OPENING PRAYER

All-Sufficient God, the Great Provider, the Healer, the Deliverer, the Unchangeable Changer, the Alpha and Omega - Please accept our Worship in Jesus Name.

Thank You for the beautiful Testimonies that we have heard.

Thank You for Greater Things that You are about to do.

Please accept our Thanks in Jesus Name.

Tonight my Father and my God, we Pray that You will be with us.

And Your Children who are unable to come for one reason or the other, extend the Blessings to them.

My Father and my God, I Pray that you will do things tonight that You have never done before.

Bless us beyond measures and let Your Name be Glorified.

In Jesus Mighty Name we have Prayed - Amen,

Let Someone shout Halleluyah - Halleluyah!

And shake hands with one (1) or two (2) People and say: God will surprise you Tonight.

And then you may Please be seated.

I assumed that Probably it is the Change of Date that affected our attendance.

But I want you to be assured that God will bless those who are supposed to be here too - Amen.

I don't want to take your time because I am sure that God is in a hurry to bless you.

This Month in Particular, God has told us that it will be a Month of "Beyond Expectations".

So it doesn't matter what you want God to do for you, He will do more than your Expectations - Amen.

I have told you at the beginning that I had some friends - Some of them has gone to be with the Lord now while some of them are still alive; who addicted themselves to taking me on Holiday once in a year in those days when I had time for Holidays.

And they will Practically spoilt me when we go Shopping - If I look at something twice, you can be sure that it is already bought.

It got to a Stage that when I saw that was the way they were doing; if they say let's us go Shopping, I won't look at anything.

They were so Good to me that I thought: What can I give to these People? Because each of them definitely you can call them rich.

Why? Because while I was looking for things that are on Sales, they don't look for things on Sales - Whenever they see anything that they like, they just picked it and throw it into the basket.

I remembered in those days, I spoke to one of them - You are not even checking the Price and he said that it doesn't matter.

If you are not at that level yet, this Month God will surprise you - Amen!

I then decided that what can I do for these People?

I decided that once a year, I will take them into the Scriptures and I will explain things to them that we don't explain from the Pulpit.

Some of them are gone now!

But those of them who remained, we don't travel together as we used to do again because we are now few in number and so we just Prefer the Memory of when we were all together.

Those who are left are not as Physically Strong as they used to be.

That's when I decided that I will once in a year, I will take them through the Scriptures and share things with them that they can't hear from the Pulpit.

I think that about two (2) of them are still alive.

And you won't believe the way that they still treat me as if I am a toy.

Anytime that we wanted to do something at the Camp; because in those days when we go to America, the first thing that we go for was Kentucky Chicken - And Kentucky Chicken wasn't common in the world in those days

Now up till now, whenever they are coming to visit me in the Camp, they still buy a bucket of Kentucky Chicken.

One of them sent a bucket of Kentucky Chicken to me and told those People bringing it to me - I know that daddy is Fasting for the Holy Ghost Service, but take this Kentucky Chicken to daddy and don't eat it.

And that is why I decided that once in a while - At least even if it is even once a year when I have an opportunity with those of you who are my Partners; I want to take you into the Scriptures and share a little bit of the Scriptures that might not be readily available at the Pulpit.

And since God said that this Month is a Month of Beyond Expectations; I Pray that what you will hear will Prepare you beyond Expectations - Amen!

We will be looking at 2 Chronicles 1: 6-15 - It is a Passage that you know very well and even some of you might have Preached from that Passage.

It is a Passage that talks about Solomon offering a thousand Burnt Offerings to God in one Night.

2 Chronicles 1: 6-15:

6. And Solomon went up thither to the brasen altar before the LORD, which was at the tabernacle of the congregation, and offered a thousand burnt offerings upon it.

7. In that night did God appear unto Solomon, and said unto him, Ask what I shall give thee.

8. And Solomon said unto God, Thou hast shewed great mercy unto David my father, and hast made me to reign in his stead.

9. Now, O LORD God, let thy promise unto David my father be established: for thou hast made me king over a people like the dust of the earth in multitude.

10. Give me now wisdom and knowledge, that I may go out and come in before this people: for who can judge this thy people, that is so great?

11. And God said to Solomon, Because this was in thine heart, and thou hast not asked riches, wealth, or honour, nor the life of thine enemies, neither yet hast asked long life; but hast asked wisdom and knowledge for thyself, that thou mayest judge my people, over whom I have made thee king:

12. Wisdom and knowledge is granted unto thee; and I will give thee riches, and wealth, and honour, such as none of the kings have had that have been before thee, neither shall there any after thee have the like.

13. Then Solomon came from his journey to the high place that was at Gibeon to Jerusalem, from before the tabernacle of the congregation, and reigned over Israel.

14. And Solomon gathered chariots and horsemen: and he had a thousand and four hundred chariots, and twelve thousand horsemen, which he placed in the chariot cities, and with the king at Jerusalem.

15. And the king made silver and gold at Jerusalem as plenteous as stones, and cedar trees made he as the sycomore trees that are in the vale for abundance.

You can even read the whole Chapter and you will know the meaning of "Beyond Expectations".

1. What can I offer to the One who is the All-Sufficient God?

Because God didn't ask this boy for an Offering - God was minding His Own Business when this boy decided to offer God a thousand Burnt Offerings.

I am sure that you know that God said in Genesis 17:1 - He said: I am Jehovah El-Shaddai.

The meaning of which is: "I am the All-Sufficient God".

"I am the God your mother's Breast" - That is the correct Translation!

And everyone of us (Young and Old) knows that if a woman gives birth to a Child and the Child wants to suck milk; it is the Child that will say that I have had enough as the milk won't run dry.

If the same woman has a Set of Twins, it is the Twins who will say that we are okay for now and we will come back later.

If the same woman had a Triplet or even four (4); Mama will outfeed them.

You will never find a case when one of the four (4) or five (5) or six (6) will say: What happened? Those who fed before me had finished the milk.

When you choose to become His Partner, you have chosen to be Partner to the One who never run dry.

A Young Man wants to choose a nickname for himself and call himself: "Sea never Dry".

When they asked him what he meant by that? He said that I am just telling you that I will never run dry of Money.

Will you like that nickname?

What can I give the One who said: Silver is mine, Gold is mine?

Haggai 2:8, He said: Silver is mine, Gold is mine.

So how much do you want to say that you want to give me to surprise me?

How much do you want to give to the One who says: The Earth is mine and the Fullness thereof?

Even the opportunity given to us to be His Partner is something that we should be Grateful to

God forever.

Without us, He will Supply - I know that and want you to know that too.

If God gives you an Assignment, before He gave you, He has already made arrangements to do what He is asking you to do - And so it is always a Privilege.

You Probably have heard the Story of one Man who has gone to be with the Lord now.

It was in the Camp - I am in need of a certain amount of Money urgently. It was a Saturday: Oh God, where will I get the money for this work? And it has to be done this Weekend.

At that time, I had nothing - I am not allowed to trade and I was there at the Camp.

And suddenly one Young Man came that I know very well that he can easily Provide what I wanted - Hello, what are you doing here? I just felt like coming to see you.

I said that you have come at the right time as I need so much now - He said let me go and Pray about it.

Oh God, I thought that you have heard my Prayer.

But about an hour later, Somebody else came - Hello Daddy, I was just passing by. I said you are welcome, I need so much now. And he said let me get to my car. He went to the car and gave me how much I needed,

I Prayed for him and he left.

Then came Monday and the first fellow came back - Ha Daddy, how are you? I have Prayed about that thing and I have brought the money.

I said too late - What do you mean? I said that after you left, Someone else came and brought the money.

He said: Okay, I brought mine - I said that it is too late.

He begged - What kind of Pastor are you? If you needed something and Somebody else has supplied; then keep the money till you need another thing.

I said that when I have another need, the One who will meet it will also come - He wasn't going

to leave me and I wasn't going to take the money.

He said alright, you won't take the money? I said no way!

He said that from now on, I will live with you on this Redemption Camp - When the next Assignment comes it will meet me here.

Do you know that he stayed with me for more than forty (40) years - We call him "Daddy Mate". More than about eighty Percent (80%) of the work in the Redemption Camp, he was my Engineer who was doing the work.

He went back home and told his wife that I am not coming back - I am handling over the business to you now as I am going to be in the Camp.

DMC NOTES: In the Redeemed Christian Church of God (RCCG), Pastor Peter Adeyemi, often affectionately referred to as "Daddy Mate" or "Pastor Mate," is a respected Senior Pastor. In March 2023, a Special "Evening of Tributes, Hymns & Praise" was held in his Honour, celebrating his 80th Birthday, and he's was referred to as "Daddy Mate at 80".

And the Man became anointed by God that he did some crazy ideas that I have to build a house in seven (7) days - I mean from Foundation to Roofing, Plastering and Painting; all in seven (7) days.

The Ability to do the Impossible, God will release it to you - Amen!

You say that must be a Bungalow? Oh I agree but then I just felt one day that I can build a Storey Building in less than one Month - And all my Colleagues felt it is impossible and I can't do it. That at least you have to deck it and it will slow you down.

I told them that you try me - We built the first Storey Building in Redemption Camp in eighteen (18) days and it is still there.

They say that it will collapse - That is not when God is there building with you.

From this Day onwards, none of your Projects will Collapse - Amen!

2. That Night, Solomon had what we called a Divine Visitation.

What do you understand by God Paying you a visit?

I. Psalm 68: 1-3 says: Let God arise and His Enemies will be what? Scattered

God Paying you a visit - Just once is enough to tell your Enemies: Don't go near him again!

Because if you read that Passage that I read to you, if God pays you a visit, any Enemy of yours that will not scatter will melt.

Oh, I have been having Problem sleeping and having bad Dreams; just one visit from God and all those Problems will be over.

Because when they come and they see God - When they see the One whose Name is the Consuming Fire, they won't come again.

II. Not only that, if God pays you a visit, suddenly doors will begin to open.

Acts 12: 5-11, it will tell you the Story of when Peter was in Prison and they were going to kill him the following day - God paid him a visit.

And when God pays you a visit:

☆ Chains will break off on their own.

☆ Doors will open on their own.

Many of us don't know the meaning of Doors?

Somebody was sharing a Testimony of how when he Prayed for Somebody, that Fellow will get a Contract.

When God pays you a visit and Doors open; it will open also for those who are in Prison.

You know the Story in Acts 16: 25-end - When Paul and Silas were Praying in the Night and there was an Earthquake and all the Yokes were broken ; not their own only, everybody in the Prison were released. You know the Story.

Not only did they get the Jailor saved who bound them firmly, he became the one who cooked for them and who washed their wounds in Prison.

All other Prisoners were also freed - They could have escaped. The Bible didn't even tell us what happened to them.

And those who threw Paul and Silas into Prison, when they sent Message the following Morning:
Let those People go.

Do you wonder why they say: Let them go? They were the ones who said that they should be put in Prison securely but they now say, let them go.

I like Brother Paul - He said: I should go? He said that I am not going - You sent me to Prison and so come and beg me to go.

I Pray for everyone of you the Partners of the Most High God: Doors will open unto you because God will pay you a visit - Amen!

3. God now told Solomon that I give you a Blank Cheque, ask me anything.

That is what is called Blank Cheque - Anything.

The first time that I read a Passage in the Bible where Jesus Christ said: Ask anything in my Name and I will do it; I stopped.

As a Young Christian and a Mathematician, I stopped because the success of a Mathematician is that he pays attention to details.

If Somebody said that a room is so many metres long and so many metres wide and that they are selling carpets at so and so Per Square metres, how much will it cost me?

All that you need to do is: What is he leaving out in all the Story?

He is simply asking you how do you find the Area - He has supplied you all other things that you need but leaves out the Length and Breadth.

When Jesus Christ asked me to ask anything that I want and He will do it for me, I said wait a Minute, the fellow who will do this is either crazy or unbelievably rich.

But if you give me a Blank Cheque, by the time I finished with you, there will be very little left in your Bank Account.

Why? Because I know that I may never have another opportunity like that.

And that is what God gave to Solomon and which is what He is going to give you tonight -

Amen.

And the Good News is that: It doesn't matter what you wrote on the Blank Cheque, He will still exceed your Expectations!

A Blank Cheque, just one aspect of it: Anything no matter how hard, is already done.

In Matthew 8: 1-4; that Leper said to Jesus Christ: I know that You can make me whole. All I don't know is whether you will be willing.

Do you know what that Leper is saying? I know that You have Power but I know that there are Protocols - I know that there is a rule that a Priest should not touch a Leper.

,... I know that You have the Power but will You break the Protocol to meet my Needs?

And the Lord Jesus Christ said that I am willing!

I am sure that you all know that if you are owing Millions of Pounds, the God that we are serving is able to Pay?

The Question is: Will He? Particularly those of you who are able to make it today and those People who you will pass the Tape to others inclusive those People reading now on the Label of DMC: He will break Protocols for you - Amen!

I will give you just one illustration: One Covenant Partner like you in Nigeria attended a Meeting like this and the Word of God just came to me that there is Someone in the Meeting who owes something so big that there is no way he could pay it back. But that within a Month, all the debts will be Paid.

He said Amen but he didn't know how it could ever be.

The owner of the Bank came into the office and was going through the Books of those who are owing and sent for the boy - Young Man, when are you going to pay this money? He said, well I am trusting God.

How long are you going to trust Him? As long as it is necessary.

Alright, give me a Plan of your Repayment - The boy said: Sir, I am almost fifty (50) years old; you know that if I am Paying you Ten Million Naira (#10,000,000) everyday for the number of days that I have lived; I can't finish paying this - You know it.

The next thing that the Oga said is: We write it off!

That is the God you are Partnering with - He is beyond Expectations!

In 2 Kings 2: 9-15; Elisha answered Elijah: I want a Double Portion of your Spirit. Elijah said that you have asked for a hard thing.

But I want you to ask for something Hard Tonight - Something that you are even afraid to ask and then leave the rest to my God!

No matter how hard, there is always a way.

When He gives you a Blank Cheque, He has already includes His Ability to do all things - He is the God of all flesh and so He can surprise you!

Because what you will expect from a Divine Partner whose Partnership is linked with money, the next thing that you will have to ask is that: God, You are the God of Harvest; You said in Your Word that if I sow, I should expect an hundredfold returns - Let's start from there.

Solomon didn't ask for money - And I have a rough idea why he didn't ask

I. Because for you to be able to give a thousand Burnt Offerings, definitely you are not Poor.

So he said: Lord I am giving you this and I am not asking for money in return.

II. The second reason is that he had an Assignment that it is not money that will help him to solve the Problem of ruling over the People.

Like Somebody said earlier: Let us Pray that God will help us manage the Success. I said God bless you my son!

May I Pray for all of us: May the Almighty God help us to manage it - Amen.

Let us follow Solomon and see his answer:

I. He started with Thanksgiving.

So when it is time to Pray tonight, be careful how you start.

He said: God, since You are the One talking, I have to Thank You for what You did for my father
- You helped my dad.

And not only that, now You have started helping me too and You are fully aware that I am a Spoilt Child.

In your own case: You may not be Spoilt but you are Educated.

And many of us, we need help because we are not highly Educated.

I know that some of you are highly Educated, Particularly those of you who are Lawyers - You are the Learned People.

The rest of us even if you have a PhD Degree, you are still an illiterate.

Some of you are highly Educated - But it is one thing to have Knowledge and it is another thing to know how to use it.

There is something called Wisdom - And Wisdom means the correct Application of Knowledge!

He said that I am Thanking You for what You have done for my Parents - I know that I don't deserve to be King. Why? Because:

☆ My father was an Adulterer.

☆ My mother is an Adulteress that through her Adultery killed her husband.

I can't understand how You can still love me and make me a King?

I have always wondered and I don't know of you: How can Jesus Christ love me knowing fully well my Background?

I know that some of you are Angels when you were born.

I have always said that if I am Jesus Christ, I am not sure that I will save Adeboye - I know the kind of rotten boy that I was.

And yet, out of all the rotten friends that I have, he picked me out and even went ahead to make me a Pastor.

If I am Thanking God for the rest of my Life, it is not enough.

So he started by Thanking God - Kindly pay attention to that because if you learnt how to be Grateful, you will get more from God!

II. And then he (Solomon) asked God for Wisdom and Knowledge.

The only way that I could explain this boy asking God for Wisdom must be that he was so dull and he knew that he was dull.

Because if you are thirsty and Somebody say: What do you want? You will ask for water.

If you are Starving and Somebody said: What do you want? You will ask for food.

This boy was so dull that he knew that he was dull and he asked God for Wisdom and Knowledge.

Matthew 7: 24-27, If you want to know who is a Wise Man, Jesus Christ said that he is the one who hears my voice and will do what I asked him to do - He has Knowledge and he is applying it correctly, then he is a Wise one

But if he has Knowledge and he is not applying it correctly then he is a fool

Later on he was to write Proverbs 4: 7-9 - He said that Wisdom is the Principal Thing,

Wisdom is like Salary while every other things are fringe benefits (Allowance).

Ecclesiastes 7:12 - He says: Wisdom is a defence and Money is a defence: but the Excellency of Knowledge is, that Wisdom giveth Life to them that have it.

So when it is time to Pray tonight, include Wisdom in what you are going to ask God for.

III. And then he told God that the reason why I am asking for Wisdom and Knowledge is so that I can serve You.

When we come together like this, the reason I made sure that I hold this kind of Meeting with my Partners is so that they can serve Him more.

Because Solomon said: Unless you give me this Wisdom that I am asking you for, how will I be able to take care of this crowd that you asked me to look after?

So he was saying: I want to serve You more, I want to fulfill Purpose and I want to Please You - I don't just want ordinary things as I want my Life to bring Pleasure to You.

There is nothing as God saying that "I am Pleased with you" - The whole world can be criticising you but if God can whisper to you: My son, don't mind them, you are made.

When He bought me my first Jet - He bought it as I didn't take the money from the Church Purse. He has Promised me way back in 1975 when I was two (2) years old as a Born Again Christian - He said that I will buy you three (3) Jets.

☆ He said that there will be a small one that you will be using within Africa

☆ The second one He said that one can reach America.

☆ He said that the third one will reach anywhere in the world.

And whether you believed it or not; since I became the General Overseer, the Redeemed Christian Church of God (RCCG) has never bought me an Official car. And it is not that there is no money to buy it.

And He did not even give me the opportunity to say that I am Struggling with anybody - Whatever I needed, He Provided.

So, when He bought me the first Jet and there was noise in Nigeria - I said: Oh God, the noise is too much. They even sent EFCC to come and Probe me (DMC NOTES: EFCC means: Economic and Financial Crimes Commission - They are a Commission saddled with the responsibility of Investigating and Prosecuting Economic and Financial Crimes such as Money Laundering, Advance Fees Fraud (419), Cybercrime and Public Sector Corruption).

They even do more than that - They sent your INTERPOL from London to go to the EFCC to know where this Man is getting his money from (DMC NOTES: INTERPOL full name is International Criminal Police Organisation, which serves as an Inter-Governmental Organisation to help Police across Countries of the world to work together and make the world a safer place).

They Probed me - That is why they can't do anything again because they know that they have Probed me and they don't know the Source of my Blessings.

Nobody will know the Source of your Blessings - Amen.

So I asked God: Daddy, what am I going to do now?

And He spoke to me - He said: Son these People that you say are criticising you; are they sitting on the Runway? I said no sir and He said fly on.

The kind of Blessings that the world cannot understand is coming your way - Amen!

IV. And God turned to Solomon and said that I will bless you beyond Expectations.

☆ You want Wisdom, I will give it to you.

☆ You want Understanding, I will give it to you.

☆ That which you have not asked for, I will add.

That is the meaning of "Beyond Expectations".

He said that I will give you riches even though you have not asked for it.

And I am telling you that He gave him riches because by the time you now get to 2 Kings 7::5, when Solomon wanted to offer Offerings again to God; he offered twenty two thousand (22,000) cows. And he said that is not enough and he added one hundred and twenty thousand (120,000) Sheeps

Now, when you are talking of wealth, that man is extremely rich.

When he offered a thousand (1,000) Burnt Offerings, we were all saying: Ha, he has done what Nobody had never done before, but by the time God responded, cows has become twenty two thousand (22,000) and he added one hundred and twenty thousand (120,000) Sheeps.

But then He went on to say that it is not only riches that I will give you; I will give you Wealth.

You know, many of us don't know the difference between the two - Riches and Wealth.

My friends were rich - They were supplying whatever I needed whether I asked for it or not. But none of them qualified to be called Wealthy.

I have given you an illustration before of a Man who you could called Wealthy - And he is somewhere around here.

He went for a walk and took some Servants with him. And as he was going, he saw a Factory and the Factory was dirty. And he asked his Servants: Which Factory is that? They said that is the Factory that they manufacture Rolls Royce.

You mean that my car came from that dirty Place? They said yes. He said let us branch.

He went for a walk o - He got there and said that I want to see the owner of this Factory and they took him to the owner.

He said that I want to buy your Factory - That one looked at him and said: Who told you that I want to sell my Factory? He said that I want to make you an offer that you will never refuse.

He told the owner: Calculate how much you can make in ten (10) years and then double it; and I will, pay you today.

If you want to know how Wealthy Solomon became, read 1 Kings 10: 1-7 - The Queen of Sheba came when the fame of Solomon had reached Ethiopia

The Queen of Sheba came loaded - You can read that Bible Text to see what the Queen brought as Gifts to show this Solomon fellow that even though we have been hearing of your fame, let me go and show him that there is a Queen somewhere who has money.

That one came and saw everywhere - She saw Gold and many other things and she came to the King: Sir, I thought that they were lying but I have not seen that they haven't even told me half of what you worth. Now I can see that King passes King.

And then Gold gave him several other things:

☆ He said that you will live long.

☆ He said that I will give you Peace.

Do you know that there was not a Single war fought throughout the Life of Solomon - Not a Single war in an era that Kings go to war every Year.

My Beloveth Partners, you can see that we can't be talking like this on the Pulpit - This kind of Bible Study is for Special People.

☆ So that you will know that you are really Special.

☆ So that you will do what you should do.

Many of us has been consistently Giving and I Thank God for your Life.

But do you know that if you want God to take you beyond Expectations, it is not what you have been doing that you should do - You should increase it.

I will share with you a secret - I have learnt that the very least if I am Faithful to God, He will give me an hundredfold Returns.

The moment that I discovered that is true because it is in the Word of God - At the beginning of the Year or just before the old Year ends, I will sit down and Calculate how much that I feel I need in the coming Year.

And then I will divide it by one hundred (100) and then I will make sure that my Giving in that coming New Year will not be less than that size when I divide what I need by one hundred.

For Instance: If I want fifty thousand Pounds (£50,000) in the Year that is coming, I will divide the fifty thousand Pounds (£50,000) by one hundred and it becomes something small.

And long before the Month of April of that Year, I would have given that amount because you have to sow it and then wait for the Harvest.

Before the Year ends, He has always exceeded my Expectations.

And He does it in such a manner that it will get to a Stage that you want to say: "God, is this not becoming too much?"

Try it and when we gather together next time, you will see how God will manifest Himself!

Let me end with just one Testimony:

I have told you that some years ago, I had two Vehicles - Lincoln Town car and Lexus Jeep - Both of them were beautiful cars.

Suddenly one day when I was Praying, God spoke to me and said: I want you to give me your two (2) cars. I said: Get thee behind me satan.

God said that it is not Satan talking but it's me.

But what You said is that if I have two (2) things and You were to ask, You will ask for one (1).

It was difficult but I obeyed.

When He began to respond, I gave out twelve (12) cars in one day.

I announced from the Pulpit that I don't want cars anymore. I finished speaking on the Altar, gott back home and two (2) cars were waiting for me - One is a Mercedes-Benz X-Class and the other is a BMW Series 7.

Didn't you hear what I said? They said that we have already bought this cars before you spoke.

Recently, I held a Meeting with some of my Senior Pastors - I told them: Don't compel anybody to contribute anything for my Birthday Present because of something that happened in Nigeria.

If you will bring the money from your Parish, I won't take it as I don't want any money that you collected by Force.

So I was happy that I have settled that one - Nobody will be compelled to give me money for my Birthday. I have enough and God is taking care of me.

For Someone to be used by God to feed all those who came to the RCCG Annual Convention, that Fellow can't be Poor -Leave me and my God alone!

I said that on a Saturday Morning, I think it was the next Sunday Evening that Somebody came and said: I am sorry sir that your Birthday Present is late and so now I have come to deliver it.

Didn't you hear what I said? He said that I heard it but this one had already arrived at the Port and I brought it to you - Rolls Royce.

So I said: God, what am I going to do?

I remembered what He told me a long time ago when He was embarrassing me with Blessings like this and I said: Lord, how many cars am I going to ride?

And He told me: Son, you stopped being Holy and I will stop my Blessings.

But I can't stop being Holy and I can't stop obeying Him.

Bow down your Head Please!

SPECIAL COVENANT PARTNERS PRAYER

Don't ask God for something small - Make it as Big as Possible. Just make sure that you Thank Him first.

Make sure that your Request(s) to Him is as hard as Possible - He will exceed your Expectations.

Say: Lord Please help me - I am Poor now but one day, let the General Overseer too be Testifying about me on what God had used me to do:

☆ Help me to lay Hands on the Sick and the Sick will recover.

☆ Help me Oh Lord that I can even raise the Dead.

☆ Help me Oh Lord that I will never need to borrow again.

☆ Help me as I want to do Your work when it comes to serving You.

☆ Open doors until me Oh Lord

☆ Visit me Tonight

☆ Give me Wisdom and Understanding

☆ Do more for me than I can ever hope for

Thank You Father!

In Jesus Mighty Name we have Prayed - Amen!

FINAL CLOSING PRAYER

My Father and my God, Your Children will soon be talking to You again but I want to Pray for them first now:

Whatever may be their Private Request(s), double it in the way that You answer them.

Beyond Expectationsm Father Surprise them,

SONG

We give You all the Glory
We give You Honour
We give You all the Glory
We give You Honour.

OPENING PRAYER

Almighty God, the Ancient of Days, the I Am that I Am, the All-Sufficient One - We Worship
You.

We Thank You for the Salvation of our Souls,

We Thank You for keeping us in Your Love,

We Thank You for Your Wisdom, Your Support and Your Mercy that has kept us so that we are
not consumed.

Please accept our Worship in Jesus Name.

Today in the few Minutes that we have::

Please speak to us, do something New in our lives and do something New in Your Church.

Let this Day be a Day that we will never forget for Good.

Let it be well with us.

In Jesus Mighty Name we have Prayed - Amen!

Well, let Somebody shout Halleluyah - Halleluyah!

Shake hands with one (1) or two (2) People and say: God bless you.

And then of course, you may be seated.

It is always a Pleasure seeing so many of you.

I am always Praying that if the Lord tarries; we will see you again in Good Health, in Joy, in Peace and definitely on the side of the Lord - Amen.

You will Pray and say: Lord, enlarge my Coast.

You are Praying the most dangerous Prayer of all because the more children you have, the more your Blessings..

The more the number of mouths that you must feed, the more the shouting you must enjoy in your house.

And so if your house is always quiet, it means that you need Prayers that the Almighty God will fill your house with a shouts of children.

I am going to be very brief with you Tonight - This is supposed to be Introduction to the Worker's Rally.

Daniel 11:32:

And such as do wickedly against the covenant shall he corrupt by flatteries: but the people that do know their God shall be strong, and do exploits.

As I travel round the world and as I visit Countries upon Countries, they usually request for Minister's Conference among the Ministers in the Land and not just for my children.

And I have always said to them that it is better if you Ministerrrs ask Questions so that I will give you the answers because most of the times that I Preached, my Sermon may not be exactly what you want - It may not meet your Needs.

... Ask Questions and then I will answer. Then we will know that I am addressing your Needs.

Almost without exceptions, their Questions had always been: Tell us your Secret - How do you become what you have become? What is your Secret?

Not Theory now - Just tell us what happened from where you started to where you are now.

After a while, I discovered that when I discussed with my own children, we really never addressed that Question.

And so I felt that I should tell you a little bit about that Question.

Of course automatically, I won't be able to tell you all but maybe if the Lord wants us to come another time; we might continue from wherever we stopped today.

... They that do know their God shall be Strong and do Exploits.

Anyone who is going to succeed in Ministry must know that God has Fundamentals!

And what I have done in my own little years of working with Him is trying to know Him.

And that will cause you to understand why Somebody like Apostle Paul says: "All I have, I willingly let it go; that I may know Him" (DMC NOTES: Philippians 3:10).

... I just want to know Him.

And the one that is saying that I may know Him was already an Apostle.

So, if you think that as a Continental Overseer that you already know Him; come again.

The secret that I discovered long time ago before I became a Christian is that the more you think that you know; the less you really know.

By the time that I became Born Again, I was already a Lecturer in the University - I thought that I knew Mathematics.

But I was in the Category of the Mathematics Students that you called "Special Honours Students" in those days - I don't know of nowadays.

In those days in Nigeria, when you are in the University, most of the time, to get the money to go

to the University; you need the help of a Secondary School to sponsor you because majority of our Parents don't have the money to pay the School fees.

And the Secondary Schools are not looking for Somebody who knows just one Subject - The more Subjects you know, the better it is for them because all the knowledge that you have that they want is enough to cause Secondary School Students to pass.

So we have three Categories (3) of Undergraduates:

I. The one that we call "General Degree" - That is Somebody who Studies three (3) Subjects in the University (Physics, Chemistry and Biology).

... So just one Man who satisfies the Needs of the Secondary School.

They don't want three (3) Graduates that requires so much money and he is teaching only one Subject.

II. And then the big Schools like King's College or Government College; because they take you in the Secondary School beyond just School-Sat, they want Teachers who can teach two (2) Subjects very well - Physics and Chemistry; Physics and Mathematics etc.

They called them "Combined Honours Students",

These People are Stronger People because they will study two (2) Subjects to a deeper level than those that Study three (3) Subjects.

III. And then, there are those who studies just one Subject - They called them "Single Honours Degree Students".

I was a Single Honours Mathematics Student and so we look down on other Students studying Combined Honours Degree or General Degree.

And then one day in my Final Year, Special Honours Students; I just strolled into the room where the Lecturers relax - A kind of Green Room for Lecturers and then I got in and the only thing that you see along their walls are books.

So I saw one book in Mathematics titled: "Introduction to so, so, so" and I picked it up. And I went through the entire first Page and I couldn't understand anything.

Ha, Special Honours Final Year Student? Dealing with Introduction to and not the real thing o!

Suddenly I discovered that I knew nothing.

Some of you think that you know God, welcome!

... They that do know their God shall be Strong and do Exploits.

How many of you will like to do Exploits for God? The DMC Family Members!

1. The first thing that you need to know about God is: Let Him introduce Himself.

Genesis 17 1, He says: I am Jehovah El-Shaddai, I am the Almighty God.

That is the first time when God introduced Himself to many.

And according to the Law of Priority, whatever is uppermost in your Mind is what you are likely to say first when you are introducing yourself to Somebody.

Who is God?

The Almighty God - The One who is Sufficient for everything.

The One who could say in Philippians 4:19 - My God shall Supply all your Needs according to His Riches in Glory in Christ Jesus.

That is my God!

I was talking to some of my children just before I came here - You People have a lot of Resources already,

When I became General Overseer, I have the Headquarters and thirty nine (39) small Branches - God handed that over to me and said: Take over the world.

To be able to say "Yes Lord"; I must know that the One who is talking to me is the All-Sufficient God - Please let this sink in o!

Because God has given you all things that you have now - You can even ask "Ai" (Artificial Intelligence) to write your Sermon.

Right or wrong? It will even quote Bible Passages for you.

At the beginning, when I come and I say to the few of you who are here that we are going to take over United Kingdom.

What do we have? Nothing except one lady that myself and my daughter over there are trying to remember her name -- She was the one who introduced us to one Anglican Church along Marylebone Street. That is what we had.

We didn't even have a Microphone - What do we need Microphone for? We are only five (5) in Number.

But we were confident that we will take over the Land.

Why? Because at least one of us believed that we are serving a God who is All-Sufficient.

So if you have any doubt at all that you can take over the entire Europe, Please get it out because we are People of Faith.

You may not know why this Place is called Central Office - It is out of Faith - We sat down and thought of a Place where you need only one flight to reach the end of the world and we concluded that it is London (Central Office).

We were Prophecying despite having nothing.

We believed that we can use Classrooms, use Supermarkets and use anywhere and start a Church.

Well, here we are today!

I want you to take this one deep into your Heart - If God leaves me with myself and family alone, I can Plant enough Churches to cover this Land.

Take that deep and don't take it as a joke because if you are walking with this God that I know, He will help you.

You know that we have forgotten the name of the Lady who introduced us to the Pastor of the Anglican Church in Marylebone Street.

There were only five (5) of us who started the Church in United Kingdom - Two (2) of us are here: Myself and that little girl sitting next to my wife. And that lady that didn't join us. And that

is why we are trying to remember her name.

She did her own job - The Assignment that God gave her from Heaven is to lead these Foreigners to the Vicar in Charge of this Anglican Church and then move out of the way.

May I Pray for Somebody here Today or among those reading this Message now on the Label of DMC: The one who God will use to cause you to achieve your Purpose in Life, may he/she arrive soon - Amen!

DMC NOTES: HISTORY OF RCCG CHURCH IN UNITED KINGDOM

The first Official Parish of the Redeemed Christian Church of God (RCCG) in the United Kingdom started at All Souls Church, Angel in London.

1. Initial House Fellowship:

The UK Presence began in 1988 as a House Fellowship in Islington, London, started by Nigerian students.

2. Early Locations:

Before settling at All Souls Church, the group used temporary locations including All Saints Church in Marylebone (Anglican Church) and the Maida Vale Fraternity Hall.

3. First Parish:

Their relocation to All Souls Church in the Angel area under the Leadership of Pastor Ade Okonrende marked the establishment of RCCG's first Official Parish in the UK.

FOUNDATION MEMBERS

The first RCCG Presence in the United Kingdom was actually started in 1988 as a House Fellowship by Pastor E.A Adeboye and four (4) Nigerian Students—Janet Adedipe, Tope Awobajo, Boma Dodiya and Sola Awogede.

2. I discovered not too long after I became Born Again from the Story in Genesis 18: 8-15 that this All-Sufficient God according to Him is one with whom nothing shall be Impossible.

This LORD said to a ninety (90) years old woman that you are going to have a son - You know the woman! Sarah,

She laughed and God spoke to her - Why are you Laughing? Is there anything too hard for the Lord?

Anytime that you look at yourself and you look at something Great that you feel that God is instructing you to do; and you want to doubt God and you want to think that "Am I Crazy", at my age and with my limited Resources? Remember that you are talking about Someone who said: Is anything too hard for me?

Jeremiah 32:27, this same God - My God and who I am sure is your God, asked a Question: Behold I am the Lord, the God of all flesh; is there anything too hard for me?

If you know anything that I cannot do, tell me?

I know Him and as your dad, I can tell you the answer to that Question - What God cannot do doesn't exist except one thing that He can't lie.

We will learn that as we go further.

But that there is something that He cannot do, forget it.

Which is why I have all the boldness to say to anyone who says: Sir, aren't you dreaming too highly? Are you sure that you are okay? And I smile.

I used to share my Visions with some of you who are old.

At a time when we were definitely less than fifty (50), and I used to tell you that one day, the Royal House will come and Worship in our Church.

They always laugh - They will say: The Royal House? The Head of the Anglican Church will come and Worship in the Church of illegal Immigrants? What kind of joke is that?

Until the Present King came to Celebrate his 60th Birthday in one of our Branches - At that time, they weren't laughing at me anymore.

DMC NOTES: Prince Charles Celebrated his Birthday at RCCG Jesus House London on 14th November 2007.

And incidentally I was in London that very day and one of my Pastors said: Thank God that you are here.

I said that it is your Show - My own Map is a little bit bigger than that. I didn't say that he will come and Worship when I am Present but I said that he will come.

If I tell you - And some of you have heard it before that one day, the Governing Council of The Redeemed Christian Church of God (RCCG) will hold their Meeting on the Moon. What will you say?

Some of you will say:

☆ What kind of joke is that?

☆ What is it that you want to go and discuss that you have to go to the Moon?

☆ Don't you know that it is only Healthy Soldiers that they sent to the Moon? You People are Old People.

☆ And how is it even going to happen?

☆ And then if you are going to go anyway, how are you going to pay for the Tickets?

☆ That is when some People began to say: Look o, they have started sending Civilians to Space o - This Man may not be as crazy as we thought o.

☆ But we understand that to go to Space for three (3) Hours or so, you have to pay Ten Million Dollars (\$10,000,000) - Where are you going to get the money from?

If I tell you that Ellon Musk can be Born Again tomorrow and become a Member of The Redeemed Christian Church of God (RCCG).

And then I tell him that I want to visit the Moon - I am your father-in-the-Lord and I want Special Vehicle that will go to the Moon smoothly that I won't even feel any shaking?

He will say give me a year to sort it out.

DMC NOTES: Elon Musk is a South African-born American Entrepreneur, Businessman, and Investor best known for Co-founding PayPal and founding SpaceX. While he hasn't Personally flown in Space, he is the Visionary and driving force behind SpaceX, a Company that has achieved significant milestones in Space Exploration and Commercial Spaceflight, including

sending Humans to the International Space Station. His ambition for SpaceX includes eventually colonizing Mars.

We are talking of a LORD with whom nothing shall be Impossible!

Keep that in your Mind because you are going to need that one to do Exploits!

3. And this God by the time you now moved out of the Book of Genesis and then you move on to the Book of Exodus.

And then you read the Story in Exodus Chapter 3 - And if you like, you read it up to Exodus Chapter 4; you will suddenly discovered that this LORD is the One who said that "I will be with you" - That is a Promise o!

And He also said that "I am Constant".

You say where did He say that? He said that my Name is "I Am that I Am".

And He said to the same Moses: "I will be with you" (DMC NOTES: Exodus 3:12).

And He was talking to a Man - A Fugitive that He is sending to go and bring out His People from the one who was looking for Moses to kill him.

... Go and bring my People out from all those who are tormenting them.

Ha God! How can I do this? God said: "I will be with you".

And when I get to these People and I tell them that your God sent me, what do I tell them is the Name iof the One who sent me? Tell them that "I Am that I Am" sent you.

If I say to one of you here: The Almighty God has asked me to tell you that you are going to be the National Pastor of Iran; you will say Daddy, have Mercy on me o, can't you find something a little less? What about Egypt? I can manage Egypt.

I will say: No, He said that you are going to Iran.

This Man that has been playing more or else a Drawn Game with America; you want me to go and face him?

How do I know that You are the One talking to me?

What I told Joshua was that: As I was with Moses, so will I be with you.

What else do you want?

This God that we are dealing with is the One that is the same Yesterday, Today and Forever (DMC NOTES: Hebrews 13:8) - He is Constant.

If you are looking for a friend, don't look for one among Men because Men, they may be vulnerable.

When I asked Him: Lord You have asked me to be General Overseer, what assurance have I that whatever I need to do this work You will give me?

He told me that I have only one assurance to give you - Wherever you go, I will go with you.

Just take that one and keep it somewhere in the corner of your Heart - He will be with you!

4. Who is this God that we are serving?

Numbers 23:19, He said that I am not Man that I should lie, neither the Son of Man that I should repent - That's who I am.

If you say that you are going to work for God and you think that it requires you having a very reliable Partner, then you have failed before you start - Man will disappoint you.

So if you think that you will not be disappointed along this Path; Somebody must be deceiving Somebody!

The one deceiving you is you!

He is the One in John 14:6 who says: I am the Way, the Truth and the Life - Not the One who tells the truth but I am the Truth.

☆ The One who can never lie.

☆ The One who can never disappoint you.

☆ The Reliable One.

If you have not been disappointed before in the work of the Ministry, get ready - It is going to happen; at least I know from experience!

But if anybody comes around and disappoint you, rather than let that discourage you; it should encourage you.

It should tell you that at long last, I am now focusing on the right Person.

5. If you ever come along troubles along the way - Storms; that is Good News.

Why? Because the One with whom you are enlisted to work with says in Psalm 24: 7-10 that He is the Lord of Host.

I used to say that He will never lose a battle but I have discovered that I better say that He has never lost a war.

Why? Because occasionally He loses battles in order to win wars.

He disappoints to Strengthen!

He will never leave you and He will never forsake you - He is the Lord of Host!

6. And then, who is this God that I am walking with?

The more you know Him, the Stronger you become and the more effective you will become.

According to Psalm 127:1; the Bible says that: Except the LORD builds the House, they Labour in vain they that builds it.

The One that you are labouring with is a Builder!

And He is the One who said that "I will build my Church".

If what you are building is your Church; you are bound to fail.

And many of you Great Ministers: If anybody ask you what you are doing? You are quick to say that I am one of the People building the Church - The Redeemed Christian Church of God (RCCG) in United Kingdom.

Hey Great Builders - Congratulations!

☆ If He doesn't build and if your building is yours; you are wasting your time - He can crumble everything in one day if it is your own Church that you are building.

Somebody was talking some couple of years ago - He said to me: We can't serve you and serve your son.

I say: Hey, you mean that it is me that you are serving all these years?

He said that for so many years of my Life, I have been serving you. I can't serve you and serve your son.

And at that time, he was talking even about my son who has gone to be with the Lord (DMC NOTES: Pastor Dare Adeboye (1978 to 2021), of Blessed Memory).

I don't know how it got to his head that he was going to be my Successor and so he wanted to say let me be Plain with you.

I said: So it is me that you have been serving all these years? What a Miserable Fellow you are.

What can I do for you? You are serving me?

At the very best, I can ordain you but more than that, I am helpless as you.

But there is Someone who can reward you; the One who will still be around after I have gone - He is the One that you should serve!

I want everybody to know that in the Redeemed Christian Church of God (RCCG), we don't vote because God is not a Democrat.

Democracy is the Government of the People, by the People and for the People - God is not there!

You People don't want to believe me? The only place where the word "Election" occurred in the Bible, it has to do with rigging.

I surprised you? Read Judges Chapter 9 and it will shock you.

It is God who decides who will rule!

Anyone building without God is wasting his/her time!

My very self sitting down before you, I have built a house from zero to everything in place in seven (7) days during the Rainy Season.

You say it cannot be done? That is if we are using the Engineering of Man.

I did it inside the Redemption City - Infact there are two (2) of them at the Redemption City standing firm till today.

Okay, it must be a Bungalow - Oh yes!

And we have heard the Story that you worked Day and Night - Yes, the Night is supposed to be for sleeping but if I add it to the Day and if in one week the building was ready; what's there?

When some People say that it is a Bungalow that you built in seven (7) days; but I built a Storey Building in eight (8) days.

I decked and did everything that should be done - It is still there and it is the first Building of the High School of Redemption City.

It is Solid because I was using the Engineering of God - I won't teach you.

But God is a Builder - He can build your Camp in less than one Month (Amen).

How? Don't ask me - Just know that God can do it.

When the Government wanted to come and check whether we are ready to have a University and they arrived for the Inspection; the first thing that they wanted to see was the Library and we were building the Library by the time they came - We haven't even roofed it.

You haven't gotten a Library and you want us to approve your University?

I said: How long are you staying? They said that we are staying till next week - Ha, the Library will be ready.

They looked at me and said that we have heard about this Man that he is almost crazy - Five (5) days from "Ready to be roofed" to "Completely ready" and loaded with books!

They came on that day and they said: We saw this Building when we came; and I say that I know you saw it.

And one of them said: Now I believed that Miracles do happen here!

I am trying to introduce you to my God so that you will know Him, so that you will be Strong and so that you will do Exploits!

7. But He is not just a Builder, He is an Architect.

Hebrews 11: 8-10; the Bible tells us that Abraham was looking for a City whose Maker and Builder is God.

The word "Maker" there is an Architect.

He doesn't build without a Plan!

And you know what? He is your Builder!

The Bible calls Him the Potter and calls you the Clay.

He is building you - Even as you are listening to me now or reading this Message now on the Label of DMC; He is building you.

Because Faith comes by hearing and hearing the Word of God (DMC NOTES: Romans 10:17).

Before you are born, the Architect in Him had drawn your Picture.

You know it - Jeremiah 1: 4-5 says that before I formed thee, before I begin to work on you; I already knew you and I have already had your Pattern.

The clay was already in my hand and I knew what I wanted to Produce.

We did not meet by Accident - God knows that you are going to need me and that I am going to need you.

You need me to become you and I need you to become me.

The only Problem with that as I close - The Bible says that a Man of God was sent to the House of a Potter while he was making a Vessel.

And then somehow, the clay became marred in his hands and he said what is wrong with this

clay? Okay, I will make a new Vessel - It won't be the original one.

The Bible says that: Many are the devices in the Heart of a Man, but the Counsel of the Lord shall stand (DMC NOTES: Proverbs 19:21).

God has a Purpose for your Life but if you struggle with Him and your clay become marred in His Hand; He will rebuild it but it won't be the original Vessel.

I Preached a Sermon years ago - I don't know why God brought it to my Mind less than a Month ago and it has come up again and again.

And the Title of the Sermon is: "SEEING THE INVINCIBLE".

There might be one (1) or two (2) of you here or reading this Message now on the Label of DMC who heard the Sermon long ago because it was first Preached here in London - And I used the example of a log of wood.

I said that this log of wood, everybody is passing by it and they will look at it and say that all that we see is just a log of wood.

But then a Sculptor came and looked at the same log of wood and he can see inside that log of wood a Lion.

And he says: Ha, ha; I see a Lion in this log of wood and he takes his hammer and chisel it and begin to cut off a little here and a little bit there.

Very soon, the head of a Lion appeared.

And everybody will say: Ha, so there is a Lion hidden in this log of wood?

And then the Sculptor continues and there is a fault in that log of wood not opened to everybody. And as he smashed the hammer on the chisel, the wood split into two.

Ha, what is wrong with you Lion? I want to make a Lion out of you wood!

Okay I will take one half of the wood - If you can't be a Lion, you will be a cat.

And so he began to work on the wood again. And then another strike and the wood split into two again - Ha,ha; I was going to make a cat out of the wood left.

And he continued and another strike and the thing split into two again - Ha, I want to bring something out of you that will be decorating a Palace? Okay, I can still get a rat out of you.

And then, He kept going and there was another fault and that thing split into two again.

And so he said:

☆ I want to make you into a Lion, you refused to be a Lion.

☆ I want to make you a cat afterall a Lion is also a cat, it is just that cat differs from cat but you refused to be a cat.

☆ I want to make you a rat, you refused to be a rat,

Then you will be useful as firewood!

Beloveth Children, God has a Great Plan for your Life!

And you know that we always says that: Once He speaks, it is done.

Psalm 119:89 says: Forever Oh Lord, thy word is Settled in Heaven - At least, where no Politician can come and change the Law.

But don't forget Psalm 115:3 - Our God is in Heaven, He does as He Pleases.

His Word is forever Settled subject to His Sovereignty!

1 Samuel 2:30, He said to Eli - I said indeed that you and your father's house will be Standing before me forever - Your family will be a family of Ministers of God. But now, I say be it far from me.

I said that I change my Mind.

You don't like it, sue me and let us find out who is going to be your Judge and who is going to be your Lawyer.

PERSONAL PRAYER REQUEST

Bow your Head and talk to the Almighty God:

☆ I know that You are the Almighty

☆ I know that there is nothing that is too hard for You

☆ I know that You are not a Man that You should lie

☆ I know that You have a Plan for my Life.

Please, don't let me offend You because I know that You can Change Your Mind:

☆ Don't replace me with Somebody else.

☆ Oh God, have Mercy on me

☆ Don't let me fail You and don't let me fail myself.

You have a Purpose for my Life - I am not in this Nation without a Purpose:

☆ Let Your Perfect Will for my Life be done.

☆ Let me know You more so that I will learn to be careful when dealing with You.

Thank You Father!

I am delighted to be with you again this Year and I thank God for your lives.

We have been talking of fifty (50) years of Marriage - You can't be together for fifty (50) years without knowing each other a little better.

Don't deceive yourselves into thinking that after marrying yourselves for ten (10) years or fifteen (15) years; you already know your Partner.

I think that you will begin to know your Partner Probably after you have become married for some fifty (50) years.

Then you will begin to know - That is the truth.

One of these days, I will have the opportunity to talk to you about "The Secrets of Longevity in Marriage".

Nobody knows who he/she is marries - It is there in the Bible.

This Man served for seven (7) years without Salary so that he could marry the fellow he wanted to marry.

The Wedding Day came; he was so intoxicated with Love that he did not even check the face of the fellow that he married.

The following Morning, he said: Ha!

I have a Book - If you haven't gotten it, then you need to get it: " THE MATHEMATICS OF MARRIAGE".

Equation No 1: Love is Blind.

Equation No 2: Marriage is a Miracle Worker with Special Anointing for opening Blind Eyes.

You solve those two (2) Equations together Simultaneously; the answer is Simple:

Love may make you Blind but Marriage will help you open your eyes again.

Glory be to God - Halleluyah!

I am telling you that I am married to the Greatest woman in the world.

But I am still knowing her and she is still knowing me.

Today, we want to talk about: "The many Blessings of being a Worker".

Daniel 12:2-3:

2. And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt.

3. And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.

This Month, the Lord instructed us to treat the Topic: "Beyond Expectations".

If you are a Worker in The Redeemed Christian Church of God (RCCG), it is assumed automatically:

☆ That you are a Soul Winner

☆ That you turn People to Righteousness

☆ That you just keep on winning Souls

☆ That you keep on establishing Churches.

1. And this Bible Text that we just read (Daniel 12: 2-3) says that one of the Blessings that you get that you don't even think about is that you will Shine.

You may not know it because if you are Shinning, it is others who will observe your Shinning.

That is why I always find it ridiculous when some People - Beautiful Girls created by the Greatest Artist in the world, unique with Nobody like you; will still spend hours before the mirror trying to improve on what the Master Artist had created - You can't do a better job than God.

And the Bible tells us that Solomon in all his Glory and with all his Pleasures is not even like an ordinary flower (DMC NOTES: Matthew 6: 28-29 and Luke 12:27).

And the Almighty God says that you will Shine.

Why are you trying to paint a rose?

If you can't make a rose more beautiful then you are wasting your time!

Forgive me, I am talking to only my children - It is on occasion like this that I have the freedom to say what I am saying because you are my children.

We have by the Grace of God, the largest Mass Choir in the world - They are based in Lagos.

And Someone who isn't a Member of the Redeemed Christian Church of God (RCCG) asked me: Is beauty a Pre-condition for joining your Choir? I said no, why did you say so?

He said look at all of them - They are more than ten thousand (10,000) and they are all very beautiful.

Then I said to him - Have you noticed that none of them wear Make-Up? He said that is true o.

I said that what you see is God's Beauty - It is Glory.

Think about this - Many of you in an attempt to show to the world how beautiful you are; you show to the Maker of Heaven and Earth how Stupid you are.

God made you short, you say that why have You not made me tall? You think that He didn't know what He is going?

God made you as an African Lady for example and all the Angels knows that when it comes to the African Lady; they have short black hairs.

And then, you go and look at yourself and you say: Oh, why didn't you make me an Indian Lady? And so you spend I don't know how much to get a hair Somebody who has been bowing down to one idol or the other somewhere. And you buy her hair and put it on your Head.

And some of you even went as far as painting your Head red - Come on!

Do you want me to say the truth as it is? Yes sir, for the DMC Family Members - They that turn Men to Righteousness shall Shine.

Shine how? The Bible says that they will Shine like the Firmament.

Go out at Night - Look into the Heavens and see the beauty of the Stars!

And God says that they are not Shinning like you - You Shine Brighter.

He even went further to say in Proverbs 4:18 - He said that your Path will be like the Shinning Star that Shine Brighter and Brighter till the Perfect Day,

I am not the one that wrote that - That was written concerning you.

That is how you are to be!

The older you grow, the more you shine - That is the Plan of God!

Just for winning Souls, the Almighty God said that your Glory will just keep on dazzling!

2. And then according to John 15:5; when you are a Worker in the Redeemed Christian Church of God (RCCG); you will be winning Souls and Planting Churches.

And then Jesus Christ Himself said in John 15:5 - He said that I didn't call you Servants.

He said that because the Servant doesn't know what the Master is doing; He said that I have called you friends.

Ha, Jesus Christ called me a friend?

Somebody wrote a Song along that line that Jesus Christ has called me a friend.

I met one of my friends out there (one of you) but he is my friend and he knows that he is my friend.

You know, he went out there to go and cornered me where we can meet.

As soon as I saw him, he saw that my face brightened - How are you my friend?

If I get up from this seat and I walk here and there and I get to your side and I say how are you

my friend? Everybody around you will look at you.

You know that I came to London and with all the Churches here your Boss wanted me to go to a Place. I said that on so, so Sunday, I am going to the Church of my friend - I didn't even let him finished.

Because it just occurred to me that it has been a long time that I visited my friend last.

How will you feel if the Almighty God decides tonight that I am coming to your house to eat?

Why? Because He is your friend now.

And yet, if you are a Soul Winner, Jesus Christ will call you my friend.

I told you that years ago, I was the first Person that started calling God "My Daddy" in Nigeria - I don't know whether Somebody else started before me somewhere else.

And the other Men of God said what is wrong with you? Why are you calling God Daddy? Do you think that God is just an ordinary Human Beings?

I said no quarrel - He is your Father but He is my Daddy.

And now all of a sudden, all of them call Him Daddy o.

For God to look at you and say that you are my friend, how I wish that you will understand!

And then He went on to say that because you are my friend, anything that God tells me, I can tell you.

There are Prophets and there are Prophets.

I tell People that I am not a Prophet but I do hear from God once in a while.

How many of you will like to hear from God on a regular basis? The DMC Family Members!

Win Souls, be a Soul Winner and He will call you His friend and He will begin to tell you things!

3. And then like Mummy GO told us, He choose us - God will choose us.

To be chosen by God of all the Millions?

Many of us don't appreciate the fact that God has given us the opportunity to be Workers!

There are many People who will want to be Workers in the Vineyard of God and God just won't have them.

There are some People who wants to just be winning Souls for God and God says that not you - I don't want you.

And there is nothing as terrible as Volunteering and not being accepted.

I have told you the Story before of a very Wealthy Man who joined the Church at a time when Oh God that we were so Poor. And we have one Amplifier and from time to time, we had to slap it before it works.

... And I mean slap it - We have a Man in Charge of slapping the Amplifier.

And then a very rich Man just joined the Church. He came in one day in "Flowing Agbada" and he bought State-of-the-Art Amplifier and all the good, good things that will make the work easy.

He said: Pastor, I have bought these for God.

And God spoke loud and clear: Tell him to take his Equipments away as I don't want it.

I tell you the truth; I nearly said: Get thee behind me satan; at long last I have something that will make my work easy.

But I knew who spoke.

So I went to the Man and said: Sorry sir, God told me that you should take away your Equipments as He doesn't want them.

He said what? I said that I am not the one who said so because I want them. But if I take what He doesn't want and His Spirit leaves the Church, I will be downfall.

He went to the Pillar of the Church and began to bang his head to the Pillar - God rejected my Gift? That means He has rejected me.

I had never seen bigger sorrow than that and I Prayed that I will never see it - Amen!

How terrible will it be if you will go to God and you tell Him: Lord, I learnt that there are so many Churches empty in this Town and I want to buy ten (10) of them for you? And He said: Take your Money and go, I don't want!

Ha, it will not happen to you - Amen!

And yet, the Bible says that: Many are called but few are Chosen (DMC NOTES: Matthew 22:14).

And you go about being arrogant saying: "I am a Worker in The Redeemed Christian Church of God (RCCG).

Do you think that without you, God will not do His works?

Why don't you stop deceiving yourself?

I remembered years ago - I think that it has to do with Festival of Life Program when your Boss here said: If you will come early at the Program, there will be tea.

I said what? You are begging People to come to Workers' Meeting? I took the Microphone and I said: Don't come if I have to bribe you to attend a Worker's Meeting then stay away - You can't be a Worker in The Redeemed Christian Church of God (RCCG).

I hear that when you People are holding Programs - I hope that has stopped; that you pay the Ushers. I heard it before and I know it is not anymore.

Do you know the meaning of anymore?

You want them to pay you for serving God?

When I got Born Again, I was taught I was Somebody on my way to Heaven and they told me that I was heading to Hell.

What can I do Oh Lord to show my appreciation?

And we were building our first Church at Ebute Metta and we have to carry sawdust to fill the Marshy Ground (DMC NOTES: A Marshy Ground is a land that is completely saturated with water; often forming wetland/swamp).

I was a Lecturer in the University and I looked for the biggest basket to join in the carrying of

sawdust.

And then there was go-slow in Lagos and one of my Students in the University saw many cars branching to the Church and he thought that everybody was dodging the go-slow and so he followed them.

And then he saw me with the sawdust on my head - He said: Ha Oga! Is that you?

I said who is Oga when I am thanking God that I had an opportunity - Something to do to show to God my Gratitude for saving my Soul.

You have an opportunity to be a Worker in The Redeemed Christian Church of God (RCCG) - Instead of saying: Lord I Thank You, what other ways can I serve You?

You are in the Choir and you want to be Paid for the One who gave you a Voice? Ha, come on!

But God says: "I accept you" - I accept your voice and I accept your Ability to Play the Organ because He could say: "Get away".

They don't have to have an Organist for the Music to reach Heaven.

How many Musicians do you know in Nigeria? They are Plenty.

How many Musicians do you know that are in The Redeemed Christian Church of God (RCCG)? They are many.

But only one followed me throughout the world - Pastor Kunle Ajayi.

How was he Chosen out of the so many?

Years ago, there was a Man who has a Church and he was a rich Man.

And everybody knew that this Young boy who was just coming up, was Good. And that Man called him and said: Hey, come to my Church and be Playing for me and I will be paying you ten thousand dollars (\$10,000) Per Month.

At that time, ten thousand dollars (\$10,000) and even now ten thousand dollars (\$10,000) to a small boy is very much.

He said that I can't leave my Daddy.

I heard that and said: Is that so? You rejected ten thousand dollars (\$10,000) because of me? He said that wherever you go, I will go.

I said that in that case, as God lifts me up; you will be going up with me.

May I tell you: There is no Embassy in Nigeria that will not say: Hey Kunle, come in.

If I want to travel to any Place, I will just tell him: Son, I will be going to somewhere like this at this time. And he will say: Yes Daddy.

I don't know the details but he is my Visa Officer - Doors opened for him.

Why? Because God looked down from Heaven and saw Somebody who wants to use the Gift God has given him to serve Him.

I Pray for Somebody here Today or reading this Message now on the Label of DMC: When God is looking for just one fellow, He will choose you- Amen!

4. And then because you win Souls and because God has Chosen you; He made you a Promise - He said that Greater Works than He did, you will do also.

Many of you don't believed that.

But in John 14: 12-14, He said: Just believe me - Be my own Assistant, keep on winning Souls and keep on Planting Churches; the works that I did, you shall do also and Greater works than this shall you do.

He didn't say that you have to become General Overseer before you can raise the dead?

No, from the time that you are a Worker; you are more than qualified.

Each time that I think of Someone like Apostle Paul - That Great Soul Winner and Church Planter.

☆ You get to Philippi, you will find his Church there.

☆ You get to Rome, he is there.

You get to Galatia, he is there.

And then it is written about him in Acts 19: 11-12 - The Bible says that God Performed Special Miracles (Not Ordinary ones) by the hand of Paul.

Such that he will just sit down and they will say that Somebody is sick and he will say that I am busy right now as I want to write a Letter to the Colossians. But in the meantime, take my Handkerchiefs.

Demons will see his Handkerchief coming and run.

I am telling you: What can you compare to that?

A Worker was going for Soul Winning in Akure (DMC NOTES: Akure is Capital City of Ondo State) - It was once in the News and I am sure that some of you heard it on the News.

And she saw Somebody who has been Lame only God knows for how long. She just went to him and say: Hey, get up. And then the fellow jumped up and began to walk.

She saw Someone who was a Leper sitting down in one corner - Hey, be Clean.

It took the Police to rescue her from the crowd.

... A Worker o and not a Minister!

And God is not a respecter of Person - Whatever He has done for Someone, He can do for you too.

Make good use of the Great opportunity that you have that you are a Worker!

What God has in stock for you is more than you can ever imagined.

I mean of all the Testimonies that I have heard of Workers doing what God did and much more; I can count so many.

I knew that some of them you will find it difficult to believe but I believed that God is leading me to share this because you might be the next Person whose Testimony we will be Sharing - Amen!

TESTIMONY NO 1: A lady was taking her Sister who got Born Again through her from a Muslim family to a Hospital because she was about to deliver and it looks as if it was looking

difficult.

So she put her in a Taxi rushing her to the Hospital and ran into the usual traffic jam. While they were in the car, the woman died.

And she said that I am already in trouble with the family because I converted her from Muslim to Christian; now what am I going to do now as this lady is dead. And the traffic wasn't even moving.

And then she remembered that there was an Handkerchief that Daddy has blessed and she has it with her.

Then she put the Handkerchief on the Lady and the Lady came back to Life.

You have heard some of these Testimonies before. But I am telling you again now, so that you don't downplay yourself - Do know that God has a Plan for your Life!

TESTIMONY NO 2: There was a Sister that her friend has a Breast Cancer and they took her to the Hospital and they admitted her.

By the time she arrived at the Hospital, they have cut off her Breast.

And she said that the devil is a liar - She took the Handkerchief that we had blessed, laid it on her chest, Prayed a small Prayer and then left.

I think that it was about two (2) weeks later that she went back for another visit and another brand new Breasts had grown.

You may say that maybe that kind of Miracle happened only in Africa - The God in Africa is the same as the God in Europe.

It is not a Question of where but a Question of who! - The Person who took the Handkerchief believed that God will work.

My God doesn't lie - He is no respecter of Person.

TESTIMONY NO 3: I remembered years ago when I was visiting America when we were still very small.

My friends in America always asked me a Question when they hear of what God is doing - They

always say: What can we do to help you? Because they expected that anyone who comes to America from Africa was coming to beg for Dollars.

And I always say to them: You want to know what you can do for me? Come and visit me.

Why? So that God can enlarge your Vision and so that He can show you that the God in America is the God in Nigeria - That's all.

Leave me with Him - He is more than Sufficient.

How many of you believed that God is more than Sufficient and that He is all that you need? The DMC Family Members!

Then face the work of Soul Winning - Continue to do the work of a Worker diligently and He will show you His Mercy!

5. If you are a Worker and you are doing what He expects you to do as a Worker; He can Promote you rapidly.

Without talking about Somebody like David - Maybe we will talk about David during the Ordination Service. That is if God wants us to talk along that line.

But let us talk about Someone in the New Testament - And let us talk about Philip.

Philip was a Worker - It is we who called him Deacon; he was a Worker.

Because they said that they should look among the People and Choose (DMC NOTES: Acts 6: 1-6).

And among the People when they looked, they saw that there is this boy, his name is Philip - Let's make him one of the People who will be serving the Table.

And then, He became a Deacon.

And then he said that I will continue to work for God and so he went to Samaria and Preached - He didn't ask for Ordination (DMC NOTES: Acts 8: 5-8).

And then he moved on and met the Man who was coming to Africa (DMC NOTES: Acts 8: 26-40).

Somebody was showing us sometimes ago that Christianity got to Africa years before it got to Europe when they said that Europeans brought Christianity to Africa - Maybe if they say they brought it to Nigeria, they may be right but Christianity got to Ethiopia before it got to London through Philip.

And he was the first fellow to be called "The Evangelist".

He was a Worker - Then he became a Deacon and then become an Evangelist. He just kept on being Promoted!

What was his Action? Witnessing and Winning Souls - That's all that He did!

And do you know the most beautiful thing about Philip which I want you to Please and Please keep deep in your Heart? It was that he has a Great Legacy!

He gave birth to four (4) daughters and they were all Prophesying (DMC NOTES: Acts 21:9).

I don't want to be a Pastor and I have my children serving the devil - God forbid!

I am sure that the most important thing to you in Life is: How do I end? What do I leave behind?

Just be Faithful in Winning Souls and it will be written of you that he has six (6) children and they all served God!

How am I going to end? It all depends on how Faithful a Worker am I.

There are several other things that I can talk about but there is no time.

6. And I want to tell you one thing that I love seriously.

It is a Statement that Jesus Christ made in Matthew 10:32 - He said that if you confess me before Men, I will confess you before my Father which is in Heaven.

I didn't understand that as a Younger Christian until an Elderly Pastor revealed what Jesus Christ was actually saying.

He said that Jesus Christ said that: If you introduce me to Men, then I will introduce you to my Father which is in Heaven!

How happy will you be if Somebody will come to you and say that I will introduce you to the

King? I will arrange a Private Meeting between you and the King!

You are not going to ask the King for anything o - You don't want to be a Knight or whatsoever but you just want to have the honour of being alone with the King. The Cameraman is there taking the Pictures.

You get to Heaven - And I know that you will make it there in Jesus Mighty Name - Amen!

And then Jesus Christ came looking into the midst of the People - Remember that all the Saints and all those who had ever been Christians will be there watching - And Jesus Christ came into the crowd, grab you by the hand and said follow me.

And then He takes you to God the Father, He takes you to the Ancient of Days and He takes you to the All-Sufficient God; with all the Creations watching.

And then He said to His Father: This fellow my Beloveth Daddy, is a friend of mine!

... I will introduce you to my Father!

☆ You may never become a General Overseer because there can be only one General Overseer at a time.

☆ You may never even become a Pastor.

God does not work by Titles - There are so many Pastors who has never raised the dead.

As a Worker, a time could come that Somebody dies, they will come to your house and they told the People that you have travelled.

And they will say that when are you returning? You say in five (5) days time. And the People will say: No Problem, we won't take the Body for burial because we know him/her that the works Jesus Christ did, he/she can do it also.

And then you can come back and they are not disappointed.

That is coming but it is up to you.

And all He is asking you to do is:

I. To Witness Him to Men.

II. To Testify of Him before Men.

III. To Confess Him to Men.

IV. To Introduce Him to Men.

And when you get to Heaven, you will get a surprise waiting for you.

In the crowd, He will choose some and take them to His Father - With the Angels watching, the Choir in Heaven stopping for a moment and waiting for what is going to happen.

And then the Lord Jesus Christ said: Daddy, there is Someone that I want to talk to You about - You see this boy/girl; when others were afraid to mention Your Name, He kept on Witnessing and Introducing me to the High and Low.

Oh, he/she is one of the People they called Workers in The Redeemed Christian Church of God (RCCG) - I just feel that he/she deserved Special attention and mention.

PREAMBLE TO PERSONAL PRAYERS

Now, I am going to ask you to think a little before you Pray.

The Lord has never forgotten the fact that He is the One who choose you. You are the One who found Him - I didn't find You because You are not lost.

I was the one who was lost and I was heading for Hell but for one reason or the other; you saved my Soul.

And You didn't stop there; You made me a Worker in a Mission that they are just crazy about winning Souls.

And I became a Worker there.

And You put me under one Old Man who can never stop talking about winning Souls and Planting Churches everytime that he comes.

Apart from "Be ye Holy"; the next thing that he will say is "Win Souls".

This is one of those People who kept on winning Souls, Planting Churches even in Places where they say it is not easy to do so.

He is one of those People that says that "I don't care, there might be Giants on the way" and "I don't care if they say that we can't take the Land".

He is one of those who say that: "Even if it is me alone; Jesus Christ shall be Lord again in this Land again".

So Daddy, I just want to introduce him to You Specially that is coming.

But will you be the one?

Shall we bow our Heads Please!

PERSONAL PRAYER REQUEST

I want you to Thank the Almighty God that He saved your Soul.

Thank the Almighty God that He brought you one way or the other to this Mission.

Thank the Almighty God that you are a Worker in The Redeemed Christian Church of God (RCCG).

Thank Him that you have the opportunity to be Introducing Jesus Christ to the High and Low; Great and Mighty.

Just go ahead to Thank Him!

And then you say: Lord, Please I know that You have Chosen me, don't let Somebody else replaces me - Let me be Faithful till the very End.

From now on, let me begin to Shine for You - Shinning Brighter and Brighter until the Final Day when the Sun will never Set.

Thank You Father!

In Jesus Mighty Name we have Prayed - Amen!

CLOSING PRAYER

Even as you have Prayed, so shall it be done to you.

The Almighty God will grant your Request(s).

In Jesus Mighty Name we have Prayed - Amen!

Praise the Lord - Halleluyah!!!

RCCG CONTINENT 9 DIVINE ENCOUNTER SERVICE UNITED KINGDOM

MINISTERING: PASTOR E.A ADEBOYE

DATE: 18TH SEPTEMBER 2026

BIBLE TEXT: ROMANS 8:37

SONG

We give You all the Glory
We give You Honour;
We give You all the Glory
We give You Honour (Jesus).

OPENING PRAYER

Our Father and our God, we worship You.

The Owner of Heaven and Earth, we bow before You.

The Ancient of Days, the Alpha and Omega; the Beginning and the Ending.

Thank You!

Thank You for the Salvation of our Souls.

Thank You for everything You've done for us in the Past.

Thank You for this Campground.

Thank You for all You've done for us since You bought this Place for us.

Thank You for what You will do Tonight.

Please accept our worship, in Jesus' Name.

The way only You can do it Father, surprise us Tonight.

Do for us more than we can ever expect.

Let this night be a Night we will never forget.

Thank You Almighty God.

In Jesus' Mighty Name we have Prayed - Amen.

Well, let Someone shout Hallelujah - Hallelujah.

Shake hand with one (1) or two (2) People and say: Good Evening, God Bless You!

Well, there's something we use to say that could be true, you know.

And that is why I want you to turn to your Neighbour and say:

"Neighbour, I love you but Tonight, my Miracle will be bigger than yours."

When a family gathers together; because God says we are to rejoice evermore (DMC NOTES: 1 Thessalonians 5:16)

And because God says in His word that: "The One who lives in Heaven shall laugh" (DMC NOTES: Psalm 2:4).

Occasionally, I thought it's okay for children of God to share jokes.

But I've now discovered that you might get to a certain stage that every word you speak might be taken too seriously.

And if you discover you have something that could be misunderstood, you should be strong enough to correct yourself - "This is a joke and nothing serious."

A couple of days ago, I was talking to my children and I said, "Some of you may not even know who you are married to until fifty after (50) years - I thought everybody would laugh at that.

Because if it takes you fifty (50) years to know your spouse, how many more years do you have? (Laughter).

... You are laughing now, right? That was my intention.

But I have discovered that some People took it seriously, to mean that it took me fifty (50) years

before I knew my wife - I didn't mean it like that!

And in any case, where is it written in the Bible that it would take a man fifty (50) years before he can know his wife?

The Elders have a saying - They say, "If it takes you three (3) years to Prepare for madness, how long will it take you to be mad?"

DMC NOTES: A kì í fọ́jọ́/fọ́dún mẹ́wàá pílẹ̀ wẹ̀rẹ̀, ìgbà wo la ó ràn?"

So that was a joke!

And I'm very sorry I cracked that joke and some People believed it.

But then, there's a big Lesson that I learned from that - Maybe more than ever before, before you make a Speech in Public, you Pray that God will set a trap across your mouth. That nothing that would be misunderstood would ever come out.

Very great Lesson!

Second Lesson, like I said, if you made a mistake, it takes a strong man to say, "I'm sorry" - Be bold enough to say, "I am sorry, I made a mistake."

More than thirty (30) years ago, I wrote a Book. And then someone Senior to me in the Lord discovered one error and pointed it out to me - The error was that I generalised something.

There are certain things that are true in the time of war, that is not true when there's no war.

I mean, if a Soldier killed, the more he killed in the time of war, the more he's appreciated - He's called even a hero.

But if there's no war and a Soldier kills, they kill him.

When the Senior Pastor pointed that out to me, I decided that I will rewrite the Book - I removed the offensive statement, and I put it in the correct Perspective.

And then I announced to the People, "Everyone who had bought my original Book, Please bring it back and take two instead of one."

I didn't tell them what the Problem was, because they would have gone looking for it.

So, I took all my Books back, gave them two (2) copies in return.

When you are Ministering under the influence of the Holy Spirit you must be extremely careful.

Do I hear Amen to that - Amen!

Now, when your Senior Pastor asked me to come tonight, he said he wanted me to do one of those things I do before the Holy Ghost Service in Nigeria.

I asked, which one is that? He said, "Victory Hour." I said, no Problem.

Then I got here and they began to talk about "Divine Encounter." (Laughter)

I Prepared for Victory Hour!

Romans 8:37:

Nay, in all these things we are more than conquerors through him that loved us.

... We are more than conquerors - Amen!

Life is a war!

From the day you are born till you see Jesus in Glory, it's one battle after another.

That is why the newborn baby cries before People will rejoice and say a baby is born.

Why? Because until he or she cries, you are not quite sure he's alive.

And the baby is crying because he says, "I have come to the battlefield."

Inside the womb everything is good and calm, no problem there, and the temperature is always normal.

The moment a child is born there is war.

CATEGORIES OF VICTORY

1. The Losers

There are those who are losers and we call them less than conquerors - They don't win.

2. Conquerors

And then there are Winners; we call them Conquerors.

3. More than Conquerors

And then there are those who are More than Conquerors.

Take note, they are specific and they are heavy in meaning.

They don't just say:

- Less than a Winner
- A Winner
- And more than a Winner

You can use such Language talking of Football - We we talk about battles, and they always use:

- Conquerors
- More than Conquerors
- Less than Conquerors.

I decree tonight that from this day onwards, you will be more than Conquerors - Amen.

CATEGORIES OF BATTLE

1. We have direct battles.
2. We have indirect battles.
3. We have family battles.

4. And of course we have Personal battles.

I will use for you the example of David - And you can read the Story in 1 Samuel 17:34-51.

David said to King Saul, I was minding my own business when a lion came and grabbed one of the sheep. And the lion said, the sheep doesn't matter to me, you're the one I'm looking for.

David said, I grabbed the lion by the beard.

That is one kind of battle.

Whichever kind of battle you are fighting, you are going to win - Amen.

Then he said, a bear came to take my sheep again - And this is quite a different battle from the lion.

The bear too tried to take my flock, I dealt with it - I killed it.

And he said, I have seen Goliath, he has come to attack on a different level.

- The God who was with me when I killed a lion.

- The God who was with me when I killed a bear;

Don't worry, He will take care of this Goliath.

So, is there anybody here who has ever fought a war one way or the other? You will go home More than a Winner today - Amen.

ENEMIES OF VICTORY

1. LION

Let's talk about the lion.

The lion normally jumps on its victim and then tries to choke the animal.

If you have watched it on the television, the lion jumps on the prey, chokes the animal to death, then it begins to eat it.

The lion is a representative of those who are attacking you from above.

It could be your Boss in your place of work who might say, "As long as I am here I won't let you Progress."

But there is Good News for you, because there is Someone who is called the ever Present Help in trouble (DMC NOTES: Psalms 46:)

And we have Someone whose Name is above every other name - Whether above, on Earth or underneath the Earth (DMC NOTES: Philippians 2:9-11).

In the Name that is above every other name; the One who controls everything from Heaven all the way to underneath the Earth; if you are under attack from those who are higher than you, you will be Victorious Tonight - Amen.

That is why I trembled tonight when the man who sang last began to Minister - He just spent so much time calling on the Name Jesus!

Let me hear somebody shout the Name Jesus - Jesus!

A young man gave his Life to Jesus Christ several years ago when I was a Lecturer at the University of Ilorin (Kwara State, Nigeria). The father was a very notable Islamic clergy and he was living in Sagamu (Ogun State, Nigeria).

Very soon News reached him that the son was now a Christian. Not only a Christian, that the boy was Preaching, and Witnessing Jesus Christ.

And the father felt, "This boy has spoiled my name."

And so he summoned together his colleagues - "Help me, this boy has spoiled my name, help me kill him. I can't kill him myself."

They told him, "Killing him is not going to solve the Problem, your name is already spoiled."

What we should do is to make him mad, so it will be a good Lesson to others who want to follow his example - "You leave your Religion this is what would happen."

To cut a long Story short, they made a charm, gave it to the father - They said to him, send for your son. When you call this name and if he answers he will go mad.

So he sent for the boy, the boy came all the way from Ilorin to Sagamu.

The father was standing on the balcony of the house, he had made the incantation they said he should make. As the boy was entering the house, the father called his name.

Now, if your father calls you what would you do? You'll automatically answer!

The boy, from his own Testimony said when the father called him, he saw a great Mountain descending on him. And there was no time for a long Prayer.

There was no time to say: "Our Father which art in Heaven hallowed be Thy Name."

But there was enough time to shout the Name Jesus!

So if there is any force trying to destroy your Destiny, remember to shout Jesus - Jesus!.

2. BEAR

Then there is the bear - It kills in a slightly different manner from the lion.

I am sure that you are aware of what is called the "Bear Hug."

A hug is supposed to be a friendly expression of how I feel - If I love you I hug you.

But a "Bear Hug" is not to tell you "I love you" - It is to squeeze Life out of you.

When you find yourself been loved and it is going to lead to death, the best thing is to cry to God.

In Genesis 39:4: And Joseph found Grace in his sight, and he served him: and he made him overseer over his house, and all that he had he put into his hand.

When Potiphar's wife saw that everything was in care of Joseph, she came to him and said, lie with me nobody would know. I am the boss in this house apart from my husband.

You know this Story!

But the boy did something you must always do - When you find that the relationship is about to get you to sin against God, run!

2 Timothy 2:22: Flee also Youthful lusts: but follow Righteousness, Faith, Charity, Peace, with them that call on the Lord out of a Pure Heart.

Many of you have said again and again, "Whatever topic you give this man, he is going to end up by asking you to be Holy" - That is the Master Key.

Wisdom is a defence.

And what is wisdom? The fear of God is the beginning of Wisdom.

Don't joke with sin, it can kill.

A hug from the bear may sound Pleasant initially, but if you don't run you die!

I am not going into too many Stories tonight, but there are many of you Particularly the girls, that the Boss will say to you, in order to get Promotion; you must sleep with me.

Learn to run - That is what the Bible says, "flee all Youthful lusts."

And for you boys, if you are to reach your goal learn to flee from the lust of the flesh like Joseph - Do not stay around where you will fall into sin.

The Almighty God in His wisdom says, "Resist the devil and he will flee" (DMC NOTES: James 4:7)

If the devil comes to you face to face, you'll fight.

He wants to lead you on in order to see what you would do wrong.

I have heard a lot of ridiculous People when they are talking about Elijah they say:

- You who is Strong within.
- You who called down fire from Heaven.
- You who opened the Heavens and it rained.

And a woman said, I want to kill you" - you ran!

Elijah was a Wise man - He ran!

Somebody asked me, when something happens you run. Are you telling us that you're still running? I said, faster than before.

He said why?

I said, "The closer you get to the finishing line, the more careful you must be."

I hope the Elders have heard that one? Run from the Bear Hug.

What God says is, run! You may not like it but run.

I will see you in Heaven in Jesus' Name - Amen.

Goliath is a Destiny Stealer.

The devil was aware that David had been anointed King - He was to be King over Israel.

And now Goliath is saying let somebody come and fight me if I defeat him we take over.

You now know it was the Kingdom that David was going to inherit that Goliath was saying, send somebody to come and fight me - If I win, I'll take over the Kingdom.

Take my word for it, this night is not a night for joking - There are forces that may want to steal your Kingdom.

I have said it before, you are not here by accident - God has a Purpose for your Life.

You may think you are small or you may think you are nothing; God did not bring you to Europe for fun.

Take my word for it, if you ever believe in God, a lot of great things that are happening in the world today originate from Europe.

And if God is to take the world back to Himself, you know He sent Europeans to Africa to spread the Light.

Now we are having reversed Evangelism.

You see that your forefather's seed of Evangelism is bearing fruits. And the fruit is coming back to base to convert you back to the God you used to know; so that again, the world can be revived.

But there is a Goliath in the land; and we will deal with that Goliath tonight - Amen.

To deal with Goliath, all you need is Divine Backing.

Because after David did something which you must begin to do like never before, he Testified!

Because many of you say, "We don't even know how to Witness."

What is the meaning of Witness? Telling People what you know about the Present situation or something that happened.

Someone who can stand before the Judge and tell the Judge, "I was there, I saw what happened, I am a Witness to what happened."

Testify! David said, I killed a lion, I killed a bear - There's a God who did this for me; that God will back me up to deal with Goliath.

I can't understand how anybody can say Witnessing is difficult.

Are you trying to tell me God has never been good to you?

And if God has never done any good thing for you, hasn't He done something good for someone that you know about?

All we are saying is tell Someone that Jesus is still alive.

If he asks, how do you know? Share your Testimony.

You've heard a Testimony tonight; the one that they said can never have a child is now saying, "We've had enough."

And if the Lord has never done anything for you before, I decreed that He would do something for you today - Amen.

Testify, that's all.

Testify and leave the rest to God - You are not the Saviour.

3. FLATTERY

There is an enemy that can come from those who Praise you.

Who are we? Everything God is doing through us is by His Grace. It's not by Power, it's not by Might, but by the Holy Spirit.

The Redeemed Christian Church of God (RCCG) is in more than one hundred and ninety (190) Nations of the world.

I have not been to at least half of them; never visited. There are so many of these Nations saying Please Daddy, come and visit us once, so that People will know you are truly our father.

Watch it! Nothing kills like Flattery.

Proverbs 26:28 says, A lying tongue hateth those that are afflicted by it; and a flattering mouth worketh ruin.

When you are flattering somebody, if the fellow is not careful, you are ruining him or her.

Why? Before long he will begin to think, "Without me the work can not be done." Who told you?

Let me tell you the truth, if Pastor Adeboye dies today, those who are genuine mourners will do it for one week. Because long before one week is over, the work of God will continue.

You think the work will stop? No!

Because the enemy No. 4 that David faced were those who kept singing; Saul killed a thousand, David killed ten thousand.

That's when King Saul said, I am still alive yet they've already made him ten times bigger than I.

Then he said okay, we will see if that would happen.

When People begin to flatter you, know that they are plotting your ruin.

I have told my boys and I am telling you now:

And my girls in particular; when a boy comes to you and say, "Wow! Where have you been? Oh,

the Sun has just risen. Look at your eyes, brighter than Moonlight." Tell him, get away from me Satan!

Pride comes before destruction (Proverbs 16:18)

James 4:6 says, God resist the Proud.

If you ever allow Pride to come into your Life, you have lost the battle.

Why? Because if God begins to resist you who is going to help you?

I have always told you, the night after Lekki '98 - The first time we had more than a Million People gathered together in one place and God moved so Mightily.

When it was time to go in the Morning, the New Decision Cards were so many.

When they came to me, Daddy, we want to go now. I said, great! Put all the Decision Cards in my boot. It was a big boot of a Toyota Crown.

And they looked at me and laughed! "We will need a truck to carry the Cards."

That had never happened before anywhere.

We got back to the Redemption Camp, everybody was sleeping the following Night. I couldn't sleep, I was full of Joy.

And in any case, I needed to Thank God.

So I got out in the night, walking up and down in the Camp, Praising God.

And then around 2:00am suddenly God spoke: Bend down! Since I was in the jungle I don't know whether a demon is flying passed. I quickly bent down.

Then He spoke to me, "Draw the figure of a man in the sand." Okay! I drew the figure of a man.

And then He said get up and I got.

He said, "Clean up what you have drawn with your leg."

By now I was sweating, because I knew this is what you would call, Divine Encounter. And I

wiped it out!

Then God spoke to me and said, "Son, if you ever believe that you are the one doing what's going on, I will wipe you out."

Nobody will even remember you ever came to this world. "If you ever forget who is calling the shots" - That's the exact words. He said, "I will wipe you out".

So, when People see me and they say, "We can't understand why you are so humble." You want me to be wiped out? (Laughter).

Don't say I didn't tell you:

☆ Anytime you are tempted to feel you have arrived.

☆ Anytime you are tempted to feel that you are the one calling the shots;

God have Mercy on you!

5. Household Enemies

As soon as the flatterers had created a Problem between David and the one who is going to be his father-in-law, real danger came.

The spear that Goliath cannot throw, it was now King Saul, the father-in-law of David that started throwing the spears.

In Matthew 10:36, Jesus Christ Himself said, And a man's foes shall be they of his own Household.

I don't know why we didn't pay attention to the words spoken by the One who is the Truth.

I'm always surprised when I hear some People say, "I don't know why I have enemies within my family."

I Pray for you in the Mighty Name of Jesus Christ, that no matter how many the Enemies in your family, you would Overcome - Amen.

I've told you of something that happened in Ebute Meta more than thirty (30) years ago.

We were having a Program like this and suddenly the Word of God came to me and said...

Thank You Jesus!

Tonight is going to be different. I'm going to appeal to you, because Daddy is asking me to stop for a moment.

If you really love yourself, for the next few Minutes (I don't know how long), close your eyes and go to God in serious Prayer.

Because God says He brought you here tonight inclusive those reading the Message now on the Label of DMC to grant you Victory - Amen!

If you like be looking around; if you like do what I've said (Pray)!

In Jesus' Mighty Name we have Prayed - Amen.

WORD OF KNOWLEDGE AND PROPHECIES

1. Thank You Father.

Please pay attention!

The Lord says, every hindrance that has been put in your way by family foes shall be removed today - Amen.

2. He asked me to tell you, all the ground that you have lost because of the influence of family foes, you shall Recover - Amen.

3. The Lord asked me to tell you that certain trees that the enemy in the family had planted in your entire System shall be Uprooted - Amen.

4. And He asked me to tell you that whatever Covenant you have entered into, through the evil influence of somebody in your family must be Cancelled tonight - Amen!

I was telling you a Story about a Program like this several years ago at Ebute Meta - It's a Story some of you have heard before. It has a bit to do with the Prophecies you've just heard.

God told me there was a lady there, if her mother won't allow her to marry, that the mother would die within a week.

The following day, a woman came to me with her daughter and said, are you the Pastor who said the following yesterday? I said, Yes.

She said, are you the one who said I will die within a week? I said, No. I didn't say anything like that. She said, but my daughter said so.

What your daughter said is true, but I didn't mention anybody's name.

I asked the girl, did I mention your name? She said, No.

So I said, Mama, I didn't mention your name.

She said, but what you said, is it true the mother would die within a week?

I said, as the Lord lives, if the woman (not you) will not let her daughter marry, they will bury her this week.

She asked her daughter to go out. So the girl left.

And she said, is it true? I said, absolutely! No doubts at all.

She said, it's not that I don't want her to marry but she's the only one taking care of me. If she's married now who would take care of me?

Because of your own well-being, you don't want your daughter to marry - You want her to wait till you die?

I said, I will tell the husband, take care of your mother-in-law.

She said okay, if that is the case, she would marry.

The daughter was married six (6) Months after.

It's already included in what God asked me to tell you - I don't want to go into all the details; but occasionally, God needs to send His Thunderbolt!

Now, We've talked about Household Enemies. We can talk about several other Enemies;

- We can talk about Demons.

- We can talk about People who just hate you for no reason.

You just find yourself in the place of work; maybe you are making progress more than everyone else, and they hate you for that.

Or they have watched the way you are serving God, and they see the way you are going - Ha, Promotion is going to come to this fellow. So out of envy, there could be Enemies.

After all, the brothers of Joseph said the only reason they hated him was because their father loved him more than others.

The boy began to have Dreams of Greatness - And they all said, how come? You are not the firstborn, you are not the second or third. How would you suddenly jump and begin to rule over us?

So they hated him!

Such Enemies that are against you simply because you have found favour with God, you don't have to bother about them; they would only push you closer to your goal - Amen.

Let me close, because to tell you the truth, this night is already Different - Amen.

6. Yourself

The enemy that you should fear most is yourself.

It's yourself because occasionally:

- You forget who you are.

- You forget who God is.

If you appreciate the greatness of God, you won't be treating Him like you are doing. No!

If you appreciate the One who is called the All Sufficient God.

If you appreciate the One who is called the Lord of Host.

If you appreciate the One who can fight with flies, fight with frogs, fight with water;

- You would honour Him more.

- You would obey Him more.

- You would run from sin. Yes, you will.

I have seen Him in Action - You can't hide from Him.

You can't wait till you are told to worship Him.

If you know how good He can be, you would be thanking Him everyday and You would be obeying Him.

With all Humility, if you appreciate the Gift of God that He has given to you among your Pastors, you would Thank God all the time.

But there is another aspect where you can be your own enemy; apart from Holiness - And you will find that Story in 2 Kings 13:14 onward.

Elisha fell sick - The great Anointed Man of God fell sick.

Anointing doesn't stop you from dying.

There's a limit to what the body can take - The higher the Anointing, the more the load on the body.

Anyway, Elisha fell sick and the King came, my father, my father! What am I going to do after you have gone?

The Man of God said alright, at least you know the value of God in my Life; open the window, shoot the arrow after I've placed my hand on your hand. And he did!

The Man of God said, that's Victory for you.

Let me Prophesy Victory to your Life - Amen!

Elisha then said to the King, take your arrow, smite the Hound. And he smote three (3) times and stopped.

The Man of God said, who asked you to stop?

Laziness can destroy you.

- Many of you don't Pray!

- Many of you are too comfortable and soft.

There are simple instructions that some of you find difficult to obey, because you have become comfortable.

Just now I said everybody close your eyes, Pray; do you know some People kept their eyes open?

Here tonight, they kept their eyes open.

"Closed your eyes" He said. And you say, who is talking? Little things that you say do not matter.

... I have asked Him for Mercy.

You know He has the Power to make those eyes that remained open to remain just open but not see - Be careful!

The God that we serve; as wonderful as He is; as good as He is and as loving as He is. He is also the Consuming Fire.

Don't be your own enemy.

It doesn't matter what some People may teach you, God is to be feared.

"Oh, we are living in an age of Grace." I know!

"He's our Father." I know!

That might even be the Problem with some of you - That's why you begin to treat God as if He's Father Christmas. He's not.

"God is Love" - I'm a living example that He is love.

I know He loves me. In fact, that frightens me a times. "Why do You love me so much?"

And He has told me, you mess around with me, I'll deal with you, because I love you.

- Don't destroy yourself.

- Don't be your own enemy, Please.

ALTAR CALL

So if you are Pretending that you are a Child of God, but you know you are not hundred Percent (100%) obedient to Him.

Even if you are Praising Him like Nobody else, remember, Proverbs 15:8 says, The sacrifice of the wicked is an abomination to the LORD: but the Prayer of the Upright is his delight.

If you are not even Holy and you are Praising Him, He said He doesn't want your Praise - That's God!

People don't Preach like this anymore, but I am your Dad.

I will do my duty until He calls me Home - I will tell you the truth, I won't hide it.

You can tell me, there's a gap in Generation - There's no gap in God.

His Name is I AM THAT I AM.

Shall we bow our heads?

If there's anyone who wants to say: Almighty God, between You and I, You know I am not hundred Percent (100%) a Christian. I am not fully Your child but I want to take advantage of tonight and surrender my Life to You completely.

Or, I used to be hundred Percent (100%) close to You, I am not so anymore. I want to return to You Genuinely;

You can step forward - Come and I will Pray for you for the full Salvation of your Soul, or for your full Restoration.

All heads are to be bowed, all eyes closer; with the exception of the Ushers who would help me.

You would come forward for Special Prayer for Salvation, or Restoration - Come now and stand before the Altar.

Just begin to intercede for these People - Don't lift up your head, don't look.

Let's give them an opportunity to come for a reconciliation with their God.

Please shall we begin to intercede for all those who need to be reconciled to God, even as they come.

Please Lord, receive them as they come.

Thank You my Father.

Well, those of us in front, talk to the Almighty God - Ask Him for Mercy.

Pray that He would receive you to Himself now.

That He would forgive all your sins.

That He would cleanse you in His Blood.

Thank You Jesus. Thank You LORD.

May Your Name be Glorified.

In Jesus' Mighty Name we have Prayed - Amen.

PRAYER FOR SALVATION

My Father and my God, I want to Thank You on behalf of these Your Children.

I Thank You for the Word that has gone forth tonight.

You Promised Lord, that whosoever would come unto You, You will in no wise cast out.

These Your Children have come - Some are coming for the first time and some are coming for Restoration.

Please receive them all, have mercy on them and let Your Blood wipe away their sins.

And restore everyone who had been a Backslider back to Yourself.

Save their Souls Lord and write their names in the Book of Life.

Let them become true Children of the Living God.

And from now on, uphold them till the End.

When they Pray, answer them by Fire.

Thank You Almighty God

In Jesus' Mighty Name we have Prayed - Amen.

Congratulations!

I'll need your names, your Address and your Prayer Requests.

God Bless You - Amen!

Thank you very much!

SPECIAL PRAYER SESSION

Now, I am going to give you fifteen (15) Minutes to Pray - I know that fifteen (15) Minutes may sound a long time to you;

But if you should know the advantage of spending time with the Holy One of Israel, you would know fifteen (15) Minutes is too small.

I am not going to tell you what to Pray for - I want you to spend the fifteen (15) Minutes between you and God;

And say, Thank You for this Divine Encounter or Victory Hour.

Do the following for me; The following areas where I know I have Enemies, I need Absolute

Victory.

Victory that would be Total and Victory that would be Permanent.

Go ahead, talk to God!

Thank You Father.

In Jesus' Mighty Name we have Prayed - Amen.

CLOSING PRAYER

The Almighty God will grant your Requests.

In every areas of your Life, receive Victory:

Physically, Maritally, Financially, Career wise, Spiritually;

In your place of work and in your Home, be Victorious.

Personally, be Victorious.

Family wise, be Victorious.

As a Church, be Victorious.

As a Family, be Victorious.

In your Villages and Towns, be Victorious.

In your Nations, be Victorious.

In your journey to Heaven, be Victorious.

In every areas of your Life, be Victorious.

And may your Victory last forever.

May this Night go down in History as the day your Victory began.

So shall it be!

In Jesus' Mighty Name we have Prayed - Amen.

Let Somebody shout Hallelujah - Hallelujah!!!

Psalms 105:14-15:

14. He suffered no man to do them wrong: yea, he reprov'd kings for their sakes;

15.]Saying, Touch not mine Anointed, and do my Prophets no harm.

Anointing gives the Anointed more than they can expect:

1. Anointing gives the Anointed Promotion - Rapid Promotion.

1 Samuel 16: 11-13 - But if you want to read the whole Story completely, you might take it from Verse 1 to Verse 13 (DMC NOTES: 1 Samuel 16: 1-13).

The Almighty God and the King of Kings wanted to Change a King and so He sent His Prophet to the house of a Man called Jesse.

He told him: I have chosen for myself a New King among the sons of this Man.

It is a Story that you know very well and so we will not waste time on it.

He got there and finally he Anointed one Young Man called David to be King.

David woke up in the Morning as an Ordinary Man - A Shepherd Boy; but by the time he was going to bed that same day, he was a King. The second King in Israel and the Greatest King in Israel.

Not only was he a King, he became the father of the King of Kings.

How? Because in Marks 10: 46-52, Bartimaeus cried out and said: Jesus, thou Son of David, have Mercy on me.

... David was to become the father of the King of Kings Himself.

Just an Anointing from God transformed a Man from being a Shepherd Boy and brought him to a Level where ultimately he became the father of the King of Kings.

Those of you who has been anointed today, in the Name that is above every other name; you will reach the highest Level Possible - Amen!

Those of you who are yet to be anointed, you are already on the way and your day will come - Amen!

2. And then the Anointed enjoys incredible Protection.

The Passage that we read just now (Psalm 105: 14-15); says that God told even Kings: "Touch not my Anointed, do my Prophets no harm".

If you do it; you will Pay for it.

In 1 Samuel 26: 7-26, we discovered that One Anointed cannot even touch another Anointed - Not to talk of those of you who are not Anointed.

King Saul was Pursuing David and Planning to kill him. Then a situation occurred that King Saul was sleeping and David and one of his Servants saw him with everybody else sleeping.

And the Servant of David said: Ha, Thank God your enemy has been handed over to you; Please allow me to kill him with just one of the smite of my sword - I won't have to smite him twice.

David said: What are you talking about? He is not an Ordinary Man - He is an Anointed Man.

The Story told us that when David decided to cut just a little bit of the dress of King Saul, he suffered a minor Heart Attack.

So when you find People talking ill of an Anointed Man of God and you joined them; I am sure that you have heard of what they called Heart Tremor (DMC NOTES: A "Heart Tremor" is not a formal Medical Diagnosis but People usually use the term to describe "Heart Palpitations" - A Fluttering Sensation or a feeling that the Heart is shaking or skipping a beat)

You don't joke with an Anointed Man of God - If he needs to be Punished, that is in the Hand of God.

The only one who can do anything to an Anointed Man of God and go scot-free is the one who Anointed him - You can read 1 Samuel Chapter 15.

But we are not here for a long Sermon.

... You are Anointed? You enjoy Divine Protection!

3. If you are Anointed, even Yokes that may be attacking you in one way or the other will be destroyed.

Isaiah 10:27 tells us that the Anointing will destroy Yokes.

Deliverance from any form of Yokes could come through Anointing!

4. If you are Anointed, you become Supernaturally equipped to do Good Things, to Heal and to Deliver.

Acts 10:38 says: How God anointed Jesus Christ of Nazareth with the Holy Ghost and with Power, who went about doing Good and Healing all that were oppressed of the devil.

Why? For God was with Him.

Acts 1:8 says: For you shall receive Power when the Holy Ghost is come upon you.

When you are Anointed, you are equipped to do Good works.

So I am Praying for those of you who has been Anointed that from now on, wherever you go, Miracles will happen - Amen!

5. When you are Anointed, you will receive a Great Helper - The Holy Spirit.

He will begin to help you to do everything including Praying.

The first time that I read that: "Pray without Ceasing" (DMC NOTES: 1 Thessalonians 5:17), I asked God: How can that be? How can I do that?

I was Born Again among People, God have Mercy that can Pray.

I mean: We will come to Church in the Morning and when they finished the Service, they will simply say: Go on your knees and Pray - That is the end of the Service.

Nobody will come and say the Closing Prayer - They never say Closing Prayer in our own days.

I know that now we have to say the Closing Prayers because you have to go home.

But we will go on our knees after the Morning Service.

When we the lazy ones finished and we go home; we will come back for the Evening Service and People are still on their knees.

... They have been Praying since Morning.

I tried to do so but where I was coming from, there is a limit to the Prayers that you can Pray.

So when they say: "Go on your knees and Pray"; I will start by Praying the Lord's Prayer - "Our Father, who art in Heaven".

I will look around to see if anybody is moving but Nobody is standing up.

And so I will go back and I will try a Second time.

After some time, I made up my Mind that I want to know how to Pray - What are these People saying?

So I choose to come to Church early so that I can sit next to Somebody that I saw that many atimes I will meet him on his knees when we come back for Evening Service - What is he Praying?

☆ I have Prayed the Lord's Prayer.

☆ I have told God why I came.

☆ I have told God my Problems that I want Him to solve,

I mean what else do you want me to say?

So I began to sit next to this Man.

So when they say: "Go on your knees and Pray"; then he will begin by telling God His Names:

☆ The Almighty God, I Praise You.

☆ The All-Sufficient God, Thank You very much for waking me up today.

I mean for the next one hour, he will be doing that and I was copying that - Whatever he said, I said it.

But when I become hungry and this Man is still telling God who He is, I will quietly get up and go home.

God will anoint you to Pray - Amen!

And then one day, God in His Infinite Mercies baptised me in the Holy Spirit.

And suddenly I discovered that after I have said all I want to say in Understanding; I discovered that the Bible says that we don't even know how to Pray - Whatever you are saying you are just joking (DMC NOTES: Romans 8:26).

But when the Holy Spirit grabs you, the thing will just be flowing.

And you will discovered those of you who are maybe a little older that many atimes what you say that you are Praying for has already been done.

I mean that the wife of a cousin of mine was Pregnant and I was in Ilorin (Capity City of Kwara State Nigeria) and she was in Lagos.

And I was there in Ilorin on a Sunday crying to God: Please, let her deliver safely. And she has delivered the Friday before the Sunday.

So when I should be Thanking God, I was doing a real Prayer Warrior Activity.

You know that the Bible tells us that He is the One who will even help you to Glorify Him (DMC NOTES: John 16:14).

He said that the Holy Spirit will Glorify Him - You don't even know how to Glorify Him but the Holy Spirit will help you.

He helps you to Pray and to Glorify God.

And according to John 14:26, Jesus Christ said that He (The Holy Spirit) will even remind you of things that He (Jesus Christ) has taught you.

Which was what I told some of my children at the University of Ibadan in a Particular Year when they all failed and so they were very sad.

And I was there visiting and they asked me that what is it that we did wrong? And I said what happened?

They said that we Prayed, we had Fellowship and did everything that we are supposed to do and we failed.

I said how long was the Fellowship? And they said many times to the early hours of the day.

I said during Examination Period? They said yes and that they even Prayed in the Holy Spirit at times.

I said I see - Don't be sad because the Bible says that He will comfort you (DMC NOTES: John 14:26). You will do that Examination again and you will Pass.

They said how? You will Study and then you will Pray in Tongues.

And when you get into the Examination Hall, He will remind you of the Things that You have learned.

So He comforted them and they did very well this time around.

You are Anointed and you cooperate with the Holy Spirit; you won't fail again - Amen!

I can go on and on but this is Ordination Time; I am not supposed to even Preach at all.

Back home in Nigeria, Somebody else will do the Preaching during the Ordination Service - My own is just to Ordain you.

After I have done that, let Somebody else do the rest.

But I must warn you that: "The Greater the Anointing, the Greater the Challenges".

And this is very easy to understand.

I used to be a Boxer before - I don't look like one now.

But I know that in Boxing, you don't ask a Featherweight to fight a Heavyweight - They won't allow it.

So the one who will challenge you must be very close to you in weight.

So Congratulations Pastors - You have gained weight.

And your opponents are going to be Changed - I must tell you the truth.

You can't ask a Heavyweight to fight a Featherweight.

Satan is aware of the Service that we held here today - He knows that:

☆ Some of you are going home as Deacons and Deaconesses.

☆ Some of you are going home as Assistant Pastors.

☆ Some of you are going home as Pastors.

And so, he is going to charge his Agent.

I mean some of you will say? Why are you saying this now? Today is our day of Joy, you could have at least Postponed this to tomorrow?

In 2 Kings 1: 9-12; a King wanted to arrest a Man of God called Elijah - A Man of God who had no weapon at all that you can see with ordinary eyes.

The King sent fifty (50) Soldiers and a Captain to arrest the Man of God.

And the Captain came, saw the Man of God on a Hill and said: Man of God come down as you are under arrest.

The Man of God said: Hey, you know that I am a Man of God? Yes I know. And you have come to arrest me?

If I am a Man of God, I decree that you will become Ashes.

You know the Story - And immediately fire fell.

And the King said: Where are the Soldiers that I sent? They said that they have not returned o.

Ha, you mean that boy is too Strong for fifty one (51) Soldiers? He sent another fifty one (51). That one made the same mistake and they became Ashes.

And the King sent another fifty one (51) Soldiers - Fifty (50) Soldiers and a Captain. And that Captain must have been trained.

That one came and saw one hundred and two (102) Ashes in shapes of Men.

He went on his knees and said: Oh Man of God, I am not the one who come o; I am just obeying orders - Just have Mercy on me and come along to the King. If there is anybody you want to fight; it is the King and not me.

But in 2 Kings 6: 8-17; when another King wanted to arrest Elisha, he didn't sent a few Battalion of Army but he sent a whole Army.

Whether you like it or not - Anything you want to say about the devil, do know that the devil is not a fool. He is wise and he knows that Power Passes Power.

The devil knows those of you now who has become Heavyweight Champion.

But the Good News anyway is that whether the Enemies sent fifty one (51) Soldiers or an Army, at the end of the day; in the Mighty Name of Jesus Christ, you will win - Amen!

I am just telling you what I have told you because it is my duty as your father to tell you the truth, the whole truth and nothing but the truth,.

Let me Close:

It doesn't matter how large the Army of the Enemies against you, like I told you during the Divine Encounter Service on Friday 18th September 2026; you will be More Than a Conqueror - Amen!

Do you know the reason many of you don't have Testimonies to share? It is simply because either your Anointing has been Stolen or completely dried up.

If the Enemies knows that you are already in his Prison, he doesn't need to worry you.

If your Sheep is not lost, you don't chase it.

If you are secured in the cage, then why chase after you?

That is why you sleep as if no trouble in the world because Satan says that this one is secured.

But you are going to be delivered.

The moment that you come out of the Prison of Satan, he is going to chase you - That is the way it should be.

That is why the more Anointing you have, the more Testimonies that you will have.

Because one thing that I have discovered when I was a Boxer like I told you is that if you are really, really good; you will get many People who will want to challenge you for your Crown.

And so: The better you are, the more competition that you will have.

And the more Competition that you have, the more Victories that you will have.

And the more Victories that you will have, the more Money that you will have.

I decree in the Name that is above every other name; the Oil on your Head will never dry up - Amen!

And there will be a time in your Churches that when it is Testimony Time and you say two Minutes for each Person - Like one Lady in Nigeria will say: Please o, if you want me to Postpone my own date I will do that. Two Minutes for my Testimony? No way!

One woman did that in Port Harcourt - She begged the Pastor no two Minutes because I will

Testify for at least one hour.

And then she began - Miracles upon Miracles upon Miracles.

One day, your Testimony will last for a day - Amen!

In Closing, keep yourself Pure and the Anointing will do marvels for you!

As a Boxer, my Coach told me that when you climb into that ring, go with the determination that only one Fellow will come out on his feet.

Because the referee can be compromised, don't go to that ring by thinking of winning on Points - Go there either you are knocked out or you knock out your opponent.

... Only one fellow must come out on his feet.

And I am begging you, as you go from here: Don't joke with Satan; when he comes at you, knock him out.

But if you are going to be a Champion all the time, there must be no room for the devil to knock you out.

And one of the things that my Coach taught us whether we want to have a little Championship is that you Study your opponent - You look at his Previous fight and see where he has been wounded before.

When he was fighting one fight sometimes, he got wounded in his right eye - That thing has healed but the scar is there.

So when you get into the ring with him, concentrate on that Point - Keep Punching that Point.

Let him beat all parts of your body that he wants but you just keep on hitting that Point because very soon the scar will break and blood will begin to flow. And very soon, the referee will stop the fight and you will come out as the Victor.

But do you know what that means?

You know your weak Point and Satan knows it too.

Protect your weak Point - Don't say that I didn't tell you!

If you know that your weak Point is anger, the devil will keep on doing things that will annoy you so that he can break open the wound.

You don't believe me, ask Moses!

I have Preached a Sermon before that I called: "The devil's Joker Card".

It doesn't matter how many Joker Cards that you have, if the Enemies has a Joker Card, he has won.

The day that Satan discovered that: Hey, this Man called Moses is a Man with "Quick Anger" even before he left Egypt; all the Journey through the Desert and Wilderness to the Promised Land, he was only doing one thing - He just kept on annoying Moses - There is no water:

☆ Oh Moses, you are a terrible fellow. Who told you to bring us out of Egypt?

☆ Ha, you People are the ones who cried to God that you want Freedom?

☆ No, we remembered when we are in Egypt, we ate Honey and Cucumber. Who asked you to bring us to this Place self?

I. And Moses will get angry but later Pacified.

II. It wasn't long before Mosea say: Why are you chiding with me? Am I your father?

Satan said: I am getting Close,

He led the People out of Egypt but never get into the Promised Land.

I beg you: Watch your weak Point:

☆ For yours, it might be Anger.

☆ For yours, it might be Impatience

☆ For yours, it might be what you know.

God bless you my Children - Whenever I see you again, you will have many Testimonies

(Amen).

Testimonies of Victories - Amen.

And you will look at yourself and say: I never knew I could be like this one.

I will tell you just one Story and I will be on my way - I think that God loves you so much!

The worst thing you can do to a Yoruba Man - And I am a Yoruba Man; is to begin to tell him:

☆ But for me, you can't become this (DMC NOTE: Bi ko ba je emi, o le to bayi)

☆ At such and such date, I bought you a dress (DMC NOTES: Ni asiko bayi ati bayi, mo ra aso fun e).

☆ At such and such time, I gave you food (DMC NOTES: Ni asiko bayi si bayi, emi ni mo fun e ni ounje).

If he is eating the food that you gave him and he is enjoying it and you say: "You are enjoying my food now"; he will go out and vomit it.

So on one occasion, we were having a Senuor Ministers' Conference - Just the Topmost ones.

And one of my sons got up and he said that I want to talk - Yes sir, go ahead.

☆ When you are going to such and such Place, I was the One who went ahead of you and arrange for the Hotel - Yes sir!

☆ When you are doing this, I was the One - Yes sir, you are correct sir.

☆ I am the one who did this for you and I am the one who did that for you.

And there were few Yorubas among those there - They were trembling because they know what that one means.

They thought that when I speak, I am going to say: Thank you very much, tell me how much you spent - Calculate how much you have spent for me, multiply it by ten and then put any Interest that you want. But you will get out of this Church today.

That is what they were expecting!

But I have dealt with the devil for some time.

When he finished speaking, I said that: "My son, I am sorry". I offended you so badly and that is why you are doing this! Please forgive me.

The others looked at themselves.

And you know what?

When I was about to sleep that day and I was going over the day and Thanking God for Victories and so on; I had to say something - I said: "Daddy, I never knew that I could take that on".
