drew him out of the town.

My son who took the Talk before me gave his own Interpretation why Jesus led him out.

He reminded us that Jesus Christ was Crucified outside the City and Jesus Christ knew that one day, the Cross will be outside - And that's why He took him there.

That's a Good Interpretation.

But with apologies to my son, that is not exactly why he took him out.

He took him out because certain Miracles must happen Privately.

You don't believe me? Well if you check 2 Kings 4: 1-7, when the wife of one of the Sons of

Prophet was about to be declared Bankrupt and she came to Elisha. Elisha told her after asking her what she has in the house. She said Nothing but just a little bottle of Oil.

Elisha said: "Go and borrow a lot of empty vessels" - Borrow not a few. And then when you have done that, shut the door against yourself and your children.

☆ There are certain Testimonies that you don't give until it is complete.

☆ There are certain Miracles Nobody must know that God is giving it to you until the Problem that you have is completely Settled.

☆ There are certain things that you don't tell the devil about until God has finished the job,

When Elijah said on Mount Carmel in 1 Kings Chapter 18 - When he was challenging the Prophet of Baal and he said: You People, give us two (2) Bullocks; give them one and give me one. Give each of us woods as well but Nobody must put fire.

Let them call on their gods and I will call on my God - The God that answers by Fire, let Him be God.

The Prophet of Baal because their god is supposed to be god of fire; they accepted the Challenge - Saying good, you are in trouble today. By the time we call on our god for a few minute; fire will fall.

And they cried and cried, fire didn't fall.

Then they said no Problem, your God can answer by fire so that at the end of the day it will be a Drawn Game.

They did not know that God is already Preparing the fire that will fall.

So when Elijah got there and Prayed for 2 Minutes and fire fell, they were so surprised that they couldn't even run away.

But when after Elijah had finished with the Prophet of Baal and so on, he announced that I have heard this Sound of this Abundance of Rain.

The devil said Good, Rain I will show that I am the god of the Sky - No Rain will fall and then it

will be a Drawn Game.

That is why he has to Pray seven (7) times before the Rain fell.

Which should be easier: Rain falling or Fire falling.

But he announced Victory before it was Complete.

Do I Pray for Somebody today that before the end of this Month; your Miracles will be delivered
- Amen!

So the Widow had to shut the door on everybody when Pouring the oil on that little bottle.

So the People didn't know what is happening?

They have been wondering: Why is this fellow borrowing empty Vessels?

And they didn't even know what has happened.

They just discovered that this women went to the Man of God in the Morning and then in the Afternoon, she is back.

And after receiving the Second Touch and after going back to Testify; she came back with sold oil money, Paid all the debts and had more than enough money to live on for the rest of her Life.

I heard the Testimony of Someone who said if he should push all his debts into one River, the River won't flow anymore.

May I decree: By the Power of the One who is Greater than all the forces in the world; by the end of this Month, your debt will be gone - Amen.

That is why you find David, whenever he wants to talk about something very serious, he will use the word "I":

☆ The Lord is my Shepherd.

☆ Surely Goodness and Mercy shall follow me all the days of my Life.

☆ And I will dwell in the House of the Lord forever.

There are certain Miracles that are for you alone - And you don't tell anybody about it until the Evidence is there.

I still remembered we have a Program in Lagos:

There was one Man there born with only one Testicle and they took him to the Herbalist to help.

The Herbalist in an attempt to help him destroyed the only one there.

And yet he still went ahead and got married.

And then as the Program was going on, God said that there is Somebody here; he has lost the only Testicle that he has. Daddy ask me to tell me: Alright, I give you a Creative Miracles and he received it.

A couple of Months later, he came to the office with his wife who has been barren because Oga has nothing to operate with.

He came with the wife with the belly shooting out.

Daddy, I was the One God Promised Brand New Parts (Manhood), can I show you?

I said there is no need - The evidence is here.

In the Name of the One who sent me to Canada, the Evidence that God has given you a Second Touch will be there before the end of the Month - Amen.

... This is why Jesus took him out of the Town.

And then one of the Speakers was explaining why Jesus spat in the eyes of the fellow?

Again he gave some very brilliant Interpretation - But allow me to add my own little bit:

Anyone who wants to receive a Major Miracle from God, must be Someone who is totally Submissive to God.

You know the Story of Naaman in 2 Kings Chapter 5 - When God wanted to wash him clean.

When Naaman came to Elisha and Elisha said: Go and wash in River Jordan seven (7) times and you will be clean.

Naaman was very angry: What is going on here? Look at this Stupid Prophet, I thought that he will come out, Pray for me and touch all the Places where I have Leprosy. Don't we have a better River in this Town?

But because God has made up His Mind that He will be Merciful unto him, he listened to one of the Servant that says: Sir, if the Man of God has asked you to do something big, won't you have done it? All he asked you to do is to go and wash.

When God wants to do something Extraordinary Big, He wants to find out if you want to do it in your own way or my own way.

I mean, I can't understand how a Leper will be trying to dictate to God how He will heal him?

The Lord want to find out: Will this man allow me to do this job my own way?

So when He spat on his eyes - He couldn't see but he could feel.

That man could have said: What is going on here? I can't see but I can see.

You spat on my face? Keep your Miracle.

And there are many of us - God wants to solve your Problems going right, but you think that you should solve your Problem going left.

The Lord wanted to find out: Will this fellow Surrender completely to me?

So those of you who are here Tonight:

☆ Somebody has brought you to Jesus Christ - The Last Bus Stop.

☆ God in His Infinite Mercies somehow allowed you to hear about this Program and to put aside everything that you could be doing and to come for this Program.

God is going to ask you for one more thing later on:

☆ Will you Surrender to Him and not Pretending to be a Christian?

☆ Will you allow Him to control your Life from now on?

I remembered very well when I came to The Redeemed Christian Church of God (RCCG).

As I have told you before, I had a Problem that my Mathematics cannot solve and Somebody told me that Miracles are happening at The Redeemed Christian Church of God (RCCG) - That's why I came.

And I was expecting that they will tell me how much I will pay so that they will Pray the Prayer that God will answer.

When I came, they are always saying: Surrender your Life to Jesus, and forsake your sins.

And I was thinking: What is wrong with these People? They are illiterates, what did they mean by sin? I mean ordinary mistakes?

I mean: What do they mean? Don't they know that I am Ordinary Human Being?

... I have a Problem but I am arguing with them!

Until one day, God in His Infinite Mercies say: Oga, with your PhD, look, at the faces of these People that you are calling illiterates?

What do you see?

And I saw Peace.

Do you have what they have?

Are they asking you to Surrender to the General Overseer?

They are simply asking you to Surrender to your God and you are arguing.

That was when I stopped arguing and that was when I Surrender to Jesus.

And God solved my Problem.

So, at the end of my little talk, I am going to ask those of you who has not yet Surrendered your Life to Jesus Christ; to totally do so.

Because if you don't do so, forget about the Second Touch!

Even before He touched his eyes for the first time, He has to spit on the eyes first.

It is Possible that God has other reasons as my son spoke about eloquently.

But He is asking him: Will you do whatever I tell you from now on?

The answer must be Yes, otherwise don't bother yourself about a Second Touch.

Now that is the Story on its own - Although you can see several other things from the Story:

When the Lord touched his eyes and said what can you see? And he said I can see man walking as trees.

It tells us that this man was not born blind - He has seen trees before, he has seen men before and he knows that men don't walk as trees.

Why didn't the Lord finished the job with one Touch?

Let's leave that out of today but I am sure that you have heard me Preach on that one before,

Now, man is a Trinity - Three-In-One (3 in 1) according to 1 Thessalonians 5:23 - It tells us that we are made up of Spirit, Soul and Body

Let me talk for some Minutes on:

1. The implications of a Second Touch Physically according to how your body is involved.

When you look, at John 5: 2-9; it tells us the Story of a Pool where some incurable People will go waiting for the coming of an Angel to trouble the water and then the first fellow to jump in will

be healed and the rest will have to wait for another year. And then Jesus went there, he saw a man who had been there for a very long time.

And then Jesus asked him: Will you be made whole? - You know the Story.

The man said: Sorry, I have no man to help me. When the Angel comes, before I can crawl to the Pool, Somebody has gone in before me.

So Jesus said, alright; let us forget the Story - Just get up and carry your bed and go.

... That is the First Touch and he was healed because he obeyed the Instruction.

But then, if you now continue the Story all the way to Verse 14 (John 5:14), this man had a Second Touch because the moment he got up, he went straight to the House of God.

You are going to get the First Touch tonight if you haven't gotten it before but do what this man did - He went to the House of God.

Because there are some People who will come to a Meeting like this, receive their Healings and you never see them in Church again.

It was while he was in the Church that Jesus met him again and said: Oga, I didn't even tell you that you have been made whole; go and sin no more so that something worst won't happen to you again

First Touch gave him Healing, the Second Touch, He told him what to do so that he will never be sick again.

This Convention is a very, very dangerous one because God is going to give you a Second Touch tonight.

And after that, you better run away from sin.

Because when Jesus Christ said when you sin again, something worst will happen - What can be worst than thirty eight (38) years of Sickness?

Years ago, they brought a Man to Ebute Metta (The RCCG National Headquarters Parish) - If you see him when he was coming, you won't believe that anything like that could happen. His hands

were Straight like a piece of iron and the Joints of the legs just can't Perform

And then we say to him: Will you Surrender your Life to Jesus Christ? Before we finished saying so, he said that I Surrender.

And we Prayed a Simple Prayer. And the one who couldn't bent, knelt down, get up, dance and rejoice.

And he kept on coming to Church - Dancing, lifting his hands, shouting Hallelujah and so on.

But after some time, we didn't see him in Church again and so we did Follow Up: Sir, what happened? We didn't see you in Church anymore?

He said so what? He said that if you are sick and you go to the Hospital and you are made whole; will you stay put in the Hospital? We said no.

He said that are you the one who healed me? We said no.

He said that Jesus is everywhere - Very good Logic.

He lives near the University of Lagos and I was Lecturing then at the University of Lagos.

He ceased coming to Church - We Pleaded but he said no.

But then one day I was coming home from the University and I saw the same man - The hands were back Straight as rods, the legs were Straight as rods and the mouth can no longer close

I looked at him - This is the man.

Because if you forsake the Healer, He is likely to withdraw the Healing.

And one of my children was giving the example of the woman with the Issue of Blood here (DMC NOTE: Mark 5: 25-34).

She got the First Touch that gave her Healings when she touched the hem of His Garment.

But it was when she Testified that the Lord now say, alright you are whole.

Your Churches should be full of Testimonies for Months to come because my God is going to do Marvellous Things.

I think that I heard one Testimony tonight - Someone that ask God for something; God did it and she kept quiet - No Testimony.

The Almighty God told us that one of the things that can really irritate God is the failure to Testify.

You know He told us the Story of how He Cleansed ten (10) Lepers and only one (1) came back and he was the only one that was made whole as the others only got Healing.

Do you know that it is Possible to be Healthy for the rest of your Life?

And People say to me: If I am Healthy for the rest of my Life, that means that I won't fall sick and so how am I going to die?

You don't have to be sick to die.

After God has touched Somebody listening to me Tonight or reading now on the Label of DMC and after He has made you whole, you will never be sick again - Amen.

When it is time for you to go, you will just walk away - Amen

And that's the way I want to go if the Lord delays Rapture.

I have told you that it is most likely that I will die on Sunday - Come to Church, dance, Celebrate so that everyone will hear when they heard the man who is gone, that he was saying bye bye.

... Go to Church, dance, rejoice, go home, eat Pounded Yam and go - If the Almighty God delays His Coming.

Thank You Father!

Daddy ask me to tell Somebody here Tonight or among those reading this Message now on the Label of DMC:

He said that that inspite of all what the Experts has said; your Womb will receive two (2) Visitors

of Joy - Amen.

And by this shall you know that He leaves Heaven for your your womb - He said that the two (2) children will be identical twins!

You know that there is this boy called Solomon - Many of you don't know the Secret of that boy who offered a thousand Burnt Offerings.

And I have always wondered why Solomon could offered a thousand Burnt Offerings because Nobody has ever done it like that before.

As a matter of fact before him, the maximum number of Offerings that anybody gave was seven (7).

So how did he come about a thousand Burnt Offerings Particularly as he was a dull boy.

He was so dull that he knew he was dull.

That was why when God asked him: What do you want? He said Wisdom.

So, I was wondering where did he even get the kind of money to buy a thousand cows?

So I decided that I will trace his History and I found out that he got a First Touch on the day that they were naming him because the Bible says that God loved him.

... So God attended his Naming Ceremony.

You said: Where is that in the Bible? Well read the whole Chapter of 2 Samuel 12.

It is because this boy has already obtained the First Touch that he decided that I better say Thank You to God who has Prospered me.

That's why in 2 Chronicles 1: 6-15, he gave God a thousand Burnt Offerings.

You know that when God wants to really give you a Second Touch, He will cause you to do something that will bring about a Second Touch - He will orchestrate it.

That is why in 2 Timothy 1: 6-15, He said I will say Thank You to God.

And then God visited him - He gave him a Second Touch that Night after the Sacrifice.

And then when he didn't ask for money - Because the Law of Harvest was there, He could have easily ask for hundred times a thousand.

When He asked for Wisdom and Understanding, the Almighty God decided: Alright, let us give him a Second Touch.

And God now said, what you didn't even ask for, I will give it to you.

May I decree to Somebody here Tonight or reading this Message now on the Label of DMC: That kind of Blessings that will frightened you, receive it Tonight - Amen!

It is most likely that you will get a Little Test - He may ask you to do something for Him that He knows that you can do but will be a bit heavy.

By the time Solomon was going to give another Offerings, God has now blessed him so much that he offered 22, 000 cows and 120,000 Sheep (2 Chronicles 7:5).

So, if you are talking of what Second Touch can do; if it is money that we are talking about, God can give you a Blessing that will frightened you!

I have experienced God and that's why People don't understand why God is good to me.

And I will tell you my children because God can give you exams so as to give you a Second Touch.

Let me tell you just one Story:

When we were Preparing for Lekki 1998 - That was when we first of all held a Gathering of a very large crowd.

So as usual, I went somewhere where Nobody will disturb me to go and Pray - Almighty God, People are coming from all over the world by the thousands, Please help me.

Suddenly He spoke - My son, I have heard your Prayers, but I want something from you. I want your two (2) cars (Lincoln Town car and Lexus Jeep)

In those days, when I am going out in either of the cars, People look at me - It is evident that God is already taking care of this boy.

And suddenly, God said to me: Son, I want your two (2) cars. I said get thee behind me Satan.

God said that it is me and not Satan.

I said: Lord, it is written in Your Words that if I have two (2) coats, I am to give one to who didn't have (DMC NOTES: Luke 3:11).

So which of the two (2) cars did you want? He said both.

And since it became clear to me that He is the One speaking, you don't argue with the One who is your Lord.

And I hope that you will take Note of that.

And so, I gave the two (2) cars out.

And I am telling you that the day they came to collect the Lexus Jeep, my Driver wept because we used it to go everywhere and it never gave me trouble.

But then for about six (6) Months, I was going about with Toyota Corolla.

And then He opened the Windows of Heavens and cars started flowing in.

But it got to a Stage that there was no where to Park cars behind my house.

And so I went on the Altar on one Monday morning - Please thank you my children, I don't want cars anymore.

That kind of Blessing that you will say to God: "This is enough"; may God release such to you - Amen.

I left the Altar, went to my house and when I got there, there were two (2) boys waiting - One brought Mercedes Benz X-Class and the other one brought BMW Series 7 or 8

I told them that didn't you hear that I announced that I don't want more cars?

They said: Sir, we have already bought this before you made the Announcement.

I Pray for you one more time - Because you are going to receive a Second Touch tonight, that kind of Blessing that you will say God, this is too much, receive it now in Jesus Name - Amen!

Thank You Father!

The Lord said that here Tonight or among those reading this Message now on the Label of DMC:

He said that you have a "Track Record" of Failures.

He ask me to tell you today that He will break that Record by giving you a Major Breakthrough - Amen.

2. But then, when you put that of the Physical aside, let us look at the Soul.

When we talk about Soul, the Soul is that Part of the Body that controls your Emotions.

Very simple illustration is something that has to do with Joy, Peace and so on and so forth.

It is Possible to be rich and be sad.

The First Touch can give you money so big that you are no longer bothered by money.

I have told you of a friend that when we travel together to America and I will be looking for a Place that they are doing Sales.

We will go to a Store with all manners of things on Sales and other things not on Sales and I will be looking for things on Sales but this my friend, he never check Prices - Anything he likes, he will just pick and throw it in the basket.

So I say: Sir, you are not checking the Prices.

He said: There is no need.

I was watching a bit of the News and they were talking about a man who is building Rockets and

they say that he is a Trillionaire.

And because of People like me that will not grab what they are saying, they started talking about what he could do with a little bit of that money.

And they say that he could buy the whole of Houston in America off.

... That is real money Brother!

DMC NOTES: The man under reference is Elon Reeve Musk - Elon Reeve Musk, born June 28, 1971 is a businessman and former public official known for his Leadership of Tesla and SpaceX. Musk has been the wealthiest Person in the world since 2025, and became the first and only Trillionaire in terms of US dollars in 2026; as of June 2026, Forbes estimates his net worth to be US\$1.1 trillion.

But does it means that he is happy?

The Bible says: It is the Blessings of the Lord that maketh rich and added no Sorrow (Proverbs 10:22).

You may be rich and sad

2 Kings 4: 8-37, it tells us the Story of a Great Woman of Shunen.

If God calls a fellow as Great, then that fellow is Great.

Who said to Elisha every time that he is Passing by - She will say: Man of God, come and eat in my house. And Practically compelled Elisha to come and eat her food,

I have told you before that the Man of God who was very reluctant the first time, when he tasted the food in the house of this Great Woman, began to come everyday.

And the woman went ahead to build an Apartment so that he can spend the Day and Night there and not just eat once.

When the Man of God asked her: What can I do for you?

What did she say? I don't need anything - Whereas, she was barren.

I think that she must have waited for a Child for so long that she just made up her Mind: Hey, if baby is not coming no Problem; I don't need anything.

But then, she has a First Touch because the Man of God Prophesied just as God has spoken to Somebody Tonight, saying: Nine (9) Months from now, there will be shout of Joy in the house - Amen

And the baby came according to the Word of God.

And she knew Joy - Hey, I didn't know that having a baby can bring about so much Joy.

But then all of a sudden, the child died and her Joy vanished.

Somehow she knew that I must have a Second Touch - So she ran to the Man of God: You are the one who made the original Prophecy because I told you that I don't need anything. I have decoded that I can make do without a Child but you came and Prophecy o and now I have known Joy since this boy came. What are you going to do about it now?

The Bible says that she grabbed the feet of the Man of God and said that I am not going anywhere - I have tasted Joy, I don't want Sorrow anymore.

I Pray for you: In the Name that is above every other names, from Tonight onwards, no more Sorrow for you - Amen.

And so she had a Second Touch and the Child came back to Life.

From that day onwards, no more Sorrow.

3. But because of time,, where does a Second Touch fits in when talking of Spirit?

When you read Mark 5: 2-15, it tells us the Story of a Mad Man who was so mad that Mad Men run from him because where he was living, Nobody goes there.

They have tried to bind him several times and he will just Pluck the fetters away.

And when the other Mad People will see him cutting himself with stones, they have enough sense to know that if this Man can cut himself with stones, then there is no one else he can't

cut.

You know that Mad People don't want to die - It will surprise you.

You have never seen a Mad Man who got burnt to death - You won't find one

That is why I say that you have to be Madder than the Mad not to fear God because one of the names of God is Consuming Fire.

So when you hear Someone telling you that you can do whatever you like with God, they are telling you that your craziness must be a Special one.

This man had a First Touch when all of a sudden he saw Jesus coming - Even demons know that you don't mess around with Jesus.

Just one Statement and all the demons left and the man became completely whole in his right senses, wearing Clothes for the first time after a long time.

The Bible says that when the People around saw what happened, they were afraid.

You know that there are Blessings that can frighten you.

And I am telling you the truth: In the Name above all names, a blessing will come your way that will frighten you - Amen

... That was the First Touch he had - He became normal.

But then he has a Second in the same Mark 5: 18-20 - The Bible says that when Jesus was about to leave Town, the man came to Him and say: Sir, don't leave me alone, I will follow you wherever you go.

And Jesus said: No, go and fulfill your Destiny - Go and tell your People what God has done for you.

The Bible tells us that this man went about Preaching the Gospel - Just Testifying and telling them: You know me now and they say yes.

I am telling you that there is Somebody who can take you from the very depth of Hell and make

you completely normal.

And they all said that next time He comes around, Please let us know as we will like to be His Disciple.

You see, that man was created to be a Disciple of Jesus Christ and an Evangelist but Satan knew this and tried to truncate his Destiny.

So in the second time that he came in contact with Jesus Christ, he regained his Destiny.

There are many of us - Some which might even be doing well Materially. And one of the reasons why you are not happy is because you are not doing what God wants you to do

And unless you are doing exactly what He wants you to do, you are wasting your Destiny.

I Pray for Somebody today or reading this Message now on the Label of DMC: That which God created you to be and to do; you shall become it today - Amen.

I want to say Amen to this one before I tell you - Amen!

The Lord ask me to tell Somebody here Tonight or among those reading this Message now on the Label of DMC:

He said that very soon, People will call you "Sea never Dry" - Amen!

I want to close but Daddy ask me to tell you a Story because it happened here in Canada.

And God wants me to tell you because it is meant for Somebody in Particular.

My first visit to Canada was in 1975 - That was a very long time ago.

I didn't come to Plant a Church but I came as a Representative of my Country to attend a World Conference of Applied Mathematicians.

Two (2) Delegates from each Nation - And one way or the other, this "Little Boy" was chosen to represent Nigeria.

When I came, I came during the Cold Season in the Month of May and I have never been out of

the Tropics before.

And then we were housed in a University and the names of everybody and the rooms where they were housed were Printed and Pasted on the Notice Board.

And one of the Student in that University happened to come from Nigeria and he was going through the List - Went to Nigeria and saw "Adeboye".

Ha, this is a Nigerian name and this one is even from my Tribe.

And so he came to my room and knocked:

Are you Adeboye? I said yes sir and who are you?

To cut a long Story short, he just decided that he will take care of me throughout my stay.

That is when I discovered that there is something that you can miss together and it will look like Pounded Yam.

I mean this Man went to the Market, bought okra, made a very good okra soup and Prepared for me Canadian Pounded Yam.

But that is not where I am going.

It was time to go back home and he said that I will take you to the Train Station. When you get to the Train Station in Toronto, you will get a Taxi that will take you to the Airport.

He said that, that will be the easiest way to go back.

And then we were to leave at a Particular time but his Lecturer gave him an Assignment so that by the time he finished and we got to the Train Station; the Train had left.

What am I going to do?

So he said: Don't worry, I will drive you to the Airport.

So, he drove and we arrived to very close to the Departure Time of the Aeroplane.

If I had come by Train and to get a Taxi to get me to the Airport et cetera et cetera; only God knows what could have happened.

Anyway, he drove me straight to the Airport and I was the last fellow to Board the Plane.

If I had come by Train, I would have missed the Plane.

At that time, I was already Born Again and so as I was entering the Plane; I heard God say to me: "Son, you missed the Train so that you will not miss the Plane".

God ask me to tell Someone here Tonight or among those reading this Message now on the Label of DMC; who has lost one big opportunity:

Daddy says: "You miss the Train so that you will not miss the Plane - Amen!"

The Conclusion is Psalm 18:32.

Because one of my children who spoke before me told us that: "The Purpose of a Second Touch is for Perfection".

When Jesus touched the eyes of the blind man that we read in our Bible Text, he could see - He could see men as trees.

All he has to do is to manage now - At least he could see something.

But God gave him a Second Touch so that his recovery could be Perfect.

ALTAR CALL

Tonight, if you will give your Life to Jesus, He will save your Soul, He will heal you, He can make the Healing wholeness, and He will Prosper you so that next time you want to Testify, your Testimony will beat that of the man whose debt can cause the River not to flow.

God can make sure that all your Problems will be gone but you need that your Life will be Perfect.

Perfectly whole Physically - Not just rich, not even just Wealthy but to be Flourishing.

He can make sure that you never know Sorrow again.

God can see to it that the only time that you weep after Tonight or after reading now on the Label of DMC is when you are so overwhelmed with Joy.

And of course, God can give you so much Power like that of Peter that even your Shadow will be healing the Sick.

He can give you a Second Touch that even after you have been buried, your bones can still raise the dead.

He can make your Life Perfect:

☆ If you will Surrender to Him Completely.

☆ If you will no longer argue with Him.

☆ If you will no longer teach Him how He should do whatever He wants to do.

☆ If you will not begin to twist the Word of God to satisfy your own Weaknesses.

☆ If you will no longer begin to say that what the Bible says in English is not exactly what it says in Greeks or Hebrews.

☆ If you will make up your Mind to be Holy for He is Holy.

He can give you a Second Touch and make your Life Perfect.

And you know what?

I am convinced beyond all doubts that it is for the sake of one fellow that God arranged for this Convention.

This is why He took that man out of the crowd because He wants to give him a Personal Everlasting Perfect Miracle.

So, if you are here Tonight or reading this Message now on the Label of DMC:

☆ If you will Surrender your Life to Him Completely and not Pretending.

☆ If you will say that from now on, no more White Lies and no Business Lies because lie is lie.

☆ If you will make up your Mind that I will not be afraid any more.

☆ If you will make up your Mind that it doesn't matter what anybody may say; I want to be different and I want to be separate. Let them call me any name they want, I want to do the Will of God one hundred Percent.

If that is your decision, then you can be sure of a Second Touch tonight.

Those of you still thinking that I can do my own thing my own way but you want to Surrender to God - You want Him to save your Soul, you want Him to Sanctify you, and you want Him to empower you to do His Will now and forever.

I think that you better come to the front of the Altar and come and cry unto Him.

And I will join you in Prayer.

I am going to count from one (1) to ten (10).

Now begin to come as I begin to count.

Now, those of us in front, let us cry to God:

Tell Him: I have come to Surrender my Life to You, I want You to take over my Life Completely.

I want you to not just be my Saviour but be my Lord and I will do Your Will for the rest of my Life.

Go ahead and talk to God.

And the rest of us, Please Stretch your hands towards these People in front and intercede for

them:

That they will be Genuinely saved.

That God will wash then Clean with His Blood.

That they will have the Almighty God now as their Saviour and as their Lord.

That they will allow God to do whatever God wants to do with the rest of their lives.

Please Pray for them.

Thank You Father.

In Jesus Mighty Name we have Prayed - Amen.
