SONG

We give You all the Glory

We give You Honour

We give You all the Glory

We give You Honour

OPENING PRAYER

Alpha and Omega, the Beginning and the Ending, the All Sufficient God, the Light of the world -
Glory be to Your Holy Name.

We Thank You for all You have done for us since the beginning of the Year.

And we Thank You especially for what You have done for Your Church in Detroit,

We Thank You for what You will do today

Father, accept our Thanks in Jesus Name

Since it has Pleased You to remember Detroit today; remember Your Children.

Let Your Light Shine there and let Your Name be Glorified!

In Jesus Mighty Name we have Prayed - Amen!

Well, let Somebody shout Hallelujah - Hallelujah!

Shake hands with one (1) or two (2) People and tell him/her: God will surprise you today.

And then you may Please be seated.

Detroit is a very Special City!

Many of you may not know this but the Redeemed Christian Church of God (RCCG) in America started in Detroit.

When we were to start the Church, I kept on telling my Children - People that has been trained by me and they come over to America.

As they cross over, I always will tell them: As soon as you get to America, start a Parish.

Don't worry yourself about how few - One thing that I know about the Redeemed Christian Church of God (RCCG) is that we start small but we never remained small.

They will say: Oh yes daddy, as soon as we get there, we will do that.

And they will get there and the next thing that I know is that they are Workers in another Denomination.

So I told the first one, they said that we have not forgotten and we will do what you say; the second one and then the third one

Then one day, I made up my Mind that after all Pastor Fadel is my Blood - There is only one house between my father's house and his father's house.

So I decided that I am going to force this one - This one is not an advise.

So I came to Detroit: Sir, we are starting the Redeemed Christian Church of God (RCCG) in your house today and if you don't cooperate, I will, beat you up - I am telling you the truth.

I said that I know that when I do that here in America, you can report me to the Police and they can do to me whatever they want but then don't ever come to Nigeria again.

So you can do whatever you like with me here in America but when we get back home, then I will deal with you.

He said that I want to do it but

I said what is the Problem? You are one, there is a girl you told me that you are Planning to marry, you have at least a friend and that friend has a girl that he is Planning to marry and I am here - The five (5) of us is starting today.

... That's how we started.

Where are we going to use? Your Basement.

And so we Printed the name "The Redeemed Christian Church of God" using a Computer, put it at the back of the wall.

And then I decree: From now on, this is the Redeemed Christian Church of God (RCCG) in America.

So you say, then if that is the case, then the Headquarters of The RCCG in America should be here in Detroit?

That's the way it should be but something happened before then.

I was in Dallas, travelling to Tulsa Oklahoma and we stopped at the Dallas Airport to Change Plane.

My boys in Dallas was driving me to the Airport and God spoke to me.

I Pray for everyone of you: From now on, you will be hearing from God - Amen.

And God said something that is very interesting - He said: This Town (Dallas) will be the Headquarters of my Church in America!

He was talking of the Headquarters of His Church when the Church was even not yet born?

Otherwise Detroit would have been the Headquarters - But the Owner of the Church had decreed before the Church was born.

May I decree to you: Even though you may considered yourself small now, you will end up Great - Amen!

That's enough of History because they are waiting for me in Chicago.

2 Kings 2:19-22 - It says:

19. And the men of the city said unto Elisha, Behold, I pray thee, the situation of this city is pleasant, as my lord seeth: but the water is naught, and the ground barren.

20. And he said, Bring me a new cruse, and put salt therein. And they brought it to him.

21. And he went forth unto the spring of the waters, and cast the salt in there, and said, Thus saith the LORD, I have healed these waters; there shall not be from thence any more death or barren land.

22. So the waters were healed unto this day, according to the saying of Elisha which he spake.

I will like to decree to Detroit: You will no longer be called Barren - Amen!

You know those of you who lived here that Detroit was once upon a time one of the most Prosperous City in America.

And then something happened and things became very bad.

There was a time that I came down here to this Town and they told me that you could get a house to buy for one hundred dollars (\$100) - Those of you who live here can remember then.

But I Pray that whatever is it that went wrong; Father, Your Church started here, do something - Amen!

Yesterday when I came, I was asking the The RCCG Americas 1 Continental Overseer (DMC NOTE: Pastor James Fadel): How is Detroit now?

Oh, Thank God that things are better - People are now getting back on their feet, you can't buy a house now for a hundred dollars (\$100) again. I said Praise the Lord.

But I have Good News for Detroit because it is God who says that I should go back and pay you a visit: After today, in the Mighty Name of Jesus, your Life will Change for the better - Amen!

1. The men of Jericho came to Elisha: Sir, the City is looking beautiful but things are not the way they should be.

And you know the Story very well - Before Elisha came back to Jericho, he had crossed over River Jordan with his father, Elijah to come back to Jericho.

The People of Jericho were there watching when they were on the other side of River Jordan.

And all of a sudden, a Miracle happened and Elijah was taken away.

They saw the Process - They saw everything that happened.

And then they felt: Ha, this man was here - This man that God sent His Own Royce Rolls to go and take to Heaven, he was with us and we did nothing. The man who could have helped us has come and gone.

But then, they saw Elisha grabbing the dress (Mantle) that fell from Elijah and they saw him doing the same thing that his father did and crossing over to Jericho.

They say: Ha, the opportunity that we missed has been restored.

They did not say to Elisha, sorry o; you lost your father. They went to him because they didn't want to loss their opportunity the second time.

I have Good News for Somebody: Every opportunities that you have lost, will be restored today - Amen!

You know many atimes you will hear People say: Opportunities once lost can never be regained.

This is not with God.

Because when you read 2 Kings 6: 1-7; you will see the Story of an axe head falling into a River.

And when something like that happens, Particularly when Nobody out of the Sons of the Prophet could swim; and even if he could swim, River Jordan was very muddy and dark. So locating an axe head that has fallen into a River is an opportunity that is gone.

But by the Grace of God, there was Somebody with them with a Double Portion of the Anointing, who could cut a Piece of wood, throw it into a River and the Anointing with that Man of God caused the wood to go into the Ground, locate the iron head, transfer Anointing to the iron head. And the iron head that was supposed to stay at the bottom of the River jumped up and started swimming.

You see, when God wants to Perform a Miracle, He doesn't use Human Methods - He doesn't obey the Law of Science

The wood that the Man of God threw into the River was supposed to float but it sank; the iron that was supposed to stay down jumped to the Top and began to swim.

I am decreeing to Somebody today Inclusive those reading this Message now on the Label of DMC: Whatever Laws of Science that God must suspend to restore you to your lost opportunities shall be done - Amen!

A daughter of mine went to apply for America Visa.

She came to me before she went: Daddy, I am going for the Interview, Pray for me? So I Prayed for her, got there and they rejected her.

And so she came back saying: Daddy, they didn't give me the Visa. I said: Ha, and we Prayed?

She said that I know that they won't give me? I said why? She said because when you finished Praying, you didn't say that it is done.

Oh, I said that I am sorry, but I know that every time they reject your Visa Application they give you an opportunity to say that you can re-apply.

She said yes, they told me to re-apply and I said that is good you can re-apply,

And this time I say: It is done.

Whatever you have been Praying for, in the Name that is above every other name, it is done - Amen!

2. And then the Second thing that happened as soon as they said to Elisha: Sir, we have a Problem; immediately Elisha began to act.

☆ It is not every Prayer that you Prayed that is heard.

☆ it is not every Prayer that you Pray that God will answer.

But on this occasion, whatever any Prayer you Pray here today; not only will God hear; He will, answer them - Amen!

You see because He made a Promise in Isaiah 65:24 - He said that a time will come - And that time for you is now. He said that before you call, I will answer.

He is going to do that today - Amen!

Because there are some Miracles that cannot wait - If the Miracles wait, if the answer comes late; then there will be no need for the answer to come.

I am sure you heard the Testimony yourself if you are always following the Monthly Holy Ghost Service in Nigeria.

This woman somewhere in Europe have a Problem and they told her that there is nothing anybody can do on her dying son and so just get ready.

I don't know how she got my Phone number but she called me.

By the time she called in Nigeria, it was around 2am - And they have told her that there is no way this child can live to see tomorrow.

So she decided to call - Whether it is Night or Afternoon, she doesn't want to know.

And when she told me the Story, I was moved - And when you are really moved, you don't Pray in English; you Pray in your mother's tongue.

And when you are in real crisis; you will want to Pray in a tongue that Nobody is checking your Grammar.

So I cried to God in Yoruba Language and I said: "Loni Loni, do something" (DMC NOTES: Today today; do something).

And within an hour, the crisis was over.

So many People who has heard that Testimony before has now turned it to a way of Praying.

So I have received quite a few Prayers that they will say: Daddy, I want a "Loni Loni" Prayer.

So I am Praying "Loni Loni" Prayer for Somebody: Before this Service is over, God will grant your Request - Amen.

3. And then something else happened.

Because the reason Jericho was in trouble was because Somebody had Pronounced a Curse on the whole City.

When Joshua overran Jericho and the City fell, Joshua Pronounced a Curse and said: Curse will be anybody who will ever think of rebuilding the Wall of Jericho.

So Jericho had been under that Curse from the time of Joshua.

But then, the man who came to Town now is a man with a Double Portion of Anointing - His Anointing was bigger than that of Joshua. And that is why the Problem was solved that day.

With all Humility, the man sitting before you now is not a man with a Single dose of Anointing. By the Special Grace of God, he has been anointed not once, not even twice - I don't have time to tell you all the Stories.

And I remembered very well that the Almighty God said in His Words in Galatians 3: 13-14 that Christ had Redeemed us from the Curse of the Law.

And so, I am here Today to say that whatever any Curse is on you; that Curse is broken today - Amen!

There was a Man in one of the Villages that I am associated with who had a quarrel with another man.

Unknown to him, the other man was a really big Disciple of Satan.

So in the anger of the moment, that man that he fought with Pronounced a Curse on him and said: By the time I finished with you, Nobody will know that you ever came into this world.

This man thought that what is this man talking about? What are you going to do to me that Nobody will not remember that I came into the world?

But within two (2) weeks, the man died and so the children came home to bury their dad.

And on there way back after the burial, there was an Accident and the first born of the man who had just returned from Germany in his new car died in the Accident.

So the remaining children came back home to tell Mama and Mama heard the News, collapsed and died.

They came again to bury Mama and the first son and while going back, there was an Accident and the oldest daughter died.

The rest of the children went back home to bury their eldest Sister and on their way back, another one died.

And then they were just dying like that until there remained only the last born.

And that one came home to collect money for School fees and that man who Pronounced the Curse said: Ha, there still remains one? And he said that I will torture this one before I killed him.

And so the boy who was a Student at the College of Medicine, University of Ibadan came back to Campus - He ran mad and then began to tear his Clothes and books.

And so they took him to the Psychiatric Hospital - They loaded him with drugs and he became a little bit normal.

And he wanted to return to School but he has torn all his books and so had to get some money from the father's Estate.

And the man saw him and say: This one is not supposed to even remembered that he is a Student and so he added a little Gasoline to the fire.

To cut the long Story short, the boy was going and coming - He will get to the Campus, become mad and they will load him up. He will come back home to collect money and by the time he will get back to Campus, he will go mad again.

Finally, Somebody said that this case is not a Medical case and so they brought him to us at the Redemption Camp.

By the time he arrived this time around, he has not slept for seven (7) days and so his eyes were crimson red. But the one that brought him explained the situation.

And we cried to the One who is called "The Lord of Hosts" and God fought for him.

May I decree that God will fight for you - Amen.

So we Prayed and God delivered him.

And we told him: Don't go home yet o by the Grace of God because the One who can break Yokes took care of that boy.

The day he Graduated and became a Medical Doctor; he came to my office and he was weeping - He said but for God, by now I should be eating from the dunghill.

That God is here and I believe that He sent me for Someone - And every Curse in your Life will be destroyed today - Amen.

4. So God cancelled the Curse on Jericho and replaced it with a Blessing.

You know when he says: "No more Barrenness, no more Death" - That's a Blessing.

The Greatest Prayer anybody can Pray for you is "God Bless You".

Because if you read Genesis 27: 1-end, where Isaac said to Esau to go and get him some food that he liked that I might bless you

And the mother heard, who happened to be a "Good 419"; managed to Substitute Jacob for Esau.

When the father was Pronouncing the Blessings, then you will know the meaning of "God Bless You".

Because what "God Bless You" means is that: Let all the Forces in Heaven, all the Forces on Earth and all the Forces beneath the Earth continue to make sure that you Succeed.

You can't get a better Blessings than that.

It means that from that moment onwards, the Sky will cooperate and the Earth will cooperate.

You know: If the Blessings of God is working on your Life, even your Enemies will help you to Succeed!

I mean you know the Story of Joseph - When the Brothers thought that they were pushing him to Slavery but they didn't know that they were pushing him to the Fulfilment of God's Promise upon his Life.

So, I am lifting my hand to the Most High God and I am saying to each and everyone of you: "God Bless You".

There is a son of mine - I had just been transferred from the University of Lagos to University of Ilorin. He is an Electrician and then he came to help me fix all the Electrical issues in the Accommodation allocated for me.

When he finished, he said: Daddy, Pray for me, I came because I love you and you are my daddy; but I am completely broke - Pray for me and just give me enough money to travel back to Lagos.

I smiled - I said to him that you don't need Prayer, you have honoured your Spiritual father.

I said to him: "God Bless You" and he said Amen.

I gave him the money for Transportation back to Lagos.

As he was arriving in Lagos, just coming down at the Motor Park, he saw an old friend that they were Classmates: Ha, long time no see, where do you work now? Oh, I am an Electrician. And you? I work in the Presidency.

And the friend said: Will you come and see me in the Presidency tomorrow?

And that Person gave him a Presidency Contract.

When I saw my son two (2) weeks later, he was driving a Brand new car.

Next time that I hear about you, God would have given you a Divine Breakthrough - Amen!

And included in that Blessing was a decree - When the Man of God said: "No more Death".

When you read Genesis 18: 1-4, when the one who is called the Light of the world came to visit Abraham - The Barrenness of almost a hundred years was destroyed in a day.

In Genesis 21: 1-7, Sarah said: Who will ever believed that a 90 years old woman would give birth to a Child.

I wasn't there that day when the Angel came to visit Abraham - Because Sarah laughed. And believe you me honestly, I understand why she laughed.

Because she say: Wait a Minute, I am 90 years old and my husband is 100 years old; when was the last time this old man looked at me and said Sarah how now? Even if he says how now, I will say what is wrong with you? When was the last time that we did this thing?

But then that night as they are about to sleep, Abraham suddenly said to Sarah how now and Sarah must have said, what kind of joke is that?

And then as they are doing what they needed to do, the old woman was saying that the People outside must not know what is going on.

I Pray for Somebody here Today or reading now on the Label of DMC: God will give you something to laugh about - Amen!

And then the Man of God added: "No more Death".

☆ Your Business will not die - Amen.

☆ Your Destiny will not die - Amen.

☆ in a way only the One called the Light of the world can do it, Nobody among you will die Prematurely - Amen.

Because when you go through the Scriptures, you will discovered that there is no occasion Jesus Christ came across Death and didn't do something.

That's why you see People who has lost Someone wearing Black Clothes.

But in John 5:9; Jesus Christ said that "I am the Light of the world".

So when Somebody has just died and you just bring in Jesus Christ; the fellow will rise again.

I. At least you know the Story of Jairus' daughter.

Jesus Christ said: Don't cry as this is just an ordinary Sleep. And he raised the girl from death.

Some People said that is not a Miracle; didn't you hear Him saying that the girl is not dead but

just sleeping? So He just woke up the girl.

So, Jesus Christ said: Okay, maybe we will wait.

II. And then he came across the Widow of Nain - They are already going to bury this one.

So Jesus Christ said: Boy get up because your mum Sorrow.

So the boy came back to Life and those who can reason very well said that the boy was in a coma and he was about to come back to Life as they were taking him to the Burial Ground as fresh air blow on him - It was a mere coincidence.

III. That was why when they sent to Jesus Christ that Lazarus was sick, He said that this one, we will let him die, we will let him be buried and he will be rotten before I showed up.

He said that this Sickness is that for God's Name will be Glorified.

May I Pray for Somebody here Today or reading this Message now on the Label of DMC: No matter how far gone your situation may be; God wil, give you a Resurrection Miracle - Amen!

I was going for a Program in Nigeria we called Lets-Go-A-Fishing - We go round winning Souls from one Town to another.

And then one of the famous Man of God in Nigeria said: Daddy, I have a Problem and I need an Anointing greater than mine to deal with the Problem.

What is the Problem? He said in his Town every two (2) weeks, Somebody must die and it is usually Somebody who is beginning to make it in Life.

He said that I have Prayed and Fasted because the Town People look up to me as a Man of God but they kept on dying.

He said: Daddy, in your journey during the Let's-Go-A-Fishing this Year, you must come to my Town.

And I said okay sir.

So I went there and the whole Town gathered together, headed by the Traditional Ruler.

And they asked the Traditional Ruler to say a word before I speak.

When he opened his mouth, he began to tell me the Story of what happened in Jericho - How they brought Elisha in and he Prayed.

He said that is why we are here.

I said good, Thank You sir, I didn't know that you are a Preacher.

But I said to him: As you have believed, so be it unto you,

That's four (4) years ago now, they haven't buried anyone.

Not only in Detroit but from wherever you came from, no more Death - Amen!

Let me round up:

For these things and much more that I can't have time to talk about, when God is going to Change every aspect of your Life for the better, there is something that will be required of you - You must do what He says without argument.

Because when the People of Jericho came to Elisha and they say: Sir, we need help. He gave them Instructions: Get me a new Cruise and put salt therein.

They didn't argue with him - They didn't say: What do you need salt for? Why must the Cruise be new?

The moment that he gave the Instructions, they said yes sir.

The reason why many of us have not received the kind of Miracle that is forever - Because if you look at that Story very well, that City was affected forever.

Because the River kept flowing downwards and the Blessings they got that day affected Papa, Mama, children and Grandchildren till today.

Because once God has spoken, it is Settled.

If those People has told Elisha that we just want you to Pray for us because we know that you have a Double Anointing - All this salt and Cruise are not our business.

If they had argued, they will be in their Problems till today.

If you do not arrange your Priorities and kept saying: But I came to Church, but I do this and I do that.

God is not asking you: Did you come to Church? Do you Clap? Do you Witness?

All that He is asking you is that: Whatever I ask you to do, do it - Finish!

A lot of People have asked me again and again: How come God is favouring you like this?

And I tell them: Simple; I do whatever He asked me to do.

God wants you to do whatever He wants you to do whether it is convenient or not.

Not long ago in Nigeria, I told People that God wants us to Fast for 100 Days.

How many of you here did that? I am sure some of you say that this man didn't know that we are in America? That wherever you go and within 5 Minutes, you will find a Restaurant. Even if we want to Fast, there were many Restaurants around calling you.

So when I told my People that God said Fast for 100 Days, Oh God, you need to see the attacks that proceeded.

Even one small boy who is not the age of my Grandchildren called me Stupid.

I mean one Reverend Father said: What kind of God will ask Someone to Fast for 100 Days before He helped them?

No quarrel, He didn't ask you but me. And I asked my children to Fast and so what is the Problem?

But when there was an occasion that Big Men of God gathered, I told them: If only you know the question that you should be asking is:: Why does God Singled this man out and ask him to Fast for 100 Days?

I told them that several years ago, for the first time;; God told me: Tell your People to Fast for 100 Days and we did.

It was in the era of Military Government.

Shortly after that, there was a coup and the new Government decided that they want to appoint New Ambassadors and they appointed thirty seven (37).

Without knowing anybody; out of the thirty seven (37) Ambassadors, twenty nine (29) of them were Members of my Church. And they spread them out all over the world.

They got to where they are going, they couldn't find the Redeemed Christian Church of God (RCCG) and they started one. And because they are Ambassadors, they had no issues getting them registered.

I said 100 Days Fasting? And God gave us free entrance of Churches built with Government money.

Ten (10) years later, God asked me to call my children to Fast for another 100 Days - I said Yes sir!

And we did and within a short time we grew from our Churches in fifty nine (59) Countries to one hundred (100) Countries.

And so, when God says again: Call your children and Fast for another 100 Days, I was glad.

But the only reason He Singled me out and you that are my children is because He has made up His Mind that these are the only People who are Stupid to obey.

I went to a Nation far away and I had the opportunity of meeting the Head of State.

He asked me: Why are you here? I said that I have come to visit my Church that is on your Country.

Oh I see, and what can I do for you? I said that if you don't mind sir, I will like to have a little Piece of land so that I can build a little Camp.

He said how much land do you need? I say sir, I don't want to sound Covetous but one thing I can tell, you "Your Excellency" is that we always start small but we don't end small. So wherever you are going to give me land, make sure that there will be room for expansion.

And he says done!

God is looking for Somebody who will say "Yes Lord" and not Somebody who will be telling others that:

☆ According to what is written in Greeks, this is what the thing is saying.

☆ Or according to how it is written in Hebrews.

God is not asking you how much Greeks or Hebrews that you know - When you are reading your Bible, it is written in a Language that you can understand.

Please obey Him no matter how Stupid what He is saying.

ALTAR CALL

That is why I am calling on those of you who has not yet Surrendered your Life to Jesus, come to Him now

When you Surrender to Him, the Light of the world will Shine unto your ways and your Life will never be the same again.

As a Sign for you, wait and see what will happen within one Year in Detroit because the Light of God has come to Town.

I am going to count from one (1) to ten (10) - Those of you who wants to give your Life to Jesus Christ and those of you who wants to say "Yes Lord" to whatever He says and you have not given your Life to Jesus Christ; come now and Stand before the Altar.

Let us Pray for your Salvation because the Bible says: If a Man is in Christ, He is a New Creature, old things has Passed away, behold all things has become New (DMC NOTES: 2 Corinthians 5:17).

So if you want everything to become New for you, come now as I am counting:

Those of you in front, now talk to God: Please save my Soul, come and be not just my Saviour but my Lord. I will serve You for the rest of my Life.

And the rest of us, let us Stretch our hands to our Brothers/Sisters and Pray that the Almighty God will save their Souls, He will show them Mercy and everything will become New for them. He will make them a Brand New Creature.

And the Grace to obey You from now on, Please give unto them.

In Jesus Mighty Name we have Prayed - Amen.

SPECIAL LIGHT UP PRAYER

I want you to do something as a Sign of Agreement with God - You will take your Mobile Phone and you will switch it on to Torch Light.

I want you to lift up that Light and Pray with all your Heart and say:

Send Your Light into my Business, Church, Town and into every situations in my Life.

Go ahead and talk to God!

In Jesus Mighty Name we have Prayed - Amen!

CLOSING PRAYER

My Father and my God, You are the Light of the world; let Your Light Shine.

In the lives of these People, let Your Light Shine.

In Detroit, let Your Light Shine.

In America, let Your Light Shine.

Every forms of Darkness in their lives, let Your Light push away.

Wherever they go Lord, let them Shine for You.

And I Pray Lord God Almighty that their Light will never go out.

Let them just keep on Shinning.

Let them Shine forever

In Jesus Mighty Name we have Prayed - Amen!

Now, we are going to Pray our Final Prayer as an Evidence to God that you have received a New Light.

You are going to Pray that Prayer almost with anger.

You are going to say: In the Mighty Name of Jesus, Satan I have received the Light of God; so Satan I Command you that you take away your dirty hands from my Life now.

Go ahead and Pray that Prayer!!!

Do something Divine.

Let this Day be a Brand New Day.

Let it be a Day that we will never forget.

At the end of it all, let Your Name be Glorified.

In Jesus Marvellous Name we have Prayed - Amen.

Well, let Somebody shout Hallelujah - Hallelujah!

Then shake with one (1) or two (2) People and say: "God will surprise you today".

And then you may Please be seated - God bless you!

First of all, let me go straight ahead and read: 1 Peter 5:10.

But the God of all Grace, who hath called us unto his Eternal Glory by Christ Jesus, after that ye have suffered a while, make you Perfect, Stablish, Strengthen, Settle you.

I was here last ten (10) years ago or thereabout and I came in directly.

And there was a woman at the Immigration - I don't know whether she is a Witch or something worst.

She kept me for four (4) hours - She took a look at me and said: "Who is the owner of this Jet"?

I looked at her and I was wondering what is the Problem.

Well after four (4) hours, I discovered that she didn't believed that a Black Man can have a Private Jet because not only was the Plane searched like I have never seen a Plane searched before.

There are certain Compartments in the Plane that you will never even know if not a real Expert.

And to add to my suffering, she refused to let us switch off the engine - I mean she was burning my fuel for four (4) solid hours.

And she called in all manner of Officers and they brought in the dogs et cetera et cetera.

When finally she said now you can go, I was tempted to ask: Ma, what exactly is my offence?

Well, she looked at me up and down and said: "Nothing really".

Nothing really? And you kept me for four (4) hours and you won't even let me switch off the engine?

I want to start this Afternoon by saying: "All your sufferings will end today" - Amen.

So, when I came in today - And I was careful enough never to try to come to Chicago from elsewhere. I made sure that if you are already in America, you come from there to Chicago - Nobody will keep you for four (4) hours

From now on, you will be Celebrating - Amen!

And secondly, I read that Passage because it talks about the God of all Grace

Mummy has spoken a little bit about Bayo - If you are looking for Someone who is a Man of Grace, Bayo Adewole is one.

This Young Man (He is young because I am older than him) is just an Extraordinary Disciple.

DMC NOTES: Pastor Bayo Adewole is the Deputy Continental Overseer Continent 6 and Regional Pastor of RCCG North America Region 3 (NAR-3). He also doubles as the Senior Pastor and PIC of RCCG Jesus House Chicago with his wife Pastor (Mrs) Yemi Adewole)

I will give you just one illustration:

The first time that I travelled with a Team to Israel, he was doing the Assignment of leading the Group.

And we got there and we had a Breakthrough because when I told our Ambassador in Israel that my own visit to Israel is not just for Pilgrimage and that I have come to start a Branch of The Redeemed Christian Church of God (RCCG), he laughed.

He laughed and said: Everybody knows that the closest friend of Israel is America and the Government here (Referring to Israel) had already informed the Americans - You can have your Churches here o: Baptist, Anglican or Roman Catholic; but don't bring anything called Pentecostal here.

He said now you came from Nigeria of all Places and you want to start of all Churches Pentecostal Church; he said forget it.

I said: Sir, my case will be different. He laughed.

After some time he said: Okay, since you won't listen to the truth, what do you want me to do for you?

I said now thank you - All I want you to do is for you to help me Submit my Letter requesting for Permission to start a Church.

He said: Is it not more than that? I said not more than that. Just do it and leave me and my God for the rest of the Story.

Let me decree: My God, the very One that I serve and who stood up for me - Because within Months, my Church became Registered over there.

The same God will Stand Up for you - Amen!

I mean some couple of years later, we needed one Paper to do something and then I sent my Pastor to go and obtain the Paper.

And they said: No, we don't give such Papers to Institutions that are not Registered with us.

My Pastor said that we are Registered with you sir.

They couldn't believed that they gave us Permission.

The kind of Miracles that when they happen in your Life, Nobody will believe it, may that happen in your Life today - Amen.

But the reason for that Part of the Story was that Bayo left on Pilgrimage with me, when they now said that I can go ahead. And the rest of us are looking when you are bold enough to submit; let us see what will happen.

I was looking for Someone who will stay behind and be the first Pastor in Israel - Bayo left home a Business Man on a Pilgrimage; he stayed behind.

So, I can give you other examples to let you know that he is different.

So, when he told me that: Daddy, we will be Celebrating thirty (30) years; will you be able to make it?

I said you? If it is your Program, anywhere and anytime, I will be there.

I am Proud of you sir!

... Now, that is the Introduction - Let us now go to the real thing.

Thank God for Somebody like Bayo!

In case you don't know, he is Probably the first fellow among my Pastors who got a nickname from me.

You want to know what it is? "Bayosco".

So many Pastors became jealous of him because he is "Bayosco".

John 2: 1-12 - I will just tell you some things that happened there:

☆ The Bible tells us about the very first Miracle that Jesus Christ Performed - He Performed that Miracle in Cana of Galilee during a Wedding Ceremony.

☆ The Bible tells us that Jesus Christ was invited and He accepted the Invitation.

The mother of Jesus Christ was there also.

☆ Halfway through the Celebration, they ran out of wine and the mother of Jesus Christ went to him and said: Son, they lacked Wine.

Jesus Christ said: Mama, do you think that because you are my mother you can control me? He said no, no woman; my Time hasn't come.

☆ The mother turned around to the Servants who are there - Hey, don't pay attention to what He

said to me; but whatever He says unto you, do it.

... So, you know the rest of the Story now!

1. The first thing that I want you to know in that Story was that Jesus Christ was invited and He accepted the Invitation.

Jesus Christ is not Somebody who will just accept just any Invitation.

He Himself said in Revelation 3:20 - He said: Behold I Stand by the door and I knock, if you will hear my voice and you open the door to me, then I will come in.

That's another way of saying: If you don't really invite Him, He is not coming in.

That's very important to Note because at the end of the little Sermon, I am going to give an opportunity to invite Him into your Life.

It is not every kind of Invitation that He will accept.

He is not Somebody who is looking for Help from you.

I will tell you a Story: Years ago, at a time when The Redeemed Christian Church of God (RCCG) was so Poor that our Public Address System/Amplifier was so good that the man in Charge has to slap it when the Service is on because the Public Address System/Amplifier is no longer working.

Then all of a sudden, a very rich came to the Church and came in one day in a flowing Gown and brought the State-of-the-Art Public Address System/Amplifier - We were glad.

But as he was about to leave, we heard a voice of the Lord loud and clear: Tell him to take his Gift Offerings away as I don't want.

If you don't know the voice of God and you had that kind of situation; what will you say? Get thee behind me Satan.

What do you say? This is our Greatest need and it has been Supplied.

It is the kind of Gift that you will say: Heavens had opened.

But we knew who spoke and so we called him and said: Chief sir, God said that you should go

away with your Gift as He doesn't want it.

He said what? I said sorry sir but we have heard the voice of the Lord.

He said: God rejects my Gift? I said sorry sir.

That man was so sad that day that he went to the Pillars of the Church and he was banging his head against the Pillar - Ha, God rejects my Gift? That means that He has rejected me too,

I Pray for you today: The Almighty God will not reject you - Amen!

..., But then, Jesus was at attending the Wedding because He was invited and He accepted the Invitation.

2. If Jesus accepts the Invitation to your Celebration - And I am sure that He has accepted this one, otherwise I won't be here.

Oh, as much as I love Bayosco, if God says that you are not going there; I won't come.

When Jesus accepts your Invitation, you can be sure that He is giving you an Insurance against any Future Challenge.

When you read Mark 4: 35-41, when Jesus was in the boat with the Disciples; the Disciples has no idea that a Storm was coming.

But when the Storm came; because Jesus was already in the boat - He was sleeping alright but when they woke Him up, He only need to speak one sentence: "Peace be Still".

May I decree to Somebody that whatever Storm may be coming your way shall be removed - Amen.

I have been in Storms before but there is this one that is not an ordinary one.

We were going from Lagos to London - You know that as soon as they closed the door and the Plane takes off the Ground, the rest of your Life is in the Hand of God and that of the Pilot because there is nothing that you can do and there is no Parking Lot in the Space.

And suddenly as we were about to eat, the Captain came up and announced: Ladies and Gentlemen, the Weather Boys has just told us that by the time we are arriving in London, there will be Storm. Don't worry, we will manage to land.

And there was a man sitting next to me - He just froze.

They have just served the food; I just ate but the man sitting by my side was looking at me: What is wrong with him? He didn't hear what the Pilot said?

I was Young and sitting in the Economy Section - And you know that the food in the Economy Section is never enough. That is why they give you extra coke to take care of where the food could have been.

I finished my food and saw that the man next to me not eating and so I looked at him and asked: You are not eating? He said no.

So I said: Can I help you?

To cut the long Story short, I ate his food, fell asleep and then when we were approaching London, the Captain came on Speaker again and said: Ladies and Gentlemen, the Weather Boys had deceived us because the Storm that is supposed to be in London is actually now in Scotland.

I looked at the man and he looked at me because he can't take the food back.

And then God spoke to me and said: The Weather Boys did not make a mistake. But because of you, I diverted the Storm to another Place.

May I decree to Somebody today inclusive those reading now on the Label of DMC: Because you have attended this Celebration, any future Storm that is coming your way will be diverted - Amen!

3. Jesus answered the mother and said: "My Time has not yet come".

Ecclesiastes 3: 1-8 made it clear that God has a Timetable for everything.

But then, He controls Times and Seasons - That is according to Daniel 2: 20-22.

So He reserves the right to turn "Not Yet" to "Now".

Because the Bible made it clear according to the Promise of God in Psalm 102:13 - He said: Thou will arise and show Favour and have Mercy upon Zion.

Why? For the Time to Favour her, yea the Set Time is come.

I have Good News for Somebody here Today or reading this Message now on the Label of DMC: The Set Time for you to be favoured has come today - Amen!

Some of you at least here in America, you will know the fellow that I am talking about.

He was married to his wife I think for twenty four (24) years; he rose to the Position of a Pastor - And to be a Pastor in The Redeemed Christian Church of God (RCCG) makes it a bit difficult for you to backslide.

And then of course, he has attended all manners of Programs, Conventions etc.

And this Particular Day, as I was Preaching, God spoke to me and said that the fellow concerned will understand.

He said: Tell him that his Waiting Time is over.

He looked at the wife and the wife looked at him and they both said Amen.

Well, to cut a long Story short, nine (9) Months later, they had their first Child.

May I decree to Somebody inclusive those reading now on the Label of DMC: The Day that God will Favour you is Today - Amen!

I don't want to take too much time - Let me take Probably the biggest Part of this Story.

4. When the Servant there obeyed Jesus Christ et cetera et cetera and they took what was water to the Master of Ceremony.

And Jesus hasn't done anything o - He just say fill the pop with water and they did so:

☆ He didn't come to put in some Tablets or something into the water.

☆ He didn't even care to Pray over the water.

He just turned to the boys and tell them to take the water that they put together to the Master of Ceremony.

When that fellow tasted the Wine, he said: Call me the Groom and he came to him.

And he said: People give the best Wine first and when the People are too drunk to know the difference, they give them whatever.

But you have reserved the best wine till now.

I have Good News for Somebody here or reading this Message now on the Label of DMC: The best Part of your Life is in the Future - Amen!

There is normally a Prayer that we will Pray when you have done Somebody Good and you are meant to really Pray for him.

And we will say that you will never know a "Better Yesterday" - That Prayer is for Somebody!

There is a Place they called Ikoyi in Lagos State Nigeria - It is a Place for the High and Mighty.

They allow me to come and talk to them once a Year - And only big boys, the real High and Mighty that are allowed to their Meetings.

So I went there and I Preached as I used to. And when I finished, they put me where I could rest for a while.

And then, there is this Young Man - I don't know how he managed to get there because he has only ten (10) Gas Stations.

I mean, what is this "Small Boy" doing here?

And he came to where I am and said: Sir, I have never heard anyone speak about God like this before; so I want to give you a Gift

And he gave me ten thousand dollars (\$10,000) - He said that is what I can have as at now.

To me, that was a lot of money - I said Thank You very much; next time, it will be more.

He didn't even say Amen - It was later on when he was giving the Testimony I heard him say that he was upset.

What kind of Pastor is this? I gave him ten thousand dollars (\$10,000) and he said that next time it will be more.

Does he think ten thousand dollars (\$10,000) is small?

But by the following year when I went for another Annual Meeting with them, he was there again.

And he came again and said last Year when you Prayed for me and you said next time it will be more; I was angry with you but now I understand.

Because by now, his Gas Stations has increased from ten (10) to one hundred and ten (110).

And so he gave me another Gift and when I said next time it will be more; his Amen was loud.

By the following year, he came again - And this time around, he has a whole Depot.

Because now he has so many Gas Stations that he couldn't go and be queuing up - And so he has his own Depot so that his own Tankers can begin to distribute Petrol all over the Place.

Then he gave me another Gift and I Prayed that next time it will be more.

By the time we meet again, he now has Gas Stations in many States of Unjted States of America.

The Almighty God has a way of reserving the best for the Future!

So there is Somebody looking at me now or reading this Message now on the Label of DMC: Within the next one year, you won't even recognise yourself - Amen!

But you have to satisfy a certain condition - That whatever Jesus says, that is what you will do.

Because many of us wondered that we have been hearing all these Testimonies; when is my own coming?

You know that there are Testimonies and there are Testimonies - There are Testimonies that you will find it difficult to believe in The Redeemed Christian Church of God (RCCG) - Particularly in Nigeria, that is difficult to share.

Because when you begin to hear People telling you how an Handkerchief that we have Prayed over has been raising the dead and doing some incredible things; you will wonder and at times you will think that maybe they are lying.

But this God that is doing all these Wonders in Nigeria is the same God in Chicago.

All He is waiting for from you is just that you will just obey Him.

Jesus said to those boys: Fill the pot with water.

Those People would have said: What are you talking about? It is wine they say that they want and not pots of water?

Well they may say: We don't know maybe He is a Magician or maybe He has some Tablets in His Pocket; let's obey Him.

But when He now said: Take the water to the Master of Ceremony, anybody can say that we are no fools because the water was still water when they took it.

It was on the way to the Master of Ceremony that the water became wine.

☆ If you will cease being so sophisticated as to be querying what God says

☆ If you will cease from saying: You don't understand what He is saying - What is written in the original Greeks is this or what God meant in Hebrews is not what the Translator translated into English Language. That is why we have so many Translation o.

But God is looking for Somebody who will say: I don't know Greeks, I don't know Hebrews but I know English.

And whatever is in my English Bible and whatever you ask me to do; I will do it.

Ha, He will reserve the best till the last - Amen!

ALTAR CALL

So, if there is anyone here and you have not yet Surrendered your Life to Jesus Christ.

"To Surrender" means that you will do whatever He ask you to do whether it is convenient or not.

☆ If you will do whatever He ask you to do and it is convenient; that is Cooperation.

☆ If He ask you to do something that is not convenient and you still do it; that is Submission.

That is why when we ask you to come to Jesus, we say: "Surrender your Life to Him".

So I am calling on you now - If you want to be Genuinely saved and if you want to do anything that He asked you to do whether convenient or not; come and Stand before the Altar and ask for Genuine Salvation.

Because the Word of God made it clear: If any man be in Christ, He is a New Creature; Old Things are Passed away and how many things has become New? All things!

I am going to count from one (1) to ten (10).

If you want to really, really want to Surrender your Life to Jesus and determined that from now on, His Word will be your Law; come before I say ten (10).

I am counting now!

Those of you in front and those on the way, let us talk to God and say:

Lord, I have come to Surrender my Life to You - I will do Your Will for the rest of my Life.

Just save my Soul Lord, forgive all my sins and don't just be my Saviour, be my Lord.

From now on, whatever You say, that is what I will do.

And the rest of us, let us Stretch our hands to these People in front and intercede for them:

Pray that the Lord who saved your Soul and that made it easy for you to serve Him, that He will save the Souls of these People.

That He will give them Genuine Salvation.

Thank You Father!

In Jesus Mighty Name we have Prayed - Amen!

And cry to Him and say:

Father, for the rest of my Life, let things get better and better and better for me.

Open your mouth and cry to Him!

☆ Lord God Almighty, let things get better and better and better for me.

☆ You are the One who said that the Path of the Righteous is going to get Brighter and Brighter - Let that be my Portion.

☆ Let Things get so better for me than it was before.

Thank You Father!

In Jesus Mighty Name we have Prayed - Amen!

Shall we Please Stand!

Now, I want to leave something - I will ask you to take your Handkerchiefs and lift it up.

I am going to ask the Almighty God to saturate your Handkerchiefs with Anointing so that wherever each one is used, Yokes will be destroyed.

Or if you don't have an Handkerchief, use any Piece of Cloth - You can use your Tie or Jacket; just lift it up to God by Faith.

SPECIAL ANOINTING OF HANDKERCHIEFS AND OTHER GARMENTS

My Father and my God, since I don't know when next You will ask me to come to Chicago:

I Pray that You will Please saturate each and everyone of these Clothes with Your Anointing.

So Mightily that wherever each one is used:

Yokes will be destroyed.

Miracles will happen

Demons will, flee

Failure will turn to Success

The Impossible will become Possible

Storms will be wipe away

Mighty Progress will follow

And Your Name will be Glorified.

OPENING PRAYER

Father Almighty, we Worship You - We give You all Glory and all Honour.

You are the Father of all fathers and we are Proud to be Your Children.

Please accept our Worship in Jesus Name.

Thank You for this Year's Convention (DMC NOTES: The RCCG The Americas 1 28th Annual Convention 2026),

Thank You because we know that You will do much more than You have ever done before.

Please accept our Thanks in Jesus Name.

Tonight Father, Please bless Your Children - Bless them Mightily.

In Jesus Mighty Name we have Prayed - Amen.

Well, let Someone shout Hallelujah - Hallelujah!

The Bible says that: I write to you Young Men and Young Women because you are Strong (DMC NOTES: 1 John 2:14).

Let your Hallelujah shows that you are Strong - Hallelujah!

Well, shake hands with one (1) or two (2) People and tell him/her: "God will bless you during this Convention".

And then, you may Please be seated.

We give God all the Glory for seeing you again this Year.

And the Almighty God who can do more than anybody can do will bless you beyond measures - Amen.

My Assignment tonight is simple: I am here to tell you "God Bless You" - And that should settle the Problem!

Why? Because "God Bless You" means: Let all the Forces in Heaven, let all the Forces on Earth and all the Forces underneath the Earth combine their efforts to make sure that you succeed.

So once again: "God Bless You" - Amen!

When you ask the Question: Who is Jehovah El-Shaddai?

Genesis 17: And when Abram was ninety years old and nine, the LORD appeared to Abram, and said unto him, I am the Almighty God; walk before me, and be thou Perfect.

One of the answers to the Question: Who is Jehovah El-Shaddai?

☆ The God who is More Than Enough.

☆ The God who can do for you more than you can even think.

☆ The God who can Supply the Needs that you dare not ask God.

I. When God says that one day, the Redeemed Christian Church of God (RCCG) will have Members in every families of the world; Humanly speaking, that is not Possible.

But then with God, all things are Possible.

II. When God spoke to me some years Past that one day, the Redeemed Christian Church of God (RCCG) Governing Council - That is the "Big Board" will be holding their Meetings (They meet once a Year) in the Moon; all those who heard me laughed. They felt that at long last, this Man has gotten it wrong.

Now, Humanly speaking, that does not make sense at all - What will they be going to the Moon to do anyway?

But He told me that a time is coming when they will want to hold their Meeting; everywhere you can look for, that could be secured from all manners of "Eavesdropping Mechanism" will be away from the Earth.

And yet during their Meetings, they will be discussing the affairs of the world.

So they have to be away from the Earth for them to hold the Meeting.

Somebody ask me: Sir, are you aware that to go to the Moon, you have to be very Strong?

That when they want to choose Astronauts, they choose the best of Soldiers and they choose Young Men - That is talking about you.

I told them that you don't seems to know the God that I serve - His Name is Jehovah El-Shaddai, the God who can do anything.

Then they said: Where will you get the money to buy the Rockets?

Then I told them one of the Possibilities:

I said: What if Somebody will raise up a man who will be building Rockets that can take People, no matter the Age to the Space?

Later on, when Somebody tried to stop that from happening - He tried to stop the Journey to Space.

And that man became the President of this Nation (DMC NOTES: President Richard Nixon significantly altered and limited the United States' Rocket and Space Production capabilities. In 1972, he canceled NASA's Production of the Saturn V Rocket and the Apollo 18, 19, and 20 Missions, shifting the Agency's focus to the reusable Space Shuttle).

God raised up a man called Elon Musk (DMC NOTES: Elon Musk is the CEO and Co-Founder of SpaceX, Tesla, Neuralink and The Boring Company. As lead designer at SpaceX, Elon oversees the development of Rockets and Spacecraft for missions to Earth orbit and ultimately to other Planets).

And he is now building Rockets that can take you anywhere.

So, I told those People who are mocking the Prophecies of God - They said we know that he is sending People to the end of Space and everybody must have so much money before they can go.

Where will you get that kind of money?

I said: Who told you that Musk cannot get Born Again and become a Member of The Redeemed Christian Church of God (RCCG)?

Who will consider it a honour to build a Special Space Ship that will take me even at my Age and take Members of the Governing Council - Specially to go and hold our Meeting and then bring us back.

I am telling you this in order to encourage you - Particularly you the Young Men and Women in the Redeemed Christian Church of God (RCCG).

The Sky is not your limit - Where God is taking you, you can't even imagine it.

And it is going to be done once He has spoken.

It is assured because you are serving a God whose Name is Jehovah El-Shaddai.

So, if there is anyone here today or reading this Message now on the Label of DMC who

believes that no matter how impossible it may appear right now; I am going to be the best, let me hear you shout Hallelujah - Hallelujah!

Now, to encourage those of you who are Young because this Year's Convention is for serious things - Not joking kind of clapping and jumping.

This is a Convention that by the time it is over, you yourself will know that you have been to a Convention.

So if you believe like I believe that by the time the Convention is over early on Saturday Morning; all of a sudden your Life won't be the same again; let me hear you shout Hallelujah - Hallelujah!

I am sure that many of you has never seen me when the Program is on, no matter who is Preaching or Singing - And there has been Great People doing great things.

Many of you has not seen me stand up to clap.

But this Evening, when I watch that Play, because whether they know it or not, whoever wrote that Script must have heard from God.

☆ You can see Him changing Shame to Glory.

☆ You can see Him Changing Sorrow to Joy.

☆ You can see Him doing what normally is impossible.

I said: Ha, ha; who spoke to this Writer?

Who revealed to the one who wrote this Play what God is about to do?

What Revelation is this?

Because you can see Jehovah El-Shaddai walking in and putting an end to Depressions, Failures and everything that is evil.

That little Play had summarised this Year's Convention.

That is why I stood up and clapped.

Because some of you are just looking at the Play but I am seeing what only God could reveal.

So I Congratulate those of you who are here, that God brought here Tonight because even by tomorrow, the Evidence of what had been depicted will be manifested in your Life - Amen!

... Jehovah El-Shaddai is God who is More Than Enough.

And the first Person who first got a glimpse of it happened to be a Young Fellow - His name is David.

Remember he saying in Psalm Chapter 23 - Thou anointed my head with oil, my cup did what? My cup runs over.

That fellow was saying that because of the link between me and God, the Anointing of God upon me is more than I can ever need.

That will be your Testimony - Amen.

If you go through Psalm Chapter 23 before you sleep tonight - Read it carefully, slowly and with Understanding.

And you will see this Young boy that was just seventeen (17) years old when his first Encounter with this Jehovah El-Shaddai took Place,

He said:

☆ The Lord is my Shepherd, I shall not want

☆ He makes me to lie down in Green Pastures

You put a Sheep in a very Green grass and you tell the Sheep to eat all you can and don't hurry.

And went on and on to say:

☆ How He then led me to Still Waters

☆ How He guides me

☆ How He is there to Protect me

☆ How He is there to correct me

☆ How He is there to restore

And when you considered how many times he got anointed:

I. Anointed with the Prophecy that he is going to be a King.

☆ Promoted from an Unknown Shepherd Boy

☆ Practically rejected by even his own father.

According to Bible Scholars, they said that it was because he was a child of a One-Night mistake that the father made with Somebody.

Which is why when the Man of God came to anoint a King, he wasn't even considered for Presentation, talkless of being made a King.

He got that first Anointing to be introduced to his Destiny.

II. He got the second Anointing in 2 Samuel 2: 4-5.

III. He got the third Anointing in 2 Samuel 5.

The One whose name is Jehovah El-Shaddai just kept on Anointing him until he said that my cup is running over.

And you remember that I asked a Question before: God, when the cup is full, why don't you stop? Why the wastage?

And I told you the answer I got was that God said that I just want to show you that there is more from where this thing is coming from.

I want to decree to Somebody Tonight or among those reading this Message now on the Label of DMC: The Anointing that you will get during this Convention will run over - Amen!

I just want to drop one little word more and then I will Pray for you.

David insisted that for you to have a "Lasting Relationship" with Jehovah El-Shaddai, then you

must be a Sheep and not a Goat.

You have started moving with God at your Young Age - I Congratulate you.

Some of us are not so fortunate - We reached a certain Age before we meet the Lord.

Thank God He received us, washed us Clean, brought us to His Family but the scars of coming late to receive Him remained.

The wounds has been healed but occasionally when we looked back, we saw the scars.

I want to appeal to you - Don't make the mistake that we make.

You have come to Him now that you are Young.

And the People ask the Question: Are you saying that if I backslide and I repent, won't God take me back?

Oh, He will take you back.

But if you Study the Story of the Prodigal son which many of you love to referred to as excuse for backsliding - Pay close attention to what the Story says (DMC NOTES: The full Story is in Luke 15: 11-32).

When the other Brother came back from the field and found out that they were Celebrating the Prodigal son who came back.

The father met him outside and said to him: Why are you upset? This was your Brother you know. He was lost but now found and so we should Celebrate.

Then he added one thing: Because everything that I have now, they are yours - He has spent his own (DMC NOTES: Luke 15:31).

There is a very great danger in backsliding - You might be restored but you have no Inheritance left.

Because all the father now has belongs to that one who did not backslide.

If you have backsliden before and you come to God during this Convention or as you are reading now on the Label of DMC: I Pray that He will grant you Special Grace as to still include you in

His Inheritance, afterall He is Jehovah El-Shaddai.

David ended Psalm Chapter 23 by saying: Goodness and Mercy shall follow me, for how long?
All the days of my Life.

But there is something that I will do - What is it?

I will dwell in the House of the Lord forever.

I. Don't believe those who tells you that: "Once you are Born Again, you are Born Again forever;
even if you go and do whatever you like" - That's not true.

II. Don't believe those who tell you that there is no Possibility of you ever falling - That's not true.

The Bible made it clear: If you think that you stand take heeds less you fall (DMC NOTES: 1
Corinthians 10:12).

There is Possibility of falling!

In the Mighty Name of Jesus Christ, you will not fall - Amen.

There is a danger of falling that can lead to never rising again.

I Pray for you one more time: You will never fall - Amen.

That's all I think that I should just tell you before I Pray for you.

PERSONAL PRAYER REQUEST

There is a God called Jehovah El-Shaddai - The God that is More Than Enough and the God who
can bless you beyond your wildest imagination.

I want you to talk to that God:

Beginning from now, bless me beyond measures and Lord, don't let me ever backslide.

Shall we go ahead and Pray!

And if you know that you are already backsliden, cry to Him:

Restore me Oh Lord and then give me Grace to Stand forever.

Go ahead, talk to the Lord.

Talk to the Lord who is More Than Sufficient - You brought me thus far:

- Don't let me go back

- Don't let me ever backslide

- Let me remain in You forever

- And bless me beyond my wildest Imaginations.

Thank You Father.

In Jesus Mighty Name we have Prayed - Amen.

BIBLE TEXT:: JOHN 21: 1-3; 12-19 AND PSALM 23:5

SONG

We give You all the Glory
We give You Honour
We give You all the Glory
We give You Honour

OPENING PRAYER

Jehovah El-Shaddai we bless You.

King of Kings and Lord of Lords, the Ancient of Days, the One who has never lost a war - Glory be to Your Holy Name.

Accept our Worship in Jesus Name.

Tonight Father, in Your Own Miraculous way: Visit us, dine with us, anoint us and let Your Name be Glorified.

In Jesus Mighty Name we have Prayed - Amen.

Well let Somebody shout Hallelujah - Hallelujah!

And then shake hands with one (1) or two (2) People and tell them: Suddenly, God will surprise you.

You may Please be seated.

I will not be long because we want to dine with the Lord and we want to be anointed by Him.

So, we have quite a bit to do and where I come from, around this time we will be getting close to 5am to 6am.

And for Somebody who is eighty four (84) years old, then he should be sleeping.

So if he is not sleeping, that means that he must be making a Sacrifice.

And if the People for whom he is making the Sacrifice for are behaving as if this is a joking matter, then they have to be called to order.

Tonight, we want to dine with Jehovah El-Shaddai

By the Grace of God, I have had the opportunity of dining with Head of States.

And I want to tell you that the first time, I had an opportunity to dine with a President; oh I forgot that bread is bread - That the bread that we are going to eat on his table is still made of flour.

The very fact that I am sitting on the same table with a Head of State suddenly turned the bread to something else.

But tonight, myself and maybe two (2) or three (3) other People will be dinning with Jehovah El-Shaddai.

So, I have a feeling that by the time I am leaving here Tonight, something new would have happened in the Life of one (1) or two (2) People - Amen!

John 21: 1-3 and 12-19 - Because by the time I get to Verse 3, you will know the Story:

John 21:1-3,12-19:

1. After these things Jesus shewed himself again to the Disciples at the sea of Tiberias; and on this wise shewed he himself.

2. There were together Simon Peter, and Thomas called Didymus, and Nathanael of Cana in Galilee, and the sons of Zebedee, and two other of his disciples.

3. Simon Peter saith unto them, I go a fishing. They say unto him, We also go with thee. They went forth, and entered into a ship immediately; and that night they caught nothing.

12. Jesus saith unto them, Come and dine. And none of the Disciples durst ask him, Who art thou? knowing that it was the Lord.

13. Jesus then cometh, and taketh bread, and giveth them, and fish likewise.

14. This is now the third time that Jesus shewed himself to his Disciples, after that he was risen from the dead.

15. So when they had dined, Jesus saith to Simon Peter, Simon, son of Jonas, lovest thou me more than these? He saith unto him, Yea, Lord; thou knowest that I love thee. He saith unto him, Feed my lambs.

16. He saith to him again the second time, Simon, son of Jonas, lovest thou me? He saith unto him, Yea, Lord; thou knowest that I love thee. He saith unto him, Feed my sheep.

17. He saith unto him the third time, Simon, son of Jonas, lovest thou me? Peter was grieved because he said unto him the third time, Lovest thou me? And he said unto him, Lord, thou knowest all things; thou knowest that I love thee. Jesus saith unto him, Feed my sheep.

18. Verily, verily, I say unto thee, When thou wast young, thou girdedst thyself, and walkedst whither thou wouldest: but when thou shalt be old, thou shalt stretch forth thy hands, and another shall gird thee, and carry thee whither thou wouldest not.

19. This spake he, signifying by what death he should glorify God. And when he had spoken this, he saith unto him, Follow me.

The word El-Shaddai like we discussed on Day 1, simply means "God your Mother's Breast".

And we shared that it is another way of saying: "The God who is More Than Enough".

Because no matter how hungry you are, you cannot exhaust the milk coming from your mother's breast.

And so, when you have an opportunity to dine with Jehovah El-Shaddai, you can always be sure that it is more than you bargained for.

Because Ephesians 3:20 tells us that: "He is able to do exceedingly, abundantly above all that we ask for or think.

... He can give you much more than you ask for.

So, when you dine with Someone who can give you much more than you ask for; then you can be ready for quite a lot of things:

The Bible made it clear to us that man is Trinity - Body, Soul and Spirit.

So when you dine with Jehovah El-Shaddai, He can give you something for your Body, Soul and Spirit.

I was delighted when one of the People who led Prayers was focusing on Restoration - I hope we all fully understand what that means.

The People had fished All-Night and they were tired - Physically they were tired.

But after they ate with Jehovah El-Shaddai, they had Restoration of Health and Restoration of Body.

They were tired as they had fished All-Night.

And without any doubt, they were hungry too.

But when they ate and when they dined with Jehovah El-Shaddai, Strength came.

In the Name that is above every other name, after Tonight Holy Communion Service; everything that you have lost Physically shall be restored - Amen.

In 1 Kings 19: 4-8, there was Someone who had just finished running a Marathon race from Mount Carmel to Jezreel and just as he was about to settle down to rest, he got a Note from the number one enemy that he had who said to him that by this time of tomorrow, there is no way he

can still be alive.

That Man was Elijah.

And when he heard that Jezreel said that he won't be alive by this time tomorrow and knowing the kind of woman who sent that Message, he forgot his original tiredness and started running again.

He ran for three (3) good days and nights and then he became too tired to run again.

So tired that he now asked God to kill him - He sat down and said: God just make sure that it is not the enemy that will cut off my head. If I am going to die, let it be in your hand.

And then God gave him food - He gave him bread and water.

And the Bible says that from what he got (Because he got the food twice); he was able to travel for forty (40) days and forty (40) nights.

Let me decree to Somebody here tonight or those reading now on the Label of DMC:

After tonight's Meal, all the Forces pursuing you, you will leave them far behind - Amen.

The Strength that you need for the rest of your Journey in Life, you will get it tonight - Amen.

Because the Bible tells us in Isaiah 40: 28-31 that there is a God who never gets tired - That is the One we are talking about.

The Bible tells us that no matter how Young you are, after some time, you will get tired.

But it says that if you just managed to be connected to the One who is called Jehovah El-Shaddai, you won't get tired again.

It says that when you walk, you won't get tired; when you run, you won't get tired; and it says that for the rest of your Life, you will be flying above Mountains.

And then, when you dine with the one who is called Jehovah El-Shaddai, you will get Restoration even in your Soul.

Because you see, when Somebody had fished All-Night and has caught nothing, not only will he be frustrated, he will be sad; saying what else am I supposed to do to Prosper? I have worked

All-Night and there is nothing to show for it.

But then they had this encounter where this Jehovah El-Shaddai said: "Come and Dine".

There is no doubt about it that immediately they ate the food, frustration came to an end, Fruitless Efforts came to an end and Sorrow came to an end.

And so, I am decreeing to Somebody: As you Partake of the Holy Communion tonight, you won't know Sorrow again - Amen.

But then we are focusing on one Particular Person among all of them - He was a good friend of the Lord Jesus Christ.

I mean in Matthew 26: 31-35, when Jesus Christ said that he was going to be betrayed.

He loved the Lord so much that he said even if everybody else would deny Him, He said that he is not going to do it.

That's why when Jesus Christ is now talking to him after the Meal, He gave him an opportunity to have a Restoration of friend with Him by asking him three (3) times: "Do you love me?"

And in asking him three (3) times, He gave him an opportunity because he had denied Him three (3) times to say "I love you" - It was the fire that was too hot that I don't know that my Strength won't be enough but I do love you.

I have Good News for Somebody who is here tonight or reading this Message now on the Label of DMC and your love for God has waxed cold. Before we leave here tonight, your love for Him will be boiling hot.

When Peter in Particular had this Meal with Jehovah El-Shaddai, his Destiny was restored!

Because under normal circumstances, a man who denied Jesus Christ three (3) times is no longer fit to be a Disciple.

Because what the Bible says clearly is that anyone who wants to follow Him is not even allowed to look back once.

But this man looked back three (3) times.

The Bible made it clear that anyone who will deny me before man, I will deny him before my

Father in Heaven.

Peter qualified for being denied by Jesus Christ.

The Bible says that you are not even supposed to swear - Not by Heaven, not by Earth and not by anything; but Peter swear that he has never known Jesus Christ.

Whichever way you look at it, Peter was gone.

The Lord has told him before: Hey Peter, trouble is coming! Satan wants you in Luke 22: 31-32.

He said to him: Peter, Satan is after you - He want to sift you as wheat.

But Thank God He said: I have Prayed for you.

If I ask anyone here Tonight: Can you deny Jesus Christ? Can you say that you don't know Him?

After all those years, now you are a Member of the Choir and you have even gone beyond that, you are now a Pastor.

Can you ever say: I don't know Jesus.

We will all say: God forbid!

But in Africa, they have a Proverb - They say that it is the man who has never seen battle who calls himself a man (DMC NOTES: Eni ija o ba lo pe ara re l'kunrin).

When battle is sufficiently hot, even a Warrior will say that the man that runs today will leave to fight tomorrow - That is another way of saying that "I better run".

DMC NOTES: "Àjà málàá, àjà má sà, ni ti ọkùnrin ogun" (To fight and not to run is the mark of a brave soldier, but to retreat strategically is the essence of a warrior).

May I Pray for you: That which will come on you that will cause you to deny Jesus Christ will never come to you - Amen!

I Thank God for my brother who brought the Message.

When he was talking and he mentioned what happened when he lost his daughter and then how he made a declaration to the devil - That instead of going back from Jesus Christ, he is going to

purse Jesus Christ more vigorously.

He doesn't know that he might be talking to Somebody here listening to him.

When I lost my son - My first "Miracle Son"; it takes God for me to say: "I will stand with you to do the Will of God whatever it takes".

My son died on Tuesday and I had to Preach on Friday - It would have been understandable if on that Friday you don't show up and you send Somebody else to go and deputise for you.

But there are certain People who despite whatever is happening have decided that they will cling to Jesus Christ till the end.

So, if you dine with Jehovah El-Shaddai, you will have Comprehensive Restoration Body, Soul and Spirit.

If you join us in the Celebration of the Holy Communion tonight, I decree in the Name of my Father in Heaven that you will be healed and your Sorrow will be gone - Amen.

Let me be bold and say: You shall weep no more - Amen.

And your Destiny shall be fulfilled - Amen.

Let me stop on that concerning Holy Communion because after Holy Communion, we will be going to Anointing Service.

You see because this God, the Jehovah El-Shaddai is a God that is more than enough.

At a time when you think that He has done enough; He will tell you that I have not even started.

In Psalm 23:5, David said: Thou Preparest a table before me in the Presence of mine Enemies.

And then as if that is not enough, You anointed my Head with oil, my cup runneth over.

Let's take one Verse bit by bit:

1. He said that God decided to be my cook - Thou Preparest a table.

He didn't just say: Alright, you want to eat rice? Okay, here is rice, here is Malt, here is water, here is Gas Cooker - Go ahead and Prepare your own food.

God said that I am the best Cook in the Universe and I will cook for you.

2. He said that I will do the cooking where your Enemies will see

I know that many of you don't have Enemies - Congratulations.

Although it is a terrible thing not to have Enemies because if you have no Enemies at all, it means that you are Nothing - You don't amount to anything.

I mean that if all that you have is one shirt, one trouser and one pair of shoes, will you need a Bodyguard? What is the thief coming to steal?

But if you are one of those People that when they mentioned your name, everyone knows that this man is rich.

Do you know that ordinary People don't live in Gated Community?

Why? Because what is the thief coming to steal in the house of Somebody who has nothing?

So, if I Pray that God should give you Enemies, will be able to say Amen?

Whether you like it or not, you will have Enemies - Amen!

But in their Presence, those who are wishing that you will die and those who are wishing that you will become nothing, right in their Presence God will Prosper you - Amen.

That is why I have always encouraged my children: Don't Pray that all your Enemies will die. If they all die, who will be there to see God's Glory in your Life?

You need those Enemies to see how Great your God can be.

3. He said that after you have eaten, I will pour oil on your Head.

☆ Anointing destroys Yokes.

☆ Anointing is necessary to bring you from the bush and make you a King.

☆ Anointing can make anything you touch to become a weapon of Mass Destruction.

You don't believe me, ask Samson? With the Jawbone of an Ass, he killed a thousand.

Why? Because of Anointing.

4. Then He said that I will anoint your Head because your Head is the Citadel of your Destiny.

I have told you before that the Head is so important that when they want a Picture of your body, they ask for only your Head because they know that your Head controls the rest of your body.

And God says that your Head, He will make sure that he pours oil on it.

I remember one Convention that we just finished - Very big Convention then at least by our Standard.

I finished our Convention and went out to ensure that the Camp is in good order. By the time I returned home, I was very tired and so I called my family together and said: Come and let us Pray.

I was about to Pray and they say: Daddy, we have not Worshipped God yet? I said that I am the head of the family.

So I said: Father, Thank Yiu for the Convention, see You tomorrow - You know that kind of Prayer.

And then I turned to everybody: I am going to bed, let Nobody disturb me.

I got to me bed - I couldn't even remove my Clothes, I just throw away the shoes and I was asleep immediately.

Few Minutes later, my wife came to knock at the door - Ha woman, didn't you hear that I said don't disturb me?

She said that there is a woman who came all the way from the North and they have told her that you are tired and not seeing anybody.

She asked is he in there? They said yes and she said no Problem if he can't see anybody today; at least anytime that he is going out, he will pass through this door.

They gave her food to eat, she ate but refused to go.

So my wife came to me and said: I know that you are tired o but you better add this to your tiredness.

I reluctantly got up and went to her - What is wrong with you woman?

She said: I just want you to touch this Head - This Head that is always refusing something good. Please touch it.

I know that if you touch this Head, my Problem will be over.

I decree today: In the Name that is above every name, may God touch your Head - Amen!

He said that I will anoint your Head and I will do it like El-Shaddai will do it so much so that it will Overflow.

That is what will happen here Tonight!

We will dine with Jehovah El-Shaddai - He is the One who Prepared the food and He is not Preparing an ordinary food; He is Preparing a food that is Himself.

He wil, say: Take, eat; this is my Body broken for you.

It doesn't matter how good the Cook is, what will come out as a Product of his Ability will be seriously determined by the quality of the Material that he is using in Preparing the food.

Jesus Christ said that what will be used to Prepare the food that I am Preparing for you is me myself - The very best of the very best.

He is going to Prepare a Table for you using Himself as the Ingredient.

He is going to do it in the Presence of your Enemies - Just to show them that you have Someone behind you who is called Jehovah El-Shaddai.

And then after you have eaten, He will anoint your Head with Oil and He will do it to Overflowing.

That is why the Meal of Tonight must not be taken lightly.

The Bible made it clear: When you eat it the way that it should be eaten, He will make you Whole.

If you eat it wrongly, the Bible says that it may even kill you because it is Powerful.

In other words, you are not to Partake in this Meal if you are not connected to the One who made the Meal from His Body and the Wine from His Blood.

It is not a joking matter - You don't Partake of the Holy Communion if you are not Born Again and if you are not completely one of His Own,

It should be clear to you that if you are not washed or you didn't bath for days and you begin to apply Moisturiser; you will be smelling because your dirt is being covered by something Good.

You don't begin to apply Moisturiser without washing first.

ALTAR CALL

That is why I am going to give you 2 Minutes to do so if you have not Surrendered your Life to Jesus Christ so that His Blood can wash you and make you Clean.

Then you will be worthy to come and dine at His Table.

Then you will be Clean enough for the Anointing to do you Good.

So, I am going to give you just 2 Minutes and I will count from one (1) to ten (10). Before that ten (10), you must be Standing before the Altar here:

☆ So that we can join you in Prayers.

☆ So that God can wash you in His Blood, save your Soul and make you ready to Partake of the Holy Communion and the Anointing Service.

So, I will begin to count now!

Those of you in front, cry to God: I have come to You for Salvation of Soul, I want You to wash me Clean with Your Blood, I will serve You from now on and I want to be a Member of your family.

Go ahead and talk to God.

And the rest of us, Please Stretch your hands towards these People and intercede for them:

Pray that the One who saved you will save these People also.

Please Pray for them.

Thank You Father!

In Jesus Mighty Name we have Prayed - Amen.

PRAYER FOR SALVATION

And so Father, we want to Thank You.

Thank You for the Word and Thank You fir the ones who has decided to Surrender their lives to You.

Please receive them, have Mercy on them, save their Souls, let Your Blood wash them Clean and from now on, let them remain Your Children forever.

In Jesus Mighty Name we have Prayed - Amen.

ADMINISTRATOR OF HOLY COMMUNION

It is time now for the Holy Communion.

Don't forget what I have told you - The Bible made it clear that if you eat the Holy Communion unworthily because you have something against your Brother or Sister, you will be asking for trouble.

So make sure that if there is anybody that is in the Body of Christ that has offended you that you don't want to forgive or you have made up your Mimd that you won't forgive; then don't take the Holy Communion.

When they bring the Elements to you, just ask them to pass it on.

If you take it worthily, you will have a Testimony in Jesus Mighty Name - Amen.

Now, they will serve you the Elements and you just hold on till you have all been served.

When I give you the Signal, as you eat the Bread, I appeal to you that you will Stretch Out your

Heart in Faith to the One who is called "The God of all flesh".

That as you eat this Bread Tonight, everything that is not of God, everything that the devil has sneaked into your body will be uprooted tonight.

The Lord Jesus Christ; the very Night in which He was betrayed took the Bread and when He has given Thanks, He broke it saying: Take, Eat; this is my Body broken for you; do this in Remembrance of Me.

In the Name of the Father, and of the Son and of the Holy Spirit - Amen!

Go ahead and Pray for yourself.

Now go ahead and open the Wine.

And as you drink the wine, you Pray that the Power you need to Succeed for the rest of your Life that God will pour it on you.

After the same manner also; He took the Cup when He has sup, saying: This Cup is the New Testament in my Blood, Please do ye as oft as you drink it in Remembrance of Me.

In the Name of the Father, and of the Son and of the Holy Spirit - Amen!

Go ahead and Pray!

Thank You Father.

In Jesus Mighty Name we have Prayed - Amen.

So shall it be in Jesus Name - Amen.

DADDY GO PRAYS

That Body broken for you will bring you Total Healings.

That Blood shed for you will empower you for the rest of the Journey.

You will finish well,

You will finish Strong

The Name of the Lord will be Glorified in your Life.

So shall it be.

In Jesus Mighty Name we have Prayed - Amen.

Praise the Lord - Hallelujah!

Now you may be seated.

Pass the little cups to the aisles so that the Ushers can help us collect very quickly.

ADMINISTRATION OF THE ANOINTING

Now, we want to go to the Anointing.

The Pastors will be Anointed by their Leaders and then they will come to anoint you.

The Principle behind that is that when the Lord wanted to feed the People with five (5) loaves of Bread and two (2) fishes; the Bible said that He broke the Bread and He gave it to the Disciples and the Disciples gave it to the People.

The Principle is the Principle of Spiritual Multiplication.

I will anoint my wife and the two (2) Continental Overseers (DMC NOTES: Continental Overseers for The RCCG Americas 1 and 2) and then they will go ahead to anoint as many of the Pastors as Possible.

By the time that one will get to you (Your Pastors), it would have increased in Power and you will Testify.

... Session of Anointing Session.

THANKSGIVING

In the meantime, you want to take your Thanksgiving Offerings - You want to say Thank You for the Holy Communion and Anointing Service.

So you will take the Offerings and you will Prophecy to yourself now that the Anointing is still

fresh on you.

And you will say: Father, every Yokes in my Finances, I Prophecy that they are broken now.

What I am Giving now Lord, is going to be the least I ever give.

Go ahead and Prophecy to yourself.

Thank You Father!

In Jesus Mighty Name we have Prayed - Amen.

Now you will give the Offerings.

You will show the devil himself with the way you will rejoice that he has lost the battle over you forever.

Now we will dance and rejoice, drop your Offerings and then shake hands with as many People as you and go!!!

We give You Honour.

OPENING PRAYER

Almighty God, King of Kings and Lord of Lords, the Ancient of Days, Jehovah, we Worship You.

We give You all the Glory, we give You all the Honour and we give You all the Adoration.

Father, accept our Worship in Jesus Name.

We Thank for all the Past Conventions, we Thank You for all the Testimonies, we Thank You for all the Miracles, Signs and Wonders.

We Thank You for all that You have done during this Convention,

We Thank You because we know that You reserved the best till the last.

And so we know that tonight, you are going to givebus the best.

Please accept our Thanks in Jesus Name.

All that we are asking that You do Tonight is that all those who are here and all those who are connected with us throughout the world, inclusive those reading now on the Label of DMC: This Night, Prove Yourself.

Show everyone of us that You are the Almighty.

And at the end of it all, Please take all the Glory.

In Jesus Mighty Name we have Prayed - Amen.

Let Somebody shout Hallelujah - Hallelujah!

Now, you are going to shake hands with two (2) or three (3) People and tell them: Neighbour, I love you but tonight my Miracle will be bigger than yours.

Because I don't know the extent of what God will do Tonight and because He assured me that even myself will be surprised tonight; I want to hurry because I want to experience what He says that I will experience.

And not only that, tonight I am going to encourage you to Pray the way we used to do it at home.

Genesis 17:1: And when Abram was ninety years old and nine, the LORD appeared to Abram, and said unto him, I am the Almighty God; walk before me, and be thou Perfect.

There is something called "The Law of Priority".

The Bible says in Luke 6:45: Out of the Abundance of the Heart the mouth speaks.

In other words, what you say first, the Priority that will come out of your mouth is determined by the Abundance of what is in your Heart.

What you considered as the number one of all you want will come out of your mouth first.

So, the very first time that God introduced Himself to a man by name is here - And what God said is: "I am Jehovah".

Oh, He could have spoken to you by telling you what He is going to do, what He will forbid et cetera et cetera. But to introduce Himself specifically by Name is here - "I am Jehovah El-Shaddai".

I mean that when we talk of Priority for example, so that we can fully understand:

☆ When God asked Solomon: What do you want? When God gave Solomon a Blank Cheque in 2 Chronicles 1: 6-15; what was it that he said - "Give me Wisdom" (That is the Priority in his Heart).

This is something that he is Pursuing, hungry for and thirsty for more than anything else - Just give me Wisdom, the rest can come later.

☆ In 2 Kings 2: 9-15, when Elijah wanted to leave and he turned to Elisha: What do you want? What is that thing that is most important more than anything else?

Elisha said: Give me a Double Portion of your Spirit.

Solomon didn't say: God, let me go and think about it or let me Pray a little bit and see what I want.

Elisha didn't say: Thank you very much, you know that I left my father's farm to follow you, I became just a Servant for all these. If only all the money I could have made were to be put together and add Interest maybe I will be worth this much.

So sir, whatever you think?

No, he didn't say: Let me Pray about it; the answer was straight after the Question.

I am going to ask you to Pray - That thing which is Paramount in your Heart, that Singular Miracle that you will want tonight; for 2 Minutes, go ahead, go and ask from God.

It doesn't have to be things that you will think about.

Now, El-Shaddai means:

☆ The God who is More Than Enough - Like suddenly told you earlier on.

☆ The All Sufficient One

☆ The One who is Superior in every situation

☆ The One who knows more than you.

☆ The One who can do what you can never do.

☆ The One who is above you in every way Possible.

☆ The One who is Stronger than you.

☆ The One who is More Powerful than you.

☆ The One who is Richer than you.

☆ The One who is Wiser than you.

☆ The One who is more able than you.

☆ The One who is any way Possible is Superior to you.

That is the meaning of Jehovah El-Shaddai.

I am going to explain a little bit tonight and then leave you alone with the El-Shaddai for some Minutes.

And then we will be ready to Celebrate.

Thank You Daddy!

The Lord says that Someone is here or among those reading this Message now on the Label of DMC who said: Lord, when will I share my Testimony.

Daddy asked me to tell you this Month - Amen!

In Psalm 91:1, the Bible says: He that dwelleth in the Secret Place of the Most High God shall abide under the Shadow of the Almighty.

That is another way of describing the El-Shaddai - The Most High.

Which as you find in Ecclesiastes 5:8 means the One who is Higher than the highest.

In other words, if you are the highest Person among us here, there is still Somebody who is Higher than you - That is Jehovah El-Shaddai.

The One who said in Isaiah 66:1 - He said that Heaven is my Throne, the Earth is my Footstool.

When we are talking about the People who are high, no matter how high they are, their Throne is on Earth.

El-Shaddai is saying that my own Throne is in Heaven and your own Throne no matter how high is still under my feet.

... That tells you how Superior He is.

And you know the beauty of that? He is the only One who can really Promote you.

According to Psalm 75: 5-7, He said don't worry yourself: Promotion doesn't come from the East or West or South, He said that God is the judge. He is the One who raises up one and pulls down another.

Nobody can really Promote except God do it.

In 1 Samuel 2: 7-9, it doesn't matter how low you are, by the time He has finished Promoting you, those who thought that they were higher than you will discovered that the highest they can go, you can be there too.

I think that I heard one of the Preacher talking about where God took him from and now where God has brought him.

May I decree to Somebody here tonight or those reading this Message now on the Label of DMC: That height (The highest Possible height) that you can dream of, God will take you Higher - Amen!

He that dwelleth in the Secret Place of the Most High shall abide under the Shadow of the Almighty.

That is talking of Might and the ability to get things done.

And He says that when we are talking of Might, I am the Almighty.

Put all the Mighty Men in the world together, they will still not be as Strong as I am - He is the Almighty.

Oh, Thank You Father!

Daddy says that there is Someone here today or reading this Message now on the Label of DMC:

He said that I should tell you that the door shall be re-opened - Amen

That is why the Bible says in Luke 1: 26-37 - When God spoke to a virgin that she was going to have a Great Son and Mary asked a very legitimate Question: How can this be? I don't even

know a man?

God says that it is easy for me - "With me, nothing shall be Impossible.",

May I decree to Someone: Everything that the Doctors has called Impossible shall be reversed - Amen!

Why? Because the Almighty God is Jehovah El-Shaddai - He can heal any sickness or disease.

That is why He said somewhere in Exodus 15:26 - He said that I am the Lord that healeth thee.

You just know who you are dealing with: Obey me, don't put me on the same level as any Human Specialist - I can see to it that you never know Sickness.

He said that I am the Lord that Healeth thee - I can make sure that no sickness will come near you at all.

And I will love to decree to anyone who can receive it: From tonight onwards till you see Jesus in Glory, you won't know Sickness again - Amen!

Why? Because this same Jehovah El-Shaddai is also called "The God of all flesh" - Jeremiah 32:27.

And He asks a Question: Is anything too hard for Him?

When a Teacher ask you a Question, it is not that he doesn't know the answer but he wants to know from you what is the answer.

And Particularly if you have studied the Scriptures very well, whenever God asks a Question and He ends it with a "Question Mark"; He is expecting you to supply the answer.

So let me ask you:

Is anything too hard for
God? No!

Is your own too hard for God? No!

You see, in Mark 5: 25-34; if you know the Story of the woman with the Issue of Blood.

The Experts tried for twelve (12) years - And if you know Doctors, God bless them.

When they have come to the limit of their Ability, they look for Someone that they considered as Superior - Superior in Experience and Ability so that they will transfer you to Somebody who can do a better job.

They tried - Don't let me hear you speak "Little" of Medical Doctors.

They are Great People People - Wonderful Instrument in the Hand of God.

But they know their limits - When there is nothing more they could do, they will tell you that there is nothing more they could do.

And then they can ask you to stay in the house where they will be taking care of you, waiting for death and then they will begin to count days.

In this case of the One called El-Shaddai, when your case gets to him, you have come to the last Bus Stop because He doesn't refer cases.

And He is the first one ever to Perform an Operation - He is the Original Surgeon.

When He was bringing out Eve out of Adam, He didn't split a single drop of blood - Adam didn't wake up and discovered a scar. But what he saw was a beautiful woman.

And in case you think that this Jehovah El-Shaddai is a name in the Bible and it doesn't mean anything today; I can tell you Stories upon Stories upon Stories when He had done what you cannot believe.

Let me give you one example:

I travelled I think to America but before I travelled we had a friend - Family friend and Classmate of my wife who had cancer of the Vocal Cord. And they took her to University College Hospital (UCH) Ibadan (DMC NOTES: The Teaching Hospital of University of Ibadan).

And for her to live, they had to cut off that Place - And you know that if they cut off your vocal cord; it means you can never speak again.

So we went there, we Prayed for her and we encouraged her - Don't worry Sister, with Him all things are Possible.

And she was discharged and from that time onwards, we were communication with her through Mobile Phone - Send Message to us, we will reply same way.

Then I travelled to America here and I got back home.

As I was coming out of the car, I saw a woman rolling on the Ground and I was wondering what is the Problem and so I moved closer.

And the woman on the Ground looked at me and said: Daddy it is me, I can speak again.

I know some of you don't believe that - It doesn't matter.

But I am decreeing tonight: That whatever is it that you have lost, that the enemy had taken away from your body; shall be restored - Amen.

You know that He is so Powerful that He can heal just by Speaking.

2 Kings 5: 1-14 - Hey Naaman, you are a Good Man aren't you? But a Great Leper?

Just to let you know that I am Greater than any General, go and jump in the River Jordan and bath seven (7) times - Seven (7) times because, I just want you to know that I am far, far more Superior to you and so you must obey me.

You know the rest of the Story - He washed and was Clean.

Now, the Bible says that his Skin returned to him like that of a new born baby.

Jehovah El-Shaddai can heal you in such a manner that there will be no trace that you have been sick - Amen.

I think it was America we came for - God has a Special Love for America.

I Pray that America will have a Special Love for herself - Amen.

And I got home and one of my daughter came to me and say: Sir, I need help.

What is the Problem? The mother had a Problem in her Stomach, they took her to the best Hospital and operated on her; removing what was causing the trouble.

But then the womb refused to heal and now whenever Mama wanted to ease herself; everything

was coming through her belly.

The Doctors said that there is nothing they could do.

In any case, they knew that they were taking a risk because Mama was old.

And the daughter said: Sir, we knew a God who can do all things. And so we want God to heal the womb.

After the womb has been healed, if God wants to take Mama home, God is free to do so but we don't want her to go in this mess.

And I was tired having just returned from a long journey and so I can't Possibly travelled with her.

And I just remembered that the Bible says that God Performed Special Miracles by the hand of Paul - And that God is my God.

So I said: Get me an handkerchief - Of course they brought more than one and I Prayed over it.

And they went to their town and laid the handkerchief on Mama.

By the second day that they went to see Mama, not only was the wound healed; there was no sign of where the Operation was done.

I decree tonight that the Healing that you will get will leave no trace behind - Amen

He can ever cause dead dry bones to live - Ezekiel 37: 1-10.

Oh, my God Thank You!

The Lord ask me to tell Somebody inclusive those People reading now on the Label of DMC:

He said that "Your Joseph" is coming and it will soon be followed by "Benjamin" - Amen!

In a way that Nobody can explain, God can heal through what we called "Creative Miracle".

You know in John 9: 1-7, the Bible tells us of a man who was born blind - Not that he became blind but he never has eyes.

As I use to say to my children when we are having fun - This man was such in a hurry to come to the world that he didn't wait for eyes.

When the Lord wanted to heal him, He spat on the Ground, made some clay out of it and anointed the Place eyes are supposed to be and then told him to go and wash off the mud.

And by the time he came back, he was seeing.

I have Good Newz for Somebody who has a Problem that is Genetic - Something that you are born with: In the Name that is above every other name, before the Sun rises, what is missing will be replaced (Amen).

If you are here Tonight or reading this Message now on the Label of DMC and you have any form of Cancer; in the Name that is above every other name, we will hear your Testimonies soon - Amen!

I will give you just one example:

There was a lady who had Cancer of the Breast,

They took her to the same Hospital I referred to earlier (DMC NOTES: UCH Ibadan) and in order to save her, they cut off her Breast.

Her friend went to see her in the Hospital and had an Handkerchief that we have blessed with her.

She take a ,look at her friend - One breast gone.

And then she said that our God is alive - Took the Handkerchief, laid it on the Place the breast used to be, Prayed a Simple Prayer and left.

By the time she returned for another visit, that breast thar was cut off had grown back.

Oh you see Miracles here but because Tonight, God is talking to us Himself - The One who is More Than Enough, the Original Physician, there is Somebody listening to me here or reading this Message now on the Label of DMC; I am going to get your Letter before the end of the Month (Amen).

And you will share a Testimony bigger than the ones you heard here today - Amen!

Now, Jehovah El-Shaddai is Stronger than the strongest, Higher than the highest and Wiser than the wisest.

As a matter of fact, the Bible tells us that He is the One who is the Controller of Wisdom - Daniel 2: 20-23.

You can read the whole Chapter (Daniel Chapter 2) but it is in Verse 20 that Daniel began to say: "This God is the Possessor of Wisdom".

So, when you see anyone that is wise, he got his Wisdom from God.

And so, you can't come around and say that you are wiser than God - If you have any Wisdom at all, you got it from Him.

Which is why in Genesis 41: 1-41, He was able to take Somebody from the Prison to the Throne overnight.

Thank You Father!

The Lord said that there is Someone here Tonight or among those People reading this Message now on the Label of DMC:

He said that the one who is going to help you will dream of you this Month (June) - Amen.

The King has a Dream and because of the Dream that the King had in his Palace, a man was Promoted from the Prison to the Throne.

In Daniel Chapter 2 that I referred to earlier on: A King had a Dream and forgot the Dream and he said that I want to hear my Dream that I have forgotten and I want to hear the Interpretation.

I mean, all the Wise Men said: Ha your Majesty, Nobody ever asked any man this kind of your request that you are making - Tell us the Dream then we will give you the Interpretation.

He said that if I tell you the Dream, you can fabricate the Interpretation - Now tell me the Dream and then I will know that your Interpretation is correct. Otherwise, I will kill you all.

That is when David said: Give us time and let us consider Jehovah El-Shaddai - There is Somebody who is Wiser than all wisest.

And of course God revealed the Dream as well as the Interpretation to Daniel. And he told the

King

Oh, Thank You Father!

The Lord ask me to tell Someone inclusive those reading now on the Label of DMC:

He said that by this time Next Year (2027), when People are giving Testimonies, your Testimony will be among the Greatest - Amen!

Something like this happened - Something that showed that if you connect with Jehovah El-Shaddai, He will give you Wisdom that is beyond Ordinary.

A friend of mine now resting with the Lord - His name is Professor Aboaba; came to me one day in Nigeria.

He said: Daddy, I had a Dream and in the Dream, God gave me a Song - A Beautiful Song.

But by the time I woke up, I have forgotten the Dream.

Can you tell me my Song?

I mean he was a very funny man!

I looked at him and said: When did I become Daniel? You had a Song in your Dream and you forgot?

He said: Well, I just thought that I should asked you.

And it just occurred to me: Why don't you say "I will Pray about it"?

And believe me honestly - Before the next day Morning; I had the entire Song written down.

Whatever is it that God Himself wanted to give you but for one reason or the other it seems that it has escaped you; I ask today that it will be restored to you - Amen!

I think that I heard a similar Testimony:

Somebody heard my Testimony of how I got my PhD and applied it and she is now a Professor.

Congratulations Professor

And those of you who are Students, in the Name that is above every other name, from now on, you will keep Excelling - Amen.

There is something about Jehovah El-Shaddai that is important that I want you to really pay attention to - And that is that He is the Controller of Mercy.

Because when you read Ephesians 2:4, it says that He is rich in Mercy.

Meaning that Jehovah El-Shaddai is not just Richer than you Materially, He is Richer than you in Mercy.

It now says in Romans 9: 10-16 - There it says: I will have Mercy on whom I will have Mercy ...

That is one of the Prayers that I want you to Pray tonight - "God have Mercy on me

Because many of us, if God were to consider our Life, we won't get anything from Him.

But He can be Merciful - And He will be Merciful to Somebody today (Amen).

Because the Bible says there that it is not of him that runneth nor of him that willeth but of God that shows Mercy.

He was talking there about two (2) boys born from the same womb - And one was even already blessed before he was born and the other was already cursed before he was born.

So God says that I will be Merciful to whom I will be Merciful, I will have Compassion on whom I will have Compassion.

He said that it is not going to be a question of how Strong you are, how Great a Prayer Warrior you are etc; it is not of you but of God that showeth Mercy.

Because when God decides to show Mercy unto you, He will break every Protocol!

Thank You Lord!

The Lord ask me to tell you that because you are here or among those People reading this Message now on the Label of DMC:

He ask me to tell you: Everyone that is in a Position to lift you up who has forgotten you will

remember you - Amen.

In Mark 1: 40-45, the Bible tells us that a Leper came to Jesus Christ - He says that I know that if You want to, You can do it by making me Clean.

I know that You are the Jehovah El-Shaddai and You are the God of all flesh - There is nothing too hard for You.

Whether You will be willing or not is what I don't know.

The Bible says that Jesus moved by Compassion said to him: You want to know if I will be willing?

Thank You Father.

I think that I must say Amen to this one before I tell you because it affects me too.

The Almighty God says that there is Someone here or among those People reading this Message now on the Label of DMC who is Praying hard saying: ^Please Lord, help me".

The Lord ask me to tell that fellow: "I will".

Thank You Father, even if that is all I heard from You during this Convention - That will be enough!

Jesus Christ was aware that he was a Leper.

He was the One who wrote the Bible and He was the One who made the rule - Don't touch a Leper and that if you touch his Cloth, even you will become Unclean.

And He has the Power - All He has to do is to speak a Word and say to the Leper: "Be Clean".

But the Bible says that He was moved by Compassion and He broke the rule and touched him.

Ha, God will have Mercy on Somebody today - He will break all the rules and touches you (Amen)

Some of you who are old enough will remember this Story which is about Somebody:

When we were Younger, whenever we have Convention like this; we have Bible Study - We

break into small Groups.

And then my Young ones (Those younger than I) will have a Meeting a Month before hand where I would have taught them what we will be Teaching the People.

So we call them Bible Study Leaders (They lead Bible Study) - Quite a few of them are sitting behind me here.

Now among these Bible Study Leaders, there are some of them who are Superior as if to say so -
- And so we give some of them Special Assignments

So there is this one who was very Good Scripturally - So, he was always the one we choose when we want to talk to Married People because he knows the Bible very well.

And so, he will be telling them that if your wife is Pregnant and it is time to deliver, all you need to do is to bind all bindables, loose all looseables and then Command the baby to come and the baby will come.

Then he got married, his wife became Pregnant and it was time to deliver - He bind all the bindables Including witches and wizards in his family; he loose all looseables, he Commanded the baby to come out but the baby refused to come out first day, second day, third day.

He ran to the bush behind his house, fell on his face and said: God, I have done everything, Please have Mercy.

Before he returned home, the baby had come.

I decree in the Name that is above every other name: All those Prayers that you have Prayed that had not gotten results; as you cry to God for Mercy tonight, you will get an answer this very Night - Amen!

And then, He is the Controller of Blessings.

When He blesses, the blessing is Settled.

If your father blesses you in the Name of Jehovah El-Shaddai, you will be blessed.

And maybe I will just go straightaway and say to anybody who needs a Blessing and anyone here calling me daddy: "You shall be Blessed" - Amen.

When you are talking in terms of Priority - That is, what is uppermost in your Heart is what you will do.

The first time God spoke to man in Genesis 1: 26-28, as soon as God formed the man, the Bible says He blessed them.

Before they even knew who was talking to them, He said: "Be Blessed",

And I think that I have told you before - When God blesses you, when you hear "God Bless You", that is the biggest Prayer that you can ever have.

Because if you read Genesis 27: 25-40, Particularly Verse 28, when Isaac was Blessing Jacob; the Summary of everything that happened there was: Let all the Forces in Heaven, Plus all the Forces on Earth - Incidentally including your mother's children, Plus all the Forces underneath the Earth; combine their Forces to help you Succeed.

That is what "God Bless You" means.

And I decree in the Name that is above all names - I lift my hands to Jehovah El-Shaddai and I decreed "Be Blessed" (Amen).

And once you are blessed, Nobody can curse you anymore - Amen!

If they curse you, the curse won't Stick.

But Jehovah El-Shaddai controls Blessing - He decides who He will bless, He decides who He will curse.

I have told you the Story of a Set of Twins born from the same womb.

One of them was the Chief Executive of very large and Prospering Company and the other twin brother was his Driver.

And when People ask the CEO: How can you employ your Twin Brother as your Driver? He said that I am safest in his hands.

It is not my fault o - We both went to the same School but one way or the other, by the manipulation of the Most High; I did well and I started this Company. And God had blessed this Company. My Brother, well he ended up as he has ended up.

I Pray for you one more time: If only God is going to bless only two (2) People here Tonight, may You be the first - Amen!

But then, He now added something - He said to Abraham: Walk thou before me where I can see you and you can't hide. I want you in front of me where I can see you.

Because at the end of the whole Story, you are the only one who will decide whether Jehovah El-Shaddai will work for you.

Whether you believe it or not, as Great as God is, as Mighty as He is - Bigger than the biggest, Stronger than the strongest, Higher than the highest, More Powerful than the most Powerful, Wiser than the wisest, Older than the oldest, the Supreme Being, the One who said: I am in the Heaven and I do what it Pleases.

You are the one who will decide what you will decide and what you will get out of Him.

How do you mean?

He introduced Himself in Exodus 3: 13-14 - He said to Moses, my Name is "I am that I am". Meaning that I am whatever you call me.

It is you that will decide what you want me to do.

I have said to many of us as we Study the Scriptures that the man who created the Pencil is also the one that created the eraser.

God brought you here to make it a Convention different from any other one but it will be up to you.

... I am whatever you decide to make me.

I said to Eli in 1 Samuel 2:30 - He said I told him and didn't send a Prophet that himself and his father's house will be my Priest forever. But I now say no. I change my Mind.

And if you don't like the fact that I Changed my Mind, sue me:

☆ Let us find out the Judge that will judge the case?

☆ Who will be the Lawyer that will take your case if you tell him that I want to sue Jehovah El-Shaddai.

I will tell you a Story and then I will give you an opportunity to Pray.

There was one Young Man, every time he comes to me for Prayer - Daddy Pray that God will Prosper me as I am tired of Poverty. And I will cry to God.

By the way, let me decree concerning all of you here and those reading now on the Label of DMC: You won't die in Poverty - Amen!

Because I am believing God for you - Particularly those of you my children in America: Whatever you need to do for God to favour you; God will give you the Grace to do it (Amen).

So, this boy came one day and say: Hey, Praise God! God hears your Prayer.

I said okay, what happened?

He said my Landlord called me and said that I want you to sell my house (Thirteen (13) Storey Building - Young Man, you have been a very good Tenant to me, I want you to sell the house.

I don't want to know how much you sold it for, I only want this much for the house.

If you know how much it is worth compared to what this man wants; I have made it sir.

I said Congratulations, Glory be to God - God will let buyers come soon.

I said okay, since it is Thirteen (13) Storey Building and the house is now Practically your now, don't forget to Pay Tithe - You know out of the Thirteen (13) Storey, give one to the Church.

And his face went red - He said: That is the Problem with you Pastors. I told you that I have just had my first Breakthrough and the first thing that you want to think of is your Tithe.

Ha, ha; what kind of Pastor are you?

He got so angry and I said that I am sorry sir. He stunned out of my office.

A couple of weeks later, he came back and said that I have sold the house - I said Congratulations.

He said that when I took the money that the Landlord asked for to him, he said what do you say? I said I brought the money you asked for.

Which money? The house that we agreed upon that you want me to sell and bring this so much.

He said me? I told you that? He said that the "Juju Man" who made that charm for you is mad - I will sell my house for that amount you are saying?

He says that if you don't get out of my house, I will call the Police.

So he ran back to me - Daddy, I am in trouble as I have collected the money from the People. This man says that he is not selling the house anymore.

Please help me!

I said no, don't you know that I am a Pastor who won't even hear that you have a Breakthrough before asking for Tithes?

Go and settle with God!

I can't tell you how he ended!

It is up to you my Brother, my Sister and my Children but my God told me that tonight even I will be surprised.

And believe you me honestly, it takes quite a lot to surprise me.

So, if God says I will be surprised, it means Somebody will be far, far more surprised.

So before I allowed you to Pray, it is in your own hand - Jehovah El-Shaddai is here.

Whether you believed it or not, before we were born and before America was established, God had already known that one day there will be an American Convention that the Theme will be "Jehovah El-Shaddai" and that you will be Present at that Meeting.

That He will make it a Meeting that Nobody will forget.

And let me tell you the Truth - You will be Present when the Testimonies begin to come.

And there is the Possibility of you saying: But I was there, how come the Prophecy that came true for these ones, came through for that one, what about my own?

ALTAR CALL

So, if you don't want to regret that a Night like this came in your Life and you miss; I will appeal to you to come and Surrender your Life to Jesus Christ.

Because He said clearly in His Words: I cannot give the Bread of Children to dogs (DMC NOTES: Matthew 15:26).

As far as God is concerned, there are two (2) Categories of People - Children and Dogs.

Who are Children? For as many that believed in Him, to them gave He Power to become Child of God (DMC NOTES: John 1:12).

If you have not yet given your Life to Jesus Christ, I am sorry to say: You are not yet among Children of God but just a Creature.

But you can Change that Tonight - You can come forward regardless what anybody may think and Surrender your Life to Jesus. Let Him save your Soul, write your name in the Book of Life and you become a Member of His Family.

And then, you become a Child of God and every Miracles that He wants to Perform Tonight, you will get your own.

Pray that the One who saved your Soul will save their own Souls also.

Pray that they will become Genuine Christians of the Living God.

Go ahead and Pray for them.

We will straightaway go to Psalm 91:1:

Psalm 91:1: He that dwelleth in the Secret Place of the Most High shall abide under the Shadow of the Almighty.

During the Convention, we were talking about Jehovah El-Shaddai.

1. We referred to Him also as the Most High - The One is higher than the highest according to Ecclesiastes 5:8.

There is Someone who is called Higher than the highest.

When you go through the Scriptures, you will find Kings who are very high in their Domains and they tried to challenge anyone to show them that they are higher than they.

And God showed Himself to them and they all regretted trying to compare themselves to Jehovah El-Shaddai, the Most High.

In Daniel 3: 28-30, one King said: Who is that God that can deliver you out of my hand.

Well, by the time God finished showing him who He really is, he said in Daniel 3: 26-30; he said that there is a God that none be compared to Him.

In Daniel 4: 34-37, you find God telling a King - Humble yourself so that you don't get into trouble. But he refused to Humble himself.

And God said: I will humble you by force - I will cause you to eat grass for seven (7) years.

And that King after seven (7) years said: When I came to my senses, when I know the One who truly is the Highest, he said that my Kingdom was restored to me.

I am Praying for you this Morning or as you read now on the Label of DMC: That all those People who can say where is your God, God will demonstrate and answer them - Amen!

Sometimes ago, I told the Story of four (4) boys who are living at the White House as an illustration of our own Aso Rock.

Four little boys:

☆ One is the son of the President.

☆ One is the son of the President's Physician.

☆ One is the son of the Witch Doctor - Back home in Nigeria they called them Babalawo

☆ And then one is the son of a Messenger.

You know because they are children, they play together.

Then one day, they were Praying and then all of a sudden, one of them said that my father is the Greatest and higher than all of your fathers.

Why? Because I am the son of the President - My father is the Head of State and so automatically my father is Greater than all your fathers.

The second one said: No way, my father is Greater than your father,

Ha, what do you mean?

He said that my father is your father's Physician, if he tells your father not to get out of bed for one week, your father must obey.

And the third one said: Well, you seems to be forgetting that my father is the Witch Doctor and he can kill both the President and the Physician.

And the fourth one said: My father is the Greatest of all?

How they all looked at him? You the son of a Messenger? How can you say that your father is the Greatest?

He said that my father not only can he kill, he can also raised the dead.

They said but your daddy is a Messenger?

He said that you don't know the One that I am talking about - He said that my father is Jesus:

☆ He can kill and He can make alive.

☆ He is Greater than all our fathers,

You know that the Bible says in Philippians 2: 9-11 - The Bible says that God has given Him a Name that is above all names.

Now, if you want the One who is the Most High to demonstrate His Height in your Life, may I hear you shout Hallelujah - Hallelujah!

2. He that dwelleth in the Secret Place of the Most High.

There is a Place called "The Secret Place of the Most High".

In Psalm 27: 4-6, the Bible tells us that there is a Place belonging to the Most High where He keeps all His own Precious ones in the times of trouble.

And where is this Place?

☆ Is it in the Vestry of the Church?

☆ Is it at the Headquarters of the Church in Lagos?

If it were to be in a Place that is fixed, then when trouble comes; if you are not in that Place, then you will be in serious trouble.

But the Bible tells us in Proverbs 18:10 - That the Secret Pavilion of God where He hides His own in times of trouble is a Name.

Proverbs 18:10 says: The Name of the Lord is a Strong Tower, the Righteous runs into it and he is safe.

And that Name again is JESUS - The Name that you can shout when you find yourself in danger suddenly and unexpectedly.

Maybe I should give you just one example:

In a Town not too far away from the Redemption City of God, the Place is called Sagamu (DMC

NOTES: A City in Ogun State Nigeria)

Somebody in the other Religion had a son and the son was Schooling in Ilorin (DMC NOTES: Ilorin is Capital City of Kwara Sate Nigeria).

This Young boy got converted and became a Christian and then begin to Preach the Gospel.

And News got to the father in Sagamu that your son has become an Evangelist o.

They then said to the father: You know the situation now - You are a very important man in Town and this boy has spoilt your name; so what should we do to him? You know that the best thing is to kill him.

The father said: No, no; if you kill him he has already spoilt my name; help me to make a charm that as I call his name, if he answers then he will go mad immediately.

Then he will be a good example to other children that if you dare convert, this is what will happen to you like it happened to the son of so and so.

So, they made the charm for him and he sent for the boy and the boy came from from Ilorin to Sagamu.

And the father knew that he was on the way and so on the look out for him.

As soon as he saw the boy coming, he went and carry the charm and as the boy entered the house (It was a Storey Building), the father called him.

Now, if your father call you, what will you do? He answered.

And they have told his father - As soon as he answer when you call him, he will go mad.

The boy came in, the father called him, he answered and looked up to see his father.

But instead of seeing his father, he saw a huge Mountain coming down from above and about to Practically crush him.

Now, in a situation like that; there is no time to Pray: "Our Father who art in Heaven, Hallowed be thy Name".

But there was enough time to shout a Name - Jesus!

And the Mountain went upstairs and the boy ran out.

Today, that boy is an Evangelist for Jesus Christ.

In case there is any danger that can ever come your way, there is a Name that you can shout.

May I hear you shout that Name? Jesus!

3. So there is Someone called "The Most High", Jehovah El-Shaddai and this Most High has a Secret Place.

And this Most High is also called "The Almighty".

And like we mentioned earlier during the Convention, to be "Almighty" means in a very simple Language: Someone who has the Ability to do anything.

According to Luke 1:37, the Bible says that: "With God, nothing shall be impossible".

In Genesis 18: 9-14, when God said to the ninety (90) years old woman that she will have a baby; she laughed.

And then God said: Why do you laugh? You are dealing with me! We are not talking of your husband or Prophet.

He said that: "Is anything too hard for the Lord?"

In Jeremiah 32:27, He said: Behold I am the Lord God of all flesh, is anything too hard for me?

Several years ago, a little over twenty (20) years now; there is this girl of mine - Married to a very Wealthy Man but barren. They have tried everything.

And then a Member of the family called the husband aside and said: Stop wasting your money, your wife has no womb - The Witches had taken away her womb and so there is no way that she can ever have a Child.

And then one day during a Holy Ghost Service, the Word of God came - There is Someone here, they told you that you have no womb and that you can never have a child. But the Lord asked me to tell you that you will soon give birth to a Set of Twins.

She knew that this can only be for me - So she grabbed it.

To cut a long Story short, about three (3) Months later, because she was feeling funny after meeting with her husband

And they told her: Ha, it looks as if you are Pregnant.

We don't know how it happened because the Doctors too had given up Hope on her.

The Doctor said that but I can see a Child in your womb - She said that you haven't seen very well, I will come back.

Two (2) Months later, she went back, the Doctor said that it looks as if I am seeing two (2) o - Now, you are beginning to see.

To cut the long Story short - Because they are Wealthy and the husband didn't want an error anywhere, so she took the wife to London.

They went to the Best Hospital and told them: Please I want you to bring out the baby. I don't want a situation whereby she dies during Labour or one of the Children dies - Take them out by Caesarean section.

So they put her to sleep.

And when she wakes up and she saw everybody looking at her as if she has come down from the sky, she said what is the Problem? Where are my children?

They said that your children are okay. She said then why are you all looking at me like this?

They called the Surgeon who Performed the Operation and he said that: I am a Specialist Surgeon, I have been Performing Operations like thirty (30) years. I searched and couldn't find a womb.

He said that this is the first time that he is delivering twins out of a woman that has no womb.

Now, we are talking about the Almighty.

And then about three (3) years ago, I got a Phone call from her: Daddy, I want to bring my twins to greet you. I said that by now, they would be around seventeen (17) years old. She said you got it correct - Bring them.

And then she came and brought two (2) brand new Twins.

If you believe that the One who is called "The Almighty", the One who says: "Ask anything in my Name and I will do it" is going to do your own; let me hear you shout Jesus - Jesus!

You know that there are Miracles and there are Miracles - There are Miracles that when you share them, People find it difficult to believe.

When People say that I tell Stories, I am only sharing Testimonies.

And you know what?

There is Somebody listening to me now or reading this Message now on the Label of DMC: When you share your Testimony, People will shout - Amen!

4. And then in that Place, we read in Psalm 91:1 - He that dwelleth in the Secret Place of the Most High shall abide under the Shadow of the Almighty.

That means that the Almighty has a Shadow.

And if you want to know what a Shadow is like, read Psalm 121: 1-5.

After telling you what will happen: That the One keeping you will neither Sleep nor Slumber etc, it now tells you who is that Shadow.

He said that the Lord is your Shade at thy right hand so that when you go out, you will be saved, when you come in, you will be saved et cetera et cetera.

When this Shadow is by your right hand, no evil will come near you by day, no evil will come near you by night. When you go out, you will be safe, when you come in, you will be safe.

And I will tell you a Story:

There was an ocean somewhere - In this ocean, there are three (3) small fishes in Particular at just a section of the ocean.

And then, there is a big Shark and a baby Shark and they love to eat fish.

And so they were terrorising these three (3) fishes.

Because these three (3) fishes happened to be a Christian, so one day they called a Prayer Meeting and said: Oh Lord, Please come down o as we want to discuss.

And so the Lord came down: Yes, what can I do for you? And they told Him about the Sharks that were troubling them. And He asked what He can do for them.

The first one said: I want you to give me eyes all over my body so that wherever the Sharks are coming, I will see them a long way afar.

Is that not what you want? He said yes.

And immediately all the scales on that fish become eyes all over.

The second one, what do you want? All I want is a Pair of wings.

As soon as this Sharks and baby Shark will be coming; I just fly out of the River afterall they can't fly.

Okay and immediately two (2) Strong wings appeared for the second fish.

Third fish, what do you want? He said that all I want is that wherever I go, you will go with me.

Is that all? Yes.

Okay, you may not see any Changes but what you have asked for is granted.

As soon as they finished their Prayer Meeting, the Lord went away.

And suddenly the Shark and the baby Shark were coming and they saw this fish with eyes all over his body - Ha, what a beautiful fish and they zoomed in on that fish.

But they were near the beach and the fish with many eyes saw a Pool of water on the beach and jumped into that little Pool of water and began to laugh and says: Come and meet me here you Shark.

But then the sun rose, the little Pool of water dried up and the fish with many eyes died.

When the Shark discovered that the first fish had escaped, they turned to the second fish - The one with wings. And that one saw them coming and flew to the air and say: Fly if you can; come

and get me here.

But at that Particular moment, an Eagle was flying Past and said: Oh God, how good You are? I have always wanted to eat fish only that I couldn't swim. But now, You have brought one to my Domain.

And the second fish ended up being a dinner for the Eagle.

And the baby Shark said to the mother Shark: There is still one of them and the way he is doing, he didn't seem to be afraid of anybody. Let's go for this one.

And the mother Shark said that: Are you blind? Can't you see the Shadow of a man following him - You go near that one, the man whose Shadow you see will kill you.

May I decree to Somebody today Inclusive those of you reading now on the Label of DMC: Because there is Someone called the Most High, who is also called the Almighty:

When you go out, no evil will befall you - Amen!

When you come in, no evil will befall you

When you see danger coming, as long as you can remember to shout Jesus, you will be saved immediately.

In Conclusion:

There is a condition put in here - He that dwelleth in the Secret Place of the Most High, shall abide under the Shadow of the Almighty.

God expects you to dwell and He expects you to abide.

David said in Psalm 23:6 - Surely Goodness and Mercy shall follow me - For how long? All the days of my Life.

Then what will happen? I will dwell in the House of the Lord forever.

All these beautiful things: Save in the Morning, save in the Afternoon, save in the Evening, save when there is sudden danger and save all day long everyday for the rest of your hand is in your hand.

Don't be one of the People who jumped from one Church to another - Abide and dwell.

There were several People who were there when the Church in America was formed but they are no longer here.

Some of them hide away from us,

Some of them are not anywhere close to Jesus Christ.

Some of them I knew them at the beginning as Vibrant - They were the People that we are relying on to become Pillars in the House of God.

But they didn't abide.

And because they didn't abide, the Goodness and Mercy that is in the Covenant between God and The Redeemed Christian Church of God (RCCG) is no longer working for them.

You might know the fellow but just Pretend as if you don't know him.

There was once upon a time in The Redeemed Christian Church of God (RCCG) here in America, he was the Secretary and he was Pastoring a Congregation of over one thousand People.

Then one day, for one reason or the other; he felt that he wasn't given the opportunity to do something and he departed.

In less than one year; the Congratulation of over one thousand reduced to four (4).

If you abide and if you dwell under this Covenant that is Governing The Redeemed Christian Church of God (RCCG); then I can guarantee you that Goodness and Mercy shall follow you all the days of your Life!

I assume without checking that those of you who will be here this Morning are most likely to be all Christians Particularly in the surrounding.

But there are likelihood that there are People God loves in a very Special way that you are already committed to Him.

I assumed that you will abide and you will dwell.

So even without Pretending to be a Prophet, I can be assured that when I see you next time, you will be Greater than now, your Joy will be more than now and the impossible would have happened in your Life at least two times like the lady who had the first set of twins when she was close to forty (40) years old and yet had another one when she was over sixty (60) years old.

And this time around, there was even no need for any Doctor to Perform any Operation.

And by now, she is married to Somebody who is far richer than the original husband.

I decree in the Name of the Father and of the Son and of the Holy Spirit, in the Name of Jesus Christ, you will abide, you will dwell and your Joy will never cease - Amen!

ALTAR CALL

So, if you have not really given your Life to Jesus Christ, I think that you better do so now because only God knows when you will need to call on that Name and the name of the enemy that is usually the devil will answer you back and say: I know the Name of Jesus Christ that you are calling, I know the Pastor who Preached to you that asked you to abide and dwell; but who are you? Are you one of the Children of that Most High?

So, if you are not absolutely sure of your Salvation, I am going to count from one (1) to five (5) - Before I say five (5), come and stand before the Altar so that I can Pray for your Salvation and then you can begin to enjoy all the Blessings you can get from the One who is called: The Most High, The Almighty, Jehovah El-Shaddai.

So I am counting now!

Those of you in front, let us talk to the Lord now and say: Lord, have Mercy on me, save my Soul, forgive me Lord and just take over my Life. Be my Lord, be my Saviour and I will do Your Will from now on.

And the rest of us, let us Stretch our hands towards these our Brothers and Sisters and intercede for them:

Pray that the Almighty God, the Most High God will save their Souls and their lives will never be the same again for them.

Thank You Father!

In Jesus Mighty Name we have Prayed - Amen.
